"Trust ye in the Lord for ever; for in the Lord Jehovah is everlasting strength." Isa. 26:4.

Vol. 36

COLLEGE PLACE, WASHINGTON, AUGUST 19, 1941

No. 33

## Oregon Camp Meeting

The Oregon conference and camp meeting was held at Gladstone Park. The conference session opened Wednesday night, July 16, with the organization of the conference and reports of the president and treasurer, also the appointment of the large committee to arrange for the standing committees of the conference session.

The reports rendered by both the president and secretary-treasurer showed progress in all lines of work. A total of 1,530 persons were baptized during the two years of 1939 and 1940. Six new churches were received into the sisterhood of churches, and the conference membership was 9,430 at the close of the biennium.

The increase in the tithe since the last conference session was \$58,886.00 over the previous two-year period. The sales in the Book and Bible House for the same period amounted to \$83,791.

All of the departments are being carried in a good way by strong efficient leaders, and the Lord has greatly blessed in all the different lines of endeavor. The four academies and forty-three church schools in the conference have done much for the children and youth of the Oregon Conference. Other schools will be organized this year.

The Portland Sanitarium has been prospered in a very marked way, and the influence of this institution for good has been felt not only in Portland, but in many places throughout the conference.

Elder V. G. Anderson was unanimously re-elected president, and Brother R. T. Emery of the union was elected as secretary-treasurer, Brother Kephart's term having expired. All the departmental secretaries were re-elected. A few changes were made in the conference committee due to tenure of office. An excellent spirit of unity prevailed throughout the entire conference session.

The camp meeting proper was marked by the presence of the Spirit of God, and an earnest desire on the part of the people to live a consecrated life and be ready to meet the Lord. The messages borne by those who spoke were very timely, and called our people to a higher Christian experience. Whenever a call to consecration was made

there was a hearty response on the part of the people.

One interesting meeting was the dedication of the Gladstone camp-

### Thoughts on Education

By Mrs. E. G. White

No work ever undertaken by man requires greater care and skill than the proper training and education of youth and children. There are no influences so potent as those which surround us in our early years. Says the wise man, "Train up a child in the way he should go; and when he is old, he will not depart from it." The nature of man is threefold, and the training enjoyed by Solomon comprehends the right development of the physical, intellectual, and moral powers. To perform this work aright, parents and teachers must themselves understand "the way the child should go." This embraces more than a knowledge of books or the learning of the schools. It comprehends the practice of temperance, brotherly kindness, and godliness; the discharge of our duty to ourselves, to our neighbors, and to God.—"Fundamentals of Christian Education," p. 57.

ground. The debt having been wiped away, a fitting dedicatory service was held at which Elders I. J. Woodman, and E. L. Neff, both former presidents, and Elder V. G. Anderson spoke. The dedicatory prayer was offered by Elder F. A. Stahl. All were happy that the debt had been paid, and rejoiced as Elders Anderson and Kephart burned the notes.

Three brethren were ordained to the gospel ministry—Brother Glenn Goffar who has done excellent work in evangelism, Brother C. S. Johnson, and Brother H. C. Kephart.

The workers from the General Conference who were present were Elders Meade MacGuire, J. A. Stevens, V. T. Armstrong, and G. W. Schubert. Elder and Mrs. F. A. Stahl were also present, and their messages were greatly appreciated by the people. The union and local conference workers were present for part or all of the time and rendered strong service in connection with the various meetings. In addition to this we had a number of missionaries home on furlough who attended a part of these meetings.

A wonderful spirit prevailed, and the people left the camp feeling that they had been well repaid for the sacrifices made in attending this meeting. They returned home determined by the help of God to live closer to Him, and to do more for Him than ever before.

E. L. NEFF.

## The Call to Advance

It is said that a captain who fell while leading his men in a World War No 1 charge, raised himself in his last dying moments, as strength would permit, and shouted, "Lieutenant, the order is Forward" then dropped to the ground and died.

Many are the examples of devotion and faithfulness to the call of duty in the service of the nation. To how much greater degree should this same spirit be manifested by the Christian in the service of God

We have before us in this present Harvest Ingathering campaign a wonderful opportunity to demonstrate our loyalty to and interest in the advancement of the work of God.

We stand at the crisis of the world's history. As soldiers of the cross let us be armed for the conflict. If every member will faithfully do his part we

will have the best Ingathering campaign we have ever had in the Northwest. Now is the time to do our part. We are engaged in the fiercest battle that the world has ever seen. The battle that closes six thousand years of the great controversy between Christ and Satan. Let us as good soldiers of Jesus Christ courageously stand at our post of duty, for now is the time to act our part to make this campaign all that God would have it be.

"Christ expects every man to do his duty!" Can He depend on you?

There are fields that to harvest are white,

And a reaper with joy I will be;

Golden sheaves will I bring,

To my Master and King

For the Lord can depend on me!

T. L. OSWALD.

### Mission Funds

The conferences in this union sent in the following remittances for foreign missions for the month of July:

Idaho	\$ 1,590.38
Montana	3,148.98
Oregon	13,368.77
Upper Columbia	7,917.26
Washington	4,535.49

30,560.88

This was divided as follows:

Sabbath School	\$12,910.16
Harvest Ingathering	8,591.09
Midsummer	3,560.50
General Missions	5,499.13

30,560.88

This lacks only \$439.12 of being \$1000 for each day of July. It is certainly a tangible evidence of the interest of the believers in the North Pacific Union in the great cause of foreign missions. We are glad for the privilege of passing on such a fine sum of money for the mission fields.

During the first seven months of this year we have sent to the General Conference in Sabbath school offerings \$85,340.57. This is \$7,979.45 more than was sent along during the first seven months of 1940. Our percentage of increase this year is 10.3. The percentage of increase for the first seven months of 1940 was 19. By conferences this percentage works out as follows:

	1940	1941
Idaho	14.3	9.4
Montana	21.6	16.0
Oregon	19.4	7.4
Upper Columbia	18.4	4.0
Washington	19.4	22.0
Alaska	22.4	17.1
Union	19.0	10.3

It is good to see the high percentage average of the Washington Conference, and we are happy that the Union as a whole has made its goal of a ten per cent increase. We trust that each one connected with the Sabbath school will give this matter thought, and that especially in the conferences where the goal has not been reached a greater effort will be put forth to increase the offerings sufficient to reach the goal.

We are also giving a comparative statement of total mission fund receipts, comparing the receipts of the first seven months of this year with those of last year. This period of each year contains the same number of Sabbaths. The Harvest Ingathering campaign receipts are practically the same,

### COMPARATIVE STATEMENT OF MISSION FUND RECEIPTS

First Seven Months of 1940 and 1941

	Received 1940	Received 1941	Increase in 1941	Per Cent of Increase	Weekly 1940	Per Cap. 1941
Idaho	9,531.33	12,537.80	3,006.47	31.5	.202	.244
Montana	7,542.47	9,232.73	1,690.26	22.4	.193	.229
Oregon	43,649.15	49,395.56	5,746.41	13.2	.172	.187
Upper Columbia	28,113.77	30,258.59	2,144.82	7.6	.164	.174
Washington	20,648.46	25,085.54	4,437.08	21.5	.179	.205
Alaska	1,374.60	1,983.98	609.38	44.3	.256	.361
	108,859.78	128,494.20	17,634.42	15.9	.176	.195

with the exception of the Idaho Conference which had sent in \$3,027.60 more during the first seven months of this year than they did in the corresponding period of 1940.

This is an encouraging report. Let us remember, however, in these days of increased income to be careful to increase our mission funds in the same or a larger proportion. Everywhere there are multiplied evidences of increased difficulty in foreign mission activity. Now is the time to take advantage of the opportunities as they come. Now is the time to give when the money can still be used in lands beyond the seas. We know not what situations may arise even in the next few weeks.

R. T. EMERY.

### Elementary School Financial Standards

Financial stability is a prime requisite in operating a school. All schools should operate on the *budget* plan. Careful estimates of all the expenses of both church and church school should be made and incorporated on a working budget. Pledges enough to cover the total expense should be taken from the church members. We suggest that these pledges continue through *twelve months* of the year.

We recommend that our elementary church school boards pursue substantially the following financial policy:

Make up early in the year a careful census of all children of school age.

Fix tuition rate for each grade in school.

Make a careful estimate of the monthly expense of conducting the school on the basis of the census, the tuition rates, the teacher's salary, school supplies, repairs and improvements.

Each parent is urged to pay the equivalent of the tuition of his own children as far as possible.

Since the church school is a department of the church, every church

member should participate in lifting the expense.

Every member of the church should be invited to pledge a certain amount each month for the upkeep of the school until the total amount paid in tuition and pledges exceeds the monthly estimate by ten per cent.

All who make monthly pledges for the support of the school should be encouraged to pay during *twelve months* of the year, so as to create a surplus during the summer to meet the extra expense incident to the opening of the school.

Plan so that no Seventh-day Adventist child in the church shall be deprived of the privilege of the school for financial reasons.

A definite plan for the collection of funds should be followed, and a financial agent should be appointed to solicit and collect funds and keep the board informed on the financial status of the school from month to month.

UNION DEPARTMENT OF EDUCATION.

### Tithes and Offerings

Tithe receipts for seven months record a per capita increase of \$3.67 over the 1940 average, an increase of 26 per cent. The increase is more than thirty-seven thousand dollars. This is perhaps the largest rate of advance we have ever seen in this field. It reflects the fact that incomes are noticeably larger this year.

The mission funds are some six thousand dollars ahead of last year. We are glad for this larger flow of funds. Part of this is due to Ingathering work being started earlier, but every mission fund is larger than for 1940. The weekly per capita of 18.7

cents is one and one-half cents more than the average a year ago. The per member increase is 8.7 per cent. We just hope we shall all recognize the critical situation confronting the mission program, the very great uncertainty of being able to keep funds going to the ends of the earth, and that a supreme effort be made while funds are plentiful to hasten large sums of money on to our mission stations.

All will be pleased to note the consistent increases in various mission funds this year over a year ago. Here are the comparative figures:

	Seven Months	
	1941	1940
Harvest Ingathering	\$3579.75	\$2554.75
Midsummer Offering	1498.66	1200.68
Missions, General	5656.91	4409.25
Missions Extension	3879.31	2740.64
Sabbath School	34390.43	32009.89
Other Miscellaneous	389.80	233.94

Total 49395.56 43149.15

What a fine beginning the Ingathers are making. The Home Missionary Department last week reported ten churches and companies had reached their goals, and that the totals reported were three thousand ahead of last year. Success to every individual!

H. C. KEPHART.

**Lost**

Lost articles, left at the junior and senior camps, are waiting in the basement of the Conference office in Portland. We are very anxious to place this material in the possession of the various owners.

If you are one of those who have lost articles in either of these camps, please write, describing the article, and we will be glad to send it to you if we have it.

We also need the name and address of the boy or girl who wanted to buy an archery set at junior camp.

Will Leona May Hanson please tell us where to send her Reading Course Certificate? We cannot find her address.

G. W. CHAMBERS.

**The First Ten**

Here they are: Port Orford, Cedar Creek, Albina, Sutherlin, Camas, Sisters, Clatskanie, Molalla, Willamina, and Grand Ronde! These churches have passed their Ingathering goals. The first "C" district of the churches of Willamina and Grand Ronde. It took only a few hours to go over. Last year this district had only 10 per cent of its goal at this time. Elder Chambers has charge of this district.

Last week I assisted Walter Johnson, treasurer of the Marshfield church so-

liciting the business section of Marshfield. We received a good response. One man after turning us down because of financial reverses and promising to give next year said as we were getting into our car, "Just a minute. I better give this year. Come into my office. Hard telling what might happen next year." Our friends in the business world realize the seriousness of these times in which we live.

Letters come in to us from the churches indicating a quick work in the Ingathering this year. Solicitors by the hundreds and thousands are out to make it a short and profitable campaign.

J. R. NELSON,  
Home Missionary Sec.

**Industries at Laurelwood**

The industrial program here at Laurelwood Academy is being conducted very definitely along the lines laid down in the Spirit of prophecy. In Volume 6, page 179 we are told, "Study in agricultural lines should be the A, B, and C of the education given in our schools." In harmony with this counsel Laurelwood Academy is carrying on an extensive program of agriculture. Several hundred acres of land are under cultivation and in pasture lands. Hay and grain, nuts, fruit and vegetables are among the farm products.

A large dairy is operated on up-to-date scientific methods. From the dairy the milk is taken to the pasteurizer plant. All milk is submitted to the modern pasteurization process before being bottled for the market. Both the dairy and the pasteurizer are under state inspection and the pasteurizer is also subject to regular inspection by the Portland city inspectors. Only grade A milk is produced.

The Academy also operates a bakery and products from the bakery are sold in the surrounding country and small towns. A lady from Portland called on us recently. As she purchased some whole wheat bread from the bakery she remarked, "Why do you not sell this wonderful bread in Portland? We surely wish we could buy it there."

This summer a new industrial building is being erected to provide improved quarters for the pasteurizer and the bakery. Provision is also being made in this building for frozen food lockers for the Academy. Family size lockers will be rented to teachers and others living in the village. Students are employed in the construction of the new building. In fact practically all the work in the various departments of the school is done by students under competent leadership. In this

way young people have an opportunity to become familiar with, and useful in, various practical lines of work. This is much more educational to the youth than the work provided in shops and factories where they work on an assembly line, doing over and over the same thing.

In addition to the practical experience offered to the young people at Laurelwood they may also receive a theoretical training in the class room in the trades. Agriculture, woodwork, carpentry, baking, and home economics classes are taught. In all, the boys and girls attending Laurelwood Academy certainly have an opportunity, not offered in many places, to follow God's plan of Christian education.

G. H. SIMPSON, Principal.

**Minute Men**

Wanted in the North Pacific Union, five thousand "Minute Men." Out of our 22,000 church membership we should have 5000 that will through the Ingathering support our world mission program for at least one minute. It takes just \$12.27 to carry on our work in all mission fields. We are aware that not all can do that much, but surely we should have 5000 out of the 22,000. Will you be a "Minute Man."

**Portland Union Academy**

Portland Union is indeed a busy place these intervening days between now and our opening day September 8. Painting, repairing, trimming, cleaning, with everybody working with a will the entire plant should be in prime condition when our large family is ready to "move in."

With a goodly number of new names already on our roll, prospects are bright for a large attendance this year.

You may be interested to know that our music department will be under the direction of Brother Wayne Hooper of the "Quiet Hour," who comes to our field from California. If you are interested in band, chorus, directing, or smaller group work then you had better enroll in Portland Union because we are expecting big things from our music department this year. Another pleasing addition to our academic faculty is that of Kathleen Kempf who will teach sewing, assist in the English department and carry the registrar's work. The two new members of our grade school faculty are Miss Gregor who will teach grades one and two and Mrs. Gerald Hibbard will carry grades five and six.

We are planning to add to our commercial course, a thorough-going course in shorthand which will enable a number of our young people to procure profitable employment at the close of the school year. We are also giving consideration to offering a course in manual arts which will include some machine work and electric welding for our young men.

I have mentioned just a few of the material things that we are doing at Portland Union but we believe the time has come when our young people need more defense than that afforded by a plane, a tank, or battleship and it is our sincere purpose to help our youth build into their character those elements that will help them to stand when trouble really comes. We need your prayers in the interest of our young people here.

If you are a young person living in the Portland area and can't quite decide where to attend school just let us know and we will try to help you make a wise decision.

W. R. EMMERSON.

### Columbia Academy

Last Tuesday evening the students took their supper to Louisville Park. All had an enjoyable time.

Peter Wolfswinkle is one of our latest students.

Ray Wilson, a '41 graduate, and Mrs. Wilson were week-end guests of Mr. and Mrs. Mittleider.

Mr. Wisdom is busy making a donkey for use in the woods and new timber has been purchased thus securing ample work for the boys.

Among the many improvements being made around the school Mr. Deming is busily repairing the kitchen and Allen Eveland is painting the kitchen and dining room.

Please notice the change in the opening date. September 15 is the day school begins. Plan to be here the opening day.

### Gem State Academy

Work on the building at Gem State Academy has been progressing rapidly during the last few weeks and the new wing to the girls' dormitory is nearly ready for occupancy. The painting is nearly finished and the floors will be sanded during the next few days. This

is truly a splendid addition to our girls' home, and reservations for the rooms are coming in rapidly. Over two-thirds of the space has already been reserved. Those who want a place there during the coming school year should get in touch with the school immediately.

Work in other departments is not lagging as we are remodeling a classroom and refinishing a large portion of the interior throughout the school. The cannery is keeping a number of girls busy putting up corn and tomatoes.

Reports throughout the conference tell of many students who are eagerly anticipating the opening of school on September 15. We should like to greet every young person of academic age in the Idaho Conference on that occasion. Won't you sit down and drop a line to the academy stating your desire, that we may plan with you in order that you may have the privilege of a Christian education this year? A calendar and application blank will be sent upon request. We would encourage you who have application blanks in your possession to fill them out and send them in at once to the principal of Gem State Academy.

### Auburn Academy

Wednesday, August 13, our Conference Committee and Academy Board met at the conference office with Elder Neff from the Union present with us. This was our first committee meeting since camp meeting, so naturally there was considerable business to attend to.

Plans were laid for strong evangelistic work following the Harvest Ingathering. We are sure that all of our church members will rally to the Ingathering and complete the campaign in a very short period of time that all of our workers may be free to carry on aggressive soul-winning work for several months between now and the holidays.

Several years ago the old debt on the Academy was reduced to eight or nine thousand dollars. Then because of the necessity of building on to the girls' dormitory, enlarging the woodwork shop, building up a larger inventory in the shop, and other expenses, the indebtedness was raised to \$20,000. For the past two years the committee has had in mind the work-

ing out of some plan to clear this debt. At our meeting on Wednesday official votes were taken by the committee and school board and plans laid to liquidate the indebtedness. After the adjournment of the committee, checks were written by the various organizations concerned, carrying out the action of the committee resulting in the entire liquidating of the \$20,000 indebtedness. So today Auburn Academy stands entirely free from debt with all of its bills paid. This was made possible through \$3500 received from the debt-paying comeback made available by the Union to Auburn Academy this present year, \$3000 a gift from one individual, and the balance from Book and Bible House and Academy earnings.

We know that all of our people will rejoice in this achievement. It is very seldom that a debt of this magnitude can be cared for without making several appeals to the constituency.

As stated above, not only is our school out of debt with all current bills paid, but in the woodshop we have an inventory of between \$15,000 and \$20,000. The entire school plant is in good shape, although there are still some needs to be met. We shall be able to present this institution free from debt to our new incoming principal, Professor A. J. Olson. Due to labor conditions, increased price of materials, and other features, we face some problems in connection with our woodshop manufacturing. We ask the continued interest and prayers of our people that Auburn Academy may prosper, accomplishing all that the Lord has intended that it should.

Credit must be given for any advancement made in our conference or institutions to the loyal cooperation of workers and members under the blessing of the Lord.

C. A. SCRIVEN.

### The King's Business Demands Haste!

These are indeed perilous days. Momentous happenings are shaping up on every side. It is hard to tell what a day will bring forth. The last movements are rapid ones. Nations are making far reaching decisions that affect the future and life of millions, with great speed. Armies are carrying on "lightning war." God's children were warned many years ago

in Vol. 5, page 463, "The work which the church has failed to do in time of peace and prosperity, she will have to do in a terrible crisis under most discouraging, forbidding circumstances."

Every movement is fast becoming curtailed by some restriction. One of these days we will face the fulfillment of that text—"the summer is past, the harvest is ended."

"Who knoweth whether thou art come to the kingdom for such a time as this." Now is the time to speed our Ingathering. Drive after drive is being launched. These days are precious. We urge an all out drive to Victory. The V campaign is gaining momentum. Every church has set its Victory Day. Let's make this day a great one for the cause of God. Every day the work will become harder. The intensity of other drives are gaining momentum.

We are calling every member to the aid of our great cause. Press on to Victory.

L. E. ESTEB.

### August 30

The date for the third offering of the year for elementary schools is announced. This offering will be taken in all our churches and sent in by church treasurers for the Conference Educational fund.

We are placing this notice in your GLEANER so all, even those who are not permitted to attend church regularly may have a part. Such may send their offering to the conference office at 817 West Nora Avenue, Spokane, Washington.

May all have a liberal spirit and remember the needs of our children and the schools.

MELVIN OSS.

### News Notes

Nine churches have reached their Ingathering goal. The great Ingathering "March of Victory" parade is on. Congratulations to the following churches: Weippe, Boardman, Newport, Ruff, Ione Company, Edgemere, Orchard Avenue, Hermiston, College Place German.

What church will be next? Several districts will be over soon.

V stands for Victory Day! Help your church reach its goal and Victory.

The King's business demands haste. Support the cause for one minute. \$12.27 is the individual member goal.

The City Council of Spokane have voted permission to build a tabernacle in Spokane. Elder Kruger is busy with a large crew, getting ready. Elder Nightingale plans to open Sunday night, September 7. Brother and Sister Duncan, and Brother and Sister

Balsler will be connected with this effort.

Brother Roper and Brother Patzer plan to open their tabernacle in Colfax, September 14.

The McComas-Turner campaign in Pendleton will open in the new tabernacle in Pendleton, the Lord willing, September 21. Elder Schultz and the Pendleton church are working hard to get ready for this effort.

Brother and Sister McGhee, and Brother and Sister Holman will open their meeting in Leavenworth, August 24.

Elder C. F. Cole is working hard to complete Ingathering so the meetings in Toppenish can get under way as quickly as possible. Elder Weaver is pushing Ingathering in his district to get ready for this campaign.

Wanted: 6000 Adventists to rally and complete their Ingathering and be ready for the great fall soul-winning campaign. V stands for Victory. When the Ingathering Victory is won, stand by for important announcement. Elder Reynolds has a wonderful announcement for the fall soul-winning campaign.

Get your minute for Victory Day.

Elder Klement, of the Union, and Elder Oss visited the Sandpoint church Sabbath in the interest of the educational work.

Pray for the fall evangelistic efforts!

It is time now for our lay preachers to plan their fall meetings. Do you want help? Get in touch with our district leader, or write Elder Reynolds.

Join the great Ingathering Victory Parade. The time demands speed!

### New Teachers' Home at Yakima

It is a pleasure to report that a commodious bungalow for the principal is nearing completion on the Yakima Junior Academy grounds. Brother Lenz is working at the project with several of the church members. Pastor Wilcox and Elder Kruger of the conference have also helped considerably.

The need for a teacherage has been felt by the church leadership for years. Their hope is now being realized and we rejoice with them in their accomplishment. The general supervision of the school premises will be much easier with the principal residing on the grounds.

MELVIN OSS.

### Use the Envelopes

We have sent out to church missionary secretaries special envelopes which make it possible for NEW subscribers to receive the *Youth's Instructor* three months for only twenty-five

cents. Obtain one of these envelopes at once as the offer must be accepted during this month.

MELVIN OSS.

## Montana Conference

OFFICE ADDRESS: BOX 743  
BOZEMAN, MONTANA

J. J. REISWIG - - - - - PRESIDENT  
Make wills and legacies to the Montana Conference Association of Seventh-day Adventists

### News Notes

The juniors of western Montana are enjoying a very fine time at Camp Paxson, at Seeley Lake. There is a good attendance and everything indicates a successful camp. Immediately following this camp, from August 17 to 24, the seniors will meet on the same ground. It is a very beautiful place. The cabins are situated so that they overlook the lake. Elder Finney is in charge of the junior camp and Elder Klement will be in charge of the senior camp.

The conference committee met at Missoula Monday, August 11. Invitations were sent out to a treasurer to succeed Mr. Nethery, and also a district leader for the Great Falls district. It is too early to know whether they will accept the invitation.

Sabbath, August 9, was a high day in the Missoula church. Every church of the district was over its goal and the entire goal was made in four weeks. The Missoula church has raised about a thousand dollars already and the singing band is still working, and there are several to be visited yet. We never saw greater enthusiasm in the Ingathering campaign than was manifested by the members of this district. A full report of the meeting is found elsewhere.

Elder Steunenberg reports that the Billings church main auditorium will soon be ready of occupancy. He tells us that the members are of good courage and doing exceptionally well in donating labor to see the church completed by the time school starts.

Professor and Mrs. Tucker report a very interesting and profitable trip through the northwestern part of the state and are looking for a large enrollment this fall. If any are interested in coming to the academy and have not yet been visited by our principal, we wish you would immediately write to Professor A. R. Tucker, Route 4, Bozeman, Montana, and have the matter settled before all the rooms are taken. Rooms at the academy will be at a premium this fall.

Extensive improvements are being made in both dormitories and we hope

that the students will appreciate the earnest efforts that are being put forth to make their home pleasant while at Mt. Ellis.

We are very happy to announce that Doctor and Mrs. Francis W. Paul have definitely decided to locate at Big Timber, Montana. We welcome these young people to our conference and pray that the Lord will richly bless them as they labor for humanity and also try to uphold the light of truth in that section. We recommend to our people in that vicinity, Doctor Paul who has received his training at our medical college in southern California. Doctor Paul is a fine Christian young man and will give our people the very best of service.

### Sabbath School Items

Our Sabbath school offerings for June showed a decrease of 14.5 per cent over the same month of last year. This should not discourage us but should spur us on to greater activity and see if we cannot make up the increase.

For the first quarter of this year we averaged 15.5 cents a week per member. The second quarter we averaged 15.1 cents a week per member, which means a decrease of .4 cents a week per member. Much of this came because the money reached the office too late to get into the treasurer's report. Let all try and be more prompt in remitting.

For the second quarter there were 9 A's, 16 B's, and 8 C's. Four Sabbath schools received no grade. So far our four new Sabbath schools haven't been graded.

Nine Sabbath schools had an average of 25 cents a week per member. Fifteen showed an increase of 10 per cent over the same quarter of last year. Seven Sabbath schools made dollar day on the thirteenth Sabbath.

Keep your current grade up. If you didn't get a new one take the old one down.

Are you promoting the Investment fund? There was only \$94.65 for the second quarter. There are still 151 "missing" members in Montana. Are you one of them?

### The Youth's Instructor

The *Youth's Instructor* is the friend of the young people, and this one friendship that always draws them closer to God.

One reader writes, "I enjoy it very much indeed. It seems there is something special for me in every one of them."

New subscribers can get this wonderful journal for three months at the

special price of 25 cents. This begins with the first issue of September. Orders should be sent in immediately to your Book and Bible House.

The *Youth's Instructor* should be found in every home where there are young people. It will definitely help these youth to direct their efforts into right channels.

H. C. KLEMENT, M. V. Secretary.

### Call for Teachers

We are very much in need of elem-  
entary church school teachers. The  
need is very acute at this time.

We would appreciate the names and  
addresses together with the experience  
and training of all available teachers.

Kindly send this at once to me at  
the Union Conference Office address.

H. C. KLEMENT,  
202 South Palouse Street,  
Walla Walla, Washington.

Price subject to market change. Everett Sauter, Rainier, Oregon.

# Thirty-fourth Harvest Ingathering Campaign

## A Million Dollars for Missions in the 1941 Ingathering

With billions of dollars now being spent in armaments and preparation for war, the Harvest Ingathering goal appears but a small item in contrast. The way we relate ourselves individually to the problem of securing this million dollars enters largely into its success or failure. To reach the goal for the whole field, deliberate action is required on the part of each single church member, not great effort on the part of a few. The value if this is being constantly exemplified. For instance, let us think of the church which a few weeks ago in one of our cities in the North Pacific Union secured more than its aim in three days of work. Why? The city authorities gave them a month in which to complete their work. It was discovered that a week after the commencement date a big Community Chest campaign was to open in this particular city. Our church members recognized that such an effort would greatly interfere with their Ingathering work, so they all decided to make an immediate start. They did exactly that with the result that everything was through in three days, and more than the aim was reached, with no conflicting interests to fight against in the campaign.

That is the way it can be done if all will do their part. A million dollars for missions through the Harvest Ingathering in 1941. Shall we not go out and get it? Let us do it NOW! W. G. TURNER.

Each black square represents \$125 or major fraction thereof paid in.
