THE "WIDOW'S MITE."

Did you see that wealthy brother,
When our mission needs were pressed,
Just dole out a single quarter,
Found outside the iron chest;
And with sober saintly seeming
Say, "I'll give the widow's mite"?

Probably but little dreaming
How it looked in Heaven's sight.

That poor widow was commended,
For she gave the last she had;
Only think how she is slandered
By such showing. 'Tis too bad.

No, no; never name the widow,
Till you give your last half-cent;
If you ever have been guilty
Of such insult, now repent.

— *The late R. F. Cottrell, in N. Y. Indicator.*

THE receipts for Foreign Missions reported to the treasurer for the quarter ending March 31, 1893, are as follows:—

First-day offerings.....	\$2854 48
Miscellaneous contributions.....	8440 79
Total.....	\$11,295 27

FROM a recent communication from Sister E. G. White, we extract the following:—

"Men and money are needed to carry the work forward. Still there is opportunity for us to share the Saviour's self-denial and sacrifice for the salvation of souls. The necessities of the work now demand a greater outlay than ever before. The Lord calls upon his people to make every effort to curtail their expenses. Again I plead that instead of spending money for pictures of yourself and your friends, you should turn it into another channel. Let the money that has been devoted to the gratification of self, flow into the Lord's treasury to sustain those who are working to save perishing souls. Let those who have houses and lands give heed to the message, 'Sell that ye have, and give alms.' 'Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open the windows of heaven, and pour you out a blessing, that there will not be room enough to receive it.'"
