Radio Lighthouse—Gospel Message Carrier

In 1922 in a small Indiana city there was a young man of exceptional ability along electrical and scientific lines who became interested in the last message to be given a dying world. Day by day, as the elder read the Bible to this young man, and as he explained to him that the telephone, the railways, the telegraph,

challenge without a quiver, packed his trunk, and was soon at Emmanuel Missionary College where he quickly demonstrated that he could talk, not only to points near-by but also to Europe.

Soon the small beginning began to bear fruit. A wealthy brother in Indiana contributed the money to

Interior of Radio Transmitter Building showing new 5000-watt capacity apparatus

the airship, and even the radio were brought into existence and ordained by God primarily to carry this gospel more speedily to a lost world, this young man gave his heart to God—and not only his heart did he give but his life, his mind, and his future.

The appeal of a dying world, the destruction of the earth, the need of a quick warning—all this was a challenge to him. He prayed, "O, God, Thou hast shown me this wonderful light. Thou hast given me a vision of the world's need. Thou hast revealed to me the methods Thou hast ordained of warning the world, and Thou hast given me a knowledge of radio broadcasting—the world's greatest modern invention, and now make me a blessing to others, so that by this means Thou canst do a quick work in the earth."

In simple, childlike faith, our brother accepted his

install more powerful apparatus. From a small beginning a great work had been done. Visitors began to drive into the college grounds from a distance saying, "We have heard about this place over the air, and we want to know more about the type of education that is given here and what is taught." Others that summer said, "We heard your camp-meeting sermons through our receivers and now we are Christians as a result."

Nothing can ever take the place of our ministers, our colporteurs, Bible workers, or teachers, but God has brought about and ordained the new powerful 5000-watt gospel broadcasting station being operated by the Lake Union Conference to seek and save the honest in heart, and to direct hundreds to our sanitariums and to the great city evangelistic efforts.

If we, as believers in the speedy finishing of the work, and as leaders, will grasp this great privilege which God has seen fit to give us, the whole earth will be lightened by the message on the wings of the air, and our sanitariums will be filled; our colporteurs will receive a cordial welcome at the homes where they call. The people will recognize our tent and theatre efforts as presenting the same message they have heard from their receivers. Great fruit will be reaped, and many will praise and thank God for the truth that has come to them by means of this great invention.

Let us arouse ourselves and do as Job says when he suggests that we "send lightnings that they may go, and say unto thee, Here we are."

The Radio Lighthouse, even without a regularly appointed evangelist, brings in during the winter months from three to five hundred letters per week, expressing appreciation for our message and making inquiry concerning literature and our beliefs. Some have been interested enough to travel many miles to see our institution here and to get acquainted.

Of the hundreds of letters that come in, here is one that will give our people an idea of the work we are doing. This is from a young man who is sick at a state hospital.

"I am a patient here, and I am slowly recovering. The doctor told my father that I could not live over thirty days. (This was in March, 1925)

"I asked God, if it was His will, to restore me to health. I told Him I would serve Him the best I could the rest of my life; I also asked Him to show me the way in which I was to serve Him.

"I am inclined to think that He has answered my prayer through my radio."

This young man has asked to be admitted to Emmanuel Missionary College as soon as his health will permit. He is only one of thousands who meets with us in our sacred radio services over the air, and who depends upon this rather than the local churches for spiritual food.

Let us not bury our gospel light but give it wings until the very air is charged with its brightness. Pray for the Gospel Radio Lighthouse that many more souls may see the light, for it may not be long that this privilege is granted us. The gospel must go with speed in this generation.

During the summer we are broadcasting at 8:15 p.m., central standard time, on Sunday night only.

CHICAGO CONFERENCE

OFFICE ADDRESS, 619 SOUTH ASHLAND AVE., CHICAGO, ILL.
PRESIDENT, J. W. CHRISTIAN

A WORD OF CHEER

We have been so occupied with the major questions of our work during the General Conference that little time has been left for detailed matter in our local field. We are glad, however, to report that for the month of May receipts of mission funds raised our

per capita to above 36 cents with a tithe receipt of \$10,250. We are looking for a good offering for June. Surely we shall not fail the world's needs in reaching the 60 cents a week for missions in 1926. We know it can be done and we feel confident our people will respond to the task before us.

I am glad to pass on this little word of cheer. It brings confidence to all along the battle line both at home and abroad.

CONFERENCE NEWS

Elder S. T. Shadel and Miss Rosa Kozel are attending the Illinois camp-meeting. Miss Kozel is assisting in the Sabbath school and children's meetings, and Brother Shadel is giving special attention to the home missionary work.

A large number of our general men have been recent callers at the conference office, and have visited points of interest in and near Chicago, since the close of the General Conference. The list is too long to mention names.

Sabbath, June 19, Elder J. G. Seltzer preached his farewell sermon in the South Side church. He and his family have accepted a call to the West Oregon Conference. The evening after Sabbath a large company of our people assembled at the South Side church to bid farewell to the Seltzer family. We very much regret to lose these fellow-workers but owing to the fact that the children are entering our medical training schools on the Coast it seemed best for them to accept a call further west. Our prayers and best wishes go with this dear family to their new field.

Elder C. C. Crisler, secretary of the Far Eastern Division, occupied the pulpit at the Shiloh church Sabbath, June 19. A stirring appeal for missions in that long neglected part of the vineyard will bear fruit in

larger offerings to hasten the message of hope to these benighted people.

Elder Charles Everson of the North Pacific Union occupied the North Shore pulpit last Sabbath. His many friends were glad to greet him again and to hear a word of cheer based on his experience in preaching the message to the multitudes.

The large audience that gathered in the South Side church last Sabbath afternoon and listened to the stirring appeal from Elder I. H. Evans on the needs of China's millions, will never forget his earnest words and entreaty to greater faithfulness in doing our best to send the light of the gospel into this great unworked field. They will also remember the very evident joy he finds in giving his life to the preaching of the gospel in this distant land. Surely none of us are yet doing what we might do when we compare our endeavors with the sacrifices made by the natives of these far-off lands who have been brought to the light of the gospel of our blessed Lord. We only wish all our people could have heard the words of cheer and appreciation and appeal spoken by Elder Evans.

At the late General Conference recommendation was made for a transfer of Brother George E. Seltzer, Jr. and wife of the Chicago Conference to the Illinois Conference. We bid these fellow-workers Godspeed in their new field. They have already left and are now attending the Illinois camp-meeting. We shall watch for reports from Brother Seltzer relative to his work in the Illinois Conference.

The readers of the LAKE UNION HERALD will note that heavy demands were made upon the Chicago Conference for the release of workers during the last General Conference session. We shall be glad in the very near future to report the names of other workers coming into our field to take the place of those who are leaving.

A very helpful talk on our work among the Indians of South America and a most interesting account of his visit to them was given by Elder MacGuire at Humboldt Missionary Volunteer meeting on Friday evening, June 18. A number of visitors from other societies were present. All were impressed with the need of greater earnestness and zeal on the part of our Missionary Volunteers if we are to have a part in the finishing of the work.

The eighth grade graduation program was held at the West Central church on Tuesday evening, June 15. Prof. C. A. Russell was present and gave a very fitting and inspiring address. Professor W. L. Adams presented the diplomas to a class of twenty-four graduates, representing six of our church schools.

The following is a list of the graduates:

Austin—Florence Sartwell, Shirley Skillern, James Skowbo.

Broadview—George Erickson, Earl Gable, Helen Martin.

Hinsdale—Ivan Case, Delbert Hess, Violet Jackson, Burton Jackson, Nellie Jeffers, Betty Kramer, Lida Mae Shadel, Eldon Thompson.

Shiloh—George Jones, Cozetta Sappho.

Humboldt—Ruth Halvorsen, Vivian Steen, Elizabeth Peshka.

South Side—Lenore Johnson, Ernest Swanson, Louise Weil, Elsworth Reckling, Mildred Johnson.

WEST MICHIGAN CONFERENCE

OFFICE ADDRESS, BOX 472, KALAMAZOO, MICHIGAN
PRESIDENT, J. F. PIPER

CHANGE IN CONFERENCE TREASURER'S WORK

Our church treasurers and members will please take notice of the change in the secretary-treasurer of the West Michigan Conference.

Brother H. P. Bloum, who has filled the office as secretary-treasurer of the conference in a very acceptable manner for the last five years or more, is taking a few weeks' vacation, after which he expects to take up work as auditor of the Lake Union Conference.

Brother E. G. Johansen, who has acted as treasurer of the Battle Creek church for more than a year, has accepted the secretary-treasurer's work of the conference, and we are sure that our people in West Michigan will give him equally as hearty support in his new duties as they have so kindly given Brother Bloum. All church finances and communications concerning conference work, especially that which should reach the secretary-treasurer, should be addressed to the West Michigan Conference, Box 1253, Kalamazoo, Michigan. Brother Johansen will give such communications his immediate consideration.

I am sure that we all are sorry to have Brother Bloum leave our field, but as he goes we wish him the blessing of the Lord in his duties as he assumes his work in the Union Conference.

We gladly welcome Brother Johansen and family to our office force.

NEWS NOTES

Elder J. W. Covert baptized two persons at North Liberty on a recent Sunday.

Elder E. R. Potter baptized four on a recent Sabbath, and these have united with the Glenwood church.

Several tent companies have reported their opening meeting for Sunday night, June 20. All speak encouragingly of their opening services. There were between one hundred fifty and two hundred at the opening meeting in Elkhart. Elder Hosford of South Bend speaks of his opening meeting in a very encouraging way. The companies at Plainwell, Grand Rapids, and Albion are opening their services in the midweek. We have not yet heard what their prospects are.

Elder Piper spent two days at the Indiana camp-meeting, and is planning to visit the East Michigan meeting a day or so this week.

Brother D. E. Collins is very busy giving personal attention and help to our colporteurs in the field. It is very encouraging to see such good reports reaching the conference office of the work that is being done by our colporteurs this summer.

Mrs. G. W. Stray and daughter Ruth are spending a few days with relatives in Chicago.

Elder J. A. P. Green, who has filled the office of field secretary for the Latin Union Conference, is visiting relatives in Battle Creek. He plans to visit a number of our near-by churches over week-ends this summer.

A number of the conference workers, both from Kalamazoo and Battle Creek, spent a few hours very pleasantly with friends on a recent Sunday afternoon at Gull Lake in honor of Brother Bloum, who is leaving the conference office and expects to spend the major portion of the summer at his home in Kankakee, Illinois. He was presented with a beautiful brief-case as a token of the high esteem in which he is held by those who were present.

HOME MISSIONARY ITEMS

From Miss Margie Keslar, home missionary secretary of the Grand Rapids church, we have just received the following encouraging item:

"The Grand Rapids church is, I am reasonably sure, doing a great deal of work that is not reported. The M. V. Society is requiring much of our church funds for its work in distributing the Home Bible Study League literature. We have presented the ——— Home with papers and with new copies of 'Christ's Object Lessons' and 'Steps to Christ.' They were pleased to receive them. Two public reading racks are being maintained. These are kept well supplied with literature."

From Sister Lydia Baird of the Bedford church we have just received the following:

"I am sorry to be even one day behind with my report, but I have a little encouraging news to add to the report. You will remember last fall when you came to our church in the Harvest Ingathering work, a little woman, not of our faith, was present. She has just been baptized and joined with us. She takes the **Review** and we have our weekly prayer meetings at her home. That is the means that has led her into the truth, along with Bible readings which I have given her on many points of our faith. Only God knows the value of one soul. The angels rejoice with us."

In closing, Sister Baird quotes this from "Testimonies," Vol. V, page 402: "A resolute purpose, sanctified by the grace of Christ, will do wonders."

E. R. Potter

GENERAL CONFERENCE BULLETINS

We have a limited number of these Bulletins that have been bound in a stout manila cover which we can sell at the nominal price of one dollar each. There are fifteen copies of the **Review** containing these reports. The amount of reading matter contained therein is equal to that found in the two books, "Daniel and Revelation" and "Great Controversy."

Our editors and the five special correspondents did a very fine job in reporting this conference. Never before has there been gathered together such a complete record of Bible studies, sermons, official reports,

plans for progress, mission stories, etc., as will be found in these fifteen issues.

Remember, the supply is very limited. In fact, we have secured only 35 copies. This is a very special offer, and if you are desirous of obtaining one, order at once of the West Michigan Book and Bible House, Box 1253, Kalamazoo, Mich.

UNION MEETINGS

Union district meetings will be held at Homer, Mich., Sabbath, July 3, in the Methodist church. The first service will be at ten o'clock, standard time.

A union meeting will be held at Eaton Rapids on Sabbath, July 10, also at Belding and Wright. All churches and isolated members living within a reasonable distance of these places are invited to come and spend the day. There will be preaching both in the forenoon and afternoon.

SOUTH WISCONSIN CONFERENCE

OFFICE ADDRESS, P. O. BOX 513, MADISON, WISCONSIN
PRESIDENT, B. J. WHITE

MADISON SANITARIUM ITEMS

Visitors after the Conference were Brother and Sister L. G. Mookerjee of Bengal, India; Brother Ewing and family of Jacksonville, Fla.; Prof. and Mrs. G. H. Straight of Walderly, Prof. B. H. Phipps and family and Miss Emilie Crouch of Battle Creek. While these

visitors were with us a little farewell was given Mr. Graves, who is just retiring from his work as chaplain of the jail at Madison. He has been doing this work for nine years, and has very greatly appreciated the cooperation of the members of the sanitarium family in the holding of meetings for the prisoners. A number of his friends were present and an informal program was given which was much enjoyed by all. Mr. Graves mentioned the fact that his conversion occurred at Calcutta, India, so it was quite fitting that Brother Mookerjee, who is a native of the province of Bengal, should say a few words in regard to the needs of that country. This he did in a very impressive manner.

We had a very interesting family meeting on Monday evening following the General Conference, in which the members of the sanitarium family joined in reconsecration to the work, expressing a determination to do more to make our work here a real means of soul winning. Nearly all the members of the family were able to attend the Conference and received a real inspiration for more earnest service.

Elder E. E. Andross, his wife and son, and Elder W. H. Branson and family visited us. These brethren took a little time telling of the work which is being done in their respective fields and the wonderful opportunities for work.

OFFICE ADDRESS, REED CITY, MICHIGAN
PRESIDENT, FREDERICK A. WRIGHT

CEDAR LAKE ACADEMY

Commencement exercises held here May 8-10 marked another milestone in the history of this institution. The past year was in many ways one of the best years the school has experienced. The dormitories were filled to overflowing with a class of splendid young people, the total enrollment of the academic department being one hundred fifteen. A high standard of scholarship was maintained throughout the year, while at the same time the spiritual interests of the school were not neglected. During the fall Week of Prayer and again in the spring rich blessings were experienced, and earnest prayer bands were maintained from the opening of school to its close. At the closing vesper service a deep spirit of consecration was manifested, and judging by some of the letters the writer is receiving, not all have lightly forgotten that consecration. One student writes, "I am very busy canvassing. I realize it isn't so much the scholarship as it is the good we can do. This work is helping me to live nearer my Saviour than I ever did before. I wish you would pray for me."

Those who read the reports appearing in the HERALD from time to time know already of the success the young people had last winter with the sacred cantata, "David, the Shepherd Boy," which was prepared under the supervision of our music director, Miss Fairchild. We received a warm welcome in near-by towns and were not able to give the cantata in all the places

that called for it. Both the glee clubs were a credit to the one who had charge of them. The orchestra also reached the place where it gave very pleasing programs. Certainly these musical organizations afford splendid opportunities for our young people to develop along these lines.

The academy Sabbath school became an educational factor in an unusual way. Ten young people's classes were supervised by as many academy teachers. It became the duty of each class in turn to plan for the Sabbath school, providing officers from their own number and taking complete charge of the program. This gave opportunity for many to gain an experience, and at the same time many original ideas were brought into this department of our school life.

Various missionary activities were carried on during the year. Some of the young men conducted Sunday evening meetings for a time in a near-by schoolhouse. The Christian Help Band did considerable work in the neighborhood, looking after those in need, while the members of the Literature and Correspondence Band were active in their line, sending the truth by mail to many readers.

The industries of the school are not as well developed as we might wish, yet they are not being neglected. The farm, which represents our oldest industry, has made it possible for several boys to earn a portion of their school expenses during the year. We are getting the workshop well under way. So far we have not done a large amount of business in this department, but believe it will grow. Only a very conservative amount of money was available to start this industry. The building was erected by student labor, and work has been furnished to a number of boys during the year. Among the articles made in the shop are laundry benches, clothes racks, and ironing boards. The chautauqua seats used at the North Michigan camp-meeting this summer were built in our shop by students.

About eighty people met regularly in the academy dining room for meals during the school year, and all the work in connection with boarding this number was done by students. In fact, we are glad to report that practically all work about the school is done by students and teachers, the teachers working with the students in harmony with the instruction given us through the spirit of prophecy.

Much thought has been given to the matter of school finance. The Board adopted a budget a year ago and the management has endeavored to operate within that budget. Careful and prayerful study has entered into the handling of the funds. Monthly statements have been prepared for each department of the school. Prompt payments on the part of patrons and the careful guarding of expenditures has made it possible to close the year with funds on hand to meet the summer's operating, and the books showing a net operating gain for the year of \$560.82. The net gain including capital donations is \$3,137.87.

The present management has served here at Cedar Lake Academy for a number of years. The blessing of the Lord has attended the efforts put forth. The Board

has stood staunchly back of the school, and the faculty members have earnestly cooperated to make the work a success. We have accepted the invitation of the Board to continue the work here another year and we hereby pledge anew our best service, rededicating time and talents to this work for the salvation of our boys and girls and for their preparation to serve in this great cause.

C. L. A. CAMP-MEETING DAY

Sunday, July 4, will be Academy Day here on the camp-ground at Cedar Lake. During the forenoon the meetings will be devoted to the interests of the school. We are anxious that as many as possible of our present and former students and teachers be present to enjoy the day and to boost with us for C. L. A. Be sure to come.

CONFERENCE NEWS

The conference offices were closed Monday, June 21. During the period of camp-meeting all correspondence should be addressed to the North Michigan Conference, Cedar Lake, Mich. As far as possible, orders will be filled on the campground, with the exception of orders for Lesson Quarterlies. As we announced in a previous issue of the HERALD, these will be held over until our return to the office because of the second class mailing rate which applies. We are endeavoring to supply our people at camp-meeting with all of our literature at special prices. There will be some very attractive offers on our periodicals as well as on books. We would urge each one who is able to do so to spend a little time looking over the display of literature at the book tent.

Word has just been received that complete sets of the Bulletins containing the General Conference reports can be obtained for 75 cents. They may also be

had in bound form for one dollar. Any who did not get the **Review**, who wish a set of these reports, will do well to order of the Book and Bible House at once, as these can be supplied only while the special supply lasts. There are fifteen of these issues which gives an almost word for word report of the entire Conference.

We are pained to announce the death of Sister F. E. Munger, who died June 17 at her home in Farwell, Mich. Sister Munger has lived in that neighborhood for nearly fifty years, and was highly respected. The funeral services were held from the Congregational church, Sunday, June 20, by A. P. Petersen. Sixteen women of the Women's Relief Corps with their banners formed an escort of honor.

NORTH WISCONSIN NOTES

J. O. Marsh of Superior called at the office while en route to meet other workers preparing for the summer's tent efforts. They are shipping the tent equipment to Superior, Clear Lake, and other places where meetings will begin soon.

Illustrations contained in the book, Midget Pictures, will be the only source Sabbath schools will have for the next four years or more for illustrating the children's lessons. The longer you wait to get your copy the more you lose of its benefit. Price, \$1.25, postpaid.

We now have eleven colporteurs in the field and some others who do some spare time work with our literature. We appreciate very much the faithful efforts of these young people. They are really the advance guard in our work, opening up new territory to the message by arousing the interest of the people. The General Conference reports were full of incidents where the colporteur pioneered the way for other branches of our work.

The Book and Bible House has several copies of "Testimonies," Volume IX, which will be sent postpaid for one dollar each.

MUNCIE

It was my privilege to visit the Muncie church last week-end. A splendid company of young people gathered at the Friday night meeting. Sister Mildred Bryan, our Bible worker, has done splendid service in gathering the young into a Missionary Volunteer Society. This helps wonderfully in holding them together and in directing them in deeds of kindness for others.

The Sabbath service was well attended. Good interest was shown in the study of the lessons and mission study. It was decided to take the Thirteenth

Sabbath Offering, though it was a week early. No one had come prepared, but in a few minutes enough was given and pledged to pass the dollar-a-member goal.

Brother C. J. Boyd was present and took part of the regular Sabbath service. Our brethren and sisters rejoiced to hear of the good General Conference, and many wept at the thought of the outpouring of the Spirit of God in the many mission fields. Our people are loyal and anxious to move forward to the kingdom.

"Every opinion reacts on him who utters it."

INFLUENCE

As a pebble dropped into the water
Sends its waves out more and more,
In an ever-widening circle,
Till they reach the other shore;
So a deed, a word, an action,
Dropped upon the sea of life,
Sends a blessing, or a cursing,
In this world of sin and strife.

As a cloud is changed at even
When the sun is sinking low,
From its blackness into beauty;
And reflects a pleasant glow;
So a life, though dark and ugly,
Through God's Word grows pure and white,
And reflects to all about it
Hidden treasure from the Light.

EMMANUEL MISSIONARY COLLEGE

The first crop of alfalfa was gathered last week.
The strawberry crop is excellent, both in quality and quantity. Chicago is paying fancy prices for the berries.

The cannery opened on Tuesday with strawberries as the work in hand. It will doubtless run until frost.

We are glad to learn that Mr. Myrten Mogren, who last week was reported as seriously ill, following an operation at the Benton Harbor Hospital, is now well on the road to recovery.

Mr. Marvin Rush, a last year's student, who is canvassing in North Carolina, reports \$372 worth of orders in forty hours.

Every cottage and housekeeping suite on the campus is booked for the coming year. A waiting list has been established in anticipation of possible vacancies.

Mr. and Mrs. E. M. Trummer and their sister, Miss Fontana, of South America were recent visitors. Mrs. Trummer and Miss Fontana expect to spend the coming year with us.

Dr. and Mrs. L. E. Conradi, in charge of the Wal-friede Sanitarium, Berlin, Germany, were guests of Elder and Mrs. Wakeham over the week-end. Elder Wakeham is Dr. Conradi's uncle.

Dr. O. S. Parrett and Mrs. Parrett of the Resthaven Sanitarium, Sidney, British Columbia, were recent visitors.

A committee consisting of Bible teachers from several of our senior colleges is in session here, engaged in the out'ining of courses of study and the preparation of textbooks for college Bible classes. This is a definite attempt to unify the Bible work in our various colleges. Visiting members are Elder B. G. Wilkinson of Washington Missionary College, Elder F. M. Burg of Walla Walla College, and Elder B. L. House of Pacific Union College.

Dr. Wilkinson gave a stirring address on Sabbath forenoon, picturing the forces at work in our own and foreign countries to bring about religious legislation. It would seem that unless God especially interposes the day of our peace is almost over.

We are happy to welcome Elder and Mrs. F. A. Stahl and son Wallace, well-known pioneers of our missions in several parts of South America, and at present engaged in opening up the work in the valley of the Amazon. They will be with us on furlough the coming year. With them is Chave Mariano, a young Indian girl whom they have won to the message, and who is desirous of becoming a worker among her people.

The bells are ringing again, for the summer school opened the fifteenth. Dean John, who is acting as summer school principal, presided at a reception on Saturday evening to the students, old and new. Professor Sorenson, in a helpful speech, advised us not to hurry over the beautiful and expressive name of our college, nor to bury it in its initials, but to speak it reverently and thoughtfully, and make it a living truth,—God with us, Emmanuel.

Lulu W. Butler

NOTICE

Students wishing to attend Emmanuel Missionary College next year should request the registrars of the schools previously attended to transfer their credits to this college before the opening day. Address Wanda MacMorland, Registrar, Berrien Springs, Mich.
