## THANK YOU!

Everywhere—in the air, on the sea, and in many countries—letters are being written to thank you who supply the Servicemen's Literature Fund. Here are some of these letters of thanks:

*FPO San Francisco (somewhere in the Far East)*—"I wrote and asked for some literature to pass on to my shipmates. I don't know who to thank for the fine literature which I received. It's just perfect. I certainly want whoever deserves the thanks to know how much I appreciate it. I ask that you will pray for me as I witness for the Lord. I am really at a loss to try and appreciate the War Service Commission. I just don't know what to say. I am the only Christian in my immediate family. My parents are on the verge of separating. . . ."

*McConnell Air Force Base, Kansas*—"I certainly enjoy the literature that is being sent to me. I find that it is very refreshing to read and study. After I have finished reading it I pass it on to the patients at the hospital where I work. It is a very good way to bring our wonderful message to the other servicemen on this base.

"At the present I am the only serviceman that is an Adventist on the base. . . . I also find a use for some of the magazines in my Pathfinder work here. I must say that you and our church are doing a wonderful work for the Seventh-day Adventist servicemen. My sincere thanks and best wishes."

*Korea*—"The many church papers I receive are a constant help and blessing. Before I came in the service I hardly looked at them but now I'd not trade them for anything. I enjoy them so much."

J. R. NELSON, Director  
War Service Commission

## Camp Time!

Spring brings with it the irresistible urge to explore the secrets of the great outdoors. Youth who pursue this fascinating search find a recreation outlet that is invaluable in their physical, educational and spiritual development. The servant of the Lord has much to say about the value of time spent in this way. Notice these pertinent statements:

"There are modes of recreation which are highly beneficial to both body and mind. . . . Recreation in the open air, the contemplation of the works of God in nature, will be of the highest benefit." *M.Y.P.*, pp. 380, 381.

"While the Bible should hold the first place in the education of children and youth, the book of nature is next in importance." *Counsels to Teachers*, p. 185.

"So far as possible, let the child from his earliest years be placed where this wonderful lesson-book shall be open before him. Let him behold the glorious scenes painted by the great Master Artist upon the shifting canvas of the heavens, let him become acquainted with the wonders of earth and sea, let him watch the unfolding mysteries of the changing seasons, and, in all His works, learn of the Creator." *Education*, pp. 100-101.

The MV Summer Camp is designed to provide this opportunity under the most desirable circumstances. Dedicated Christian counselors and instructors, eat, sleep, sing, work, play, and pray with campers. This friendly guidance and companionship deepens the spiritual perception and develops the social and physical well-being of

Here in the Lake Union we are especially blessed with the finest of camp programs, under the direction of capable, consecrated leaders. The Conference Missionary Volunteer Secretaries are now planning and working to make this summer one that will never be forgotten. Eighteen camps will be conducted in the Lake Union this summer. For your ready reference, a complete list of the camps to be conducted is printed in this issue of the *HERALD*. Choose the camp for your young people now. Under the supervision of their leader, Mrs. Ollie Carlisle, and assistants, Mr. Henry Fanroy and Miss Ruby Carlisle, the children of the Bethel SDA church enjoyed a highly inspirational MV Week of Prayer. They were faithful in their attendance throughout the week. Voluntary participation in the prayer sessions gave evidence of their deep sincerity. Surely the Lord is strengthening them for the conflict of these last days. FLOYD HOLLIS

## Why Summer Camp?

Many young people are deprived of the advantages of summer camp simply because parents do not understand the purpose for which these camps are conducted.

Each youth camp is a well-planned, organized endeavor to win and hold our young people for Christ.

these campers from such varied home backgrounds, are many.

Wholesome recreation, nature study, interesting craft work, group living, Christian fellowship, plus a daily schedule of religious services and evening campfire talks, constitute only a part of the over-all plan to reach every camper's heart.

This may seem to be a strange type of evangelistic program to some; however, statistics prove that it is the most effective method ever devised as a soul-winning endeavor for young people.

When a well-balanced schedule for head, heart and hand is maintained, apart from the routine noise and clamor of this modern age, decisions for Christ are almost an inevitable result.

Do not fail to take advantage of this positive means of help for those God has entrusted to your care.

Ask your pastor for camp application blanks or send to the MV Department, Box 7, Brookfield, Ill.

## Our Foreign Publications

April is the official date set by the General Conference for promotion of our wonderful missionary magazines—*These Times* and our foreign publications. We are again combining the promotion of *These Times* and the special periodicals that are published by the Brookfield, Ill. branch of Pacific Press Publishing Association.

A special reduced rate is in effect during the months of April and May for our foreign periodicals. The rate is only \$1.25 for a single subscription, or eight to separate addresses for only \$10; overseas subscriptions only \$1.50. In sending orders to our Book and Bible House you are requested to specify the name of the foreign language journal desired.

For our Spanish friends a special journal is available in their own language entitled, *El Centinela*. The foreign *Signs* is also translated in five other languages. *Le Messenger*—French; *Zeichen Der Zeit*—German; *Sions Vakitare*—Swedish; and in the Ukrainian language. For twelve monthly issues these five journals cost only \$1.25 each.

The *Israelite* is a Jewish publication published quarterly which is prepared especially for our Jewish friends for only 75c per single subscription.

"If there are some who cannot give personal effort in missionary work, let them live economically, and give of their earnings. Thus they can contribute money to send papers and books to those who have not the light of truth. Let every dollar that you can spare be invested in the bank of heaven."—*Test.*, Vol. 5, pp. 372, 373.

Never before in the history of our work, has mankind stood where it stands today. Nations are spending billions to destroy mankind. We must sacrifice more to save than the world spends to destroy. Remember, more *These Times* and our foreign publications sent to our relatives and friends—more souls will be won and the work of soul saving will be completed.

## THE PASTOR'S VIEWPOINT

### "Broadview--God's West Point"

Just as West Point on the banks of the Hudson river is the military academy for training commissioned officers for the army of the United States, so Broadview Academy is the training center for the future leaders of God's army which is facing the greatest battle of all times.

No United States citizen doubts the importance of a military school second to none. Indeed, we would think it most stupid to send men to be trained in unfriendly lands to marshal the U.S. armies. But is it less folly to think that we can prepare workers for giving God's message in schools where they neither teach nor know God's message? Just how important do YOU think Broadview Academy is in God's program? Surely, you think the same as I do, that it is indispensable and therefore we must do something about completing the buildings.

If we expect to see Jesus and hear the "Well done, thou good and faithful servant," we will not close our eyes and ears to the call for such a basic

need as a representative training center for OUR YOUTH.

"As long as time shall last, we shall have need of schools. Our schools have been established by the Lord; and if they are conducted in harmony with His purpose, the youth sent to them will quickly be prepared to engage in various branches of missionary work. Some will be trained to enter the field as missionary nurses, some as canvassers, some as evangelists, some as teachers, and some as gospel ministers." —*Fundamentals of Christian Education*, pp. 359, 489.

Therefore let us all accept the invitation to share in the expense of building OUR "WEST POINT" at La Fox.

WILLIAM GORANSSON  
Pastor of Spanish Church

### Stop, Look and Listen

Suffering humanity around the world looks to us on Sabbath, May 9, to assist in supplying the necessities of life. How can we disappoint them at a time of great need?

You have now received your Disaster and Famine-Relief Offering can and we trust that you will place it on your dining-room table. As you give thanks may you be reminded to pray for and to extend a helping hand to those who suffer here in these United States and overseas.

When you drop your offering each day into this can, please remember: *The homeless refugees*—terrified by remembrance of sudden flight, without country and the needs of life—with clothing, bedding, and food.

*Helpless orphans*—children who are the helpless victims in war and every other disaster—who need your help and prayers.

*Disaster victims*—tornado, flood, earthquake, famine—with SOS help.

Yes, we earnestly appeal to you to STOP and consider the blessings in your life; LOOK again at the needy and suffering; LISTEN as the Holy Spirit tenders your heart to respond generously on May 9 when the Disaster and Famine-Relief Offering is received. For is it not "Pure religion and undefiled before God and the Father, . . . to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world." James 1:27.

## MICHIGAN JUNIOR CHOIR FESTIVAL

For several years the Michigan Conference has sponsored a Junior Choir Festival in Battle Creek. Last year 400 voices sang in this choir and with the large audience we have outgrown the Battle Creek Auditorium. We are fortunate in securing another place in Battle Creek. We anticipate the best program this year. The boys and girls have taken a definite interest in music as a result of this festival.

**THE TIME:** Sunday, April 26, 1959 at 2 p.m.

**THE PLACE:** Springfield High School Auditorium  
765 Upton Avenue, Battle Creek, Mich.

Those participating in the program will meet at the Battle Creek Academy for rehearsal in the morning. They will have lunch at the Academy and then go to the High School for the program.

All parents and others interested in good music are invited. You have to hear the choir to appreciate the excellence of its performance.

ning he would call for a testimony meeting and that the young people would be asked to come to the platform to give their testimonies. I was skeptical of this plan; I wondered whether these young people loved the Lord enough for this type of a testimony. When Elder Church made his appeal for young people to come forward to testify, immediately the sides of the chapel were lined with young people ready to respond. The pastor didn't make another appeal. He simply stood back and all but about 20 of our 260 students came forward and testified.

These are your children; these young people come from your churches. What are we going to do for these that their education might be full and complete?

May God richly bless all of you as you contemplate your gifts. Many should be giving \$100, and some could give \$500 and a \$1,000 if they only would. I am praying that our building program can go on unhampered for lack of funds.

### A Day of Fasting, Prayer and Dedication

April 18 has been set aside by the General Conference as a special day of fasting and prayer in behalf of our work and workers in the Far East, and for continued peace in a turbulent world. There is much unrest, and many outbursts of turmoil have been evidenced in various places throughout the world. Also there has been of late a greater acceleration of agitation for stricter Sunday laws in the United States. All this bespeaks of troublous and trying days ahead. Let us not forget to remember in our prayers our people and workers who are serving the Lord Jesus under hard and trying circumstances throughout the world.

On March 29, the Wisconsin Conference committee voted to set April 18 as a Pledge Day when each member of the Wisconsin Conference will make known his pledge to give toward the building of the administration building on the campus of the Wisconsin Academy.

It was also voted to raise \$50,000 by July 1 of this year. Some of you pledged last fall; others did not. We sincerely hope that on April 18 each church

### What Are You Going to Do?

Yes, what are you going to do on April 18? This is the day set aside for the special \$50,000 offering in Wisconsin for the new administration building.

It wouldn't be hard to receive this amount of money by July 1 if all could really feel the need for this project. I wish I had words to impress you with the need. This is not a luxury that is asked for; this is a necessity.

The folk who were here on March 29 were taken on a tour and many asked how we ever got along. Some departments are missing completely, such as the cooking laboratory taught in the dean's kitchen, and the sewing classes taught in a girls' dormitory room. The music building—the old farm house—is about ready to fall apart; some of our guests on March 29 hesitated to go upstairs in it.

I wish you might have been here on Thursday evening during our Week of Prayer. If all of you could have seen what those of us who were here saw, we could and would give \$100,000 on Sabbath.

On Wednesday evening Elder Church, our Week of Prayer speaker, made it known that on Thursday eve-

member will make his pledge or turn in his offering on that day if possible. However, you do have until July 1 to pay your pledge. Those of you who pledged last fall may want to increase your pledge if you can.

Let us ALL sacrifice a little and dedicate a portion of that which the Lord has so graciously given to us for the much-needed expansion of our educational facilities at the Wisconsin Academy.

Let us make April 18 a special day of fasting, prayer, sacrifice and dedication.

L. G. WARTZOK  
Secretary-Treasurer

### Academy Needs Studied

A meeting of the Wisconsin workers, church elders and academy promoters was held on the campus of Wisconsin Academy, March 29. The Lake Union Conference was represented by Elders W. A. Nelson and Vernon Flory, Eld. I. H. Ihrig, representing The Southern Publishing Association was also present.

A tour of the buildings and campus of the academy was conducted in the forenoon, with special attention given to the urgent need for the new administration building. Those making the tour saw how classes were conducted in facilities unsuited to such use. They saw the need for worship rooms in the dormitories, the need for an adequate laundry, library, music department facilities, industrial arts department, student chapel, and administrative office space. All these needs can be met either wholly or in part when the new administration building is completed. Those making the tour were convinced that the new building is a vitally needed unit toward the completion of Wisconsin Academy.

Following lunch the entire group met in the present chapel, in the basement of the girls' dormitory. This chapel space is crowded to an almost dangerous extent by the school family, in its routine use.

Speakers during the hour that followed were, Eld. F. W. Bieber, principal of the academy, Eld. W. A. Nelson, Educational Secretary of the Lake Union Conference, Eld. S. F. Pederson, pastor of the Madison church, Eld. J. B. Church, pastor of the Mil-

waukee Central church, Dr. W. T. Lindsay, member of the Wisconsin Conference executive committee, and R. E. Finney, Jr., president of the Wisconsin Conference.

At the close of the meeting those present were given the opportunity of making pledges toward the new building, payable by July 1. In a few minutes over \$3,600 was pledged by the workers and lay members present. A high level of enthusiasm and dedication was evidenced by the rapidity with which the pledges were made.

April 18 was set as the day on which this project will be given special emphasis in all the Wisconsin churches. On that day it is hoped that a total of \$50,000 in cash and pledges payable by July 1, 1959, will be received. The need is critical and we believe that the people of Wisconsin will gladly follow the example set by the workers of the conference and the local church officers gathered at the academy.

## Evangelism in Michigan

With the coming of warmer weather, evangelism is hitting its full stride in Michigan. This is the first of three reports on efforts now in progress, or soon to start in the Water Wonderland.

An air of expectancy hangs over the Battle Creek Tabernacle where the Boothby Crusade is well underway. The cornflake capitol, so rich in Adventist history, is being bombarded by the good news of salvation. Billboards, bus cards, newspaper ads, bumper strips, and radio spots and programs tell the city that something special is going on.

The workers in the Battle Creek District are unanimous in their belief that God is going to provide a rich and bountiful harvest of souls from the effort. At the present time there are 40 on the baptismal list. These are people who have known of Adventist beliefs for a long time or may have even been former members. The evangelistic campaign with its objective of reaching the lost is having an effect.

Cooperation from the membership is excellent. Says Eld. Charles Keymer, district leader, "The churches in the area are supporting us well. This includes the members in Bellevue, Delton and Urbandale, as well as here at the Tabernacle."

Evangelist Robert L. Boothby reports, "We have a tremendous interest. God is going to bless."

The first two weeks of the effort provided every night services. Now the meetings are held on Sunday, Wednesday and Friday nights. Sunday

In the nursery volunteer mothers ride herd on wiggly youngsters whose parents are hearing the sermon upstairs. The adults helping out in this endeavor are (left to right) Mrs. Marquerite Meadows, Mrs. Daryl Hoyt, and Mrs. George Hoyt.

is always a big night with special features. The Tabernacle Choir sings on this evening and the program is preceded by a film that draws many. Wednesday night is health night and doctors from the Battle Creek Health Center have a health lecture that takes the place of the regular song service. The youth take over the remaining night and the Academy Choir provides the music while young people serve as the ushers and participants on the program along with Elder Boothby.

Evangelism has strong effects. The number in attendance at the Sabbath services has grown considerably since the beginning of the campaign. An intensive visitation program is reaching hundreds of homes and the gospel invitation is being given.

The stirring sermons from the evan-

gelist provide the springboard for further action on the part of the visitors. Will you not join the hundreds who are praying for a mighty revival in Battle Creek and in other sections of the conference?

"No one ever reached the harbor of heaven by drifting."

### The Divine Blueprint Says:

"This is the very work the Lord would have His people do at this time. All who consecrate themselves to God to work as canvassers are assisting to give the last message of warning to the world. We cannot too highly estimate this work; for were it not for the efforts of the canvasser, many would never hear the warning."—Colporteur Ministry, pp. 6, 7.

Earnest prayer precedes the preaching of the word in the Battle Creek Tabernacle. Just before going on the platform for a recent Sunday evening meeting, Evangelist Robert L. Boothby, Dr. W. D. Taylor and Elders Robert Reiber and

Charles Hendrixson pause to ask a heavenly blessing on the evening service.

The harmonies of heaven are translated into earthly melodies by the Tabernacle Choir every Sunday night.
