

OUR CHRISTMAS WISH FOR YOU

There is something very lovely
In the thought that year by year
With each Christmas come new margins
For our happiness and cheer;

So beyond the day's horizon --
Though the joy it brings be true --
May a greater peace and gladness
Follow Christmastime for you!

-- Octavia Walton Goodbar.

NEWS

Fall Council is being held this year in Cleveland, Ohio. For stenographic work in connection with pre-Council meetings, the following group of Keepers left here on October 9: Stella Fleisher, Hazel Shadel, Mary Paul, Katie Farney, Louise Surface, and Dorothy Ford. To help at the Council proper beginning on the 24th, Evelyn Wells, Elizabeth Zeidler, and Ora Williams left for Cleveland on the 23rd.

Dorothy Ford, while in attendance at Fall Council, received word of the death of her father in Canada. She left at once for home. We are sure the sympathy of all the Keepers are with Dorothy in this time of sorrow.

Minnie reports that she and Mintie "did the town" of New York last week. They even had dinner at the Waldorf!

Christine Rutledge had some remnants of tonsils burned out.

Grace Coyl spent two weeks vacationing with friends in the mountains of Northeastern Pennsylvania.

Mable Hinkhouse spent a week of her vacation time in Michigan.

Marilyn Oates has had her mother and cousin visiting her from Asheville, N.C.

Eva Linscott reports a pleasant vacation in Florida visiting a friend in Orlando and other points.

Verna Slate announces that she has a new niece by the name of Grace Alfreda, her brother, Herman Slate, being the father. The child was born on Friday, the 13th of October!

Some of the Seminary girls are bent on improving their minds. We hear that Barbara Phipps is taking a class at George Washington University, Mary Jane Dybdahl has joined the Silver Spring Chapter of the American Association of University Women, and Signe Nelson is working on her A.B. degree at WMC.

FROM ANOTHER "ALUMNI" KEEPER

How I would love to walk through the General Conference halls this morning and greet "you all" personally, but this, by way of THE KEYNOTE will have to suffice until gasoline is more plentiful. We miss Takoma Park and our friends there, but we have been in Dixie long enough to become acclimated, and I must confess that we like it here more than we ever thought we would. We have a five room house with a guest room, so please accept this as a personal invitation to drop by to see us whenever you are on your way to where you are going. I promise you hot biscuits for breakfast.

Mayme Higgins.

WELCOME TO NEWCOMERS

M. Winifred McCormick has connected with the Medical Department as Associate Secretary for the promotion of Health Education. Her home state is Iowa. She has had experience both as dean of women at Emmanuel Missionary College and in the field of nursing. Miss McCormick comes to us from the White Memorial Hospital, and her background of experiences in Public Health activity will be of great value in the direction of conference nursing.

Mary Green, a graduate of Strayer Business College, now taking business at Washington Missionary College, is working part time in the Medical Department.

Mrs. Marian J. Wickline comes to the Home Missionary Department from Government service in the Navy Department. She tells us, "I love it very much here. I am very sorry I have wasted so much time in other lines of work." She lives at 4816 North Lane, Bethesda, Maryland, and is the proud mother of a little daughter, Sharon, eleven months old.
