Field Reports.

WILLIAMSTOWN.

ACCORDING to appointment I met with the church at Williamstown last Sabbath and Sunday. There was a general assembling as brethren and sisters came in from Greenboro, Pulaski, Parish, West Camden, and Sand Bank. I spoke four times, and we held one social meeting, and celebrated the ordinances. Three united with the church. The meetings were especially good; I think the best I have ever enjoyed with the church. Delegates were chosen to represent the church in the annual State Conference. The good work is onward at Williamstown.

S. H. LANE.

CLEVELAND.

ACCORDING to appointment I met with the friends at Cleveland last Friday, Sabbath, and Sunday, and had a pleasant and profitable season. We had a good prayer and social

meeting Sabbath morning in which all took part. The Sabbath school seems to be well organized and a good interest manifested by both teachers and pupils. Elder Wheeler drove over from West Monroe Sunday, and we had a pleasant though short visit. Brother and Sister Palmer and family from Bernard's Bay attended the meetings. Their help in the Sabbath meetings is appreciated. Several desire baptism and I think all will be ready by July.

Elder Brown has given several sermons on the Sabbath question since the institute, and he claims to have proved that Christ changed the Sabbath to Sunday, but thus far he does not seem to be very proud of his proof as he has refused to let it appear in print.

I spoke four times and made about fifteen visits. A good spirit is manifested, and I trust the organization may be more perfected there in the near future. I received five dollars tithes from there for the Conference.

A. E. PLACE.

GOUVERNEUR.

WE commenced meetings at this place Friday evening June 15, with a fair attendance. Up to this date, June 18, we have held five meetings. At our last meeting, Sunday evening, the fifty-foot tent was full. The interest seems to be very good, but we cannot tell how it will continue; there is a strong Catholic element here which we expect will strongly oppose the truth.

But the Lord lives and reigns, and we will trust it all with him. Our tent is located on Prospect St., west side of the river. Our first collection was \$2.62. We desire to be remembered in our work here, by all of God's people at the throne of Grace.

H. L. BRISTOL.

THE INDICATOR.

SLATE HILL.

We are holding meetings in our tent with a fair attendance, and will probably stay in this place about two weeks longer. Brother W. W. Wheeler is with us again, and is feeling better than when he left home. Another real victory for the truth is now won in this part. Brother Wright, of Middletown, who accepted the truth last winter, works in the O. and W. car shops, and has been repeatedly threatened with the loss of his position if he persisted in observing the Sabbath as a day of rest; but through faith in God the victory is complete. He is to work as before and still keep God's Sabbath. This case is an interesting one, and proves God's love and care for the "willing and obedient." "Them that honor me, I will honor."

H. G. THURSTON.

THE TENT SEASON.

THE tent season has now fully opened. The tents are now located. One at Buffalo, Binghamton, Gouverneur, Slate Hill, and Nunda. Gouverneur is in St. Lawrence Co., Nunda is in Livingstone Co. There has never been any preaching of our faith in the county that we are aware of. If the tent is not pitched in Nunda, it will be pitched in the county. Slate Hill is in Orange Co. where quite an interest has been awakened through the labors of Elder H. G. Thurston. Orange Co. is not far from New York City, and Livingstone Co. is a few miles south and west of Rochester. Let us remember the tent workers in our prayers.

S. H. LANE.

DEAR INDICATOR: I am thankful for the privilege of engaging in this part of the Lord's work. I feel the need of much of his blessing that I may be enabled to do work that will meet his approval.

G. E. EVANS.

—It you use Whole Wheat Flour, write to the New York Tract Society for prices on Eureka Health Flour. We can ship to any part of the State at figures that will enable all to use it. We want agents everywhere who will push the sale of this valuable food product.

THE CAMP MEETING.

We have arranged to hold the State Camp-meeting at Auburn. It will commence July 26, and continue ten days. Elders I. D. Van Horn and R. C. Porter are expected to attend. Make arrangements to come now. Let each church choose delegates for the Conference. More particulars from week to week. Come and enjoy one of the best meetings ever held in the State.

S. H. LANE.

—We wish to call the attention of numerous correspondents and contributors to a rather prevalent custom of using the personal pronoun in the plural number by those who are writing for a singular number only. Modesty and good taste indicate that the writer's individuality should not be made too prominent, which some perceiving, take refuge behind the editorial "we." Editors are supposed to speak for the paper, and are privileged to say "we." But correspondents, when speaking for themselves would do well to keep their subject in prominence. However, it is frequently necessary and entirely proper for a writer to introduce himself, especially in reports of labors and travel; and when it is so, it is more frank and less embarrassing to come out with the good old-fashioned "I."—*Review and Herald.*

DEAR INDICATOR: I am sorry I have so little to report this week, but expect to have a better one next week. I went to deliver a Bible Readings to a man in Ashford Junction. He said the book was worth more than the price, and told his wife he wanted her to read it. My little girl had a Gospel Primer given her by a sister, which I took along with me, and got eighteen subscribers for it in a few hours. Old and young, Catholics and Protestants thought it was just splendid. I expect to do great work with it in my next field of labor. I love to work for the Lord.

MRS. R. SCOTLAND.

APPOINTMENTS.

—Brother Frazee writes, "Mr. Noll of the Sabbath Union, former editor of the *Pearl of Days*, spoke in the Methodist church here (Poughkeepsie) this afternoon, in favor of better Sunday observance. There was a slim attendance and no enthusiasm."

—Brother Fred McAlister took orders for 43 "Gospel Primers" last week.

No providence hindering, Elder Place will meet with the church at North Creek, June 23, 24. On the same dates I will meet with the church at Middle Grove. Hope to see a large attendance at these meetings. I will meet with the company at Albany, Wednesday and Thursday evenings, June 20, 21; and at Schroon Lake, June 30, and July 1.

THE INDICATOR.

DEAR INDICATOR: I feel sure that it does not pay to spend time casting pearls before swine. I came to rich people who claim to be poor, and I have tried several times to talk the book into their possession but find they act more like rendering me when I continue the attempt. I am more and more of the opinion that the "Bible Readings" is too big a dose to give to a selfish professor of religion.
