ADVENT YOUTH IN ACTION

Roll Call of Achievements

By THEODORE LUCAS

Wisconsin M. V. Convention

SUPREMELY enthroned over the campus of Bethel Academy, April 28, 29 and 30, were the youth leaders of Wisconsin, where the annual Missionary Volunteer convention was in session. Every section of the Badger state was represented as Wisconsin's young people came to participate in one of the finest meetings of its kind ever held in the state.

The convention was spiced with challenging messages to youth by Elder C. L. Bond and Elder T. E. Unruh. Enthusiastic reports were given by the delegates and an interesting trip to South America via pictures was conducted by Elder Bond.

Special music was an outstanding feature of the convention, as was the excellent display of youth literature by Leonard Wartzok, Wisconsin Book and Bible House secretary.

Bethel Academy opened its doors wide to receive the M. V. visitors, and no one was disappointed in its hospitality. The convention was highly successful and complimentary to M. V. secretary Perepelitza. It will do much to cement the ideals and purposes of the M. V. work in Wisconsin.

Detroit, Michigan

It was my good fortune to spend a week end at Detroit recently and observe Pastor Dower in action with his young people. Over 150 young people attended the Sabbath afternoon program. Their plans are laid well in advance. A well-balanced recreational

program is being fostered which is one of the reasons for success. Brother Blinci and his corps of officers are doing a good job. They are remembering their soldier boys and "soldier lady."

One of the men in service had sent a beautiful souvenir to his wife. He had made this of shells in the South Sea Islands. It was examined with interest by those attending the Sabbath

College Day Visitors Enthusiastic

FIVE academy graduating classes with their sponsors accepted the invitation of the College to be campus guests on Monday, May 1. The deluge of rain with which they were greeted upon their arrival failed to dampen their spirits, and when the opportunity was given during the chapel service for each group to sing its school song, the loyalty of the graduates to their respective institutions was marked in the volume of melody they produced.

About one hundred fifty representatives of the Class of '44 at Battle Creek, Broadview, Cedar Lake, E.M.C.A., and

M. V. meeting. There is also a junior girls organization known as the "Anchorettes." These young ladies usher at Elder Dower's Sunday night meetings, aid the Dorcas and do whatever they can to help the cause along. Detroit M. V.'s are walking in the light. Follow their beam.

Broadview, Illinois

Illinois scores again. Sabbath afternoon, May 6, was one of inspiration and blessing to the 900 who attended the *Spring Music Festival* at Broadview.

Such a large event brings about problems such as the handling of two or three hundred cars. This was solved

(Continued on page 2)

Emmanuel Missionary College

Indiana Academies largely filled the balcony of the College Auditorium, where they were assigned special group positions identified by the names of their respective schools and the mottoes of their classes. Everyone regretted that Adelphian, Bethel, and Hylandale academies were not represented. A scattering number of students from high schools were present.

After registration at the Registrar's office, the guests were invited to attend the morning college classes which were in session in various buildings. The chapel convened twenty minutes earlier than usual to accommodate the length

of the program. The national anthem by the College Band under Director Hafner was played after devotional exercises.

The heads of the various instructional departments were briefly introduced and expressed a few words of welcome to the delegates to become "majors" in their respective fields. Mr. Vandeman of the Speech department demonstrated the new apparatus for recording the voices of the aspirants to the ministry and showed its value in criticism for improvement. A typical radio program was recorded by young men from the Theological department, and then played back to the audience by the same machine. Professor Hannum pleased everyone with the playing of "Memories."

Dinner was provided in the cafeteria, after which the regular visitation of the industries was conducted by Dean King. The weather having cleared toward the middle of the afternoon, the baseball diamond had its attractions, and teams made up of representatives of the academies and of the college students played an interesting game that was witnessed by most of the visitors. There were so many substitutions during the game that the score in favor of the college boys was not significant. About five o'clock, the drivers of the various cars and busses had received the sack lunches for their school groups to eat on the return journey.

It is to be hoped that many of the visitors will be on the campus as college registrants this summer and next fall. A large number indicated to President Johnson and the Registrar, Mrs. MacMorland, that they were definitely planning to be here.

Acceleration for Academy Students

ATTENTION of Lake Union academy students is called to the unique opportunity afforded them to make advancement in high school subjects at the College Summer Session beginning June 11. Those who can improve their scholastic status in reference to coming of draft age for military service may find it profitable to accelerate the completion of their high school or academy work as soon as possible.

Four subjects are being offered at the College this summer, each yielding one unit of credit. The offerings are as follows: American History, French II, Physics, World History. Competent teachers will conduct the courses, and the session will end on September 1. Those contemplating taking advantage of this plan, which has been approved by the Lake Union academies, should write to the registrar as soon as possible so that plans can be made for the work.

Change of Workers

Ere this, a good many of our friends in the Lake Union have learned that Elder C. S. Joyce, who has carried the responsibility of the home missionary and Sabbath school department for a number of years, has accepted similar work in the North Pacific Union.

After due consideration and counsel, the Lake Union Committee has invited Elder H. F. Brown of Michigan to be the home missionary and Sabbath school secretary of the union. While we regret losing Brother Joyce, who has carried the work most efficiently, we are happy to announce to the field that Elder Brown accepts the responsibility that we are inviting him to. He has had many and successful years of leadership in these departments; not only in the home country, but in foreign fields as well, and we are most happy that he can join us. It may be some little time before he can take up his responsibilities fully in the union departments as he will carry on his work in the Michigan Conference until that field is able to secure his successor.

As Brother Joyce goes from us we are confident he will have the prayers of his friends and fellow workers of the years of the past.

Jay J. Nethery

Roll Call of Achievements

(Continued from page 1)

by the medical cadets who appeared in their uniforms to assist in any way possible. They contributed much to the success of the meeting.

The choirs from the churches of the Chicago area really did their best, as did the colored junior choir which was one of the top ranking events of the day. A look at the program convinces one that the *Festival* was a superior event. A large offering, which indicated the wholehearted response on the part of the audience, is the nucleus to begin a Youth's Center for Chicago. Illinois Adventist youth are in action.

The week end of May will dominate the thinking of the M. V.'s in the vicinity of Jeffersonville, Indiana, for a long time to come. It was then that they had a three-day Senior Camp which was attended by forty-three campers who love the wholesome things of life.

The beautiful Boy Scout Camp at Charleston, known as the Tunnel Mill Reservation, was the scene of the action which included campfires, Master Comrade work, nature, tracking and trailing, Sabbath school, flag raising, vespers, and a social with games for all.

Brother Conner of Jeffersonville was the camp director, with Brother Harper, the M. V. leader, in charge of the young men and Mrs. Harder, the Louisville church school teacher, in charge of the girls.

LAKE UNION CONFERENCE OF
SEVENTH-DAY ADVENTISTS
Berrien Springs, Michigan

All matter for publication should reach the Lake Union Conference office WEDNESDAY preceding the date of issue. Subscription price \$1.00.

R. M. Harrison - Managing Editor
G. E. Schultz - Associate Editor

Entered as second-class matter November 3, 1908, at the post office of Berrien Springs, Michigan. Printed by the College Press, Berrien Springs, Michigan.

The Senior Camp was conducted by leaders of youth anxious to provide our young people with God-approved recreation. The success of the camp should be an encouragement to other churches to unite and sponsor such projects. There is a crying recreational need today among our youth *that can be met with God's help.*

SEVENTH-DAY ADVENTISTS.

Home Bible Course Enrollments

THE believers around the conference will rejoice with us in the fact that we now have 7,965 names which have been received through the radio and correspondence course. Last month we were able to add three names to our baptismal list, and so far in May we have learned of two more individuals who were baptized as a result of having been contacted by the radio or the correspondence course. In April over 17,000 pieces of material went out from the radio office in the spreading of the third angel's message.

The question has been raised as to whether it is all right to sign an en-

rollment card in the correspondence course for a relative or friend. Experience reveals that this is not a good procedure. It is better to talk or write to those whom you would like to see enrolled in the Home Bible Course, and convince them of what they are missing by not studying this course. By persuading them to request the course of their own volition, they will take a greater interest in it when it is received. We shall be happy to send a small supply of the blank enrollment cards to any of our believers who would like them to distribute among their friends.

We ask you to remember this work in prayer and financially. The fact remains that one dollar invested in radio work will send the message to more people than any other agency.

SHERMAN McCORMICK

Illinois Junior Camp

JUNIORS, keep your applications coming in fast. We should have every application on file before camp meeting; which is June 13 to 18. Junior Camp starts June 20, and all plans should be made before camp meeting if possible.

Our camp site is located about ten miles southeast of Decatur, Illinois. This is a large Y. M. C. A. camp. Camp Seymour has many cabins, a large dining room and auditorium, a small lake

for swimming and boating, and other conveniences for camping. We are making up a splendid staff again this year of directors, cooks, nurse, counselors, life guard, etc.

The conference will be classified in three zones this year instead of four as last year. Zone 1 is from 1 to 100 miles distance to travel, and the camp charge is \$12. Zone 2 is 100 to 200 miles, and the charge is \$11. Zone 3 is 200 to 300 miles from camp, and the cost is \$10.

The round trip fare from Chicago to Decatur via the National Trailways is \$4.37; and for those under 12 years of age half fare, \$2.19. We are also planning to run the academy bus from Broadview to the camp, and the round trip fare will be \$3. Chicago is in zone 2.

This promises to be a very fine camp and we need your paid application *now*. Don't forget the time and place: Camp Seymour, Decatur, Illinois, June 20 to 27, 1944. Use application blank at bottom of page. ROLLIN A. NESMITH

News Notes

APRIL 29 a Missionary Volunteer rally was held at Columbus for the young people of Columbus and surrounding churches. Elder F. E. Thompson, War Service representative of the Lake Union, was present and gave valuable help. An interesting all-day program was conducted in the church and a pleasant social hour was enjoyed in the Community Hall on Saturday night.

Elder H. K. Halladay spent the week-end Sabbath, May 6, at Kokomo. The church held a Dorcas rally day there and an effort was made to revive the interest in the Dorcas society.

Another new district has been created under the leadership of Elder F. F. Oster who is now pastor of the Logansport church. He becomes leader of district 5 which comprises Logansport, Winamac, Peru, Idaville, and Rochester.

Elder Summerville's district becomes No. 3 under the new plan and Elder C. W. Pruitt's becomes No. 4. Brother Mitchell's district, comprising the Grass Creek, Kokomo, and Wabash churches becomes No. 6. The remaining twelve districts will be pushed up two numerals, thus making twenty districts for Indiana instead of eighteen. In the bulletins which will go out from our office these changes will appear.

We welcome Brother Oster and Brother Williams to the district leadership of the newly created districts.

The Gary members are going forward in securing three new lots which they have been considering for a long time on which they may erect a new church and church school. These lots are located in one of the finest residential sections of the city of Gary on the corner of 45th and S. Washington Streets. The members are working hard toward the securing of funds that may be used some time in the near future when permission will be granted to erect a new church edifice.

Elder M. D. Howard reports that the old tabernacle and lots in Vincennes have been sold to another church organization. They have taken the money and secured a fine lot on the corner of Sixth and Hart Streets, which is very centrally located in the city of Vincennes. The church there has the privilege of meeting in their old building for a year, and during this time they are planning to raise additional funds in order that they might have a new church home.

Brother C. B. Caldwell and wife have arrived in the conference, and Brother A. E. Mobley and wife are moving to Michigan where Brother Mobley takes up the secretary-treasurer's work in the Michigan Conference.

Elder A. V. McClure, who has labored for a number of years here in the state of Indiana, has recently accepted a call to connect with the Iowa Conference as district leader of one of their districts. Elder McClure has labored in various parts of this state, holding a number of evangelistic efforts. I am sure that he has endeared himself to the hearts of many of our people and it will be with reluctance on his part as well as his friends to break the Hoosier ties, but we wish him God's blessing as he goes on to the "tall corn" state.

There is prospect of holding camp meeting for four days at Battle Ground. The readers should keep watch for announcement and keep their hopes up.

Camp for Southern Indiana

LOCATED in the hills of southern Indiana near Charlestown is Tunnel Mill Reservation. This is a Boy Scout camp. The cabins and lodge are built on the banks of Fourteen Mile Creek. May 5 to 7 forty-three young people were in attendance at the camp which was conducted by the leaders of the Jeffersonville, New Albany, and Louisville churches. A splendid program had been arranged.

Nature was at her best and nature hikes were conducted. Birds, trees, and flowers were given the most consideration. On Sunday a large group passed their test in tracking and trailing; also some worked on knots and other vocational requirements. Those working on their Master Comrade work had opportunity to pitch a tent.

Recreation was not omitted from the program, and an exciting ball game was played Sunday morning. Although the weather was cold the enthusiasm of the campers was not chilled in the least, and all pronounced the camp a success.

Elder Gaitens, Missionary Volunteer secretary of the Kentucky-Tennessee Conference, was present and gave valuable help.

Four Victory Churches to Date

THIS week not only the Urbandale church is over its goal, but also Ecorse, Iron River and Monroe. These churches are to be commended.

Names of the Minute Men are beginning to come in. Crystal Falls church which has almost all of their goal, reports three double Minute Men goals reached and one single Minute Man goal achieved. They are the following: Mr. and Mrs. James Archie, Mrs. John Gustafson and Mrs. Ida Nyquist.

As reported thus far, Urbandale's Minute Men are: Elder and Mrs. J. F. Piper, Mr. and Mrs. George Stagg, Mrs. E. W. Thayer (two goals), Mrs. Frances Craw, Miss Ruth Ladd, Mr. and Mrs. W. N. Nelson, Mrs. Olive Wakeham, Mr. and Mrs. John Sanborn, Mrs. Grace Colwell, Mrs. Frances Nay, Mr. and Mrs. G. L. Knox, Mrs. Clara Hardin, and Mrs. Anna Osborn.

Church missionary secretaries please note! Do not neglect to remind the church members to report their names, then send them on to the conference office. HOME MISSIONARY DEPT.

News Notes

FOR the first time since 1941 Elder T. G. Bunch visited the churches at Edmore and Frost on Sabbath, May 6. The conference president reported a good attendance at Frost, and stated that members of the Edmore church are planning to paint the outside of the church and repair the porch.

Conducting the second baptismal service since beginning the evangelistic campaign in Lansing, Elder M. L. Venden baptized 13 persons at the Sabbath morning service May 6.

Home missionary secretary H. F. Brown spoke at the Otsego church Sabbath, May 6, and went to Kalamazoo in the afternoon to collaborate with Miss Shepard in a Sabbath school rally. Elder Brown commented on the beautiful appearance of the Otsego church which was just redecorated this spring.

Gas rationing these days is becoming so stringent that one balmy afternoon last week the educational secretary of the Michigan Conference found it necessary to hitch-hike his way from Gobles to Covert. Other church schools visited by D. V. Cowin during the first week of May included those at Kalamazoo, Benton Harbor, and the E. M. C. Training School. Brother Cowin remained in Benton Harbor for the Sabbath morning service May 6, and attended a school board meeting in the evening.

Cedar Lake Academy recognizes a good speaker when it hears one, and so the students and teachers requested Elder D. W. Hunter to remain a few days after the close of the Week of Prayer. May day the conference Missionary Volunteer secretary took a carload of seniors to Berrien Springs for College Day. The next morning Elder Hunter addressed the 120 eighth-grade visitors who had come to Cedar Lake for Academy Day. Elder Hunter reported that nearly half of the visiting prospective students had made room reservations for next year. At the Lansing Sabbath school visitors' day May 6, Elder Hunter told hair-raising snake stories of India, drove to Clarenceville in the afternoon for an Investiture service, met an appointment in Hastings Sabbath evening to begin the progressive class work in the M. V. Society there.

Miss Edith Shepard and her secretary, Mrs. Robert Warner, journeyed to the celery capital (Kalamazoo) of Michigan for an all-day Sabbath school rally May 6. The church set its Investment goal for 1944 at \$1000.

Launching the annual Ingathering

drive Book and Bible House manager H. P. Evens spoke in the Charlotte church May 6. The church building, heavily damaged by fire last winter, is now almost completely repaired, according to Elder Evens, and the members are planning to hold the regular Sabbath services in it within a week or so.

Reports of Michigan's Big Week were still coming in Tuesday morning, May 9, as copy for the LAKE UNION HERALD was sent in. Field secretary L. E. Abelson expected the total to reach \$6,000 by the time the office received reports from all of the colporteurs. Worthy of special note was the work done by conference president T. G. Bunch who in 20 hours of work sold \$129.25. This was the first time in 35 years that Elder Bunch had been canvassing. He had never before sold the *Modern Medical Counsellor*, and had but little help from any of the field men except to witness one sale. Honorable mention should also be given to the following: Mrs. Messinger, \$570.81 (sold and delivered in 31 hours); James Harsany, \$361.08; Fern Bishop, \$327.04; William Crofton, \$300.20; Earl Rausch, \$287.67; George Huffaker, \$215.95; Clarice Gibbons, \$203.80.

Upper Peninsula Meetings

THE two week-end district meetings to be held in the Upper Peninsula in place of a camp meeting will follow the same plan as last year. The first will be held at the Fortune Lake Bible Camp, west of Crystal Falls, June 16-18, and the second at the Wilson church, June 23-25.

The same program will be carried out at each place, the first meeting being held Friday night at 7:30 and the closing service Sunday evening. The Sabbath school will begin at 9:30 with preaching services at 11:00, 2:30, and 4:00 and in the evening. The same schedule will be followed on Sunday.

Elder W. C. Hankins will act as Sabbath school superintendent at Fortune Lake and Elder C. B. Messer at

the Wilson church with Mrs. Messer as secretary at both places. Besides the leaders of the districts where the meetings will be held, Elders M. J. Jackson and W. H. McGhee and families will attend from Sault St. Marie and Houghton in the Upper Peninsula; Elder N. R. Dower from Detroit and Elder D. W. Hunter and Elder D. V. Cowin from the conference office.

A Junior Camp will be conducted at Fortune Lake, June 18-23 and all the visiting ministers and their companions will assist Elder Hunter in making this second Junior Camp in the Upper Peninsula a success. We hope there will be seventy-five young people present for this six-day youth's camp.

Cabins may be rented at the Chippewa tourist camp for the first week-end meeting. A few cabins will also be available on the grounds for which reservations should be made of Elder W. C. Hankins, 320 Cayuga St., Iron River, Michigan.

Let all begin to plan and pray that these special services will prove a great blessing to the work in the Upper Peninsula.

WISCONSIN

President, T. E. Unruh

Secretary-Treasurer, Clarence Lawry

802 E. Gorham St., Madison, Wisconsin

Mail Address, Box 512

MAKE WILLS AND LEGACIES IN FAVOR OF
THE WISCONSIN CONFERENCE ASSOCIATION OF
SEVENTH-DAY ADVENTISTS.

News Notes

WE are happy to have Brother Burchfield, our new conference secretary-treasurer, spend a few days in the office. He and Mrs. Burchfield will be moving to Madison very soon. Brother and Sister Lawry have left the Wisconsin Conference for Hinsdale their new field of labor. We regret having them leave Wisconsin but are assured that God will continue to bless their service.

Attending the district meeting in district number 12 from the conference

were Brethren Burchfield, Wartzok, Perepelitza and Unruh. The meeting was well attended by the members of our churches in that district.

On Tuesday, May 9, the Conference Committee and Educational Board met in the city of Columbus. Brother W. H. Wohlers who has been selected as the manager of the new academy farms attended this meeting. Plans for the operation of the farms were laid.

Au Revoir

As we think of leaving Wisconsin to labor in Missouri our minds quickly run over all the Wisconsin field as it were. We cannot help but think of our fine visits not only in the churches but in the homes of so many of the believers, who, we are eager to admit, are among the finest people we have ever met. Although we shall, because they are Seventh-day Adventists, soon learn to love the Missouri believers, we shall never forget the folk in Wisconsin. It has been a real pleasure to work with the district leaders and departmental secretaries in the Wisconsin Conference, and we do feel that we are taking away more with us from Wisconsin than we were able to contribute during our stay here. In leaving Brother Fred Kinsey to succeed us we

do ask for him the same unstinted co-operation that it was our pleasure to enjoy from every district. We are confident that under the blessing of God he and his assistant will lead the Wisconsin colporteurs into far greater achievements than have been accomplished thus far. We shall look back upon the years spent in Wisconsin as by far the most profitable in our experience in the work of God. May we solicit a remembrance in your prayers that God will bless our labors in our new field. We look forward to the time when, regardless of where we are stationed, the work will be finished, and because we have been faithful we shall be assured of a home in the earth made new.

P. M. LEWIS

Calling All Juniors!

ALL juniors of Wisconsin are invited to attend the best Junior Camp ever conducted in Wisconsin. Come prepared to enjoy the happiest days of your life. The diversified activities which we will offer will be of highest enjoyment and you will delight to hike, swim, listen to thrilling stories, eat, and participate in unusual activities which will be offered this year at Camp Wijumivo.

M. J. PEREPELITZA

Waupaca and Wautoma

It was a pleasure to visit the Waupaca and Wautoma churches on a recent Sabbath. In both places we found the believers of good courage and really producing wonderful records for the Lord. The matter of the Ingathering goals for this year were taken up with the boards of these churches and it was an inspiration to see the response of these church leaders to the appeal for the advancement. The Waupaca church in 1943 had a goal of \$325, but Waupaca is a church which has never let mere goals hold them down to small attainments. They thoroughly combed their territory last year and the result was that they almost doubled their goal, raising a total of \$540.33. This year they have accepted a goal of \$675, which means nearly \$11 per member. Considering their limited territory this is a great step forward on the part of the Waupaca church.

The Wautoma church in 1943 had a goal of \$140. Here also the church went far beyond that amount, eventually raising \$217.05. This year they have officially voted to accept a goal of \$250, representing approximately \$10.50 per member.

Looking over the records of these two churches in other respects we find that their achievements have been equally remarkable. In Waupaca, for instance, their Thirteenth Sabbath Offering on Christmas day amounted to \$62.40, which was over \$1 per member. This was almost four times as much as they raised in the Christmas offering the previous year. Waupaca's Investment in 1943 was one of the outstanding records of the conference—

\$424.80, which is \$6.85 per capita. This was much more than double their 1942 amount. Their total Sabbath school offering for the year 1943 came to \$1004, which is a per capita of thirty-one cents and one mill per week. This represented 40% of their tithe. This church also reached its full *Review and Herald* goal of 16 subscriptions. But Waupaca, like many other churches in Wisconsin, is not satisfied with past attainments. They are making plans this year to go forward.

Examining the record of Wautoma we find an equally great achievement in many respects. Their Thirteenth Sabbath Offering on Christmas day was \$46.30, an average of over \$2 per member. This was about eight times as much as the same Sabbath school gave on Christmas in 1942. In their Investment they jumped from zero in 1942 to nearly \$30 in 1943, over \$1 per member. Their total Sabbath school offerings in 1943 were more than double their offerings in 1942, and thus far this year their record is just double that of 1943. This church has a goal of six *Review* subscriptions, but they have actually reached the figure of 13. We wish to commend the leaders of these churches and pray that God will bless their efforts this year so that they may see all of their goals accomplished.

OVERFLOW

The Ingathering Device

As in former years, we are using the plain column idea to denote progress in the campaign each week. Each square represents 1-82 of the conference goal. When the conference goal is reached the squares will be black to the top. All overflow is indicated by stars in the overflow space. We trust each conference will have a full quota of stars to its credit.

Ingathering News

ON THIS page appears the first Ingathering report of the 1944 campaign. It is still early, but we already have some very excellent reports. Indiana has already reached 71% of its goal. This certainly is commendable!

You will notice that two of the conferences have not sent their reports in as yet. However, they have officially launched their campaigns and are having some very good experiences. Next week they will join us with a report. Elder Hankins writes from Iron River, Michigan, that the Iron River Church, with an Ingathering Goal of \$195 has already reached a total of \$211. All of this money was in hand by April 29. This certainly is a wonderful record; to go over the goal even before the campaign starts.

Increasing Success

LAST week, \$7,000—\$1000 a day—came in for Ingathering! We expect to see this increase to \$10,000 a week in the midst of the campaign. Already we can see that this is going to be an outstanding campaign from the standpoint of the number participating and the speed with which church goals are being reached. Cards and letters are coming in continually and they express enthusiasm plus.

Elder Kibble revealed an astounding record in these words: "I told every member of the Shiloh church to do something before Sabbath so that every-

one could bring in an Ingathering offering. The result was \$1,003.55 in one day! Our total is now \$1,221.47, with 53 Minute Men."

During the same week, Elder Kroeger wrote, "District 24 has passed both goals and is still going strong." The Alton church, in this district, raised \$521 last year, and they have already exceeded that amount by \$338.45.

Elder H. H. Schmidt sums up the Ingathering in his district in the following brief communique: "Quincy has passed its Ingathering goal; Springfield will finish by Sabbath, May 13; Jacksonville's victory day is set for May 20, and Petersburg's by camp meeting time. White Hall was the first church to reach its goal."

J. C. CHRISTENSON
