Would You Be Surprised?

If the Lord Jesus should return to the earth in 1949? Do you expect Him soon? Do you think it will be one, three, five or twenty-five years? No one knows the time. No one dares set a date. But we need also to be careful lest we, in our mental attitude or plans for the future, give the impression that we think, "My Lord delayeth His coming."

Our Saviour talked much of His second coming. Throughout the Sacred Word this is a great central theme. By signs in the earth, by parables, by definite time prophecies, the church is to know when the coming is near. The world will be taken by surprise, the greatest of all ages. Even the church, which preaches His coming and recognizes the signs, needs to be very alert regarding this question for the Scripture says, "Be ye also ready; for in such an hour as ye think not, the Son of man cometh." *Matt. 24:44.*

When we look at the great fields of earth and think of the millions who have not yet been warned, and then endeavor to compute, by means of our human mental arithmetic, how long it will take, we visualize an extended program with years of borrowed time ahead. When we read the promises of the Word, contemplate what God can do through the influence and power of the Holy Spirit, realize how much greater in extent will be the latter rain as compared with the days of Pentecost, then we think of a much shorter work.

Scientists tell us that, unless the dangers for an atomic warfare can be averted, there is no hope for the world. One world commentator who has traveled in most of the countries of the earth, has studied the cause of recent wars, and noted the currents of national, racial, and economic pressures, believes nations must arrive at some solution of their conflicting problems within five years or civilization is doomed to destruction and the world

By V. T. ARMSTRONG
President, Far Eastern Division

to chaos. His announcement was made three years ago. Thus, according to this man's reasoning, the world has two more years and the catastrophe, unless the atomic bomb is outlawed and the international frictions begin to cease. We will leave the scientists and the commentators to make their own predictions. It is evident that they look upon the future with great anxiety and with the hoped-for solutions daily growing more difficult and uncertain.

We are deeply concerned about the "blessed hope," the soon appearing of Jesus Christ our Lord, and our personal relationship to this coming event. Three questions may at once present themselves to us. Are we ready? Will our assigned tasks be completed on time? Are all of our plans made in accordance with the imminent return of our Master?

If you knew you had one more year to work, or perhaps two years, or five

or even ten years, what changes would it make in your plans and daily program? Would you endeavor to increase your savings deposit in the bank, or would you strive to give more to the cause of God? Would you plan to add those new pieces of furniture, or would you put the money to other uses? What about the children? Would you want to make any changes in their educational plans? Are their courses of study what you would follow if you knew there would be only a few more years of time? Would the mistakes, supposed or real, in your neighbor or fellow worker loom so important as to generate feelings of bitterness in your heart? Consider carefully what changes you would make if soon you were to meet your Master and only a brief interval stood between you and that day.

Really, if we knew that only a matter of a few short years remained, would that fact not only change some of our plans but also our outlook on

PLEASE WRITE AT ONCE

THE proposal to adopt a blank-day calendar has been put on the Provisional Agenda for the United Nations Assembly which meets in New York beginning September 20. This is a very serious matter, dangerous to our religious liberty, and threatening the progress of the work of the three-fold message. It will be a very simple matter for any item on the Provisional Agenda to come up for discussion at the Assembly.

RELIGIOUS LIBERTY AT STAKE

The United States delegation to the United Nations, like other delegations, will go instructed, as to how to vote on the issues which come before them. They will go instructed concerning the calendar issue. I am therefore writing now to urge each one of you as an observer of the Sabbath, devoted to the third angel's message, to write to the *Secretary of State, Washington, D. C.*, urging that the delegates to the United Nations be instructed to oppose any calendar revision which will disrupt the sacred days of the week. Calendar change of this sort is religious legislation, and if adopted will destroy the religious liberty of everyone who must conscientiously observe the historic holy days of the week.

Please write at once to the Secretary of State, urging that the delegates be instructed to oppose this kind of calendar revision. J. L. McELHANY

many of our personal relationships and problems. There would be so much to do and so little time to finish everything and be ready for the Master. That talk you intend sometime to have with the man in the market, the gardener, the servant or the business man, your traveling companion, or the hotel keeper, and government official would not be longer delayed. Without doubt our hearts would burn within us. We would be zealous, earnest soul-winners, more interested in the task than in things. First things would find first place. Many not essential matters, while not bad, would nevertheless fade into insignificance and be forgotten.

The day of the Lord is nearing. The work may be much nearer completion than we think. Thousands whom we look upon as unwarned may have had opportunities we know nothing about. Quickly, God by His Spirit can bring the message of salvation to millions anywhere. The ways and means are in His hands and under His control. All the gold and silver and the cattle upon a thousand hills belong to Him. He can gloriously and quickly finish the work. May our Saviour's return be soon, and may we not be surprised but ready and waiting as one who expects His Lord.

CONCERNING APPEALS FOR SCRIPTURES FROM NIGERIA

THE American Bible Society has tried to inform the American Christian people from time to time of the unwisdom of answering appeals for Scriptures and other gifts sent by natives of Nigeria. This activity is really a racket because often the Scriptures and other articles are asked for only in order to get something to sell and make some money. The letters sound very appealing but frequently they are copied by one person after another from letters which have been found successful in touching American soft hearts. An evidence of the needlessness of responding to these letters is given by the following letter from Miss Mary D. Anderson, Manager of the S. I. Mission Book Shop, Ilorin, Nigeria to an American friend:

"I have had letters from a couple of men in the Ibo districts here in Nigeria requesting Bible to be given to them free. They tell me that they had written to you and in your reply you advised them to write us and ask us for Bibles. They also tell me that you have given to the British and Foreign Bible Society and that this money is used to distribute Scriptures in Nigeria.

"I thought that I would write you as I understand that many people in the Homelands have a great deal of trouble with Africans writing for free Bibles, literature, cycles, and education in the States, and a hundred and one other things.

"The British and Foreign Bible Society supply us with Bibles for which we pay a part of the cost of printing them. Yoruba and Ibo Bibles cost a very great deal more to print than the people here pay for them.

"We make a charge for Bibles,—for there is no one in Nigeria who is not able to pay a little for a Bible. And nowadays in Nigeria the people have a great deal more money than ever they had and they are well able to pay the small charge for Bibles which is made in the bookshops.

"We are very glad that you have not supplied these men with free Bibles as this would be but the beginning of their demands upon you. And as thus far we have not had any Bibles from any source for free distribution we cannot very well supply them to people here free of charge.

"The only time we would supply a free Bible is where we know the person and know for a certainty that that person could not pay—as for example a leper who is unable to work."

TO EXTEND MISSIONS

ONLY a few more days and Japan will know what can be done to furnish equipment and living quarters for workers so that the new publishing house near Yokohama can produce the much-needed literature to develop our work there. Before the war our largest edition of the Japanese *Signs of the Times* was 15,000. Now the edition runs 50,000 and could be greatly increased if we can only provide the equipment for the new house which is ready and waiting for it.

We all remember last year when General McArthur cabled the American Bible Society to greatly increase their out-put of Japanese Bibles, as this was the greatest need in the country, and Christianity's hour had struck. The Bible is being supplied and now we should supply the literature to give these people the right explanation of the truths of this Bible.

Not only does Japan wait to see what is going to be done, but the Aus-

tralasian, China, Far Eastern, Inter-American, South American, Southern Africa, Southern Asia, and the European Divisions are also anxiously waiting to see what special assistance is going to be given them.

The needs are great and the only means that the General Conference has this year of making any special appropriations is with a large Missions Extension offering. For this reason, the brethren are appealing and urging that we reach our full goal of *two dollars per member*. The believers in Indiana have responded to the call of missions in a wonderful way this year, and I am sure they will do even better when the Missions Offering is taken Sabbath, September 10. C. M. "THE LITTLE TENT WITH THE BIG MESSAGE"

It was a privilege to visit the laymen's effort at Jeffersonville on Sunday night, August 21st. Eldon J. Green was along; and as we approached the tent, we could see the sign, which read, "The Little Tent With the Big Message." About forty-five persons were present, which is approximately 92 per cent of the seating capacity. Several non-Adventists were there. This effort is being sponsored by the young people of the Jeffersonville church.

Carroll Prather is the regular speaker; but on this particular night they showed the film, "The Birth of a

James Wilcox sang a solo; and Herbert Elliott, Boyd Hooper, Charles Vest, and Howard Welkin sang in a quartette number. Brother King accompanied several numbers on his saxophone.

RALLIES SCHEDULED

The publishing department is planning Soul-Winning Rallies, and a Beginners' Class, during the month of September. We are planning on showing an interesting film at the following churches:

South Bend, Monday, September 19; Gary, Tuesday, September 20; Lafayette, Wednesday, September 21; Terre Haute, Thursday, September 22; Indianapolis South Side, Friday, September 23.

The Beginners' Class will start September 23 at the Indianapolis South Side church and continue to Sunday afternoon. Elder I. H. Ihrig, of the Publishing Department of the Lake Union Conference, will be with us, and we hope to have someone from the publishing department of the *Review & Herald* in Washington. We hope that all who are interested in taking up the literature work will kindly let us know, so that we can make the needed preparation. "The vineyard is large, and the Lord is calling for laborers. Do not allow anything to keep you from the work of soul saving. The canvassing work is a most successful way of saving souls. Will you not try it?" *C.E.*, p. 33.

If you live near the above mentioned cities, plan to attend the meetings and discuss your plans with us, or write to F. A. UNGER, 3266 N. Meridian, Indianapolis 7, Indiana.

Soul-Winning Rallies and Beginners' Classes

I. H. IHRIG, *Publishing Department Secretary of Lake Union Conference*

THIS will announce a series of SOUL-WINNING RALLIES and BEGINNERS' CLASSES which have been planned for each conference in the Lake Union. The dates appear below.

MICHIGAN, *September 9-11*; INDIANA, *September 23-25*; ILLINOIS, *September 30-October 2*; WISCONSIN, *October 21-23*; LAKE REGION, date to be set.

These meetings will provide an excellent opportunity to get some practical help in the field of personal soul winning. The instruction will be helpful to all who have a genuine burden to win souls. The following statement from the Spirit of Prophecy emphasizes the importance of providing such training and help.

"The greatest help that can be given our people is to teach them to work for God, and to depend on Him, not on the ministers. Let them learn to work as Christ worked. Let them join His army of workers, and do faithful service for Him."—*T. VII*, p. 19.

All who have recently taken up the colporteur work, and those who are planning to do so are urged to attend these meetings. You will receive special help during the Beginners' Classes which are to be conducted.

If you live away from the city where the meetings are to be held, it will be necessary to make arrangements through your conference Publishing Department secretary for your attendance. Contact him at your conference office immediately for details and an application.

being made to put up a fine church building sometime in the future.

A farewell picnic and get together was held in the Bloomington district, on August 21, for Elder and Mrs. J. G. Penner and their two children, in anticipation of their accepting a call to labor in South America.

MISSION-BOUND IN HIS NAME

Just two years have passed since we began our labors in the Indiana Conference, and truly it has been a time of great joy in the Master's service.

Previous to this it had been our privilege to labor 21 years in the Inter-American Division, rejoicing in the triumphs of the Cross in that great mission field. The welcome given us by the Conference workers, and church members in the Jeffersonville district has been greatly appreciated. We shall always recall with pleasure the time spent in the Hoosier State.

Within a few hours we expect to go on board the steamer "Santa Juana" and journey almost due south. In a little over two weeks we shall arrive at our new field of labor, this time in the South American Division.

We shall miss our many friends in Indiana, the joy of visiting among our churches and in your homes. Camp

meeting especially will be missed. But the Lord provides still other joys—that of seeing the marvelous work of Grace as is so clearly shown among those who live in less favored lands where darkness still abounds. Your prayers are solicited as we return to labor once more in mission lands.

SPEAKERS ADDRESS RALLY

ONCE a year the Lake Region Conference Publishing Department holds SOUL-WINNING RALLIES AND BEGINNERS' CLASSES. The last rally this month was scheduled for Indianapolis, Ind., Capitol Ave., *August 26-28.*

The speakers were Elder Louis B. Reynolds, Editor of the *Message Magazine*, Carty Laurence, and John F. Lee.

The purpose is to gain a harvest of recruits so that the Literature Ministry will be strengthened. We solicit your prayers for this cause.

JOHN FRANK LEE

THE TASK BEFORE US

WE feel it is only fair to the constituency of the Lake Region Conference to know the state of affairs in the conference at present.

When we took over the Presidency of the conference we were facing the following situation: drop of \$5,000 in tithes; a loss in the operation of Camp meeting to the amount of \$2,046; an unfinished academy in which we had invested \$132,601.80 and with just enough money on hand to pay for the present contracts, the amount being \$19,918.75. To leave this building unfinished would be a tragedy to the Conference. In fact to allow the building to stand there unoccupied would mean that all the money placed in the building to date would represent a lost effort. This must not be. It will not be. We must raise \$50,000 to complete the present building. We must install a heating plant, and a disposal plant. The well must be completed. A boiler house must be built. Furniture and kitchen equipment must be purchased. Two buildings, which are already on the grounds, must be completely remodeled and renovated; one for the teachers' quarters another for a boys' dormitory.

If the constituency will rally all this can be done and this will enable us to open school in the fall of next year. We are making definite plans to this effect and will be making a definite appeal to the constituency of the Lake Region Conference. We felt it only fair to you to let you know through the columns of the *HERALD* the condition and our future plans. We must go ahead and finish the Academy. We have no other choice.

I appeal in behalf of the youth of our Conference to come to the help of the Lord in this tremendous undertaking. I KNOW SUCCESS WILL BE OURS. T. M. FOUNTAIN, *President*

COLPORTEUR RALLIES HELD

The Lake Region Publishing Department has recently sponsored three very effective colporteur rallies and beginners' classes.

The first rally was held at the Shiloh church in Chicago, Illinois, for District 1, August 12-14. Elder I. H. Ihrig, publishing department secretary of the Lake Union Conference, gave the initial address on Sabbath at

Shiloh Rally, Colporteurs at Washington Park, Chicago

the 11:00 a. m. hour which was very effective. Several new recruits signed up to begin work for the Master. He also instructed the beginners' class that met on Sunday morning. The colporteurs enjoyed a very pleasant Sunday afternoon at their annual outing in Washington Park. We were happy to have Elder Ihrig as our guest, and we were greatly benefited by his presence. We also appreciated the fine co-operation we received from Elder A. W. Clarke, the pastor of the Shiloh Church.

For the second rally at Hartford Avenue church, Detroit, Michigan, District II, August 19-21, we were especially pleased to have Brother M. G. Cato, Publishing Department Secretary of the South Central Conference, with us. Incidentally, he was on vacation visiting his children in Detroit at the time. He delivered a very fine message at the consecration service which was held on Friday evening. Elder T. M. Fountain, president of the Lake Region Conference, gave a stirring message on Sabbath at the 11:00 a.m. hour at which time a number of persons signed up to begin working for the Master in the capacity of colporteur evangelists. I would like to mention here the fine spirit of co-operation exhibited by Elder J. W. Allison, pastor of the Hartford Avenue church. Brother C. H. Moore, Assistant Publishing Department Secretary for District II, was of good courage in his new field and gave spice to the meetings. Their annual outing was held at River Rouge Park.

For the third rally at the Capitol

Avenue church in Indianapolis, Indiana, District No. 3, August 26-28, Elder R. F. Warnick, the church pastor, was the speaker at the consecration service held on Friday evening. We certainly appreciated his sincere interest and hearty co-operation, and we were all spiritually benefited by the very fine message he gave. We were happy to have Elder Louis B. Reynolds, editor of the *Message Magazine*, as our guest speaker at the 11:00 a.m. hour on Sabbath. His message caused a number to decide to enter the literature ministry. The colporteurs were physically benefited at the District III Annual Outing, Sunday afternoon.

The beginner's classes for the Detroit and Indianapolis rallies were conducted by Brother C. W. Laurence, assistant Book and Bible House manager and Brother J. F. Lee.

I would like to take this opportunity to thank each one who helped to make these rallies successful, and I ask a sincere interest in the prayers of all to the effect that God will give wisdom and counsel to all the leadership of the publishing work of the Lake Region Conference in order that a mighty work may be accomplished for the Master. SCHOOL OPENS SEPTEMBER 6

ON Tuesday, September 6, our church school doors will swing open. Scores of our Lake Region Advent Youth, once more, will sit at the feet of Christian-trained, God-fearing teachers. I appeal to every Adventist home, where there are children, to follow God's plan. If you truly love your

boys and girls, send them to that humble school of training; in such an environment they will be prepared for heaven.

Recently, I heard a wise mother say, "I would rather my child go to a run-down half-equipped S. D. A. church school, than have her go to a worldly school." (By the way, this child would pass in any school and she has only attended church schools.) Now we do not sanction run-down schools. No less than the best should be provided for our boys and girls. "He who co-operates with the divine purpose in imparting to the youth a knowledge of God, and moulding the character into harmony with His, does a high and noble work. As he awakens a desire to reach God's ideal, he presents an education that is as high as heaven and as broad as the universe; an education that cannot be completed in this life, but that will be continued in the life to come; an education that secures to the successful student his passport from the preparatory school of earth to the higher grade, the school above."—*Education*, p. 19. We should each feel the same way.

Some people let this world, its positions and goals blot out the future and more important things when they dream of their 'grown-up-boy' of tomorrow. But remember it has been well said that, "that which pleases is but for a moment; that which troubles is but for a moment; But, that only is important which is Eternal." Let your boy and girl follow in the steps of the Master. Give them the privilege of being instructed by a Christian teacher. Send your boy and girl to the church school and register TODAY.

MICHIGAN ON THE MARCH

"WE are nearing the close of earth's history. . . There are men who will be taken from the plow, from the vineyard, from various other branches of work and sent forth

Especially for the Ladies!

SUMMER is almost gone and we are turning once more to our activities for the fall and winter months. Foremost among these plans for September is our Fall Series of Dorcas Federation Meetings.

The ladies of the Lower Peninsula will be happy to learn that our guest speaker for this series of meetings will be Mrs. Charles Mattingly of Berrien Springs. Mrs. Mattingly is the President of the South-Western Michigan Federation and a very active Dorcas worker. She will have many new and interesting things to present and a real treat is in store for all who attend.

Please note carefully the place and date of your Federation Meeting and plan now to be there.

Each church is asked to send a representation to the nearest Federation whether or not there is an organized Dorcas Society in the church.

Local Dorcas officers will be receiving word from their Federation officers regarding luncheon plans, display arrangements, etc.

The Fall Federations will be as follows (In each instance the meeting begins at 10:30 A.M.):

September 13—Central Michigan Federation, Battle Creek Tabernacle, 19 N. Washington, Battle Creek, Michigan.

September 14—East Michigan Federation, Detroit Van Dyke Church, 4800 Van Dyke Avenue, Detroit, Michigan.

September 15—Saginaw Bay Federation, Bay City Church, 304 S. Dean Street, Bay City, Michigan

September 20—South-Western Mich. Federation, Benton Harbor Church, 267 Ross Street, Benton Harbor, Michigan.

September 21—Western Michigan Federation, Grand Rapids Church, Cor. Oakes St. and Sheldon Ave., Grand Rapids, Michigan.

by the Lord to give this message to the world." *Test.* Vol 3, p. 270.

In view of this council a goodly sized beginners' class will be held for Michigan believers who desire to work as full-time colporteur evangelists. God is calling for workmen and it does our hearts good to see many noble-hearted men and women responding to His last great call.

Our training this year will be conducted by Elder I. H. Ihrig and all available help from the General Conference. We are emphasizing the importance of following divine counsel in placing a piece of literature in every home, or enrolling some person in our Bible Course. Where people are not at home or do not purchase literature, a free piece is to be provided so that no home escapes us. We feel in this manner the message will be extended to every home in each colporteur's territory.

The need to increase our large religious book sales is constantly on our minds. With the introduction of our "Health Unit" which contains one of our large religious volumes, the increased output of *Bible Readings* has

thrilled our hearts. July sales more than doubled July 1948.

The literature ministry, under God's rich blessing, is on the march in Michigan. By His grace we plan to redouble our efforts to evangelize through literature, knowing that He will never disappoint or forsake us. Won't you sever connections with the world to join our courageous and happy band?

Beginners' class will be held Sept. 8-11 at Grand Ledge, by invitation only. Write *Publishing Department secretary, Box 900, Lansing, Mich.* without delay. J. M. Bucy

MARLETTE MOVES AHEAD

THE statements which have come to us from the pen of Inspiration regarding the need for Christian education are so striking and so urgent that no Seventh-day Adventist church or church member can lightly pass them by. For a number of years the members of the Marlette church have felt the need for a church school, and we thank the Lord that as His people have moved ahead by faith, He has removed every difficulty.

At a business meeting held Sunday,

August 21, the teacher's contract was signed; and when the contract was sent in to the conference office, sent in with it was the first month's teacher's salary.

The enrollment will be from five to eight children. Though this seems a small beginning, yet each child will receive more individual attention; and with the blessing of God, both the school and the church will grow.

Although the Marlette church is located in the country and does not have a large membership, yet to Marlette will go the honor of operating the first church school in the entire area of the Thumb. To all Seventh-day Adventists who wish to get out of the cities, the believers in Marlette extend the invitation to come where you can worship in the country and send your children to a country church school.

A MODERN JOSHUA

THE grand article by H. A. Bayliss in the *Youth's Instructor* of August 16 entitled, "Colporteur in the Cariboo," does not lack for real excitement. It also helps us to appreciate our privileges the more here in this wonderful country of ours. Up there in British Columbia this intrepid colporteur evangelist, who unwittingly camped on a rattlesnake's den, escaped just ahead of a wolf pack and flushed a mountain lion as he carried our precious books to those who sit in darkness, takes it all in a day's stride. How happy are we to read that *DESIRE OF AGES*, *BIBLE READINGS* and *MODERN MEDICAL COUNSELOR* are among the many books being sold in numbers in this upper region.

I trust others will read Brother Bayliss's soul-stirring experiences and that their hearts will be stirred to good works as they find how this brother gave up his business and started out with his wife and two children in a trailer to do and dare for Christ. We doff our hats to you, courageous brother. May many more follow your worthy example.

Michigan colporteur beginners' training, expense free, at Grand Ledge, September 8-9-10, by invitation only. Write your Publishing Department Secretary tonight, Box 900, Lansing, Mich. "TRAIN TO SUCCEED" is the publishing department slogan.

LAWS OF HEALTH—III

II. Thou Shalt Use Pure Water Freely.

"AND whosoever will, let him take the water of life freely." Rev. 22:17.

"Go wash. . . ." John 9:7; 2 Kings 5:10.

"Life in the open air is good for body and mind. It is God's medicine for the restoration of health. Pure air, good water, sunshine, beautiful surroundings,—these are His means for restoring the sick to health in natural ways." *Medical Ministry*, p. 230.

"When I violate the laws God has established in my being, I am to repent and reform, and place myself in the most favorable condition under the doctors God has provided—pure air, pure water, and the healing precious sunlight." *Medical Ministry*, p. 230.

Water is the second most essential requirement for the maintenance of life. How kind God has been to us to make the most essential needs of our bodies so abundant and free! We need water for cleansing our bodies, inside and out. We need water to transport our food and oxygen into, within and out of our bodies. A full glass of water, with or without the juice of half a lemon, half an hour before breakfast is a simple way to prevent colds, constipation and many other ailments. During the hot summer weather is a fine time to establish the excellent cold sponge on rising every morning. Start your day right by using these two health-preserving tips.

"In health and in sickness, pure water is one of heaven's choicest blessings. Its proper use promotes health. It is the beverage which God provided to quench the thirst of animals and man. Drank freely, it helps to supply the necessities of the system, and assists nature to resist disease. The external application of water is one of the easiest and most satisfactory ways of regulating the circulation of the blood. A cold or cool bath is an excellent tonic. Warm baths open the pores, and thus aid in the elimination of impurities. Both warm and neutral baths soothe the nerves and equalize the circulation.

"But many have never learned by experience the beneficial effects of the proper use of water, and are afraid of it. Water treatments are not

appreciated as they should be, and to apply them requires work that many are unwilling to perform. But none should feel excused for ignorance or indifference on this subject. There are many ways in which water can be applied to relieve pain and check disease. All should become intelligent in its use in simple home treatments. Mothers, especially, should know how to care for their families in both health and sickness." *Ministry of Healing*, p. 237.

"The bath is a soother of the nerves. Bathing helps the bowels, stomach, and liver, giving energy and new life to each. It also promotes digestion, and instead of the system being weakened, it is strengthened. Whether a person is sick or well, respiration is more free and easy if bathing is practiced. By it the muscles become more flexible, the mind and body are alike invigorated, the intellect is made brighter, and every faculty becomes livelier." *Counsels on Health*, p. 104.

NORTH MICHIGAN HAS BIG RALLY DAY

The week end of July 29, 30 was a high day for the people of District 5. This includes churches in Onaway, Cheboygan, Bliss, Petoskey, Boyne City and the East Jordan Company. All meetings were held in the Petoskey Church.

Outstanding programs highlighted the entire time from the beginning on Friday night when the Gospel Heralders Quartet, from Emmanuel Missionary College, presented their beautiful and moving story in words and music entitled *CHRIST IN SONG*. A large crowd, including many non-Adventists, were present.

Sabbath morning, cars from all over the district found their way to Petoskey, and by 9:30 a.m. the church was nearly full of happy boys and girls and their parents. The morning Sabbath-school program was planned by Mrs. John Beal, and conducted by Mrs. Gordon Shearer. An outstanding part of this hour was the giving of reports from the various district Sabbath Schools by the secretary of each school. An excellent mission reading was given by Leo Burnett. The review was conducted by Brother P. J. Hoar of Cedar Lake Academy and the lesson study was given

by Brother William Harbour, pastor of the Berrien Springs Village Church. The Gospel Heralders had a part on this program as they did on all programs throughout the week end.

Elder L. E. Lenheim, Lake Union Conference President, was the speaker for the 11:00 o'clock hour. His message was well received and ended in a consecration of almost everyone present to do his part in helping to finish the great work of God in this far north country. At the close of the service, Elder Lenheim baptized four precious souls. One was a young married man whose baptism results in one more home being united in this message. During this service Elder Nelson, Lake Union Educational Secretary, led out in the ordaining of Milford Dryer as a deacon in the Bliss Church. A fine offering was given at this hour for the local radio work.

After the lunch hour the people assembled to hear a short program of music by the Gospel Heralders. This was followed by a fine message on Christian Education by Elder Nelson, assisted by Brother Hoar and members of the quartet: Ted Rasmussen, William Brown, Bob Williams, and Jim Danforth. A short, but interesting question-and-answer period followed, with Elders Lenheim and Nelson leading out, assisted by Brother Harbour and the writer. The day was fittingly closed by the thrilling story of what God is doing in the great and fast-growing Inter-American Division. This story was graphically closed by the singing of "God Be With You Till We Meet Again." Jerry Wallack presided at the transcription turntable, bringing much beautiful music during the intermissions.

Several have said that never before has the Petoskey Church been so full of people. It is a remarkable fact that by actual count there were over 315 people. This is 20% above the total membership of District 5.

"BRETHREN, JESUS COMES"

MICHIGAN colporteurs under God's blessings are leading North America in subscription book sales for the first seven months of 1949. It is only through God's providence that the work is progressing. We raise our

voices harmoniously in praise and thanksgiving as these faithful "49ers" forge ahead. Here are some of the best reports in deliveries for July: *Herman Trout*, \$902.25; *Kenneth Griffith*, \$811.20; *Doris Drew*, \$797.00; *J. Bolejack*, \$733.83; *Reo Clyde*, \$576.05; *Earl Roush*, \$544.25; *Arthur Harms*, \$509.05; *Lila Lashua*, \$496.25; *Vivian Rendel*, \$409.65.

Full-time credential colporteurs receive General Conference colporteur courtesies including two-weeks' vacation with pay. Many more S.D.A.'s ought to be forsaking the paths of worldly business for the path of the lowly Nazarene. Michigan Conference stands ready to give strong training to those who qualify for literature evangelism.

S. S. RALLIES HELD

SABBATH-SCHOOL rallies were held on July 23 at Port Huron and on July 30 at Holland with an excellent spirit and attendance prevailing.

Elder H. K. Halladay of the Lake Union Conference gave valuable help during a series of rallies beginning August 2 and ending August 6. During this week of intensive Sabbath-school work, rallies were held at South Branch, Mio, Gaylord, Glennie, and concluded at Traverse City. At the last mentioned rally, representatives from the Frankfort Sabbath School were also present. Attendance at these week-night meetings as well as on Sabbath was gratifying and many expressions of satisfaction were heard.

CEMER-FOWLER NUPTIALS

Diann Cemer of Battle Creek, Michigan, and Herbert Fowler of Washington, D. C. were united in marriage in the Urbandale Seventh-day Adventist church on the evening of July 7, 1949.

The matron of honor was Mrs. Thelma Cemer, and the attendant for the groom was Mr. Glenn Cemer, brother and sister-in-law of the bride.

Preceding the ceremony, Mary Esther Hauck sang, "Through the Years," Frank Foote sang, "Because", and "My Heart is a Haven" was sung by Mrs. Leslie Iles.

Mr. and Mrs. Fowler took a brief wedding trip to points of interest in New Jersey and they are now residing at 215 Manor Circle, Takoma Park, Md.

We are always happy to see two

young people who are of the same spiritual faith unite their lives in holy wedlock. This is as God planned it and we pray heaven's richest blessing to rest upon them as they commence the sacred, yet joyous, task of establishing a Christian home.

DISTRICT IV RALLY

SABBATH morning, August 20, dawned fair and warm as approximately 100 grown folk and children gathered at the Sault Ste. Marie Church. The occasion was an all-day visit by our Conference President, Elder G. E. Hutches. Twelve of our believers from the vicinity of Sault Ste. Marie, Ontario, came over to join us. We were happy also for a good sprinkling of tourist visitors, some from as far away as California. Our believers from Newberry were well represented and they came prepared to stay by for the afternoon meeting.

The high light of the Sabbath School was a most interesting mission talk by Elder M. E. Lowry in which he told the stories of five modern martyrs known in his own mission experience. At the 11:00 o'clock hour Elder Hutches reminded us of recent fulfillments of the prophecy of Revelation 13 and we were all made aware of the seriousness of the hour in which we are living.

Many of our out-of-town guests brought their lunches which they took to Sherman Park during the noon hour to eat and nearly all returned at 2:30 to hear Elder Hutches bring a message of hope and courage as he spoke on the subject, "The Courage of the Saints." As pastor of this district I feel that August 20 was a high day for District Four and one to be long remembered.

YOUTH RALLY FOR TEMPERANCE

A CAPACITY crowd filled Solon Township Hall in downtown Cedar Springs to attend a youth temperance rally, headed by P. W. Lamb, Sunday evening, August 28. Vocal and instrumental music, by members of the Grand Rapids M. V. Society, was a special feature.

A similar program was presented the preceding Sunday in the Belding church, with non-Adventists making up a large part of the congregation.

At both rallies Brother Lamb spoke on "The Price of Drink," using American Temperance Society statistics to show the enormous amount Americans spend on alcohol. Temperance literature was distributed at the close of the program.

Musical numbers were given by Carol Schilstra, young marimbist; Ruth Clark, soprano; Russell Oard, cornetist; and a male quartet consisting of Kenneth Davis and Richard Afton tenors; Fritz Guy, baritone; and James Wiltjer, bass. Group singing was led by Jack Martin, with Barbara Whitney as pianist. The program was arranged by Stewart Kilbourne, Grand Rapids M. V. leader.

FAIRCHILD-REIBER WEDDING

On the evening of June 12, 1949, in the Battle Creek Tabernacle, Dolores Fairchild of Battle Creek, Michigan, and Melvin Reiber of Bellevue, Michigan, vowed in the presence of a large company to become husband and wife "until death do us part."

Elder Earl Robbins, pastor of the Urbandale Seventh-day Adventist church, performed the ceremony.

Baskets of white peonies and gladioli, palms and candelabra decorated the church.

Maid of honor was the bride's sister, Miss Allene Fairchild. Best man was Robert Reiber, brother of the groom.

Music for the occasion was furnished by Francis Foote a girls' trio, and Mary Esther Hauck. Elder Earl Robbins sang "The Lord's Prayer" during the ceremony.

Following the reception, the couple left for a week in Northern Michigan. They now reside on Route 3, Battle Creek, Michigan.

The bride and groom both graduated from Battle Creek Academy. Mr. Reiber also attended College at Madison, Tennessee.

As another home is established, we wish the builders much success and happiness as they endeavor to follow the blue-print of heaven.

SCHOOL SITE IS ACTIVE

THE present site of the Bethel church school is the scene of busy activity, as the men of the church labor, often far into the night, in their endeavor to have the new, two-room, ten-grade school ready for the opening date of school.

The building, constructed of cinder blocks, has a full basement for recreation facilities.

We are happy to have our teachers of last year, Dolores Johnson and Myrtle Karr, return for another year. Miss Karr will teach grades eight and nine.

SIX BAPTIZED AT EXELAND

SABBATH, August 20, was a high day in the Exeland church. As usual, the Sabbath School started at 10:00 o'clock. The subject for the 11:00 o'clock hour was, "Following Jesus All the Way." Immediately after the

service all of the members of this church drove to the lakeside where six dear souls were buried with Christ in baptism.

After baptism, we all gathered at the home of Brother and Sister Herman Kuerbiss for refreshments. It was a day of prayer and rejoicing, one long to be remembered in the hearts of those present.

HERWICK-FITZGERALD WEDDING

At an afternoon service, Stephen FitzGerald and Myrtle Herwick were united in marriage on August 21 in the Seventh-day Adventist church in Green Bay, Wisconsin. The officiating minister was Elder L. L. Dunn.

The groom is well known to all of our people in Green Bay and has spent all his life in the community. The bride is the daughter of Mr. and Mrs. J. H. Herwick of Frederic, Wisconsin, and has been one of Wisconsin's faithful church school teachers. For the past two years she served as teacher of the Green Bay church school.

Mr. and Mrs. FitzGerald will make their home near DePere, Wisconsin, where their welcome will be extended to the many well-wishing friends.

MEET \$2-GOAL PER MEMBER

THE Mission's Extension offering will be received in all of our churches on Sabbath, September 10. Our ministers and local elders have been promoting this offering for the past two weeks. I am confident that all of our members are fully acquainted with its importance.

We are expecting all of our churches to set their Missions Extension goal at \$2.00 per member. In order to realize this amount some of our people will have to give much larger amounts.

Inasmuch as our workers will be attending a conference-wide Workers' Meeting shortly after the tenth of September we will be looking for a report from each district leader as to the results of the offering in the re-

spective churches. There is no question in my mind that each church would like to see itself reported as having reached its full goal.

The money raised in this offering will help us to advance and stabilize the work in many sections of the world field.

I wish to take this opportunity to thank each member and church in advance for their whole-hearted participation in our Missions Extension offering.

ONLY A FEW DAYS LEFT

If you were taking a journey over strange roads, would you ignore the road map in the glove compartment of your car? Of course you wouldn't! But do you know that some Seventh-day Adventists are doing what is tantamount to that very thing in their journey to the heavenly Canaan? Of course they have the Guidebook (the Bible) and there can be no substitute for it, but they also need the road map, the volumes of the Spirit of

FIFTEEN YEARS OLD

THE Dorcas Federation idea is fifteen years old! It was born and cradled in Chicago, and has furnished the momentum needed to transform the old idea of the Dorcas Society being merely a "sewing circle", into a growing world-wide movement of welfare ministry.

Mrs. H. W. Kleist of the South Side Church in Chicago, provided the inspiration for the Federation, and has labored tirelessly to keep this torch of service burning brightly during its fifteen years. She has served as Chicago Dorcas Federation leader for ten of the fifteen years. Other leaders were: Mrs. Deese, 1 year; Mrs. R. C. Spohr, 2 years; Mrs. T. R. Lukens, 1 year; Mrs. T. Carcich, 1 year.

The following may seem to be just boring figures, but if studied carefully, it will be seen that they make up the interesting over-all picture of the accomplishments of the Chicagoland Federation for the first fifteen years of its existence. Read them, and see what the Dorcas societies of this area have been doing to help in the work of God.

Help given: Red Cross—\$55; Riverside Sanitarium—\$10; Needy (Italian, German Holland, Czechoslovakia)—\$78.40; Student Aid (Broadview, Auditorium, Boys' Dormitory, Girls' Dormitory, Lighting Project)—\$445; Emergency Relief (Famine, Flood, Christian Defense)—\$145; Radio Work (Local and Voice of Prophecy)—\$100; Hospital Bags made and given, \$118.49; "Steps to Christ" given—\$35; Postage on post-war clothing, \$81.84.

A successful cooking class was conducted for the Chicago area, at a cost of \$143.35. This class taught our believers, the art of preparing good, wholesome meals, in line with Seventh-day Adventist standards.

The societies of the Chicago Dorcas Federation have made valuable investments in time and effort during the past fifteen years. Notice the figures that follow, indicating the faithfulness of our Dorcas members.

Persons helped, 95,820 (this number represents the combined population of Aurora and Joliet); Articles of clothing given, 481,745; Garments made, 43,860; Quilts made, 345; Sales conducted, 315; Baskets of Supplies given, 24,920; Bouquets given, 2,415; Hours spent in Dorcas ministry, 411,135; Persons definitely interested in the truth, 264.

Hundreds of packages were sent to war-stricken countries, containing medicines, food, clothing and necessities. An unnumbered amount of C.A.R.E packages was also sent by our Dorcas members.

Surely the Lord is pleased with the work of the faithful sisters in the

SABBATH IN THE EARLY CENTURIES

WITH the August 11 issue of the *Review and Herald*, there began a series of articles on the origin of Sunday worship, prepared by F. H. Yost, who has made a special study of this subject. He quotes from all sources of the early Christian Era that make any reference to the expression "The Lord's Day," and gives the correct interpretation of that term in each instance. Every Seventh-day Adventist should know more thoroughly the reasons for his Sabbath worship, and the history of the beginnings of Sundaykeeping. These articles should be studied and preserved by every reader of the *Review*.

Those who heard Elder Yost give some of these studies during our recent camp meetings will rejoice that these articles are to appear in our church paper, being aware of their great value. If you are not now a subscriber to the *Review and Herald*, you may subscribe now at the special Anniversary price of \$3.45 instead of \$3.75. If you wish your subscription to begin with the first of August, be sure to make such request when you order. C. B. BURGESS

NEWS NOTES

Missions per capita now stand at .884; Sabbath School per capita .346.

Junior camp was well organized and orderly this year. Over one hundred boys and girls attended. Elder J. O. Iversen said, "It is the best staff I have ever worked with."

Some thirty people have already expressed their desire to attend the Lay Workers' Institute to be held at Berrien Springs, September 1-5.

We are all inclined to wonder just what is going to happen on October 8????

A "Southern Illinois Regional Meeting" was held at Mt. Vernon, Illinois, on Sabbath, August 27.

Elder C. R. French and Elder H. K. Halladay conducted a Home Missionary Rally in Danville on Friday, August 12, and one in Galesburg on Sabbath, August 13.

There is an acute polio epidemic in Hinsdale. Let us all pray that God may protect His people from this scourge.

Elders Theodore Carcich and J. O. Iversen attended the Northern Union Youth's Congress, which was held in St. Paul, Minnesota. Elder Carcich was one of the guest speakers for the occasion.

The Alton church is busy redecorating its church school room. The school was closed two year ago but will be open this fall with twelve students. We have to take this occasion to congratulate Pastor Smith and the Alton church for their determination to have a church school in their midst.

The East St. Louis church members are searching for a church building site and hope to have a new church home in time. We understand the enthusiasm for the project is running high.

The tent efforts in Warsaw, Abingdon and Centralia are an encouragement to the conference church members in those areas, and we hope there will be a number of additions to the membership as a result.

The Charleston group, all of whom are members of the Conference Church, are working hard on their church building project. It looks as if they will soon have their own building in which to study and worship. Happy day!

You will rejoice to know that Illinois is one of the few conferences that is reaching the goal of \$.70 per week per member in total missions offerings. This means much to the Mission Board and the work in foreign fields.

The Sabbath-school Lessons for this quarter are very important. Are you studying faithfully? Did you know that there is a special edition of *Thoughts on Revelation*, that you may purchase now at the special price of \$1.25 postpaid? It will be a big help to you in the study of the lessons, and will make a valuable permanent addition to your personal library. It may be ordered from our *Illinois Book and Bible House, Box 29, Brookfield, Illinois*.

Believers living in the Watseka area will be happy to know that Brother Kolmodin is moving to that city and plans to hold a public effort there this fall and winter.

LISTEN EVERY SUNDAY TO THE

VOICE OF PROPHECY
Forward in Faith
• REACHES INTO ALL THE WORLD •

BOX 55, LOS ANGELES 53, CALIF.

ONE HUNDRED SIXTY MILLION REASONS

By this time nearly all our people have learned that The Voice of Prophecy has joined a second network, the American Broadcasting Company.

We want to make it clear that the ABC network is in addition to the Mutual Broadcasting System and is *not* a substitution for the Mutual chain of stations which has carried our denominational radio program ever since January 4, 1942, when the Voice of Prophecy first went on the air from coast to coast. Therefore, two of the four great American networks are now carrying The Voice of Prophecy every Sunday. This means that today we have behind our radio program the friendly, efficient, full organization of two radio networks of America.

The Public Relations Department of one of these two systems is rated as probably the most aggressive of all the four networks. And what have they been doing for The Voice of Prophecy recently? You'll be interested know that a "stream" of publicity has been going out each week through ABC and Mutual channels to hundreds of newspapers, radio columnists, and radio magazines, from both their New York and western offices. All this has cost The Voice of Prophecy nothing.

Because of the addition of ABC, it was found necessary to cancel some independent stations which we very much regretted to lose—stations we

deemed important to us and to our program. They had proved themselves as being well worth the means we had invested in them. But to contract with this second network, it was imperative that The Voice of Prophecy agree to take a certain number of stations on the ABC system. Much was gained in doing this, even though it became necessary to cancel most of our independent stations, for between the two systems of Mutual and ABC we now have many powerful 50,000 watt stations on which we had previously found it impossible to purchase time for our program. Some of these new stations are:

KGO—San Francisco, California; KEX—Portland, Oregon; KGA—Spokane, Washington; KXEL—Waterloo, Iowa; WENR—Chicago, Illinois; WLAW—Lawrence, Massachusetts; WJZ—New York City.

Other 50,000 watt stations continuing to carry our denominational program are:

WGN—Chicago, Illinois; KCMO—Kansas City, Missouri; KFAB—Omaha, Nebraska; KABC—San Antonio, Texas; KOB—Albuquerque, New Mexico.

*Right now is doubtless one of the greatest moments of opportunity we as a people shall ever have! With favor being shown us from various sources, many of them unexpectedly; with two great systems of radio stations available to us for continual expansion; with doors wide open to us to continue to add more vital, important station outlets to carry this message of truth into the hearts of honest recipients—*isn't now the time we should truly make unprecedented sacrifices by digging down more deeply into our bank accounts and pocketbooks than we have ever done before!**

A few mornings ago, immediately after Elder Richards had returned unexpectedly from his trip in the South Pacific because of the addition of the ABC network, he spoke to the Voice of Prophecy staff at the time of our Thursday morning Prayer Circle. The service that morning became so impressive to the hearts of all present that before the meeting was concluded nearly \$2,750 was volunteered by the one hundred members of the Voice of Prophecy staff. Along with Elder Richards and the other ministers, they gave, and gave from the heart! Their giving was based upon a realization that this is the time to go forward; that this is the time to reach the millions with the warning of the soon return of our lov-

ing Saviour; that it is dangerous to withhold at this time of such great opportunity.

There are one hundred sixty million reasons why we must reinstate the program as quickly as possible on many of these important independent stations and add more Mutual and ABC stations in desired localities that we may increase our North American coverage.

And what are those one hundred sixty million reasons? They are those precious ones that make up the population of the United States and Canada. One hundred sixty million souls badly in need of the gospel of salvation. One hundred sixty million reasons why we *must now go forward in faith* and finish His work! D. V. POND

THE C.M.E. AND THE CLINIC

ABOUT eight thousand five hundred patients are treated yearly at the C.M.E. dispensary. This clinic is not just an ordinary clinic where patients come and go for routine treatments. It is sponsored by the College of Medical Evangelists and has for its aim the salvation of souls as well as the treatment of the sick. Besides serving the public in the treatment of their ills, it is a training ground for students of the medical school. Here, with immaculate white coats and rapidly beating hearts, they examine their very first patients and are initiated into the ways of Christian doctoring. Their instructors are themselves Christian men who have gone through the halls before them. These men are giving faithful service for modest incomes because they believe in the medical work as the right arm of our message. They are among the one hundred and fifty loyal doctors who are at present serving in our seventeen denominational institutions scattered over the United States and Canada.

When the medical students have finished their first two years of training in Loma Linda, they go to the city of Los Angeles and work in the White Memorial Clinic and Hospital. Part of their work is done at the large County Hospital, a much larger institution than our own White Memorial Hospital. But our clinic treats nearly half as many patients in a single day as does the County hospital, or about five hundred people. Many are the opportunities our students have of witnessing for God in these two places.

Only the other day a friend of mine

went to the White Memorial clinic for an examination. Since she chose to go through as any other patient, she had to wait for a little while in a crowded room before she could see the doctor. A sweet-faced little lady seated next to her spoke up and said, "These Seventh-day Adventist doctors are wonderful. I always get so much help when I come to them. Somehow they have a different spirit than other doctors. By the way, are you a Seventh-day Adventist?" My friend replied that she was and the lady smiled and added, "Well, God bless you then. They are surely a wonderful people."

Graduates Laboring Everywhere

A long list of graduates from our school have gone to the far ends of the earth and are laboring devotedly to bring relief from pain of body and weariness of soul. Quite often they serve under extreme difficulties with long hours, meager equipment, insufficient help and small pay. But their hearts are filled with the love of God and they continue day after day happy that they can do their part in promoting the cause of God. You will find them from Siam to Africa, from Ethiopia to China and in many of the islands of the sea. The work they have done in ministering to needy souls has opened the hearts of many to the preaching of the gospel who would not otherwise have heard or listened.

Blazing the trail for our medical school took amazing faith and courage on the part of the pioneers of forty-three years ago. Money was scarce because of a financial depression, workers were scarce because of the immensity of the task and progress was slow because of many who tried to thwart the efforts of the few brave souls trying to attempt the impossible for God.

Trained As Medical Missionaries

The College of Medical Evangelists was established for one purpose, that of training the youth of our denomination to go forth as missionaries. Hand in hand with the ministry, they are to work as Christ did, ministering to the physical needs of the people and turning their hearts to Him. Eternity alone will reveal the extent to which this has been accomplished.

How can we today do less than support the work begun with such sacrifice and zeal? Our prayers and our means are needed now as never before to aid the young people in our medical school to finish God's work.

ARE ALL THE CHILDREN IN?

IN a few days school doors will open to welcome the merry faces and hurrying feet of small children and to find places for vibrant, ambitious youth. Sadly enough, some children and youth of Adventist parentage and faith will find the doors closed by some unexpected circumstance.

It would be difficult to imagine a greater disappointment than that coming to a youth who is turned away by circumstance from a share in the sparkling laughter, inspiring fellowship, and stimulating lessons of the Christian school. Just to feel the warmth of others' friendship and the support of their faith for another year might carry him safely through a critical time.

The value of the elementary school as a soul-saving agency can hardly be overestimated. Its function as an educational force is fundamental. Its teachers are doing a work of unchallenged importance. Its place in the world-wide program of the church is not only essential but has been securely established.

The work of the teacher may be so well done that pupils and parents may wish to keep the personal contact beyond the present limits of the school. But the church may not be able to support an extra teacher for pupils desiring work beyond the elementary grades. Library books or other equipment for the new subjects may not be adequate. The teacher herself may lack the time, or the preparation, or the experience to handle the additional work.

The parents of some pupil may choose for any of several reasons to postpone his schooling away from home. His youth may be considered a reason for delay. Economics may require it. Home duties may demand his help for another year. But in any case, the parents may still want to keep their child under the influence of a Christian school and guided by a Christian teacher.

Under any one of these circumstances or a combination of them the child might be denied the benefits of vital contacts with the Christian school, except for a plan again being offered by the Home Study Institute. Under this plan the pupil may continue as a member of the local school and take the next year's work with

the general supervision of his former teacher to aid him.

Lessons for subjects beyond the reach of the teacher or school, except for this plan, will be provided by the Home Study and graded by them. The list of subjects includes Bible, English, history, mathematics, and languages. Special instructions are provided for the teacher who supervises the work and assures to the pupil satisfactory study conditions.

This program is known as the Supervised Study Plan. It not only enriches the offerings of the elementary school; it lightens the work of the usually overworked teacher so she can do even better work for the other children. It does even more—it lightens the church's financial load that would be necessary were another teacher hired to carry a few extra subjects. And, what is best, it provides continued progress for the boy or girl who is temporarily denied the privilege of living on the campus of a Christian school.

Chairmen of church-school boards, teachers, or parents who would like to receive the benefits of the plan should write immediately to their conference educational superintendent for his counsel and the application.

DR. H. M. WALTON APPOINTED DIRECTOR OF HOSPITALS

For Loma Linda Sanitarium and White Memorial Hospital

LOS ANGELES, August 29.—The administration of the Loma Linda Sanitarium and Hospital, Loma Linda, California, and the White Memorial Hospital, Los Angeles, California, will be under a single Director of Hospitals, announced Dr. George T. Harding, President of the College of Medical Evangelists, today. Dr. Harold M. Walton was appointed to this newly-created position by the College of Medical Evangelists Board of Trustees following the request of Dr. A. D. Butterfield for a leave of absence from the Medical Directorship of the Loma Linda Sanitarium in which to take postgraduate work.

In announcing this action, Dr. Harding stated that the purpose of the re-organization is the closer integration of the clinical facilities of the College of Medical Evangelists. This change will

provide for a teaching program, both in the instruction of undergraduate students and in the development of approved residencies for specialty training in the Loma Linda Sanitarium and Hospital.

The new organization should eliminate duplication of effort in the work of those with administrative duties, said Dr. Harding, and should bring about much closer co-ordination be-

tween the hospitals and the entire college. Dr. Harold M. Walton, Medical Director of the White Memorial Hospital and Dean of the Graduate School of Medicine since 1946, was Medical Director of the Loma Linda Sanitarium and Hospital from 1930 to 1937 and Medical Secretary of the General Conference of Seventh-day Adventists from 1937 to 1946. The Advent Press

Kisumu, Kenya, East Africa

By H. W. SPARROW

Superintendent, East African Union Mission

NEVER before in the history of our mission work in East Africa have we had such opportunities placed in our hands for the spreading of this Message through our literature as we have today. Before the war, very few young men had ever been out of the territory. When war came, thousands of them were sent to North Africa, Italy, Egypt, Palestine, India and Ceylon. Those who went away came back with their vision broadened and intellect considerably keener. Those who could not read before they went learned how during their absence. This opened the door for a much wider demand for reading matter and increased book knowledge. The cry everywhere is for more books in the native languages.

To meet this need, the Division committee has decided to enlarge several of the mission field printing houses and prepare more literature. This, of course, means more machinery. At our little publishing house in Kenya we must have more equipment for printing and binding. With this comes the need of more space for storing paper stocks and the handling of our books when they are ready for the market. At present we have one large room to house everything. The business manager, the translator, the composers, the printing presses, the stock room and power house all need space to expand and operate. Brother R. L. Wangerin, recently from the Pacific Press, is doing his best to supply our need for our books under very cramped conditions. He has recently printed about 12,000 various kinds of small books, ready for our colporteurs to take into the field. We must enlarge our borders and double our output in order that we may get our truth-filled literature into the hands of the people while there is such

a demand. We appeal to our people to help us to arise and meet the need by providing the equipment which is so necessary.

Recently one of our colporteurs found an interested man to whom he sold a copy of "The Coming King." The man read the book several times, accepted the Sabbath message, and began to preach the truth to his own people. Before long the church to which he belonged found out what he was doing and asked him to resign. He did, but 64 others near the village of Mumias, Kenya, resigned with him, and are now preparing for baptism. Had not our colporteur been able to place the book in the hands of this brother, a life's opportunity would have been lost. Hundreds of such experiences can be repeated, but we must provide the literature, and the way to do that is to enlarge our little printing house and install more equipment, for a greater volume of literature to come from our Advent Press.

May God bless our people as they give liberally to this worthy project to meet such a grand opportunity which has been opened before us today.

Editor's Note: Make it at least \$2 and we will meet this need.

"THE BOOK TO LIVE BY"

Sixth Annual Worldwide Bible Reading

"THE BOOK TO LIVE BY" is the theme of the sixth annual Worldwide Bible Reading program, which is sponsored each year by the American Bible Society. The program, starting on Thanksgiving Day, November 24 will end on Christmas Day.

The high point of the program is Universal Bible Sunday which occurs this year on December 11. Dr. John Sutherland Bonnell, pastor of the Fifth Avenue Presbyterian church, New

York City, and well-known writer and lecturer, has written the brochure, which is prepared especially for this service. Packets containing the brochure, an attractive poster featuring the theme, "The Book to Live By" and other appropriate material will be mailed to over 120,000 pastors early in the fall.

For the 32-day reading program, the Bible Society has prepared a list of daily Bible readings in the form of a bookmark, which fits conveniently in the Bible. Last year more than twelve million of the bookmarks were distributed. This year, in response to requests from industrial organizations, a bookmark in a special size, has also been prepared. These will be enclosed in salary envelopes, statements, etc.

"We feel that many people form the habit of daily Bible reading through the use of these bookmarks," declares Dr. James V. Claypool of the Bible Society who is in charge of the World-wide Bible Reading. "I base this statement on the fact there has been a substantial increase in the calls for lists of daily Bible readings which the Society prepares for the entire year. An advance at the rate of 25% each year since 1946 has been noted."

The World-wide Bible-Reading program is also observed in those areas covered by the Bible Society's twelve foreign agencies. The bookmarks are printed in the languages spoken in those countries, which include Chinese, Arabic, Portuguese and Spanish.

EMMANUEL MISSIONARY COLLEGE

Students Can Write, English Department Believes

TWENTY-ONE EMC students wrote successfully in the 1949 annual Pen League contest conducted by the *Youth's Instructor*.

Oscar Haynes took a \$20 first prize with his temperance article, "Are We Victims of Circumstance?" Wilson Trickett won second place with a biographical sketch entitled "Soldier of Industry." Mrs. Harvey Lashier and Melvin Taylor each received a third prize. EMC students won in all in this contest \$54 in cash awards.

A letter from Lora E. Clement, editor of the *Youth's Instructor* to the college Department of English says, "Your young people are to be congratulated on the number of awards they received, and you will be gratified to note that all of the remaining manuscripts are usable."

Students Write for Publication

Submitted in the ordinary manner without reference to the Pen League, Mary Green's story "From Battle Creek to Berrien Springs" occupied the center spread in the *Youth's Instructor* of May 24. In the same issue Harold Remus' "Take Time to Live" appeared on the front page; articles by Barbara Hunter and Roy C. Smith published in the same issue were written while Miss Hunter and Mr. Smith were students in the college.

Another article of EMC origin, this one by F. Donald Yost, a 1949 graduate with majors in Religion and English, appears on the front page of the *Instructor* for May 17.

Won Two-Thirds of all Signs Prizes

The *Signs of the Times* conducted no writing project among college students during the past school year. In that of the preceding year, out of a total of 49 manuscripts received from all colleges, 19 came from the English Department at EMC. And EMC students received 12 out of a total of 18 awards granted.

"I really must congratulate you for the most excellent result shown by the students of Emmanuel Missionary College," wrote Elder A. S. Maxwell, editor of the *Signs of the Times*. "This

year's Talent Search has resulted in a 'clean sweep' for EMC."

They Do Not Write for Money

"We are not interested in taking prizes and do not use them to motivate student writing," comments Dr. Paul T. Gibbs, head of the Department of English. "But we do believe," he says, "that every reason for preaching

ABBIE S. CULBERT, M.A.
Instructor in English

the gospel is as well a reason for writing it. We believe that Seventh-day Adventist colleges should encourage every student to plan to write at least two publication-worthy articles every year. In every congregation of Seventh-day Adventists you will find those who learned the truth because of what somebody wrote. And we believe that the printed message is destined to bear an increasingly large part in gospel work and that our denominational periodicals can be improved by an ingress of new writers."

Student Association Publications

In response to these needs the English Department offers, on the writing side of its curriculum, journalism, creative writing, magazine writing. The *Student Movement*, college biweekly newspaper, and the *Cardinal*, college yearbook, are publications of the Students' Association. As such they offer

to students of every college department valuable experience in most practical kinds of writing. For the year 1949-1950 Richard Kantzer is editor of the *Cardinal* and Alfred Dybeck of the *Student Movement*.

Miss Culbert Receives Degree

Abbie S. Culbert, instructor in English, was granted her master's degree in that field this summer at the University of Michigan. Following a visit to her relatives in Canada, she will be on the campus again when college opens. Miss Culbert will administer the college entrance examination in English, September 19, at 1:30 P.M. in the auditorium.

Edith Stone, instructor in English, will take over the courses in Early English Poets and in Elizabethan Masterpieces this year. Violet Morgan, associate professor in English, will continue her program of last school year, including her sought-after survey courses in English and American literature and her two-period courses, Romantic and Victorian literature.

Besides American literature and the literature of several British periods, EMC's Department of English places emphasis on literary aspects of the English Bible. The Department believes that being alert to the literary beauties of the Bible adds much to the pleasure of reading it.

Faculty to Spend Week End at Grayling

"And He said unto them, Come ye yourselves apart . . . and rest awhile." Mark 6:31. The Master called his disciples to a quiet retreat for a time of prayer, study, and planning for the tasks that lay before them. The faculty of Emmanuel Missionary College will spend the week end of September 9-12 at Camp Au Sable near Grayling, Michigan, to lay plans for the coming school year.

The devotional services of the week end will be in charge of various members of the faculty. President A. W. Johnson will be in charge of the Sabbath services. He has asked Prof. Melvin Davis to conduct a Friday evening
