### A LIVING JOY.

BY EMMA L. PARDON.

My Savior's love is wondrous sweet,  
It soothes my heart when cares annoy,  
In Him alone, I stand complete,  
To me He is a living joy.

Earth's pleasures fade, Christ doth abide:  
Away then every passing toy;  
I trust in Him, for me he died,  
To me He is a living joy.

No other friend like Him I've found,  
His goodness is without alloy;  
He comforts me when griefs abound,  
To me He is a living joy.

My Lord's commands are very plain,  
His enemies He will destroy,  
Those who obey, with him shall reign,  
To me He is a living joy.

Dear sinner, heed the Savior now;  
And let not Satan you decoy;  
For if in faith to Christ you bow,  
To you He'll be a living joy.

### THE DELEVAN CAMP-MEETING.

THIS meeting opened on time. I reached the ground from the Maine camp-meeting on Friday afternoon. The preaching had been done by Elders Place and Ball. Found a goodly number camped on the ground. There are new arrivals by nearly every train. The meeting bids fair to be largely attended by the brethren and sisters living in western New York. There are twenty-eight tents pitched on the ground, which is indeed a beautiful one, composed of some five acres of stately trees, which afford a secure protection against wind and raw cold air. Night after the Sabbath a wind-storm, whose severity we should have experienced perhaps to our disadvantage had we been in an open field, swept over this section, but it was only the song of the storm-rocked leaves which notified us of the tempest. It rained all night and some Sunday forenoon, so much so that but few came onto the ground. In the afternoon it did not rain and people came in from the country and village until our congregation numbered some four hundred, besides our people. In the evening about the same number were present. The best of attention was paid to the word spoken. The order was complete. The social meetings have been excellent. The collection at the Sunday meetings was \$12.50. The grove is lighted by electricity and supplied with good, fresh spring water, but best of all the truth is impressing hearts and creating an interest.

—There is no use in asking God to bless the world unless we are willing to bear some part of the expense ourselves.—Ram's Horn.

We came to this place after about four week's stay in Northampton. Our attendance was the most unsteady we ever experienced. Like the

turn of the kaleidoscope, every evening brought a changed congregation, no one having attended all the meetings. There were two families who became interested. We shall visit them occasionally and if possible get them to take a stand for the right.

We have now held five meetings at this place with a good hearing thus far, but we see omens of a secret opposition being organized against us, but this we look for as it is the only argument which can be brought against the truth.

Sabbath evening Brother Charles Parker sent his son Clarence for us. After meeting we rode about eight miles to their home, and so had the privilege of meeting with the Middle Grove Church on Sabbath. This we enjoyed very much, and trust we were all profited for surely the good spirit of the Lord was present. We met for meeting at the home of Brother and Sister Eldridge, both being quite feeble. As we had an appointment for evening after Sabbath, Brother W. N. Parker accompanied by his wife and son Will, brought us and attended meeting in the evening. We labor in hope.

### GERMAN TENT WORK.

ON August 3 we began our second effort at Reserve a little village 3 miles south of the city limits of Buffalo. Our tent was filled every night and on Sunday nights we were not able to accommodate all the people who came from Buffalo, Elma, Orchard Park, Ellicott, and other villages in the neighborhood. All expressed their satisfaction and desire to know more. Certain parties of Buffalo are very much interested and are anxiously inquiring for more light.

The people were very kind to us and donated liberally to the cause. They supplied us with all the eatables that could be desired. The Lord gave freedom in presenting the solemn truths for this time. The ministers who otherwise do not even speak to each other, united their efforts against us; but as is generally the case, it turned out in favor of the truth. Quite a number of their church members have accepted the truth, and this of course makes the ministers wild. We will close up here tomorrow. Brother Lesch, however, will remain

and follow up the interest, while I go to attend the Delevan camp-meeting.

Our work this summer may be summarized as follows: two efforts, 95 sermons preached, 20 adults to the faith, book and tract sales, \$47, collections and donations, \$49.

Thus as we look over the past few months we can truthfully say, what hath God wrought for us.

### NOTICE.

WE wish to call the attention of canvassers to the fact that in order to avail yourselves of the offer to have your books delivered free to you, your order must not be for less than 25 *subscription books* for each shipment, as the New York house positively refuses to stand the freight when ordered in smaller quantities. They also refuse to make any allowance whatever on helps of any kind, no matter how large the shipment.

Helps cannot be shipped from New York, as the price is more.

Through the courtesy of A. J. Holman & Co. we are now able to furnish the canvassers with Holman's complete photographic Family Bible Prospectus for only 60 cents each. The regular price of these books is 75 cents. The size is 5½ x 7 inches, and can be carried easily with your other prospectus, without inconvenience.

Canvassers, help yourselves by taking orders for these superb Family Bibles in connection with your other books.

Try it, and be convinced that it will help you.

--The report of J. S. Fritts' delivery in last week's INDICATOR should have read 111 books instead of 58.

Now is the time to order your S. S. Lessons for the next quarter.

--If you have dyspepsia, you need a diet especially suited to your case. It can be obtained from our Health Foods. See advertisement in another column.

**Sanitarium**

**HEALTH FOODS**

Should be used by all who value health. The reason is this, they contain no lead, ammonia, alum, or other objectionable and harmful substance; they are made from the best of material—no cheap, starchy flour, no cheap shortening; they are carefully and scientifically prepared; they are thoroughly baked so that the task of the stomach in digesting is as slight as possible.

These foods are equally good for the strong and healthy and for the sick and dyspeptic. In the sick room they are indispensable, and often greatly hasten the recovery of the invalid from the fact that there is nothing about them to retard recovery.

We have circulars describing all these foods, telling of what they are composed, and the case for which each food is best adapted. These will be sent free upon application.

There is a full supply of these foods continually on hand at the Depository. They can be shipped to any part of the State with slight expense for freight. When ordered in lots of 50 lbs. or more, we give a discount which will aid in paying freight.

Here is a list of some of the best foods:—

- |                          |                  |
|--------------------------|------------------|
| Oatmeal Biscuit,         | White Crackers,  |

**Granola, *The Gem of Health Foods.***

Sanitarium Granola has been manufactured for nearly seventeen years, and is unquestionably the finest health food ever devised, and is greatly superior to any of the numerous imitations to which its success has given rise.

**Sanitarium Coffee**

Is a pure cereal preparation, tastes much like the safe coffee, but has none of its injurious properties, and besides is very inexpensive, selling at the low figure of 10 cents per pound.
