## West. Washington Conference

Office Address: Lippy Bldg., Cor. 3rd & Columbia Sts., Seattle, Wash.

President, J. F. Piper; Secretary-Treasurer, T. L. Copeland; Tract Society Secretary, T. L. Copeland; Educational and Y. P. Secretary, H. E. Willoughby; Sabbath School Secretary, Anna E. Piper; Field Missionary Secretary, Arthur Russell.

### WESTERN WASHINGTON MISSIONARY ACADEMY

The Western Washington Missionary Academy is assuming proportions now that are noticeable in its construction. At the last camp meeting all were enthused with the thought of having a school to meet the needs of our conference, so action was taken to make possible this plan by starting a fund.

The first occasion to mark the era of the new enterprise was held April 29 when the Executive Committee of the conference, then in session, repaired to the campus together with others interested directly in the work of the school and the first shovel of soil was taken from the ground by Elder Piper, thus marking the place where the corner stone will rest. Brethren Kingsbury and Reis had the stakes driven and everything in readiness marking the site of the proposed building.

Before the Scripture lesson was read from 2 Chron. 34:14 and onward, remarks were offered by nearly all present expressing thanks to God for making possible the school and for the location which contributes so much to the welfare of the school work. The day was all that could be asked for; and with nature taking upon itself the leaves and foliage of spring, the ceremony was attended by a sacredness which was apparent.

We gathered into a hollow square surrounding the shovel of soil and bowed our heads while Elder Holbrook lifted his heart to God in praise and thanksgiving. Thus the first effort in the breaking of the soil was dedicated by prayer; and the workmen, who day after day labor to bring to completion the building and to beautify the grounds, were commended to the keeping power of our Father above.

Building material is being rushed on to the grounds and machinery being installed, so that the completion of the building will be insured by the opening of the school term in September if possible.

The business men of Auburn in conjunction with the conference are arranging for a program for the laying of the corner stone on May 27 at 3 p. m. More details of this program will be given later.

The committee on calendar has the manuscript in hand and ready for the press as soon as cuts are completed. It is desired that every young person in our conference shall be supplied with a copy giving detailed information concerning the school and its work.

Professor Shepherd of Michigan will head the school as principal and assisted by the best teachers available we shall look forward to a school of merit in fitting young men and women for responsibility in the finishing of the third angel's message.

All who are interested in receiving a calendar of the Western Washington Missionary Academy as soon as it is off the press, send your name and address at once.

### TRAINING OF OUR YOUNG PEOPLE

A muddy stream flowing into one clear and sparkling, for a time rolls along by itself. A little farther down they unite, and the whole is impure. Just so the youth may for a short time keep their purity in foul company, but a little later they are sure to mingle.

Church members, what are you doing to keep the youth-streams in your church serene and pure? "God requires that the church arouse from her lethargy, and see what is the manner of service demanded of her at this time of peril. The lambs of the flock must be fed. The Lord of heaven is looking on to see who is doing the work he would have done for the children and youth. . . . As a church, as individuals, if we would stand clear in the judgment, we must make more liberal effort for the training of our young people." Counsels to Teachers, page 42,43.

Then if you "would stand clear in the judgment," start in talking church school wherever you go to services, whenever you meet a brother or sister, whenever you see a child, whenever you pray. It may take faith to do it, but we are living in days when God demands faith of his followers. "Here is the patience and faith of the saints." Rev. 13:10.

Do not think your duty is done when you finally are rewarded by having a good church school in your community. Your efforts have only started then. Four hundred fifty or more youth of high school and college age in this conference are not in our institutions of learning. Talk, sing, write, pray, about our new until the two terms are eternally academy and missionary training

inseparable and the inspiration has so caught our young people that the one topic of conversation among them from one end of the conference to the other will be "When we meet at the academy next September."

### WESTERN WASHINGTON MISSIONARY ACADEMY

Those who have given of their means for the upbuilding of the Western Washington Missionary Academy may be interested to know that materials, machinery and workers are arriving on the grounds.

Actual construction is under way and donations of money, materials or labor will be much appreciated at this time.

Young people who may desire to enter school this coming winter may have an opportunity to earn part or all of their expenses for the coming school year by assisting in the construction of the buildings.

The workers and students would appreciate the loan or gift of one or more good cows as we have need of dairy products from now on until the school is out next year.

Anyone who can donate a dozen or more hens will help materially to furnish eggs for breakfast.

Hoping to hear from you soon, I am

Sincerely your brother,

Geo. L. Kingsbury, Supt.,

## Southern Oregon Conference

**Office Address, Sutherlin, Oregon**  
 President, J. A. Rippey; Secretary-Treasurer and Secretary of Missionary Society, E. C. Stiles; Educational Superintendent, Asst. Educational Superintendent, Miss Vesta Kruse; Field and Home Missionary Secretary, O. H. Shrewsbury; Sabbath School, Young People's and Corresponding Secretary, Miss Vesta Kruse; Medical Missionary Secretary, R. I. Hall, M. D.; Religious Liberty Secretary, A. V. Rhoads.

### SUTHERLIN ACADEMY

In equipping our Academy at Sutherlin, we need three more pianos. We have only one up to this time, which will be used in the music studio, and we need one for the boys' and one for the girls' parlor and also one for the gymnasium. In addition to this we have need of one more organ. It is possible that some of the brethren and sisters in the Southern Oregon Conference could donate an instrument to the school, or if you are not able to make a donation, you could possibly sell at a greatly reduced price. Please write to the office and let us know if you have such an instrument. J. A. Rippey

### NEWS NOTES

Brother Shrewsbury is spending a few days in the southern part of the state in the interest of the canvassing work.

The urgent call from the Klamath District for a worker for that field is now being answered, for Elder T. L. Thuemler left this morning en route for Klamath Falls, in company with Elder Rippey, who will spend a few days in Klamath County. Elder Thuemler plans to hold a tent effort in Klamath Falls. Let us pray that God will bless the effort put forth and that souls may receive the light of truth and be saved.

Brother R. R. Syphers, of Noti, and Brother Chas. E. Sprague, of Greenleaf, were visitors at the office this week. They are both interested in a location near the school.

## Southern Idaho Conference

**Office Address, Box 719, Boise, Idaho**

President, J. W. Norwood; Secretary-Treasurer, H. A. Green; Educational and Y. P. Secretary, R. W. Airey; Sabbath School Secretary, Mrs. J. W. Norwood; Field and Home Missionary Secretary, Wm. T. Tall.

### CHANGE OF PASTORS IN BOISE

Owing to the health of some of the family of Elder C. S. Prout, he has resigned as pastor of the Boise church. By the time you are reading this in the *Gleaner*, Elder Wm. Cubley, of the Nebraska conference, will be carrying the burdens laid down by Elder Prout.

For over two years Elder Prout has labored earnestly and faithfully

to build up the work in this important center. The appreciation of his untiring labor was expressed by several speakers, including conference workers and church members, at a farewell meeting given Elder and Sister Prout Monday night, May 12. Those present also expressed their appreciation by presenting those leaving a beautiful remembrance.

Elder Prout expressed his appreciation of the co-operation he had received, both from the conference and the church and also suggested that this same attitude be followed in working with Elder Cubley. We feel sure, judging the future by the past, that this will be done and that Elder Cubley will continue to build on the foundation already laid.

### SOUTHERN IDAHO CAMP MEETING AND CONFERENCE

As already announced, the camp meeting will be held on the Academy grounds at Caldwell, Idaho June 5 to 15, 1919.

This is the biennial meeting of our conference when the election of officers and other conference business will be given attention, but the spiritual blessings to be gained cannot be over estimated.

One old brother, who is successful in his business and a very busy man, told us the other day that he had not missed a camp meeting for the past thirty years. He stated that instead of the sacrifice being a loss, the time thus spent brought returns in both spiritual and financial blessings.

We have the word of the Lord as assurance on this point, for he has told us to not forsake the assembling of ourselves together as we see the day approaching.

No special railroad rates have as yet been granted us for the meeting, as we are told no convention rates are allowed. Tents will rent for \$3.00 the same as last year. Orders should be placed early for your tents as well as for other equipment, that those having these matters in charge may plan to have them in readiness when you come. It is planned to have autos meet those coming by train and take them and their baggage to the camp ground at a minimum expense. A postal card telling when you will arrive will help us in serving you,

H. A. Green

**POCATELLO, IDAHO**

The work here is progressing nicely and all the members seem to be of good courage. Most of our people are helping to scatter the printed page, which we trust will bring forth fruit in due season.

We are having splendid mid-week prayer meetings, and very good interest is being taken in our cottage meetings. We are losing two families who are moving to Caldwell. We dislike to lose them, but our loss will be gain for some one else. Pray that God will help us to win others to fill the vacancies.

We are visiting and conducting services every two weeks with the companies at Idaho Falls and Blackfoot. Both of these companies are of good courage in the message, both having outside interests.

I also visit American Falls every two weeks. A number have moved from this place, so we have only a small company left. If you who move out from these companies, will only live godly lives and work and win others where you are, we will gain for the Master thereby, and have many lights scattered in this dark land. Remember God has given every man his work. So labor on, be of good courage, and God will give the increase. With kindest regards to the Gleaner family. E. L. Cook

**TWIN FALLS DISTRICT**

Sabbath, April 19, was a good day with the Twin Falls church principally because on that day nine persons were buried with their Lord in baptism. Three more had been planning on being baptized on that day, but circumstances prevented them. One brother had not sufficiently recovered from the influenza; another was called East. One sister who had been planning on being baptized, was forbidden by her husband the privilege of attending our services. This sister is one of the finest women one would want to meet, and has kept the Sabbath for nearly two months, and declares she can never give it up.

On account of the illness of the writer the last two weeks our Sunday night meetings have been discontinued. We are planning on beginning again Sunday evening, May 11.

There is strong opposition to our work here on the part of the minis-

ters and influential laymen. Very evil reports are circulated, such as, S. D. A.'s are Bolsheviks, I. W. W.'s etc. And all this in spite of the fact that our people quite generally have purchased bonds, and our laborers refrain from joining any of the numerous labor unions that are here represented.

Sister Finch, our Bible worker here, seems to have quite a good interest among a number of intelligent readers. Six of those recently baptized were those with whom she had been laboring.

Pray you for the work here that the honest of heart might be searched out.

F. D. Wagner

**NEWS NOTES**

Elder and Mrs. Norwood and Brother Tall made a trip to Caldwell yesterday.

Mrs. J. B. Thomas, treasurer of the company at Nampa, called at the office Thursday morning.

Elders Norwood and Hanhardt spent Sunday night at Weiser, looking after conference business.

Elder Coberly and Brother Lumper are pitching the new tent, which has just been purchased, at Caldwell for a tent effort before the camp meeting.

Elder Norwood, in company with Brother Lumper, left the office Thursday evening for Cambridge, Idaho, where they expect to organize a church.

Mr. and Mrs. Claude Degering, who have been visiting Sister Degering's parents, Mr. and Mrs. Chas. Fowler, since his discharge from Government service, left Caldwell Wednesday, May 14 for Canada where they go to take up conference work.

We learn through correspondence with Elder Cook that the Idaho Falls company have secured the use of the Christian church in which to hold their services. This is a great encouragement to the company at that place.

It is encouraging to be able to announce that Brother Jacob H. Meier, of the German Seminary at Clinton, Mo., is to take up work in the Southern Idaho Conference. Brother Meier graduates from the

ministerial course and comes to connect with our evangelical work.

We are sorry to announce that we are losing two good workers in the person of Brother and Sister J. E. Weaver. Brother Weaver goes as principal of the new school being established in the Southern Oregon conference. We understand Sister Weaver will also carry work in the institution. While we regret losing them, we are glad to say that in their place we are to get C. D. Striplin, who graduates from Walla Walla College this year. He will be in our conference by June 2.

We are glad to announce that Elder John G. Hanhardt, of the Colorado Conference, has accepted a call to connect with the work in our field. Elder Hanhardt is an experienced laborer and comes to our field not only to take charge of the German work, but also to give assistance to the English work. He is already in the conference and his family will come as soon as school is out where he now lives in Colorado. Elder Hanhardt is very anxious to see all the German people at the camp meeting and get acquainted with them and their plans for work.

J. S. McMullen

**GEM STATE ACADEMY ITEMS**

R. P. Abel attended the farewell reception of Eld. Prout and family in Boise last week. They are leaving for California.

Elder Hanhardt, Norwood and Rittenhouse and Brother Green were our conference visitors Thursday morning. The three elders spoke to us in chapel.

The school and church picnic was a success, and everyone reports a good time. The girls who sold ice cream and lemonade made \$6.78 to apply on the improvement fund. In the ball game between the boys and the married men, the score was 5 to 25 in favor of the boys.

**CORRECTION**

In the report from Long Creek, Ore., in our issue of May 15, the second sentence should have read: "While some show a love of the truth and are faithfully living the message, others are living in disobedience and open violation of some of its plain instructions."

### WESTERN OREGON NOTICE GENERAL CONFERENCE HELP FOR CAMP MEETING

According to a letter just received from Professor W. W. Prescott, bearing date of May 9, 1919, I learn that he will be in attendance at our camp meeting. He has just returned to Washington, D. C., from a tour of two years in the far East.

He comes to us with a message from God which will both inspire and revive us spiritually. Those of you who have met Professor Prescott and heard him preach, know that he is a man of God and that the Lord has intrusted him with a strong personality and unusual ability to preach the Word, both to the church and to the world.

Do not fail to attend the camp meeting. Should you not come you will fail to receive the special blessing the Lord is prepared to bestow upon you at this appointed feast of good things to be spread upon His table at the camp meeting at Portland, June 3-15, 1919.

H. W. Cottrell

#### ALBANY

It has been some time since I reported through the *Gleaner* but I have not been idle all the time. After leaving Montana I spent several months with my mother at Monitor, Oregon, helping her to have it a little more comfortable in her last days. I then reported ready to take up

active work again, but there was no opening in this conference and Elder Flaiz said the same condition prevailed in the Union. I then went to Alberta and run my brother's farm he being sick and not able to do so himself. While there I held some meetings and seven young people were baptized.

I was then invited to take up work in the Western Oregon Conference. I accepted the invitation and was asked to take up work in Albany. We are here and at work. We have found some honest hearts in which to sow the good seed. One has joined with us and ten more are keeping the Sabbath. Most of these will join with us in the near future. The devil surely knows his time is getting very short and is trying to hold people in his power. But our God is a mighty God and if we will only keep close to him all will redound to his glory.

### WESTERN OREGON CAMP MEETING MUSIC

The undersigned having been appointed to take the oversight of the music at camp meeting, would respectfully request; First, that all who have copies of the old "Hymns and Tunes" and "Christ in Song" first bring them to the camp, and then to the meetings each time; and further each one is requested to come prepared to sing, as far as God has given him the ability, the "old advent hymns" with the "old advent spirit." Second, there will be selected as usual approximately one hundred voices to lead out in the choir work. The qualifications for such will be: Praying Christians who can read music, either vocal or instrumental, and so love to do so that they will be dependable,—that is will be on hand three times a day and at rehearsal or send a substitute.

All who know of such will confer a great favor upon those who desire to see our music made the best possible, by persuading them to attend the camp meeting, and especially to be at the first rehearsal at the big tent at 6 o'clock Tuesday evening, June 3. If any are not acquainted with the director, bring them and introduce them to him please. Thank you.

\*The Salary and Expense item includes all the salary and expense of the Field Missionary Secretary (about eight months); all the salary and expense of the Missionary Society Secretary-Treasurer, including the Home Missionary Department; and one-half the salary and expense of a stenographer.

This is nearly two and a half times the amount charged to the Missionary Society in 1917. In former years the Conference paid most, if not all, of this expense; as other conferences are now doing.

These figures, and the net loss of \$1228.28 for the year 1918, demonstrate that the Missionary Department can-

not hope or expect to pay its operating expenses when its field is so limited; and its margin of profit so very small.

**THE RELIEF WORK**

Apropos of the collection recently taken in our churches for the Armenian and Syrian Relief, a letter has just been received from Mr. J. J. Handsaker, giving many late items of interest concerning the work of relief. As it is too long for publication, we will quote only that portion which directly concerns the people of Western Oregon:

"Elder H. W. Cottrell, President, Western Oregon Conference, S. D. A., City.

"Reverend and dear Sir:

"Will you express to the men, women and children of your Conference, our grateful thanks for the check just handed us by Mr. Olcott, for \$1,136.90.

This comes to us at a time when we are filled with mingled emotions. First, we are grateful for the work we have been able to do, and just today we have received a letter from Mr. Fowle who has been our treasurer in Constantinople ever since our

relief work was organized. He says:

"Despite the many obstacles, at no time has the work of relief been halted. In twenty large centers it has been the only hope of the people when there seemed to be nothing at all to hope for. When people were fighting hard to live, it came not only as a physical, but as a moral uplift. It was a checkmate to the efforts of the officials to wipe the Armenians out of existence, and more than that, it took from the German and Turkish armies the food that would otherwise have gone to them."

"While we rejoice at the generosity of the American people, which has made this splendid work possible, our hearts are made heavy by word from Doctor Maim, president of Grinnell College, who is now in the Caucasus. He says:

"The Southern Caucasus region is literally full of refugees. Many came to this district while the war was in progress and are still here. Many passed through to the north and are now beginning to return. The result is that conditions are serious beyond the possibility of expression. For example Erivan, the capital of the so-called Armenian Republic, normally has a population of thirty thousand people. For the present, our workers report, there are one hundred thousand people in the city and that vicinity. Mothers are killing their children and eating them. Cannibalism, British officers are telling me, is becoming quite common. This is just one phase of the horror of the situation.

"We are face to face with an overwhelming human tragedy. The Caucasus is the very center of it. The people of Armenia, in vast numbers, are waiting here on the edge of their home country, in the hope of repatriation."

"I am sure that neither you nor your people desire any words of fulsome praise from me. Let us be grateful that together we have been privileged to help relieve at least a part of the greatest suffering the world has ever known.

"Cordially yours,

"J. J. Handsaker,  
"State Director."

**ELDER G. W. PETTIT HOMEWARD BOUND**

Postcards have just been received by friends in Portland from Elder G. W. Pettit who has been our

seven years in India. He sends this cheering message:

"Tokio, Japan, April 24, 1919.

"We left Bombay March 14. Had nine days in China where we stayed at Hong Kong, Canton, and other places. We have three weeks here in Japan. Will sail May 3rd for San Francisco. Hope to arrive in time for camp meetings. Will reach Portland about May 24. Greatly enjoying the journey and the rest. Love and greetings.

### HELP YOUR TRACT SOCIETY TO HELP ITSELF—AND YOU

Resolution Number 74: General Conference Council Sept. 24, 1912

"That in all territory where conference tract societies are organized to take charge of the retail business in their respective territories, the publishing houses recognize these societies as their legitimate retailers, and protect them in the enjoyment of their retail trade."

In other words, all orders for periodicals, magazines, books, or other supplies; and all questions pertaining to our publications should be sent direct to your tract society.

You will wish to act in harmony with this action of the General Conference Council because it protects and builds up the work in your conference; and enables your conference officers to conduct their work to better advantage.

The publishing houses are asked, and expected, "to protect the tract society in the enjoyment of its retail trade" and accordingly you will not wish to ask them to violate the General Conference rule.

Please send all orders and correspondence direct to your tract society and not to the publishers, even if they do send you expiration blanks, or letters requesting renewals, or other business. Your tract society was established to serve you. We fill or forward your orders every day.

Western Oregon Missionary Society, 508 E. Everett St., Portland, Ore.

### INVESTMENTS

This is a time when many are looking for chances for good investments. The spirit of money making pervades almost everything. All classes of people, from laboring man to capitalist, are asking, "What can I invest in

to turn some good money quickly." However, usually only selfish interests are to be served in their plans.

An unexcelled opportunity is now offered our people for investment. God is the promoter of the plan, and guarantees sure, quick, and good returns. In fact he takes you into partnership, and agrees to greatly prosper your efforts.

The plan is this: dedicating or setting apart certain crops, wages, or property to the cause of foreign missions. They may be further enumerated in part as follows: gardens, chickens, portions of crop, certain fruit trees, rows of potatoes, per cent of money earned picking berries, or per cent of money earned at any work, commissions on sales, best week's profits canvassing, etc.

Everyone appreciates a good partner in business; isn't it fine to have the King of kings take us right in with him into a good paying proposition? Investment pledges were sent out early in the year, and many of the churches responded with a good list of investors. We earnestly invite others to take up this matter at once in a definite way. Give the children a chance also in this. It will greatly encourage them. Let us all give the Lord an opportunity to work with us in raising every dollar possible for the cause of foreign missions, during this very important year.  
J. F. Beatty, Treasurer

### ELLENSBURG, WASH

In my last report to the Gleaner a short time ago I mentioned something about the interest which sprang up about twelve miles in the country near the mountains.

Mrs. Ochs and I spent all last week out there among the people, visiting and giving Bible readings. The people are very hospitable and we enjoyed our stay among them very much.

Six are observing the Sabbath now, and talk the truth to their neighbors. On May 10 we organized a Sabbath

school with an enrollment of thirteen members. The Episcopal Parish house has been rented where we meet every Sabbath at 2:30 p. m. Every one shows a great interest.

After Sabbath school we had a short consecration service, and everyone longed for a closer connection with God. Those were asked to remain after service, for a short time, who were contemplating baptism. Six remained.

The future for Ellensburg is very encouraging. We ask the Gleaner readers to pray for the new Sabbath school and those who have decided to observe God's truth. D. A. Ochs

### LEWISTON, IDAHO

The work in this end of our field is still progressing. Often our new church building is about as full as comfortable to be seated. A number of fine people are carefully weighing the message. Others are keeping the Sabbath, and some are preparing for baptism soon. We are wrestling with the problem of a church school. It was voted to begin one this fall. We plan on erecting a building that will accommodate two teachers, but for this year we are planning only one. Material is high priced, but we must sacrifice for the salvation of our children. While we are to help others we must not "hide our eyes from our own flesh." In order to furnish the proper place for the right training we plan on building away from the church and business section. This will necessitate buying property and building. Remember us at the throne of grace as we try to give permanency to the message in this section.

### NOTES FROM MT. ELLIS

S. W. Palmer has just purchased a new Ford—we should have said bicycle.

The students have started a library fund. Thus far \$221.00 has been pledged besides several good books.

Wesley Henderson is back in school for the examinations. He was called home to help with the spring work.

Nine of the students of the Academy were baptized last Sabbath and others are planning to be before school is out.

A much needed rain delayed the school picnic but everyone was glad for the rain and the picnic is planned for the near future.

Several students were exempt from final examinations. This means that they have an average for the year's work of 95 or above.

Elizabeth Rehbein returned today to take the examinations and finish her work for the year. She has been helping put in the crop on the ranch at Miles City.

Brother W. C. Christensen was a visitor at the school last Sabbath and Sunday in the interest of the canvassing work. There will be some Mt. Ellis people in the field this summer. We will watch for their reports later.

**WE ARE OFF**

The Loma Linda Campaign is on in earnest. The twelve teams pledged to raise \$16,500 are hard at it, and the score board is indicating to us that our friends are backing us with something stronger than sympathy.

The Village team is leading with ten shares. The Culinary team is a close second. The first year nurses are setting a splendid example of sacrifice by pledging two days' salary a month for five months. There are twenty in the class, so this will mean quite a tidy sum. Five teams are in the cellar. We are suspicious that they have a bit of a surprise that they will spring on us before the race is on for very long. Suffice it to say, they will soon weary of the environment and come out.

It is a splendid thing for an institutional family to get under just such a load as this and to put it over. We are putting our little sums with the bits, big and little, and we can all gather from our friends and relatives, and it is uniting our hearts in the great work that the Lord has established here at Loma Linda.

**NEWS NOTES**

S. W. Munro arrived from Chelan last week.

The "Mountain Ash" is now ready for delivery.

Arnold Johnson has been enjoying a visit from his mother over the week end.

The Academic seniors will give their class program Thursday evening at 8:15.

The tents have all been shipped to North Yakima, in preparation for camp meeting.

The College seniors will present their class program Sunday evening at 8:15 o'clock.

Leon Losey and family left last Thursday for Canada where they will spend the summer.

The annual picnic which has been omitted the past two years will be observed this year.

Mrs. Fall, of Walla Walla, entertained a group of singers and a few others at her home Wednesday night.

Philip Nelson, who has been very sick at the Sanitarium with pleurisy, has taken up his studies again at the College.

Mrs. Livingston and grandson, Bobbie, of Winlock, Washington are visiting at the W. I. Smith home and other relatives here.

Mrs. Herschel Bunch, who has been visiting her parents in Idaho, stopped over a few days, visiting in College Place, before going to Meadow Glade to join her husband.

The Students' Association held a "writing bee" last Monday. About

one hundred letters were sent out in behalf of the \$50,000 fund.

Miss Gertrude Nelson and her brother, Reuben, arrived Friday afternoon from Seattle to visit their brother, Philip, for a few days.

Mr. and Mrs. Claude Degering visited here a few hours last Thursday. They were on their way to Canada where they will be located in the future.

The boys of the seventh and eighth grades entertained the girls last Thursday afternoon by a program under the direction of Miss Anne Haussler. The program was thoroughly enjoyed by all.

The Students' Association elected their officers for the coming year. They are as follows: President, Thane McInnes; vice-president, Londona Corbett; secretary, Helen Goulard; student representatives, Philip Nelson and Ted Cramlet; faculty representative, Prof. H. H. Hamilton.

The Junior and Senior classes which have been trying to surpass each other in membership, have both received additions to the class roll. Ed Atkins of the Junior class and Allen Smithwick of the Seniors have become proud fathers of late. The two little daughters are active members.

The elocution class gave a very interesting program Saturday evening, the 17th. The chapel was full and arms and legs and bodies were bulging out of the doors and windows, and then many people could not attend. To us who are here and see things as they are the cry comes ever stronger that we need that \$50,000 to make more room. Are you the slacker?

OBITUARIES

**Fling**—C. S. Fling was born in Pennsylvania, Sept. 15, 1834, and died April 17, 1919 in Portland, Oregon. His wife Elizabeth J. Fling, died twenty-three years ago. Brother Fling was a man of unswerving principle, doing what he felt duty demanded. He united with the Seventh-day Adventist church about forty years ago, and held his membership at Newberg, Oregon at the time of his death. His remains were brought to this place for burial.

B. J. Cady

**Adkins**—Mrs. Pearl Adkins, wife of Warren Adkins, died at the home of her mother, Mrs. Simon Williams, Seattle, Wash, May 4, 1919. Two years ago Sister Adkins united with the Adventist church by baptism and was faithful in her church duties until her last illness. She leaves besides her husband, her father and mother, two sisters and six brothers. Service was conducted from the Bleitz-Rafferty funeral parlors by the writer, and

special music was rendered by one of Seattle's leading musical instructors. The body was laid to rest in the beautiful Washalla cemetery to await the time when the Life-giver shall appear.

F. M. Oliver

**TenEyck**—Altha Fuller Root was born in Trivoli, Peoria Co. Ill., Feb. 7, 1839 and died of pneumonia April 29, 1919, aged 80 years, 2 months, and 22 days. On Oct. 24, 1861, she was married to Levi Carry TenEyck, to which union were born nine children, six sons and three daughters. In the year 1898 she was baptized at which time she united with the Seventh-day Adventist church, remaining a faithful member until her decease. L. K. Dickson

**Higdon**—Joseph C. Higdon was born at Manor, Washington, March 19, 1881, and died at his birthplace, March 8, 1919. While at the Portland Sanitar-

ium, suffering from a malignant disease, Mr. Higdon, for the first time in his life, accepted Christ as his Saviour, and greatly rejoiced in the present truth message. He peacefully fell asleep in Jesus at his home surrounded by his wife and four children, who, with him, decided to keep the Sabbath and walk the narrow path with the people of God. We were thankful that Brother E. C. Johnson, one of our nurses, could be with Mr. Higdon to the end.

Wm. T. Hilgert

## MORE FREE COPIES OF PRESENT TRUTH NO. 38

The party who first gave \$1000.00 for the free circulation of 200,000 copies of Present Truth was so pleased with the promptness and the thoroughness of the work done, and keenly feeling the need of a larger circulation of this Sabbath number, has just sent \$2000.00 more for the additional free circulation of 400,000 copies of this same issue.

All orders recently sent in for free copies of number 38, which could not be filled from the first 200,000 lot, will now be filled from this second donation, and still there will be about 300,000 copies left for additional orders. All orders should be sent in, as before, accompanied by the following pledge:--

### The Pledge

"I hereby pledge to personally place free of charge-----copies of Present Truth No. 38 in as many carefully selected homes; and that these copies will not be handed out in a promiscuous, indifferent way. Name-----

St. No.-----

P. O.-----

State-----

Not less than 100 papers can be sent to one address, but several persons may combine their orders, and have the papers sent to one address. In such a case a person who wants fewer than 100 copies may secure any number desired. The limit to one person is 1,000 copies. No one person may secure more at one time.

What a wonderful work is resulting from those three copies first sent by mail, to this man who has now given \$4,000.00 for the free circulation of 800,000 copies of Present Truth--200,000 copies made up of different numbers for our tent companies, and 600,000 copies of number 38, enough papers to reach 2,000,000 people, and the cost was only 4 1/2

cents for the three copies and the postage. It pays to circulate Present Truth. It possesses the power of the message it bears.

## Two New Books

Africa  
and  
India

Written by Men Now in the Field

Speaking of "On the Trail of Livingstone," Elder W. W. Eastman says:

"A copy of Brother Anderson's book 'On the Trail of Livingstone,' from your house, reached headquarters of the Publishing Department a few days ago. I began reading it at once, and could hardly stop until I finished it. Somehow there is something about the book and the way it is written that appeals to me from first to last more than any book I have ever read on missionary work in Africa. It should have a very wide circulation, both outside and within our denomination."

What one says of "On the Trail of Livingstone," others say about "Fruit from the Jungle."

Over 3,000 of each have already been sold by the publishers. They are both in the Missionary Volunteer Reading Course this year.
