## Words of Appreciation

## A Surprise Message

The workers and laity of the Northern Union have again manifested their sincere interest in and faithful attitude toward the mission fields in rallying to the call of the Harvest Ingathering. Loyal service has been rendered throughout the union. All have cooperated and worked earnestly. Whole-hearted support has been realized by the leaders. We wish to express our appreciation for the loyal support rendered in reaching the \$39,000 Ingathering goal. Word has been received from every local conference that their goal has been reached. When the news came from the union home missionary secretary that the Northern Union had reached its goal, the telegram was read to the brethren assembled in the Presidents' Council at Battle Creek. The brethren were greatly encouraged and sent the following message:

“PRESIDENT COUNCIL CONGRATULATES NORTHERN UNION ON REACHING INGATHERING GOAL. ALL CHEER YOU ON BEING THE FIRST UNION OVER THE TOP THIS YEAR. MAY RICH BLESSINGS OF GOD BE WITH YOU IN THE WORK. URGENT NEED OF MISSION FIELDS TO FILL NEW CALLS AND OPENINGS. MAKE STRONG APPEAL FOR INCREASED MISSION OFFERING.”

Many churches have reached the super goal; others are laboring hard to attain it. Be of good courage, brethren, and do your very best. The fields are ripe for the harvest, but the laborers are few. We must do the work of the Lord while it is day, for “the night cometh when no man can work.” Now is the opportune time to finish God’s work in the earth and be ready to meet Him when He comes to claim His own.

E. H. Oswald

There is an eloquence far more powerful than the eloquence of words in the quiet, consistent life of a pure, true Christian.—M. H. p. 469.

**TELEGRAM**

A HARD-WORKING MINISTRY AND A FAITHFUL PEOPLE HAVE AGAIN DEMONSTRATED THEIR LOYALTY TO OUR WORLD MISSION PROGRAM. THE NORTHERN UNION PASSED THE INGATHERING GOAL TONIGHT. D. E. REINER

The above message was sent Sabbath evening, October 15, to Elder

Oswald in attendance at the Autumn Council in Battle Creek. It created quite a sensation when it was read on the floor. Our union was the first one in North America to reach its goal. Every local conference was also over the top at that time. Letters from Elders Oswald, Bergherm and Butler have conveyed congratulations from the council to every leader, minister and church member in our great field, thanking us heartily for the wonderful work done this year.

We praise God for His wonderful work in the hearts of men. Let us pause a moment and hum a stanza of

	1938 Goals	Results to Date
Iowa	\$11,450.00	\$11,452.00
Minnesota	15,650.00	16,512.74
North Dakota	6,000.00	6,050.83
South Dakota	6,000.00	6,400.00
Unton	39,100.00	40,415.57

praise to His dear name: "O for a thousand tongues to sing, Blessed be the name of the Lord." We have all been at it. We have all had a good time while doing it, and only have one regret and that is that we have not worked a little longer and a little harder while the time lasted. Even now it is not too late. We must work on faithfully until our super goals are reached.

D. E. Reiner

### Is It True?

Is it true that every day some un-saved souls are going down into their graves? Is it true that some have been neighbors to members of the Seventh-day Adventist church, yet have never had an opportunity of knowing the truth before being called by death? If such has been the case, it need not be duplicated; for we have the best books in the world—books suitable for every occasion, and from these has been chosen an assortment of eleven books which appeal to all members of the family for Christmas gifts. Many, upon calling at the homes with these books, have been told by the prospect that they had searched every bookstore in the city for just such books, which proves that in many instances you have but to show these books and they will sell themselves. In this work you can be a blessing and earn something too, for a liberal commission is allowed. For full information as to how, when, and where to start, write to your Book and Bible House secretary.

### Outlook Day

We all appreciate the weekly visits of the "Northern Union Outlook." We appreciate the news it brings, the reports it carries, the announcements it makes, and its unifying offices. It is like an old friend, and we look forward to its cheering visits. You are seldom asked to do anything for all its services; however, on October 29 the offering to be received in all our churches is for the "Outlook." Beloved let us be liberal toward our good friend.

DeWitt S. Osgood

### Pressing On

A few days ago the peace of the world hung by the merest thread. Who knows what conditions may hedge us about before another Harvest Ingathering season returns? Beloved, Iowa reached its base goal,—October 15 was Victory Day, not in name but in fact. We praise God. In this hour of triumph we feel constrained to urge those churches which have not reached their super goal, to redouble their efforts; and while we commend those who have succeeded, we hope they will not leave any territory unworked, but that they will gather in the Harvest Ingathering mission funds while this favorable day of opportunity lasts.

DeWitt S. Osgood

### On the Home Stretch

What? Yes, it is Institutional Relief again. You thought that campaign was over. Think again, it was to be promoted in the spring and worked at during the whole year, that the full goal might be realized. It is Institutional Relief on the home stretch. Iowa can rejoice in victory here also. During November and December we will once more rally our forces to reach the goal. Now is the time to pay your Institutional Relief pledge. Let's be determined to sing the victor's song.

### Harvest Ingathering

It is with great rejoicing that we report to the field that the Iowa Conference has gone over the top in their base goal for the Harvest Ingathering, having \$11,452. We are now only \$1500 from going over the the top in our super goal. We trust that every one who reads these lines will help us by doing his part to make this possible. There never was a time in which the people in the field responded like they have this year to this work for foreign missions.

Elder Archbold, in District No. 1, together with Brother Calvin Gordon and Elder Bert Rhoads, were first to go over the top as a district in the Harvest Ingathering. Brother Nordstrom, in his section, has gone over the top with all of his churches, and Brother Fillman is speeding along and soon his district as a whole will be over the top.

District No. 3 is steadily pushing to the front, and Elder C. H. Miller sends us a long distance telephone call telling us that Waterloo has gone over the top. In District No. 4, Cedar Rapids now has \$350; and Sister Titzell, of Iowa, City, sends in the report that Iowa City has gone over the top in their goal. Sister Blanchard writes in from Davenport that they are at the \$600 mark and speeding on toward their super goal.

Brother Knecht and Brother Kepkey are singing the victory song as this whole district has gone over the top. Brother Knecht has done a splendid work in his section, putting every church over the top in their super goals. I would like to give special mention to Sister Stemple White of Oskaloosa, who, with some of the sisters there, raised \$88 in one week.

and put this church over its super goal

In District No. 6, the Des Moines church now has \$900 and has grown so enthusiastic that they have set their goal for a thousand dollars. Brother A. J. Gordon and Sister N. F. Reed have done a noble work with the business men in that city; and the church school, under the direction of Brother Smith, brought in over \$200. They weighed the money they received for one one week and it weighed twenty pounds. Sister Gordon did a splendid work with the singing band. This church has ordered a hundred LIBERTY magazines to follow up the interested persons contacted in the Harvest Ingathering. Brother Hudson is just a few dollars from reaching the super goal for the Philadelphia church.

In District No. 7, nine churches and companies are over the top. Brother Bernhard Petersen has certainly done a speedy and wonderful work this year in his district and they are all shouting the victory song now.

Brother Boehrig is rejoicing because it will not be long before his section is over the top. And, oh, what excitement in Nevada! Together with Ames and Perry, they have over the thousand dollar mark. They are still working, and no doubt Nevada will have the highest returns in the Harvest Ingathering they have ever had. The Oak Park Academy students have done wonderful work this year. Besides going out in their drive, they have had singing bands in different sections of this territory. Brother P. E. Jensen, with his singing band, has brought in \$77; and Mrs. Phil Coy, of Ames, helped to bring in almost \$200.

We rejoice at the accomplishments

of our people and want to say "thank you" again for this cooperation.

The Endowed Bed Fund at the sanitarium is down to \$23.68. This will not go very far toward caring for our own needy who are asking daily for medical care at the sanitarium. We want this to be a reminder to those more fortunate to remember this fund and send in a donation to help in this needy enterprise.

Those wishing to receive help from this fund can do so by having their church board recommend them as being eligible. A. E. Gilbert, M. D.

**News Items**

Statistics just compiled for the third quarter reveal that 69 were baptized and 14 received on profession of faith during July, August, and September. After accounting for eight deaths and a net loss of 25 through transfer, etc., the Iowa Conference membership stood at 2957 on September 30, 1938. A year ago the membership stood at 2896.

Elder E. M. Adams, of the Philipines, a missionary in that progressive island field since 1912, but now on furlough, passed through Iowa recently en route to Battle Creek. He spoke in the Nevada church Sabbath morning, October 15. Mrs. Adams and Aldine are visiting at the home of Brother and Sister F. W. Griffin, of Ames, while Elder Adams is in attendance at the Autumn Council.

It will be a matter of interest and courage to learn that the tithe re-

ceipts for the first nine months of the year, ending September 30, aggregate \$44,535.17, a gain of \$2,676.82 as compared with the corresponding period of last year, or approximately (continued on page 6)

**A Field Trip in the Two Southern Districts**

In meetings and visits last week with many of our believers in Winona, Rochester, Owatonna, Good Thunder, Mankato, Bath, Austin, Albert Lea and with several isolated folks in their districts, I found an excellent spirit of devotion and service. Each church had its super goal in Harvest Ingathering. Each church was happy—the members were accomplishing great things for God; they were working.

Elders J. W. Christian and C. E. Smith had their districts well organized. It was pleasant to work in their territory.

Many of our people purchased Home Worker's books to sell during the Christmas selling-season now on. Others bought these books for their personal libraries. Everyone thinks they are the best selection we have had for years. Have you ordered any yet? If not, you will not want to delay longer. They are going rapidly. Send your order to the Minnesota Book & Bible House today.

Elder and Mrs. Gerrard, Elvin, and baby Glenda, joined the wife and me at Austin. Elder Gerrard spoke at Austin Sabbath morning, October 15, and at Albert Lea in the afternoon.

We wish the Lord's continued blessings upon our active believers in the two southern districts.

**Colporteur Institute**

Minnesota colporteurs will join colporteurs from North and South Dakota and Iowa at a union institute at Sioux Falls, South Dakota, beginning Monday evening, November 7.

This will be a great occasion for our colporteurs. If you wish to attend and enter the canvassing work immediately afterwards, please write to me soon so we can make arrangements for your attendance. C. G. Cross

## Effort in North Minneapolis

For some time it has been thought by the conference committee that larger plans should be laid for reaching the people in north Minneapolis. So, soon after camp meeting, a location was secured, and an auditorium was built at the corner of 24th and Aldrich Avenue North. Elder and Mrs. A. L. Bietz were asked to head up this effort. They are being very ably assisted by Brother and Sister Carl Sundin and Sister Ethel Beeson.

On September 11 these meetings opened with an overflow audience. Hundreds were turned away. The interest has continued to grow, and every Sunday night the auditorium is far too small. The attendance throughout the week has been excellent.

Sunday night the 16th of October, began the sixth week; and in order to accommodate the people, two services were held;—one at seven and one at eight-fifteen. The auditorium was full at both of these services. This plan will also be carried out on Sunday night, the 23d, when the Sabbath question is given.

We hope that our people throughout the conference will remember this work in north Minneapolis in their prayers. As these workers enter the testing truths of our message, we hope that you will pray that they will be presented in the right way, and that a number of souls may join in finishing the work of the third angel's message. B. C. Marshall

## Youth Rally

It was indeed a pleasure to meet with the Hewitt, Wadena, Staples, New York Mill., Eagle Bend, and Parkers Prairie youth and church members at a joint rally held at the community hall in Hewitt.

Sabbath morning, October 15, the Lord richly blessed us in the preaching service, and in the afternoon Brother and Sister Leon Russell and Sister Ben Russell presented a large group to be invested in the progressive classes. There were twenty-three Friends, six Companions, three Comrades, and three Master Comrades invested. We wish the Lord's richest blessing to attend these earnest youth who have pledged themselves by the grace of God to be pure, and

kind, and true, to keep the Junior law, and to be a servant of God and a friend to man.

The evening was spent in pleasant association together—in marching and playing games and renewing old acquaintances.

We are looking forward to many such occasions as this in the different districts throughout our conference.

C. H. Lauda

## Thanks to Hutchinson

We want to take this opportunity to thank the loyal church members at Hutchinson for their part in the M. W. A. annual field day for Harvest Ingathering, held October 3. These loyal people did their part, not only by soliciting, but by furnishing autos, gas, and drivers, and without them the auction held at the close of the day would not have been a success.

Very often in the enthusiasm of a campaign with youth we overlook the fine support and cooperation the older members of the church gave us; and we again want to praise our loyal church members, because we know they are heart and soul for the salvation of our youth.

C. H. Lauda

## Bible Year Awards

In visiting the different churches I find that a number of our people are not aware of the fact that the Minnesota Missionary Volunteer Department is giving to all those who read their Bible through this year, 1938, a special Bible Year award entitled "On the Mountainside." We are sure all our youth, as well as older members of the church, will be happy to receive this award. Notify your M. V. leader or secretary in your church; and if you are isolated, write direct to us here at the conference office and we will be happy to present you with this Bible Year award.

Should it be that some of you read your Bible in 1937 and did not receive your award for that year, let us know. We still have a few of the awards for 1937 left. The award for 1937 was the booklet entitled "God's Challenge to Youth."

## Maplewood Booster Club

The Maplewood Academy Booster Club had its annual banquet for the board members, faculty, and students, Sunday night, October 9, honoring the senior class for its successful endeavor

during the past year in soliciting students. Virginia Frederickson, Ronald Beardsley, and Rosalie Morisset have earned the highest number of points. Eighteen other students are entitled to pennants for their efforts. Professor Heim presented the awards and was master of ceremonies.

The program of the evening consisted of a speech "Boosting the Booster Club" by Mr. F. Swearingen, sponsor of the organization; a response from the senior class, given by Norma Thulin; a reading by Mrs. L. W. Roth; and a speech, "Looking Ahead" by Elder V. E. Peugh. Vocal selections were rendered by the Lauda Laurelers and a ladies' trio.

Toasts to the board, to the faculty, and to the workers, were given by Prof. E. D. Kirk, Betty Lou Dickinson, and Elder C. H. Lauda, respectively. Virginia Frederickson told "Why I Boosted," and Donovan Olson, of South America told "Why I Came," speaking of the high ideals and Christian spirit he has found at Maplewood Academy. Board members, teachers, students, and friends joined in singing the school song to close the program.

The dining room was decorated with multi-colored autumn leaves, balloons, yellow and green candles in log candle-holders. Orchestral music was played during the serving of the four-course dinner.

## Thank You

During the past year I have spent many weeks traveling in Minnesota and have enjoyed meeting with many of the Minnesota members in your churches on the Sabbath and at other times. I have enjoyed your friendship and hospitality. I have been loyally entertained in many of your homes and now that I am returning to my home in South Dakota, I will long remember the pleasant times spent with you. May God bless you all.

## Weddings

An impressive wedding took place at the Killdeer Seventh-day Adventist church Sunday, October 9, at 11:00 A. M., when Miss Anna Alexen-

ko of Killdeer, North Dakota, and Mr. Andrew Boyko of Ruso, North Dakota were united in marriage. A large number of the members of the Killdeer church, relatives and friends, attended the ceremony. We wish this newly-wedded couple many of God's blessings as they journey through life together.

S. J. Demchuk

Miss Delia Reinke and Richard Kungel, both of Kulm, were united in marriage September 11. Between two and three hundred guests attended the wedding which was conducted in the Seventh-day Adventist church at Kulm. All were invited to the home of the bride for supper.

They will make their home at Kulm. Elder D. N. Wall officiated at the wedding. We pray God to richly bless this new home.

Nettie Mae Warneke of Bottineau and Harold Vincent Wall of Jamestown were united in marriage September 26 at Bottineau. Our church members and other friends attended the wedding which was conducted in the Warneke farm home.

In his wedding sermon, Elder D. N. Wall stated that it was always a pleasure to officiate at weddings when both bridegroom and bride were known to be true Christians, but that to officiate at this wedding afforded him special pleasure since the bridegroom was his own son.

Immediately after the wedding the newlyweds went for a trip to Jamestown, North Dakota. They will make their home in the Turtle Mountains near Bottineau. We wish them God's rich blessing.

### Evidences of the Latter Rain

"THE WORK of God in this earth can never be finished until the men and women comprising our church membership rally to the work, and unite their efforts with those of ministers and church officers." G. W. p. 352

I ask you brethren, what better way can we unite our efforts with those of the ministers and church officers in finishing the work of God than by the distribution of our literature? "We cannot too highly estimate this work; for were it not for the efforts of the canvasser, many would never hear the warning." C. E., p. 5

Realizing this fact, many are writing in for information, canvasses,

and territory. Here are portions of a few letters recently received:

"My roommate and I are planning on selling the HEALTH and the WATCHMAN during our spare time this winter. Please send us any information on how to get started. We can begin any time."

"Will you send me a canvass, as I plan in the very near future to sell some of our literature in a nearby town. I would like to attend one of your institutes to learn more about Christian Salesmanship.

"Send me a canvass for HEALTH and for BEDTIME STORIES. I like the magazine very much and believe that BEDTIME STORIES will sell well for Christmas. I am enclosing \$1.00 for the prospectus."

"My conscience troubled me all summer because I was not in the Lord's work. Now the opportunity has opened for my wife and me to work, and we want to begin at once."

The many students did excellent work this summer, and I believe that North Dakota will have a large force of winter workers. "Pray ye, therefore the Lord of the harvest, that he would send forth laborers into His harvest."

Roger Baker, Field Secretary

Geo. Loewen reported a very successful M. V. Convention at New Home October 7-9. Several of the nearby churches came in for the convention. The members that took part in the meeting were: J. H. Seibel, Willard Wentland, from Nebraska, Roger Baker, our field secretary, Hans Kuehne, who now lives in Woodworth, Adam Hoffman, and some of the young people of the society. They all enjoyed the meetings, and we hope the young people have been helped to live better lives for God.

M. F. Grau spoke in the Jamestown church Sabbath, October 15. He gave

a very timely message, which was enjoyed by all.

### Northwest District Meeting

It was a unique privilege to be in attendance with Elder J. H. Roth, our conference president, at the Northwest district meeting held September 30 to October 2 in the Bison church. Nearly sixty persons were in attendance, some of them coming in from points over fifty miles away. An intensive, inspirational program was followed, beginning Friday evening and ending Sunday night.

A quiet spirit of reverent attentiveness was manifested throughout the meeting. The Lord came near to our hearts in blessing. On the Sabbath the ordinances were celebrated with a goodly number participating. On Sunday morning one sister was baptized. Three or four others are anticipating union with the church in the spring.

One cannot appreciate the circumstances of our dear scattered people in this region until he has visited this barren and unproductive northern section. Very little of the soil is under cultivation. Sheep, cattle, and poultry are the chief sources of income for our farmers there. Not one word of complaint did we hear. Our people are of good courage, and they are demonstrating their faith in the verity of the "blessed hope", by their works. The little Bison church has brought in nearly \$200.00 tithe thus far in 1938 and offerings have been proportional.

Brother Carl Braun, who is in charge of the work in this district, was with us. Brother and Sister Braun have done faithful service in their field and they are altogether worthy of the confidence our people

Altogether, the occasion of our meetings was an inspiring one. The brethren shared with us hospitably, ministering to our comfort. The Lord is blessing the faithfulness of these dear isolated believers and we are confident the work in the northwest will continue to carry on to the glory of God.

### Week of Prayer at Plainview

It was my privilege to spend the week of September 17 to 24 at Plainview Academy, where we enjoyed the blessing of the Lord during our fall Week of Prayer. The academy has a somewhat larger enrollment this year than last, and although most of the school faculty are quite new, they are getting things nicely organized and quite well under way.

The Lord came very near and manifested His power to change hearts, and the most of those who had not been baptized previously, responded to the invitation to join the baptismal class. Practically all of the students responded to the call for re-consecration.

I enjoyed very much working with the faculty of Plainview Academy, and my earnest prayers go with them

and the student body as they proceed with the school year.

6 per cent. We rejoice in this increased prosperity of God's people.

Brother and Sister Glenn Fillman were callers at the office as they passed through Nevada recently. As has been previously announced, Brother Fillman is transferring to district No. 4 and will be located at Davenport.

A telegram was released on October 16, conveying the information that the Iowa Conference had reached the goal in Harvest Ingathering. According to word just received from Elder W. H. Berghem, associate secretary of the General Conference Home Missionary Department, this wire reached the Autumn Council, at Bat-

tle Creek, just in time to enable the brethren assembled there to ascertain that the Northern Union Conference was the first union in North America to reach the goal in the 1938 Harvest Ingathering campaign. We wish to take this opportunity to thank our faithful people and to express appreciation for their active participation in this good work. Many are still working on, and we anticipate it will not be long until we can announce that Iowa has passed the "super goal."
