NEWS NOTES

ON Tuesday morning, June 1, all conference workers wended their way to the academy grounds in Cassopolis, Michigan to begin preparation for the first annual camp meeting of the conference. A very large attendance is expected, and we hope that everything will be in readiness for the campers at their arrival. Elder T. M. Fountain is Camp Superintendent.

The song book, "Gospel Melodies," will be used at the camp meeting. For fear we may not have a sufficient number to pass around, we would advise that you bring your own along with you.

Vacation days are here. All schools are closed until sometime this fall. The teachers are taking a short breathing spell before taking up their summer work. It is expected that a num-

ber will be attending summer school. During the past fortnight, closing exercises were held in a number of our schools, the last one being at Capitol Avenue in Indianapolis, Ind., where Brother W. J. Kisack was the principal speaker.

The student colporteurs are here. Last year these faithful workers did well in their deliveries. A number earned scholarships. As these students enter upon their summer work they are doing so with the assurance that the prayers of the office family will ascend on their behalf. May their labors be crowned with abundant success.

On May 5, after the Sabbath, Elder Dasent met with the Morgan Park church to look into a very important item pertaining to the welfare of the church. This church carries a large share of the financial burdens of the conference.

We do appreciate the manner in which our colporteurs have interested themselves in the Ingathering campaign. Quite a number appear on the honored Minute-man list.

\$9,000; and Elder Sherman McCormick, Home Missionary secretary of the Conference. These four workers have raised more than sixty Minute-man goals, or \$1,080 each.

There are also five workers who have the honor of being "Half-hour-men," having raised thirty Minute-man goals, or over \$540 each. They are: President G. E. Hutches; E. F. Willett, secretary-treasurer; Elder B. H. Shaw, pastor of the Kalamazoo church; Dwight Wallack, assistant pastor of the Battle Creek tabernacle; and Elder A. K. Phillips, the new pastor of the Jackson church of 262 members, where they reached their goal in two weeks time.

The records also show that the conference office staff of workers were responsible for raising nearly \$6,000. Every worker did his part, and eight churches, which were assigned to office workers, have reached the Victory goal.

Only 32 churches have yet to reach the Victory goal; 120 have attained Victory, and 21 have the honor and distinction of reaching the Minute-man goal for every church member.

President Hutches stated that this record Ingathering, of over \$100,000, is the largest ever received in Michigan, and is due to the co-operation and teamwork of every worker, church officer and church member, which made it possible to reach the goal of \$90,000 one week ahead of schedule.

Elder McCormick pointed out that Michigan leads the Lake Union Conference in the overflow amount raised over the goal, which now amounts to \$10,240.

Elder L. E. Lenheim, president of the Lake Union Conference, and his wife, were present at this service and expressed their appreciation of the splendid work done. Elder H. K. Halladay, Home Missionary secretary of the Lake Union Conference, and his wife, were also present and re-

Some of the personal records of these workers revealed that four had the distinction of being "Ingathering Hour-men." They are; Elder J. C. Klose, pastor of the Ann Arbor church, with a Minute-man record; Elder Steven Hornyak, from the Traverse City district, and every church in that district is a Minute-man church; Elder Merle Mills, pastor of the Battle Creek tabernacle, which made a record this year in raising

joined with the workers that Michigan had demonstrated it could be done.

"While we rejoice greatly in these accomplishments," President Hutches stated, "We must always remember the task for which every worker entered the work—SOUL-WINNING. This is our great and supreme task, to the accomplishment of which, every worker must bend his energies during the balance of the year. Michigan must not come behind in our record of baptisms for 1948.

"Two important camp meetings are just ahead. Would to God, that these important and holy convocations may mean much to our people and the work of God in the old State of Michigan."

NEWS NOTES

Good news came from Elder R. D. Moon of Grand Rapids last week. They had a victory celebration in Ingathering on May 22 and in the afternoon held a baptismal service, uniting thirteen new members with the church.

Elder G. E. Hutches, Elder D. V. Cowin and E. F. Willett joined in a finance committee meeting at Cedar Lake Academy Sunday afternoon May 23 and at Adelpian Academy Monday forenoon May 24. In the afternoon they spent some time studying the needs of Detroit and met with the Grand River church board Monday evening.

Elder A. K. Phillips, the new pastor at Jackson, deserves special commendation for the success of that church in reaching its Ingathering goal of \$2,096 in two weeks.

Commencement exercises were held at Battle Creek, Cedar Lake, and Adelpian Academies over the week end of May 21-23. Elder L. E. Lenheim was the baccalaureate speaker for Adelpian Academy and the commencement speaker for Battle Creek Academy. Elder G. E. Hutches gave the baccalaureate at Battle Creek Academy and the commencement address for Cedar Lake Academy. Elder S. M. McCormick had the baccalaureate for Cedar Lake and Edwin Buck the consecration service. Cecil Gemmill had the consecration service for Adelpian Academy, and Elder E. L. Pingent, former pastor of the Battle Creek Tabernacle and who is now in Nashville, Tennessee, had the consecration service for Battle Creek Academy.

PERSONAL EQUIPMENT IN CAMP MEETING CABINS

DURING past years those who occupied cabins on the campground have gradually left personal equipment from year to year. It is impossible for the Conference to take responsibility in regard to this equipment. With our new plan this year on the renting of cabins we wish to inform those who have personal equipment in cabins they occupied last year that this should be removed not later than June 15. It is impossible for us to move this equipment to any other place on the campground as our storage space is limited and is already being used for Conference equipment.

If your equipment is not moved by the beginning of the first session we will take it for granted that it is all right for the occupant of the cabin this year to use the same. However, to avoid any misunderstandings, in cases where the owners wish to use the equipment they will care for the same on or before June 15.

This is good farming land, near or on paved highway (U.S. 16) and is located 15 miles West of Grand Rapids. We invite you to come and see these places. Contact either R. E. Root, R. 2, Coopersville, or D. Barnett, R. 1, Coopersville.

DISTRICT NO. 8 W. P. ATWOOD

THE Manistee District of the Michigan Conference joined together in a general district meeting at the Baptist church in Cadillac, Sabbath, May 22. So large was the attendance from the seven churches and two companies represented that a special meeting was held for the children during the worship hour in order to provide seating for all adults in the auditorium during the eleven o'clock service.

It was a day of rejoicing because of the Ingathering victory. This year's total for the entire district is well over \$2,500. This large sum was reached because of a larger lay participation than formerly. Special credit is due to Irons. They have a 50% overflow and carried out their campaign without the aid of any conference worker. Under the leadership of Brother Laurence Kagels the eastern end has done remarkably well.

Another item of intense interest was the baptism which took place at 3 P.M. Thirteen souls were publicly examined and baptized. It was surely a day of rejoicing for the church school teachers to see their pupils baptized. There were several adults also. The Irons church closed the day with an increase of approximately 30% in their church membership. Before the close of the baptismal service the hope was expressed that District No. 8 would close this year with a total of at least fifty baptisms. This quarter Brother Kagels gets credit for five of the thirteen baptized.

Our baptisms have not yet been affected by our evangelistic efforts. Several in Ludington have expressed their intention of taking this step and are being prepared as rapidly as possible.

SIXTEEN BAPTIZED

ON the afternoon of Sabbath, May 22, a baptismal service was conducted by the writer for sixteen precious souls who followed their Lord in this sacred rite. Among this group were a fine number of young people and several adults, the result of personal work and cottage meetings.

The service was held in the Battle Creek Tabernacle, where a large number of Urbandale church members and friends from Hastings and Carleton Center were present to witness this public confession of faith in Jesus as Lord and Saviour. We pray for the continued blessing of the

Holy Spirit upon these dear people as they assume their share of duties and privileges in the cause of God.

PATTEN-PARK WEDDING

A PRETTY wedding was solemnized on the afternoon of May 2, when Miriam Patten, daughter of Clifford Patten of Baltimore, Md. spoke her marriage vows to Francis W. Park of Battle Creek, Michigan. The ceremony was performed by the writer in the new home of Mr. and Mrs. Claude Patten, Battle Creek, relatives of the bride.

The bride was given in marriage by her father, and attended by Mrs. Albert Park as matron of honor. Albert Park supported his brother as best man. Dorothy Patten played the wedding music.

Following the service, light refreshments were served by the hostess, Mrs. Claude Patten. A number of relatives and intimate friends of the young couple were present to witness the ceremony. After receiving many lovely gifts as well as the best wishes of the guests, the happy couple left on a motor trip to Baltimore.

We wish God's blessing upon the establishment of this new Christian home.

**NORTHERN DISTRICT
CAMP MEETING**

THE special camp meeting for the Northwestern section of the conference will be held on a slightly different plan this year.

On Wednesday, Thursday and Friday evenings, June 23-25, meetings will be held each evening in the following churches, Superior, Ashland, Spooner, Frederick, Clear Lake and Ladysmith. The speakers will rotate among the churches so that there will be a different speaker each evening. The meetings will begin at eight o'clock and the evening services are the only ones held on these days.

On Sabbath, June 26, a general meeting for all churches will be held at Spooner in the *High School Auditorium*. Sabbath School will begin at 10 o'clock and services will continue

through the day. It is not planned to hold an evening meeting on Sabbath.

Elder E. W. Tarr of South Africa will be with us and we trust it will be possible for all our people in the Northwestern part of the conference to be present at these specially planned services.

It should be noted that the Sabbath meetings are being held *in the High School Auditorium and not in the City Auditorium* where they have been previously held.

YOUTH WELL LED

LOCKE, a great philosopher and thinker of the 17th century once stated: "The actions of men are the best interpreters of their thoughts." This is an interesting and revealing comment, depicting the zeal of the Wisconsin youth during this past school year in Progressive Class work. It has been my thrill to invest 300 Wisconsin Missionary Volunteers within the past three weeks in the various Progressive Classes, a large part of this group being church school students. Many hearty thanks to the faithful school teachers and M. V. leaders, who, in the midst of their busy program, found time systematically to guide these youth to the achievement they have reached.

Our youth have also shown their response to this Ingathering Centennial year by reporting, thus far over \$1,000 raised by our church schools, plus the \$1,150 raised by Bethel Academy making a total of \$2,150. This does not include the May reports that have not reached our office as yet, and a number of the schools did not have their Ingathering field day until May. Special praise is due Miss Belle Peterson, teacher of the

Yes, Wisconsin youth have the necessary power to put any program of the church over the top. The secret is the leadership the "sheep" are giving the "lambs!" How is it in your church family? May the rest of Wisconsin be inspired to live out the M.V. pledge with our youth of "promising to take an active part" in God's program for this chosen generation. Are you **SHARING YOUR FAITH IN '48?** Possibly the greatest way you can **SHARE YOUR FAITH** this year, is by expressing your faith in our Missionary Volunteers by precept and example, and in so doing, inspire them into greater feats for God than have ever been witnessed heretofore in our great state—Wisconsin!

ANNIVERSARY SERVICE HELD

THE Raymond church commemorated their 75th Anniversary in special services on Sabbath, June 12. Elder F. W. Schnepfer spoke at the morning service and Elder J. F. Knipschild in the afternoon. At a meeting in the evening Elder Knipschild showed colored pictures of the San Francisco Youth's Congress and his trip to and from the Congress. Special features marked the day's program, which many former members attended.

NEWS NOTES

ELDER J. F. KNIPSCHILD spent Sabbath May 29, in Merrill where he conducted an M.V. Rally in the afternoon.

Recent visitors at the office were Mr. and Mrs. Parfitt, Mrs. Jones, and Miss White all from Bethel Academy.

L. G. Wartzok spent the week end at Bethel Academy where he spoke to the students and especially the graduates at the Baccalaureate service.

Several from the office staff attended the commencement exercises at Emmanuel Missionary College on the week end of May 30. Those who attended were Elder and Mrs. G. F. Ruf and family, Mr. and Mrs. Robert Noel, Miss Roberta Patton, Miss Jean Woerpel, Miss Marjorie Satterlee, and Mr. Archie Pauls.

"UNTECHNICALLY SPEAKING"

KING C. GILLETTE, a forty-year-old bottle-cap salesman made millions of dollars as the result of a little idea that evolved in his mind. People who *knew* steel said it could not be done but he went right ahead and developed the safety razor anyway.

Later Gillette said, "If I had been technically trained, I would have quit."

How often God moves on the hearts of his children, I thought as I read this success story, calling men and women from the factory, office, kitchen, and plow, who without technical training do marvelous exploits for Him.

Page 271 of *Education*: "Angels speak through their voices, and work by their hands. And the human workers, co-operating with heavenly agencies, have the benefit of their education and experience. *As a means of education, what 'university course' can equal this.*"

This statement was made by God's servant to remind us that whatever phase of God's great work we find ourselves in we are being trained by God's special instructors. How wonderful!!

Naturally I feel this statement applies strongly to the literature ministry, especially to the God-fearing, soul-loving, colporteur.

So many times while working in the field we have experienced the mighty hand of God moving to and fro through the medium of the Holy Spirit and the angel ministry.

We in the Illinois field wish to express our thanks through the medium of the LAKE UNION HERALD to the Author of our salvation for His wonderful leading. Souls are being baptized, others are receiving instruction, as a result of the work of our consecrated colporteurs. And yet, we must not slacken our pace. More books must be sold, more subscriptions taken for our excellent periodicals, *Life and Health*, *Liberty*, and *Our Times*, that all of the honest in heart who are looking wistfully to heaven for light may receive it before the darkness of eternal night blackens our pathway.

As Jesus pleads for more workers we appeal to you in all sincerity, dear believers, to give of your strength in His

service while mercy lasts. You may be called. May your heart be tender to hear the call and may you have the courage of your conviction to accept the mighty challenge of the literature ministry *today*.

Our students are getting well underway and are full of courage. We are thankful, too, for our faithful regular workers who with the students have delivered upwards of \$130,000 yearly for the last two years. We praise God for the present trend which points to even greater results for 1948.

The recent Alton, Illinois, rally and also the Humboldt Park rally in Chicago were well attended. God's Spirit was manifest in a pronounced and soul-stirring manner in these meetings. We are grateful to Elder F. W. Harvey of the Alton church and Elder H. I. Thomsen of the Humboldt Park church for their grand support and assistance in these meetings as well as that of Elder I. H. Ihrig who spent from May 12 to 23 with me speaking among a large number of the central and southern Illinois churches. The fine reception afforded us by the district leaders and brethren throughout the itinerary was deeply appreciated.

CHRISTIAN EDUCATION—No. V

THE Lord instructed Israel, "Choose ye this day whom ye will serve." Man-kind has benefited from freedom of choice which is a characteristic feature of God's form of government.

The faculty of Broadview Academy attempts to develop the personality of all the students in such a way that they will be able to make right choices. The development of personality and social adjustment is stressed in chapel, in worship talks, and in personal counsel in a united effort to guide the young in developing a Christ-like personality. The Spirit of Prophecy gives much counsel in these lines (*next page*):

"Too much management is as bad as too little. The effort to 'break the will' of the child is a terrible mistake. . . . The parent or teacher who by such instruction trains the child to self-control will be the most useful and permanently successful. To the superficial observer his work may not appear to the best advantage; it may not be valued so highly as that of the one who holds the mind and will of the child under absolute authority; but after years will show the result of the better method of training."—"Education," E. SEND YOUR JUNIORS

ALL of our boys and girls from ten to fifteen years of age should have the opportunity of attending Junior Camp this summer. The camp will be conducted at the beautiful Camp Rotary near Rockford, Illinois, from August 13 to 20. We would like for each camper to be there by noon Friday, August 13. Our boys' and girls' directors this year will be Elder and Mrs. William E. Burns of Danville.

Some of our churches have been raising money to give each one of their Junior boys and girls the privilege of attending Junior Camp. Some individuals in some of our churches are taking it upon themselves to pay the entire expenses of some boys and girls who could not otherwise attend. What better form of missionary work could you find that would give any greater satisfaction than to send some needy boys and girls to Junior camp at your expense.

We would be glad to receive enrollment applications for Junior Camp just as soon as possible. A supply of application blanks is being sent to each of the churches in care of the church elder. Let us give to every possible boy and girl of Junior age the opportunity of attending Junior camp this summer. F. F. BUSH

NOBLE HOME COMING

ALL of the friends and former members of the Noble Seventh-day Adventist church are cordially invited to attend the home coming and reunion services to be conducted the *week end of June 26*, in the Noble church, 4 miles southwest of the city.

Services will begin Friday evening,

June 25, at 7:45 P.M., and will continue through Sabbath, June 26. On Sunday, June 27, an informal outing or church picnic is planned.

Elder Carcich, president of the conference, will be present along with other help from the Conference office.

If you are a member living away from the church at present, have been a member, or are just a friend, you are welcome.

HAPPENINGS IN DIST. 1

The two weeks from May 22 to June 5 have been eventful for District No. 1. A summarization of the events would appear as follows:

Eighteen precious souls baptized, School closing program at Gary, Eight persons invested in M. V. Classes in Gary, District boundaries changed.

On Sabbath, May 22, a baptism of two persons brought joy to the Rensselaer church.

June 1, by previous Conference action, the boundary lines of District

No. 1 were changed to include only Hammond, Gary, Michigan City, and the Valparaiso churches, LaPorte and Rensselaer being assigned to other districts. Brother John Davidson has been at work in the Eastern part of the District, and the writer in the western portion.

Wednesday evening, June 2, the Gary church was entertained by a program given by the pupils of the church school as their school year came to a close. Miss Ruby Lowell presented her school of seven children in a well arranged and instructive program on missions. Prof. Vern C. Hoffman and family were guests for the evening from the Conference office.

The Investiture at the close of the school program, conducted by Prof. Hoffman, brought into the circle of Master Comrades, Mrs. Esther Trinen, and into other classes, three Companions, two Friends, and two Busy Bees.

The closing Sabbath of this eventful two-week period witnessed the baptism of sixteen candidates from the three churches of Valparaiso, Gary and Hammond. Assisted by Brother and Sister Davidson in the music, the writer baptized six from Valparaiso where Brother Davidson has been conducting a church effort since the first of March. Seven were added to the Gary church and three to the Hammond church through this baptism. The service was held in the Glen Park Christian church and was attended by many from the three churches, all of which rejoice greatly in these additions to their membership.

May God richly bless these new members, and continue to cause His work to go forward in this District. M. D. HOWARD

The Lord blessed the effort from the start and the largest audience numbered about 115, which was a good percentage, inasmuch as it represented about one person in every nine of the population.

Many are interested, and since the meetings began, five souls have been added to the remnant church. Please pray that the Lord may continue to bless the work in this district.

CRANDELL-SCHWERER

ON May 30 at 4:30 P.M. an impressive wedding took place in the Seventh-day Adventist church at Berrien Springs, Michigan. Miss Vera Mae Crandell of the Indiana Academy, Cicero, Indiana, became the wife of Welling Schwerer of Emmanuel Missionary College.

The altar was decorated with gladioli, peonies, palms, and lighted tapers. Miss Crandell was given in marriage by her father. Mrs. Idana Noel was matron of honor, and Mrs. Eda Medford, Kathryn and Merianne Schwerer acted as bridesmaids. The best man was Walter Croxton while Ralph Heiner, Ace Clauterback and Charles Beebe were groomsmen. Joy Jean Clymer was the flower girl and Jerry Crandell was Bible boy.

Miss Crandell has been teaching and serving as matron of the Indiana Academy since her graduation from Emmanuel Missionary College two years ago. Mr. Schwerer is now taking the ministerial course at EMC.

After a reception at the home of the bride's uncle and aunt, Mr. and Mrs. Schwerer left for a short wedding trip to Northern Michigan. They will make their home in the college community until Mr. Schwerer graduates next spring.

We trust that our Heavenly Father will bless this new home that has been established to His glory.

NEWS NOTES

CONNERSVILLE church has a new roof, and new rest rooms have been installed in the basement.

Crowded conditions are making it difficult to seat all who come to the church at Richmond, but the members are doing their best to make it pleasant to come, as the church is now being redecorated, both outside and inside.

J. S. Henderson, of Richmond, spoke at New Castle recently, at their special Mother's Day program.

At Versailles, Sabbath afternoon, June 5, Elton Dessain and Eldon J. Green were present from the Conference office. There was a good attendance. Versailles is over its Ingathering goal, but is still working. They are hoping to remodel their church to take care of additional members. That night, at Columbus, folks from the district gathered at a fine city park near the church for a showing of educational moving pictures.

OBITUARIES

Horn.—Mrs. Frank Horn, nee Jessie May Greenleaf, at the age of 73 years, a member of the Pardeeville, Seventh-day Adventist Church passed away Thursday, April 22nd. Mrs. Horn died suddenly at her home near the village of Kingston from a heart attack.

Mrs. Horn was born in the township of Kingston on May 30, 1874 and lived her entire life in this vicinity. She was the daughter of Albert and Sylvia Greenleaf. Mrs. Horn was a charter member of the Seventh-day Adventist Church of Pardeeville. She spent many years of her life doing practical nursing in the community and was loved by all who knew her. She was a faithful member of the Adventist church and was anxious to please her Saviour. On October 11, 1829 she was united in marriage to Frank Horn and they made their home on a farm near Kingston for many years.

Those who mourn her loss are: her aged husband, two daughters, Mrs. James Dickerson of Kingston and Mrs. Earl Kearly of Markesan, six grandchildren, one great-granddaughter, and one brother, Benjamin Greenleaf of Dalton, plus other relatives and many friends. One brother, Frank Greenleaf, preceded her in death several years ago.

Butcher.—Harold LeRoy Butcher, Jr., was born Mar. 3, 1936, and died suddenly on Mar. 7, 1948, from injuries received in an automobile accident. LeRoy was greatly beloved and respected by his fellow students in the Lansing church school. He was a faithful, loyal Christian boy, and was ready for baptism at the time of the accident. LeRoy put his whole heart and strength into every church and church-school project. At the time of his death he had been working and sacrificing for the new church-school building which the church is planning to build soon. It is impossible for human beings to understand just why this fine, model boy had to be taken, but his Christian parents and friends trust firmly in the all-wise providences of a loving Father in Heaven. Besides his parents, Mr. and Mrs. H. L. Butcher, of Lansing, Michigan, and two brothers, DeWayne and Howard, he leaves to mourn his death, his grandparents, Mr. and Mrs. A. R. Cox, of Wyandotte, Michigan, and a wide circle of other relatives and friends.

In the early days of Cedar Lake Academy, they moved to Cedar Lake where Mrs. Bagnall served as matron of the school, also did the cooking for the camp meetings. Mr. Bagnall was killed in an auto accident in Battle Creek and Sister Bagnall suffered for many years before her demise. She leaves to mourn, her daughter, Mrs. Mort Buck of Cedar Lake; Cecil Bagnall of Battle Creek; Russell Bagnall of Augusta, Mich.; one sister Mrs. V. Hansen of Edmore and seven grandchildren. Words of comfort were spoken by Elder Dwight Wal-lack of Battle Creek. Others Do, Why Not You?

MICHIGAN reaches \$100,240 Ingathering, and more is coming in! This is \$10,240 more than the goal which was set, and the largest amount ever received. The Lord has marvelously blessed our people with favor as they have approached their friends in behalf of His work. He always richly rewards those who do their best. One hundred and twenty churches have reached their Ingathering goal. Twenty-one surpassed this, to reach a Minute-man Goal for every member in the church. Thirty-two churches have not yet reached the Victory Goal, but we know that every one of these churches will continue its efforts so that Michigan may have a record of every church reaching the Victory Goal for 1948.

* * *

WISCONSIN lacks only \$10,941 of reaching its goal. This week brought in \$5,541. Two more weeks like this should enable them to reach the goal.

* * *

INDIANA churches brought in \$4,700 this week, after reaching their goal one week ago. This makes a very fine overflow of \$4,838. There are now 12 Minute-man Churches. Wolf Lake, Crawfordsville and Greenfield gained such distinction this week. With almost \$44,000 raised, they are looking forward to \$50,000 for the year. If every church not now over the goal would finish its task, \$50,000 would be possible.

* * *

LAKE REGION reports \$795 for the week, with a total of \$25,848. Seventeen out of thirty-one churches have not raised their goal. We are counting on these churches to do their part so that Lake Region may not fail in this part of the Lord's work.

ILLINOIS has long since reached its goal and is now turning its attention to summer evangelistic efforts.
