REMEMBER MAY 8 OFFERING

Lake Union States Struck by Disaster

On Palm Sunday, April 11, a dozen or more tornadoes struck on a wide front in all four states of the Lake Union Conference. Since that date, the Lake Union states have also been plagued by devastating floods.

We are pleased to report that in many communities, scores of Seventh-day Adventist welfare workers went into immediate action to help people who were in need of clothing and household goods as a result of the disasters. By Federal law, in disasters of this nature, the Red Cross is automatically in charge of all relief work. Our state directors and local Welfare Centers work with the Red Cross and are under their direction in dispensing help in the stricken areas.

Indiana was probably the hardest hit by the tornadoes, with a high death rate of 130 or more people. Seventeen counties were declared disaster areas, and scores of homes were destroyed. The General Conference was quick to respond to this emergency with a generous gift of \$2,000, made
(See *DISASTERS* on p. 3)

(Below) Elder W. M. Buckman, Michigan Home Missionary secretary, displays a beaten copy of *YOUR BIBLE AND YOU* which appeared in the debris. Behind him is what remains of a large house trailer. This picture is from the Hillsdale area.

(Extreme bottom) A tornado which swept through the Adrian area of Michigan, completely demolished this modern brick church. Note the tumbled pews and the barren rostrum to the far left; nothing remains of the walls and roof. A special service was being conducted at the time the storm hit. One member of the congregation was killed and some sixty injured.

(Left) This is another view of the remains of the church in the Adrian area. The funnel lifted every automobile out of the parking lot, and dropped them in mangled heaps a block away. One such car appears in this photo with the church in the background. Propped against the car is one of the roof beams, and behind it is the keyboard from the electric organ. (Right) This was a modern brick motel just outside of Grand Rapids, Mich., until a twister ripped it to pieces. The wing in the foreground has completely disappeared, and the entire top floor of the section in the background is missing. The back wall of the remaining structure was entirely blown away.

(Left) Ladies working at the Kokomo Welfare Center are, left to right, Sharon Mote, Bessie Patton, Dora Pederson, Sarah Kratzer, Bernice Reynolds, Rose Porter, Marie Weaver, and Donna Bell. (Right) A service station in Kokomo was completely ruined by the tornado.

(Left) This is all that remains of a drug store in Kokomo. (Right) This automobile was blown from a parking lot across a four-lane highway.

(Left) Marion Dorcas ladies are shown on the job here with some of the clothing which was passed out to the tornado victims. (Right) Elder Ralph Combes works with the Marion Dorcas ladies as they prepare new blankets, bought with General Conference funds, for distribution.

available through the Disaster and Famine Relief funds. This money was used to purchase sheets, blankets and items needed that were not on hand in sufficient supply in our Centers.

The Avis (Rent a Truck) Company of Indianapolis placed one of their large trucks at the disposition of the Adventists and for four days this was used free of charge in carrying supplies to the needy areas of the Hoosier state. Indianapolis and Anderson churches gathered clothing and bedding to be sent to the severely stricken areas. Indianapolis radio stations ran spot announcements for the Adventists to help them in their collection of goods.

As of this writing, the Fashion Fair store in Marion has made \$500 available in new clothing items which are being passed on free by the Adventists in their distribution program which operates from the basement of the Marion Church. The Kokomo Church operates a Welfare Center in downtown Kokomo, and they were on the job immediately. Some of the church members worked all night in the hospital washing dirt from wounds and from the eyes of victims.

In both Marion and Kokomo, our ladies worked hand in hand with the Red Cross.

The J. C. Penny Company of Elkhart has made a contribution to the Elkhart S.D.A. Church. Clothing and goods are being distributed from the basement of this church, which is serving as a Welfare Center.

In Wisconsin, which has been battered by both tornadoes and floods, the Adventist Welfare units are ready for action, and are keeping in close touch with the Red Cross agencies.

Welfare units from the Elgin and La Fox churches and from the Illinois Conference office packaged trunks of clean bedding and clothing and transported them to the hard-hit Crystal Lake and Island Lake area, northwest of Chicago. A tornado had ripped into these two communities. The authorities in the Island Lake area called for pots, pans, dishes, and bedding for the victims in that territory.

It was reported that officials dispensing clothing were favorably impressed with the donations of the Adventist Welfare Units because the clothing and bedding were clean, neatly folded, and sturdily boxed.

Welfare Units in all four states are well-stocked and ready to help where ever assistance is needed.

Since that fateful Sunday of April 11, members of the Lake Union Conference have been made vitally aware of the need and benefits of the General Conference Disaster and Famine Relief offering. Little did we realize two years ago when this offering was taken in our churches, that we would be the needy recipients of goods supplied by these funds. Surely, when the May 8 offering plate is passed in all of our churches, we should do for others as they have done for us in our time of need.

Let Us Win More Souls

Through different means we are made aware that *El Centinela* has a great influence over a large number of its readers. The magazine has the necessary moral ascendancy to perform its evangelistic work. One proof of this is the response we receive to several devices for establishing direct contact with the readers. The Voice of Prophecy Spanish Bible Correspondence Course coupon we print every month brings the most encouraging returns. Let us see one example of the remarkable work the magazine does in this respect. Here is a paragraph taken from a letter we received not long ago from Elder Manuel Nestares, director of the Voice of Prophecy Spanish Bible Correspondence School:

"We are receiving enrollments from readers of *El Centinela* regularly. The number varies from week to week, but a conservative guess would be an average of thirty enrollments every week, which makes a total of at least 1,500 enrollments per year. This means that *El Centinela* is an instrument in the hands of the church to win souls that otherwise would never have known about the soon coming Saviour."

We can also see how much people trust *El Centinela* by the great number of requests for advice on personal problems of almost every kind. This, of course, gives us the opportunity to lead those readers to God and His Word as their guide and source of comfort. In many cases we send their names to local pastors who follow up the interest better. Some of these people, so thankful for the benefits they have received by following the advice given, have sent offerings to *El Centinela*. We know of some who have also given their own lives as living offerings.

If these readers are so ready to follow advice given by *El Centinela*, they may also be willing to accept the religious truths it presents every month.

A word may be timely here about the sources of articles for *El Centinela*, because you might like to know what kind of material we publish. Although we get some original articles written in Spanish and our staff contributes in every issue, most of our articles are translated from a wealth of excellent Seventh-day Adventist magazines. From English we try to select what we consider the best of the American *Signs of the Times*, *Listen*, *Liberty*, *Life and Health*, *These Times*, *Messiah*, *Signs of the Times* (from Australia), *Our Time* (from England), *Our Times* (from India), two French magazines (*Signes de Temps* and *Vie et Sante*), two Portuguese papers (*O Atalaia* and *Vida e Saude*). Sometimes we reproduce good editorials from our two sister Spanish magazines (*Vida Feliz* and *Juventud*).

Please use *El Centinela* with confidence because its material is the best we can possibly find to accomplish its soul-winning purpose, and mainly because the Lord has been using it for years to bring many souls into His kingdom. Would you add many more souls to the church by simply sponsoring more copies of *El Centinela* this year?

If you do not have names of your own Spanish-speaking neighbors, we are able to secure names of thousands of people whose only chance to know our message may be by reading *El Centinela*. If you supply the funds, we have plenty of good names. As in the past, the Lord will certainly add His blessing to our endeavors and your generosity.

New Full-color Voice of Prophecy Radio Log

A brand-new full-color radio log is now available from The Voice of Prophecy, listing all stations in North America which carry the broadcast. Every friend of the broadcast is encouraged to write for a supply of these new logs for individual presentation to others, with a prayer that they will become new listeners to the Sunday and daily programs. They are

free. Please request the number desired for use during a three-week period, as they are dated.

After seeing this new log, one conference president wrote: "Absolutely the nicest piece of advertising for The Voice of Prophecy or any broadcast we have ever seen."

This colorful log differs from previous logs in both size and format. Nearly twice as large, it is more readable and contains a beautiful full-color picture of Christ, a radio tower, and an open Bible. Pictured also are Elder H. M. S. Richards and the music staff. Included, too, is a list of free Bible courses with an enrollment blank for all who are interested in a better understanding of their Bibles. Bible courses for those speaking and reading other major languages are also available.

It is hoped that the personal appeal made through the lovely picture of Christ shown here and the impressive list of nation-wide radio stations will encourage many families to make The Voice of Prophecy a regular listening habit.

SPOTLIGHT

ON BOOKS

Listed in the Primary Reading Course for 1965 is a book that any little boy or girl would love to read or have read to them.

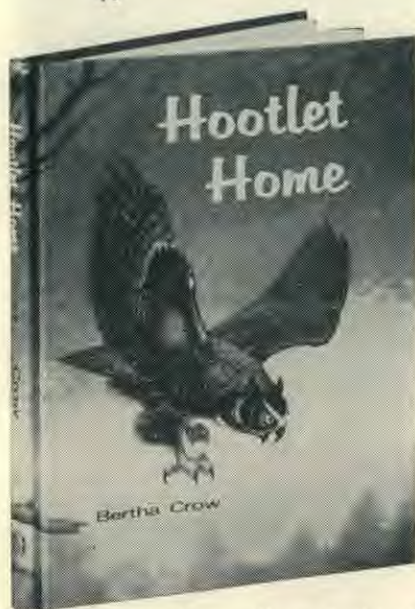

That same little boy or girl would also enjoy the picture illustrations that help to make the story more interesting.

The name of the book we are speaking about is *Hootlet Home*, by Bertha Crow. Its pages are filled with the exciting experiences of Herman the owl.

Hinsdale Celebrates 60 Years of Service

There will be something for everyone at the biggest event of the year at Hinsdale Sanitarium and Hospital on its 60th anniversary, May 7 to 9.

One of the most popular features of the event will be a closed circuit live television showing a Cesarean Section delivery at 3:30 p.m. Sunday.

Speaker for the 2 p.m. Sunday anniversary program will be Donovan F. Ward, president of the American Medical Association. During the week-end activities both Lake Union and General Conference officials will speak.

The Saturday evening historical pageant will feature glimpses into the fascinating development of one of the Seventh-day Adventist denomination's largest medical institutions.

On Sunday evening the alumni of the School of Nursing will have their annual meeting and banquet. Officers

report that many members are planning to return for the event.

Preceding the Sunday afternoon program members of the Midwest Chapter of the Model T Ford Club will bring at least 20 antique automobiles to the hospital campus for exhibition throughout the afternoon. Following the program, tours through the new intensive care unit and many other exhibits will be conducted.

To maintain the anniversary air within the hospital during the week-end, information and admitting clerks will be dressed in costume of the period when the hospital was founded.

Every member in the Lake Union is invited to attend this major event of the year.

A.A. March 9, on Tuesday evening, 38 Alpha Delta Nu boys' club members took a night off from the routine of studying to journey to Ainsworth High School in Flint for an evening of swimming. The boys were accompanied by Dean Rilea and Elder Gordon Carle.

A.A. On Sunday evening March 7, Adelphian's junior and senior classes gathered at A.A.'s new cafeteria for the Junior-Senior Banquet. The evening began with a meal consisting of Dutch soup and crackers, salad, entrée with creme sauce, mashed potatoes with gravy, green beans, rye bread, rolls, Dutch chocolate, and chocolate or coconut creme pie on tables decorated with wooden shoes and tulips. After the welcome by the junior class president, Bruce Leavitt, and the response by the senior president, Dan Schneider, the group moved to the auditorium which they found gayly decorated and arranged in the setting of a little Dutch village complete from windmills to dike and the sea. The evening continued with a song by Elder Richard Lange of the Walter-Lange Evangelistic team accompanied by Mrs. Winnie Rasmussen. The activities for the evening closed by the showing of the film "Hans Brinker and the Silver Skates."

A.U.A. The Academy Amateur Hour was held on April 18, at the S.D.A. school in Berrien Springs. An excellent program was planned, with an outstanding M.C., Dave Knecht, from B.C.A. The grand prize was won by Gordon Johns and Tom Umek, with their trampoline acts. Other prizes were given to Carolyn Dutton, Martha Myers, Jack Aldrich, Val Schneider, Penny Hare, Star Stevens, Stan Labianca, and Betsy Buck.

A.U.A. Student Government Day, March 24, was a day of interesting changes. The student faculty is as follows: Alf Klingstrand, principal; Val Schneider, principal's secretary; Kathy Mitchell, registrar; Martha Myers, librarian; and Chuck Crider as our guidance counselor. Other students assisted as teachers in the different classes throughout the day.

A.U.A. Students have been Week of Prayer speakers at morning and evening meetings. They are as follows: Star Stevens, "Music"; David Show, "Human Nature"; Clara Lou Nelson, "Let's Be Friends"; Lauri Lidner, "Love for the Unlovely"; Gordon Johns, "Staying Through"; Dick Hodder, "Our Only Hope"; and Aryls Barrett, "The Devil's Best Tool." Detamore Speaks at Flint Meetings

Elder Fordyce Detamore was the guest speaker at a series of evangelistic meetings held April 8 to 11 in Flint, Mich. With him on the platform, from left, are: Elder B. K. Mills, Elder A. J. Price, Richard Mummert, and Elder N. C. Wilson. The auditorium of Flint's Central High School auditorium was filled to capacity.

Seventh-day Adventists believe that the coming of the Lord is near, very near. He comes to reward the saints

and abandon the wicked to destruction. But before the Lord comes to remove His restraining benevolent hand from the wicked and uncommitted people of the world, He must send them the last warning message in the strongest, most forceful way ever used in the history of God's dealing with men.

An Old Testament prophet has depicted this final, most forceful warning message to the world in this way: "Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord." (Mal. 4:5.)

Now God through Malachi says that an experience similar to that which

Elijah had will happen "before the coming of the great and dreadful day of the Lord." A message in the "spirit and power of Elijah" (Luke 1:17) is to bring a dramatic change to nominal Christianity. Malachi also insists that Elijah's message would be the last warning message that would "turn the heart of the fathers to the children, and the heart of the children to their fathers, *Lest I smite the earth with a curse.*" (Mal. 4:6.)

Now I want you to notice that Elijah's work was not only the dramatic testing message on Mt. Carmel but also included a program of education for leadership. When the multitude of Israel was converted on Mt. Carmel, they needed an educational follow-up program lest Satan snare them back to their old ways. Ellen G. White in *Prophets and Kings*, pp. 224-225, describes this additional work on Elijah in this way:

"The schools of the prophets, established by Samuel, had fallen into decay during the years of Israel's apostasy. **Elijah re-established these schools**, making provision for young men to gain an education that would lead them to magnify the law and make it honorable. Three of these schools, one at Gilgal, one at Bethel, and one at Jericho, are mentioned in the record. Just before Elijah was

taken to heaven, he and Elisha visited these centers of training. The lessons that the prophet of God had given them on former visits, he now repeated. Especially did he instruct them concerning their high privilege of loyally maintaining their allegiance to the God of heaven. He also impressed upon their minds the importance of letting simplicity mark every feature of their education. Only in this way could they receive the mold of heaven, and go forth to work in the ways of the Lord."

I submit to you, fellow believers, that this school development program throughout the country is a fulfillment of prophecy symbolized by the coming of Elijah. If we believe that the S.D.A. church is doing the work of Elijah in Michigan, we too will re-establish the schools of the prophets in Cedar Lake, Holly, and Grand Ledge as did Elijah in Gilgal, Bethel, and Jericho. When these schools are rebuilt the church's heart will be cheered as "the heart of Elijah was cheered as he saw what was being accomplished by means of these schools."—*Prophets and Kings*, p. 225. "If conducted as God designs they should be, our schools in these closing days of the message will do a work similar to that done by the schools of the prophets."—Ellen G. White in *Review and Herald*, Oct. 24, 1907.

Your sacrifice for "the schools of the prophets" in Michigan will mean that the church will sound the last and most forceful warning message to the world "in the spirit and power of Elias to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just—to make ready a people prepared for the Lord." (Luke 1:17.)

God's Church: The Larger Family

In our desire to help the needy, we are sometimes criticized for neglecting our own church members in difficulty. A recent tragedy within our ranks proved a test of love for many.

Our small group at South Haven was happy when Mr. and Mrs. Shelby Jones and their five children came to make their home in our city. Mr. Jones was a city engineer, and his wife a school teacher. A closely knit and dedicated family, they contributed much to the successful operation of our local congregation.

South Haven was a happy choice for a home, as daughter Barbara could be a student at Andrews University and still be not too far away. Week-ends would often find her home with a number of student friends enjoying the lakeshore only a few blocks from the Jones' home. As many as 36 young people at a time would be present for Sabbath evening worship, followed by a roaring beach fire and lively song fest. Despite their heavy work schedules, Mr. and Mrs. Jones would be present to chaperone the party and enter into the festivities with as much enthusiasm and zeal as they displayed in their church responsibilities.

Our entire congregation was saddened upon learning that the Jones family would be moving to Bryon, Oh., where the father would be accepting a new job. Then, just two weeks after they had left us, tragedy struck without warning. Mr. Jones passed away. Now the closeness of this family's walk with the Lord stood them in good stead in time of severe trial.

But this was a testing time not only for the Jones family, but also for the larger family, God's church. And they did not fail. Our church members at Byron, Oh., brought comfort. Students who remembered the friendly Christian visits to the Jones home sent flowers, and some helped to drive through the night to the funeral which was held in Missouri.

Mrs. Jones decided to move to Berrien Springs so that she could have all her children together, even though she had not taught previously in that area. Sudden expenses were alleviated by a gift of some \$200 contributed by students at Andrews University. When moving day neared, church members helped with the packing, and members from both Bryon and South Haven arrived with their trucks to make the actual move. Upon their arrival in Berrien Springs, they were invited out to dinner. Although it was mid-term, Mrs. Jones faith was rewarded by a teaching position only a few miles away.

It is a great privilege to belong to the greater family of God, and to know that in time of difficulty there are many loving hands and hearts to help ease the burden.

"Ideals"

For the past several months, the children at Portage have been studying the early pioneers of our Advent Message. Grades one through nine have enjoyed studying the lives and experiences of each pioneer to advance the various departments of our work.

By keeping "Ideals" before our young people such as these examples, it gives them one more reason to work for, and prepare for, the eternal Home.

One small boy remarked, "I can't wait to meet Ellen White on the streets of gold in heaven." This is just one more reason for Christian education.

Boys' Dormitory News From Wisconsin Academy

After the dean, or the boys themselves, I suppose the dean's wife would be third-best qualified to write an article about life in the boys' dormitory. Anyway this is what I will try to do.

Last fall was the boys' turn to have Open House. In preparation for this, the boys spent many long hours painting the halls and stairways. Several painted their own rooms, too; and, of course, every fellow did his best to clean and arrange his room as neatly as he could. By Sunday evening every piece of furniture and cleaning equipment had somehow been put back into place, and the whole dormitory sparkled.

Last year the worship room was completely redecorated by money the boys themselves raised. The walls are paneled in walnut, as also is the pulpit.

(Left) A fall scene of the boys' dormitory at Wisconsin Academy. (Center) Dean of boys James Nash, talks to the boys during an evening worship period. (Right) Don Harrison, left, and Tom Johnson relax in their room in the boys' dorm.

A drape behind the platform, and potted ferns complete the decor, lending much to a worshipful atmosphere. It is hoped that pews can be purchased sometime in the near future.

As an incentive to raise money for the worship room, the dean promised he would contact several acquaintances to raise enough money to buy a portable TV set for the dormitory. The campaign to get \$350 for the worship room project was begun soon after school started, and by the October World Series the fellows were proudly watching it on their own TV. The boys appreciate the help of all who so kindly contribute to their dorm improvements.

A sauna room has been recently completed in the basement of the dormitory. The equipment for the sauna was donated by Harold Wolf, of Tecumseh, Mich. It is used extensively, not only by the boys but by the faculty as well. This is a low-humidity room with temperatures ranging around 160 to 200 degrees. After sitting on the bleacher-type seats and working up a good sweat, a cold shower is taken. This is repeated about three times, and after about an hour one leaves the room feeling refreshed and relaxed as never before.

At the present time there is only a small recreation room in the dorm, but it is well used. Almost any time of day, one can find a couple of fellows playing ping-pong and another group lifting weights.

Spring Choir Concert Mothers Day, May 9

The Milwaukee Central S.D.A. Choir will give their annual Spring Concert on Mother's Day, May 9, at 5 p.m. It will be given in the Central Church located at 2229 North Terrace Ave., Milwaukee, Wis. Mothers will be honored.

Everyone is welcome. Bring your friends.

March 22, the Knights of Honor Boys' Club successfully completed a campaign in which they raised money for a new stereo amplifier, two quality speakers for the lobby, and a wall projection screen for the worship room. As a victory celebration, all of the boys spent an evening at the Fall River High School swimming pool and gymnasium.

At the annual Academy Board meeting, it was voted to plaster the 17 rooms of the second floor old dorm section. This will be a big improvement over the present cement-block interior of these rooms.

Oftentimes I am asked how I like living in a boys' dormitory. Well, I can say that there is usually something interesting going on; and that with 90 or more fellows around, one never has a chance to feel lonely! I can honestly say that I've enjoyed each year, especially as I think back four years ago and remember what a long way our senior boys have come since they came here as freshmen. Some have grown a foot; others who seemed shy and quiet have become strong leaders on the campus; some, who a couple of years ago looked very unpromising, are this year holding much responsibility in the dormitory and elsewhere on the campus. It is always a thrill to see this kind of change in the boys you live and work with year after year.

Wisconsin Academy is a fine school; I am sure almost anyone who has been here would agree.

MRS. JAMES NASH, *Dean's wife*

A 20 per cent discount will be given on all Ellen G. White books sold at our big Mother's Day Book Sale to be held Sunday, May 9. The display will be at the Milwaukee Central Church Fellowship Hall. It will begin at 6 p.m. immediately following the annual Spring Concert. A beautiful new Harry Anderson picture will be given free with each purchase of \$5 or more. Lucky Lady Banquet

The Rockford Seventh-day Adventist Church feels it is one of the few churches favored with a bouquet of fresh roses every Sabbath and a rose bud for every lady who visits our church service. This project is not church sponsored. The flowers are a weekly gift from one of our loyal families, the Charles Swansons of Chana, Ill.

Little wonder then that the social committee chose as their traditional "lucky lady" banquet theme "Hearts and Roses," having selected for their first lady of the evening of February 13, Mrs. Charles Swanson. She was crowned by her 4-year-old granddaughter, Terri.

Complimentary messages and tapes were received by Mrs. Swanson from Alaska, California, Union College in Nebraska and from the mayor of Rockford and the city council of Rochelle, Ill., the home of "Rochelle Roses" owned by the Swanson family.

The decorations added a festive note to the occasion; clusters of roses lined the long white banquet tables. Festoon-like arrangements of hearts and red balls decorated the walls and ceiling. A flower-bedecked white lattice trellis was the background for the highlight of the evening, which was the "Chosen Four" a talented group from Andrews University. They sang their way right into the hearts of over 300 guests.

The evening was a delight for everyone. We felt our lives had been enriched in honoring Mrs. Swanson, who has one main purpose in life—giving of her time and talents daily to make this a better world in which to live.

Minister-Doctor Team Work With Chicagoland Czechoslovakians

Elder Joseph T. Krpalek, the new Czechoslovakian pastor, and members of the Czechoslovakian Seventh-day Adventist Church in Berwyn, Ill., welcomed two new self-supporting workers at the end of last year. They are Pastor Joseph Kubicik and his wife, Dr. Milena Simeckova-Kubicik, gynecologist and surgeon, a Loma Linda University graduate, class of 1951.

Following her internship Dr. Kubicik served for four years as a medical missionary in Dar-Es Salaam Hospital, Bagdad, Iraq. Dr. Simeckova-Kubicik transferred from the Heidelberg University in Germany to CME in the year 1947. During the war she worked for a while in a medical clinic at Ulm, Germany, which was operated by the United Nations Relief and Rehabilitation Administration. It was from this organization that she received a scholarship to the University of Heidelberg in 1945.

From 1957 to 1960, Dr. Simeckova-Kubicik was engaged in three years of residency training in obstetrics and gynecology at the White Memorial Hospital and Los Angeles County General Hospital. She was in private practice in Long Beach from 1960 through last year and was also an instructor in obstetrics and gynecology at Loma Linda University, Los Angeles Division.

Pastor Kubicik is a graduate of the Seventh-day Adventist Bible Seminary in Prague, Czechoslovakia, class of 1950. He has been in the ministerial work continuously since his graduation. His last assignment was the pastorate of 15 churches in northern Moravia, which is a province of Czechoslovakia.

He was granted an immigration visa one year ago and left Czechoslovakia in April. At present, Pastor Kubicik is engaged in language studies and plans to attend the Theological Seminary in Berrien Springs, Mich.

The Czechoslovakian Church has several projects in which Pastor Kubicik is participating. There are more than twenty persons who are, at present, being trained by him in lay evangelistic courses. The church also sponsors a bi-weekly broadcast on the Bohemian hour "The Voice of Hope."

Pastor Joseph Kubicik and his wife, Dr. Milena Simeckova-Kubicik, recently joined the Illinois Conference staff.

In addition to these responsibilities, Pastor Kubicik and his wife have been very zealous in their missionary visitation program for the Czech-American populace of the Chicago area.

They reside at 3535 South Maple Ave. in Berwyn, Ill., where Dr. Simeckova-Kubicik has established her practice in obstetrics and gynecology.

May the Lord richly bless them as they go forward in their labors in the Chicagoland area.

The World's Only Hope

Seventh-day Adventists have a positive message for the whole world. It is not merely a warning. It is the only hope. It is the only complete Bible message for the hour in which we live. These perilous times make it more urgent and vital than ever before that we get this certain hope across to those who are searching for the way out of the dilemma in which the world finds itself today. Each tick of the clock brings us closer to the time when the spirit of God will cease to strive with the hearts of men. Every daily newspaper reminds of a dozen last-day prophecies being fulfilled before our eyes. Now is the time we must live and share our faith in every possible way.

One of the most effective ways to do our part in this last message is through our missionary magazines. In the words of Ellen G. White, "Our publications are now sowing the Gospel seed and are instrumental in bringing as many souls to Christ as the preached word. Whole churches have

been raised up as the result of their circulation. In this work every disciple of Christ can act a part." "The great and wonderful work of the last gospel message is to be carried on now as it never has been before. The world is to receive the light of truth through an evangelizing ministry of the Word in our books and periodicals."

This warning message is the best news the sincere man or woman could ever hope to receive. Now is the time to do your part as never before by sending *These Times* to those who may never receive it in any other way. The Holy Spirit will attend it on its mission for Christ. Only in the Kingdom will we know some of the amazing results of the work of our Missionary magazines. W. R. BROWN

Browns Return to Indiana

The members in the Muncie District are happy to welcome back to Indiana Elder W. R. Brown. Elder Brown was born in Indiana. He graduated from E.M.C. in 1950. He comes back to us from Michigan where he had labored for the past 11 years. His last pastorate there was in Owosso and St. Johns, Mich. He has sung in the Gospel Heralds Quartet.

The Indiana Conference is happy to welcome he and his wife, Heralyn, along with their two daughters, Lynda and Brenda to our state. May their time here be long and fruitful for our Master.

Do More for Temperance

The Lord has truly blessed the Adventist people with a message for a dying world. An important part of this communication is our temperance message. As the total number of people dying of lung cancer approaches 50,000 per year, it becomes apparent to us that now is the time to use our knowledge and to use it loudly.

We have a number of good films in our office. We have two copies of "One in Twenty Thousand" plus "Time Pulls the Trigger" and "Cancer by the Carton." We also have three films on liquor and one on drug addiction. These are busy films. They travel from one end of the state to the other. Just this past week, one film on liquor, "Verdict at 1:32," was used in three evangelistic meetings. These films are also on demand by the public high schools in Indiana. A few months ago,

a teacher in Marion called our office and requested the use of "One in Twenty Thousand." We had to tell her no because both copies of the film were being used by other high schools. She was very distraught. She said, "But we've got to have that film. We use it every year and one class tells the class coming on about it. The students look forward to seeing that film. We can't disappoint them." We finally suggested that she contact one of our Kokomo members who has a copy of the film that he shows to high schools. It was the only thing we could do.

We have held 5 "Five Day Plans" in Indiana in the past year. We now have Smoker's Dial in Indianapolis and expect to extend the service to other Indiana cities soon.

There is so much more that we can do in this field, and so few workers. Last February, the members of our churches in Indiana were given the opportunity of spreading this great truth by sending *Listen Magazine* and *Listen News Service* to their friends, neighbors, doctors, public health officials, schools, Five Day Plan participants. We weren't asked to join the American Temperance Society as we have been in the past. We were asked to subscribe to a brand new service. *Listen Magazine* now covers tobacco topics as well as liquor topics. *Listen News Service* is an attractive newspaper that comes out bi-weekly. It is interesting and informative. We feel that you would be proud to send these to different people who would benefit by them, plus subscribing to them yourself.

Won't you answer this call? Turn your subscriptions in to your Home Missionary Secretary today. The cost is small—only \$2.50—and the results will be written in the books of heaven.

Books Open Doors and Hearts

Bill Johnson is one of our newer colporteurs. It was in March of 1964 that he began his work in the literature ministry. Since that time he has put in a total of 2,400 hours and has delivered \$13,594.05 worth of our literature.

God is richly blessing Mr. Johnson for his earnest endeavors. His sales have been increasing steadily, and he has been very diligent in witnessing for his Master.

Recently, while working from door to door in the Evansville area, he says: "I knocked on the door of a Methodist preacher's home. I was invited in and was able to leave a large set of *Bible*

Elder H. F. Otis (left) congratulates Bill Johnson (right).

Stories and a *Triumph of God's Love*. Later I went back to this home and delivered a complete set of the wonderful *Treasures of Life* books.

"A few weeks ago I again called on this sincere Methodist preacher and presented him with a copy of *The Seventh Day*. I was again received as a friend and the pastor told me over and over how wonderful these books are. He told how he had given the *Desire of Ages* to a family of his congregation. This family had a son who had given them a lot of heartache. This young man started reading *Desire of Ages* and was touched by the thrilling message found therein. He turned from his wicked ways, was converted, and baptized into this minister's church.

"Truly, these books are preparing a people to be gathered in."

Mr. Johnson recently received his credentials as a full-fledged literature evangelist.

Let us earnestly remember these literature evangelists as they go from door to door placing the message of truth in the hands of the people.

Youth Visit Chicago

April 4, the young people from the Indianapolis South Side Church journeyed to Chicago. One of the places they visited was the Museum of Science and Industry. They are shown in front of this museum.

Pastor David G. Rand, Battle Creek-Kalamazoo-Jackson, Mich., District, receives congratulations and a set of books from Elder R. J. Christian as a result of his district reaching their "Message" magazine subscription goal. Elder Xavier Butler, Conference Home Missionary secretary, and C. E. Bradford, conference president, also extend congratulations.

Conference Workers Attend Spring Promotional Meeting

The workers of the Lake Region Conference met in their Spring Planning Council Meeting at the Chicago office, 8517 So. State Street on Monday, March 29. The devotion for the morning session was presented by Elder C. E. Moseley, associate secretary of the General Conference, following which Elder R. J. Christian, circulation manager for the *Message Magazine* and Elder Xavier Butler, Lake Region Conference Home Missionary secretary, led out in the promotion of the *Message Magazine* Campaign. A special offer is being made to all the churches this year by the *Message Magazine*, and that is an offer of a beautiful set of four volumes of the *Origin and History of the Seventh-day*

Adventist Church for the library of each church that achieves its *Message Magazine* subscription goal of at least two subscriptions per member for 1965.

As a surprise to the challenge and offer by Elder Christian, Pastor David G. Rand, of the Battle Creek-Kalamazoo-Jackson, Mich., District, reported his entire district over their goal. Elder E. S. Dillet also reported his Evanston, Ill., Church having reached their goal. Sets of these books were provided each pastor to take back to his district to be put on display. Elder Christian reported very fine progress being made by the *Message Magazine*, and as an evidence of what the support of the churches can do, one more issue of the *Message* is being added this year. Additional issues will continue to be added, with our support, until it is back to twelve yearly issues.

We were privileged to have as guest Elder W. S. Lee, temperance secretary of the Pacific Union Conference, and Elder Nathaniel Banks, Regional secretary of the Pacific Union Conference. Publishing Department secretary of the Lake Region Conference, Hunter Crigler expressed the possibility of 75 student colporteurs securing scholarships through the sale of magazines this summer as a result of youth interests.

The afternoon meeting brought forth reports of baptisms by the workers as being ahead of last year's results for the first quarter. Their goal is for a total of 1,000 souls for 1965. The

biennial session for the Lake Region conference will be held at the Conference Campground at Cassopolis, Mich., on Sunday, June 13.

Camp Meeting session will start for a ten-day duration June 24 through July 3, 1965. More evangelistic meetings have been requested by the workers than there are tents to accommodate them for this summer. The final designation of these meetings will be announced later by the president, Elder C. E. Bradford.

The Missionary Volunteer Department's projection of a new Youth Camp site for lease this year and possible eventual purchase was presented and approved by the Conference Executive Committee. A conference-wide request for support was met with a \$5,000 response in cash and pledges, and our further progress is now pending upon our receipt of the pledges.

Elder R. P. Robinson, Book and Bible House manager, expressed appreciation for the support of the Bible House by the churches, but asked each pastor to encourage the payment of bills promptly by the churches.

Chicago Shiloh Church To Sponsor "Health Week"

A Community Health Week will be sponsored by the Medical Department of the Shiloh Seventh-day Adventist Church, 7008 S. Michigan Ave., for the Chatham Park and Park Manor areas beginning May 9, and extending through May 16. According to the chairman, Mrs. Pauline Campbell, R.N., this is the first step in a wide-range health program sponsored by the Medical Department in cooperation with the President's program for Physical Fitness.

Elder C. E. Moseley, associate secretary of the General Conference, gave morning worship to the Lake Region workers.

The most important event of the week will be the launching of a Family Blood Assurance program on May 12. Other features will include panel discussions, health lectures, films, exhibits, displays and pamphlets.

In order to insure its success, the Chicago Board of Health and the Lake Region Conference of Seventh-day Adventists are giving full cooperation to the "Health Week." Other organizations participating include the

American Cancer Society, the Tuberculosis Institute, the American Diabetic Institute, the Chicago Dental Society, and the Temperance Department of the Shiloh Church, Dr. G. C. Graham, leader.

Medical personnel participating will be a psychiatrist, a pathologist, a pediatrician, an obstetrician, and a general practitioner.

OBITUARIES

BEARDSLEY, Frederick Paul. Funeral services were held at 3 p.m. March 27 in the Pleasant Hill Seventh-day Adventist Church in Pleasant Hill, Calif., for Frederick Paul Beardsley, who lost his life in an automobile accident March 23, 1965.

Fred was born Feb. 12, 1930, in Charlotte, Mich. He attended Cedar Lake Academy.

Music Festival Held at Andrews University

Four-hundred fifty elementary and intermediate school students from all over the state of Michigan gathered at Andrews University April 18 for the yearly Elementary Music Festival sponsored by the Michigan Conference of Seventh-day Adventists.

The students represented the musical talents of about 15 Michigan S.D.A. schools.

The climax of the day's events was a massed choir and instrumental concert held at 2 o'clock Sunday afternoon in the physical education building.

Guest conductor for massed choir numbers was Eric Bekowies, director of the Battle Creek Academy choir, Battle Creek, Mich.

Chairman of the event was F. Graham Heppel, supervisory instructor in music for the University, and director of the Andrews University Academy band.

Academy Seniors Visit Campus

Approximately 500 Lake Union academy and high school seniors visited Andrews University during the recent annual College Days.

Activities included a campus guided tour, a special assembly, and teacher-student conferences. The program included attendance at a "Youth for Christ" meeting, recreation, and a cafeteria luncheon.

Scholarships were awarded to 16 academy students. Each academy was allowed one scholarship per 30 students. The recipients of the scholarships were: Adelpian—Gary Edwards, Daniel Schneider, Karen Wilcox; Andrews—David Meyer and Bonita Shaddock; Battle Creek—John Vetne; Broadview—Betsy Ross and Larry Wilson; Cedar Lake—Joan Daniels and Beverly Heyd; Grand Ledge—Mary Jeanne Smith and Gracely Snyder; Indiana—Debbie Goodman and Stanley Smith; and Wisconsin—Barbara Castleberg and Robert Chilson.

Each year a trophy is awarded the academy sending the largest percentage of its seniors to Andrews University.

The award this year was presented to Battle Creek Academy for sending 74 per cent of its 1964 seniors to Andrews University. John Vetne, senior class president for 1965 and Murray Lofthouse, class sponsor, accepted the award as representatives of Battle Creek Academy.

The number of Lake Union academy seniors has been steadily increasing. There are 494 this year compared to 414 in 1964 and 376 in 1963.

Walther to Publish Research On Albigenes

An essay, dealing with a medieval people—the Albigenes—will be published shortly in the journal, *Church History*.

Dr. Daniel Walther

With the support of a grant from the American Philosophical Society, Dr. Daniel Walther, chairman of the Department of Church History, pursued research on

the Cathari (Albigenses) of Southern France.

It was believed for a long time that most, if not all, texts and documents coming from this people had been destroyed by the Inquisition which came into existence at that time.

However, in the last 25 years, several most remarkable manuscripts and documents have been discovered, enabling scholars to reappraise the Albigensian drama.

Since their teachings were heretical to the Church, one of the bloodiest crusades was directed against the Albigenes, who, after less than a century of existence, were almost entirely exterminated.

The newly discovered manuscripts confirm to some extent what was known about them. But these texts have produced numerous essays trying to solve the manifold riddle of the Albigenes.

In a comprehensive essay Professor Walther has assembled and analyzed the recent discoveries drawing attention to one of the most tragic chapters in the history of the Christian Church.
