

## From the Union President's Desk

Yesterday it was my privilege to be with the brethren at the meeting of the Board of Trustees at the Harris Pine Mill. We were very happy to have Elders Branson, Williams, W. E. Nelson, and Brother Taft from the General Conference visit our union. They were here to attend this board meeting. Elder Branson spoke on Sabbath at the Pendleton church.

Today, Tuesday, I was supposed to be attending a meeting of the Pacific Press Publishing Association board at Mountain View, but a six-hour delay of the plane from the East made this impossible, so the time is being spent at the office. Tomorrow I shall go on to Los Angeles for a meeting with the brethren on the Medical College board and then return to begin the camp meeting circle.

In checking over some of the reports for the past few months, I note we have several items that will be of interest to our people in this territory. Elder M. V. Tucker's report dealing with the publishing work for the first five months of this year indicates an increase in book deliveries of 43 per cent over the same period one year ago. Our deliveries last year at this time were approximately \$54,000 and this year nearly \$77,000. Only one conference in our union shows a loss in sales to date. The Idaho Conference has had some difficult problems to meet but we are happy they are now beginning to show a gain week by week. Upper Columbia has been outstanding in their sales; last year having sold just a little over \$17,000 to the close of May, and this year over \$35,000. Surely the faithful work of our colporteurs merits that we remember them in our prayers.

At the moment the only information we have relative to our Sabbath school offerings brings us to the close of the first quarter. We are happy to report that with a larger membership in the union we also have a gain in the per capita giving for this period. Last year it was 26.7 cents, this year 27.4 cents per capita per week. All pressing together we should strive to achieve

the General Conference goal of an average of 40 cents per week per member through the Sabbath school. The increased attendance for the first quarter shows a greater interest on the part of our people in the Sabbath school than was manifested one year ago. In a report covering all of our mission offerings from the General Conference Treasury Department, we are happy to report a gain of approximately 20 per cent in per capita offerings over one year ago. These statistics, though, may not tell the entire story as our Ingathering funds have come in a little earlier this year than last.

In the field toward which all of our denominational activities find their focal point—that of soul-winning—we are happy to report that for the first

quarter of this year our baptisms numbered 553. Only two unions in North America have baptized more for the first quarter; the large Pacific Union with a membership of about 54,000 baptized 749, and the Columbia Union, where several large efforts have been conducted, shows a total of 606 baptized for the same period.

For the first time in the history of the North Pacific Union a report prepared by Miss Cook indicates that our membership as of March 31 has passed the 33,000 mark. We rejoice in the results of the united efforts on the part of our ministers and people in bringing this fruitage to the Lord through earnest soul-winning activities.

I shall look forward to meeting many of you during the coming weeks at our annual camp meetings throughout the union.

C. A. SCRIVEN.

#### Sorry!

Last week the Upper Columbia Conference MV Ingathering report did not reach the "Gleaner" office in time to be included in the campaign summary. They report \$10,-357, which is well over their \$9,500 goal. Thank you, Missionary Volunteers, not only in Upper Columbia, but throughout the entire North Pacific Union Conference!

## Notice to all Draft Eligible Students

Walla Walla College announces that the Dean's office has just received a Defense Information Bulletin giving important items for young men to consider. It states that every student of draft age, who has completed an academic year of school and wishes to attend college next fall, must complete at once the following requirements:

- 1. Give notice in writing to his local board that he is eligible and wishes to continue his student deferment status for another year.
  - 2. State in writing to his local board

that he has requested the dean of his school to furnish his board with selective service Form 109, reporting on his class standing.

- 3. Request the dean of his school to complete Form 109 and forward it to his local board.
- 4. Furnish the dean of his school with the correct address of his local board. (The dean must have the student's selective service number also.)

## For Their Sake-Give

- "I have enjoyed very much the Youth's Instructor and literature which you sent."—Pfc. Sandy Truit Campbell.
- "I am starting to get the Youth's Instructor, and I want to thank you very much. I surely enjoy reading it."
  —Pvt. James Saunders.

"There are no other Seventh-day Adventists in the company, so I do my own studying. But I do need help from God and help to stay faithful to Him. The literature that you send will help and is appreciated."—Cpl. James A. Gadd.

"Last evening I was given the opportunity to talk to the boy in the top bunk across from me about my Friend Jesus. As I talked I could see his heart melt within him, and it was about all he could do to keep back the tears.

Would you kindly send me a second supply of the literature that was in the Serviceman's kit? What I had was just taken from me by the boy I was talking to last night. He asked if he could keep it." Pfc. Horace Peak,

"When you are the only Adventist in a group of several hundred, or a thousand sometimes, it seems pretty lonesome to spend each Sabbath reading and studying alone. This is the time when the denominational publications are enjoyed most."-Pvt. Fred O. Eberhart.

"I received my first copy of Youth's Instructor the other day and enjoyed it very much. I was also glad to get the church membership tag. The second or third night I had it on, one of the doctors noticed it and asked if I were a Seventh-day Adventist, and I said, 'Yes.' He then said that they had a patient out in shock ward that was wanting an Adventist when he came in. I went to see the boy, but he was unconscious, and there was no identification on him, so I didn't get to find out his name. I returned the next morning to see him, but was told that during the night he had passed away. I did not at that time think to go to the registrar and find his name, and when I did it was too late."-Pfc. Glenn Willhelm.

"As far as I know I am the only Seventh-day Adventist on this island. I wrote to the mission headquarters, and they tell me that the nearest Seventh-day Adventist is about 150 miles from here. I belong to the Beaverton, Oregon, Seventh-day Adventist church on 5th and Angel Streets. I want to thank you again for remembering me out here on this small island."-Walter F. Warren, S.A.

Is it worth while to supply our boys with good literature? Do you want this work continued? Then give liberally when the offering is taken up at the eleven o'clock service on Sabbath, June 21. Our boys in uniform will be helped by your liberality. Other boys in uniform may find their way into the truth. For their sake, give!

## Wanted: Access to Copy of 1863 **Prophetic Chart**

The manuscript of Volume IV of The Prophetic Faith of Our Fathers is now in completed form, and the illustrations are being prepared. One outstanding illustration not yet available is the James White prophetic chart of "1863," pictured in M. E. Olsen's Origin and Progress of Seventhday Adventists, page 234. We have the pamphlet, Key to the Prophetic Chart (1864), but need access to a clear copy of an original chart for the wording and for photographing-hence this appeal. Colleges, churches, publishing houses, retired workers, and pioneer workers' descendents, will you not make search and see if you have

Here is a description: The symbols of Daniel are at the upper left, and the 2300 year diagram on the upper right. The three angels, followed by the comof Christ on the clouds, appear at the lower left; while the prophetic symbols of Revelation are on the right. The sanctuary, with its two apartments, is at the lower center, and the inscription or title of the chart is in the lower right corner. This apparently reads, "A Pictorial..... ... of the Visions of Daniel and John," with the remaining information about the publisher or lithographer at Boston, and the date, not legible on the photograph in our posession.

If you have a copy of this chart, kindly communicate at once with L. E. Froom, General Conference of Seventhday Adventists, Takoma Park, D. C., and arrangement will be made for its safe transmission and return, or for a local photographer to make a good negative for us. Your help in locating a copy will be greatly appreciated.

#### Will Korea Perish?

On May 23 the General Conference Famine Relief Committee gave study to a number of items among which was the need of Korea. Because I recently spent a number of days in the land of Korea the committee asked me to prepare an article to go into the union papers.

Never have I seen such a devastated land. Korea needs pity and help. I traveled from the southernmost end of Korea up to Seoul and then beyond the 38th parallel up to the iron triangle at Chorwong. North of Seoul I did not see one single house. Everything had been laid low. I saw orphan children by the hundreds. I saw refugees on the roads by the thousands-all trying to go somewhere, but where is there to go? Most of our own people have lost everything they ever possessed. The farmer has had his home destroyed, his oxen have been killed, and he is coming back to dig his field by hand this spring so he can plant a few things by which he might live this coming win-

Korea's people are fighting for survival against the terrible conditions through which they have passed and are passing. They fight against desperate odds, hunger, disease and sudden death by violence; they are struggling and praying for enough clothing and enough shelter to cover themselves. The very existence of these people depends on whether they receive help in time. It is the difference between life and death. These Koreans must not be forgotten. They must receive help.

We have just received word from the CARE company that packages can now be sent to institutional addresses in Korea. CARE has offered packages containing materials that we know are greatly needed at the present time. The food packages cost \$10, and contain eleven different items. We have studied the list, and think they are very good items. There is another package for \$7. It contains dress print, cotton suiting, thread, needles, soap etc. These things would be very helpful to the Korean people this summer.

We believe many of our people would like to send one or more of these packages. If you will send to James F. Cummins, General Conference Treasury Department, either \$10 or \$7 for one of these packages it can be sent at once to our office in Pusan or Seoul and thus be distributed to our people. We know that many of our people will welcome this opportunity of sharing with our Korean people, so we are writing this article for our union papers with the hope that many of our people who have food to eat and to spare will be glad to pay for one package or more to be sent to Korea to feed the hungry.

#### The Last Call

This is the last call to come to camp meeting at Mount Ellis Academy, just five miles east of Bozeman, June 27 to July 5. We hope everyone will arrive on the grounds early so that all preparations for the Sabbath may be completed before sundown and the Friday night meeting begins. Song service will be at 7:30 P. M. and preaching at 8:00 P. M.

Be sure to plan to stay through the entire camp meeting. We will have good General Conference speakers. The union brethren and others will also be with us. This will be a great spiritual feast. Pray that the Lord will meet with us and that great victories may be gained. Surely we want to be ready for the second coming of Jesus and no temporal gain should keep us away from this gathering of God's people.

Remember, there will be no meals served on the Sabbath. Be sure to make adequate preparations that no one will suffer. We are looking forward to the pleasure of seeing one and all at camp meeting.

## Smallest Class Graduates in Billings

The smallest class of 1952 in Billings was graduated at the Seventh-day Adventist church school located at Fourth Street West and Lewis Avenue. Miss Jean Bollinger received the only diploma.

Marje Llewellyn played the processional while Darlene Kitson, a seventh grade student, seated those having a part in the program. Invocation was offered by Elder E. G. Fresk. Betty Lou Krieger sang "My Task." Elder J. W. Griffin, treasurer of the Montana Conference, gave the commencement address based on the "Seven Mile Posts of Life." They extend from the cradle to a true Christian experience. Dr. D. H. Unsell presented her diploma charging her to walk uprightly be-

fore God and man. Darlene and Duane Kitson sang "Saviour Like a Shepherd." Mrs. Esther Wagner, the school teacher, presented the awards for the progressive work. Companion: Jean Bollinger. Friend: Betty Lou Krieger, Elaine Blakely, Fred Clague, Adam Bollinger, Margit Saborowski, Darlene Kitson, Sunbeams and Busy Bees: Margaret Morrow, Gary Fresk, Georgia Blakely.

Emery, E. G. Fresk, A. R. Lodahl, and H. A. Schultz and their churches. Brother Paul Johnson's district is a "minute man" district and deserves special mention. #### Transfer of Workers

From time to time it becomes necessary to change the leadership in the districts, and when this is done we like to inform our constituency of such changes. In a recent meeting, the conference committee, in studying the needs of the field, decided to create some new districts and appoint new district superintendents.

In thinking of the needs in the northwest section of the conference, the committee decided to organize a new district comprised of the following churches: Anacortes, Friday Harbor, Oak Harbor and Langley. The district superintendent of these churches will be Elder F. A. Wyman.

Another new district was formed,

Still another district was formed in the southern section of the conference, to include the following churches: Shelton, Elma and Montesano. Pastor Eugene Fletcher will be the district superintendent.

In the southeastern section of the conference we have territory that needs to be evangelized, and the committee has appointed Pastor Edward Graves to work in this section, which will be known as the Kosmos district.

Since Elder Alexander Snyman has accepted a call to labor in the Colorado Conference, the committee has assigned Pastor Bruce Johnston to be the new district superintendent of the Aberdeen district.

Pastor Desmond Cummings has been assigned to the superintendency of the Monroe district. This district will include the following churches: Monroe, Snohomish and Startup.

In the past Enumclaw has been included in the Auburn Academy district, but in order to place this good church in a regular district, the committee placed the church under Elder R. J. Sype. This district will now include Puyallup, Orting and Enumclaw.

Up to the present, the committee has not selected a district superintendent for the Everett district. As soon as this is done, we will inform our people in this column.

Pastor Harold Hall has been asked to remain in Bellingham and assist in that district.

Pastor Eldon Walter will assist Elder Phillips in the Centralia district for a few months following camp meeting.

Brother Ernest Waters, a pastorteacher from Walla Walla College, will take charge of the Forks church in the Peninsula district.

All of the changes mentioned here will be effective following camp meeting. It is our hope that our people will uphold these new district leaders in their prayers and give them their earnest support as they have the other workers.

THEODORE CARCICH.

## Thirteenth Sabbath Offering

If there was ever a time when we should take a real interest in giving a large overflow offering on Thirteenth Sabbath it should be Sabbath, June 28, when the offering will be taken for the Middle East Division. This territory runs from Libia and Egypt in the south to Iran and Turkey in the north. We have been studying all quarter about the difficulties encountered in these fields and yet because we are so well acquainted with the

cities and towns in this area, because of Biblical association, we should give as we have never given before.

The need is great in these fields and if we are going to counteract the ideologies that are prevalent in the world today and teach the Gospel of Jesus Christ, we, here in the home field, must give as we have never given before.

In looking over the report for the first quarter we are happy to note that the trend is in the right direction. The increase for the first quarter of 1952 was approximately six thousand dollars over the first quarter of 1951. But, brothers and sisters, the hour is late, and God wants us to lay all that we have on the altar of sacrifice. May God bless us as we make this the largest overflow offering in our history.

D. A. NEUFELD.

## Help Needed to Pitch Camp

We will be in need of about 15 men and 5 boys to help pitch camp at Auburn Academy this year. The rate of pay will be \$1 per hour, plus board and room, for men, and 75 cents per hour, plus room and board, for boys.

Those who are interested in helping do this will please write to the undersigned. This should be done immediately so there will be sufficient time to work out the schedule. We will start pitching camp immediately following the dinner hour on Sunday, July 6.

Address your communication to Frank B. Phillips, Route 1, Box 836, Centralia, Washington.

## Oregon Laymen's Congress and Camp Meeting

It has been arranged to hold a Laymen's Congress during the first week end of the camp meeting, July 17-27. Elder J. E. Edwards, of the General Conference Home Missionary Department, and Elder G. E. Vandeman, of the General Conference Ministerial Association, will be with us with a special message for the Laymen's Congress. Every camp meeting visitor will be thrilled and edified by attending all the meetings of the Laymen's Congress as well as the remaining meetings of the camp meeting.

Elder W. H. Branson, president of the General Conference, the Voice of Prophecy group, and many other interesting speakers will be with us. We hope for the largest and the best camp meeting we have ever had in the Oregon Conference.

LLOYD E. BIGGS.

## Ingathering Victory

June 3 will long be remembered by the Oregon workers as a day of rejoicing, for on that day we held our Ingathering Victory Rally.

Earlier in the campaign it looked rather dark as lumber strikes and other difficulties loomed up. Money seemed scarce and many had not earned a great deal. However, our faithful people went to work with a will and the Lord blessed their faithful efforts.

As is our custom on Victory Day we expect every worker to give a good account of himself. This they did, and as each one reported, Brother Emery, our efficient treasurer, was at the adding machine. Enthusiasm mounted as we progressed—then the tense moment when the total was to be announced. Our goal as set by the

union was \$97,278. Some guessed \$95,000, others \$96,000, \$97,000, et cetera, but we had raised \$99,593.72 which represented an overflow of \$2,315.72.

Naturally we thanked all the workers for their efforts but could not do so in behalf of the 13,000 others in the conference. Please accept this word of sincere appreciation for your share in the Ingathering. We would not forget the young people, boys and girls. They went over their assigned goals. All in all it was a successful campaign. Thank you, one and all.

D. N. REINER.

## Change of Address

On June 23 the Oregon Conference and the Book and Bible House plan to move to the new location. Our new address is 605 S. E. 39th Avenue, Portland 15, Oregon. For those who may want to visit the office I will state that it is about two blocks south of our present location, and is between Stark and Belmont, on 39th Avenue. Our telephone number remains unchanged, Empire 2187.

We hope all who correspond with either the conference or the Book and Bible House or any of the workers will please note the new address.

R. T. EMERY.

## A Big Congress

In 1951 we held a Lay Preachers' Congress in Grand Ledge, Michigan, for all of North America. Oregon had some fifty representatives, but fifty out of 13,000 is a small group. These fifty have been doing a fine job and we say thank you. We have many others who are anxious to join this select group known as the "120."

Some time ago it was suggested and finally voted that Oregon put on a Lay Preachers' Convention in 1952. It seemed to us that camp meeting time would be a suitable time for this undertaking. Accordingly we will conduct a Lay Preachers' Congress beginning Thursday evening, July 17, and ending Sabbath evening, July 19. This will be something different and should bring a real blessing. We want all of our people to be present. Come and enjoy this rare treat. You will be sorry if you miss a single meeting. A word to the wise is sufficient.

Special help has been promised for the three days. The General Conference is sending one of the key men from the Home Missionary Department in the person of Elder J. Ernest Edwards; also one of the men from the Ministerial Association, Elder George E. Vandeman, will be with us.

On Sabbath evening we will feature the Investiture of the "120," so please get in touch with your pastor or

## Second Sabbath Foreign Mission Offerings

For many years it has been a regular procedure, set up by the General Conference, for our churches around the world to receive an offering for foreign missions on the second Sabbath of each month. Not only should this offering be received in all our churches on that day, but it should be specifically understood by all members of the church

that the offering on the second Sabbath is dedicated to our world-wide mission program.

The General Conference is continually receiving urgent calls from unentered territory and for the development of stronger work in places where work has already been established. Many of these calls must go unanswered because of the lack of funds.

Can we not, as believers of the Upper Columbia Conference, give just a little more liberally and systematically for this phase of our work? God will bless us as we sacrifice and give according as He has prospered us. Someone has well said that one's Christian growth and spirituality is indicated by the way his pocket book is affected by the needs of God's cause.

The gospel commission is, "Go ye into all the world, and preach the gospel." Not all of us can go as foreign missionaries, but all of us can give for the support of foreign missions. God will bless those who "stay by the stuff" and give, as surely as He will pronounce His benediction upon those who go, that is, if the work is done faithfully and willingly at home.

## Camp MiVoden

Camp MiVoden has already proved its worth to the Upper Columbia Conference. Its influence has resulted in the conversion and baptism of hundreds of senior and junior youth during the years since it was purchased. The camps this year will be especially attractive to our juniors.

The dates for the camps are: Junior boys, July 6-13; early-teen-age boys, July 13-20; early-teen-age girls, July 20-27; and junior girls, July 27-August 3. It has been demonstrated that the segregation of age levels in this way makes the camps more attractive and

If your young people have not as yet received the circular advertising the camps and containing the registration blank, they should obtain one at once.

The rate this year will be \$11 per person, which will include tuition, board, and cabin space for one week. If the application is in before June 30, \$1 of this amount will be credited to the applicant's crafts expense. If two or more campers come from the same family, there will be a discount of 50 cents per child.

A number of improvements will be made since the camping season closed last year. One of these will be another two-story cabin, which will accom-

modate forty campers.

Missionary Volunteer camps are designed to be soul-winning in nature and to provide profitable activity, which will bring genuine happiness and blessing into the lives of the campers. Any sacrifice made to send your boys and girls to the camp will be very worthwhile. We hope to see your children at Camp MiVoden this summer.

INDEX TO THE WRITINGS OF ELLEN G. WHITE

Mrs. White has said, "The Testimonies should be introduced into every Sabbathkeeping family, and the brethren should know their value and be urged to read them."

The Index should be in every Adventist home where there are any of the writings of Ellen G. White-the Testimonies, the Conflict Series, or any of the other books she has written. The benefits of these writings will be greatly increased if you have access to the Index. It is to these books what a concordance is to the Bible. Now you may obtain one of these valuable books FREE. The Index sells for \$4.50 in cloth and \$5.50 in the de luxe limp binding.

## How to get the "INDEX" Free

If you purchase a set of Testimonies (cloth, \$18.00; limp, \$22.00) or a set of the Conflict Series (cloth, \$17.50; limp, \$22.50), the Index will be sent you FREE. If you have the Index and wish to choose any other book by Ellen G. White, valued at \$4.50 or less, that book will be sent you as a gift. If you have both the Testimonies and the Conflict Series, but will order any assortment of Ellen G. White's books amounting to \$18.00 or more, you may still choose the Index or some other book by Ellen G. White free. Your Index will be in the same binding as the books you purchase.

If you do not have a list of all the writings of Ellen G. White, just clip out the blank below and mail it to your Book and Bible House, and they will send you a list of her writings. There will be

Every mail brings requests for reservations for the coming camp meeting. We are glad for the promise of a good attendance. Last year at camp meeting time a large number of reservations were made. Doubtless some of those who made reservations will not be able to attend this year. We trust that all such will send in their cancellation at once, so that the locating committee can better plan to care for those who will attend this year. The deposit made at that time will be refunded.

Students of the Upper Columbia Conference will be interested to know that Dr. W. M. Schneider will represent the college in their field this summer, and will also attend the camp meeting. Assistant Manager J. G. Mehling will be on the campus during camp meeting. Students and patrons of the college are invited to contact either of these men in regard to plans for attending school next year.

## A Busy Week at W.W.C.

Commencement week at Walla Walla College is a series of beginnings and endings following each other in quick succession, which leaves nearly everyone somewhat bewildered and almost wondering if he is still alive at the close. This year's events, during the week June 4-10 inclusive, were no exception to the rule. On June 4, 5 and 6 students worried over final examinations, and wondered if they could ever pass. Meanwhile teachers labored long hours with a seemingly endless array of papers, and wondered if they would survive the annual ordeal. In spite of numerous fears, the results were uniformly good, and practically all of the seniors achieved their goal, a place in the graduation line of march.

Friday evening, June 6, 146 seniors accepted the consecration sermon challenge to maintain the Christian's heritage of a worthy conduct as portrayed by Elder A. C. Fearing. The baccalaureate sermon was given to a packed house, after the staff members in caps, gowns, and hoods, followed by members of the senior class had taken their places at the close of the march. Elder C. B. Haynes presented, in a masterful way, the appeal to seek greatness in the footsteps of the Master rather than in the ways of the world. Sabbath afternoon hundreds of students and guests sat on the campus while they listened to a sacred concert rendered by the college concert band and the a capella choir. That evening the band presented a secular concert in Columbia Auditorium.

The annual banquet and business session of the Alumni Association was held in Conard Hall dining room at ten o'clock, Sunday morning. The room was packed with nearly 300 guests for this interesting and important event. The class of 1952 was welcomed to the association by President Aplington, and class president Wynton Shaw responded. Apling-

ton then turned the gavel over to president-elect Harold Schwartz as the new officers were installed. There were many guests from Canada, California, and other places beyond the territory of the North Pacific Union Conference. Enoch Carnahan was recognized as being a member of the first-day student group, December 7, 1892. The Gilbert Olivers came the greatest distance to attend the meeting, having recently returned from Guam, where he is mission secretary-treasurer. A "Bon Voyage" was extended to the I. C. Schmidts who are leaving this month for a fifth term of service in Indonesia having gone there first in 1915.

Commencement exercises were held in Columbia Auditorium at two o'clock, Sunday afternoon, June 8. Following the commencement address given by Elder Theodore Carcich, 146 students were presented with 150 degrees, two being "in absentia." The bachelors degrees awarded were: Theology 15, Religion 7, Arts 66, Music 1 and Science 53, Master's degrees were presented to six biology students and one education student. After the recessional march the graduates formed a reception line on the campus and received congratulations from teachers and friends in a very colorful array of academic regalia. This brought to a close another excellent year of study at Walla Walla College.

Commencement exercises at the college are usually followed by a series of weddings and this year was no exception. Four couples were married that night. Janet Mitchell and Floyd Sargeant exchanged vows at the home of the Stanley Sargeants, while Ruby Vollmer and Harold Chapman did likewise in another home in College Place. At the College Place church, Mary Lou Saxby became the bride of Dale Tillay, and in a Walla Walla church Helen Holley changed her name to Mrs. Kenneth Thompson.

Within 24 hours after the graduation ceremonies hundreds of cars were carrying many hundreds of students teachers and friends to all parts of the west as they left for summer work, or new fields of labor. At the same time others were coming to College Place for the opening of summer school the next day. On Tuesday, June 10, the first convocation for the 1952 summer session was held in the library chapel, and classes got under way with the weary teachers hardly realizing school had closed, before they were teaching again.

#### Gem State Academy

The school year of 1951-'52 closed in a good way with a fine graduating class of 28 members. The following speakers brought timely messages to the students, friends, and relatives: A. J. Gordon, our conference president, conducted the consecration service on Friday evening; Dean Henry L. Sonnenberg of Walla Walla College gave the baccalaureate sermon on Sabbath; and Doctor H. E. Westermeyer, also of Walla Walla College, gave the commencement address on Sunday morning. A very interesting class night program was given on Saturday night followed by a short reception for the senior class and their parents in the school dining room.

The following students appear on the honor roll for the second semester: Leonardine Dickerson, Marvin Piper, Betty Thompson, Carlene Heid, Carol Bunch, Wendell Robinson, Alvin Schnell, Richard Bunch, Veryl Drury, Juanita Ebner, Edith Pugh, Joy Simle, Marilyn Smith, Evelyn Boepple, Louis Johnson, Richard Smith, Leah Wells, Fred Heid, Marilyn Jennings, Arlene Maxwell, Doris Palmer.

The faculty men are busy this summer making some much needed repairs, painting, etc. to get the school in readiness for opening this fall. Those not otherwise engaged are working in the hay and garden.

A new lawn has been planted in front of the music conservatory, which will greatly improve the looks of our grounds.

The conference men are now putting in new cement sidewalks from Frazier Auditorium to the road, which is also a great improvement. The old picket fence has been rejuvenated by Mr. Wheeler.

The academy has recently purchased a GMC suburban to replace the old school bus which has worn out.

We hope there are many young people in the Idaho Conference who are now making plans to join our school family in September. "Where there is a will, there is a way," so with much praying and working, determine to be where God wants you. We would be happy to hear from you with your address so we may visit you this summer and help make it possible for you to gain a Christian education in our own Gem State Academy. If you will do your part, the Lord has ways and means and will not disappoint you.

G. L. BEANE, Principal.
