THE SECRET OF JOY.

O, the birds will sing throughout the day
With never a touch of sadness,
If only you let your own heart sing,
And ring with a song of gladness!

There's music a-plenty in the world,
If your ears are atune for hearing;
There's always a smile for a merry laugh,
And ever a cheer for cheering.

There's much of joy on this sunlit earth,
And much that can yield you pleasure;
But you'll find its voices answer back
To your own heart every measure.

'Tis the song within that helps you to hear
The song that the birds are singing;
'Tis the joy that you give to another heart
That home to your own is winging.

O, the birds will sing throughout the day
With never a touch of sadness,
If only you let your own heart sing,
And ring with a song of gladness!

—Robert Brown.

DRIFTING.

While crossing the Atlantic, and about one thousand miles in mid-ocean, we overtook a small steamer bearing the name of the Rose Lea, loaded with lumber and bound for England. As we came nearer her, we could see that she was making an effort to come nearer us, and when we were about a quarter of a mile away she began signaling to the effect that having lost her steering gear she was quite helpless, was drifting, and wished assistance. What she wanted was to be

taken in tow, but our officers said it would delay them two weeks, so refused the request, and our vessel passed on and left them behind, drifting.

This might seem to some to be a cruel, heartless thing to do, but remember it was not a case of life or death with the crew; they were in no immediate danger, as the weather was calm, and the sea smooth, and they had not yet come to the point of abandoning their ship. What they wanted was to save the cargo, to hold on to their worldly possessions, to save the vessel, and were willing to run any risk in order to do it. So we left them drifting with every breeze and wave, and what became of them, or rather what would happen if a severe storm arose and found them in that condition, one could easily imagine. It was sad to leave the little boat alone on that great expanse of water, without anything to guide them, but if they would stay with it what else could be done?

There are many such souls among us as a people who could be well represented by this steamer. They have lost faith in the truth, and consequently in the Word of God, their steering gear is gone, they are drifting with every wave of temptation and sin, but still they cling to their old craft of worldliness and are not ready to leave it, and will run any risk to stay by it. Were they ready to leave it and come on board God's vessel of truth which is strong, safe and sure, they would soon be carried into the port of safety. They would like to be helped, would

like to be saved, but want this to be done as they hold on to their cargo of worldliness. Those who do this will surely be passed by and left to drift on the great sea of sin and temptation, to be tossed about with every wind and wave and finally, should a storm arise, be swallowed up and lost forever.

Brother, are you drifting? Have you lost your steering gear; faith in God's truth and his Word, and are you being beaten about at the pleasure of wind and wave? Well, God's great ship of truth and salvation is passing by and is willing to take you aboard if you are willing to abandon your cargo of self and worldliness. Will you do it? It is your only hope for safety, and if you will do it you will soon find the desired haven.

WESTERN WASHINGTON.

RATES TO THE CAMP-MEETING.

Our brethren and sisters are very likely wondering why we have not given notice before this late date respecting reduced rates to the camp-meeting at Kent. We can take space enough to say only that the arrangements with the railroad company for special rate have just been completed, though we began negotiations with them some weeks ago.

We herewith announce to our people in Western Washington that the usual offer of a fare and a third is made for those coming by rail to the meeting.

The following points should be care-

fully noted to avoid disappointment to any:

(1) No one can get the reduced fare where the regular fare to Kent is less than fifty cents.

(2) No return ticket will be sold for less than twenty-five cents.

(3) Pay full fare on purchasing ticket to Kent, being sure to take certificate from agent showing payment made. Hold this receipt till you reach the camp-ground, and there have it countersigned by C. E. Knight, conference secretary. This will entitle holder to purchase return ticket from Kent to starting point for one-third regular fare. The offer to us of this reduced rate by the railroad company is conditioned on there being not less than one hundred persons coming to the meeting over the railroad lines and holding the regular certificates. Hence we urge all who can do so consistently to come by rail so that we may not be disappointed in getting the offered reduction in fare.

(4) Tickets under these special arrangements may be purchased over the Northern Pacific not more than three days before the opening day of the meeting, May 16, and are good for return only two days after the close, May 26; and over the Great Northern any time from two days before the date when work begins on the ground, which is May 6, to three days after the close of the meeting, May 26.

(5) Hold your baggage checks till you reach the camp-ground and there get advice at conference head-quarters in reference to drayage from depot to the camp.

Those coming over the Great Northern and having baggage checked will likely have to re-check to Kent in Seattle. It will be in the same depot, however, and can be quickly done.

The camp is about one-half mile west from the Northern Pacific depot and about five blocks west and north from the Seattle-Tacoma Inter-urban station.

Hoping this advice will reach all in time,

Sincerely your brother,
F. M. BURG,

President Western Washington Conference.

Reach up as far as you can and God will reach down the rest of the way.

MONTANA.

The State camp-meeting and annual conference will be held in the city of Helena, June 13-23. It will be preceded by a worker's meeting, and a ministerial institute. An instructive and interesting program has already been prepared. Following the camp-meeting will be held the State teachers' institute. We are looking forward to the largest and best camp-meeting that Montana ever had.

Elder W. F. Martin is visiting Red Lodge this week. From there he will go to Kalispell, and thence to Rollins to organize a church at the latter place raised up by the Kime brethren. On the way he will stop at Helena.

On the third inst. the writer conducted the funeral service of Brother W. H. Wright of Missoula. He died April 30th, of paralysis, having suffered greatly for six weeks previously.

He was in his seventieth year, a veteran of the civil war, and a faithful soldier of Jesus Christ. He died in the blessed hope, to await the call of the Life-giver. We extend our sympathies to the bereaved wife and family.

A corps of canvassers will soon take up work in Helena, engaging in the sale of the Signs of the Times. We trust this effort will be blessed of God.

Brother F. E. Fairchild is stirring up the canvassing work in all quarters. He called in Helena for a few hours on his way to Cascade, Great Falls, Harlem and Kalispell. His son Laurence and Brother Moore of Colorado are meeting with success in the vicinity of Townsend and Toston. Brethren Noble Rittenhouse and Victor Armstrong are canvassing in the vicinity of Kalispell.

W. A. GOSMER.

In behalf of the association,

W. F. MARTIN, President.

NOTICE IS HEREBY GIVEN that the annual meeting of the stockholders of the North Yakima Benevolent and Sanitarium Association of North Yakima, Washington, will be held at College Place, Washington, in connection with the Upper Columbia camp-meeting. The first meeting will be held on the third day of June, at 5:00 P. M.; object, to elect a board of directors and to transact such other business as may properly come before the meeting.

CAMP-MEETING RATES.

We promised at a previous writing to announce more definitely concerning the dates when tickets should be purchased for the camp-meeting. We are officially notified that three days prior to the beginning of the camp-meeting these tickets must be purchased. This means that on Monday, Tuesday and Wednesday, May 27, 28 and 29, tickets will be sold at the camp-meeting rates of one and one-third fare to the camp-meeting. Please be careful to buy your tickets on one of these dates, asking for a certificate stating that you are going to the S. D. A. camp-meeting at Walla Walla. This certificate will be presented to the secretary of the conference, and when signed by him will entitle you to return home at one-third fare. We have just been notified that the Northern Pacific has granted the same

CORRECTION.

In the issue of May 2 in Elder Breed's article the date of the Western Washington camp-meeting was, by an oversight, given as May 11-21. This should have been May 16-26.

WANTED—Sabbath-keeping man and wife to work at saw mill and board hands. Good wages. Man with team preferred. Stover & Weaver, Union, Oregon.

We note from the Pacific Union Recorder that Prof. W. E. Howell and wife are soon to go to Greece to open up the work in that part of the field.

There is no condemnation to him that is in Christ Jesus. You may pile up your sins till they rise up like a mountain, and then multiply them by ten thousand for those you can not think of; and after you have tried to enumerate all the sins you have ever committed, just let me bring one verse in, and then that mountain will melt away: 'The blood of Jesus Christ his

Son cleanseth us from all sin."—Moody.

The British Union Conference has begun the work of building on their property at Watford, near London, and the place will be known as "Stanborough Park."

"A poet has remarked that the way of the transgressor is hard because it is trodden by so many feet. It is cheering to reflect that, while the straight and narrow way may not be so well beaten as the other, the company is more satisfying, and the end of the road leads to life—not death."

WESTERN OREGON NOTICE.

Notice is hereby given to all whom it may concern, that the annual meeting of the Western Oregon Conference Association of Seventh-day Adventists, a corporation organized and existing under and by virtue of the laws of the State of Oregon, will be held in the pavilion on the Seventh-day Adventist camp-ground in the city of Portland, county of Multnomah, and State of Oregon, on Wednesday, May 29, 1907, at 10 o'clock A. M. The election of the board of trustees for the ensuing year, and such other business as may be necessary will be considered at this meeting.

T. H. STARBUCK, President.

EDITH STARBUCK, Secretary.

The office of the North Pacific Union Conference will be transferred from its present address to Walla Walla, Wash., about May 15th. Our address will be Rooms 15 and 16, Die Brucke Block. After May 10th all mail intended for the union conference, North Pacific Union Gleaner, the secretary, A. G. Adams, and the treasurer, C. H. Castle, should be addressed to P. O. Box 429, and not to the office address.

"Angels of heaven are taking notice of all our work, and watching to see how they can minister to each one that he will reflect the likeness of Christ in character and become conformed to the divine image."

Let all note carefully the NEW address of the union conference office.
