A Year of Precious Blessings at Emmanuel Missionary College

THE RATHER arduous but extremely satisfying annual task of signing nearly one hundred diplomas for the students of Emmanuel Missionary College who will be graduated in a few days, has been completed. As I signed each diploma and noticed the name of the student printed thereon, a flood of memories welled up in my mind and I could not prevent a frequent pause to think of the lives of service which doubtless are ahead of these students. Signing these diplomas makes one realize more than ever that another school year is rapidly drawing to a close. In many respects, this has been one of the best years in the history of Emmanuel Missionary College. When the use of the first page of the LAKE UNION HERALD was offered the college, I accepted the opportunity gladly, for it would permit a general report of the year's activities to be made to our constituency through the Lake Union Conference area.

In common with institutions of higher education generally throughout the United States, Emmanuel Missionary College experienced a gradual decline

P. W. CHRISTIAN

in student enrollment in recent years. We are glad to report, however, that this downward trend has been halted and that it is possible to report a slight increase. A total of 881 college students registered during the 1953-54 school year, as compared with 858 for the previous year. Even more encouraging is the fact that the freshman class which entered in September, 1953, totaled 298, as compared to 228 the previous year. It is also significant that the retention of students during the present school year has been much greater than in recent years.

The financial operation of Emmanuel Missionary College, has been affected by the drought of last summer, the declining economic situation throughout the nation, and the increased cost of operating a college in harmony with sound educational policies. During the last few months this situation has been reversed, however, and we are glad to report an improvement in the operating statement for the past three months as compared with the same months a year ago.

The curricular offerings have been enriched in several fields during the past year in order to meet more adequately the needs of our young people. The Department of Music has offered for the first time a new curriculum leading to the degree of Bachelor of Music Education, designed for those who are primarily interested in teaching music in elementary and secondary schools. A new program leading to the degree of Bachelor of Science in Nursing has also been inaugurated, in co-operation with the Hinsdale Sanitarium and Hospital. The Home Economics Department added a new curriculum, for the training of institutional chefs, to its regular under-graduate major and its pre-professional training for dietitians. The Department of Art, which

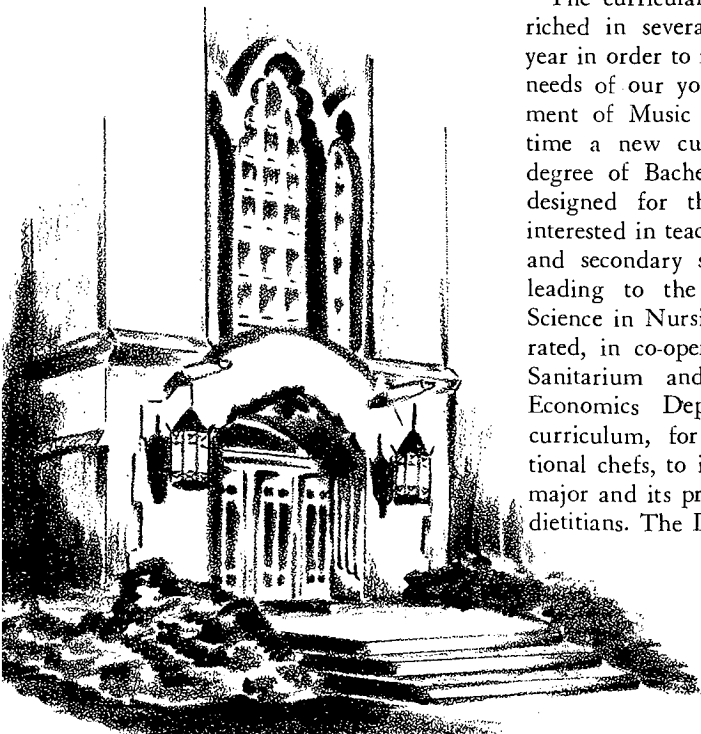

has previously offered a minor only, has this year been able to offer a major. A minor in Biblical Languages has also been announced.

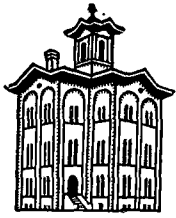

The instructional program of the College is conducted by a well qualified faculty of 71 (including the academy and elementary school). Of this number, 17 hold the Ph.D. degree and 39 the Master's degree. These teachers are distinguished not only for professional competence, but also for their deep personal interest in the welfare of each individual student.

One of the prime purposes of Emmanuel Missionary College is to provide a haven for our young people during their formative years. In addition to the regular daily and weekly religious services, two most challenging weeks of prayer conducted by Elders C. E. Wittschiebe and F. H. Yost, and the annual student-sponsored "Quest For Christ Week," have done much to help us gain a deeper Christian experience. Students and teachers have participated whole-heartedly in church activities through the year, and in the Annual Ingathering drive brought in a total of over \$12,500 to set a new all-time record for our colleges.

The new music building has been in use for the first time during the past year and is meeting the needs of that important department very adequately. The old music building and the old administration building were razed during the summer. With these changes, the campus took on a new appearance, which more than ever justified the reputation of "The Campus Beautiful."

This is an extremely brief report, but it will serve to let the constituency of Emmanuel Missionary College know that we have much reason to be thankful to God for the measure of success which has attended our efforts this year. We earnestly request the full co-operation and prayers of every Seventh-day Adventist within the Lake Union Conference to the end that we may increasingly find and fill the place which God has in mind for Emmanuel Missionary College.

Faculty Social Honors Departing Staff Members

AT THE final faculty social hour of the school year special recognition was given to nine faculty members who are leaving at the close of school.

President P. W. Christian acted as master of ceremonies for the evening and spoke words of appreciation on behalf of the entire faculty. In addition to this a colleague of each departing teacher gave a short speech and presented a gift on behalf of the faculty and college.

Interesting facts about faculty members not generally known, were brought out by a quiz program prepared by Miss Bonnie Hannah and Miss Barbara Phipps and conducted by Dean F. O. Rittenhouse. A piano solo was presented by Miss Margarita Dietel, Piano instructor.

FACULTY MEMBERS DEPARTING

Miss Rachel Christman, who since 1938 has been dean of women, will be missed not only by those on the campus but also by the many friends she has made

throughout EMC's territory and beyond.

The member of the faculty with the longest tenure, Dr. H. E. Edwards is leaving his duties with the school. Having been on the staff since 1920, Dr. Edwards, head of the education department, has aided and watched the progress of EMC through the years.

With the end of the current school year, two faculty members are changing to a marital status. Miss Bernice Webber, a graduate of EMC, who from 1919-21 and again since 1931 has been doing supervisory teaching in the elementary school, will be taking up new duties as a housewife next August. Miss Maude Fahrback, also abandoning single status, will become a June bride. Since 1950 she has supervised the health service and has been in charge of women's physical education.

Miss Beatrice Holquist, head of the home economics department, is also leav-

ing with the conclusion of this school year. Having been at EMC since 1935, Miss Holquist will be missed by those far beyond the circle of the home economics classes.

Prof. H. E. Hein, assistant professor of German, has been on the staff since 1947. In leaving EMC Mr. Hein will be missed as a teacher and as the manager of the Collegians.

Since 1948 Miss Dorothy Ferren has been on the staff as assistant librarian. She will take up duties at Pacific Union College where her parents are planning to retire.

An alumnus of EMC, Dr. Robert Borrowdale is leaving with the conclusion of this school year. Dr. Borrowdale, associate professor of music and director of the string organizations has been on the staff since 1950.

Prof. C. W. Mayor, instructor in chemistry, has been on the staff during the past year while Prof. John Christensen has been on leave of absence. Mr. Mayor also will be leaving at the close of the summer school.

After the farewells were said, the evening was brought to a close with refreshments. Mrs. Rittenhouse and Mrs. Garber presided at the punch bowls.

The expanding television ministry in the Lake Union is bringing definite results as evidenced by appreciative letters:

"If I am correct in the assumption that the principles taught on your telecast are the doctrines of your sponsor, I am eager to know more about the church itself. Can you send me literature about the beliefs of Seventh-day Adventists?"

ELDER F. W. BIBER

Gets New Principal

Immediately following the Commencement Address by Dr. Alvin W. Johnson of Washington, D. C. and the conferring of diplomas to the graduates of Wisconsin Academy on Sunday, May 16, Principal E. L. Gammon will relinquish his principalship to the incoming principal, Elder F. W. Bieber.

Professor E. L. Gammon has served admirably as principal of Wisconsin Academy and he has won the affection of the parents and student body, as well as members of the faculty. A host of friends wish Brother Gammon and his family Godspeed as he transfers to the Oregon Conference where he will serve as principal of Laurelwood Academy.

For the past four years Elder F. W. Bieber has been in charge of the Educational and Young People's Departments in the Wisconsin Conference, and in his travels among the church schools, young people's societies and the various congregations he has become well acquainted with the parents and youth in the conference. Elder Bieber has visited in many of the homes of our people and is beloved by the hundreds of juniors and youth in all parts of Wisconsin. The parents and patrons of Wisconsin Academy welcome Elder Bieber and his family as

they move to Columbus and he takes over the responsibility of leadership in connection with our conference academy.

Elder Bieber comes to Wisconsin Academy with a rich background of experience as a teacher in both academy and college and as an understanding leader of youth in search of a Christian education. Our church school teachers will take heart as they prepare the boys and girls in the various church schools of the conference to enter their training at Wisconsin academy under the fine spiritual leadership that Elder Biber will give them.

Practically all of the young people and parents are acquainted with Elder Bieber and arrangements for students who will enroll in Wisconsin Academy next fall should be made with the new principal from May 16 onward. H. J. CAPMAN

News Notes

★ A combined Investiture Service was held by Elder F. W. Bieber when the Clearwater Lake and Rhinelander churches met on Friday night, April 30. Other Investiture Services were conducted in the Tomahawk, Merrill and Polar Churches on Sabbath, May 1, also in the Eau Claire Church on Sunday night, May 2.

★ Some forty academy and college students will spend this summer canvassing in Wisconsin where they will endeavor to earn scholarships for the coming school year. Assisting these student colporteurs will be W. G. Wallace, Walter Nasvall, Richard Blessing and Miss Althea Waite.

★ Sabbath, May 8, in Madison some 15 converts were baptized by Pastor John Boyd. Elder W. A. Nelson delivered the morning sermon at this district meeting.

★ Construction of a new S.D.A. Church at Sparta, will commence on June 1. The Reedsburg members will also complete their church auditorium this summer.

HELP WANTED

DUE to the conditions that exist in this day and hour when men's hearts are failing them for fear because of those things which are coming upon the world, when nations are arming for the last great conflict and disasters are coming upon the world, indicating our Saviour's soon coming, the Publishing Department is requesting help from our brothers and sisters to join with the colporteurs we now have and to give this last message

GOD'S TENTH

AFTER Israel's deliverance from Egypt, during their training in the wilderness, they were taught many valuable lessons concerning their relationship and responsibility to God and His service. The system of tithes and offerings, which their forefathers had recognized, was established upon lasting foundations. Written laws and instruction concerning the obligations which were theirs were placed on record for their guidance and for the guidance of their children after them. Such is the instruction recorded in Leviticus 27:30-34. —Your Stewardship and Mine, p. 129

of warning to a collapsed world. There is room for all who would want to join our band, either full time or part time. If you work faithfully you will appreciate your new position in winning souls for the Kingdom.

All who are interested send your letter to the Publishing Department, P. O. Box 512, Madison 1, Wisconsin. When we receive your letter we will be only too happy to come to your home and spend some time explaining this wonderful plan to you.

We will be looking forward to many answering our ad. W. G. WALLACE

MINISTRY OF HEALING

NEWLY ADDED TO THE CHRISTIAN HOME LIBRARY SERIES, the book, *Ministry of Healing*, by Mrs. White, is no stranger to our people. It has just now been published in the handy, pocket-size, CHL edition. In simple and beautiful language this wonderful book pre-

sents a better way, revealing to us a simpler, sweeter life, full of joy and gladness. She has discussed: the builders of the home, its choice and preparation; the mother and child; home influences; and help in daily living. There is also a section on health principles, the care of the sick, and many other practical phases of life.

Not only is this book valuable in our own home life, but it is an excellent choice for a gift to anyone.

Ministry of Healing is now selling for only \$2 in the cloth binding, and \$2.75 in the handsome gift-boxed, deluxe edition. Order a copy today for your Mother, or Son and Daughter, or that friendly neighbor across the street. You will be giving them a book which teaches the co-working of divine with the human, mind cure, and what constitutes a true knowledge of God. Good News for Camp Meeting

THE GENERAL CONFERENCE has furnished us with a tentative list of guest speakers for our coming camp meeting, June 24-July 3.

The *Faith for Today* group will be with us for the evening service of June 28 and a part of the following day. The *Voice of Prophecy* group will be with us for the evening of June 30 and a portion of the following day. Elder R. M. Whitsett of the Ministerial Department of the General Conference will be with us all but the last two days of the meeting. Elder N. F. Brewer, and Elder L. H. Olson, secretary of the South American Division, will be with us through the entire encampment. It is expected that others will be assigned to our meeting following the General Conference Session, and possibly further announcement of this can be made.

Of course, our beloved Union President, Elder M. L. Rice, and his staff of workers will share their time with us throughout the meeting.

Prospects are for the largest attendance ever, and we are all assured of a spiritual feast. We are looking forward to meeting our Indiana family of believers on the campground, and ask you to join us now in praying that the camp meeting will be all that God wants it to be.

Help Swell the "Loud Cry!"

THE INGATHERING plan was conceived in the mind of a brother who longed to see the gospel finished and the coming of Christ hastened. Jasper Wayne said: "I am so glad the kind Father has put something in my hand that will help swell the loud cry." Ingathering is just that! It is a plan whereby every member can "help swell the loud cry!"

Today, Ingathering is the second largest financial item in expanding the gospel program, and swelling the message into the loud cry. Immediately, we recognize the necessity of a successful Ingathering program. It is further evident that every member should take this vital missionary project to heart.

Indiana's objective to "swell the loud cry" is the raising of the conference

A Real Missionary Opportunity

A large orphanage needs the right person to be "department mother" for a group of about ten girls ages 8-11 years. The woman must be someone who understands that fine line of firm discipline without harshness and still have unknown depths of genuine love for the children concerned. If the person has training for this line of work it would be a real asset, but is not essential.

We are looking for a Christian "personality" not just an "education" except

as it is an education in "life." The starting salary is \$135 per month with an increase to \$150, however, the individual lives in the Home and so has a minimum of expense.

An interview at your home can be arranged. Contact the Illinois Conference office, Box 7, Brookfield, Illinois, and state age, background, and experience, and enclose a picture if possible.

"Last Call" for SIGNS

THE TIME is here to make the "last call" for *Signs*. Have you made your '54 investment in *Signs*? For eighty years Adventists have followed the practice of making a small investment each year in *Signs'* soul-winning. A few dollars invested in this literature carrying our message to others, will bring good dividends. Souls are promised to us for these sacrifices.

The 80th Anniversary *Signs'* Crusade will soon be history. Surely, every member will want to have a part in circulating *Signs* during this notable year. We need to do something to tell our neighbors that Christ is coming soon. *Signs* is the answer! Send *Signs* to those you desire to lead to the Lord. Here is a way in which hundreds of souls can be lead to Christ. Time is short! Act now!

Only a few weeks remain to send *Signs* at the special rate of \$1.85. Remember the unusual 80th Anniversary Crusade offer—"Free"—one additional subscription for every five paid subscriptions. *June 30 is the deadline. Order your Signs* through the church missionary secretary.

Invest in *Signs* today! Souls will be won tomorrow!

Oakwood College Offering May 15

ON Sunday, February 22, 1954, two new buildings were dedicated at Oakwood College, Huntsville, Alabama. They were the new library and the new science buildings. Our Constituency is justly proud of this building progress, and now we are told that we can look forward to the full accreditation of this college within the next two years.

Our churches in the Lake Region Conference have been asked to take a special offering to assist in buying new equipment for this new science building. The college needs \$30,000 for this purpose. We are asking that a special offering be taken in all our churches on Sabbath, May 15, for the Oakwood College science building equipment. Let all our believers have a part.

News Notes

★ The Battle Creek Tabernacle is to be congratulated on its Ingathering record. This is the first time in their history that they have reached the high mark where they stand at the present time. The \$14,000 which has been raised this year extends by approximately \$3,000 any previous year. This is especially commendable in the light of news comments which have listed Battle Creek as the hardest hit city financially in the U.S.A. The closing of the Percy Jones Hospital and the shutting down of Fort Custer have caused unemployment and financial stress. Elder A. K. Phillips, his associates and all the members of the Battle Creek Tabernacle are to be congratulated for this fine attainment.

★ Michigan Ingathering has now passed the \$225,000 mark. This is a new record for Michigan under the Home Missionary leadership of Elder H. D. Burbank. Congratulations and commendations are due him and his associates and the faithful workers of the Michigan Conference who have worked with our consecrated laymen in making this attainment possible. We believe this to be a world record for one year in total amount raised in any one conference.

★ Sabbath, May 1, was a real day of rejoicing for the Grand Rapids church. With 520 members they have again made their Minuteman goal and we believe this to be the largest church to attain a Minuteman rating. Elder Knauft has had some very fine baptisms already this year and we rejoice over the fine progress being made in Grand Rapids.

★ The upper peninsula has the distinction of having every church a Minuteman standing. Congratulations to the upper peninsula.

★ The Grand River church in Detroit is struggling in the construction of their new church. They are working on about a half million dollar project and have contributed an average of more than a thousand dollars a week for over a year. In spite of this tremendous effort they have gone out and raised their basic goal under the leadership of Elder R. L. Boothby.

Working to Save Our Juniors

WHAT could be done to enliven the prayer services of our church was the problem facing the church leaders. With the *evangelizing* of our youth of the church on our hearts we decided to have a series of Junior prayer and *evangelistic* services. This proved a success from the first. Parents came to bring the children; this made the attendance each night for the twelve weeks average sixty. The Twentieth century film strips were used and explained by Mr. Weaver in language very understandable to juniors. They assembled in their Pathfinder groups with their respective leaders and banners, and in the front of the room the Pathfinder pennant was displayed.

Songs chosen by the children were used for song services with, *Into My Heart*, as the theme song each Wednesday evening. Some of their number rendered the special music each time. Prayer was offered in the darkened room, with the picture of Jesus kneeling in Gethsemane, on the screen.

The last of the series was the study on the Spirit of Prophecy. From this group eleven are presenting themselves for baptism. Nine were awarded Nature books for perfect attendance.

We appreciate the co-operation of our church school teachers, Mr. and Mrs. Butterfield, as well as the leaders and counsellors in our Pathfinder group which is very well organized and functioning efficiently. H. A. WEAVER

World's Oldest SS Member

MRS. SYLVIA JEWETT of Bay City is now one hundred years of age. She is the oldest living Sabbath school member in the world! On Friday, April 30, Elders Halladay, Grau and Lamb visited her in her home, where she posed for a series of pictures. These will be shown as slides at the General Conference Session at San Francisco and later in the various mission fields of the world. Mrs. Jewett had the privilege of twice seeing Mrs. E. G. White in vision.

The next day, Sabbath, May 1, Elder Halladay preached in the Midland and Bay City churches while Elder Grau assisted in the Teacher's Training Course at Bay City. M. F. GRAU

Teachers' Exchange, June 12

THE next meeting of the *Flint Area Teachers' Exchange* will be held at the Flint church, June 12, at 2:30 P.M. All Cradle Roll, Kindergarten, Primary, and Junior teachers of Sabbath schools within about fifty miles of Flint (or more!) are invited to attend this meeting. Helpful plans, ideas, devices, and illustrations will be presented to assist teachers in the Children's Divisions in the Third Quarter. Plan to attend and *bring an illustration!* M. F. GRAU

WE THANK YOU

THE TERRIBLE experience which came to Union College on the night of December 25 because of the fire in the boys' dormitory is now history. No one will know how much labor was expended to complete the task except those who lived in the dormitory, those in charge of the school, and those asked to raise the money necessary to make settlement with students and teachers. As we look back on it all now, we can see many blessings that God has showered upon all who participated in this great program.

The first call was sent out by the home missionary men in the three unions associated with Union College. The response in shipment of clothing, bedding and cash was marvelous. The second call that was sent to the conferences was relayed to the individual churches by the respective conference presidents. Again the response was wonderful.

And beyond all of our expectations and entirely unsolicited, Elder H. K. Halladay, home missionary secretary of the Lake Union, and Elder J. H. Hancock, the M.V. Secretary of the Lake Union, appealed to their departments for help. When these amounts reached our office, we discovered that they had raised the surprising sum of \$1955.89, \$447.49 of which was raised by the missionary volunteers. In addition to this, the students of Emmanuel Missionary College sent us \$140. How can we ever thank our friends of the Lake Union for sharing our burden

with their gifts in this great endeavor. The Northern, Southwestern and Central Unions had many reasons to come forward with large gifts since among those who suffered the loss of everthing were their own boys. We owe a real vote of thanks to the conference presidents, the welfare workers, and all members of our churches for their help and prayers.

The committee in charge of the program agreed to the plan of returning the funds—which were not used in making settlement with the students—to each organization at the close of the drive that participated in it. And we are very happy to report that we are privileged to return the sum of \$3472.59, which was divided on the basis of the amounts sent in by each organization. . . .

None of the money raised for this purpose was used for any other needs except for the boys and teachers in need. And nothing was used for repair, or replacement of furniture and building losses.

The Lake Union and student contributions are listed herewith:

FOLLOW UP

AS WE close the Ingathering work for this year, there is still at least one thing that everyone will want to do. Those who have been out soliciting both business places and homes will surely think of someone whom they have met who was interested enough to receive some of our literature.

You will want to send a book to some; others should have a subscription to one of our magazines. Among the books that are available is the book, *Drama of the Ages*, which was used last year for the missionary book of the year; or *Bible Readings*, used two years ago; or the book for this year, *Great Controversy*.

Among the periodicals will be *These Times*, the periodical which carries the special Ingathering number each year.

Signs of the Times is one of the finest missionary periodicals we possess. There is *Present Truth*, *Liberty*, and *Life and Health*.

Just send them some of the above-mentioned books or periodicals, and see what it will do for your Ingathering a year later when you return again.

One brother here in this Union told me that one year his Ingathering amounted to about \$80. He sent subscriptions of *Liberty* to 100 of the friends he had solicited. The next year he gathered \$900.

If we cannot afford to do it all, let our churches help from the Home Missionary fund taken up each first Sabbath of the month. There is no better way to prepare for a bigger, better Ingathering-work next year.

Why a CME?

The founding of the **College of Medical Evangelists** and its half century of growth have been inspired by the writings of the Spirit of prophecy. Writes Mrs. Ellen G. White:

"**Medical missionary work brings to humanity the gospel of release from suffering.** It is the pioneer work of the gospel. **It is the gospel practiced, the compassion of Christ revealed.** Of this work there is great need, and the world is open for it. God grant that the importance of medical missionary work shall be understood, and that new fields may be immediately entered. Then will the work of the ministry be after the Lord's order; the sick will be healed, and poor, suffering humanity, will be blessed."—**Medical Ministry**, page 239.

The purpose of the **College of Medical Evangelists** is to educate and train Seventh-day Adventist youth in the healing arts to carry out this instruction.
