To The Young People

Elder Guy Dail will be remembered by many of our youth. While connected with Pacific Union College he visited many sections of our Union. Elder Dail is now the secretary of the Central European Division of the General Conference. In a recent letter, he writes particularly to the youth in the Pacific Union.

"Often have I recalled the pleasant visits accorded me in the many homes of our people while touring the country in behalf of Christian education. Great has been the joy I have experienced with the children of our people in California, and my hopes as to what the youth of this favored state would accomplish for the Master have always been very high.

"God has given the young people of California privileges enjoyed by our youth in no other part of the world. However, it is very important that we as children and youth do not forget that to whom much is given, of him will the Lord require a great deal, and that it is impossible for us to be the recipients of such blessings without our having to face the accompanying responsibilities.

"I wonder where all the boys and girls are today who ought to be in one of our Christian schools operated by the Pacific Union and local conferences, or by our churches? I trust each boy and each girl of church school age has the opportunity to be in one of our good church schools. I hope that each youth of academic age may find it possible to visit one of our academies. I trust that each young man and each young woman who should be in college is found there. By this I intend to say that all boys and girls, and all youth, and all young men and women must necessarily right now be in school: they should be in school if their being there is in the order of God's providence and if that is God's plan for them at present. There may be family responsi-

bilities or other duties laid upon us of the Lord which would exclude the possibility of our being in school. Of course, for all such would be the question of self-improvement by means of our Fireside Correspondence School, or in some other way. Every young man and every young woman, and every boy and every girl, and every child should be ambitious to continually improve, to develop the body, and to strengthen the mind.

"This brings me, dear young friends, to the consideration of one exceedingly important factor in our training—to the question of our personal accountability to God. He desires to take full charge of our lives and to be consulted with reference to all we are to do. He delights to lead us in the way of success. He is honored when His sons and daughters make good.

"Recent experiences in our attempt to select a young man for one of our needy fields have very greatly impressed upon my mind the imperative need of our young people being physically fit for service. Of three candidates for one place, not one candidate was able to successfully pass the physical examination. This fact made me very sad. Quite probably other mission boards are having a similar experience. The "modern" young man's disregard of the fundamental principles underlying a normal health is in part to blame for this condition. There are other elements that enter into it among our European youth. We dare not overlook the fact that the great majority of men were very seriously under-nourished during the World War. However, this experience of ours has given me more than an average degree of concern for the health of our young people and I earnestly request each one of the children and youth living in the state of California and within the territory of the Pacific Union Conference to do everything reasonable that a sound physical

constitution may be developed to aid them in becoming all that they ought to, children of God fitted for high service in His cause."

Work Among the Mexicans in Arizona

It is encouraging to see the work grow among these foreigners. As the seed is being sown, it also grows and bears fruit to the salvation of souls. Brother Antonio Fernandez, who is working in Phoenix, reports that the work is onward here among the Mexican population. The interest is still growing. New Year's eve was an evening long to be remembered by the Mexican church in Phoenix. It was my privilege to meet with them and after a very encouraging talk by Brother Fernandez, and the candidates were carefully questioned before the congregation, eight precious souls were buried with Christ in baptism to rise from the watery grave to walk in the newness of life. Others are interested and are carefully and earnestly studying the message.

Brother C. L. Benitez, who is working for a mining company at Miami, is doing faithful work during his spare hours in behalf of the work among the Spanish speaking people. Faithfully he goes from house to house giving Bible studies and distributing literature. Sabbath, January 4, it was the blessed privilege of Elder E. R. Johnson of the Ari-

zona Academy and the writer to spend the day with these Mexican believers in Miami. We had a very encouraging meeting Friday evening and then during the Sabbath, January 4, we all met together with the Americans in their neat little house of worship in the city of Globe. After an encouraging service was conducted and the new believers were questioned on all points of our faith before the congregation, eight precious souls were buried in the watery grave with their Lord, Elder E. R. Johnson officiating. It was an inspiring scene to see these dear souls surrendering to their God. A Sabbath school of twenty-two members was organized among the Mexican believers. May God greatly bless this new Sabbath school and we welcome the same to the sisterhood of our Sabbath schools in this conference. We trust and pray that it will be a growing Sabbath school. Brother Benitez has been greatly blessed of God in his faithful home mission stand to obey the commandments of God. Surely, dear reader, this shows what can be done when we consecrate our lives and all to the service of God and do our best to win some soul to Jesus. May God abundantly bless the work in Globe and Miami. We are looking forward to the time when we will soon have the privilege of organizing a strong Mexican church, raised up entirely by the efforts of one of our lay members.

ADOLPH JOHNSON.

News Notes

We are glad to report that Brother E. D. Moore, recently from the Hawaiian Islands, is stationed at Globe as pastor of our church there. Brother and Sister Moore are comfortably settled and are taking hold of the work in an encouraging way. We are looking forward to some real interesting reports as a result of their earnest efforts in behalf of the work in Globe. Let us pray that God may abundantly bless the precious seed that is being sown.

Last Sabbath, January 4, Brother Howard Corran conducted an encouraging service in Tucson. It brought cheer and courage to the believers and a goodly number were buried with Christ in baptism. How thankful we should be to God that He thus blesses our faithful workers and that souls are being won for the Kingdom of heaven. Let us continue to earnestly pray and cooperate

with efforts put forth for the winning of souls.

The auditing board met last Thursday in the Arizona Conference office to audit the accounts of the faithful workers in Arizona Conference. It was encouraging to the whole board as they reviewed the blessings of God that have attended the efforts put forth in the many different branches of the work in this field for the advancement of the cause of God. Let us earnestly pray that Arizona may be a conference that will grow rapidly.

We were very pleased to have Brother B. M. Emerson, the secretary-treasurer of the Pacific Union Conference, pay us a visit last week. He met with the auditing board. We welcome these visits.

Word has just been received from Brother J. L. Holder, our field missionary secretary, that he will soon return from his stay in Glendale, California. He has been held there because of sickness in his family. We hope that each one to whom the Spirit of God has spoken about having a part in the colporteur work will write Brother Holder, addressing him here at the conference office, with reference to this work. We long to see the colporteur work greatly advance and strengthen in Arizona.

These are busy days for Elder J. A. Neilsen and Miss Ruth Lehmann as they are getting the books ready for the Union audit. We are very happy that God has so blessed the work that these faithful workers in the office can meet

The Sabbath school work has greatly prospered in this field during the past year. From the reports that have been received by the office, it appears that at least six Sabbath schools have reached their conference Sabbath school goal. May God bless our Sabbath school work. I trust that every Sabbath school throughout the conference will determine to cooperate with the conference in reaching the Sabbath school goal throughout the year 1930.

Out of the Cities

No. 9

"Parents flock with their families to the cities, because they fancy it easier to obtain a livelihood there than in the country. The children, having nothing to do when not in school, obtain a street education. From evil associates, they acquire habits of vice and dissipation. The parents see all this, but it will require a sacrifice to correct their error, and they stay where they are, until Satan gains full control of their children. Better sacrifice any and every worldly consideration than to imperil the precious souls committed to your care: They will be assailed by temptations and should be taught to meet them; *but it is your duty to cut off every influence, to break up every habit, to sunder every tie, that keeps you from the most free, open, and hearty committal of yourselves and your family to God.*"—Vol. 5, p. 232.

"Instead of the crowded city, seek some retired situation where your children will be, so far as possible, shielded from temptation, and there train and educate them for usefulness. The prophet Ezekiel thus enumerates the causes that led to Sodom's sin and destruction: 'Pride, fullness of bread, and abundance of idleness was in her and in her daughters; neither did she strengthen the bands of the poor and needy.' All who would escape the doom of Sodom, must shun the course that brought God's judgments upon that wicked city."—Vol. 5, p. 232, 233. Children, having

no choice of their own, but having to dwell where the parents choose, are not as responsible as are the parents for their delinquencies. Parents assume much when by choice they remain with their children in the large cities.

"The deadly lethargy of the world is paralyzing your senses. Sin no longer appears repulsive, because you are blinded by Satan. The judgments of God are soon to be poured out upon the earth. 'Escape for thy life,' is the warning from the angels of God. Other voices are heard saying, 'Do not become excited; there is no cause for special alarm.' Those who are at ease in Zion cry peace and safety, while Heaven declares that swift destruction is about to come upon the transgressor. The young, the frivolous, the pleasure-loving, consider these warnings as idle tales, and turn from them with a jest. Parents are inclined to think their children about right in the matter, and all sleep on at ease. Thus it was at the destruction of the old world, and when Sodom and Gomorrah were consumed by fire. On the night prior to their destruction, the cities of the plain rioted in pleasure. Lot was derided for his fears and warnings. But it was these scoffers that perished in the flames. That very night the doors of mercy was forever closed to the wicked, careless inhabitants of Sodom."—Vol. 5, p. 233, 234. "Escape for thy life." Oh! what a warning from the angels of God.

News Notes

Elder G. A. Roberts spoke at the Santa Cruz church on Sabbath, January 4, and at the Watsonville church that afternoon.

Elder Haynes and Copeland and Miss Dauphinee spent January 10 to 12 in the Sonoma district. The prospects are good for a prosperous year for the Lord's work in this district.

Elders Owen and Haynes spent Sabbath with the Vallejo church. The Lord has wonderfully blessed the Vallejo church in the past year, and plans are being laid for the most aggressive missionary campaign ever carried on in that city. Elder Truesdell, with his splendid corps of church officers, has laid plans to definitely evangelize Vallejo during 1930. It is planned to visit each home

at least ten times, and thus search out every interested soul in this city.

The Bible House Says:

"Something to Do" is just the thing for that lively boy or girl on these long winter evenings to amuse and instruct after the lessons are finished. The hundred and over different projects in the book are varied enough to suit all. It comes to you postpaid for \$1.25. Order one today.

Do you find the present quarter's lessons interesting? They are doubly so to those who have "Patriarchs and Prophets" and read the story from this great commentary on the scripture under consideration. If you do not have the book we will be glad to send a copy postpaid in cloth for \$2.25, or limp for \$3.25. Order direct or through your church missionary secretary.

"What God Has Done With Them"

The Santa Cruz church has just finished a yearly cycle of missionary endeavor. Like Paul and his associates, who on their return to Antioch rehearsed before the church all things that God had done *with them*, we deem it fitting to recount what God has done with us, His humble instruments.

Each month of the year has witnessed some definite effort. Early in the year the city territory was mapped out and the organization of our forces effected, followed by two *Present Truth* drives of ten weeks each, during which about 17,000 papers were used. Clubs of 135 *Signs*, 110 *Liberty* Magazines, and 55 two-year subscriptions to *Present Issues* have gone into the homes and the public libraries. 108 sets of Big Week books were sold. Harvest Ingathering enlisted a large per cent of our members, our average conference goal being reached.

Dietetic, home nursing, and Bible workers classes were conducted during the year, with some not of our church as members.

Our well-equipped medical unit is actively operating under the direction of our local medical missionary secretary, with a member of our church as consulting physician.

As a result of combined efforts there are many interested seekers for truth, and we hope for definite results in the near future.

News-O-Graphs

Sister J. G. Hunter of Paradise recently celebrated her eighty-first birthday; at the Sabbath school she repeated all the memory verses for the past quarter. Good record, don't you think? Sister Hunter met with a serious accident some months ago, and is not fully recovered yet. But by doing mending for other folks, she earned a nice amount of investment money.

Papers are coming in on the 1929 Teachers' Training Course; and we urge that all our members who have taken the course, write out the answers to the questions, and send them in. The prospects are encouraging for a large number of certificates on last year's training course.

These long winter evenings afford a splendid opportunity to do missionary work by scattering tracts, papers, or magazines in your neighborhood. NOW is the time to do it—"As a people, we are not doing one-fiftieth of what we might do as active missionaries."—*Counsels on Health*, p. 507. Active soul-winning means the saying of our own souls.

"Testimonies on Sabbath School Work" and the *Sabbath School Worker* constitute the Teachers' Training Course for 1930. Every officer and teacher should read this book (price 50c) and have access to the *Worker*. (90c a year, single subscription; 75c in clubs of two or more). Place your order through your church missionary secretary TODAY, and enroll in the 1930 Teachers' Training Course.

Our readers will be pleased to know that as a result of Brother W. R. Jefferson's meetings, a Sabbath school of nineteen members was organized in Lincoln, with Senior, Junior, and Primary-Kindergarten divisions represented. The organization was effected on Sabbath, January 4, 1930, in the Congregational church (where the Sabbath school is held), Elder and Sister A. J. Osborne being present. Other members are expected to join soon. We welcome the

Lincoln Sabbath school into our S. S. family.

The Missionary Volunteer Department has been checking up on the circulating library, and finds that quite a number of the Reading Course books are missing. Church members, one and all, please look over your library, and see if you have any of these books which have been overlooked? If so, kindly return them to the conference office at once. Thank you. We receive calls for back Reading Course books, from persons who are working for a certificate on a certain course; and we solicit your cooperation, that all such calls may be answered promptly.

Dear Teacher: "The cross of Christ—teach it to every student over and over again. How many believe it to be what it is? How many bring it into their studies, and know its true significance? Could there be a Christian in our world without the cross of Christ? Then keep the cross upheld in your school as the foundation of true education."—*Counsels to Teachers*, p. 23.

Quite a number of the M. V. self-denial banks are still on hand. Young People, why not start the New Year with one of these banks, and thus increase the offerings to missions during 1930?

Another matter—all who have finished reading the Bible through in 1929 should send in their names to the M. V. Secretary for a certificate.

Will the books of heaven reveal that you are a faithful tithe-payer? "Bring ye ALL the TITHES into the storehouse" (Malachi 3:10) is the divine command. Will God acquit the person who pays only *part* tithe, when He says "ALL"? No one is at liberty to do as he pleases with the *tithe*. Bring it "into the storehouse." The "storehouse" is the *treasury*. See Neh. 13:12, margin. "Then brought ALL Judah the TITHE . . . into the treasuries," margin, "storehouses." Some people will have a serious account to settle with God, unless they soon change. Thank God for the faithful tithe-payer.

Colporteurs Needed

Much has come to us through the Spirit of Prophecy concerning the importance of the colporteur work. It is stated that "Rightly conducted it is missionary work of the highest order," and that "It is ordained of God as a means of reaching many that otherwise would never be impressed with the truth." It is therefore an evangelizing agency, and to such as enter the work with the right motives the Lord has promised success.

This wonderful colporteur ministry is of heavenly origin, consequently all heaven is interested in its success. The faithful colporteur goes forth with the assurance that "Jesus and holy angels will give success to the efforts of intelligent God-fearing men who do all in their power to save souls."—*Colporteur Evangelist*, p. 53.

That the colporteur work may be built up and strengthened in the Nevada Conference, and with the hope and prayer that those whom God is calling to this important branch of His work will respond, a Colporteurs' Institute is to be held in Reno, February 10-18. Instruction and training will be given in methods of Christian salesmanship.

All those interested in attending this meeting will please write to the Field Missionary Secretary, 452 Ralston St., Reno, Nevada.

J. L. SAUDER.

From Field and Office

The remittance for the month of December was sent to the Union Conference the first of this week. As we check back over the year, we realize that God has signally blessed in the work in our little conference. Our tithe shows an increase over 1928 of over \$2,300, or a total of \$13,561.84. The mission funds have averaged more than 67 cents per week per member for the year, with a total of \$11,395.88. We feel that each one will be encouraged by this good record and that this courage will be manifested from the very first of this new year. Shall we not endeavor to do our part in holding the ropes for those in the foreign lands from the very first month of 1930?

Different Sabbath schools are reporting interesting programs on the last 13th Sabbath of the old year. Most of these have reached the goal of an average of \$1 per church member. Elder McEachern was with the Mt. Whitney church and he reports a very interesting and instructive program there. Reno, Fallon, and Standish are other churches which have reported reaching the \$1 per member goal.

Heavy snows over the state have delayed some of our correspondence, but we know the snow will prove to be a blessing in other ways. More than six inches has fallen here in Reno this week. Our president says this will mean more tithes and offerings for Nevada this year.

Sister Kitchen is kept very busy holding Bible studies with interested persons in Reno. She reports one lady beginning the observance of the Sabbath who has not yet attended a service. Others who have heard some of the lectures given during the past year are continuing to study and we expect some will yet take their stand for the commandments of God.

Several of the children have been enjoying the premium books that come with the *Little Friend*, and also the new Reading Course books for 1930. If your child is not supplied with good literature, he will be reading that which is unwholesome. The Bible House has a stock of the new Reading Course books which should be in circulation. We shall be glad to have your orders for these.

Bakersfield

The east half of Bakersfield and adjacent territory has laid itself on the Harvest Ingathering altar again. \$1,060 has been gathered. Less than \$100 of this amount came from members. It was gathered outside the fold. The church, in its home and world-wide mission endeavor, has received and paid out \$10,244 during 1929. The spirit is good, and every one who willeth to grow is growing.

We came to Kern County when Bak-

ersfield was the only organized church. We have tried to do our best for all and God has richly blessed. "Cast thy bread upon the waters; for thou shalt find it after many days." It has been our lot to help, but in closing up our Harvest Ingathering this year, we had the sweet experience of receiving. The Shafter English had reached their goal, and a company of their sweet singers came over to help us. Two evenings put us over the line. Some of our workers joined with them and we learned more about singing in money for missions in a few minutes than we had ever known before. The manager, Brother Nightingale, has this method down to a science. We had territory enough for another evening, so we all went in together and sang in \$32 to help the Shafter folks on their 60-cents-a-week fund. In territory where we have solicited ten or fifteen dollars, in three evening, we sang in \$75. We are convinced that this is the way to work our residence territory. We have definite plans in mind for early work next year.

"How to Ruin a Son"

1. Let him have his own way.
2. Let him have unrestricted use of an auto.
3. Allow him free use of money.
4. Suffer him to rove on the Sabbath where he pleases.
5. Give him access to wicked companions.
6. Call him to no account for his evenings.
7. Furnish him with no steady employment.

Pursue any of these ways and you will have to mourn over a debased and ruined child. Thousands have realized the sad result, and gone mourning to the grave.

You subscribe for papers, and buy books to teach you to raise chickens and cows. Is it possible that you know all about training children? Do you need help? You need to take the Course in Parent Training. Write to the office for particulars.

Sunday Nights Meetings

Beginning Sunday night, January 12, and continuing for a number of weeks, Elder M. A. Hollister who has recently accepted the pastorate of the Fresno church, is to conduct a public effort. He wishes to request through the RECORDER that any and all of the believers in the Pacific Union Conference who may have relatives or friends living in Fresno, make use of the opportunity to write them to attend these Sunday night services at the church, corner of Mariposa and O Streets.

There will be special music by the choir, men's chorus, soloists, and other features that will make the meetings interesting and attractive; and furthermore, an interest is solicited in your prayers that the Lord may use this means to bring other souls to an obedient knowledge of the truth.

New Announcement

Elder E. F. Hackman's visit to Fresno will be WEDNESDAY, January 22, 7:30 P. M., instead of Monday and Tuesday as previously announced. Elder Hackman has recently spent considerable time in Europe and will give a stereopticon lecture on the work there. Come, and bring someone with you.

Obituaries

CHAPMAN.—Harry E. Chapman was born in Petaluma, Calif., Sept. 17, 1862, and died at Sanitarium, Calif., Nov. 28, 1929. When Elder Loughborough came to California with Elder Bourdeau as pioneer laborers in this state, their first tent effort was in Petaluma. Among those to accept the faith in that series of meetings were the parents of Brother Harry Chapman. Harry accepted the faith with his parents and all through his life was active in church work. As elder, deacon, church clerk, and treasurer, he faithfully did his part, always being active in various missionary enterprises. He was held in the highest esteem by all who knew him. He leaves two daughters, a brother, two sisters, and an aunt as the im-

mediate relatives to mourn his loss. The funeral service was conducted by the writer, assisted by Elder W. C. White, November 30.
A. O. TAIT.

OSBORN.—Mrs. Rosalie Osborn and Maxine Osborn, mother and daughter, departed this life on the early morning of Dec. 20, 1929, as the result of an automobile collision. Sister Rosalie Osborn, nee Sorenson, was born near Newberg, Ore., March 22, 1882. At the age of 15 she gave her heart to the Lord, having been reared in the message. She was graduated from the Nurses' Training Course at the St. Helena Sanitarium in 1904, and the following year was united in marriage to Brother N. L. Osborn. They have since resided at Loma Linda and Los Angeles, where Brother Osborn has been engaged in X-ray work. To them were born twin daughters on July 12, 1910, Maxine and Audine. On Dec. 26, Sister Osborn and Maxine were laid away to rest in Forest Lawn Cemetery, with a large number of sympathizing friends attending. Elders Warren, Burden, Fulton, Farnsworth, Brodersen, and the writer had part in the funeral service. Their Christian experience was bright, and we fully believe they will come forth in the first resurrection. Brother Osborn, Audine, Gwendolin, and little Shirley; four sisters and one brother of Sister Osborn, are the immediate relatives who are left to mourn.
R. W. PARMELE.

SWAYZE.—Dr. W. S. Swayze was born in London, Canada, April 12, 1848, and died in Los Angeles, Calif., Dec. 22, 1929. He accepted present truth in California in 1873 under the labors of Elder W. M. Healey and was married in 1885 to Alice Morrison, a sister of Mrs. Healey. They graduated in medicine together in San Francisco in 1895, and the following year began work in Mexico as medical missionaries. They rendered most valuable service to the cause and won the respect of many of the leading officials and business men. After more than a quarter of a century of faithful service as self-supporting medical missionaries, they were obliged to lay down the work in 1922 because of advancing years and failing health. On leaving Mexico, they dedicated to the cause their home and offices in Guadalajara, fully equipped for medical and treatment room work. He was a staunch soldier of the cross, and died in full assurance of a part in the first resurrection, leaving his faithful wife to mourn her loss.
R. W. PARMELE.

TEETERS.—Elizabeth Phelps was born in Watseka, Ill., in 1845, where she resided until after her marriage to Mr. Teeters, when they moved to Southern California. Mrs. Teeters was an active member of the Central church in Los Angeles to the time of her death. She was buried in Evergreen Cemetery Dec. 30, 1929.

FROST.—Sister Elizabeth Frost passed away Nov. 29, 1929, near Ferndale, Calif., at the age of 84 years. She was married to William Roberts. He died many years ago. Some years later she was united in marriage to Thomas J. Frost, who died about two years ago. Sister Frost is survived by two daughters and a son, also by a number of grandchildren. She was highly respected and loved by all who knew her.

News-O-grams

A baptismal service was conducted in the Glendale Sanitarium church on Sabbath, January 11, when a patient with whom Mrs. Paap has been holding Bible studies was buried with her Lord in baptism. We rejoice that patients coming to our sanitariums are drawn to this message and to a stand with our people.

The Home and School Association of the Glendale Academy district held a meeting in the Glendale Academy, the evening of January 7, with about 500 in attendance. A most profitable evening was spent, and the parents and teachers both felt that there was a great deal of cooperation necessary on both sides in training "our most precious heritage," the boys and girls.

During the past year the Glendale Sanitarium church has given in tithes and offerings an average of \$1,000 a week, or \$52,000 for the year. Besides this \$10,000 has been given for home expenses and the pipe organ. Surely the Lord has blessed our people in this vicinity.

Last Friday night there were over 200 present at the Glendale Sanitarium Missionary Volunteer meeting. The prayer band met at 7:00. Beginning at 7:15 there was a pipe organ recital. Song service began at 7:30, and the regular program at 7:45, closing at 8:45. This schedule will be carried on every Friday night throughout 1930.

Sometimes our colporteurs are inclined to be discouraged, but there is always a bright side, as shown in the following letter from one of our faithful colporteurs: "I am ashamed now to confess to coming home after what seemed to be two 'blank weeks' financially, shutting myself in, and giving vent to two weeks discouragement by indulging in a big cry. The next day I sold a \$7.50 'Great Controversy' to a Swedish girl to whom I had previously sold a 'Crisis' book on the Sabbath question.

"She is awakening a real interest among her friends and pastor, whom she is plying with questions to the extent that a committee of her friends want to be present when he answers her many questions from the pulpit at a set time. I am greatly encouraged with the zeal of this girl for whom I ask your prayers." Truly the Lord is guiding our colporteurs to search out the "honest in heart."

For several months Dr. Lydia E. Parmele has been conducting a Home Nursing class in the Spanish-American church. Thursday night, January 9, in the White Memorial church the Home Nursing class put on a real Spanish program, during which 17 faithful members received their Home Nursing certificates.

Mr. and Mrs. LaVerné Osborn, with their family and two other passengers, while returning from Pacific Union College where the young ladies had been in school, met with serious automobile accident while driving in a fog south of Bakersfield. Mrs. Osborn, their daughter Maxine, and Edna Mitchell were killed. Mr. Osborn, Audine, twin sister of Maxine, and Shirley, three years of age, were injured, and are recovering at the White Memorial Hospital. The Osborns are members of the White Memorial church. Our deepest sympathy is extended to the bereaved.

Mrs. Neva Dortch is spending a week in the Glendale Sanitarium, but we expect she will be well enough to again join our office family next week.

Miss Catherine Sevier, from Washington, D. C., where she worked in the office of the *Review and Herald*, is helping in the stenographic work in our office while Mrs. Dortch is ill.

The tabernacle meetings conducted by Elder H. M. S. Richards and company at the corner of Western and Adams, Los Angeles, have been well attended. We would give our own people a special invitation to attend these meetings during the week nights when the attendance is naturally not as large as on Sunday nights. This is one way you can have a part in this important effort. Come and bring a neighbor or friend.

Elder J. W. Rich is looking for a location in Inglewood with the expectation of opening an effort within the

month, if the right location can be secured.

Elder J. W. Parmalee conducted a baptism last Sabbath of eleven, instead of nine as previously announced. Five of these were Juniors, one a young person, and five senior members.

We are sorry to report that Sister Cott had an auto accident the other day. The doctors report that no serious injury resulted, and that she will soon be able to be about again.

The Auditing Committee met on Monday, Jan. 6, to audit the accounts of the workers for the past year and to set rates for the present year. Twelve of our brethren who are not in the employ of the conference met with the conference committee to do this work. Every one invited to be present responded and gave most helpful counsel. The conference committee, as such, desires to extend to these brethren its sincere appreciation for their presence and helpful counsel in this most important meeting.

Calls

During the year, two of our conference workers have been called to connect with other fields. Earl R. Reynolds was called by the Union Conference committee to take up work in the Hawaiian Islands. He and his family left the conference late in November. Already they are located in their new fields. In a letter recently received from him he says: "Well, here we are out in Kauai. From the bustle of Southern California to the quiet of this island is quite a contrast. Elder Fulton telephoned us Monday morning, after I saw you Sunday, and asked us to be ready to leave the following Sabbath. Two weeks from

(Continued from page 7).

that morning we were here in Kauai. We had a good trip across. The fact that the McWhinnies were with us, and a brother from Honolulu, made the trip more pleasant.

"We are going to find the work out here very interesting. There are two baptized believers on this island besides a few interested ones. We had our meeting last Sabbath in the home of a Chinese sister, and our company was made up of Chinese, Filipinos, and us. There is surely a conglomeration of humanity here. I wish I could converse in all their languages. Fortunately most of them speak English, at least after a fashion, and I guess soon we shall understand. It is certainly a pretty place to live."

The other worker who has been called

to work outside of the conference is Elder John Knox. A call came through to him at the time of the Fall Council to connect with the work in the Southern Oregon Conference. Brother Knox has left for that field and will take up evangelistic work in Eugene, Oregon.

We are very happy that this conference is able to give of its workers to other needy fields. We bespeak for these workers the special blessing of God in all their endeavors.

P. E. BRODERSEN.

Notice—Please

A request has come from the *Signs of the Times*' office that the one sending the *Signs of the Times* to Wm. Willets, 601 S. Adams, Glendale, Calif., please discontinue the subscription, as it is not desired.

Announcement

Sunday, January 19, a Home Missionary Convention will be held in the Glendale Sanitarium church beginning at 9:00 A. M., continuing throughout the day, and closing with a stereopticon lecture in the evening by Elder E. F. Hackman, associate home missionary secretary of the General Conference. At this convention representatives from neighboring conferences, the Pacific Press, and the *Review and Herald* will be present. It will be profitable for the conference workers, elders, missionary secretaries, missionary leaders, Sabbath school superintendents and secretaries to be present. We urge that these officers plan, in so far as possible, to be present. Don't forget!

Over the Top

\$43,351.15 has been reported for Harvest Ingathering. 6 churches have gone over their \$10.00 per member goal. San Pedro has the highest per capita rate of \$17.52; Paso Robles has the next highest of \$16.13, and Ventura is third with a per capita of \$14.13. 28 churches reached the conference goal, while 26 churches raised more than they did last year. Splendid isn't it? Mr. Dean Lower, our home missionary secretary has worked untiringly during this Harvest Ingathering campaign to help every church over its goal.

Lake Grove Indian Mission

"Through the kindness of several societies and individuals, our local mission

has received sufficient clothing for the needs of the present season. Please notify all your readers. Thanks to all."

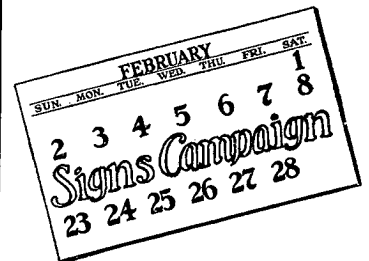

The above notice has just been received from Brother Orno Follett of the Lake Grove Indian Mission.

Correction

In the last issue of the RECORDER the date for the Colporteur Institute in Central California was given as Jan. 16-26. This was an error. The Colporteur Institute will be held Jan. 23 to Feb. 1. We regret this error.

COMING!!

A GREAT
MISSIONARY OPPORTUNITY

THE annual campaign for the "Signs of the Times" as arranged by the General Conference Home Missionary Department for February 9 to 22—offers opportunity for another great forward missionary move. The enthusiasm and activity of our leaders and churches a year ago during a similar rally time have resulted in reaching over 11,400 more families a week with the "Signs" during 1929 than during 1928. What is done in a "Signs" campaign goes on and on in influence throughout the year.

The average circulation during 1929 of this, our pioneer missionary paper, exclusive of color or special editions, has been 66,314 copies per week. From 35,000 to 40,000 of these copies are going out every week in clubs of 100 or more copies each. This is an evidence of a large personal systematic visitation among the homes. A work for good is done that can never be fully known this side of eternity.

The coming campaign offers a still greater opportunity, because of the added evidences of the year that prophecy is rapidly fulfilling, and that the Spirit of God is working in a marvelous way in connection with the faithful ministry of the "Signs of the Times."
