NORTH CREEK AND SCHROON LAKE.

I SPENT last Sabbath and Sunday, June 30 and July 1, at North Creek and Schroon Lake. The discourses were appreciated. One aged baptist brother attended from Otsego Co. He is visiting in the vicinity. He took part in the social meeting and his testimony was cheering. One Methodist lady was also present and took part. The meetings were held in the new meeting-house, and all rejoiced to think, that after keeping the Sabbath for some twenty years and meeting from house to house, they at last had a meeting-house of their own. The outside attendance is greater, and the erection of the meeting-house has given an influence to the truth.

On Sunday I joined Elder Place in holding meetings at Schroon Lake. It seemed good to meet in their new meeting-house a large number among whom we have held two camp meetings. Their house is nearing completion being now plastered and nearly completed out-

side and in. The time will soon come when we will organize a church there. We were much rejoiced to meet them as it has been one year since I labored among them. During the winter they have held Bible readings in the new meeting house which has done them much good, and also aided some to see the truth so that we met some that have embraced the truth since we were last there. Some are giving up the tobacco habit. It seemed good to find them growing in the knowledge of the dear Saviour and the truth.

Sunday evening I spoke at Igera in the hall of the Patrons of Industry at their request. Every seat in the hall was full and some stood up. The best of attention was given.

S. H. LANE.

SCHROON LAKE.

SABBATH and Sunday, June 30 and July 1, I spent with the company at Schroon Lake. I spoke twice Sabbath and had a social meeting. It seemed good to meet with the friends here again. All seemed of good courage and to enjoy the meetings. One brother who began keeping the Sabbath through the study of "Bible Readings," drove about forty miles to attend the meetings. He had never heard an S. D. A. minister. He bought some books and subscribed for the *Little Friend* and INDICATOR. I sold two sets of Thoughts on Daniel and Revelation, and two Gospel Primers.

The church house is nearly finished and it looks neat and is an honor to the cause here. It was well filled evening after the Sabbath and also Sunday a. m. at which time Elder Lane spoke. There are several here ready to be baptized and we hope to see this done soon and a church organized. The Lord has blessed the work at Schroon Lake, and we are glad to state that our camp meetings and all the work here has returned to us in blessing. May the Lord

grant that the good work may go on. We firmly expect that it will. I expect to meet with the church at Keene Center next Sabbath and Sunday.

A. E. PLACE.

LIVINGSTONE COUNTY.

AFTER considerable unexpected delay we succeeded in securing a good location in the village of Dalton, on the Buffalo and Hornellsville division of the Erie Railroad, and commenced meetings Sabbath evening, June 29. The attendance has been light until Sunday night when we had a fair audience. A few appear interested, still it is apparent that there is a strong prejudice on the part of some, but we hope to see it yield in time, and that some may accept the truth as a result of the effort. We were very agreeably surprised Sunday, by a short call from Brother J. R. Calkins.

HOLLAND.

SABBATH June 30, I met with the small company at the above place and found them firm in the truth which we hold so dear. In the afternoon we had a Sabbath school after which I spoke to them on the subject, Growing in Grace. Although but a few yet they are keeping the light of truth before their fellowmen. They are always glad to have our ministers visit them. They donated \$3.62 toward the cause. May the Lord keep them as true light bearers in this place.

J. P. LORENZ.

DEAR INDICATOR: I desire to be remembered by you, one and all, that my Heavenly Father will help me in this hard field and with my hard heart that I may love the work and the dear souls for which our loving Saviour suffered and died. I am ashamed of my inconstancy, and that I allow the trifling cares of home to keep me from the important work of my Master. I need help from above. I desire more evidence daily of a living connection with the true and living Vine, that I may bear fruit to the glory of God. Yours for holy trust and faithful work by the help of my God.

A. P. BUMP.

THE QUARTERLY MEETINGS.

WE have reached the quarterly meetings again. We would be glad to furnish each church a minister, but that is impossible at the present time. The tents are in the field, six in number. The work with them has started in well. Already some have taken a stand for the truth. We are expecting a very prosperous season through the blessing of the Lord and your prayers.

We hope that all will donate something toward the maintainance fund to support the orphans in the Haskell Home. The promise is to them that remember the poor and needy. We also hope that all will tithe faithfully this quarter, and ask this that the cause in the state may be well supported. Times are hard and money is scarce, but if all will faithfully tithe there will be no want of means to support the cause in the state. If all do not, there will be a crippling of the work. Let all tithe in the fear of the Lord. You cannot afford not to tithe for it belongs to the Lord, and you cannot afford to keep and use for your own use that which belongs to him.

The work is onward in the State, and we are much pleased that it is so. To the Lord be the praise. Choose at the quarterly meeting the delegates to represent your church in the State conference, to be held in connection with the camp meeting at Auburn commencing July 26. Attend that meeting.

S. H. LANE.

THE CAMP MEETING.

WE trust that every Sabbath-keeper in the central part of the State, and in all other parts is making calculations and preparations to attend the camp meeting at Auburn. Times demand that we meet together often and get good and do good. A nice ground has been secured on Oswasco St. on the line of the street car track. The cars run from the Central depot right to the grounds.

There will be tents for all that will come. We hope all the churches will be represented either by delegates or letters. Be sure to come to this meeting as this will be the State meeting, and the most important of the camp meetings to be held in the State. The Lord will be there with a rich blessing for all that attend.

—Remember that next Sabbath, July 7, is the time to take up collections for the James White and Haskell Memorial Homes. All who heard the reading last Sabbath will realize the need for a maintenance fund for the Orphan's Home and a building fund for the other Home. Donations may be sent to this Office if more convenient than to send direct to Battle Creek.

—The INDICATOR will be sent to any address the rest of the year for 15 cents.

—We want to ask our canvassers to be a little more prompt in sending in their freight receipts, so we can give credit for them, and in turn receive credit from the Publishing House. Please remember this, and not carry freight receipts for a week or two before sending them in. The Houses expect all receipts returned to them within thirty days from the time the books are sent out, and in order to do this, we must ask you to send them in promptly.

THE INDICATOR.

APPOINTMENTS.

THE quarterly meeting of the Syracuse church is postponed till July 21 and 22, so that Elder Lane may be present. C. GILBERT.

The quarterly meeting of the Rome church will be held July 21 and 22. It is expected that Elder Place will meet with us and give opportunity for baptism.

By request of Elder Lane, I will attend the quarterly meeting at Olean July 7 and 8. We hope to see a full attendance, and pray for the blessing of the Lord. P. Z. KINNE.

Providence not hindering, I will hold meetings over Sabbath and First-day, July 7, 8, at Lincklaen Center; Pulaski, July 14, 15. S. H. LANE.

I will be with the Pierrepont church July 7 and 8. There will be opportunity for baptism. It is hoped that all who have seen this duty will be prepared to attend to it at that time. C. O. TAYLOR.

DEAR INDICATOR:

I suppose you know I am very inexperienced in the canvassing work; when I start out the comforting thought is that I have not only got present truths in my heart but also in my hand in the form of "Bible Readings" and it is my privilege to take it to others also the tracts that I take along and give to those who are willing to receive them. My prayer is that the Lord will bless the reading of them to the saving of souls.

MRS. R. SCOTLAND.

—We now have No. 32 of the *Bible Students' Library*, entitled "Present Truth." Price, 4 cents. This tract has been out of print for some time, but has lately been reprinted.
