No. 44

HOME AT LAST

There the flowers bloom forever,
'Neath the balmy air of heaven;
They shall fade or wither, never,
Through the endless summers given,
And the saints, the glad immortals,
With the toilsome journey past,
Sing within the pearly portals,
"Thanks to God, we're home at last."

Mountains matchless in their splendor
Bathe their feet in living green,
Songs of angels, sweet and tender,
Help to glorify the scene;
The redeemed in heaven's glory,
At the Saviour's feet will cast
All their crowns, and tell the story,
"Thanks to God, we're home at last."

Every shade of care has vanished
'Neath fair heaven's radiant sky;
Every heartache will be banished
As the shining years go by.
But the wondrous, glad salvation
Through the years of God shall last;
We have passed the world's probation—
Thanks to God, we're home at last.

L. D. Santee

INDIANA CONFERENCE

OFFICE ADDRESS, CICERO, INDIANA
PRESIDENT, C. S. WIEST

THE FALL COUNCIL

I have just returned from the Fall Council which convened at Des Moines, Iowa. This council made a very deep impression upon all who were present. Perhaps never in the history of this gospel dispensation have there been such earnest appeals for missions. Our hearts were moved to activity.

A cloud has been hovering over one place for the last three years. This people have made no advance for new work for three years. The time has come when the cloud is moving forward. Particular instances were reported by our brethren from foreign fields where the heathen have built a church and a schoolhouse, and then sent most earnest ap-

peals to our people to give them a teacher, doctor, and minister. Such evidences of God's work and power should not be passed unheeded. The spirit of mission work took deep root in the hearts of the brethren present, and when the opportunity came to raise a special fund, the sum of \$95,250 was subscribed direct from the floor for the work during 1925. The General Conference then added another ten per cent to the present mission program, which makes an advance step of fifteen per cent during 1925, over any previous year.

It is most earnestly solicited that all our people enter heartily into the raising of their full 60 cents a week. Doing this will assure the brethren of the promises made in this advance move. Because of urgent appeals, coming as an evidence of the Lord's openings in all parts of the world, it was voted that we enter again into another week of thanksgiving, in giving one week's salary to missions, this week to be the Thanksgiving week in November.

This council appropriated the sum of \$3,912,919 to missions for the year 1925. This is the largest appropriation ever made by our people for one year. Let every one raise his full quota for it surely is an evidence of a step toward the finishing of God's work. Let every one take an inventory of his own missions program, and individual gifts. How far short have you come according to the way God has blessed you? What per cent of your mission offering do you give according to your earnings? This is a good basis to know whether or not you are faithful in your offering according to the amount of tithe you pay. Have you given as much as \$31.20, which is the full quota of 60 cents per week for one year?

Indiana was short of her full goal for missions to the amount of \$20,589.10 September 30.

If each of us will rally in paying as the Lord has blessed us, I believe that we shall be able to reach our full 60 cent goal. The Harvest Ingathering is one effective agency to enlarge our gifts for missions. Let us honor the Lord with our substance.

C. S. WIEST

INGATHERING NEWS

Elder William Butler, home missionary secretary of the Lake Union Conference, spent a week in the Indiana Conference. It was my privilege to go with him to visit the following churches: Logansport, Kokomo, Cicero, Lafayette, Fort Wayne, Hartford City, Middletown, and Boggsstown. We were busy early and late from the time Elder Butler arrived until he went away Thursday, October 23, at midnight, and our people rejoiced to hear of the advancement of the message in all parts of the world.

In all the churches the interest in the Harvest Ingathering work seemed to be revived, and many of our good people made new resolutions to go right out and finish their work in this line. We were glad for the response on the part of the elders. Nearly everyone seemed to appreciate the help, and promised to take hold with their members to help make the full quota of their churches.

Indiana has now reached almost half her goal. Nearly all the churches are getting under the load and many excellent reports are coming from various sections.

Elder Matt. J. Allen writes: "Richmond No. 1 has passed the goal in the Harvest Ingathering. Our goal was \$300. We have already \$309 and are still working. One of our juniors, ten years old, has \$26.

Elder and Mrs. W. J. Blake of Cicero have raised over \$80 in a very short time, and expect to do more. We are looking for them to go over the \$100 mark, and they are both doing heavy work at teaching every day.

One sister, who is unable to get away from home, took some Harvest Ingathering papers. A neighbor lady called. She saw the papers and asked what they were. On being told, she took one and gave fifty cents for missions. Then the sister's son gave her \$5, and she now has nearly \$7. She is happy and expects to reach her goal. This is a hint to other "shut-ins."

These are the days for *everybody* to be at work.

EAST MICHIGAN CONFERENCE

OFFICE ADDRESS, HOLLY, MICH.

PRESIDENT, W. H. HOLDEN

JUBILEE FESTIVAL

The Detroit German church celebrated their jubilee festival October 18. We had gone \$60 over

our goal in the Harvest Ingathering of \$1,200 which we had set for ourselves. It was a day of rejoicing long to be remembered—but we are still working. I had set my personal goal at \$100 and now have over \$700. Mrs. Gaede has over \$260. Miss W. Mueller, the Bible worker has over \$150; some of the members have collected \$50 and more.

When we began soliciting and found so many people out of work, we were a little afraid that our goal was too high this year. About a third of the church members and the conference workers have done the work. To the Lord we give all the praise.

G. P. GAEDE

THE SERBIAN WORK IN DETROIT

Brother and Sister Belich have worked faithfully since they came to take charge of the Serbian work in Detroit, and as a result three dear souls were baptized September 27 and joined the German church until the time comes when there is a sufficient number to form a Serbian company. Brother Belich has collected \$88.60 in the Harvest Ingathering; Sister Belich, \$10, and Brother Peter Vucenith, \$13.25.

ber 31. Some made real sacrifices to have its weekly visits. Brother and Sister Rogers of Farwell had almost given up hopes of getting the money for their subscription when a woman came to their home and purchased some chickens, thus making it possible for them to subscribe.

Mrs. S. A. Johnson and Mrs. Andrew Petersen spent several hours in the Ingathering work last week securing \$10.65 as a result of their effort. This was Sister Johnson's first experience in this work, but she enjoyed it very much.

Subscriptions for the *Present Truth* special weekly list can be sent in any time between now and the close of the year. This year one paper will be mailed out each week for fifty weeks for only fifty cents. Orders should go in in the regular way, labelled *Present Truth* weekly list.

The office stenographers accompanied Brother Hibben and family to Ithaca the last Sabbath in October, and on the way back after the Sabbath some Ingathering work was done in Big Rapids.

This is the opportune time to sell the children's books. The holiday season will soon be here and parents are anxious to get something good for the children. Fifty cents pays for a Home Worker's prospectus and complete outfit.

The conference treasurer received a money order for \$63.83 from Brother Blake, a Seventh Day Baptist, last week. This brother has confidence in the foreign missions work as carried on by Seventh-day Adventists and is making some liberal contributions to our foreign work.

Brother and Sister A. P. Petersen and John Russel spent Sabbath, October 25, with the believers at Clare. Brother C. M. Gruesbeck and family also visited the Clare church.

Brother and Sister Jaques of Frankfort are leaving the field for a time owing to injuries received by Brother Jaques several months ago which make it impossible to follow his trade. Their home will be occupied by Brother S. A. Rose and family of Mullet Lake. Sister Rose also takes the work of church treasurer carried so faithfully by Sister Jaques for several years.

Brother and Sister Russel of Sears were injured in a runaway last week. Brother Russel had a number of ribs broken and one arm badly sprained. Sister Russel was injured by falling from the wagon but both are making a good recovery.

Elder Morrison is planning a short series of meetings in our church at Scottville.

Four were baptized by Elder Summerville at Clare October 18.

When this issue of the HERALD is read the election will be over and the fate of the Anti-Church School amendment determined. Thousands of pieces of literature were used in the campaign.

CEDAR LAKE NOTES

Tuesday, October 7, the regular school work was suspended at the academy. A large number of students and teachers, arranged in groups of six or eight, went into the surrounding towns and country to raise our Harvest Ingathering goal. Other students worked and donated toward the same cause. When we assembled in the evening and counted the funds brought together we found we were well on our way toward our goal, which had previously been set at \$400. Some of the young people found they had good success with the Harvest Ingathering cans on the streets. Acting on their suggestion, a few auto loads went to near-by towns on the evening of October 18, and when the money gathered in cans that evening was counted we found we had about \$80. We are approaching \$500 now, and do not expect to drop the campaign yet.

Since the last news items from Cedar Lake appeared in the HERALD, the school has added another industry. We have been fortunate in securing a complete printing outfit at a very nominal price. We have two job presses, galleys containing a liberal supply of good type, some of it entirely new, and other necessary equipment.

Tuesday, October 28, the students received their grade cards for the first six weeks of school. Cecil Guild received an average grade of 96 per cent, which was the highest in the school. Fifteen students received an average grade of 90 or above. The average for all girls is 89.72, and the average for boys 86.79. The grades of students receiving one or more conditions in their work are not figured in making up the averages.

Mr. and Mrs. May, Mr. and Mrs. Simpson, and Miss Marsh were entertained by friends at Berrien Springs October 25 and 26.

Mrs. Halvorsen has recently spent two weeks with her parents in Ohio.

The North Michigan Conference committee met at the school Wednesday, October 29. Following their session the academy board met to consider matters of interest pertaining to the school.

WEST MICHIGAN CONFERENCE

OFFICE ADDRESS, BOX, 472, KALAMAZOO, MICHIGAN

PRESIDENT, J. F. PIPER

A GOOD REPORT FROM ALLEGAN

We have passed our goal in the Harvest Ingathering campaign. We have thirty-five members, but are rated at thirty-eight. We have collected over \$380 and more is yet to come. We are grateful for the help of Elder Sanders in reaching our goal. He helped us secure \$230.

Our Sabbath school superintendent, Miss Frances Washburn, has worked faithfully in keeping up the Sabbath school portion of our 60-cents-a-week Fund, and we expect to go way over our year's goal for missions.

We praise the Lord for the blessings we have received in our efforts to help in sending the message to the regions beyond. G. W. SOWLER

NEWS ITEMS

The Victory Leaflets are entirely different from anything ever published before. Ten in number, they have a personal message of hope and comfort in Christ. They are brief and concise—one page each. The titles are convincing of their helpfulness: He Loved Me, He Lived for Me, He Died for Me, He Saves Me, His Righteousness Is Mine, His Victory Is Mine, He Is My Advocate, He Will Come for Me, He Will Share His Throne with Me, He Is All to Me. A set of these leaflets will be a blessing in any home. Sold only in assorted packages of 100, ten of each kind, 25 cents a package. Order from the Book and Bible House.

Elders J. F. Piper and G. H. Smith attended the board meeting at Cedar Lake Academy, Tuesday, October 28.

Elder C. S. Longacre and W. L. Burgan of Washington, D. C., were recent callers at the office. Elder Longacre is visiting a few of the churches in the conference in the interest of the parochial school amendment campaign.

Elder G. H. Smith spent Wednesday and Thursday of this week in Berrien Springs, attending a

council of the educational superintendents of the Lake Union.

Elder J. S. James, of the General Conference Sabbath school department is visiting several of the churches in the interest of Sabbath school work, holding two-day conventions in some places.

Victory in Christ, a new gift booklet just from the press, is printed in two colors on heavy enameled paper. It will have two illustrations, Christ knocking at the door, and Christ the Good Shepherd, printed in colors. The cover will be of double interwoven gray paper stock, with very neat design, and the whole will be tied with silk cord. The contents will be the Victory Leaflets. What could be more appropriate to give to friends and relatives, to "shut-ins" and others, as an attractive, inexpensive present? Price only 25 cents. Order from the Book and Bible House.

SOUTH WISCONSIN CONFERENCE

OFFICE ADDRESS, P. O. BOX 513, MADISON, WISCONSIN

PRESIDENT, I. J. WOODMAN

YOUNG MEN OF SOUTH WISCONSIN

Today as I sit in my room at Bethel, I am wondering how many young men of the South Wisconsin Conference would like to have the privilege I have of being here. A little over a month ago I was one of you. I felt that I should attend one of our schools yet I dreaded to take the step.

I had attended one of our academies in a different conference several years before, but had never truly appreciated what these schools and the teachers in them are doing for us as young people. After corresponding with several schools, I decided upon Bethel as being the one with the most advantages for a boy who wishes to work a part of his way through school, and as a result the opening day found me with about twenty-five other boys enrolled at Bethel. Everything was new to me, but as I began to get acquainted with the students and faculty, I was not sorry for the choice I had made.

The new system of a year-round school especially appeals to me, and I am sure it would to you. By this plan special opportunities are given for work or study which could not be given by the old system.

While it is now too late, perhaps, to start in this first term, the second term will soon be here and now is the time to begin planning for it.

Start now and you will never regret the step. Time is short and you may never have such an op-

portunity again. Everyone who can possibly do so should be preparing for the work at once, and Bethel is the place to start that preparation.

Yours for a record attendance at Bethel this winter,

CHARLES ANDERSON

WAUPUN AND BEAVER DAM

We are now located at Waupun where we are laboring with a number of interested people. Two have been baptized and one taken in on profession of faith. We are praying that God will help us to soon have others ready to unite with us.

Four were baptized at Beaver Dam recently. The Beaver Dam church was organized in September 1923, with fourteen members and now numbers twenty-one. This church the first year, ending September, 1924, paid in tithes and offerings \$2,035.70. The tithe was \$1,267.06; two-per-cent \$70.50; Harvest Ingathering \$285.15; the remainder, miscellaneous offerings. The membership being sixteen during this first year, made an average of \$127.23 per capita. At the close of 1923 we had raised \$1.14 per week per capita, and at present about one dollar per week. Dr. E. A. West, the treasurer, has been a splendid help to the church. Every week he delivers all receipts, and at proper times notifies the church of its financial standing. We are of good courage in the Master, believing His word will accomplish that for which it was sent. We solicit the prayers of all that God will keep us humble, earnest, and true.

MR. AND MRS. A. D. BOHN

A SUGGESTION

Our people should do more Harvest Ingathering work among the people they know, and not entertain the idea they must work territory where they are not known. At Oxford I went out with a brother to Westfield where he has called on the business people for six year. In most places he would say, "Well, I am back again for our regular mission offering," and they would get their offering right away. He says he receives about \$30 more each year.

At Cassville I went out with Brother Chapman, now eighty-three years of age, and in about an hour received \$10.75 from the people who knew what he came for. This brother has called regularly, and the people know him. It pays to work where we are known.

A. D. BOHN

FIRESIDE CORRESPONDENCE SCHOOL

How many times our attention has been called to these words, and we have thought it was a fine thing for students who could not attend one of our schools. But, dear brothers and sisters, this school is for us, as well, we who are older and have felt our school days were past. Take up a subject by correspondence. You can get your lessons during the long winter evenings. You will enjoy the work. I am a busy woman, and not so young either, yet I took Bible Doctrines last year by correspondence, and I cannot tell you all the good I derived from it. This year I am taking a course in English. Where there is a will it makes a way. Lay your plans and begin a course of study at home. It will make you better prepared to give the third angel's message.

A WISCONSIN SISTER

BETHEL NOTES

Recent visitors were: Parents and friends of Margaret and Ralph Waddell; the mother of Dorothy Daliege; Miss Eva Lewis; the parents of Harvey Guth; Mrs. Johnson's parents, Mr. and Mrs. Charles Davidson.

Elder and Mrs. Woodman and daughters, Vera and Vaughn, visited the school recently. At our prayer meeting Friday night, Elder Woodman related some of the wonderful experiences of the workings of the Holy Spirit in countries across the sea.

Three autos full of the Bethel church school children went to Wisconsin Rapids Saturday night to engage in Harvest Ingathering.

We now have an enrollment of ninety-one.

Last Thursday evening the students spent a profitable hour listening to a speech by President Coolidge over the radio.

After a profitable study hour, the students enjoyed an interesting time Saturday night with games, songs, and readings.

Perfect table manners were impressed upon us one evening by a table of eight members showing us how our actions look to others, as we take our trays and pass through the line and behave while seated at the tables. Such mistakes were erased from our minds by a perfect acting group at the table. The following day was a perfect day in the dining room when those making blunders received a pin and the day closed with a song by Dorothy

Johnson, who at the close of supper, entered singing, "Well, this is the end of a perfect day."

The apples are harvested, and we have around forty bushels of greenings. The best are packed in paper to keep for the winter, and the others are for sale.

Most of the garden vegetables have been taken to the cellar, among which were seventy-five bushels of carrots and the same of potatoes. The plowing has been nicely started.

The woodwork shop has plenty to do at present. They are making tables, kitchen cupboards, stools, wash benches, and clothes racks.

ILLINOIS CONFERENCE

OFFICE ADDRESS, 304 W. ALLEN ST., SPRINGFIELD, ILL.
PRESIDENT, W. A. WESTWORTH

HARVEST INGATHERING

With scarcely one-sixth of our people in Illinois engaging in the Harvest Ingathering effort, we have realized around \$500 every week for the past six weeks. A little over \$3,300 has been reported to date (October 20). Just think what would have been reported if every one had done as well as these two hundred twenty-four. One little girl of seven years at Rockford has taken in \$30 for this cause. A girl of Springfield has over \$25 which she collected with the little tin cans.

Grown-ups are doing remarkable things with the cans this year. One needs to say but a single sentence, thank the giver and pass on. As a general rule no papers are used with the cans. There are a few cans yet at the office if you wish to use them. We will send them on request.

It seems that money comes with less effort this year than formerly. At least, this is the case in my experience; in only one instance have I received less than last year, while most donors have gladly given more. No one has refused to give. One woman in business, who gave \$5 two years ago, but gave nothing last year, gave \$10 this year. Another, a Baptist, gave \$5 very willingly. A man in business, a Christian, also freely gave \$5. Most of the money comes in small amounts. This is a glorious cause to work for, isn't it? Those who think otherwise must not have worked and watched and prayed. Knowing that God blesses those who give, I enjoy offering them the opportunity to give. All the money is the Lord's, but we are to go after it. "When things do not come your way, it's a sign

you ought to be going after them." "God feeds the birds, but He doesn't throw the food into their nests."

So let us who have not yet been out after the means we so much need, be loyal to this great cause and start *now*. Let us who have done something, even though it be more than our share, continue to the end—that of the conference goal of \$10,000.

J. D. REAVIS

DUQUOIN JUNIOR ACADEMY

That all may know of the good work being done at the Duquoin Junior Academy, a few statements are due. There has been a complete change of teachers this year. Professor L. K. Hendrick, who was farm manager and one of the teachers at Bethel Academy, Bethel, Wis., for several years, has taken the place of Forrest Schoonard, who is now preceptor at Fox River Academy. Miss Virginia Mott of Chicago assists Professor Hendrick. Miss Mott finished the literary course at Emmanuel Missionary College this year, specializing in modern languages. Miss Mildred Avery, a graduate of the advanced normal course of Emmanuel Missionary College, has the primary department.

With a modern school building and this excellent corps of teachers, good work is being done in the classroom, and an active Missionary Volunteer Society is being fostered. The results of the faithful work of these teachers and the self-sacrifice of the parents and patrons can be better appreciated when we see new workers in the field and souls saved in the kingdom.

C. K. WILSON
Educational Secretary

ANNUAL CHILDREN'S BOOK WEEK

The secular publishing houses of America have combined in setting the time for the Annual Children's Book Week this year from November 9 to 16. Considerable publicity concerning the fact that the week mentioned is to be observed throughout the United States will be given in the daily papers and magazines of the country.

Dear reader, do you not see in this a grand opportunity to go to the homes of the people with our books which are prepared especially for the children and youth? Do you know that about ninety per cent of the literature placed before the children

in the majority of cases is fiction, or built on fiction? Ought we not share with them the clean, instructive, and truthful books which are prepared by Christian men and women?

We shall be glad to furnish you with a Home Worker's prospectus which contains the front cover and sample pages of five of the best of books for children. The books sampled are—"Best Stories," \$1.50; "Sketches of Bible Child Life," \$1.25; "Making Home Happy," \$1.50; "Gospel Primer," No. 2 \$1; and "Steps to Christ," cloth, \$1, making a total of \$6.25 for the five books. Our people usually sell the entire set for \$6 as a slight inducement to the customer.

Timidity is no excuse if you use one of the prospectuses which will be mailed for 50 cents post-paid. If you think you can not talk them up, just let the books speak for themselves. Strike while the iron is hot. Let your light shine. Write now.

D. E. H. LINDSEY

ROCK ISLAND

Sabbath, October 18, was a day of rejoicing at the Rock Island church. Our little company had worked hard to reach the Harvest Ingathering goal of \$240 on time. We had \$32.79 to raise the last week. Every one was eager to find out if the report of work would give the required amount. Eleven reported, and we found that there was a surplus of 80 cents. No one is ready to stop work, however, so we have ordered more papers.

This Sabbath being square-up day, we were pleased to know that the Sixty-cent-a-week Fund has a surplus, both in the Sabbath school and church.

While our hearts are cheered by the willingness to give of means and service to reach our financial goals, we know, too, that we are drawn nearer to the Lord by giving, and are most grateful for the spirit of love and unity which prevails in our midst.

September 6, the opening date of the Harvest Ingathering campaign, one sister was baptized who became interested through last year's Harvest Ingathering work. It is needless to say that she is willing to go out in this work. There is a family of four, also another lady, who are now regular attendants at the Sabbath services as the result of follow-up work from Big Week. Others are interested and receiving studies. We expect to be busy this winter giving the truth to those who have

been sought out as we have gone from house to house in the Harvest Ingathering work. May the Lord bless all of our people and make them willing to enter into every plan for the advancement of the glorious message of truth.

MR. AND MRS. F. G. McALLISTER

NEWS NOTES

A combined meeting of the academy board and conference committee was held at the academy this week, November 6 and 7.

Sister Talitha C. Harlan, one of our faithful isolated members living at Macomb, mentions in a recent letter that she has just passed her ninety-second birthday. Notwithstanding her advanced age she is faithfully sending in her tithe and offerings. She rarely fails to note the special offerings that are called for during the year and always responds liberally. What a wonderful example she is to others in faithful support of the Lord's cause!

Brother J. E. Fox of White Hall is now located at Edwardsville, where through the Lord's help he is meeting with encouraging success in the sale of "Daniel and Revelation." We wish for him the Lord's continued blessing in his work.

Brother Edward Drury of Springfield, together with his family, motored to Carterville last week to visit his father who is in very poor health. Brother Drury expects to take up the colporteur work again soon.

Brother Jerry Suda, one of our pioneer colporteurs who has been confined to a sanitarium at Riverton, has been permitted to return home. He is much improved in health and is hopeful of going into the colporteur field again.

Dedicatory services in connection with the dedication of our church building at Peoria began Friday evening of this week. A more complete report of the services will probably be given later.

Elder Westworth spent Sabbath, October 25, with our members of the Galesburg church. While there he baptized nine candidates who united with the church. We are glad for this evidence of the Lord's blessing upon the efforts being put forth by our Bible worker, Sister Darnell, and other members in that city.

"The habit of looking on the bright side of things is worth more than a large fortune."

NORTH WISCONSIN CONFERENCE

OFFICE ADDRESS, 620 TENTH AVE., WEST ASHLAND, WIS.

MAIL ADDRESS, DRAWER 482

PRESIDENT, J. J. IRWIN

CONFERENCE NEWS

Elder Irwin returned last week from the council at Des Moines, and met with the Ashland church on Sabbath, October 25.

Brethren Jensen and Herwick also returned to the office from a Harvest Ingathering tour to Clear Lake, Spooner, and some other points in that vicinity. They report a profitable and successful trip.

Brother Light is in the office for a few days.

Mrs. Neall and the writer spent the greater part of the week in a tour which included the Clearwater Lake and Merrill churches. We called for a few minutes at the Black Oak Lake resort, which is operated by Brother and Sister Geo. St. Clair. Sister St. Clair was visiting her daughter at the Maplewood Academy, Minnesota. Mrs. Neall examined the children of the Clearwater Lake church school, and reported to the parents some matters needing attention. The Clearwater Lake church and school building reconstruction is progressing, and soon there will be an excellent meeting house in that place.

We stopped for just a word of greeting with Brother and Sister Byron Pedrick, at Parrish, and found Brother Pedrick suffering from a lame shoulder. Their friends will join us in wishing for him a rapid recovery to usual health and vigor.

Some of the members of the Merrill church joined in a field day Thursday, October 23, and again a few were out on Friday. In the two days' effort \$50 was raised, and the church is aroused to complete its goal.

Now is the opportune time to sell our small books for the children. Five of these books are represented in the Home Worker's prospectus, which may be secured for 50 cents. These books may be used as gifts, and sell readily at this time of the year. Send to the Book and Bible House for a prospectus and instructions.

V. R. NEALL

WALDERLY ACADEMY NOTES

The school program this year is somewhat different than is common in the academies. We have fifty-five minute class periods, school begins at seven fifteen, and is out at twelve-fifteen. This program

is followed Tuesday, Wednesday, Thursday, and Friday. The cooking class meets Sunday and Monday afternoons, and the woodwork class Sunday and Monday forenoons. This program allows all students to take the vocational subjects, and yet get a full afternoon for work every day. Some of our students earned more than their expenses the first month.

These are busy days at the school. The boys are cutting wood, pulling stumps, plowing and getting things ready for winter. We have been having fine weather, and the work is progressing nicely. Another week will finish the painting of the girls' dormitory.

We were happily surprised last Thursday to have Mr. Lloyd Rafferty, a former student, call at the school. He is now continuing his school work at the college. We are always glad to have our friends of former years call on us.

Our enrollment continues to grow. During the last week Alice Marsh, Frank Marsh, Raymond Rogers, Irene Carpenter, and Laura Jeanson joined the school family.

Several of the boys have been picking up potatoes for one of the neighbors. They picked up over a thousand bushels.

A man should never be ashamed to own he has been in the wrong, which is but saying, in other words, that he is wiser today than he was yesterday.
—Pope.

Our Young People's Page

Conducted by the Lake Union Missionary Volunteer Department

JUST TO BOYS AND GIRLS

For a long time I have wanted to write you a word about a very dangerous practice. It is that of reading fiction. I mean the literature that is untrue, that destroys the appetite for good reading. If I may speak more plainly, I refer to sentimental love stories, novels, and cheap books. Now I believe in real genuine love stories, such as are found in the book of Ruth, the love story of Isaac and Rebecca, and Jacob and Rachel.

Minutes are golden. But when we use our precious time reading worthless literature, we waste our time and rob ourselves of time for good reading. A very good motto to gauge us in our reading is: I will read nothing that I do not wish to remember, and will remember nothing that I do not wish to use. We can well afford to use our time reading our Bible through at least once a year. Not long ago I was talking with a dear lady seventy-eight years old (the granddaughter of Elder Joseph Bates), who has read her Bible through every year for twenty-five years; and she is a busy woman, too.

Some of these cheap books are cheap in more ways than one. You can get one for ten cents in a dime store. Satan has his snares set everywhere, and sets a price low so everybody will buy. Car loads of these bad books are bought and read, and the result is very demoralizing on the boys and girls. If we could realize how many crimes are committed as the result of pernicious reading, we would leave it forever alone ourselves and warn others of its damaging effect.

It is natural for boys and girls to read. They are bound to read something. But if what you are reading now lessens your desire to read good literature, you should make a change. I don't mean to say that you should read nothing but the Bible, "Great Controversy," and such heavy reading. There is a large variety of suitable books and papers from which to choose. But one thing you may be sure of, and that is, any book or story that lessens your desire to pray should be regarded with suspicion. I am very happy to recommend to our boys and girls the Reading Course books. I refer to the

Junior books. Their real worth is remembered long after their cost is forgotten. I want you to promise me something, will you? If you have in your possession any cheap fiction, instead of lending it, that you will burn it today. This is what the people in the apostle Paul's day did when Christ came into their hearts. Turn to Acts 19: 19 and read the story.

May Jesus help us to choose the best at any cost, and to keep our minds fit for His presence.

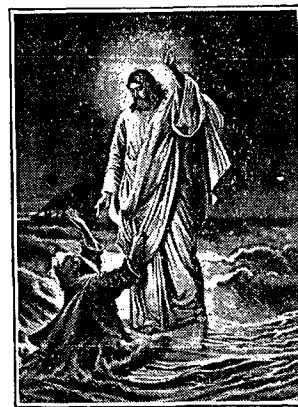

J. D. REAVIS

There is efficiency in prayer. In answer to fervent prayer, God can turn the thoughts and hearts of men as He turns the waters of the sea.—*Review and Herald, Apr. 11, 1912.*

MORNING WATCH

The new Morning Watch Calendar for 1925 is now ready. All who have seen it say that it is the best one yet issued. That, however, is not an accident—it was so intended.

In the first place the cover is of unusual beauty. It represents the rescue of Peter as he was sinking beneath the waves after an unsuccessful attempt to walk upon the water.

He failed because he did not keep his eyes upon the Saviour. Many of our failures result from the same cause. That is one reason why every Seventh-day Adventist, young or old, should decide now to follow the morning watch during 1925.

Inside the calendar we find an inspiring text selected for each morning of the year. This morning text will be like an anchor to the soul and will sweeten the whole day. Many other features such as verses, extracts, and poems, will be very helpful and greatly appreciated by all. Do not deny yourself the spiritual help this calendar offers. Give a copy to your friends, to the sick, and to shut-ins. Regular edition with beautiful cover design, price, 5 cents. Gift edition with blue or tan lodestone cover, tied with silk cord, price, 15 cents. Order from your tract society.

J. D. Snider

OBITUARIES

Merril.—Dora Blanch Merrill was born in Berrien County, Michigan, Feb. 28, 1896, and died Oct. 8, 1924. She was married to Henry Booth June 7, 1920. She accepted the third angel's message in 1923. Her husband, father, mother, and four sisters mourn her death.

Wm. A. Butler

Wood.—Daniel Wood was born in Ithaca, New York, in 1844, and died at his home in Alma, Mich., June 9. He accepted present truth nearly fifty years ago, and for thirty years served as elder of the Alma church. He also served on the conference committee in East Michigan for a number of years. He leaves to mourn, a wife and six children. He was laid to rest in the blessed hope of the first resurrection.

T. M. Summerville

BUSINESS NOTICES

All advertisements must be sent through the local conference office. It will require the conference president's O. K. to get advertisements in the LAKE UNION HERALD. The rates are: Forty words or less, one dollar for each insertion, and two cents per word for each additional word. Cash must accompany copy for all advertisements.

Wanted.—A young married man desires work on a farm where living quarters are furnished, Adventist preferred. For further information write to Gustaf R. Wiik, R. F. D. 2, Ogema, Wis.

Wanted.—Work as carpenter, cabinet maker, and repairer, preferring Seventh-day Adventist home or one of our colleges or academies. Steady work desired. For further information, write A. F. Wiik, R. F. D. 2, Ogema, Wis.

Wanted.—Work of any kind with Seventh-day Adventist. Have been doing all kinds of farm work. Willing and used to hard work. Write to Mr. Clarence Masten, Dundee, Michigan, Care C. A. Rightmire.

Hosiery.—Anyone wishing men's woolen socks, brown heather of medium weight now ready at 75 cents a pair, can obtain them from Mrs. Ethel Overly, Hesperia, Michigan. I will also fill orders for ladies' and children's hose and mittens of all sizes. Write for samples and particulars. Mrs. Ethel Overly, Hesperia, Mich.

Best Food Special.—Our new vegetable shortening is made of cocoanut oil, white in color, and will not easily become rancid. It is of such high quality that we guarantee it to be equal to any shortening you have ever used. Until further notice, the price will not be higher than 19 cents per pound, and if lower we will give you the benefit of the reduction. Parcel post to second zone 35 cents, third zone 66 cents. Express shipments sent collect. We stock this for mail order business in 25 lb. pails. H. P. Buzzell & Co., 419 N. Rose St., Kalamazoo, Mich.

COLLEGE NOTES

E. M. C. has more than \$2,750 toward her Harvest Ingathering goal of \$3,000. We will make our goal soon.

We are very glad to see such an interest in the work of the ministerial department. There are fifteen students in the Bible worker's training class and twenty-three in the pastoral training section.

Mr. and Mrs. J. W. Summey have just moved into "Forget-me-not" cottage which was erected this summer by the carpentry students just across the way from "Green Gables."

"Beechwood" cottage, the home of Professor and Mrs. Edwards, has recently been repainted.

We were very glad to welcome President Griggs back from the Fall Council but were surprised and sorry to learn that he had accepted a call to the Far East to assist Elder I. H. Evans. He will be with us until after this school year closes, as far as we know now.

The boys in the seventh and eighth grades of the training school have practically finished the chicken house which they have been building just back of the normal building and near the water tower. They are building it as a project in woodwork. They intend to work out a poultry plan in their agriculture class. The house is 10x12 and has trap nests, also ventilators under the eaves, both in front and rear.

The cannery department is busy putting up seventy bushels of pears.

The paint department has recently finished sixteen tables and fifteen dressers for use in the dormitories. Professor Thorpe's home has been redecorated and the farm house on the lower farm is now being refinished.

Elder C. N. Sanders has more than \$635 as a result of his work in the Harvest Ingathering.

Two new No. 12 Remington typewriters have been installed in the commercial department.

Mr. Lawrence Pope recently visited friends at the College.

Twenty-five of the students hiked out to Dean's Canyon last Sunday morning and cooked their breakfast on the sand by the brook as the first rays of the sun were breaking over the top of the canyon. The frosty morning caused one to think of those words of Riley, "When the frost is on the punkin and the fodder's in the shock."

Professor Paul N. Pearce gave a very interesting

lecture last Saturday night concerning his tour in Europe the past summer.

The physical culture students seem to be enjoying their work very much, judging by the way they hurry to get to class. We hear that some of them are to give a demonstration some of these mornings during the chapel hour.

A new Prima electric washer has just been installed in the laundry.

The Sabbath school is enjoying some excellent music from the orchestra. Mr. H. B. Taylor is the Sabbath school superintendent and Miss Pearl Hall the secretary.

Mr. Harry Wohlers has moved from "Locust" cottage to Campus View. He intends to work in the basket factory in Berrien Springs. Mr. Syver Ronning is moving from North Hall into "Locust" cottage.

There are 1,400 pullets in the laying house and are being changed from the fattening ration to the laying ration. Even now the egg yield has reached 10 per cent.

A new wing, 32x60, is being added to the barn. It extends west from the south end of the barn. When finished it will provide space for eighteen additional stanchions, thus enabling the college to maintain a herd of fifty cows. It is being constructed of cement blocks up to the second story. It will have a gambrel roof which will provide room for storing straw.

The grapes have been marketed and the apple are being picked. The farm boys are busy getting out the root crops.

The library now contains 10,913 books. One hundred twenty-five have been added since school opened.

The readers of the HERALD will regret to learn that Professor and Mrs. Fattic will be leaving us soon. They plan to sail for Africa, December 15. Professor W. L. Adams from the North Pacific Union has been secured to take the work of Professor Fattic.

The art classes have the largest enrollment this year that they have ever had. Some of the students are busy gathering weeds and decorating them with gold, silver, or bronze so that they make beautiful winter bouquets.

Mrs. Abernathy will be home from the Wabash Valley Sanitarium in a few days. All will be glad to see her.

Among some of our recent visitors returning to their fields from the Fall Council were Elder W. E. Baxter of the Caribbean Union Conference, Elder Kneeland of the Cumberland Conference, Professor Lamont Thompson of the Southwestern Union Junior College, Elder F. H. Wells of the Southern Union, Elder E. E. Andross of the Inter-American Division Conference, and Elder Lyle C. Shepard, president of Manitoba Conference.

The college print shop is employing twelve students who are carrying on the work of this department in connection with their school work.

Professor M. E. Kern stopped at the college to see his daughter Geneva. He spoke at church services last Sabbath. His theme was "Obedience." He stated that the principle of obedience is so important that Christ came down from heaven and, as a man, lived the life of obedience that we, by His help, might live the obedient life here on this earth and also in the life to come.

The radio orchestra furnished music for the Sunday school convention at Baroda last Thursday night.

According to the report from the U. S. Weather Bureau the past month of September has been the coldest September in the last thirty-eight years, excepting in 1918. The highest temperature for the month here at the local station was 90 and the lowest was 31. Our rainfall was 3.97 inches. Thus far in October our highest temperature has been 81 and the lowest has been 23.

The many friends of George Peterson were glad to see him here last Sunday.

ORVILLE DUNN

A MONTH OF PROBATION

I feel quite sure the readers of the HERALD will be delighted to know there is still another month in which they may subscribe for the *Review and Herald* at the extremely low price of \$2.75 for fifteen months. I feel obliged to urge that no one allow this opportunity to pass who can by any means meet the subscription price. The fifteen months will begin when your present subscription ends, and each month's subscription will bring to you information worth more than the price for the entire time.

WM. GUTHRIE

He (Christ) is today standing at the altar of in-cense, presenting before God the prayers of those who desire His help.—"*Desire of Ages*," p. 568.

AN INTERESTING EXPERIENCE

In a letter just received from the *Watchman*, the following instance is related:

"The *Watchman* fell into the hands of a man in New Orleans who was so stirred that he awoke his wife at night and read it to her from cover to cover, then went over and got his mother out of bed and read it to her from cover to cover, and as the result of that *Watchman* that man and his immediate family and relatives to the number of twenty-seven now rejoice in the present truth."

This to my mind is strong evidence of the value of our literature, and the example of this man might be copied by others. Our literature should be scattered like the leaves of autumn.

WM. GUTHRIE

WHAT ONE CITY DID

The readers of the HERALD will be interested in the results attained in one city, in the Harvest Ingathering work, where every church in the city made and passed the \$10 goal for each member. The following table will give the facts in a most interesting way. Somehow I feel like saying as the Saviour once said, "Go thou and do likewise." The Chicago Conference as a whole followed this instruction, and they have passed their \$15,500 goal by \$1,355.87.

Church	Mem.	Goal	Col.	Per Mem.
Milwaukee English	163	\$1600.00	\$1613.20	\$10.00
Milwaukee German	52	800.00	878.14	17.00
Milwaukee Italian	23	500.00	590.81	26.00
Milwaukee Colored	30	300.00	300.00	10.00
	268	\$3200.00	\$3382.15	\$13.00
