PETOSKEY CAMP-MEETING .

It is almost here--only a few hours and you will be taking the train for Bay View. It is just one mile from Petoskey. We are now pitching your tent. Don't forget to bring plenty of bedding as your friends will need their own. Everyone can bundle up a couple of quilts, a bed tick, a pillow and what other things he needs.

You know there is no excursion this year, you travel for only two cents a mile, so come early; try to be there the evening of the 27th. Come as early in the day as possible so you can get settled before night. Please remember that if you come late at night come the 27th, otherwise you would have to settle Sabbath evening.

I believe we should come to the meeting expecting a blessing. The Lord will be there expecting to give us one. There will not be very many more camp-meetings till Jesus comes and you will need all the help you can get, so we expect to see you the 27th or 28th.

SPECIAL ITEMS.

Tents

The tents are now being pitched, and a large number of orders are already in. In planning for the meeting we should remember to "take to the camp Bible, hymn-books, Sabbath-school helps, and such other books as may be needed for reference while there. Provide the camp home with chairs, tables, rugs, lamps, cups, pails, basins, toilet supplies, pins, needles, thread, scissors, mirror, and various other articles that persons and conditions may demand. Take as many members of the family and as many friends as may be induced to go. But worldly cares, perplexities, criticisms, unbelief, hardness of heart, and such like have no right to a place where God's people convene."

We should bear in mind that, "especially should the family tents, in their neatness and order, giving a glimpse of home life, be a constant sermon as to the habits, customs, and practises of Seventh-day Adventists."

Baggage

The Camp-ground is at Bay View, so be sure and get off at this place instead of Petoskey. Check your baggage to Bay View. Baggage will be taken to the ground grounds twice each day.

Conference Sessions.

The first meeting of the Conference will be held at 9 o'clock Friday morning August 28th. Delegates elected to represent their respective churches are urged to be in attendance at this first meeting.

Book Tent.

Come prepared to visit the book tent and invest in some of the truth-filled books and tracts. There will be a fine stock of Bibles on hand, prices to suit all.

Music.

Prof. C. A. Russell will direct the music at the camp-meeting this year and a male quartette will sing each day. We also have the promise of a violin and cornet. Bring your Hymn books and Christ in Song.

Speakers

Able help has been secured and among those expected to be present are Elder W. A. Spicer, Sec'y of the Foreign Mission Board, Prof. Frederick Griggs, Chairman of the General Conference Educational Department, Elder Allen Moon, Lake Union Conference President, Elder S. W. Wight, Dr. L. J. Otis, and Brother J. B. Blosser.

Temperance Rally.

A temperance rally will be held Sunday, August 230th, in which prominent speakers from Petoskey will participate.

Last But Not Least

Money spent going to camp-meeting is well invested. It generally pays good interest.

Somebody will be much disappointed if you don't come.

If you don't believe the Lord is soon coming, come to the camp-meeting and be convinced.

Meetings will be held daily for the children and youth and special effort will be put forth in their behalf.

"Your vision will be broadened, your sympathy and interest will be aroused, as the progress of the great world-wide movement with which we are connected is presented by speakers who have visited the different countries of the old world, the far East and the islands of the Pacific. Your liberality will be appealed to as the needs of this great work will be presented. Your faith and confidence in the message which has made us a people will be strengthened as you listen to the evening sermons and lectures, setting forth the fundamental doctrines of Seventh-day Adventists. You will be interested in the variety of exercises during each day, calculated to enkindle in the heart new desires for purity of life and devotion to the Master's cause."

A T T E N T I O N

To all our prospective students we would say that our Petoskey Academy Board is working hard to get everything in perfect running order and at camp-meeting many little details will be worked out. We are pleased to report that our number of students is growing every week and everything points to a successful school year. We are planning in every way to prepare our students for usefulness in God's cause.

We are planning on seeing most of our students at camp-meeting, but if not, let us hear from you before Oct. 1st.
