

HOME MISSIONARY EXTRA.

BATTLE CREEK, MICH., SEPTEMBER, 1892.

OUR TREASURE.

"We lose what on ourselves we spend;
We have as treasure without end
Whatever, Lord, to thee we lend,
Who givest all."

✓ The receipts for the work of Foreign Missions for quarter ending June 30, are as follows:—

First-day offerings,	\$ 5,304 09
Miscellaneous contributions,	1,886 36
Sabbath-school donations,	5,000 00
Total,	\$12,190 45

The first-day offerings for this quarter are the largest that we have ever received, being over \$700 larger than they were for the quarter ending December 31, 1891, when we received the largest previous donation. The Sabbath-school contributions, which go to Polynesia and the West Indies this quarter, are also larger than for the corresponding quarter last year.

The miscellaneous donations for the quarter ending June 30, are \$1886.36. This is a decrease from the amount received the previous quarter by nearly \$500. Quite naturally, the quarterly receipts from these offerings vary considerably. We hope the next quarter will bring the figures up again.

WEEK OF PRAYER OFFERING.

We give in this number of the EXTRA a supplementary report of the week of prayer offerings received by the treasurer since our general report last March. This brings the total of this annual offering up to \$27,241.57. This is \$939.70 more than was received at this time a year ago, and \$225.60 more than the whole of last year's offering when the final report was in. Doubtless there will be some further donations to add to our report this year.

THE love of Jesus and of riches cannot dwell in the same heart. The love of God so far surpasses the love of riches that the possessor breaks away from his riches and transfers his affections to God. Through love he is then led to minister to the wants of God's cause. It is his highest pleasure to make a right disposition of his Lord's goods. Love to God and to his fellow-men predominates, and he holds all that he has as not his own, and faithfully discharges his duty as God's steward.— *Testimonies.*

THE Foreign Mission Board decided to appropriate for only six months, at its recent mid-summer session, which will carry our foreign missions until the time of the next General Conference. These appropriations are of course closely approximated estimates of the amounts which are required in the various fields for carrying on the work that ought to be done.

The appropriations for six months this year are a little less than half of the appropriation for the past year. This is accounted for in the fact that Central Europe, the German Mission, and Russia called for no additional appropriations for this half year. They found their last year's appropriations sufficient to carry them through until next January. Writing on this point for the German and Russian Missions, Elder Conradi said:—

"The Lord has blessed us, as the yearly reports will show, more than we dared to expect. This quarter, six have been baptized in Hamburg, four in Rhenish Prussia, and two in Romania, and six Baptists have joined in Harburg; also some \$150 has been paid in on my last trip alone. Our tithe in Germany will exceed \$1100 this year, and the contributions altogether reach close to \$1500. Russia will also come up to over \$500 tithe, and the contributions in all to about \$700."
