## Local Church Treasurers

December 25 is the last Sabbath of 1971 and this will give you several extra days in which to work up your final report for the year. A union-wide ministerial institute will take your pastor, departmental secretaries, and conference officers out of the field early in January.

For this reason we are requesting that *all* local church treasurers send their December remittance of tithe and offerings in to the conference treasurer not later than January 4. I know this is a little earlier than usual for a few, but we earnestly seek your help and cooperation.

For all church treasurers who follow our recommendation of sending the report within five days of the last Sabbath of the month this presents no problem. January 4 gives ample time for all to get their tithe and other obligations turned in for credit on 1971 business.

So, Brother Treasurer or Sister Treasurer, thank you in advance for your help this year to assist the conference treasurer in meeting his deadlines.

L. H. Netteburg

## Three Major Projects in Far East Will Benefit from Overflow Offering

Happy Christian boys and girls like this will benefit from your generosity on Thirteenth Sabbath.

See article at top of next page.

During the fourth quarter of 1971, special attention is focused on the Far Eastern Division, the field which will receive the overflow of the Thirteenth Sabbath Offering. Interestingly enough, the Far Eastern Division offers a variety of situations that encompass the whole scope of mission circumstances. To travel from the steaming jungles of New Guinea, Borneo, and Sumatra to the modern sophistication of Djakarta, Singapore, and Tokyo is to bridge the gap between savagery and civilization. The gospel program must be flexible enough to reach all of these areas, and this flexibility is illustrated in the three projects which will profit directly from the fourth quarter Thirteenth Sabbath Offering overflow which will be taken in all churches of this union on Sabbath, December 25.

ship and others are being given studies in their homes. Although this is not a great report as far as numbers who are joining the church, we believe that many of our members are nearer the kingdom because of the concern expressed for the poor!

The meetings were held in the Faith Community Church, a former EUB Church. The lovely facilities of this church plant proved to be an added blessing. Several of the local members worked together to provide music as well as playing the organ and piano nightly. Others served as greeters, ushers, and baby sitters.

The preaching of the Word, even if it is the old landmarks, should work a change in our living patterns. The vision of helping the poor and hungry--on a regular basis, not just at holiday seasons--is one that the Master would have each of us experience. May that vision never dim in the experience of the Williston SDA Church.

### Evangelism in Williston

"Then the king will say to those on his right: 'Come, you who have won my Father's blessing! Take your inheritance. . . . For I was hungry and you gave me food. I was thirsty and you gave me a drink. I was lonely and you made me welcome. I was naked and you clothed me. I was ill and you came and looked after me. I was in prison and you came to see me there'." Matthew 25:31-36 Phillips.

This prophetic scene, which is a part of the second coming drama, is as much an evangelistic directive as is the gospel commission of Matthew 28:19, 20. How many Sabbath-keeping, tithe returners will be classified with "goats" because they failed to express loving concern for the poor who are hungry, destitute, sickly, or imprisoned? Far too many!

During the recent *Amazing Facts* Series with D. G. Albertsen as speaker, the Williston SDA Church was challenged to bring food for the poor. It took awhile for the members to remember the food barrel each evening. But by the end of the meetings the total value of food items brought totaled \$28.00 besides \$4.00 cash. Garden vegetables, homemade jam, and homemade spaghetti sauce were among the items that went to help three families much in need.

The preaching of the Word had its effect, too. One young man is presently preparing for church member-

### Ingathering in North Dakota

Gideon Krueger of the Bowdon Country Church loves Ingathering. What he loves about it is the enjoyment of visiting friends--friends he has made through many years of faithful Ingathering visitation. One can stop in almost any business place in Sheyenne, New Rockford, or Cooperstown and find that they know Brother Krueger.

This year Brother Krueger drove over 500 miles to finish his work and brought in close to \$300.00 for the Lord's work. May the tribe of Gideon have an abundant following this Ingathering season.

in his Ingathering money to a "smiling" Pastor Roeske. This put the amount raised in the district by November 25, well over its goal. Thank you, members and lay activities leaders.

It is a joy to the lay activities leaders of the New Home, Carrington, and Bowdon Country churches when in response to their appeals for workers for house-to-house visitation in Carrington, fifty young people and adults come Sabbath afternoons to distribute literature.

After a short devotional message and organizational meeting, the members go out by twos covering the whole town of Carrington, about 600 houses in the space of one hour. Each team has its own territory in which they work each time they go out to make friends and search out interests. After returning from their visiting, all meet together at the pastor's home for a short time of sharing experiences. This group has now gone out three times and will continue their visiting every other Sabbath in preparation for evangelistic meetings to be held in Carrington in January. All three churches are working together to prepare the ground. Three thousand tracts will be distributed by the time this project is completed.

## Wedding

Connie Rhea Krupsky and Marvin Teske of the Ellendale, North Dakota, community were married Sunday evening, November 7, at the Seventh-day Adventist Church of Ellendale with R. R. Patzer officiating.

Many relatives and friends of both families were in attendance. After the wedding a reception was held for the young couple. At the present time, Mrs. Teske is continuing her study of the nursing profession at Aberdeen, South Dakota. Later they will take up residence on a farm in their home community. Both young people are an asset to their home church. Our prayers shall follow them in their newly-established home.

## Dickinson, Faith for Today Evangelistic Campaign Brings Excellent Response

The capacity crowd heard Gordon F. Dalrymple open the Dickinson, North Dakota, evangelistic campaign with a message on "Our Shattered World, What is Coming?" Fundamental Bible doctrines and prophecies were covered during the series. Some of those attending traveled as far as 100 miles each way to be present for the Bible lectures.

Faith for Today evangelistic meetings conducted in Dickinson, North Dakota, has brought an excellent response with 13 people baptized thus far and others planning on taking this step in the near future. During the meetings 35 decisions were made for baptism. The series was conducted by Gordon F. Dalrymple. Associated with him and continuing in a strong follow-up program are Ed Scheresky, coordinator; Gary Counsell, Robert Janssen, music director; and John Jones.

Laying an excellent foundation for the meetings was the mailing out of more than 10,000 handbills,

2,000 tickets, 10,000 request cards and 10,000 invitation cards by members of the Dickinson area churches. Churches helping with the organizational phase of the meetings included: Dickinson, Bowman, Killdeer, Grassy Butte, Beach and Hebron.

Members gave outstanding support during the series, bringing friends and neighbors to the meetings and helping with numerous details including distribution of Bibles. Outstandingly successful in inviting friends and neighbors to attend the meetings was Mrs. Wallace Carlson; she also helped as one of the greeters during the meetings.

Baptized during the series was a manager of a hotel, a cattle rancher and others who rejoiced in giving their lives to Christ.

An implement dealer in one of the largest businesses in the state attended a number of evenings with his family. They are convinced that the seventh day is the Sabbath and are giving further study to truths of the Advent message.

Giving overall guidance and support to the series was W. H. Elder, president of the North Dakota Conference.

Meetings were conducted in the beautiful new Dickinson Seventh-day Adventist Church, which proved ideal for the visual aids including blacklight and color screen slides. Every lecture was beautifully illustrated.

Study is being given to an added week of follow-up meetings to be conducted by Pastor Dalrymple during January or February to add to the baptismal harvest brought in thus far. Pastors in the area are continuing to work with interested individuals and baptize them as they are ready to go forward with Christ.

The series in Dickinson is the first Faith for Today telecast series to be conducted in the northern section of the United States.

## North Dakota Investitures

Mrs. Carol Roeske being invested as a Master Guide by Mrs. Willis Seibold, Pathfinder Director for the New Home church.

Most MV investiture services take place in the spring, but with the Pathfinders from Cleveland and New Home it was a different story. A year of hard work and activities culminated in the fall instead.

On Sabbath evening, November 13, sixteen Cleveland Pathfinders were invested in the various JMV classes. This was the first investiture service conducted for Cleveland's new Pathfinder leader, Mrs. Glenn Seibold. There was much evidence of her hard work during the year in helping the boys and girls advance another step up the Progressive class ladder.

On Friday evening, November 26, nine New Home Club Pathfinders were invested. In this case it was Mrs. Willis Seibold's last investiture service in a

long line of investiture services while she has served as a Pathfinder leader. O how grateful we are for her many years of dedicated service to the boys and girls in the New Home church.

In the investiture service at New Home we were thrilled to see invested as a Master Guide Mrs. Carol Roeske, wife of Seig Roeske.

It is always a thrill to invest our boys and girls and to realize they have been building their bodies and filling their minds with those things that are wholesome.

## Sheyenne River Academy Homecoming

Sheyenne River Academy played host again to another annual Alumni Home-coming Weekend on October 22 and 23. Over 600 guests visited the campus and attended meetings during the two-day affair.

On Friday evening Dr. Elmer Widmer, Chairman of

Environmental Health at Loma Linda University, was the speaker and LaVerne Opp, Assistant Principal of Mount Vernon Academy, was the speaker for the worship hour on Sabbath morning. Both men are graduates from the 25th year honor class.

The Sabbath afternoon program honored the honor classes. These were the 50th year class, 1922; the 25th year class, 1947; and the 10th year class, 1962. Many members from these classes were present during the weekend.

A business meeting was held on Saturday evening. It was voted to keep the same officers for another year. They are: President, Mrs. Leo Widicker, Bowdon; Vice-President, Mineard Stolz, Carrington; Secretary, Mrs. Willis Seibold, Sykeston; Treasurer, Mrs. Kurby Bechthold, Sykeston. Mrs. Pete Roehl of Hatton, North Dakota, was elected the new President-Elect.

The evening entertainment was performed by a group of SRA graduates now attending Union College. Elmer Glovatsky was the Master of Ceremonies.

### Our Gift To Jesus

December 25 is perhaps the only day on the calendar celebrated by Christians of every persuasion and non-Christians alike. For millions it has become a day of family reunions, exchange of gifts and the gratification of self. What is our attitude as Adventists? "Our birthday anniversaries, and Christmas and Thanksgiving festivals, are too often devoted to selfish gratification, when the mind should be directed to the mercy and loving-kindness of God. God is displeased that His goodness, His constant care, His unceasing love, are not brought to mind on these anniversary occasions. -- *Counsels on SS Work*, pp. 143, 144.

Surely we should not go so far as to ignore the day, especially when we have children. Even the Spirit of Prophecy admonishes us to let our youth share in the joy of this season. However, remind them that if it would be Christ's birthday (which it definitely is not), we should be bringing our gifts to Him.

This year Christmas falls on Sabbath. How appropriate to let every member of the family carry his own gift to Sabbath School. When little Margaret buys her gift for daddy tell her to save some of her spending money for Jesus. "No offering is small that is given with true heartedness and gladness of soul." COL 359. "He (Christ) did not refuse the simplest flower plucked by the hand of a child, and

offered to Him in love. He accepted the offerings of children, and blessed the givers, inscribing their names in the book of life." DA 564. We are told that when properly instructed "a revenue of small gifts would be brought from the hands of the little ones to be put into His treasure as thank offerings!" *Counsels on SS Work*, p. 142.

The Far Eastern Division is counting on your extra-special Christmas gift to equip our new hospital in Hong Kong, to purchase a mission launch and to provide Lamb Shelters. Practically none of our churches overseas have adequate rooms for the hundreds of children who are crowding our Sabbath Schools. Personally, I have seen one hundred or more children crowd a 5 x 12 ft. room. Often they have to meet under trees just hoping that it will not rain. A spacious wooden structure is all they need. Why not give them a helping hand?

God's blessing will rest upon you when you remember His brown Asian children during this Christmas season.

### Thank You From a Hospital Bed

A few days ago we visited Mrs. Mary Hoffman in the hospital. Several weeks ago she was seriously injured in an automobile accident. She still has more weeks to spend there in the hospital.

Mrs. Hoffman asked me to thank her many friends who have remembered her with cards, flowers, and letters. She appreciates each remembrance most sincerely. Keep her in your prayers and drop her a line at the Clarkston Bennett Hospital, Rapid City, South Dakota 57701.

### Who Listens to--The Bible in Living Sound?

Many people ask us this question. It is true that the original interest was to reach the children, but we have found that people of all ages like stories. Ministers report that they take the records to their studies and listen alone for the inspiration they receive. Elementary and high schools are using them in their class rooms. Many, many retirement homes are using the records. The Greatest Teacher of all times appealed to the multitudes with His teaching in story form. We cannot improve on His methods.

For your convenience, we have a sample album which we would be happy to send you together with

## Baptism

New members of Spencer Church. Left to right: Harold Hahn, Robert Leach, Pastor, Daisy Hahn, Robert Boggess, Iowa Conference Evangelist, and Lynn McCall.

## Baptism

New members of Osceola Church: Left to right - Leo C. Richardson, Newton Watkins, George Watkins, Miss Tammeria Stegmann, Miss Karol Grean Cretty.

Five new members were added to the Osceola Church on November 6. The baptism was the climaxing conclusion to a three-week Crusade For Christ conducted by Robert Goransson, evangelist, and David Job, pastor. The baptism was made possible by the fervant zeal of the church membership. One family drove one hundred miles round trip each night to bring their father and uncle to the meetings. What a joy it was to see the results of such diligent labor!

One of the candidates found a *Bible Reading for the Home* in his attic, stored there many years ago when his parents purchased the book from a literature evangelist. Surely God is desirous of blessing us in His work as we use the many avenues at our disposal for His service and the soon finishing of the proclamation of His truth.

Robert Goransson

The Spencer Seventh-day Adventist Church is faithfully fulfilling Christ's injunction to His followers, "Go ye therefore, and teach all nations, baptizing them. . . teaching them to observe all things, whatsoever I have commanded you. . ."

A three-week series of evangelistic meetings is our most recent endeavor to bring the truths of the Bible and God's message to our friends and neighbors in Spence rand surrounding communities. Robert Boggess, Iowa Conference Evangelist, spoke nightly of the great prophecies of the Bible and the Three Angels' Messages, clearly outlining Bible truth and doctrine. God's last-day message of the Remnant Church was made clear and a call was made to join the Seventh-day Adventist Church. The Holy Spirit spoke to many hearts and three responded, desiring baptism.

Baptism on December 4 at Spencer - Left to right, standing - Edythe Rice, Maurice Mingus, Ingor Johnson, Robert Leach, Pastor; in baptistry - Daisy Hahn, Robert Boggess, Iowa Conference Evangelist, Harold Hahn.

Sabbath, December 4, was a joyous and high day for our church. Harold and Daisy Hahn and Lynn McCall were baptized and united in membership with the Spencer Church. Others are studying and preparing to follow Christ's example in baptism.

The other three churches in the district, Spirit Lake, Ruthven and Estherville, faithfully supported the meetings. Everyone felt the abundant blessings of God and were more firmly established in Bible truth and their belief in God's Remnant Church.

Robert Leach, *Pastor*

## General News

### Listen News

WASHINGTON D.C.--The city of Chicago has found a way to "brake" its drinking drivers--particularly at this year-end holiday season.

Last year the Traffic Court and Police Department decided to get tough, to enforce the law, in a double-barreled action. Drivers convicted of driving under the influence would be sentenced to a minimum of seven days in jail, and they would also be hit with an unconditional revocation of their driving license for one year.

What happened? The phenomenal result is featured in the current issue of LISTEN Magazine. Last December, fatalities during the last two weeks

suddenly went down 65 percent, from an average of 22 killed during those weeks in previous years, to only 8. Injuries dropped more than 50 percent, from 2,003 the previous year, to 994.

Moreover, only one of the fatalities involved alcohol. Usually at holiday time the average is much above 50 percent involvement. The number of accidents in which alcohol played a part dropped by 80 percent.

Chief architect of this campaign was Raymond K. Berg, Chicago traffic court judge, working under the direction of Mayor Richard J. Daley and chief judge John S. Boyle.

Success was so spectacular that the program is being repeated and strengthened for this holiday season, says Judge Berg, with greater publicity in all media.

In his new responsibility, Peterson will be fostering the growth of numerous periodicals produced by the publishing house.

Born in Canton, New York, Peterson received his Th.B. degree from Atlantic Union College. His denominational service ranges from Carolina and Northern New England to British Columbia and Canadian Union conferences prior to his association with the Columbia Union.

Peterson is widely known as the founder of the Adventist Amateur Radio Network. He, along with his associates in this around-the-world organization,

## An Urgent Appeal to Every Youth

Say young fella, young lady . . . they're getting it all together to help a million kids and more into the joys of knowing Jesus, the Only Answer.

Who's getting it together? The young people of the Seventh-day Adventist Church throughout North America. In January--all month long--they're going to emphasize "Wayout," the colorful new youth outreach of the Voice of Prophecy.

And how are they getting it together? By every fellow and girl digging into their spending money to give whatever possible--a dollar or more--to help the Wayout start a million new kids on the royal road that leads to the Heavenly kingdom.

Each church youth group--yours included--is setting aside the entire month of January so every person in the church can take a personal, financial part in this proven way to interest teens and other youth in starting to walk with Jesus.

Proven? Yes, yes, yes! More than 250,000 kids have already asked for the Wayout--more than 15,000 a month since the program began. The first person to study about the Sabbath in the Wayout Christian approach went on to be baptized into church fellowship. Many others are following this young man's example.

Any time in January you can give your gift through your church youth society--the Fall Council has recommended that the entire month emphasize this appeal to win young people to Christ.

If you're young, or young in spirit, remember those 1,000,000 kids the Wayout wants to start on the royal road to Heaven right away! Your gift will get them started!

## At Rest

RYAN-Eunice Elaine Ryan was born at Riblake, Wisconsin, on April 11, 1894, and passed to her rest after an extended illness on December 28, 1970. She joined the Seventh-day Adventist church at Dodge Center, Minnesota, and was a faithful member of the St. Paul First Seventh-day Adventist church at the time of her death. Her faith and courage were a rich blessing to all who were privileged to know her. She had a very special talent in bringing hope and courage to those who were sick. She was a member of the Silver Anniversary Club of the Voice of Prophecy. She leaves to mourn her husband, William E. Ryan, whom she won to the message she loved so much. She sleeps now to await the call of the Lifegiver at the coming of the Lord.

How encouraging it is to see the weekly reports come in, revealing how near we have come to our objective. This is the last week before Christmas and we sincerely trust that those churches which have not achieved their objective will do so by Christmas.

We are greatly pleased to see so many reaching their goals so early. Iowa is to be commended for reaching 110% of its goal. North Dakota has also reached its objective. Congratulations! South Dakota has really made a forward leap to 97%, and Minnesota now has 91% of its goal.

Thank you so much for your cooperation and support
