Clothing for War-Relief Countries

IT IS most encouraging to witness the remarkable manner in which God is giving us favor and success in the practical phase of gospel work represented by the collection and distribution of clothing, which is now being carried forward on such a large scale. This is the greatest undertaking of the kind that we as a denomination have ever attempted. We wish to express gratitude to church members, Dorcas Society leaders, and conference workers for cooperation and diligent efforts in getting the clothing ready for shipment to the warehouses. This is no small task.

The "gospel in practice," or applied religion as demonstrated through our war relief service, often creates a very favorable impression concerning Seventh-day Adventists and their work, and in a more direct way than by sermons from the pulpit. We see this demonstrated in our contacts with representatives of various governments and shipping boards, as we arrange for clothing to be sent overseas. We earnestly insist that our clothing be consigned to our own organization in the various countries to be distributed primarily for the relief of our own church people. In some cases we have paid the transportation, and at all times the government of the country receiving the shipment has met the transportation cost.

Over 200 tons of clothing have reached our warehouses on the east and west coasts, and many tons have been sent out, consigned to France, Sweden, Belgium, Norway, Holland, Italy, Greece, North Africa, Ethiopia, Philippines, Poland, Latvia, Estonia and

Lithuania. Very recently we sent five tons of clothing to Italy, which was consigned to our Italian worker, Pastor Giuseppe Ferraro, in Naples. We were made happy by receiving a cable from Major Becker, one of our S.D.A. soldiers in the U. S. Army in Italy, who has been very helpful to us in contacting our workers over there, which reads as follows: "All clothing received and in Ferraro's hands. Endeavoring transport portion to Florence (Italy) for distribution in Northern Italy."

There is still great need of clothing in most of the continental countries of Europe and Russia. Some liberated countries are now open for correspondence, and in some instances small parcels are admitted. Information as to Parcel Post countries and regulations can be obtained from local post offices.

Important Requests

1. For the present and immediate future, *please do not send* any more shipments to the warehouses, either west or east. This is in order to relieve present temporary congestion in the warehouses. It does not mean that you are not to be ready to send more clothing in the near future, when called for. Do not relax your efforts in gathering supplies, repairing and fixing; but get everything in readiness for prompt shipment in the course of a few weeks, seeing that everything is protected against moth and dampness during the interim.

2. Good clothing, in clean condition is acceptable. Do not send fancy evening clothes or high-heel shoes or slippers. Footwear is greatly needed, but it must be of a sensible type. Open-toe shoes will be accepted, provided that soles are in good shape and the heels are suited to practical use. The skillful hand of Dorcas should be in evidence on every garment which reaches the

FAITH

In these dark days of world unrest,
When fearful hearts are all men's lot,
And when in vain on every hand
Men seek for peace, but find it not,

One thing alone shall be our stay,
Though we may pass beneath the rod,
Uncertain though our future be—
"Have faith in God. Have faith in God."

And when the four winds loosed shall be,
Then in the hollow of His hand
He'll hold us, though the tempest rage.
"Have faith in God. Have faith in God."

warehouse, whereby every garment is in good repair and ready to wear. Garment tags should also be fastened to every article.

3. Quantities of our periodicals and missionary literature have reached the warehouses, designed to be packed with the clothing. We thank our people for their good intentions along this line, but it is not permissible to combine clothing and literature in these war relief shipments. Therefore, we request that no more literature be sent to our warehouses.

NEW WORKERS

ELDER Emil H. Knauff and family have arrived in Detroit where Elder Knauff will work with Elder O. F. Schwedrat until he and Sister Schwedrat leave for Oklahoma and then take over the leadership of the district which has been enlarged to include the German, Field Avenue, and East Detroit churches. Elder L. W. Light's district will now include the Ferndale and Clarenceville churches and the Plymouth Company.

Thomas H. Blincoe and family are also locating in Detroit where Brother Blincoe will assist Elder N. R. Dower in pastoral and evangelistic work in the Grand River, Brightmoor, and Wyandotte churches.

Alonzo R. Mohr and family are locating in Flint where Brother Mohr will assist Elder R. K. Krick in district and evangelistic work. He will especially assist in ministering to the Lapeer, Imlay City, and Otter Lake churches composing district 18.

Brethren Blincoe and Mohr have recently graduated from the theological course at La Sierra College in Southern California. We extend to all three of these workers and their families a

heartly welcome to Michigan and solicit the prayers and cooperation of our people that their ministry may be fruitful in souls. T. G. BUNCH

DETROIT REGIONAL MEETING

THE Detroit regional meeting closed Sunday night, June 24, with a service in the Mackenzie High School auditorium, where Elder Clinton Lee related his experience in the Japanese internment camp in the Philippine Islands. The Sabbath services were held in the same place with about 1800 present. Elder Meade MacGuire preached the morning sermon and Elder Lee gave the missions talk. Elder N. F. Brewer spoke on our world-wide work at 2:00 o'clock and an offering for missions of more than \$800 was received. The music was furnished by the singers and choirs of the various churches of the city and was exceptionally good.

The attendance throughout the entire week was very good and continued to increase to the end. There were five services a day. The writer gave a series of studies at the 9:30 hour, and Elder Meade MacGuire at 11:00. The Family Hour at 2:00 in the afternoon was under the direction of Brother D. V. Cowin and the instruction and answered questions proved very helpful to the parents. Elder N. F. Brewer gave a series of studies on the Holy Spirit at 3:30 and Elder D. E. Robinson spoke on the Spirit of Prophecy at the evening services.

Brethren H. P. Evens and Hugh Forquer had a fine display of our books and the sales amounted to about \$2,000.

Many of our people declared that they received more spiritual help than from any meeting they had ever attended. Many were present who had been unable in the past to attend the camp meeting at Grand Ledge. We hope the services were an inspiration and blessing to all our people in that section of the conference.

COLPORTEUR RALLY AT GULL LAKE

CAMP Pottawottamie on Gull Lake furnished an ideal location for the colporteur rally held there June 22 through June 24. Everyone of the group present which included the colporteurs and their wives or husbands thoroughly enjoyed the two-day outing. Our physical needs were amply provided for by the camp staff to say nothing of their wholehearted effort to entertain us.

Elder H. M. Blunden, publishing department secretary of the General Conference, was our guest for the week end. This was his third attempt to meet with the Michigan colporteurs at the time of their summer get-together. The first two were unsuccessful, but we were happy that this time we were afforded the privilege of his presence. He introduced his message during the 11:00 o'clock hour Sabbath morning by recalling that just sixty-three years ago Brother King in Battle Creek was doing his best to convince the brethren that the two books, "Thoughts on Daniel," and "Thoughts on Revelation," should be bound into one volume to be sold in that manner. The thoughts of Elder Blunden's sermon disclosed a deeper insight into and a greater meaning of gospel salesmanship. We hope this will not be his last visit with us.

We were glad for the good Sabbath school lesson conducted by Dr. A. W.

Elder W. A. Higgins, publishing department secretary of the Lake Union Conference, was also present and presented his usual good instruction to the canvassers.

The Sabbath services were interspersed with vocal selections by several of the student colporteur girls.

The fun and festivity of the occasion, as well as the spiritual blessings derived from it, will, we know, spur the colporteurs on to greater endeavor and greater achievements in the state of Michigan.

DISTRICT FIVE

SINCE January 1 of this year the responsibility of the two churches comprising this district has been placed upon me. It has been a God-given responsibility and I have received great joy in serving my Master and his followers in this area.

The Detroit East Side and Ecorse churches have a combined membership of close to two hundred members. The East Side church, with 127 members raised over \$500 in the rehabilitation campaign to assist those suffering in the great catastrophe of war. Our attendance at our Sabbath services has fluctuated from 150 to 200 each week. In view of the membership of the church, that indicates many weekly visitors. Our Ingathering goal was reached by the end of May. Our tithes and offerings for the church is on the increase. We have seven who have indicated their desire to be baptized. We hope by God's grace for an abundant increase in souls in this great metropolis. The field is ripe for evangelism. This church is on the east side of Detroit where the largest colored population of the city resides. We are earnestly praying that many souls will be called out of darkness to walk in God's marvelous light.

The Ecorse church has a membership of 50. We have a beautiful edifice erected there to the glory of God. It is free from debt. The Lord has richly blessed the church in a financial way. This church has over \$500 in its church expense fund alone. The church will soon be redecorated exteriorly. The tithes and offerings are increasing. Ecorse is a suburb of Detroit. Many have been attracted as residents because of the defense plants. The In-

District 5 is joyous for the fine leadership that our conference brethren have demonstrated and we along with them shall unite our efforts harmoniously to bring the work to a speedy close in this region, in order that we all shall soon go home to live with our blessed Redeemer in peace throughout eternity. BOOK NEWS

You couldn't make a better choice— if you select as your next purchase, the book entitled "Life Begins With God." Especially written for the youth, it is equally as appealing and helpful to those of older years. Its author, Merlin L. Neff, has spent years in the classroom where his association with young people took on frank, honest discussions of securing the basis of true happiness and the foundation of a noble sterling character. Mr. Neff approaches the subject of life with God as a real personal everyday contact.

He draws illustrations from his wealth of experience—episodes that arrest the attention and remain with the reader long afterward. No young person should be deprived of the joy and worth that comes from the reading of this refreshing story. It will surely lead its reader to live the "life that begins with God."

The price is only \$1.50. It may also be bought in the group of five books mentioned in this column a few weeks ago. In that case, the very new book "God Is My Captain" comes to you free. Write to us about it today.

BOOK & BIBLE HOUSE

THEY WAIT

I CALLED back at a home where I had previously left our Health Service, to show the Home Study Library set. A friend was visiting Mrs. Collard, the lady of the house. As I started to present the books, the friend took a chair beside me and said to Mrs. Collard, "Have you any glasses I might wear for a few minutes? I left mine at home. But I do want to see these books." Mrs. Collard did not have any glasses; and as she did not order

the books herself, I began putting them back in my case. While I was doing this, I noticed that the other lady had gone. But when I left the Collard home, she was waiting for me outside.

She asked, "What church do you belong to?" and I answered, "I'm a Seventh-day Adventist."

"You are!" she said rather excitedly. "Will you come over and study the Sabbath with me?" I assured her I would be there about 5:30 that evening after I had finished my work for the day.

When I reached her home she was standing in the door. She greeted me with the words, "I thought you'd never come. I've been waiting so anxiously for you." She then told me she had "Bible Readings" and wanted "Great Controversy." She said, "I know the Lord sent you to me today.

TIMELY COUNSELS

Number 1

"That which lies at the foundation of business integrity and of true success is the recognition of God's ownership. The Creator of all things, He is the original proprietor. We are His stewards. All that we have is a trust from Him, to be used according to His direction.

"This is an obligation that rests upon every human being. It has to do with the whole sphere of human activity. Whether we recognized it or not, we are stewards, supplied from God with talents and facilities, and placed in the world to do a work appointed by Him.

"To every man is given 'his work'—the work for which his capabilities adapt him—the work which will result in greatest good to himself and to his fellow-men, and in greatest honor to God.

"Thus our business or calling is a part of God's great plan, and, so long as it is conducted in accordance with His will, He Himself is responsible for the results. 'Laborers together with God,' our part is faithful compliance with His directions. Thus there is no place for anxious care. Diligence, fidelity, care-taking, thrift, and discretion are called for. Every faculty is to be exercised to its highest capacity. But the dependence will be, not on the successful outcome of our efforts, but on the promise of God."—"Education," pp. 137, 138.

I have been so discouraged. I used to be a good Christian but have wandered away. You seem just like an angel from heaven. I want to find my way back to God. I have come to some of the meetings at your church but have never fully understood about the Sabbath."

I stayed until about 7:30 and then suggested that we have prayer. I prayed and then she prayed. Her voice broke as she told the Lord how she had loved Him but had gone astray and how she felt that He had sent me to her to help her just now when she needed help.

I told her I'd try to get back to have some studies with her or arrange for someone to carry on some studies. With tears in her eyes she thanked me and begged me to return. This lady still waits for someone to tell her more of the third angel's message.

Everywhere there are many more honest souls who wait for God's special message.

They wait! But their waiting must not be in vain. We hope that many more will help search them out.

INGATHERING

ACCORDING to reports received so far from the church treasurers, up to June 23 over \$37,000 has been received in the Ingathering. Only fifteen of the ninety-two churches and groups have reached their goals so far. When all will have reached their goals we will have well over \$60,000. We believe that every church and company will work hard to reach its goal.

Elder Halladay went out with several juniors on Sunday and gathered in \$16. At one home the lady of the house asked what church this represented. When she was told it was the Adventists, she said, "I used to be an Adventist." The junior who was along asked the lady, "Why don't you come to our Sabbath school?" and she re-

plied, "Thank you, maybe I will do that." We hope that this contact will result in bringing this person back to the church. We have heard of other similar contacts and know that as we work faithfully in the Ingathering, making all of our calls missionary visits as much as possible, especially in visiting homes, our efforts will result in the salvation of souls.

The Spooner treasurer writes that two junior girls, the Mattson sisters, were out a part of two days, working seven hours and received \$12 in house-to-house solicitation.

Twentieth Century Bible Course

Enrollment cards for the 20th Century Bible Course are coming to us in practically every mail. Most of these have come as a result of the Ingathering effort. We hope that our brethren will watch their opportunities as they go out to distribute these cards among such people as show an interest so that these will have an opportunity to know the truth.

DOUBLE SERVICE FOR WAR BONDS

EVERY American is daily invited to "buy more War Bonds." We who live in the "land of Liberty" are urged to do our full share in keeping America free. To these appeals our people are responding. Many have raised the question if it is not possible to have their War Bonds do double service by turning them in to help build the new academy. Yes, indeed, this is possible. It is not only possible but highly commendable. Bonds for this purpose should be Series "E" bonds. They should be made payable to the Wisconsin Conference of Seventh-day Adventists. Only a day or two ago one such bond for \$100 reached this office and many others have come in during recent months. So help your country and our own boys and girls by your War Bond purchases.

SORRY—NO CAMP MEETING

SOME months ago we announced through the HERALD that there would be no camp meeting held at Portage this year. Letters continue to reach this office asking for camp meeting dates. We fully appreciate how much our people will miss this annual feast. The rationing program which has created a food and transportation problem makes the holding of such a meeting exceedingly difficult. The government has requested the cancellation of all such meetings and the General Conference has advised that we comply with this request. Sorry, there will be no camp meeting this year.

A number of district meetings will be held. When this reaches the field the meeting at Clear Lake will be a matter of history. Other appointments are as follows: Superior, July 5-9; Lena, July 20-22; Merrill, August 16-18. Elder Meade MacGuire from the General Conference will conduct a series of studies at the Superior meeting. Other out-of-state help will come to us for the Lena and Merrill meetings.

Elder Meade MacGuire will also be in Green Bay for a series of evening meetings July 25-29. All in the vicinity of Green Bay who can possibly attend these services will be most welcome.

The dates of other district meetings will be announced later.

WE ARE happy to announce that Brother Grove Ernest of Peoria, one of our faithful colporteurs, has been selected to fill the position left vacant when Brother W. C. MISSIONARY VOLUNTEER AND EDUCATIONAL NEWS

A VERY beautiful Investiture service was conducted Thursday night, June 21, in the Freeport church. For the past few months Mrs. Lainson has been promoting the Progressive Class work in this church, and much of the success there is due to her splendid leadership. Elder and Mrs. Carter, the district pastor and his wife, and Miss Pitman, the church school teacher from Rockford, joined us in this service. A splendid picnic supper was provided before the evening program. Six Master Comrades, a group of Friends, and one Builder made up the class.

The Joliet church, under the leadership of Elder E. C. Banks, has voted to subsidize each junior who attends Junior Camp, to the amount of \$4. I am sure this is a worthy enterprise, and doubtless other churches will want to follow this plan.

A number of our elementary church school teachers are continuing their training at Emmanuel Missionary College this summer. This will help to

enrich their teaching during this coming school term.

The Illinois junior and senior youth have been instrumental in helping to raise the Ingathering goal in this conference. They have nearly twenty per cent of the total goal to their credit.

The Chicago Nature Club had its first meeting of the season in the Mannheim Woods Park, Sabbath afternoon, June 23. Brother Durham was in charge of the meeting, and a large number of nature lovers gathered for this study. Definite plans for future meetings and work were outlined.

Mr. C. R. Smith is leading a group in star study. The first meeting was held on the Broadview campus, Saturday night, June 30. No doubt a large number will receive their vocational honor as a result of this study group. Mrs. Kroehler of Naperville is also leading a group in other phases of nature study.

Several senior Missionary Volunteers joined the Chicago Christian Youth Council in their annual Moonlight Skyline Cruise, Monday night, June 25. More than two thousand young people in the Chicago area joined in

this beautiful evening's boat cruise on Lake Michigan. It was an inspiration to all who took the trip.

The junior and senior youth are lending strong support to the many tent efforts and public meetings conducted in the conference.

Our student colporteurs are continuing to chalk up good records week by week, and we anticipate a large number of scholarships this fall.

Don't forget to draw a red circle on your calendar around the dates August 19 to 28. Every junior in the Illinois Conference should be making application at once in order to be guaranteed a place in our annual Junior Camp. Cut out the application blank on this page and mail it today.

The Illinois youth continue to set the pace in their subscriptions to the *Youth's Instructor*. The last month's report shows they have reached 122 per cent of the goal set by the publishers.

The Aurora church is making plans to open a church school this fall with Miss Florence Utter of Joliet as the teacher. We are glad for this prospective new school.

FACTS ABOUT THE FOOD SHORTAGE!

EVERYONE has become conscious of the fact that the food shortage is becoming more acute. There is a monster in the land who has proved to be a national destroyer. The following figures taken from a letter received from the Subcommittee on the Bryson Bill under date of June 14, 1945, tell us that during 1944 the brewing industry absorbed 3,707,869,236 lbs. of grain, sugar and syrups. In the August, 1944, and January, 1945 holidays the distilling industry used up at least 1,266,391,000 lbs. of grain and more than 29,000,000 lbs. of molasses (which is the base of sugar.) The liquor industry has just been promised another holiday for July in spite of the fact that liquor stores still have over 300,000,000 gallons of distilled liquor in bond.

Last week we called your attention to the Bryson Bill HR 2802 which is intended to stop the liquor business until the Army has been demobilized. If you do not write your Congressman from your district somebody may blame you for not having done your part in this hour of extreme crisis. Address your Congressman: House Office Bldg., Washington, D. C., and ask him for his vote in favor of the Bryson Bill HR 2082 TODAY!

EFFORT AT GLADWIN

SUNDAY evening, July 8, we plan to begin an eight-week series of evangelistic meetings in the city of Gladwin. The prospects are good for a fine company of believers and we are convinced that God led us to decide to work in that city this summer.

Mrs. Messer and I, Mr. and Mrs. Herbert Hosford, Miss Gladys Thompson, and the group of laymen living in this vicinity invite you to join us

around the throne of grace in both your family and private devotions that the Spirit of God will work mightily for the winning of souls in Gladwin. We trust not only to give te warning, but by the blessing of God to win many souls. We have confidence in the sincerity, the wishes and the prayers of God's people.

I Pour Contempt on All My Pride

The life and death of our Lord Jesus Christ are a standing rebuke to every form of pride to which men are liable. Take for instance:

Pride of birth and rank.—“Is not this the carpenter's son?”

Pride of wealth.—“The Son of man hath not where to lay His head.”

Pride of respectability.—“Can there any good thing come out of Nazareth?”

Pride of personal appearance.—“He hath no form nor comeliness.”

Pride of reputation.—“Behold a man gluttonous, and a winebibber, a friend of publicans and sinners!”

WHY DO MISSIONARY WORK?

WHY should we do home missionary work? What purpose do we have in urging our members to do something for their neighbors and for Christ? “To save souls,” someone will answer. Yes, we should give the gospel to save souls in this time of spiritual uncertainty and moral confusion. Men are utterly lost unless they find Christ. and this surely is one of the finest motives we could possibly have in doing misisonary work.

But there is still a greater motive, a more personal one—it is that of saving ourselves. We are “saved by saving.” No soul which shuts himself up within himself, clam-like, can possibly be saved. There are no hermits in the kingdom of God. Christianity is a social religion.

Every woman knows that flower-growing is an art, and certain rules must be followed if one expects to

Pride of independence.—“Many others, which ministered unto Him of their substance.”

Pride of learning.—“How knoweth this man letters; having never learned?”

Pride of superiority.—“I am among you as he that serveth.” “He humbled Himself.” “Made a curse for us.”

Pride of success.—“He came unto His own, and His own received Him not.” “Neither did His brethren believe on Him.” “He is despised and rejected of men.”

Pride of self-reliance.—“He went down with them, and came to Nazareth, and was subject unto them.”

Pride of ability.—“I can of Mine own self do nothing.”

Pride of intellect.—“As My Father hath taught Me, I speak these things.”

Pride of bigotry.—“Forbid him not for he that is not against us is for us.”

Pride of resentment.—“Father, forgive them, for they know not what they do.” “Friend, wherefore art thou come?”

have success in growing house plants. A fern or any potted plant must have light, warmth, water, and air. Plants placed in the basement through the winter will become pale and wither away or perhaps die altogether.

To grow souls, one of the absolute requisites is expression. The gospel must find expression or it decays as did the hoard manna in the desert. That soul which endeavors to develop and yet shuts itself within itself, not glorifying its being by witnessing to the saving grace of Christ, is endeavoring to accomplish the impossible.

Every soul is duty bound to find some way of witnessing for his faith in Christ. The home missionary department suggests many ways. If these ways do not appeal to you, it is your personal responsibility to find your own way of witnessing for your faith. *You must find a mode of expression or your soul plant will wither.*
