Thy People Shall Be Willing

We are very grateful for the widespread interest which our people in this Union manifest in raising mission funds. Last year the Lake Union Conference raised \$6000 more than their twenty-cents-a-week quota. We gave a larger sum of money to missions than any other union conference has ever given in one year. This was a great encouragement to all of us and a great help to the cause of God. Our people are constantly asking us how the mission funds are coming in during 1916. We regret to state that for the first four months of this year we raised \$1300 less than for the same four months last year. Our membership this year is larger so our shortage this year, compared with the membership last year, is even more than \$1300. Two of our conferences and quite a number of local churches are ahead of last year; but many are behind. This cannot be pleasing to God. It does seem, dear brethren, that we ought to raise a larger sum this year than in 1915. Times are fairly good. The Lord is giving us peace in our Land. We believe that God is testing his people in this country. He is looking to us to support His work in all the world. We wish our conference workers and especially the elders and leaders of our churches would give immediate attention to this deficit in mission funds. Very much depends upon what is done in the Sabbath school and in the church from week to week. Our faithful elders and Sabbath school superintendents are doing a very large share of this work of raising funds for missions. We hope they will bring this situation before our dear brethren in every place. Please do this very soon.

It is really remarkable what people can do for a certain cause when they really try. Over in South Dakota this year, May 25 to 31 was set apart by the State Prohibition Amendment Committee as an "Egg Week" for temperance. Every poultry owner whether man or woman was asked to give the proceeds from all the eggs laid during that week to the cause. Some 600,000 dozen eggs is the average per week in that state for May. It would greatly help in the cause of mission if we as families or individuals would devise definite plans to raise money. Some could give the proceeds of a patch of ground or the milk check for a week or a calf or a colt or a horse. Some of our

brethren in the city are giving a day's wages or even a week's wages now and then to missions. We must ask the Lord to impress upon the hearts of our well-to-do brethren to give large gifts. We must think even more of the little gifts. It is the steady, small streams of donations week by week which bring the greatest results. The thirteenth Sabbath offering means very much to the cause of missions. Can we not make a strong effort to increase our mission funds during the month of June because the cause of God is greatly in need of it? Could we not bring up our mission funds in June so that we would be ahead of where we were last year? We need to make this a subject of earnest prayer. We need to speak of it often. A few, brief remarks about it helps. In many places it would be well to call a meeting of the church and Sabbath school officers to consider this question. We cannot understand why we should raise less for missions this year than last year. It does seem that some one must have failed in doing his part. The word of the Lord is: "Thy people shall be willing in the day of thy power." We have seen proof of this in the willingness of our people during the last two years. We believe they will take hold of this situation and we hope to see a real change in the report of our mission funds.

L. H. CHRISTIAN

How a Church May Be Revived

"Our church is dead," said a brother to us the other day. Of most churches, and perhaps of all, this cannot be truly said. We rejoice to know that in many of our churches the Lord is doing a real work of grace for His people. But in others there is need of an awakening. Some people expect the minister to revive the church. Others look for the Elder to do it. These leaders carry heavy responsibilities and the Lord sometimes uses them to begin a revival. But a real revival in spirit, in missionary work, in giving and paying tithe, and in a personal consecration, will often begin in another way. God hears prayers and when one or possibly a few members in the church give themselves to earnest prayer the Lord will send results. We wish our people would ponder the following statement from the testimonies: "When churches are revived, it is because some individual seeks earnestly for the blessing of God. He hungers and thirsts after God, and asks in faith, and receives accordingly. He goes to work in earnest, feeling his great dependence upon the Lord, and souls are aroused to seek for a like blessing, and a season of refreshing falls on the hearts of men." In this solemn time every person must know that he is right with God.

The Ellen G. White Memorial Hospital

All who read the reports of the action of the Fall Council held at Loma Linda last November will remember that it was voted that the College of Medical Evangelists should have a hospital in Los Angeles, provided sufficient means was raised to erect the building and equip it.

As the General Conference felt unable to supply the money needed, several of the leading women of the denomination who were here volunteered to undertake the raising of the amount necessary, making the affair a women's movement. The Conference agreed to this plan, and so the hospital depends upon the ability of the sisters to secure the funds.

It was arranged that the men should help the women in the work, and so it becomes an undertaking in which every one should be interested, and feel that he has a part.

The students at Loma Linda felt that a movement of this kind should find special cooperation in those for whom the hospital would mean better facilities for preparation for the work of the message, so they set about to do their share. The medical students set their goal at \$1,500, which should equip the operating room in the new hospital. To raise this amount, pledges were made by the students out of their own funds; some are using their spare time for canvassing, and others doing various things so that each may feel that he has done his part.

On March 17, a program was given on the Sanitarium lawn by the students to help provide their portion. A good donation was received, and the same program is being given in some of the churches about Loma Linda with good results. The program presents the need of medical missionary work and workers, sets forth the scope of the work, and shows the need of better facilities for proper training of young people in medical missionary lines.

The medical evangelists of the two year course and the nurses are all doing what they can to get funds for the work. The children of the church school have all pledged two dollars each which they are earning by means of missionary gardens, running errands, selling useful articles, or whatever may suggest itself to them. Nearly every one of our people in the valley about Loma Linda have pledged or paid at least two dollars each, and many a great deal more. All seem to be doing their best for the interest of a better school.

The aim is to have the hospital, dispensary, and the students' home ready at the beginning of the coming school year. The prospects are good for the accomplishment of this. Already Dr. P. T. Magan and others have raised a good sum, but there is much to be raised yet.

Surely all of our people want to see the work of getting the hospital successfully accomplished, so that the instruction that has been given us through the Spirit of prophecy may be carried out, and especially so since it is to be dedicated the "Ellen G. White Memorial Hospital," in memory of one we respected and loved.

For this all to be of benefit to the cause of God, it will mean that those who can, and feel called to medi-

cal missionary work, should be encouraged to come to the College at Loma Linda to receive a preparation to do efficient work in this line.

It is hoped that all will do what they can in securing of means to make our Medical College able to do the work it should, and that all our young people who feel inclined to take the medical course will be directed toward Loma Linda rather than to a school where the missionary phase of the work is crowded out entirely, also that capable young men and women will be encouraged to take up this line of work, for we all surely understand that the Lord has shown that medical missionary work will be a very important factor in the closing of the great work in the earth.

Religious Liberty Petitions

By request of the Religious Liberty Association the accompanying list of senators and representatives of the states of the Lake Union Conference is published with the district of each representative. All petitions should be sent direct to your Representative or Senator at Washington instead of to the Religious Liberty Association as many are doing.

Now is the time to make good use of the *Liberty* Extra and forward the petitions as soon as possible as the defeat of the pending bills against religious liberty largely depends upon the petitions of protest that are being sent to congress.

Northern Wisconsin, Notice!

It has now been fully decided to hold our northern camp meeting at Spooner. A fine location has been secured, good help is promised us, and we are anticipating a profitable time together.

The first meeting will be held on Tuesday evening, July 4. We extend a most urgent and hearty invitation to our people in that part of our Conference to attend this camp meeting. The dates are July 4 to 9 inclusive. Watch for further details in future issues.

Milwaukee

Sunday forenoon, May 28, members from the German and English churches gathered at the river where six dear souls were baptized. As the weather was so fine we found many people in and at the river,

so it was quite noisy but when the ceremony took place a solemnity came over them all and a great quietness was realized. We rejoiced with the candidates as they felt the peace of Heaven and the forgiveness of their sins.

Last Sabbath the German church enjoyed a well planned Sabbath school rally. Pieces were well learned and all believed that the Sabbath was well spent. The Lord surely added His blessing. Our young people's meetings are getting more interesting from week to week. We are rejoicing with them. We have a very intelligent class of young people here. The society now numbers twenty-seven members and is working hard to bring it up to fifty. Pray for our young people.

Nearly all took part in our social meeting Sabbath. We surely realized some drops of the latter rain here. Sabbath before last and last Sabbath we had revival meetings with English and German churches. Nearly every one came forward and made a new covenant with the Lord. We had a foretaste of the camp meeting feast.

William Westermeyer has come from the Clinton German Seminary to help us in the summer's effort. Pray for us here. G. P. GAEDE

A Camp Meeting Opportunity

We read from the Testimonies, "If there is one work more important than another it is that of getting our publications before the public, thus leading them to search the Scriptures." We are planning this year on having a well stocked bookstand at our coming camp meeting. We have faith to believe that our lay members, upon whom a large responsibility rests in this home missionary problem, will want a share in this important work of getting our publications before the public, thus revealing to them the truth for these times.

To enable our people to provide themselves liberally with our literature we will give liberal discounts, particularly on home workers' and subscription books. Special sales will be conducted where our tracts and pamphlets will be sold at the lowest possible rate consistent with cost. We are anxious to do our part in placing our literature within reach of all. When we read of the important part the writings of Luther had to do in the spreading of the Reformation we can not help believing that there is as great a power in our truth-laden literature today to draw men to a knowl-

edge of saving truth. Shall we not consecrate ourselves to this work as never before?

Seneca

The work started in this place by Elder Woodman and which the writer was called to finish because he was called to take up work in Saginaw has resulted in the organization of a Sabbath school of sixteen members and twelve adults taking their stand for the truth.

Sabbath, May 28, Elder Woodman returned for the baptismal services. Some from the Prattville church united with us in the services. Nine were buried in the watery grave with their Lord. Three others were prevented because of sickness but will be baptized later. They are of the best class and we feel the work is onward in this place. Remember us in your prayers to the throne of God.

The Detroit Convention

We were favored with the presence of our new president, Elder A. J. Clark, and Prof. C. A. Russell at our Missionary Volunteer Convention in Detroit. The weather though somewhat rainy, was not against us. Each session was well attended the chapel being very crowded. The plan of the regular campaign was varied in this city by having a Junior Day when the children were given nearly our whole attention, and then the cantata rendered by the united efforts of the young people of the several churches of Detroit. We feel an up lift came not alone to our Missionary Volunteers in the presentation of "The Great Light" under the direction of Mr. Paul Schneppe, but it did much to improve the standard of music in the church and demonstrated to the public that we accept music as a

part of our worship. The young people began early in our convention plan to prepare this selection, and a whole evening was given to the rendition. A large hall was rented in order to accommodate the crowd. The young people looked well after their advertising. The silver offering taken on this occasion was devoted to home missionary work. We feel our work among our young people in Detroit is onward. New recruits are continually joining us. A good working spirit is manifested and deeper consecration is coming in among these Volunteers.

This is the seventh convention and the last of the season. All who have been connected with the effort have considered that it paid. We are daily more grateful to our Great Leader for victories gained.

LOTTA E. BELL,
Missionary Volunteer Secretary

News Notes

Since the thirteenth Sabbath this quarter comes during our camp meeting, we thought best to take up our special offering for the Brazilian field on the 12th Sabbath, June 17, instead of waiting until the 24th. Will all bear this in mind, and be prepared on June 17 with a large offering for Brazil.

A letter was sent out recently to our church elders and missionary secretaries, calling the attention of our people to the *Liberty* Extra just published, and inviting their cooperation. We are glad to report a healthy response. A number of orders are coming in, and results should be seen of the effort put forth.

Elder Clark and Brother Thurgood spent Sabbath, May 27, with the company at Birmingham, where Brother Thurgood formerly lived.

We are glad to have our canvassing report look up. Several canvassers have recently begun work, and for next week we hope to have reports from three or four more.

Brother Johnson, who spent some time with us, assisting in the work of moving and settling, is glad to get out into the field again. He has visited several of these just entering the work, and expects to have the privilege of initiating some more new recruits right soon.

Mrs. Sadie Sheets, the missionary secretary at Coleman, called at the office recently, as she passed through Holly. She had been visiting her daughter, Mrs. F. E. Nurnberger, of Pontiac, for a few weeks.

The Tract Society expects to have a good assortment of books, Bibles, and other literature at camp meeting, and hopes to meet a large number of our people. Come prepared to take home with you a good supply of literature; the times demand earnest work on the part of everyone. Then, too, besides what we should plan for in the way of laboring for others, we need to study ourselves, that we may keep pace with the message, which is fast going to the world. So a very large amount of literature should be disposed of.

We must get the wrinkles out of our brows, and we must have smiling faces. The world is after the best thing, and we must show them that we have something better than they have.—*Moody*

Upper Peninsula Camp Meeting

As doubtless all of our people in the Upper Peninsula know by this time, the upper camp meeting is to be held at Escanaba, June 15 to 25. The grounds that have been selected are about three and one-half blocks from the Chicago & Northwestern Railway depot on the car line running to Gladstone. This place is easy of access for all our people and I hope everyone in the Upper Peninsula will plan on being there.

The prices for supplies are the same as last year. Quite definite instructions have been sent out to the different churches, so I think all understand this.

We have promise of good help all through the meeting, and above all, we expect the presence of our Lord by His Holy Spirit, and we cannot afford to miss the blessings of this meeting. Let us pray earnestly that this may be the best meeting ever held in North Michigan.

J. J. IRWIN

Upper Peninsula Young People, Notice

You are cordially and earnestly invited to attend the camp meeting to be held at Escanaba, Mich., June fifteen to twenty-five, nineteen hundred and sixteen.

We are fortunate in having the splendid help in the young people's meetings of Elder Meade MacGuire, field Missionary Volunteer secretary, Washington, D. C.; Prof. O. J. Graf, president of E. M. College, and Elder F. J. Harris.

You cannot afford to miss these meetings.

Come, and bring someone with you, and let us make this camp meeting the greatest season of refreshing ever experienced by our young people.

AUGUSTA BLOSSER, *M. V. Secretary*
J. J. IRWIN, *Pres. of N. Mich. Conf.*

News Notes

Prepare at once to attend the Escanaba camp meeting, June 15 to 25. Several of our leading brethren from outside the conference will be in attendance and you can't afford to miss the blessings of this meeting. We have just received word that Professor O. J. Graf, president of Emmanuel Missionary College, will spend a few days with us. This will be the first time Professor Graf has favored us by his presence at the Upper Peninsula meeting.

Elder Piper baptized two new believers at Traverse City Sabbath May 20. The Lord is blessing his work there.

Brother A. P. Friday reports a 100% delivery of books. This is very encouraging to all.

Brother Hugh Stearns was up to the Iron Mountain region last week where he helped four new colporteurs from the Broadview Swedish Seminary to get started. They are Misses Aurora and Alva Wearner and Misses Annie and Frieda Swenson. He will visit Traverse City this week, where he will assist the Hamilton brothers, also Brother Cyril Courville. This will

make seven new members added to our band of faithful colporteurs. There are others expecting to take up the work very soon. Don't forget to pray for these valuable workers. We fully expect 1916 to be the banner year in the sale of our literature.

At the closing exercises of the Traverse City church school a special missionary program was given, and at the close there was raised in cash and pledges something over forty-eight dollars for building the girls' school and zenanna home in North India. This, together with the amount raised during the year by the pupils of this school, made the amount of sixty-seven dollars and fifty cents,—seven dollars and fifty cents more than the M. V. India goal for the Traverse City church. The church was filled to its capacity, quite a number of outsiders being present. As a part of the exercises twenty-three Reading Course Certificates were presented by Miss Augusta Blosser.

The Mesick church reports that they have raised in cash and pledges forty-five dollars toward the M. V. India goal. This is ten dollars more than their quota.

Those who pay their pledges toward the girls' school and zenanna home in North India should not forget to have the local treasurer report it as applying on the "M. V. India Fund." These pledges should be paid if possible by the last of August.

Report of Labor

I have been working at Decatur, Glenwood, Prairie Round, Galien. Last Sunday, May 28, I baptized four at Decatur. The little organization we have started there is getting along nicely and are doing quite a little missionary work. They have started over the town with the Temperance *Instructor* and expect to put a paper in each home in Decatur. There is a good interest at each of these places, and we expect to see souls take hold of the truth as a result of the effort put forth.

Quite a large amount of literature has been placed in the homes of the people. They have reading matter that will help them decide. Pray for the success of the work in these places.

News Notes

Mr. Tim Tretsema, of Detroit, and Miss Oleva Ingersol, of Adrian, were married at 5:15 P. M., Sunday, May 28, at the home of the bride's brother, on Adams street, Grand Rapids. The HERALD family join in wishing these young people a happy, prosperous, and useful life.

The tents are now being shipped into the field for the summer's efforts. There are five companies to be located at Kalamazoo, Niles, Ionia, Barrington, and Hopkins. Pray for the success of these workers in soul saving.

Elder Hurlinger, President of the West Virginia conference, is spending a short time in Grand Rapids,

and spoke to the church at that place Sabbath, June third.

Eld. Wm. Guthrie spoke to the church at Greenville Sabbath, May 27, meeting with Sister Nelson at the noon hour.

Brother Fred Lee was a caller at the office last week, visiting the church on Sabbath.

Elder Meade MacGuire spent a short time in Grand Rapids, speaking to the church at 11 A. M., Sabbath, May 27, and to the young people in the afternoon and Sunday night. His talks were especially helpful and were greatly appreciated by all.

It is time for us to receive reports from the student canvassers. Pray for their success.

Plans for the Summer

Many calls have come into the office for help in different parts of the field. We are glad to see so many openings for work and hope to answer the greater portion of these calls through the summer. I have more than twenty places on the waiting list now from which we have received communications asking for help. There are persons awaiting baptism at Avon, Witt, Shelbyville, Herrin, Vienna, and Maestown that we have record of at present. We shall attend to these just as soon as possible. Then there are calls for help in getting others established in the truth so as to be ready for baptism. Besides this urgent letters come asking us to send a minister to hold a few meetings where there seems to be an interest to hear the truth. Elder R. J. Nethery will assist in the work of meeting these calls from the field and baptizing those ready for it. It was first planned to have Elder Nethery connect with a tent company this summer, but on account of the increasing number of appeals for help, he has consented to take up special field work.

The tent companies shipped their outfits the last part of May and have no doubt started their meetings by this time. The Bloomington effort will be conducted by the following workers: Eld. P. C. Hanson, Brethren C. W. Curtis, J. O. Ferris, and Sisters J. O. Ferris and Rika Wohlers. We trust that this strong force of workers will be able to bring out a large number of persons to believe and obey the truth. At Martinsville another effort will be held, the workers being Eld. E. N. Sargeant, Brother C. J. Smith and Sister Mary B. Craig. We are hoping that this effort will prove very fruitful. These tent companies will carry on meetings until time for camp-meeting Aug. 10-20. After the camp-meeting another series of meetings can be held in other places where there is a demand for work to be done. While this work is being carried on in the field let the Lord's people unite in praying for its success.

In order to carry on our work properly we need another large field tent for use at and after camp-meeting, also ten or twelve new tent flies, but there is considerable deficit in the Tent and Camp Fund

carried over from last year so we will need a large increase in the Two-per-cent Fund to make the above purchase and wipe out the deficit on the Tent and Camp Fund. We trust that those who have been faithful in the Two-per-cent Fund will continue to be so and those who have not been paying Two-per-cent regularly will rally to these urgent needs and send in a liberal donation to meet this necessary expense for equipment. I am sure none of us would like to see workers kept out of the field because of lack of equipment.

I have not been able to visit every church yet, but am going around as fast as possible. I hope to have visited each church before camp-meeting. We are much encouraged at the general outlook in the field and we are looking for good results from our summer's work. Let us all work and pray to this end.

Home Missionary Work

Sabbath, May 20, in company with Brother J. W. Mace I visited the Twin City church at Champaign and Urbana. By invitation, members were present from Decatur, Foosland, Charleston, Danville, and Oakland. Two meetings were held on the Sabbath in the interest of the Home Missionary work. Pledge cards were distributed on which were named several lines of missionary work. Brother Mace explained in detail the different lines of work and thirty-five cards were signed by which each person indicated which lines of work he was most interested in. A consecration service was also held in connection with one of the services and every one present consecrated himself to some definite work this year. One sister present who had been keeping the Sabbath for some time made a new and full surrender to God agreeing to give up her connection with the lodges to which she belonged and devote more of her time to missionary service. Before we left this locality after the close of the Sabbath, one man gave us an order for 100 "Armageddon" and 10 "The Other Side of Death," and since the meeting we have received an order for a \$5.00 tract package from the Twin City church which indicates that they are going to work.

May 21st we journeyed on to Peoria and held two meetings with the church at that place. Here twenty-eight pledge cards were signed and a very live interest was taken in the lines of work presented. Five tract packages were sold and 185 "Armageddon" and 25 "The Other Side of Death" were ordered. We hope that these churches that have been visited in the interest of the Home Missionary work will have a glowing report to send in of the work they are doing and the results obtained. I will mention just one instance to show that Home Missionary work is producing results. A few days ago we received a letter from one of the Canadian Conferences giving us the address of two ladies at Avon who are desiring baptism. They accepted the truth through reading matter and correspondence sent by a sister of one of the ladies who had not long since accepted the truth in Canada.

We are anxious to see a great awakening among all our people in more active missionary service and hope

that our fondest anticipations may be more than met. If we do as John Wesley said, "All at it and always at it" we will get something done and surely the times in which we are living demand very diligent efforts on the part of each one.

College

Some interesting statistics concerning the College were recently sent to our general educational department. Of the two hundred sixty-three students enrolled, sixty-five enter the colporteur work. Ninety two worked their way, while forty-nine worked part of their way. Five students have entered the foreign service. Labor performed amounted to \$10,726.52.

Prof. C. C. Lewis spent a few days at the College. He left on the twenty-ninth for the Iowa camp meeting.

Misses Lydia Passer and Clara Wood left on the first for Lafayette, Ind., where they will be employed at the Sanitarium.

E. A. Clark expects to leave for his canvassing field near Charlotte the first of the week.

Oscar Meilicke left for St. Charles, Mich., on the first. He will canvass in Saginaw county.

Miss Grace Evans and her mother left on Friday for Springfield, Illinois.

Misses Grace and Ruby Holt came recently from Jackson, Mississippi. They will be employed at the College during the summer.

Miss Rena Curtis will be employed at the printing office during the summer.

Word has been received from Professor Garcia. He is now at Rochester, Minnesota.

Glenn H. Straight and wife arrived from Bethel Academy on the twenty-sixth of May. They will spend the summer in Berrien Springs.

Martin Halvorsen and wife, *nee* Miss Flossie M. Hall, recently visited Mr. Halvorsen's relatives.

J. D. Reavis and family left on the first for Battle Creek where they will visit Mrs. Reavis's relatives a few days before taking up his work in Northern Illinois for the summer.

L. V. Nichols has returned from his short vacation and has resumed his work in the dairy.

Bernard Thompson who has been working hard to keep the dairy running, left for his home June 1.

Broadview Swedish Seminary

The Seminary closed May 23 with 66 out of an enrollment of 70 in attendance. This year there was a graduating class of seven, two from the seminary course and five from the academic. Three of the graduates will enter the work and the other four will return to school. Forty-six of our students are doing aggressive missionary work this summer. Almost all of the others were called home to help their parents.

Baccalaureate was given this year by Elder Forde of Chicago. Elder St. John of the same place gave the commencement address.

A number of improvements are being made this summer. At present forty acres of the farm are being tiled and the teachers' dormitory is being painted.

Elder Nord and Professor Olson have both gone into the field to work in the interest of the Seminary.

The goal for students this year was seventy, which goal was reached. The goal for next year is ninety. All Swedish young people in the Lake Union Conference should plan so as to help reach the new goal. Any desiring catalog or other information should address the Seminary.

If present plans carry, the seminary will be dedicated next October free from debt. All who want a part in helping free this institution from debt should send in their offering soon.

The Seminary would be glad to correspond with any one who has good books that they would care to donate to the library.

No Introduction Necessary

Readers of Seventh-day Adventist periodicals need no introduction to Dr. P. T. Magan. They will be more than passively interested, however, to learn that he has been secured by the weekly *Signs* as an editorial contributor.

Three series of articles by the Doctor are announced. One of them, entitled, "Restoration of the Papacy," will begin in the issue of July 11. It will be followed by "The Eastern Question" and "Marvelous Living Experiences Connected With Our Work," probably in the order named. It is thought that the three series will cover a period of six months to a year.

Be sure to get every issue for yourself, and would it not be well to induce your friends to subscribe at this time? Scores, no doubt, will act upon this suggestion. Will you be one of them?

Obituaries

MORTORFF.—Died at his home in Battle Creek, Michigan, Mr. Ervin Mortorff in the 65th year of his age. Under the labors of Elder I. D. Van Horn more than 25 years ago at Quincy, Michigan, he accepted present truth, and remained a member of this church until death claimed him, May 26, 1916. His life companion, two daughters, and four grand children are left to mourn.

C. A. RUSSELL

LOWING.—Ernest V. Lowing was born Feb. 19, 1851, in Burford, Canada, and died at his home in Battle Creek, Michigan, May 26, 1916. For the last two years he had been an invalid resulting from a paralytic stroke. Loving hands ministered to his every need during all these months. His faithful companion and five children remain. All were in attendance at the funeral. His hope was bright to the last, and we expect to greet him again when the Life-giver comes.

C. A. RUSSELL

ROGERS.—James Rogers was born Aug. 3, 1827, in Che-nango Co., N. Y., came to Michigan in 1854, was married twice, his first wife being Margaret Elder Deeve who died in 1866. In 1871 he married Nancy Tubbs who survives him. Brother Rogers was one of the pioneer members of the old Wright church. He died May 22, 1916, and was buried in the little cemetery near the church at Wright where several other dear old pilgrims, who saw the rise and progress of the great advent movement, rest awaiting the glad summons of the blessed Lifegiver. Services were held at the family residence.

Look Up!

There's neither strength nor courage
In looking down one's nose;
You'll find no inspiration
In counting o'er your woes—
Look up!

When darkness gathers 'round you,
The path you can't discern,
Be guided by the sky-line,
And doubt and fear you'll spurn—
Look up!

There's strength in Christian courage;
There's light and life and hope
In looking up toward heaven,
Then why in darkness mope?—
Look up!

Look up to the blessed Saviour;
Look up to the Father true;
Look for the prize eternal;
Look for the city new—
Look up!

C. P. BOLLMAN

The following are a few titles gleaned from the
excellent contents of the July *Watchman*: The Far
East and the Far West, Germany, Mexico, Japan and
America, "Wake up the Mighty Men," The Right of
Free Speech, and Armageddon and the Bible. This is
a most interesting number of *The Watchman* and we
would urge all our people to secure a supply and sell
to your neighbors and friends.
