Every Adventist A Publisher

By Ernest Lloyd

OUR denominational printing plants produce the literature for the hour, but our Adventist homes are, or should be, the real publishing houses—the distributing points for our message-filled books, papers, and tracts. A publisher is one who makes known what is unknown to others, one who spreads abroad information for the benefit of the people. And that is just what we each do when we scatter our literature—supplying the people with the information which will bless their lives and homes.

The early pioneers of this movement were very active in the literature ministry. All the members of the church carried the printed pages of truth as they went here and there in their daily routine. Like the Apostle Paul, they witnessed "in season and out of season." They made opportunities as well as making the most of those that came to them. They were burdened for the enlightenment of the people. We need today more of that first fine enthusiasm which characterized our pioneers.

The outlook is bright with promise. We are glad to see the evidences of increased activity with our literature in many places. Confused and bewildered persons everywhere are reading the message for these last days in our attractive and appealing books and papers and tracts. They see a light! They feel assured that this light will guide them through the dark. And that is what human hearts crave—assurance. Having its source in the Word of God, our literature gives what the We should have an increasing army of distributors of the "Speaking leaves" of truth. "Every Adventist a publisher," supplied with papers and tracts, ready for all opportunities, if it be but the giving away of only one piece a day. We little know the far-reaching influence growing out of a single page of truth.

people need, and good results are following.

And there is joy in this humble service, brethren and sisters—joy in the knowledge that we are "working with Christ" in such ministry, joy for those who receive and believe, and joy in heaven over souls who accept and walk in the light.

Let us individually attempt something more in daily witnessing with our literature. In some churches and homes there are unused supplies of our papers and tracts. Let us get them out among the people, and thus provide them with the opportunity of contacting the great saving message for the hour. Remember; too, that your Book and Bible House is frequently receiving new books, papers, and tracts from our publishing houses-the best things in print for our great witnessing work. If the kingdom of our Lord is ever to comeand come it will-it will never come through a few ministers and evangelists. It must come through the efforts of everyone of us preaching the gospel in the shop, by the fireside, when walking abroad, here and there and everywhere. Remember today --- "Every Adventist a publisher." And the time is short.

A Practical Way to Help Those in Need

By WERNER E. CARLSON

SINCE the Loma Linda Food Company began the shipment of parcels to needy Adventists throughout Europe thousands of parcels have gone forth to bring relief and comfort to those whose suffering has been almost beyond the point of endurance.

Those who have sent parcels and have received letters from their fellow believers in these hunger-ridden lands are amply repaid for their good deed by the heartfelt thanks and joyous expressions of appreciation that these people convey to the donors who make the food parcel shipments to them possible.

Let us share with you some excerpts of letters that have recently come to our attention:

"Just on the day my boy came home from the doctor to tell me that he had tuberculosis I received a package from the Loma Linda Food Company. The Lord gave me grief—but through your kindness help and consolation. These illnesses are caused from insufficient nourishment but with your help my son feels much better already. The only wish I have is to see you all in heaven and to greet you there."

"My blind husband and I were very pleased with the contents of the parcel. The Lord will repay you a hundred fold for your goodness to us."

"We were taken by surprise and thoroughly enjoyed the things sent. For years we have had no milk (powdered milk is included in the parcels). Your raisins are a real foretaste of the new earth. We only could think of Joshua and Caleb as we ate them. How we long for the new earth!"

"Your gift parcel has our church of one hundred families very much pleased. We divided it up for the old and sick to make them happy."

The Loma Linda Food Company has the names of hundreds such as these whose need for food is extremely critical. Much good has been done but much more remains to be done.

The donor's name is sent with each parcel. \$10 sends a twenty-two pound parcel; \$5 sends an eleven pound parcel. Address LOMA LINDA FOOD COMPANY, ARLINGTON, CALI-FORNIA. Won't you send funds today, To start a parcel on its way.

BIBLE READING CAMPAIGN-1949

THERE are no religious people in this world that appreciate the work of the American Bible Society as much as Seventh-day Adventists. If it were not for this wonderful organization, we would not have access to the Bible and its words of translation as we do at the present time.

The objective of this organization is to make people conscious all over this world of the importance of Bible reading. Each year between the Thanksgiving and Christmas season, a month is usually set apart so that the people of various churches can call on their neighbors and friends presenting them with a tract and a book-mark which has as its objective the encouraging of individuals to read the Bible.

The American Bible Society has asked Seventh-day Adventists to co-operate with them in enlarging this field of endeavor. Material will be sent to each church in the near future asking our people to spend some time during this period in helping to circulate this literature. We are asking our churches to observe Sabbath, November 24 as Bible reading Sabbath. A program is being sent to all the church elders for this day with the material which we are asking our people to pass out to their neighbors and friends.

We trust that no church in the Lake Union will overlook this golden opportunity, and we are asking all of our people to co-operate with the American Bible Society in encouraging others to read their Bible.

EDU-PLAST Fosters New Hobby

CHURCH leaders, young people's directors, women's organizations and teen-agers of the Lake Union Conference have always been among the most progressive and the announcement that a denominational institution can make available to them a new world of service and education comes as a further challenge to their ingenuity and ability.

The Educational Plastic Company — connected with the College of Medical Evangelists and the School of Tropical and Preventive Medicine—has just put on the market a plastic kit for embedding in crystalclear blocks photographs, sea-shells, leaves, minerals, starfish, flowers and whatever else suits your fancy! Church young people can spend endless profitable hours with this educational hobby. Ladies' organizations wanting to raise money for church projects can make an endless number of utility and decorative items for their own home or for money-raising sales for their organization.

The kit, with a complete instruction manual and all the equipment necessary to start embedding your baby's hospital beads, come in an attractive box that will decorate many Christmas trees this December. You will enjoy the art of making your own paper weights, do castings, insect preserving and flower embeddings only after you have acquired the Edu-Plast kit. Write to Educational Plastic Co., Loma Linda, California, for full details, or order now. Get your kit postpaid by enclosing \$4.50 with your order. Three per cent sales tax to California purchasers.

Special rates for quantities ordered by MV societies, churches, conferences.

Teachers' Institute Held

MEYER'S Pine Crest Resort in the heart of the northwoods region at Eagle River, Wisconsin, was a busy and happy spot at the Wisconsin Teachers' Institute, October 3-6. The fall in all its glory could not have provided a better setting than this Nature's Sanctuary for a real spiritual and social tonic for the forty teachers and instructors assembled there.

Misses Louise Ambs and Marie Pfeifle of the Normal Department of Emmanuel Missionary College, and Mrs. H. F. Lease of Wisconsin Academy, led out in the Craft workshop. "Crafts" was the field emphasized at Institute this year. As a result of the guidance in the above mentioned, the teachers were able to make new crafts that will be of real value back in the schools.

Elder W. A. Nelson, Educational secretary for the Lake Union, Elder and Mrs. D. W. Hunter, M.V. Secretary for the Lake Union, Elder H. J. Capman, President of the Wisconsin Conference, and Pastor F. M. Larsen, in charge of the district where the Institute was held, were present to lend their helpful encouragement and advice. Deep appreciation is to be expressed to Mr. and Mrs. Ralph Meyer, owners of the resort, and to the Clearwater Lake Dorcas Society for providing wonderful meals and accommodations.

As a result of this week's intimate association, each teacher left with a new zeal, new consecration, and a desire to guide the most important group in the Wisconsin Conference —the children. The Wisconsin Fraternity of Teachers is happy and proud to be associated with the many other teachers in the Lake Union Conference, and the great world field, in the key field of Youth Evangelism in the school year of 1949-1950.

INASMUCH

BLESSED will be the man who hears from the Master's lips that wonderful word, *Inasmuch*. Yes, it will be marvelous to hear the King of Kings say, "Come, ye blessed of My Father, inherit the kingdom prepared for you from the foundation of the world: for I was an hungered and ye gave me meat: I was thirsty, and ye gave me drink: . . I say unto you, *Inasmuch* as ye have done it unto one of the least of these my brethren, ye have done it unto Me." Matthew 25:35, 40.

On Sabbath, October 29, the Famine Relief Offering should be very generous to help the great needs of our dear believers in certain sections of Europe and the Far East.

Truly God has favored us who fortunately live in America. Bountiful have been the crops of food for man and beast this year. What a privilege is ours to extend a hand of assistance to our own brethren across the sea.

Through Isaiah, the prophet of God, we are promised, "If thou draw out thy soul to the hungry, . . . the Lord shall guide thee continually . . ." Isaiah 58:10:11. Let every believer in Wisconsin count up his blessings and remember the famine suffering and starving mothers and their children in Europe and Asia. Let everyone take part in this special appeal on October 29. H. J. CAPMAN

"How Much Owest Thou Thy Lord?" (Part 2)

1. Why tithes and offerings?

"The system of tithes and offerings was intended to impress the minds of men with a great truth—that God is the source of every blessing to His creatures, and that to Him man's gratitude is due for the good gifts of His providence." P. & P., p. 525.

"The gold and silver are the Lord's and He could rain them from heaven if he chose; but instead of this he has made man His steward, entrusting him with means, not to be hoarded, but to be used in benefiting others. He thus makes man the medium through which to distribute His blessing on earth. God planned the system of beneficence in order that man might become like his Creator, beneficent and unselfish in character, and finally to be a partaker with Him of the eternal, glorious rewards." Vol. IV, p. 473.

2. How many should pay tithe?

"God is testing every soul that claims to believe in Him. Every Christian is a steward of God, entrusted with His goods." Vol. IX, p. 246.

3. Does the Lord consider it stealing when we use His tithe?

"God has been robbed in tithes and offerings. It is a FEARFUL thing to be guilty of withholding from the treasury, or of robbing God." Vol. III, p. 409.

"To rob God in tithes and offerings is a violation of the plain injunction of Jehovah, and works the deepest injury to those who do it; deprives them of the blessing of God, which is promised to those who deal honestly with Him." Vol. V, p. 644.

"When we rob God we rob ourselves also. We give up the heavenly treasure for the sake of having more on this earth. This is a loss that we cannot afford to sustain. If we live so that we can have the blessing of God, we shall have His prospering hand with us in our temporal affairs; but if His hand is against us, He can defeat all our plans, and scatter faster than we can gather." Vol. V, p. 272.

"It is not returning to God his own thatmakes men poor; it is withholding that tends to poverty." Vol. VI, p. 448.

4. Should those who are in debt pay tithe? "The man who has been unfortunate, and finds himself in debt, should not take the Lord's portion to cancel his debts to his fellow men. He should consider that in these transactions he is being tested, and that in reserving the Lord's portion for his own use he is robbing the Giver. He is debtor to God for all that he has, but he becomes a double debtor when he uses the Lord's reserved fund in paying debts to human beings. Unfaithfulness to God is written against his name in the books of heaven." Vol. VI, p. 391.

5. How does heaven record withholding tithe?

"We must all be rich in good works in this life, if we would secure the future, immortal life. When the judgment shall sit and the books shall be opened, every man will be rewarded according to his works. Many names are enrolled in the church books that have robbery recorded against them in the ledger of Heaven. And unless these repent, and work for the Master with disinterested benevolence they will certainly share in the doom of the unfaithful steward." Vol. III, p. 394.

6. Is tithing a test affecting our entrance into heaven?

"Our Heavenly Father bestows gifts and solicits a portion back, that He may test us

whether we are worthy to have the gift of everlasting life." Vol. III, p. 408.

"The Tithe is the Lord's and those who meddle with it will be punished with the loss of their heavenly treasure unless they repent." G. W., p. 227.

"The man who will rob God is cultivating traits of character that will CUT HIM OFF from admittance into THE FAMILY OF GOD ABOVE." Vol. VI, p. 391.

7. What is the promise and reward to the faithful steward?

"Well done, good and faithful servant; thou hast been FAITHFUL over a few things, I will set thee over many things; enter thou into the joy of thy Lord. When the Son of man shall come in His glory, and before Him shall be gathered all nations; He shall separate them one from another." The faithful will be placed on HIS RICHT hand, the unfaithful on the LEFT hand. To those on the RIGHT hand the invitation will be given, "Come ve blessed of my Father, inherit the kingdom prepared for you from the foundation of the world." Thou hast been faithful. To those on the LEFT hand the dreadful words will be spoken, "Depart from me, ye cursed, into the eternal fire which is prepared for the devil and his angels." Thou hast been unfaithful.

In reviewing your deeds as a steward of God, have you been faithful? How much owest thou thy Lord? R. C. BURCHFIELD

A PERSONAL EXPERIENCE IN TITHING

"I have been shown that many in our churches are robbing God, in tithes and offerings. God will execute upon them just that which He has declared. To the obedient, He will give rich blessings; to the transgressor a curse. Any neglect of duty which is a robbery toward God, means a curse upon the delinquent."— *Testimonies to Ministers*, p. 307.

After quoting the above testimony, Elder Fred Stebbeds, pastor of the Clearwater Lake Seventh-day Adventist Church writes: "The Lord blessed wife and me this year with a good garden, nice strawberries, onions, tomatoes and other vegetables for sale. We remembered the text in Proverbs 3:9-10: "Honor the Lord with thy substance and with the first fruits of all thine increase: so shall thy barns be filled with plenty and thy presses shall burst out with new wine.

"Wife and I had a book that we kept account in of everything sold so that we could pay our tithe on everything, even to five cents' worth. In doing this the Lord verified His promise to us. The grasshoppers did not destroy any of our garden or hurt anything. Some of the neighbors asked if the grasshoppers were eating our garden. I said, 'No, because we pay tithe of all to the Lord. We paid our expenses out of the nine-tenths'."

"Great minds have purposes; others have wishes."—*Washington Irving*.

McKittrick-Krugel Wedding

On the beautiful morning of October 9, 1949, Edith Ann McKittrick and Robert Leroy Krugel were united in marriage at the Tomahawk church in Tomahawk, Wisconsin. Elder F. M. Larsen officiated.

Following the ceremony a reception was held at The American Legion Hall at Kennan, Wisconsin. The newlyweds left shortly after for a trip to Niagara Falls, New York. They will reside in Tomahawk. We wish them much of God's blessings in their future home. F. M. LARSEN

Emphasis on Sharing Faith

"SHARE YOUR FAITH" was given a big boost at the Indiana Youth's Congress over the week end of October 14-16. Between 1400 and 1500 people were in attendance from every corner of Indiana.

Beginning with a very inspirational consecration sermon Friday night until the last meeting Sunday noon, every meeting was devoted to some phase of *Sharing Your Faith*.

The speakers were Elder D. W. Hunter,

Lake Union Conference M.V. Secretary, Stanley C. Harris, Editor of *Our Times* magazine, Southern Publishing Association, and Elder C. M. Bunker, President of the Indiana Conference.

Special music was furnished by E.M.C., Indiana Academy, and young people from Indiana. Miss Striplin from E.M.C. sang two beautiful numbers for the Congress. Mr. Nolan, from the Indianapolis Symphony Orchestra played for us on his violin. The Indiana Academy brought a mixed chorus, girls' glee club, male quartet, and other music for us to enjoy. Garth Thompson, and Miss Celia Walker were responsible for the music from the Academy.

The young people went home from the Congress determined to put into practice "Share Your Faith." VERN C. HOFFMAN

Apply the Golden Rule

MANY problems present themselves to us, and the only fair way to approach the solution is to decide what we would do or want done if we were in the position of the other party. This is especially true at this time when because of no fault of their own thousands of our brethren and sisters in certain lands are facing starvation and death if something is not done.

If suddenly we would have to forsake our homes, our country, and all we possess; if brutally we were then forced into another country that was itself in dire need because of a terrible war; we were not wanted and were blamed because of the plight of that country; how would we feel and what would we want done?

This is exactly what has happened to millions in Europe, including thousands of our own people. That is not all, but right now they are barefoot and cannot get shoes. They are hungry, with no way of getting food. They face a cold winter with no bed clothes to keep them warm at night. Many are widows and orphans with no one to look to for help.

Blessed as we are in this good old Hoosier state of plenty, let us now think of the Golden Rule, think of what we would want done if conditions were in the reverse, then in the sight of Heaven do our best to save the lives of these poor brethren of ours when the Famine Relief Offering is taken on Sabbath, October 29. C. M. BUNKER

News Note

• Members of the Home Missionary, Book & Bible House, and Publishing department attended the Regional meeting of the *Review* & *Herald* in Washington last week. Good counsel was given and problems were discussed. Strong plans for the future were laid and a fine spirit of harmony prevailed. This meeting we believe has made a fine contribution to the strengthening of the work for the future.

Those attending from the Indiana Conference were Brethren W. A. Petersen, H. E. McClure, W. G. Wallace, and F. A. Unger.

Gem Thought

SANCTIFICATION is not the work of a moment, an hour, a day, but of a lifetime. It is not gained by a happy flight of feeling, but is the result of constantly dying to sin, and constantly living for Christ.—A. A. 560.

Schools Show Slight Gain

In comparing the educational department's opening report with one year ago we have three hundred thirty-six in grades one to eight, whereas last year we had three hundred thirty-one, which is a gain of five. There are twenty above the eighth grade which is one less than a year ago. We are thankful for this good trend in our schools.

On Sunday afternoon, October 2, the M.V. Officers of the various churches in the Chicago area met with the Conference M. V. Secretary at the Shiloh School to give definite study to the M. V. work in the area. Plans are being laid for an outstanding program which will be held at the Shiloh church, Sabbath, October 29. The entire youth of the Chicago area are invited.

A surprise visit was made at the Calvin Center, Michigan church school by Elders Fountain, Crowe and Davis, October 2. The pupils enjoyed the remarks by each. Mrs. Myrna Baker is the teacher.

The Temperance Drive is on. Signed pledges are coming in. Have you signed up as yet? November is the last month for this special campaign. L. H. DAVIS, Educ. Supt.

Y.P.M.V. Bands Active

THE young people of Hartford Avenue, are glad to pass on to our brethren this summary of their activities for the nine months of 1949, ending September 30. The present society membership is as follows: 50 seniors, 20 associates, 24 juniors, 18 prep juniors, a total of 112 persons, with a monthly average attendance of over 120 per Sabbath.

The activities are carried on through six prayer bands, one Crusader band, six literature bands, two Christian Help Work bands, one Harvest Ingathering Singing band, one lightbearers band, one institutional band, all representing an aggregate membership of 245.

The total number of youth connecting with the church as members from this society group has been sixteen; four juniors by baptism, six seniors by baptism, and six by letters of transfer.

While over \$100 has been spent in promotional society work, the actual offerings taken during the nine months amounted to \$54. A goal of \$300 was set for the society in 1949 Ingathering. The total raised by June 4, 1949, the official date for the campaign closing, was \$739.10, representing a total of 57 prep. juniors, senior M. V.'s, and junior minutemen.

Citation of special mention may be made of Y.P.M.V. band No. 5 led by Brother Ivan Thomson. They started out with eleven members, and closed out on June 4 with 32 minutemen. This band turned in nearly \$350.

News Notes

THE students of the 7th and 8th grades from the Shiloh elementary school, under the direction of their teacher, Mrs. Jennie Clarke, made a tour of the conference office Wednesday, October 12. It was a pleasure to have had such a well-mannered group pay us a visit.

On Sabbath, October 8, Elder F. N. Crowe, Lake Region Conference treasurer, was the speaker for the 11 o'clock service at the Shiloh church in Chicago. His inspiring message proved a great blessing to those present.

Elder Leon Davis, Educational and M. V. secretary of the conference, visited the Capitol Avenue church school in Indianapolis, and delivered the 11 o'clock hour message at the church on Sabbath, October 15.

Elder T. M. Fountain has just returned from the Publishing Convention and reports that the meeting was of vital importance for both the Publishing Department and Home Missionary Department. He believes that as a result of this Council we can expect to see real progress made in the Lake Region Conference in both Departments. The group leaving from the Conference spent the Sabbath with the Cleveland church. A very cordial welcome was extended by the Ephesus church of Washington, D. C., which was the former church that Elder Fountain pastored. Wednesday night, October 12, he delivered a sermon to a large group of his former church members.

Sharon Chapel Youth Rally

A VERY enjoyable, profitable, and inspirational Youth's Rally was held at the Sharon Chapel church, Milwaukee, Wisconsin, on Sabbath, October 8. The rally opened with a consecration service on Friday evening, October 7. The message, delivered by the writer, concluded with a pledge of renewed devotion by all present.

The Sabbath school was conducted by children of the Junior division. You could not help but be inspired as the children directed the program of the Sabbath school in a most excellent way. Truly, they set an example for the adults.

Elder L. H. Davis, M. V. & Educational Secretary of our Conference, delivered a very interesting sermon during the hour of morning worship. This was the first official visit of Elder Davis to Sharon Chapel.

An outstanding program featuring the cause of temperance was rendered by the M. V. Society in the afternoon. Several persons from the churches of the city appeared on the program and helped to make it a success. The rally closed with an enjoyable so-. cial at the Urban League. A number of visitors from Evanston and Chicago, Illinois, and as far as California, were present as guests, among them Dr. and Mrs. Carl Dent from the latter state.

The church interior has been redecorated completely from the basement up. Some very sturdy and beautiful pews have been installed; other improvements have also been made. C. A. HICCS, Pastor

Laws of Health–VI

V. Thou shalt daily use the powers of body, mind and spirit with which God has blessed thee.

"Arise, take up thy bed, and go into thine house." Matt. 9:6.

"Go thy way, and as thou hast believed, so be it done unto thee." Matt. 8:13.

Exercise, and a free and abundant use of the air and sunlight—blessings which Heaven has freely bestowed upon all—would give life and strength to the emaciated invalid." C. H. 54.

"God's purpose for His children is that they shall grow up to the full stature of men and women in Christ. In order to do this, they must use aright every power of mind, soul and body. They cannot afford to waste any mental or physical strength." C. H. p. 127.

"Moral, intellectual, and physical culture should be combined in order to have welldeveloped, well-balanced men and women. Some are qualified to exercise greater intellectual strength than others while others are inclined to love and enjoy physical labor. Both of these classes should seek to improve where they are deficient." C.H. p. 181.

"Men who have good physical powers should educate themselves to think as well as to act, and not to depend upon others to be brains for them." C.H. p. 182.

"We are to be workers together with God for the restoration of health to the body as well as to the soul. And we should teach others how to preserve and to recover health. For the sick we should use the remedies which God has provided in nature, and we should point them to Him, who alone can restore. It is our work to present the sick and suffering to Christ in the arms of our faith. . . The power of love was in all Christ's healing, and only by partaking of that love, through faith, can we be instruments for His work. If we neglect to link ourselves in divine connection with Christ, the current of lifegiving energy cannot flow in rich streams from us to the people." C.H. p. 31.

"Action is a law of our being." M.H. p. 237. Exercise is essential for the development of the body, the mind and the spirit. The wisest man who ever lived, King Solomon, wrote, "He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city." Prov. 16:32. "Ministers, teachers, students and other brain workers often suffer from illness as the result of severe mental taxation, unrelieved by physical exercise. What these persons need is a more active life." M.H. p. 238.

When Christ healed He called for action— "Arise and walk." In the parable of the talents Christ clearly taught that the physical, mental and spiritual gifts given to men were to be actively used for the benefit of others. Otherwise those gifts if left dormant would soon die. Let us be about our Father's business! R. W. SPALDING, M. D.

Baroda Investment and S. S. Rally

ON Sabbath, October 8, under the energetic leadership of G. H. Shaw, the Baroda Sabbath school responded to the INVESTMENT appeal by reporting the large sum of \$325. Baroda was on the INVESTMENT HONOR ROLL of last year with a per capita of \$7.39 in INVEST-MENT. But with the large amount already in hand this year their INVESTMENT per capita stands at the moment at \$13 but will undoubtedly be increased over this figure in the year for all offerings came to 69 cents per week per member, thus exceeding the 35 cents per week per member by 34 cents each. This speaks well not only for the leadership of the Baroda Sabbath school and church, but for the membership as well.

In the afternoon Elder and Mrs. Grau conducted a Sabbath-school Rally. The assembly room was practically filled for all the meetings of the day. A program of music preceded the afternoon rally. Singers and musicians from E.M.C. assisted in furnishing these special musical numbers, and Mrs. G. H. Shaw gave an interesting poem on Bible characters, which she had written.

The following Sabbath schools were represented at the rally: Baroda, Buchanan, Emmanuel Missionary College, Berrien Springs Village, Mio, and Dowagiac. A fine spirit of enthusiasm and progress prevailed.

Tour Reveals Great Progress

It was a pleasant privilege that came to Mrs. Potter and me recently to spend over two weeks in the Upper Peninsula of Michigan. It had been about thirteen years since we had made a similar tour of that important part of this great state.

The first week end was spent at the regional camp meeting at the Wilson church. We had the privilege of attending all the services and received most profound spiritual blessings. The interest and attendance continued remarkably good throughout the entire meeting. The message presented by Michigan's good friend, Elder J. D. Snider, of Washington, D. C., was one that will be long remembered by many of us and we sincerely hope that his message will soon appear in print for it is worthy a very wide circulation.

Following that camp meeting our tour of the Northland was made, visiting as many families as possible during the days and holding a service with a different church in the evenings and using sound motion pictures on a variety of mission, religious and temperance subjects.

We were impressed with the contrast be-

tween the days of our first visit when there was but one minister located in the Upper Peninsula and only one or two church buildings of our own with the fact that today there are six workers with new and beautiful church buildings in many of the leading centers. The workers there are carrying on a progressive soul-winning program.

An unexpected treat came to us while visiting Elder and Sister Pontynen of Houghton the last of September. They took us out into the country to show us their strawberry patch." Imagine our surprise to find there fifty acres of beautiful ever-bearing strawberries loaded with fully ripe fruit.

But the best fruit of all is the increasing number of believers in Bible Truth for these last days. E. R. POTTER

Book News

A GREAT need of long standing has just been filled. For many years we, as a people, have needed a book, from our own press authored by one of our own doctors which would delve into the problems of the marriage relationship from a physiological and psychological standpoint using the Scriptures and Spirit of Prophecy as a guide. This grand new book, Happiness for Husbands and Wives, by Harold Shryock presents, in a most refreshing and professional manner, vital information of great value to all young people approaching marriage, newly-weds and older-weds. Sensible courtship, the basis of a memorable honeymoon, the merger of personalities, intellectual and emotional conflicts, marital adjustments, sane attitudes toward sex, the responsibility of rearing children, and many other vital aspects of wholesome Christian living are presented with mature Christian insight. Read what Dr. R. W. Spalding, our Michigan Medical Secretary, has to say about this excellent new book:

"Happiness is that goal of mankind which like the phantom pot of gold at the end of the rainbow, seems always just out of reach. Happiness, that heavenly state to which we all aspire, may be found. We have been told that our homes should be a "little heaven to go to heaven in.' Dr. Harold Shryock, Professor of Anatomy and Dean of the Loma Linda Division of the College of Medical Evangelists, has with unusual tact and skill, brought together the basic facts of life and godly living, as revealed by the Word of God through the Bible, as enlarged upon by the Spirit of Prophecy, and presented by Science. Dr. Shryock has succeeded in approaching the sacred subject of marriage and the relationships of home life in a candid but thoroughly Christian way. In his book Happiness for Husbands and Wives he says: 'The adversary, in his relentless attempts to degrade the human race, has tried to destroy the concept of the sacredness of the family relationship. He has recognized the intensity of the divinely implanted physical attraction between husband and wife, and so has exercised some of his most subtle strategy in degrading and perverting the sexual functions. . . . Therefore the attitude of Christians toward sex should be one of holy regard and of a healthy openmindedness. Questions of sex should be treated with a sanctified frankness that removes superstition and avoids mystery.'

"In considerations of the family life there

is an unfortunate tendency to over-emphasize the role of sex. Probably it is in the happiest families that the least attention is attached to the sexual functions.

"Dr. Shryock has therefore given proper stress to the mental and spiritual side of marriage and to the multitude of inter-related problems that enter every home and affect every life. Whether marriage comes into the life or not, God expects each of us to develop the proper attitude toward all the gifts which He has given His children. God gave mankind His greatest gift, the power with God to bring a new life into the world, a new soul for His Kingdom, because He desired to have His children to know the the power of love—'for God is love.' I. John 4:8."

Happiness for Husbands and Wives is suitable for a shower gift, or wedding gift. Bound in a beautiful gift binding—only \$2.50. Order through your Missionary Secretary or direct from the MICHICAN BOOK & BIBLE HOUSE.

Ingathering Demonstrates Faith

It is very difficult to give to others or to share with others something which we do not ourselves possess. In fact, it cannot be done. Therefore it is of prime importance that when we co-operate in the *Share Your Faith* movement we make sure we possess that faith in the success of the Great Advent Cause.

In no better way do our young people demonstrate this than in their enthusiastic participation in the annual Ingathering campaign at our academies and colleges.

God favored us at Cedar Lake with beautiful weather Tuesday, September 27, the day which had been selected at the time of our annual camp meeting. Plans had been laid which, if faithfully carried out, would place some of our literature in nearly every home in the surrounding territory and make it possible for our neighbors to become better acqauinted with our world-wide mission work. Nearly every student and faculty member participated as well as some of our other church members.

About 25 automobiles carried these willing workers all over central Michigan. In spite of the fact that our many churches in this area had contacted many of the men and women and business places, our boys and girls were received with courtesy. The "I am a student from Cedar Lake Academy" was about all that was necessary to say, for this alone recommended the mission. "I have been looking for you to call again this year and have saved a little for you. I like to meet such fine young people as you have at that school."

Of course in some instances it was not quite that easy, but our friends look for our annual visit and are usually very kind and considerate.

By five o'clock the cars began to return. Some were loaded with watermelons and other garden produce. Some had clothes, groceries, merchandise, etc., while some had only eash. After supper a get-together program in the chapel revealed the fact that nearly fifteen hundred dollars had been contributed. After a final check-up we find that nearly sixteen hundred dollars was brought in to apply on our 1950 Ingathering campaign.

LAKE UNION HERALD

The Lord richly blessed us both in money and in other missionary ways. Quite a few correspondence courses were started as well as some personal Bible studies.

Our youth can do it! Let's be encouraged as we assist in making it possible for a greater number joining our ranks in our educational institutions.

We wish to thank our pastors and district leaders who so graciously participated, as well as our missionary secretaries from the local and union conferences.

Mt. Pleasant Opens New School

As a direct answer to the prayers and the active faith of the members of the Mt. Pleasant and Titus churches a school has been opened this fall to make Christian education a reality to twenty-one boys and girls.

The school, a rented public school building with equipment, is located midway between the two churches on highway M-20. The students-fifteen from the Mt. Pleasant church and six from the Titus church-are transported each morning and evening by various parents and church members. This problem will be simplified as soon as plans which are under way to provide adequate transportation in one load from each church shall be completed. Brother Lawrence Wolcott has been hired as teacher and finds his time well filled with all grades but the sixth.

Since this is the first time in more than twenty-five years that Mt. Pleasant has operated a school, and the first time in the entire history of the Titus church, it took a great deal of faith to go forward in this project. However, our faith increased as we saw the Lord open the way and remove obstacles, guiding us step by step. Every member of the church has a definite interest in the school and each one is doing his part to make it a real success. We have proved to our satisfaction that with unity of effort and the Lord's guidance great things can be accomplished. We know He will lead us through a very successful school year. R. A. WOLCOTT

Elder and Mrs. Munger Honored

On Saturday night, October 1, a surprise party of about seventy-five friends gathered at the home of Charles Travis for Elder and Mrs. M. E. Munger in honor of their thirtyeighth wedding anniversary. They were presented, as a token of our love and appreciation for them, a lovely table and lamp. Icecream and cake was served, followed by a program of music and readings, and ending with all standing and singing, "Blest Be the Tie That Binds.' MRS. EFFIE SQUIRE

News Notes

Health Service Giving Annual Examinations

THE college health service, under the direction of Dr. George W. Brown and Mrs. Evelyn Robinson, is giving the college students their annual physical examinations. These examinations are given to the grade school and academy students as well as the college students. Five days were spent on the grade school examinations, which included checking height, weight, temperature, pulse, eyes, ears, and feet. TB shots, smallpox vaccinations, and diptheria tests were also given. The examinations for college students, in addition to the things checked for the children, include a check of hemoglobin and a thorough examination by Dr. Brown. This gives an opportunity to find and correct physical defects, and safeguard the health of the student.

Thorough Checkup by Doctor and Nurses

Two nurses, S. Marie Porter and Audrey Rinehart, regularly assist Mrs. Robinson in the health service, and others are helping in the physical examinations, which will be completed by the end of this month. The nurses assisting in the examinations are Miriam Harold, Mary Ann Evans, Betty Lukens, Mildred Pingenot, Verna Strangway, Dorothy Bevilhymer, and Elsie Fields, Paul Robb, George Foust, Allen Hough, and Wilbur Wasenmuller are serving as laboratory technicians. Irene Stevens is the dormitory nurse.

Dr. Brown is in the health service office on Tuesday and Friday mornings, but no regular outline of the work is possible, according to those in charge, since the work of no two days is alike. Poison ivy, skinned knees from the grade school playground, cuts and bruises, all varieties of allergies, children who resent a smallpox vaccination, all are in a day's work.

Need in Life-Definite Aim

"The need of a definite aim and purpose in life" was the topic of the chapel talk given by Dr. Babienco, October 10. Dr. Babienco, an alumnus of EMC who is now practicing medicine in San Diego, California, gave a brief sketch of his life as an example of the value of establishing early in life a definite purpose. Born in Siberian exile, he lived in various parts of Europe during his boyhood, then moved to Saskatchewan. The experience which most impressed him there was learning to drive a team of oxen. Determined to get an education, he began his formal schooling at the age of 21, commencing in the third grade. His greatest problem in school, he recalled, was learning to deal with humanity.

"Success without an aim is an accident," continued the speaker. Nor can this success be achieved without sacrifice. When a man once decides upon a course, he must expect to make sacrifices to achieve his aim. There should be only one great *purpose* in life, that of service to humanity. The individual purpose should be in accord with the purpose of God. "What is your motive, your dominant, compelling aim?" he asked.

Greatest Want-Honest Men

"The greatest want of the world is the want of men,--men who will not be bought or sold; men who in their inmost souls are true and honest; men who do not fear to call sin by its right name; men whose conscience is as true to duty as the needle to the pole; men who will stand for the right though the heavens fall." Ed., p. 57.

The speaker cited incidents from the lives of great men whose determination carried them past obstacles and difficulties, whose motto was, "I will find a way or make one."

To conclude the program, Dr. Babienco illustrated the value of persistence in a hobby. He imitated a number of difficult bird calls, and, accompanied at the piano by Mrs. Leftrook, gave "The Song of the Thrush" and "The Robin's Return."
