## Just Being Happy

BY R. D. SAUNDERS

Just being happy is a fine thing to do,  
Looking on the bright side rather than the blue;  
Sad or sunny musing  
Is largely in the choosing,  
And just being happy is a brave work and true.

Just being happy helps other souls along;  
Their burdens may be heavy and they not strong;  
And your own sky will lighten  
If other skies you brighten  
By just being happy, with a heart full of song.

### What's Happening?

SOMETHING has happened within the last twelve months in our literature ministry! Part-time workers who are able to spend only a few hours a week in the field sell from \$80 to \$100 worth of literature weekly. Full-time colporteurs regularly send in weekly reports from \$150 to \$300 sold and delivered. Our health literature workers are selling \$100 worth in one single day. One colporteur selling from \$100 to \$200 worth of literature to each of twenty-five different homes—whole Adventist libraries. Dozens of Seventh-day Adventists are leaving well paying positions to take up the colporteur work. A man buys some health literature, later "Bible Readings," studies the whole message with our minister, throws himself into the colporteur work and at the end of three weeks' canvassing has fourteen people interested

in the truth. Numerous letters come from people not of our faith requesting the privilege of selling our literature. The Wisconsin colporteurs have set their goal for \$75,000 delivered in 1944. We repeat, What's Happening?

It is nothing less than the Spirit of God moving upon the hearts, both of Seventh-day Adventists and those not of our own faith—the one to devote time to the circulation of our publications, and the other to reach out for the only literature that contains the truth. Certainly when the heart responds to the pleadings of the Spirit, something happens!

Time and paper will not permit to relate the hundreds of experiences that our colporteurs are enjoying in these days. Suffice it to say we have never seen anything like it. So much is taking place, however, we are constrained to believe that scores of our believers are receiving the call from God to join the ranks of the colporteur army. The Wisconsin Conference plans definitely on conducting a colporteur school, January 4 to 8. Why not follow your heart's conviction and write to us for additional information?

### Two Helpful Meetings

IT HAS been the privilege of your conference home missionary secretary within the last week to attend two meetings which we believe will be a source of help and strength to those who were concerned. The first of these was a home missionary and Sabbath school rally held in the Lena church on Sabbath, November 20. Elder Joyce, of the Lake Union staff, and Elder Hillman, local district superintendent, joined the writer in leading out in this meeting. It was a pleasure to have as an audience and participants a church filled with good Seventh-day Adventists from various churches in the district. Not only did they come in the morning, but they stayed by throughout the day until the benediction was pronounced. Plans were laid for a stronger Sabbath school work and for more home missionary work that the work might be finished soon. This district is expecting to use at least one thousand temperance Signs; and a Dorcas society has been organized in the Lena church. We appreciate the loyalty and faithfulness of our good believers in that section of the field.

On Tuesday, November 23, we journeyed down to the Milton Junction church where a meeting of the Southern Wisconsin Dorcas Federation was held. This was the first meeting in many months, and the meeting was well attended and there was a very lively interest. Elder Joyce joined in the instruction, and Mrs. Herman Kliet, of Chicago, made a special trip up and gave some of the finest suggestions to Dorcas workers that we have ever heard. Officers were elected for the coming two years as follows: Mrs. Clayton Larson, president; Mrs. C. M. Rasmussen, vice-president; Mrs. Robert Shaw, secretary-treasurer; Mrs. Ray Anderson, assistant secretary-treasurer.

Plans were laid for a stronger Dorcas program. It was a pleasure to have Elder Unruh, our conference president, at the meeting and to see the pictures of the new academy farm and listen to the presentation of the facts concerning the new academy.

### Investment Program at Bethel

It was a rare privilege that the writer had to be present at the Investment program held by all the branches of the Bethel Sabbath school under the leadership of our Sabbath school superintendent, Norman McChesney.

What a heritage we have at Bethel with such a fine group of children. The primary division brought their gifts and placed them in a pumpkin. They practically filled the medium-sized pumpkin with dollar bills, quarters, dimes, nickels and pennies. This division alone had over \$70. The juniors came next and filled a quart jar with money. Their total was over \$55. Then the rest of the church joined these children and swelled the offering to over \$215. This amount, though not so large, is double the amount raised last year. We thank God for prospering our Investment.

### Elder Higgins Visits Wisconsin

FOLLOWING a most profitable week end at Milwaukee, Elder W. A. Higgins and Brother P. M. Lewis continued their itinerary holding evening meetings at the Raymond, Sheboygan, Fond du Lac, Oshkosh, and Appleton

churches during the week. The splendid motion picture film "In Such a Time As This" met with a gratifying response at each church. Our people were stirred by the appeal and indicated their willingness to be trained in the art of gospel salesmanship.

At Green Bay, Sabbath morning, Elder Higgins touched hearts with his message, convincing all present that the end of all things is at hand. That evening a large audience returned for the presentation of the motion film. Brother Leonard Wartzok had arranged an excellent book display, and in true Adventist style the people took full advantage of many gift suggestions and new books for their personal libraries. Sabbath afternoon was spent with the Sturgeon Bay members and a colporteur rally at Green Bay on Sunday closed a successful itinerary. P. M. LEWIS

### Maintenance Man Needed

THE work on the Milwaukee English church is progressing nicely, and it is the plan now that the dedication of the building be held at an early date in January. This building when completed will meet every need of a large congregation, and holds the possibilities for a broad evangelistic program.

At present we are needing the services of a man and his wife who will carry a deep burden for the Lord's house and its upkeep to serve as janitors and do the necessary maintenance work about the building. There are two large boilers provided with stokers to be tended, a lawn to be cared for together with its general care. This will be a full-time job for husband and wife. Those accepting this position will be provided with an apartment in the building in which to live. Heat light and water will be furnished, and a reasonable salary will be paid.

This is an excellent opportunity for a middle-aged couple without children to give valued service to the Lord's cause. Anyone qualified who

may have an interest in this position will please write to the pastor, Elder Carl W. Guenther, 2229 N. Terrace Ave., Milwaukee, Wisconsin. This position must be filled at once.

### Spirit of Prophecy Reading Program, 1944

MANY have been the expressions of gratitude and the testimonies of those who have been helped as a result of the *Spirit of Prophecy Reading Program* which has been followed during recent years. If you are not one of these, now is the time to plan to join the circle for 1944.

The books to be read are among the best and most readable: "Christ's Object Lessons" and "Acts of the Apostles." We cannot think of two of the *Spirit of prophecy* books that are more appropriate just at this time when the object lessons of Christ so much need to be followed in this chaotic world and when a new book of acts is being written in the pages of history.

If you do not have these books, you may obtain them now at the holiday

**Books Wanted**

DURING the last few months we have been working on our Missionary Volunteer library and endeavoring to bring it up to date. We now have it catalogued and systematized and know where every book goes and when it should be returned.

It seems that through the years our lending library was not carefully checked and consequently many books have been lost. What we are endeavoring to do now is to build up a com-

plete set of all the Missionary Volunteer reading courses that have been put out by the department since 1907, when the reading course plan was inaugurated. Some of these sets in our library are complete over the past thirty years or more, but many of them have one or more books missing.

No doubt in the homes of our people throughout the conference can be found the books we are listing as missing from our various Missionary Volunteer reading course sets. If you have one or more of these books that you would be willing to contribute to our lending library here at the conference office, we would be more than pleased to pay the postage if you will inform us what books you have.

Our library is constantly in use. Occasionally we have individuals who want to read back sets of the reading course books and receive a certificate for same to apply on their Master Comrade requirements; therefore we would be pleased to complete our sets in the library, covering the period from 1907 to the present.

We are listing the missing books under the headings of Senior, Junior, and Primary, giving the title of the book and the author, and the year it was in the reading course set.

## Your Last Chance

A CERTAIN daily newspaper published this notice in last week's issue: "We have reached the quota of subscriptions allowed by government regulations, and will not accept further subscriptions." No doubt this notice started an avalanche of requests for subscriptions by readers who waited until it was too late, but who still decided to take a chance.

Don't take a chance in losing out on your *Review and Herald* subscription by waiting too long to order. During December you may still order the *Review* for \$2.75, the Big Four for \$3.90, and the Family Group for \$6.70. After January 1 it will be too late to order at this price. You may also renew your present subscription or extend it two or more years at the above price if you act now.

Why not make this wise decision to insure the weekly visit of the *Review*, to keep up your spiritual morale, and to keep yourself informed on the progress of the aggressive campaign to enter every nation with God's message of truth.

We all need the spiritual uplift and the encouragement which the *Review*

so ably gives "if we would hold fast the confidence and the rejoicing of the hope firm unto the end." (Hebrews 3:6).

December is your last chance at these prices; act accordingly and you'll not be too late.

## Du Quoin Missionary Volunteer Rally

THE Du Quoin church and M. V. society will be host to all youth and those interested in young people's problems, Sabbath, December 11. They extend a hearty welcome to all the churches in the district and to any others that may be within a hundred miles. A special invitation is extended to the isolated believers to come and join in this day of inspiration and blessing.

The first meeting will be Friday night, Sabbath school and preaching in the morning, with the afternoon given over to the Missionary Volunteer objectives and youth problems. We plan a social of games and moving pictures in a local hall in the evening after the Sabbath.

The new district leader, Elder H. M. Kelly, joins us in extending a welcome to all at Du Quoin, Sabbath, December 11, 1943.

## Correction

In the *HERALD* for November 23 on page two the wrong figures on enrollment at Adelphian Academy in the report by V. P. Lovell were given. Column one was all right but column two should have read 149 and column three, 171. We are sorry for this error which occurred in processing.

## Port Huron

ON SEPTEMBER 19 a comprehensive program was launched to bring the advent message to all who live in the Thumb and River District in eastern Michigan, for a Bible Correspondence Course was created under the name of the "Bible School of the Air."

At present, three fifteen-minute broadcasts are held each week over the local Port Huron station, WHLS, every Sunday, Tuesday, and Thursday at 1:15 P.M. We invite all of our believers within a radius of one hundred miles to listen to this program, for it is 1450 kilocycles on your dial.

The five churches, Port Huron, Algonac, Sandusky, Marlette, and Bad Axe have been very faithful in distributing fifteen thousand folders announcing the Bible course, and helping finance the circulation of fifteen thousand folders to the boxholders through the mails.

After eight weeks in this program, we are glad to announce that about six hundred have already enrolled in the course and it is most inspiring to receive over one hundred lessons each week, and note many very encouraging comments: "I am delighted in these lessons." A minister comments: "I like the simple and interesting way the truths of the Bible are presented in this course." A leader in one of Port Huron's largest churches writes: "I cannot understand why other churches neglect and are uninterested in Bible study, and neglect prophecy. I have been praying for a long time that I will be able to interest some to study with me." A man says: "I am delighted to have the chance that is offered to those searching the right way to live." A certain lady writes: "I have studied this lesson, and it

makes it plain that we are in the last days. I surely have enjoyed it. I am not able to get out to church, but I do love to listen to God's word over the radio."

On October 17, a series of Sunday evening evangelistic meetings began at the Masonic Temple, located in downtown Port Huron. The attendance has been good and the audience has given close attention to the message.

The Port Huron district is praying that God will bless this year as the most successful year in its history for the winning of souls.

### Church Dedicated

SABBATH, November 20, was a climactic day in the history of the Mio church, for it was on that day that a beautiful new church edifice was formally dedicated to fill an important place in the proclamation of the glorious advent message. The felicity of the occasion was shared by 135 believers, some of whom came in from Alpena, Glennie, and Long Lake.

The dedicatory sermon was preached by the conference president, Elder T. G. Bunch. It was an outstanding message, not only as it pertained to the dedication of a new building, but in the appeal for the members of the church to rededicate their lives to the Lord as living temples. The dedicatory prayer was offered by the district superintendent, Elder H. E. Bisel. Following the prayer, a representative community response was made in the form of an address given by the Honorable Judge Lawrence F. Shrock, judge of Probate Court.

After having met in homes, school houses, and rented places for several years, a real sense of achievement and satisfaction possessed the hearts of members of the local organization. The pleasure of the occasion can be more fully appreciated when it is understood that at least two former attempts to build had miscarried.

The building is a frame structure 32x50 ft., plus a commodious vestibule. A spacious basement affords a convenient place in which the junior department of the Sabbath school may meet.

The structure is not the result of a contract job, the work having been done almost entirely by members of the church and the pastor. The organization was most fortunate in having within its ranks, skilled hands in the various lines of construction work.

The joy of worshiping in the new building is made more abounding with the knowledge that there is no load of indebtedness hanging over it. This financial status exists in part due to the fact the conference made a substantial contribution to the project. For this assistance the membership is deeply grateful.

Shall we not all pray that these newly opened portals may provide a sacred precinct where many precious souls shall "taste and see that the Lord is good;" may find Jesus the only one who can fully satisfy the longings of the human heart.

### Lay Worker Reports

Brother Mark Bovee some months ago became fired with the vision of reaching the towns where there are no Adventists and therefore no one to

hand out an invitation to listen to the Voice of Prophecy. He writes of his experiences as follows:

"This Voice of Prophecy work is sweeping the country like a prairie fire. Never saw anything like it. I am tremendously enthusiastic over the prospects. From the comparatively small mailing of those towns listed, there are between 35 to 40 persons enrolled in the lessons. To these I send all the used *Signs, Watchman*, and others I can get. It is truly the outpouring of the latter rain. I shall continue to spread the tidings through the Voice of Prophecy to the limit of my time and material available. I have covered seven towns and I am planning on six more."

Why can't we have more workers doing just this thing that Brother Bovee is now doing?

### News Notes

ELDER H. P. EVENS visited the Adrian church last Sabbath and reports a large attendance including a fine group of young people. He was deeply impressed with the spirit of reverence which characterizes the services there. In the afternoon Brother Evens met with the believers at Monroe thus releasing Elder W. W. Ellis to visit the churches at Morenci and Prattville. At Monroe they are still meeting in the Masonic Temple but are looking forward to meeting in their new church building in the near future. Brother Evens inspected the new church site and the exterior of the building and noted the accurate and careful workmanship that had been done on this structure. The windows are of stained glass and the first coat of plaster is now on.

Last Thursday night, the evening after Thanksgiving, Brother Hugh Forquer went to Sheridan to assist Elder Obed Klein with his evangelistic services. Brother Forquer showed pictures and the attendance was encour-

### Big Rally for Detroit Area, December 11

Sabbath school will be at 9:30 a. m. and the morning service at 10:50 a.m.

R. A. Anderson of Washington, D. C. will be the speaker. Elder Anderson is the General Conference evangelist. He has spent several years in Europe in evangelistic work.

The afternoon meeting will be packed full of interesting subjects. The following speakers will take part; Elder T. G. Bunch, D. W. Hunter, T. E. Lucas, and local ministers of Detroit.

A temperance rally will be held at 8:30 p.m. We hope to secure the service of C. S. Longacre of Washington, D. C. Elder Longacre served for several years as general secretary of our temperance organization. We plan to have some public officials on the platform.

aging. Brother Klein has been conducting these services for ten weeks now and it is hoped an excellent harvest of souls will be the result.

Elder D. W. Hunter was invited by the Lansing Realtors Board to give the invocation at their luncheon last Tuesday when Governor Harry F. Kelley was guest speaker. In the afternoon of the same day Elder Hunter spoke to the combined meeting of the West Side Literary Club and the Unity Club here in Lansing, using for his topic, "India Today" and dressing in costume. On the Sabbath he attended the 69th Anniversary and Home Coming of the Mt. Pleasant church. This promises to be an annual occasion at Mt. Pleasant and careful plans are laid for this special service. There was a large attendance with perhaps thirty to forty non-Adventists present. Mrs. Hunter gave the mission talk in both the junior and senior divisions. In the afternoon Elder Hunter spoke at Clare. Their Investment goal was \$30 and to date \$57 has been turned in which is an excellent record for this small church. Saturday evening the churches of Alma and Mt. Pleasant united for a social hour. Sunday evening Elder Hunter was invited to speak on India in the Methodist church at Alma.

Miss Edith Shepard was in Battle Creek last Tuesday evening for the Tabernacle Investment Program. Their Investment goal was \$2000 and they have raised more than \$3300, which is more than the entire Michigan Conference gave toward the Investment idea eleven years ago when Miss Shepard first came to this field. On the Sabbath, Miss Shepard visited the Ferndale Sabbath school, speaking at both the Sabbath school hour and the eleven o'clock service. In the afternoon Miss Shepard met with the church at Oxford. Their Investment goal was \$30 and to date they have more than \$40 reported.

Elder Bunch feels that the past month has been a very unusual one in his experience in that he conducted

a dedicatory service on every Sabbath during the month. Last Sabbath Elder Bunch, accompanied by Mrs. Bunch, Eldine Crandell, Bertha Leiske and her sister, Mrs. Borden Fisher of Calgary, Canada, and Mrs. Ramira Eaton, attended the dedication of the Howard City church, with Elder Bunch speaking both morning and afternoon. Brother H. A. Weaver of Cedar Lake Academy brought over a group of students who provided special music for the occasion, while Mrs. Nelson and little daughter of Muskegon gave several vocal selections.

Word has just reached the conference office of a son, Douglas Carlton, born to Elder and Mrs. A. C. Lien, now of Jackson, Mississippi, on November 23, 1943. Elder and Mrs. Lein are former members of our working staff here in Michigan.

# The Theological Seminary

By D. E. REBOK

THE Seminary has had 752 students enrolled in the period from 1934-1943. Of this number 57.8 per cent have completed their senior college course and are now working on their graduate course. The others have been taking refresher courses in the Division of Missions and Christian Leadership. Eight have already completed the M. A. in Religion and ten others are writing their theses as the last requirement for the degree.

There is a great need for special courses to meet the specific needs of our older workers and we are developing them just as rapidly as possible. We are cautiously avoiding the duplication of any work now being offered by our senior colleges.

The new Winter Term begins January 23, 1944 and closes March 22, 1944.

The Spring Term begins March 26, 1944 and closes May 24, 1944.

The Summer Term begins June 25, 1944 and closes August 23, 1944.

Plans are now being worked out by the Autumn Council whereby the course in Health Evangelism, formerly offered by the Pacific Union Conference at Loma Linda, will be conducted in Loma Linda early in 1944 for the workers in the West, and at the Seminary in Takoma Park during the summer term beginning June 25 for the workers in the East. This is proving to be an intensely practical and very interesting course for the health message is surely an integral part of present truth.

Many will remember the article which appeared sometime ago in the *Reader's Digest* ridiculing Seventh-day Adventists and the Millerite Movement. Elder F. D. Nichol has been carrying on a very exhaustive study of all these charges. The results of his work will be given in a series of public lectures at the Seminary beginning with the winter term, January 25, 1944.

Every Seventh-day Adventist minister needs all of this help which will be given under the title of "A Re-Examination of the Millerite Movement from the Original Sources with Special Attention to the False Charges of Fanaticism, Insanity, Ascension Robes and Kindred Accusations."

Workers desiring to attend the Seminary during the coming terms should place their requests with their respective conference presidents and principals of schools. All arrangements for absence from the field are worked out by committees and boards as the needs of the work may permit.

For further information and for your copy of the new Seminary bulletin kindly address the president of the Seminary.

## Special "Watchman" Offer

THE total circulation of the *Watchman* and *Message* magazines for 1943 will jointly amount to nearly 2,000,000 copies. We are also gratified to announce that we will enter 1944 with the subscription list of both journals the highest in our history.

Beginning with the February issue, some unusual matter never before appearing in print will be featured in both papers. "History's Greatest Meteoric Display," featuring the falling of the stars in 1833 will be the title of the first article. This is the beginning of a series entitled "Time-counting Among the American Indians." We know that all our workers will want copies of this material and we are equally certain that large numbers of our people will likewise wish to avail themselves of these especially helpful articles.

Due to the fact that the Voice of Prophecy offering and *Watchman* magazine campaign came on exactly

the same day this year we are extending the sixty-cent subscription rate to our people for themselves and for missionary purposes until the end of 1943. Why not subscribe for yourself and friends for a holiday present? This same offer is also good on *Message* magazine. We will send a Christmas card upon request.—R. E. Crawford, Circulation Manager.

### Library Is Active Place

NOVEMBER 1943 has been a very busy month for the College Library. The combined circulation of two-week loans and reserved books came to 6,378, a record which has been equaled only once before. More than half of these were two-week loans for home reading.

The following table indicates the months that have been outstanding in library activity during the history of the College:

Month	No. of Books Loaned
1939 October	6758
1939 November	6375
1940 April	6193
1943 November	6378

The volumes now available on the shelves total about 30,000. It is noticeable how the newer books are more often in demand than those of long standing on the shelves. Careful attention is paid to the selection of representative volumes from the thousands coming from American and English presses every year so as to make intelligent expenditures.

An attempt is being made to get copies of books written by E. M. C. Alumni for display in the glass cases of the cosmorama in the new Administration Hall. Graduates and former teachers are asked to communicate with Miss Anna Blackney, care of the College Library, Berrien Springs, Michigan, if they have such volumes suitable for such a repository.

Last year a call for old and rare Adventist literature, tracts, periodicals, and books from early days of the move-

ment resulted in many valuable contributions to our holdings. We herewith renew the call for such material. Please communicate with the Librarian and report what you have so that unnecessary duplications may not be made.

The concrete pathway around the library provided for the north and south student traffic between the dormitories and the classrooms, along with the acoustic tile on the ceiling of the lower passage which formerly reverberated with passing footsteps and many voices, has made the library reading room noticeably quieter this year. It is to be hoped the lower reading room can be finished soon so as to provide a maximum of study space.

### Senior Class of '44 Organizes

ANOTHER senior class, destined to be distinguished by graduation in the centennial year of the advent movement, was organized this past week. The Class of 1944 selected for its officers: Judson Habenicht, president; Esther Carterette, vice president; Fern Wagner, secretary; Robert Nutter, treasurer; Kenneth Davis, class pastor; and Prof. E. D. Ryden, faculty sponsor.

Mr. Habenicht, who was last year president of the Student Association, has received most of his schooling on E. M. C. campus, his family being resident for many years in the community. At present he is Missionary Volunteer leader. He is majoring in the department of religion.

Miss Carterette came last year to the college from the Southland. She has been an active leader in the forum, girls' organization of Birch Hall. Miss Wagner, daughter of former Lake Union field missionary secretary, Elder B. E. Wagner, has been twice elected to Who's Who in American Colleges because of her capabilities as a student leader. Mr. Nutter is new to E.M.C., having come here from Atlantic Union College. He is a physics major. Mr. Davis has shown his leadership as chairman of the ministerial Seminar, and he also appears in Who's Who in American Colleges.

### Colporteur Scholarships Granted

Forty-eight students received scholarship checks at a recent chapel service for their splendid sales work in distribution of denominational books this last summer. Elder W. A. Higgins, union field secretary, said this past year has been the most successful one in the history of colporteur endeavor. The amount of the various checks paid out totaled \$17,000, and Mr. Holm, business manager of the college pointed out that it was a sum sufficient to heat the institution for the ensuing winter. John Haynal was the star salesman, and his scholarship check amounted to \$1127.

This means of guaranteeing one's expense at college should not be overlooked by other young people in the Lake Union Conference. With war industries in full swing, there is much money in circulation, and with the interest in the war and the meaning of world events uppermost in people's minds, the sale of our literature is phenomenal. Contact your local field secretary for information as to how you may start.
