Influence of Good Reading

Experts say that the average family is failing to teach the children a sense of values. This was emphasized again and again by the White House Conference on Child Health and Protection which convened in Washington a few years ago. In the thousands of homes visited by members of the conference it was found that most of the children had five types of toys, but that only one-fourth of them had stories read or told to them. Half of the homes in America have less than fifty books, and three-fourths of them have less than a hundred books. How tragic this is when we know that next to people, reading has the greatest influence on character-building. A love for good reading should be inculcated in the minds of our boys and girls; for he who loves a good book will always be sure of many faithful friends.

Many of our young people are being greatly benefited by the Missionary Volunteer Reading Courses as is indicated by the many letters and words of appreciation which come to us from the youth. The following quotation from a letter recently is similar to many others.

"I have just finished the Senior Reading Course for this year and my soul has thrilled and expanded under the influence of its wonderful pages, I feel it is the best course I have ever read. The messages it contains are so timely for us young people. 'The Sanctified Life' helped me to understand better what it means to be a Christian. The book on Europe helped me to appreciate my blessings more. Elder Dalrymple helped me with my problems. My eyes were opened to the dangers of dope as never before. I was convicted of carelessness with God's holy day, and impressed with the diligent study of the Spirit of prophecy."

We take pleasure in presenting the Reading Courses for 1939. When planning your Christmas gifts, why not help your own children and other children in the church to begin building a library of their own? You can

do no better than to give them one or more of these excellent Reading Course books. They are books that the youth will desire for their libraries, to be read not once but many times. Order them through your church missionary secretary or from your Book and Bible House.

Did You Know?

That youth are drinking more liquor today than ever before in the history of the world? Drunken youth reel everywhere.

That more girls are working as bar maids, entertainers, etcetera, in places where liquor is sold than there are girls in all the colleges and universities of the land?

That if the cigarettes smoked in the United States last year were laid end to end, they would make twenty-two and one-half solid rows to the moon? A great number of these were smoked by girls and boys under twenty-one.

That thousands of youth are falling prey to that new narcotic curse marijuana?

That as the result of all this unbridled indulgence in liquor, tobacco, and dope, we find crime, delinquency and immorality increasing at an alarming pace?

That the boys and girls of today are to be the men and women of to-

morrow, and if they are not all we expect them to be, that we, as older members, will be more or less to blame?

That "Science Speaks to Young Men" and "Plain Facts" for young woman on liquor, tobacco, and narcotics—including marijuana, contain the best information obtainable for meeting this problem?

That most parents everywhere are extremely anxious to possess copies, thus making it possible for you to do a large business selling these inexpensive booklets, especially upon suggesting that they may serve as suitable Christmas gifts?

That liberal commissions are allowed agents, thus making it possible to earn from fifty cents to \$1.50 per hour?

Write your Book and Bible House or field missionary secretary for all particulars, but write at once.

Harvest Ingathering

There are those who measure their services, those who give a quota, raise an average amount, do what others do and no more. Then, there are those who press on when others stop, do a little more, raise something beyond the quota.

It is true that the conference base goal has been reached, but we lack \$1,000 of reaching our super goal, and doing what we did last year. Let us work the unworked Harvest Ingathering territory and thus bring blessing to ourselves and the cause of God.

DeWitt S. Osgood

Institutional Relief

The seven-week VICTORY campaign, to complete the Institutional Relief, begins November 19. The amount each church has yet to raise has been divided into seven parts and, as the cash comes in, the letters of the word, VICTORY, are put by the

church treasurer upon the church chart. The first letter should go on November 19.

"Go with him twain," yes, there are those who will go the second mile, brother and sister who have given but whose spirit is stirred up to again give \$2.00 or more to help reach the VICTORY. These are called "Second Milers." We are asking for seven to respond in each church. In the larger churches, we expect 14 to respond. Nevada quickly responded, 15 rallied as "Second Milers." Conference church members who send in their "Second Miler" offering will be listed on the conference church "Second Miler" chart placed here in the conference office.

DeWitt S. Osgood

Week of Sacrifice

In view of the serious times, and in the light of the fact that soon our means will be of little value, shall we not all avail ourselves of the privilege of sacrificing to hasten the work of God? May the Week of Sacrifice be a real sacrifice.

A. L. Miller

Our times demand that men think. It is now or never with many. Today we may give the bread of life to the hungry millions of earth. Soon our last opportunity will be in the past. Let us all sacrifice during the coming Week of Sacrifice, that we may provide the way for mankind to have this bread of life.

R. T. Hudson

November 19 to 26 has been set apart by the General Conference as the Week of Sacrifice. Surely, this year the rank and file of our people ought to take a larger part in this important offering. We appeal to the laity to join the workers in contributing toward this fund. Remember the injunction of the Scriptures that say, "There is that scattereth, and yet increaseth; there is that withholdeth more than is meet, but it tendeth to poverty."

We are depending upon the Week of Sacrifice to help out in raising the amount we fell short in our mission offering at camp meeting. Let us all now plan and pray and prepare for a generous Week of Sacrifice offering on November 26.

DeWitt S. Osgood

Faith is trusting God,—believing that He loves us, and knows best what is for our good.—Educa. p. 253.

The 1938 Week of Sacrifice

The Week of Sacrifice will soon be here again. We are pleased to send out this little reminder to all our people in Iowa. The workers are asked to take the lead in giving one week's wage after the tithe has been deducted. And then it is expected that our membership generally will also fall in line. It is sincerely hoped that our laity will contribute at least one day's earnings, if impossible to give a full week's income.

Last year the receipts from this source were only \$963.47. In view of the great needs of the mission fields beyond, we can only hope for a much larger response this year. If all of our people, workers and laity alike, will come up to the help of the Lord during the Week of Sacrifice, Iowa will be able to roll up a considerable sum for missions.

Sabbath School Reading Course

The General Conference Sabbath School Department realizes that there are many people in our Sabbath schools who should be in training for Sabbath school officers, so they have developed the plan of a Sabbath school reading course. This reading course consists of a new book entitled, "The Sabbath School," which takes up all phases of Sabbath school work in its different branches, and the duties of all officers, also explains all the goals. Every Sabbath school member should read this book and become acquainted with the work. Those reading it through, will receive a certificate for so doing. The price of the book is \$1.00 in the paper binding and \$2.00 in cloth. Begin now to read your book and plan to get the certificate. You surely will appreciate your Sabbath school better after reading this wonderful new book, which has 220 pages.

Bible Training and Service School

Something of unusual interest is ready for all of our churches and members in this denomination. For years we have felt the need of a training course to prepare our people to give this message to others. Many are very willing, but feel they do not know how, to hold cottage meetings or give Bible studies in the home. Now, the General Conference

has made a plan whereby anyone who desires to do Bible work or lay preaching can take a course of study. We have an envelope prepared by Elder J. Z. Shuler, containing one set of printed Bible lessons, one set of teaching outlines and one copy of the plan for greater Bible evangelism. This contains 111 pages of printed Bible lessons with all their notes, making it very convenient for any one to give Bible studies. It surely is one of the best things we have ever had, and, besides, it has an outline for the teacher, telling how to give the study. The one conducting the study can also give printed copies to everyone of his readers as he finishes the study.

The cost of this information, complete, is only 25 cents plus postage. Now, to go with this, to show how to get into the homes and to approach the people is another set of studies costing 10 cents, which also gives the Denominational History outline for a new believer to understand. Therefore, any one interested in giving Bible studies, please send in 35cents together with 10 cents for postage and you may have a set complete. It will be the best 45 cents that you ever spent. As there is a limited number of these studies on hand you will have to send your order in immediately. I am sure if you get one copy of this you will want more of them because the other conferences are selling them by the hundreds. Let us hear from you at once.

Harvest Ingathering Briefs

Minnesota's super goal churches are: Anoka, Thief River Falls, Blackduck, Virginia, International Falls, Remer, Chisholm, Littlefork, Duluth 1st, Duluth Seand., Mahtowa, Bruno, Pillager, Darggett Brook, Eagle Bend, Richville, Wadena, Gilchrist, Glenwood, Willmar, Litchfield, Austin, Rochester, Dodge Center, Owatonna, Faribault, Winona, Spring Valley, Stewartville, Mankato, Morgan, Albert Lea, Fairmont, Bemidji, Bath, Sherburn, Hinckley, Sunnybrook, Forest Lake, Grandy, Minneapolis Nor-Dan., St. Cloud, Maple Plain, Minneapolis First English, Brooklyn Center, Princeton, Bethel, Beacon Light, Red Wing and Wahkon.

The churches that have reached their regular goal are: Middle River, Williams, Roseau, Detroit Lakes, Lake Eunice, Red Lake Falls, Blackberry Hackensack, Moose Lake, Tamarack Brainerd, Staples, Wing River, Hewitt, Drywood, Lake Beauty, Artchoko, Hancock, Barnesville, Good Thunder, Pipestone, Wells, Minneapolis Swedish, Mora, Rock Creek Minneapolis North, Hutchinson, Aitkin, Palisade, and Swatara, Alexandria, and New York Mills.

There are only eight churches in the conference that have not reached one or both goals. Some of these churches lack only a few dollars, so

we hope to soon announce that every church is on the Honor Roll.

The Minneapolis First English singing band has made a record that tops anything we know of in the United States. They now have \$932 and are aiming at \$1000. The church now has \$3085.96, which is an all time high mark.

Elder J. W. Christian this week joins the group of seven district men that have put every church in their district over the super goal.

The conference church members can easily put the conference church over if each member will send in an offering. Let's finish up right.

Spring Valley and Blackduck raised double their goal. That is a real accomplishment.

The Harvest Ingathering follow-up tracts are now ready. The name is "The New Era" series. There are eight tracts in the series and the conference assumes practically one half of the cost, so you can order them at the low rate of 100 of each (800) for \$2.00; 200 of each (1600) for \$4.00; 500 of each (4000) for \$10.00 or 1000 of each (8000) for 20.00. Send in your orders and pass out these tracts to the people of your town who have supported God's work so nobly through the Harvest Ingathering.

Miss Katherine Ackerman of the Minneapolis First English church has personally raised over \$200 by soliciting with a can on the streets. This marvelous record sets a new high mark. We greatly appreciate this very fine achievement.

Home Worker's Book

Have you seen the new set of 1938 Home Worker's books? Doubtless you have received a blue and cream colored circular entitled "Pleasant and Profitable Employment for Your Spare Time." Did you notice that there are seven brand new books just off the press in this year's set?

We have endeavored to select literature that would appeal to all members of the family, namely: a Bible; two doctrinal books, "Our Wonderful Bible," and "Great Fundamentals"; children's books, "Golden Stories" and "Bedtime Stories"; a health book, "Home Guide to Health"; three temperance books, "Science Speaks," "Plain Facts," and "Cup That Cheers"; a cook book with Seventh-day Adventist recipes and menus, "Science of Food

and Cookery"; a "Bedtime Story" prospectus, and a neat carrying case.

For all of this you pay only \$8.48. You sell them for \$15.35. If you sell a retail value of \$30.00 worth of books, we will give you the \$1.50 carrying case free in addition to your 50 per cent commission.

Now is your chance to suggest these books for Christmas presents to your friends and neighbors. If they are going to purchase books for presents, let us see that they purchase the best books. We have two and one-half months before Christmas, but now is the time to sell Christmas books.

Some of our folks have purchased quite a few of these books for themselves during the last two weeks.

If you haven't already ordered your set, it would be well to do so this week. Send your orders to the Minnesota Book and Bible House, 1854 Roblyn Avenue, St. Paul, Minnesota. C. G. Cross.

Red Wing Effort

The meetings held in Red Wing during the summer are still yielding results. Although the tent was twice taken down by storms, the Lord saw some honest souls in this place and by His grace some have accepted the truth. Six persons have been baptized, and others continue to show interest in this glorious message.

Some much needed repairs have been made on the church building, and others are in process.

With continued efforts here other souls may soon be won for Christ. Cottage meetings are now in progress as follow-up work for those already interested and also to develop new believers.

That Other Angel

The events of the last few weeks in Europe have made vivid in our minds the fact that the four angels will not hold back the winds of strife much longer. There is a tremendous work yet to be done in the world, a great work to be done right here in North Dakota and in our own hearts before the final crisis breaks upon us. In view of this our zeal should know

no bounds and sweep everything before it.

The Spirit of prophecy tells us that "In a large degree through our publishing houses is to be accomplished the work of that other angel who comes down from heaven with great power, and who lightens the earth with his glory." Vol. 7, p. 140.

Several have felt the call of God to take up the literature work in North Dakota this winter. Vernon Juhl and his wife from Bowsmont began last week. Theophil Fischer from Golden Valley is again taking up the work. Sister Arthur Scofield is having good success in Devils Lake and Miss Edith Olson is doing well near Walthalla. Let us each one remember these brethren and sisters in our prayers.

Will not others join these dear people in helping to accomplish the work of that other angel? There is plenty of territory left. For reservations write the field missionary secretary, Box 1491, Jamestown, North Dakota.

Elder Bond's Itinerary

We are indeed happy to have Elder C. Lester Bond, associate secretary of the General Conference Missionary Volunteer Department, visit our conference. I know that all of the young people, as well as the older ones, will want to enjoy his inspiring messages at one or more of these services listed.

Weddings

Mrs. E. Stuart and Carl J. Sleen, both of Egeland, were united in marriage October 12. A few of the neighbors were invited into the home of the bride's daughter where the wedding took place. After the ceremony a fine supper was served. The couple will make their home at Pelican Rapids, Minnesota. We pray God to richly bless this new home.

Lillian Vietz of McClusky and Arnold Krueger of Bowdon were united in marriage October 16, in the Seventh-day Adventist church at Mc Clusky. Following the service the many relatives and friends present were all invited to the home of the

bride for supper. The couple will make their home at Bowdon. We wish these young people many of God's blessings as they journey through life together.

Miss Helen DeKray and Henry Hinger, both of Pettibone, were united in marriage October 19 at Jamestown. They will make their home near Pettibone. We wish them God's rich blessing.

An impressive wedding took place at the Jamestown Seventh-day Adventist church Sunday night, October 23, at 7:30 p. m. when Miss Sarah Schelske and Gottlieb Krein both of Jamestown were united in marriage. A large number of the members of the Jamestown and Medina churches, in addition to other friends and relatives, attended the ceremony.

We pray God to richly bless this couple as they travel life's road together. They will make their home in Jamestown.

Crossing Over Jordan

Hearts cry out for the end of sin and suffering, the ushering of God's people into His kingdom of glory. As with Israel of old, an unfinished task stands between us and our Promised Land. Were it not for the unfinished work in the world and in our own hearts, the Lord Jesus would have come long ago.

What a challenge this situation presents to us in this day of world crisis! The servant of God has given stirring counsel for such a time: "Satan is at work to deceive the very elect, and now is our time to work with vigilance. Our books and papers are to be brought before the notice of the people; the gospel of present truth is to be given to our cities without delay. Shall we not arouse to our duties?"—Testimonies, Vol. IX, p. 63. "Let us now, by the wise use of periodicals and books, preach the word with determined energy."—Colporteur Evangelist, p. 101.

Marvelous are the many varied means God has placed in His remnant church for the speedy and glorious

finishing of His work. Very blessed is the individual whose privilege it is to be engaged either full or part-time in the literature ministry. Undreamed-of opportunities for service and personal development in Christian living are theirs.

"God has ordained the canvassing work. . . This is the very work the Lord would have His people do at this time."—Testimonies, Vol. VI, p. 313.

Watchman Allays Prejudice

A recent letter from Elder R. B. Clapp, in charge of the Scranton district in the East Pennsylvania Conference, contained the following interesting item clipped from the editorial page of the Scranton Tribune, dated September 9, 1938, under the caption, "Is the Zero Hour Here?"

"Some women appeared in Scranton recently pushing the circulation of a magazine called THE WATCHMAN and published at Nashville, Tennessee. As the leading article contained the portraits of Hitler and Mussolini, and the periodical came from the TVA region, THE WATCHMAN was looked upon with suspicion by those who were asked to investigate its contents for the sum of ten cents. It might be termite propaganda under a guise.

"But a surprise awaited those who invested a dime. Instead of being propaganda of an undesirable kind, the magazine contained an outpouring of religious thought.

"In telling of Mussolini's advice to Italians residing in cities to move into the country before the 'zero hour', the writer of the leading article gives opinions of the 'zero hour' that must chill the marrow of the citizen on this side of the ocean who dreads the inauguration of another war.

"He claims that the zero hour is at hand and quotes scriptures to back his assertion. He says that: 'Nations today depend for security upon armies, navies, guns, and airplanes;

for these they are spending their billions. But Daniel the prophet tells us of a great image which appeared to King Nebuchadnezzar in his dream. This image represents the great nations of earth. Finally a stone cut out of a mountain without hands smote the image on the feet, and immediately the image became fine dust to be blown away by the wind. Thus will it be with earth's mightiest nations in the coming contest with the King of kings.' "

The sisters who sold WATCHMAN in Scranton on this occasion little realized that they, and the literature they were selling, were under surveillance. And what a glorious triumph for our full-message journal, when a careful perusal of its contents not only silenced the voice of suspicion, but also brought conviction to the hearts of public officials.

We usually think of our health literature as especially adapted to the work of allaying prejudice, but this experience demonstrates to us the virtue of presenting the unadulterated truth in its beauty and simplicity to an anxious, inquiring world.

How suggestive are the words of the wise man written in the long ago: "Cast thy bread upon the waters: for thou shalt find it after many days."

We appeal to others in our churches throughout the country to engage in this beautiful ministry with THE WATCHMAN, and thus share in the glory of conquest, both here and in the great hereafter.

Excellent facilities have been provided as aids to successful work in taking subscriptions or selling single copies. Address your conference field missionary secretary for information and territory, or THE WATCHMAN MAGAZINE, Nashville, Tennessee

There is a powerful appeal in these final issues of the 1938 series of the PRESENT TRUTH. The description of the glories of the earth made new, that is to be the reward of the righteous, will cause all to want to be there. not receive the mark of the beast.

Obituaries

Busk.—Edward J. Busk was born September 18, 1850, in town of Alabama in Genesee County, New York, and passed

away October 3, 1938, in Des Moines, Iowa, at the age of eighty-eight years. While still a young man, he came with his parents from New York to the State of Wisconsin. There he was married to Mary Orvilla Roblec. Shortly after their marriage, they moved to Battle Creek, Michigan, where he accepted the truth and united with the church there. To this union were born five children of whom Geo. S. Busk, of St. Louis, Missouri, is the only survivor. Twenty-one years ago Mr. Busk moved to Des Moines, Iowa, where he met and married the present Mrs. Busk, with whom he lived for seventy-n years, until the time of his death. He was a loyal member of the church, with a bright hope in the soon coming of Jesus. He enjoyed talking with others about the good things of the kingdom. We confidently believe that he awaits the call of the Life-giver.

Words of comfort were spoken by Elder A. J. Gordon, of Des Moines, and burial was made in Glendale Cemetery at Des Moines, Iowa.

Hardy.—Lura Arabella Worcester Hardy was born December 17, 1850, at Mendon, Michigan, and passed away March 27, 1938, at Grinnell, Iowa. She was

the daughter of Justus and Sarah Worcester. When a small child she came with her father's family by covered wagon in 1854 to a farm in Marshall County, Iowa, where she grew to womanhood. Later she attended Grinnell College and taught school for several years. In 1874 she, along with her parents, moved to Grinnell. Here she joined the Seventh-day Adventist church, of which she had been an active member ever since. She took a course in nursing at the Battle Creek Sanitarium. Besides her nursing, she was a Bible worker in the Seventh-day Adventist Church prior to her marriage. She was united in marriage on January 6, 1892, to James Hardy. They lived in Colorado Springs, Colo., and in Portland, Butteville, Forest Grove, and Gaston, Oregon. In 1916 they came to Grinnell to visit at the home of her sister, Mrs. Martha Derr. Mr. Hardy died in April, 1918, and from that time on Mrs. Hardy made her home with her sister. She passed away peacefully at the age of 87 years. Two brothers preceded her in death, and she is survived by one brother, O. J. Worcester, of Grinnell; and five sisters: Mrs. Martha Derr, Mrs. Mary Patton, and Miss Alma Worcester, of Grinnell; Mrs. Adda Auten of Gaston, Oregon; and Mrs. Frances Norris, of Fort Collins, Colorado; also several nieces and nephews.

Funeral services were in charge of the Rev. Wm. F. Long, pastor of the Baptist church. Burial was in the family lot in Hazelwood Cemetery.

Krogstad.—Arnt A. Krogstad was born at Inset, Norway, February 2, 1853, and died September 18, 1938, at the home of his daughter Mrs. Evans, Tracy, Minnesota. He came to America in 1880 and married Miss Hannah Ulstad at LaCrosse, Wisconsin. Of the eleven children born to this home nine survive, also twenty-five grand-children, nine great grand-children and one sister. His wife passed away last January. More than fifty-five years ago Brother Krogstad and his dear wife accepted the third angel's message and united with the Scandinavian church in Minneapolis. Welaid our brother, a weary pilgrim, to rest by the side of his wife with the blessed hope in which they had so long lived together. Mrs. Albin Thulin of the Granite Falls church, assisted the writer with the funeral services from the home and the chapel at Tracy, Minnesota. May God bless those left of this family circle and reunite them in the kingdom to come.
