GALWAY, SARATOGA CO.

WE have had a steady attendance during the past week, with an increasing interest. Last evening, although raining and dark, and a union service held in the place, which was a farewell sermon of an Evangelist, who was here on trial, we were happily surprised to see a few more at the hall than we could furnish seats for. Our collections have not been large, but enough to more than meet our expenses, last evening being the largest, which was nearly \$2. Sister Florence Booth is with us helping in the work.

We had another good meeting at the Middle Grove Church last Sabbath. We were pleased to meet old Brother Barber, who, having for years been out of the fold, now with tearful eyes, expresses a desire to return. We expect to meet with them in quarterly meeting the first Sabbath in October. Let all seek God for a revival of our first love, let every difference be put away with every stumbling block, that the King's way may be clear.

We trust that these meetings will be precious seasons to all who may attend, and we hope all the church members and friends interested will be present. Where ordained ministers are in attendance. There will be an opportunity for baptism. We hope all will tithe faithfully, so that the treasury may be supplied with means, that we may carry on work with renewed energy during the autumnal months. The evenings are long, and now is the time to commence missionary work in earnest. May the Lord give us a fitting up for the work.

THE INDICATOR.

SABBATH SCHOOL OFFICERS PLEASE NOTICE.

The following resolution was passed by our State Association at Auburn Camp-meeting:

WHEREAS, we appreciate the efforts of the managers of the S. S. Worker to make it a live and efficient aid in the Sabbath school branch of the work of God for the salvation of souls and recognizing the benefit to be derived by the schools from its perusal by the active workers in our schools, and,

WHEREAS, the publishers of the S. S. Worker have by special arrangements with the State Association offered to furnish the same at greatly reduced rates, therefore,

RESOLVED, that it is the judgment of this meeting that this association provide for the necessary number of this journal to supply each superintendent and teacher, and that we earnestly request each school to take advantage of the opportunity offered by the publishers through the State Association to meet the needs of the workers in our schools. The same to be sent in clubs to the secretary of each school.

Each Sabbath school officer or teacher as well as each member in the school, if they will study this resolution and the explanation which we append, will I trust be able to see that here is an opportunity that should be improved.

1. The publishers offer, to the state associations which accept and adopt the above resolution, the Worker in clubs at 30 cents per copy.

2. This gives us the opportunity of securing the Worker for any member of the school at the same price, on condition that they have it come with the club to the secretary of the school.

3. We expect each school will meet at least one-half of the expense of Workers to their superintendents and teachers, or fifteen cents per copy, and we hope each school will feel like trying earnestly to meet the entire amount. To accomplish this we would say that you may be able to think of some favorable method for raising the amount, but will suggest this, that each school have a quarterly donation especially for the worker. Let it be understood by the school one or two weeks beforehand when the special collection will be taken and raise in this way all you can, then it can be made up from the regular Sabbath school collections.

4. If any member wishes the paper for the year and will send the thirty cents to the state

secretary, your paper will come in the club to you for the year, but where it comes to officers or teachers and paid for by the regular school donations or the special quarterly donations, it will come to you only while you remain in office. I do trust, therefore, that as many as feel they can afford it, be owners of this excellent paper for themselves.

The state secretary in sending her blanks this quarter has called the attention of the secretaries to this article and I trust it may receive prompt and favorable attention and that we may receive prompt and favorable replies from our schools and that the step may demonstrate a success to the Sabbath school work in our state.

Mrs. Place has already ordered the Workers for the officers and teachers in your school, and without doubt you will receive the October number with little delay. Let an effort be made to increase the club among the members and send in to the secretary as soon as consistent.

May God bless you all and give you the right spirit and success in our work is the earnest prayer of

Your brother,

A. E. PLACE, Pres. N. Y. S. S. A.

Obituary Notices.

SEPTEMBER 6. I was called to attend the funeral of sister Mary J. Patterson, wife of brother William Patterson of North Lansing, Cayuga County, N. Y. Sister P. began keeping the Sabbath with her husband in 1872 in a tent meeting held at West Groton, N. Y. About seventeen years she has been suffering from the effects of a shock of paralysis, which greatly impaired her health. August 30 she went to town with her husband and on their return, soon after entering the house, she had another shock and fell to the floor. Medical assistance was summoned as soon as possible, but all hopes of recovery were gone. She rapidly sank away until Tuesday night, September 4, she quietly closed her life of fifty-four years. She leaves a husband and two daughters to mourn.

The funeral was held from the home Tuesday, September 6, 1894.

DEAR INDICATOR: Although the times are hard, and it is with difficulty that we can get any orders; still we are of good courage and thank the Lord that we can have a part in spreading the last message of mercy to a perishing world.

One family who knew what the book was when they signed for it were very anxious to get it, and are interested in the truth it contains. They said they would study it thoroughly. The lady said she has been praying to the Lord to send her the truth and she believed he would.

THE DELEVAN CAMP-MEETING.

THIS meeting is now in the past. It has been attended by some two hundred of our people. The outside attendance was good from the first. Our large pavilion, 60x90, was often well filled. On the last Sunday it was crowded, and had it not rained on both Sundays, we could not have seated the congregation. Our book sales amounted to some \$50. The Sunday collections, to aid the expenses of the meeting, were \$30.53. The first day and Sabbath school offerings were liberal.

The preaching was done by Elders Place, Kinné, Peabody, Ball, Mead, Thurston and Brethren Stowe, Westworth, Lorenz and the writer. In the daytime, the sermons were mostly of a practical nature, and in the evening we dwelt more largely on the doctrinal parts of our faith. The campers were much benefited by the word spoken, and those not of our faith became deeply interested.

The revival effort on the Sabbath was successful. Twenty came forward, several of whom made a start in the Christian life for the first time. On Sunday, eight were baptized in Cattaraugus Creek, which skirts the beautiful camp-ground. The weather a portion of the time was stormy, and the last day of the meeting the wind blew a gale, reaching a velocity of fifty miles an hour, but the stately trees afforded us ample protection, our tents remaining undisturbed. The only inconvenience being a difficulty to be heard on account of the song of the storm-tossed leaves, yet all did hear, and were deeply stirred by the words spoken.

The ground was nicely lighted by electricity and the citizens did all they could to make our stay among them pleasant and they succeeded well. The last meeting was held Monday, Sept. 24. It was a general praise meeting. Several were on their feet at once, testifying to the goodness of God, and their thankfulness to him for the Delevan camp-meeting. All returned to their homes greatly strengthened for the spiritual warfare. S. H. LANE.

THE interest here has been increasing every day and at each meeting we hear expressions of gratitude for so clear and plain a truth. But the work is not moving forward here without opposition. The Baptist minister of this place has used his influence against our work here in trying to keep the people away from the meetings, and having failed in this, he decided to speak upon the subject of the law of God, which he did this morning at his church. We were present and received him this evening. It was a complete victory for the truth and settled the minds of many in regard to the binding claims of God's holy law. Our attendance is still good, ranging from 200 to 230. So far the work is moving well here in every way, and from every standpoint the outlook for the truth here is encouraging; yet we cannot tell what the result will be. The collections this evening were \$3.48. The book sales are fair. We are of good courage in the good work.

GENERAL CAMP-MEETING FOR NORTHEASTERN NEW YORK.

THERE will be a general meeting for the friends in northeastern New York held at the new church building of the North Creek Church, commencing Friday night, Oct. 12, and closing Sunday night, Oct. 14. On Sunday, Oct. 14, the new meeting house will be dedicated. We hope to see a general turnout from Middle Grove, East Hartford, Glens Falls, Harrington Hill, Schroon Lake and Horicon, and would be very much pleased to see friends from Keene. As far as convenient, bring bedding, so that all may be comfortably provided for during the meeting. Elders Place, S. Thurston and the writer will be present. S. H. LANE.

—It you use Whole Wheat Flour, write to the New York Tract Society for prices on Eureka Health Flour. We can ship to any part of the State at figures that will enable all to use it. We want agents everywhere who will push the sale of this valuable food product.
