A NEW YEAR RESOLUTION

By M. L. RICE

It is a custom with many to make New Year's resolutions as January 1 rolls around. Some take this as a good time to turn over a new leaf, make new pledges, and plan for a better life. There can be nothing wrong in such resolutions. They can be made at any time. Every move toward a better life is a move toward God.

There can be no better New Year's resolution for Christian believers than the resolution that Paul kept continually before him. It is a good resolution for every day of the year. "Let us go on to perfection."

This resolution reveals two things that are of great encouragement to every believer. First, perfection is possible; and second, it comes as a result of continued progress in the Christian life. The fact that Paul urges us to "go on to perfection" makes it crystal clear that this goal is within the realms of possibility.

Some shy away from this word "perfection." To be perfect seems impossible. When some think of their human limitations they say, "Well, if it means that I must be perfect, then there is no use to try."

The thought of perfection was taught and understood by the early Christians. Jesus said, "Be ye therefore perfect, even as your Father which is in heaven is perfect." Matt. 5:48. When Christ made this statement, the subject under consideration was love. He calls upon His followers to have perfect love, love to God and love to man. Just as God is perfect in love in His sphere, so His children are to be perfect in love in their sphere.

The rich young ruler came to Christ and wanted to know what he would have to do that he might "have eternal life." He was told, "If thou wilt be perfect go and sell that thou hast, and give to the poor." This young man was not perfect, and he was unwilling to follow the plan that would bring perfection. He lacked love. He was unwilling to love his fellowmen as himself.

In another place Paul expresses his de-

sire for the church in these words, "This also we wish, even your perfection." 2 Cor. 13:9. James adds this thought "But let patience have her perfect work, that ye may be perfect and entire, wanting nothing." James 1:4.

We are all traveling somewhere. Direction determines destiny. There are only two ways for travelers. If you have chosen the narrow way, then make your New Year's resolution to "go on to perfection."

At no time in your Christian warfare will you ever feel as if you have arrived. Never will you feel as if you have attained perfection. Paul who surely stands as an exponent of perfection, felt himself unworthy. "Not as though I had already attained, either were already perfect: but I follow after, if that I may apprehend that for which also I am apprehended of Christ Jesus." Phil. 3:12.

Perfection is not a matter of feeling. If we live by our feelings we will fail. The Christian life is not feeling, but faith. Those who reach perfection will never realize it. The burning question in the hearts of those who spend anxious hours waiting for the return of their Lord will be, "Is my robe spotless?" "If I justify myself, mine own mouth shall condemn me: if I say, I am perfect, it shall also prove me perverse. Though I were perfect, yet would I not know my soul: I would despise my life." Job 9:20,21.

Man has a very definite part in the struggle for perfection. When Christ is accepted as a personal Saviour, the past life of sin is forgiven, and the repentant sinner stands justified by the merits of Christ's life. "The righteousness by which we are justified is imputed. The righteousness by which we are sanctified is imparted. The first is our title to heaven; the second is our fitness for heaven."—*Christ Our Righteousness*, p. 118.

The above statement makes it clear that there are two distinct parts necessary to reach perfection—a title and a

fitness. First, we have justification, the imputed life of Christ, our *title* to heaven, which comes at conversion. Second, sanctification, which is imparted, our *fitness* for heaven, which is the work of a lifetime. Christ's life is imputed to us when we accept Him as our personal Saviour. We then have our title to heaven. From this point on we are to "go on to perfection" and attain a fitness for that title which is a home in heaven.

"But Christ has given us no assurance that to attain perfection of character is an easy matter. A noble, all-round character is not inherited. It does not come to us by accident. A noble character is earned by individual effort through the merits and grace of Christ. God gives the talents, the powers of the mind; we form the character."—*Christ's Object Lessons*, p. 331.

"So long as Satan reigns, we shall have self to subdue, besetting sins to overcome; so long as life shall last, there will be no stopping place, no point which we can reach and say, I have fully attained. Sanctification is the result of lifelong obedience."—*Acts of the Apostles*, pp. 560, 561.

"Perfection of character is a lifelong work, unattainable by those who are not willing to strive in God's appointed way, by slow and toilsome steps. We cannot afford to make any mistake in this matter, but we want day by day to be growing up into Christ, our living head." *Testimonies*, Vol. V, p. 500.

"Sanctification is a progressive work; it is not attained to in an hour or a day, and then maintained without any special effort on our part."—*Id.*, Vol. II, p. 472.

The thought of going on to perfection is implied by many expressions in the Scriptures such as—"Take up your cross," "fervent in spirit," "give diligence," "we wrestle," "press on," "watch and pray," "strive," "fight the good fight," "grow in grace."

Now is the time to "go on unto perfection," to grow up "unto the measure of the stature of the fulness of Christ."—*The Great Controversy*, page 470.

Servicemen's Kits Now Ready

ALL local conferences in the Lake Union now have available the special servicemen's kits, containing devotional literature, war-service leaflets, Bible helps, etc. These kits are made of durable khaki-colored material with an MV emblem sewed in the center, to remind the boys of their church ties.

We urge every church or MV society in the Lake Union to get a supply of these kits at once to present to each young man who is inducted into the service. Indications are that a stepped-up program of selective service will begin next month, with hundreds of our Adventist boys being drafted.

In presenting the kits, a special ceremony should be given either at the 11 o'clock worship hour, or at MV meeting, and should include a charge from the Bible to stand steadfast as a good soldier of the cross, a prayer of consecration for his guidance and protection should be offered, and he should be given the assurance that his church will follow him to the ends of the earth.

Young men who have *already been inducted* into the service during the past months should *also* be sent one of these kits, as we want all our boys to have this spiritual help and token of our church's love for them.

Let's not let one Adventist boy leave home for the service without this special church ceremony and presentation of the servicemen's kit.

Kits may be ordered through your local Book and Bible house. JOHN H. HANCOCK

Ten Years From Coast to Coast

TEN successful years of national broadcasting by the THE VOICE OF PROPHECY will have been completed on the last Sunday in December. Our program will then enter its second decade of preaching Christ and His message to the millions. The year 1952 will be the eleventh successive year of coast-to-coast broadcasting on the Mutual System, and the third on the American Broadcasting Company network.

Prior to the VOICE OF PROPHECY's coast-to-coast coverage in January, 1942, our broadcast was known only to West Coast listeners, being released in 1937 over the Don Lee Mutual network. It was in the same year that the name, VOICE OF PROPHECY, was first introduced to the public as the name of our program. Today, because of the blessing of Heaven and the prayers and support of God's people, it is known on every continent of earth. In nine languages His truth is proclaimed by our broadcast. The VOICE OF PROPHECY free Bible Correspondence Courses may be studied in more than forty languages and dialects, and Bible School headquarters are now within reach of ordinary mail. More than 105,000 have graduated from the Los Angeles Bible School alone.

It is the aim of THE VOICE OF PROPHECY to make every home a house of prayer and to familiarize every occupant with the great fundamental teachings of God's Word. The rapid pace with which this is being accomplished has astounded thousands who thought radioland would never support a religious broadcast such as ours. However, today most of those thousands are casting in from their own dollar supply to help support this tried

and proved method of sending the gospel with the speed of light. And how God must long for the finishing of His work! He is anxious for His people to come home. For that reason, if for no other, He will continue to bless this proclamation of the gospel over the air-waves. Surely He will bless every dollar given to add strength for the accomplishment of the task.

Will you, dear friend, begin to plan now to include a regular gift to THE VOICE OF PROPHECY in your budget for 1952? Systematic giving brings constant blessings to both the giver and the receiver. It keeps the channel open between oneself and Heaven and makes possible more careful planning by THE VOICE OF PROPHECY board for greater expansion in giving the gospel message. Here is the report of one who has been blessed by our weekly broadcast: "I turned your program on one Sunday in September and have not missed a broadcast since. Your program has done more for me than I could ever hope to put down in writing. Your references to the Bible have opened up a new avenue of thought, hope, and faith. Please keep broadcasting and helping us all. God bless you."

We invite you to join with THE VOICE OF PROPHECY staff in keeping the broadcast going out and bringing spiritual help to the listeners as we enter the second decade of national broadcasting.

OUR NEED

By S. B. ESSIEN

Native Pastor, Winneba District of Gold Coast, West Africa

WINNEBA town, the metropolis of the Afufu State, is practically two miles square, apart from the surrounding villages, and has a population of fifteen or sixteen thousand, most of whom are illiterate and without the knowledge of God. We are saddened with the responsibility of carrying the third angel's message to these multitudes. We think the fastest method is to get the parents through their children. With a school building and Christian teachers we could do a great work in carrying forward this Advent Message quickly. There are many villages surrounding the town, and these could also be reached every Sabbath by the teachers.

Our mission is to preach the gospel to every creature, and to win as many as possible. Whether we win them or not, we must tell them. We cannot reach all of them from the lecture platform, by personal contact, or by mailing *Signs of the Times*, or by other excellent methods. We stress the need for primary schools in this district, for parents will be won through their children telling them the good news of salvation. Other religious groups are using this method of winning parents through their children, and if we do not make haste we will surely find ourselves far behind. Let us move unitedly by taking the third angel's message through our schools and through our periodicals.

Some entertain fears that when they accept our message their children will be turned out of schools, as this is often done. They ask several times, "Why do you not start schools in conjunction with your mission? As soon as we see that you open schools, we

Elder Bergherm to Visit Servicemen in Korea

ELDER W. H. BERGHERM, International War Service Commission Secretary for the General Conference will visit Korea about the middle of January in the interests of our Adventist servicemen and the appointment of an overseas pastor for the Far East.

Since Elder Bergherm is anxious to do as much good as possible in a short time and make a maximum number of contacts while in Korea, he has requested that relatives or friends of boys in Korea get in touch with him immediately with any requests or other information which would be helpful to him in his itinerary.

Because Elder Bergherm will be leaving for Korea very soon, we are asking that you write direct to ELDER W. H. BERGHERM, 6840 East-ern Avenue, N.W. Washington (12) D.C. A personal visit by Elder Bergherm with your son, husband or brother in Korea will mean much at this time, so hurry that letter off with complete details NOW! Time is short. JOHN H. HANCOCK, War Service Secretary

Our Need

(Continued from page 2, Col. 2)

know that you are going to become established here, but when you merely preach the gospel, we know you will stay for a short time only, and will then go away as you have been doing all the while."

Other gospel hardened people also say, "You have done your good work in Asbanti without carrying it to the Coast, and now you have seen that other missions have trained us, you have come to snatch us and our children to your mission. Unless we see that you start opening schools, we will not allow our children to enter your mission." This is what D. N. Dherty declares, and to prove it he says: "During the 1948 Camp Meeting held at Nsawam, a great company of school children from other schools attended, and wanted to become members of our church, but when they returned home they were threatened with dismissal by their headmasters, unless they abandoned their new-found faith.

We want to satisfy the need of these people by opening schools for them. We want to harvest souls for Christ's kingdom. We want to finish this work of soul winning before He comes the second time. We have just started the great work entrusted to us. We need schools to train the minds and souls of these children that they may also carry the Advent Message of hope and salvation into their homes.

We see that the two factors by which the third angel's message is carried out are the medical work and the school. They are the right and left arms of the message. We are sure that our brethren and sisters throughout the world will unite in Christian fellowship with us and give a large Thirteenth Sabbath Offering overflow for this first quarter of 1952.

Indiana Buddies' Exchange

We have another letter from Pfc. Jim Bradburn of Indianapolis North Side Church. Jim is at Ft. Sam Houston, Texas and writes: "I had intended to write all last week, then I received the *Buddies' Exchange* Friday night and decided I had better write. I went over to the barracks and started in reading. It was nice and big this time and full of good news. The Exchange means a lot to me as I'm sure it does to all the fellows.

"A couple of Friday nights ago in our services here on the Post I gave a talk on "The Christian Faith Brings Confidence," and I used various instances that the fellows had written to the Exchange as examples for it is full of experiences of confidence and trust in God.

"The Church people invited us out to their homes for Thanksgiving Day dinner and it was my job to place all the fellows. There were 30 in all and everyone got a good din-

ner and a swell time. The church people here really treat us nice.

"Everything is going fine for me here. I like my job and the two colonels I'm working for. They treat me swell. Sometimes when I read of all the fellows over in Korea I feel that I have it too easy. But it seems so providential that I've stayed here so long that I felt He must have some purpose for me here in San Antonio.

"I'm planning on a furlough the 27th of this month, so I'll be dropping in on you one of the days while I'm home. I must close for now. Please print my Christmas greetings to all the fellows in the Exchange."

We are greatly encouraged when we get letters from our boys that are doing an outstanding work wherever they are. Some of our boys are overseas, some are in camps here in the States, and a number are still in training. No matter where they are, they are witnessing for Christ. If you know of a boy in service, please send us his address so that he can share the letters and experiences of his buddies, through the *Buddies Exchange*.

Knock and It Shall be Opened Unto You

RECENTLY one of our colporteurs working in the northern part of the state had a wonderful experience that we would like to share with you.

"In working my territory last week I noticed that so many people that I called on were Catholics. One family purchased *Bible Readings* from me, and was very interested. However, for the most part, people were very cold in response to *Bible Readings*. Wednesday the first four homes I called on were all Catholics. As I left I noticed a large black Nash pull up in front of the house. A priest got out of the car and started toward the house. I met him about half-way down the sidewalk, and he asked me if I were from the Review and Herald. I smiled and said, 'Yes, I am.' He invited me to his rectory.

"After we arrived at the church and entered the rectory, he began to reprimand me for selling our books to people in his parish. My first impulse was to give him a piece of my mind, to give him a few good texts of Scripture to think about, but then I realized this would get me nowhere. So, I acted as if I didn't know that I shouldn't sell these good books to his people. Then he got very nice about it and showed me how they needed the necessary approval first. So we talked for about half an hour. Before I left I showed him *Children's Hour* and *Bedtime Stories* and asked him what he thought of them. He seemed very pleased, so I asked him if he would mind if I sold them to his parish. He said, Of course not! Would you mind putting that in writing?, I asked him. Then he wrote me out a written authorization to sell our books there. Before I left he pronounced his special blessing on me and our children's books.

"I thanked the Lord that He had helped to open another door, because many of the people in his parish wouldn't buy anything from me if I did not have his permission. I found out later that he preached most of

his sermon the week before in mass about me, and not to buy anything unless it had necessary approval.

BOB HAMMOND"

Brother and sister, the Lord is using His people in a mighty way to give this message to a sick world. He will use only those who are willing to be used. Our annual colporteur institute will be held at the Anderson church January 25-31. If the Spirit is speaking to your heart to take up this good work, won't you contact the Publishing Department, 3266 N. Meridian, Indianapolis 7, Indiana. We can make arrangements for you to attend our institute.

New Company in Washington

It was a rare privilege and pleasure to visit the new group in Washington, Indiana, on December 20 and organize them into a Company. For a long time we have occasionally gone through this fine little city and always felt that we should have an organization there holding up the torch of truth.

Last summer the conference committee honored the request of Garnet Williams to conduct a tent effort in Washington. Assisted by Brother and Sister Winston Ferris of Berrien Springs, this effort was conducted with a very good attendance and interest. The offerings were almost phenomenal, which made the effort practically self-supporting.

On Sabbath, December 15, eight souls were baptized and more will be ready later. We already had three conference church members living in that area and it surely was a time of rejoicing when they saw their hopes and prayers realized by the perfection of an organization to further advance the cause of God in this portion of His vineyard.

Brother and Sister Garnet Williams have worked hard and long to develop the work in this new territory, but God has blessed their efforts and we are now looking forward to the time when this company will be strengthened to a full-fledged church.

Korea's Need Urgent

We have just received word that the General Conference Home Missionary Secretary, Elder T. L. Oswald, has sent the following cablegram from Korea: "There are 2,000,000 refugees in Pusan alone. The poor people are with no clothing and children with only shirts. Many will freeze this winter. Our own people need food, clothing, and shelter. Urge the Dorcas Societies to send Home Missionary Department in Washington five to twenty-five dollars. It will save scores of lives. Dr. George LaRue will buy supplies here."

Many Dorcas Societies have been sending packages of clothing to Korea. Our Dorcas leaders and workers always respond generously and promptly to calls of need. We are sure that at this time the response will be generous and prompt. If you desire to give, send these contributions to the Home Missionary Department of the Indiana Conference. We will quickly relay the money to Washington.

Price of GO Goes Up

THE Southern Publishing Association, publishers of the *GO* magazine, have just informed us that beginning January 1 the price of *GO* will be raised from \$1 to \$1.25. We urge that

subscriptions be renewed and that new subscriptions be rushed to the Bible House so as to take advantage of the low price of \$1. Every church elder, conference worker, missionary leader, missionary secretary, Dorcas officer and active layman, needs GO.

Wills and Property Estates

RECENTLY several estates in Michigan have been settled through the probate courts, in which Elder E. R. Potter had been appointed as Administrator. It has given us much satisfaction to know that thousands of dollars have come to the cause of God because the makers of the wills concerned had made proper provision for this, which otherwise would have gone to far less worthy purposes and in some instances would have been a curse to the receivers rather than its being a blessing in the work of the Lord.

As we have studied anew the instruction that has come to Seventh-day Adventists from inspired counsel we have been impressed with the good and wise admonitions. The following are examples:

"Many seem to have lost all sense of the fact that the property they are using belongs to God. Some who are aged are unwilling to make any settlement of their worldly business and in an unexpected moment they sicken and die. Their children who have no interest in the truth take the property." *Test.* Vol. 3:199

"While they have sound minds and good judgment, parents should with prayerful consideration and with the help of proper counselors, make disposition of their property. If they have children who are afflicted or are struggling in poverty, and who will make a judicious use of means, they should be considered; but if they have unbelieving children who have abundance of this world's goods and who are serving the world, they commit a sin against the Master, by placing means in their hands, merely because they are their children. God's claims are not to be lightly regarded." *Test.* Vol. 3:121

"It is the privilege and duty of the aged to place their means where it can be used in the cause of God, if they should be suddenly taken away." *Test.* Vol. 3:200.

"Those who make their wills should not spare pains or expense to obtain legal advice and have them drawn up in a manner to stand the test." *Test.* Vol. 3:117.

Perhaps many of our members in Michigan do not know that the Conference provides free legal counsel and much information that will help any one desiring to make disposition of their property when they are through with it so that it may go on working for them in the cause of God.

Such persons are invited to correspond with the Conference Office or write direct to Elder E. R. Potter, 749 Massachusetts Boulevard, Alma, Michigan, who is an experienced coun-

selor in this matter, who will gladly respond to your invitation to visit your home and consider your personal problem. No two wills are just alike and each needs individual consideration.

Many have had Elder Potter examine the wills already made and in some cases serious errors have been corrected. No attorneys without a knowledge of the special phases of our organization are prepared to make a sound will for Seventh-day Adventists.

Let Us Aim High

THE Remnant Church of the living God is the object of God's supreme love and regard. The love of God for His church is clearly taught by the apostle Paul in his letter to the Ephesians, chapter 5, verse 25: "Husbands, love your wives, even as Christ also loved the church, and gave himself for it." Notwithstanding the frailties of the individual church members, the Scriptures plainly teach that God bestowes His supreme love upon His church as stated in Psalms 87:2, "The Lord loveth the gates of Zion more than all the dwellings of Jacob." The sweet singer of Israel in Psalms 132:13 declares: "For the Lord hath chosen Zion; he hath desired it for His habitation." In Holy Writ Zion definitely refers to God's people upon whom He lavishes His blessing of supreme love. The evangelistic prophet of the Old Testament, Isaiah, makes this very clear that Zion, figuratively speaking, refers to the church for in Isaiah 51:16 it is written: "I have put my words in thy mouth and I have covered thee in the shadow of mine hand, that I may plant the heavens, and lay the foundations of the earth, and say unto Zion, Thou art My people."

God, in His own wisdom, sets some individuals in the church in positions of leadership and in the various offices to direct the different phases of work. This is clearly stated in I Cor. 12:28. In all of the churches in Wisconsin the Nominating Committees have reported and have now elected their church officers for the new year. It is a privilege to welcome every church leader and officer, whatever his position may be, to unite in advancing the cause of God's church in the new year. As the various officers in all the churches of the conference begin their duties for the new year, I want to wish the blessing of God upon their labors of love in behalf of God's church.

My prayer is that the Spirit of God will permeate the hearts of every church elder, deacon, deaconess, treasurer, Sabbath-school officer, young people's officer, Dorcas leader and assistant officers in every department of the work, that all may be found faithful in their positions of responsibility. Let us aim high and with vision permeated with God's love, lead the churches in Wisconsin to greater heights of spiritual living than ever before.

WISCONSIN ACADEMY BAND

Give Liberally To Worthy Student Fund

DURING this first semester, 180 students have had the privilege of taking classes at Wisconsin Academy. In these classes the teachers have endeavored to develop an understanding interest in the subject taken and to arouse and stimulate in the students interest in attaining the best from these fields which may help them in choosing their life's work.

Work has been provided for everyone of these 180 students. In their work program, every superintendent plans not only to train the students in effective work habits, but also to help them in discovering their own aptitudes and perhaps future occupation.

Ample opportunity has been provided for the students to develop an interest in the art of music. In addition to a very strong and active piano and vocal department directed by Miss Larmon, very excellent work is being done by Dorian Wilson with the band and private instruction in instruments. There are thirty-six members in the senior band

pictured. He is also organizing a beginners' band with a membership of forty.

Above all, however, the chief goal of Wisconsin Academy is to develop a spiritual faith, a confidence in God, and a desire for the simple Christian way of life. Our prayer bands, our Friday evening vesper services, our church services, Bible classes, are all directed toward the goal of developing a noble Christian character in the life of each student. Because of the unstinting sacrifice of faithful parents, and the liberal interest of many in the worthy student fund, all of these 180 students have been able to be in the Academy, sharing in the positive program which is being carried out in the interest of the Wisconsin young people.

In order that more students may join this group at the beginning of the new semester, January 21, and that those who are here may remain, let everyone continue to be faithful in giving even more liberally to the worthy student fund. MILDRED SUMMERTON

Our Colporteur Evangelists of

Wisconsin
have done
a great work
for the Lord
in the year
of 1951

MANY wonderful accomplishments have been made indicating His blessing.

We set the Conference goal to deliver \$75,000 worth of truth-filled literature for the year, and at present the figure stands \$72,000 delivered with two weeks' more reports to be tabulated which might exceed the goal. We will have a gain over the previous year, 1950, of \$18,000.

It has taken many hours and hard work on the part of our colporteurs to bring the above accomplishments about. One colporteur will deliver over \$7,000 and some others over \$5,000 each. A full and accurate report will be published when the year-end report is made.

Our student colporteurs delivered over \$11,600 and 16 went back to school with Scholarships. They were a real blessing to our field last summer.

The best part of all is the report of souls having come into the truth as a result of our colporteur work. Not all the results of their work appear on the surface. Many Bible studies are given, prayers are offered, pieces of free literature are passed out, folk are invited to attend meetings, some are found in need and reported to the Dorcas Society and there are many other things the colporteur does to help people find the Saviour.

Truly the colporteur work is missionary work of the highest order. W. C. WHITTEN

ANNOUNCING!

Annual Mid-winter Colporteur Institute, Milwaukee Central Church, 2229 N. Terrace Avenue, Milwaukee Wis. January 20-26, 1952

Strong plans are being laid to make 1952 a Banner Year. The Institute to be held in January tends to be one of the best yet. All our colporteurs over the state will be in attendance and many planning to start soon after will be present, too. All are invited to this Institute, and anyone who is not canvassing at present, and will promise to devote three full

months to the work, or deliver \$500 worth of literature within six months following this meeting, will have all expenses paid by the Book and Bible House. For further particulars, write to your Secretary in the Publishing Department.

We have our goal set to deliver \$90,000 worth of literature this New Year of 1952, with the expectation of many of you casting your lot with us in helping to finish the work in Wisconsin. Won't you respond?

God's Tenth

"ACCORDING to Lev. 27 : 30-33, a tithe had to be given of the seed of the land, of the crops, of the fruit of the tree, oil and wine, and of the herd or the flock. See Deut. 14 : 22, 23, also II Chron. 3 : 5,6. As the herds and flocks passed out to pasture they were counted. See Jer. 33:13, also Eze. 20:37, and every tenth animal that came out was reckoned holy to the Lord. The owner was not allowed to search among them to find whether they were bad or good, nor could he change any of them; if he did, both the one chosen and the one for which it was changed was holy. Tithes of the herd and flocks could not be redeemed for money, but tithes of the seed of the land and of fruit could be, but a fifth part of the value of the tithe had to be added."—*The International Standard Bible Encyclopedia*. JUST how long does one of the weekly FAITH FOR TODAY programs live? Now that sounds strange, doesn't it? Who ever heard of an inanimate thing like a television program being alive—or dead! Perhaps an explanation will help.

When the organ strains of *Faith of Our Fathers* die away each Sunday at the close of the telecast, one ordinarily would think

of the program as being finished and having done its work. Not so with the FAITH FOR TODAY telecast. You see, several stations that carry our programs must, for various reasons, show them at a later time; therefore, films must be made of our telecasts each week. The programs are filmed at the same time that they go to the "live" stations, and several copies are made. These are called *kinescope recordings*. They are actually 16 mm. sound films, and may be shown through an ordinary sound projector.

After the programs are presented on the kinescope stations, they are returned to our office in New York. Here they are put on file, and they become a lending library, available for showing to all who request the films from us. Various ministers and organizations from all over the country have requested films of the FAITH FOR TODAY tele-

In fact, our programs have gone not only to all sections of the United States, but to Canada, Bermuda, Hawaii, Australia, New Zealand, Europe, India, and to many other places. So you see, this is why I say that a FAITH FOR TODAY program continues to live on and on, bringing the good news of salvation to men and women around the world who perhaps have never even heard of television.

It is most gratifying to us that the films of FAITH FOR TODAY continue to make new friends for us; but more heartening still is the fact that they introduce the viewers to the best of all friends—Jesus Christ, the Saviour. Lyle M. Jewell, *Second Bass*

GO Change In Price

BECAUSE of rising cost for paper, other supplies, and labor it has become necessary to make a slight increase in the subscription rate to *Go*, the journal for Adventist Laymen.

Effective January 1, 1952, the subscription rate per year will be increased from \$1 to \$1.25 in the United States, from \$1.10 to \$1.35 in Canada, and from \$1.20 to \$1.45 in foreign countries. You will still find *Go* a top-value for your investment. Please keep in mind these new rates when placing future subscriptions. Thank you. I. H. IHRIC

LETTER TO EDITOR EXPLAINS TRUTH ABOUT THE SABBATH

HOLLISTER, Mo.—Fortunately Mrs. Katherine Jamison found that "once again I could not keep from speaking in defense of the truth."

The result was this forceful presentation of the Sabbath which doubtless caught the eyes of thousands of readers of the *Sunday Arkansas Gazette*.

What a tremendous witness for truth thousands of Seventh-day Adventists might bear

if, under the guidance of God, they would take up their pens in its defense through the letter columns of the daily press.

There's Been No Change in The 10 Commandments

To the Editor of the Gazette:

The letter from Mr. Sheffield inspires me to point out some important facts on this Sabbath question for readers of this fine column. Mr. Sheffield says the Sabbath was made for man under the Old Testament, but not the New. By reading the entire Book of Hebrews, one can plainly see that it is the old system of Levitical rites which has been done away with—not the unchangeable 10 commandment law of God which is mentioned even in the last chapter of Revelation. In Hebrews 4:8,9, we read: "If Jesus had given rest, then would He not afterward have spoken of another day. There remaineth therefore a rest (keeping of the Sabbath) to the people of God." Christ, Himself, stressed the importance of His commandments in Matthew 5:17-19. The women, after His death, "rested the Sabbath day according to the commandment." Luke 23:56.

The first day of the week is mentioned but eight times in the New Testament and there is no hint whatsoever of any sacredness being placed on that day. The term Sabbath occurs 60 times in the New Testament, in every case but one referring to the seventh day. This exception is Colossians 2:16, 17, where reference is made to the annual sabbaths connected with three yearly feasts observed under the old covenant which was out-moded by the death of Christ.

Yes, people were observing the first day before Constantine made his decree, but they were pagans worshipping the

sun god. Historians tell us all about this and the gradual change-over. Mark 2:28 says, "The Son of man is Lord also of the Sabbath," therefore the Sabbath is the Lord's day, as are all things which He made.

There is no contradiction in the Bible. The majority of Christendom has kept Sunday for centuries due to this attempted change (propheesied in Daniel 7:25). God winks at ignorance for a time, but now light on the Sabbath is shining for all to see and understand.

OBITUARIES

Koch.—Edward L. Koch was born Aug. 1, 1881 at Spring Green, Wis., and passed away Oct. 22, 1951. It was after he had married Mrs. Edith M. Krause on May 13, 1947 at Wautoma, Wis., that he became very interested in this Truth. I visited their home many times while I was in that district and I was happy to learn later that he had been baptized on July 23, 1949 and joined the Almond Church. He was laid to rest at the New Lisbon cemetery.

EMMANUEL MISSIONARY COLLEGE

Youth Rally at EMC January 11, 12

THE Missionary Volunteer society of Emmanuel Missionary College is hard at work preparing for a two-day youth event to be held in the physical education building, January 11 and 12. Laying plans for the meetings are Dr. H. L. Rasmussen, faculty advisor and Barry Burton, Theology major, from Ontario, Canada.

ELDER THEODORE LUCAS, Assoc. Secy.
General Conference M. V. Department

Guest speaker will be Elder Theodore Lucas, associate secretary of the General Conference Missionary Volunteer department who has just returned from a trip to Africa.

Elder Lucas will be featured at the Friday evening and Sabbath morning services. A former Lake Union Missionary Volunteer secretary, Elder Lucas is well known and greatly admired by young people of the Union. At the Friday evening service he will show a 45-minute-color film which he made while on his trip to Africa.

The rally is expected to draw over two thousand. It will have a "back-to-the-Bible" theme. A pageant portraying the Bible in the early Advent movement will be featured Sabbath afternoon.

According to a report from Elder John Hancock, Union MV secretary, the pageant will also touch on the influence of the Bible in the lives of present-day "pioneers" and young people. The story of the conversion of a soldier on the battle field in Korea will be told personally by a recently-baptized sergeant now stationed in Indiana. Elder S. E. Wight a minister and conference leader in Michigan for many years will also be featured during the pageant.

Membership in the "Loughborough League" will be stressed. This is a new Bible-reading course being launched in '52. It is named for Elder Loughborough, the Adventist pioneer who read his Bible through seventy times. The actual well-marked "Loughborough" Bible will be displayed at the rally.

A personal invitation has been sent to all conference M.V. secretaries in the Union to be present. All youth within driving distance of the college are invited to attend and enjoy these special youth-inspiring meetings.

Fifteen Students Nominated for WHO'S WHO

FIFTEEN students were recently nominated by the faculty to appear in the 1951-52 edition of *Who's Who Among Students in American Colleges and Universities*.

At a recent chapel President Christian presented the students to be honored a certificate representing their selection. The students selected are: Harvey Elder, Morristown, N.J.; Winfred Hardy, Berrien Springs, Mich.; William Coopwood, Hot Springs, Ark.; Edward Kopp, Lansing, Mich.; Armand La Sorsa, Pittsfield, Mass.; Beverly Lindner, LaGrange, Ill.; Lois Lutz, Fenton, Mich.; Dorothy Montgomery, Chicago, Ill.; Thelma Ortner, South Bend, Ind.; Barbara Popp, Franklin Park, Ill.; David Pillor, Duluth, Minn.; Herbert Pritchard, Akron, Ohio; Eleanor Pudleiner, Berrien Springs, Mich.; Kenneth Strand, Duluth, Minn.; and Hudson Zachary.

Students are selected for this honor on the basis of scholarship, citizenship, student leadership, and future promise. Each department head makes recommendations for this honor and the names are then submitted to the faculty as a whole where they are finally approved. No effort is made to evenly distribute students among the various departments.
