Tribute To Mother

THE second Sunday in May of each year is set aside as Mother's Day. There are many great days that the nation celebrates, but Mother's Day is unexcelled. Mother's Day is here to stay, thanks to Miss Anna Jarvis of Philadelphia, who through her influence, brought about Mother's Day.

The literature of all ages pays tribute to Mother, and the chronicles of all nations acknowledge their debt to her. With Schiller we can say, "Pearl of all pearls is Mother." Yes, she is the crown of creation. Mother holds a unique position in the family. It was Beecher who said, "When God thought of Mother He must have laughed with satisfaction, and framed it quickly—so rich, so deep, so divine, so full of soul, power, and beauty was the conception."

Mother is the home maker, the home builder. Home is her kingdom. She fills the highest position in the development of the human race. No one can fill her place. Mother in her office holds the key of the soul. She stamps the coin of character.

What the world needs today more than anything else, outside of the life of Christ, is the influence of a godly mother. Sad to say, too many mothers are wasting their time in doing those things that do not pertain to the building up of the home. It was Edward Bok who said, "A stream cannot rise higher than its source; and the source of human life is in the mothers, just as truly spiritually as physically." History teaches that behind every great man has been somewhere, a good mother; for men are what their mothers have made them.

When we think of Mother, we think of wisdom. She has the answer for every perplexing question that arises in the mind of the child. It is true that we need the wisdom of the clergy, the school

masters, and that of the doctors and philosophers, but the wisdom of all these combined is not complete without the wisdom of a godly mother.

The word "Mother" stands for bravery and courage and greatness. Mothers are always brave when the safety of their children is at stake. Many a father has given up and gone boozing and eventually committed suicide, but Mother has stood by the home and kept the little ones together regardless of the hard labor with which she has been confronted. If we want to find true greatness, we must not go to the throne but to the cradle, for the nearer we get to the cradle, the nearer we get to true greatness.

When we think of a godly mother, we think of a strong faith, a life of sacrifice and a life of love, for no love is like Mother's love; for it is born in sacrifice and it is never consumed.

When on the cross, Jesus in His dying hour recognized that there was something in His mother which caused her to stand by while all others fled. The Scripture said, "When Jesus therefore saw His mother . . . standing by." He made provision for her need, for he recognized in her the true value of a mother.

Mothers in Israel today carry a responsibility that no one else can carry. Their work and influence mean much in developing future laborers for God's cause. Mothers, remember that God's day of reward will come. When the curtain is finally lifted and eternity ushered in, the names of mothers in God's hall of fame will be seen, and all they have meant to this wicked old world will be revealed. The brightest crowns in heaven will be worn by godly mothers. May the Lord bless our mothers.

Senior Functions Take Important Place in Last School Month

Senior Presentation Inaugurated

Senior presentation became a custom at La Sierra with the formal introduction of the 1946 degree seniors at the chapel hour April 22. Elder Paul Heubach, class sponsor, introduced each member of the class. His remarks disclosed that most of the class members have been placed in the work of their choice. Two are under appointment to mission fields.

Seniors Take Sabbath Services

Members of the senior class took charge of all services at the College church on Sabbath, May 4.

Two members of the class, Calvin Sterling and Robert Osborne, spoke at the early morning service. At the second service class president Vernon Kelstrom and Dwight Wallack spoke on the theme "Here Am I, Send Me." Vocal solos for the two church services were furnished by Lydia Cole, soprano, and Howard Weeks, bass.

The all-senior Sabbath school program was directed by Dorothy Sheldon, vice-president of the class. The mission study, a symposium, was given by three seniors from missionary families. Harvey Miller spoke for Cuba, Rhoda Youngberg for Borneo, and Frank Wyman for India. Frank Rusche presented the review. Adult Sabbath school classes were taught by members of the senior class.

Faculty Entertains

The La Sierra College faculty feted the college seniors Thursday evening, May 2. The ideas of international cooperation and world-wide service were featured through the motif of the United Nations organization.

Members of a forum, of which President L. R. Rasmussen was chairman, sounded the call to service. Elder J. M. Hnatyshyn spoke for Africa, Elder O. O. Mattison for India, Rosalie Jensen for the Philippines, Joyce Kang for Korea, Noel Haye for Jamaica, and William Ledington for Europe. The last four are La Sierra students.

Music for the occasion was varied. Ralph Thompson and Wesley Kime gave a clarinet duet. A violin trio—Prof. Otto Racker, Cherrie Clough, and Glenn Gryte—played Mendelssohn's "On Wings of Song"; and Elders Walter Specht and Paul Heubach sang a Russian legend.

Mrs. Anna van Ausdler planned an international menu; young people who served under her direction wore national costumes.

Annual Orchestra Concert Draws Large Audience

The La Sierra Concert Orchestra, conducted by Prof. Otto Racker, presented its annual concert in Hole Memorial Auditorium Saturday evening, April 27. They played to an enthusiastic capacity audience.

Lodi Academy

At the conclusion of the morning service Sabbath, April 20, several students were baptized by Elder M. R. Bailey.

Members of the Pacific Union College concert band under the direction of Milo Hill gave a concert Sunday night in the academy chapel.

The senior class journeyed to San Francisco Monday, April 22, where they visited the Fleishacker Zoo and other places of interest.

Several ministerial students from Pacific Union College occupied the pulpits of the Adventist churches in the Lodi district on Sabbath, April 20.

The choral groups and instrumental ensembles from the band gave religious programs at Chico, Paradise, Vallejo, Martinez, Dinuba, Bakersfield, Fresno, and Chowchilla churches.

Rooms in the boys' and girls' dormitories are open for reservation. Write immediately to Principal E. F. Heim for application blanks and current literature. Students, especially boys, desiring summer employment at the academy should make application at this time for work.

The 37th annual commencement exercises will be held at Lodi Academy over the week end of May 24-26. The commencement week speakers are Elder Alden Sage, who will speak at the consecration service in the chapel Friday night, May 24. Dr. P. E. Quimby will give the baccalaureate address in the Central church Sabbath morning at eleven o'clock. The senior class will present a class night program Saturday night at eight o'clock. Elder Heppenstall will deliver the commencement address at nine-thirty Sunday morning in the Academy chapel. A special music program will be presented Sabbath afternoon in the academy chapel.

The Teachers of Tomorrow were presented with their pins in a special chapel, April 16. Miss Else Nelson of the Pacific Union Conference Educational Department spoke to the stu-

dents. Elder W. W. Ruble of the Northern California Conference and Elder W. L. Avery of the Central California Conference talked to the students and presented the official pins. Miss Dorothea Fitzgerald, the sponsor, had charge of the program and introduced the future teachers.

General Conference

As the time for the General Conference Session approaches, it becomes increasingly clear that the rooming situation is not improving. On the contrary, it seems to be becoming more critical. Recent news reports state that the government, instead of reducing the number of its employees in the Washington area as had been predicted, is actually increasing the number which it is using. These additional workers, together with returning servicemen and others who come to Washington, serve to aggravate the crisis which already existed.

Although the General Conference would desire nothing more surely than to be able to provide accommodations for all who wish to come to attend the meetings of the session, we must emphasize again that this is an utter impossibility, and that no one should come to the Washington area during the time of the Session expecting to find living accommodations, as we fear they will be greatly disappointed.

E. D. DICK,

Secretary of the General Conference.

CLAUDE CONARD,

Business Manager for the General Conference Session.

J. F. CUMMINS,

"Headed for the Bottomless Pit"

"I have attended two years of night school and completed two courses by correspondence at the——Bible Institute. As you know they are against Seventh-day Adventists. But I feel their arguments are without foundation. The Bible says to observe the seventh day and keep it holy and that's enough for me; but they say to observe Sunday

because it is the general principle of the world. If we follow the world we are doomed and headed for the bottomless pit. Can you refer me to a Seventh-day Adventist who can converse with me intelligently on this subject?"

"I Was a Backslider"

"These lessons are such a comfort and help to me. For over three years I was a backslider, but now I'm so happy—my Saviour has called me back again. I had the precious privilege of meeting with the people of God this past Sabbath, and am praying that we can find a way to go every week. My little girls, 5 and 7 years old, enjoyed their Sabbath school class a lot. Surely we are living in the very last days."

"I Would Like to Join the Church"

"I was converted many years ago, and am still trying to do the things that are right. I believe that your lessons are right in every way. I would like to join a church that is keeping all the commandments, and if I ever find one I will. We don't have them in this country."

"I Am Very Lonely"

"I wonder if you could and would help me. A year ago I moved to Washington, D.C., but have not been able to find real fellowship with God's children, and I am very lonely without that. Would you be able to give me the name of a church where the full gospel is preached, or make it possible for me to get in touch with Christian people? I would be ever so grateful. Please pray for me."

Camp Meeting

We have just been able to make final arrangements for the tents for our coming camp meeting. Due to special laws we will not be able to use our tents as formerly, as all tents must be fireproofed before being used for public purposes.

The change in dates of the General Conference has necessitated a change in dates for our camp meeting. We are now planning to hold our camp meeting at La Sierra from June 27 to July 7. This will enable some of our foreign missionaries and General Conference men, following the General Confer-

ence session, to attend our camp meeting. We are sorry that we could not hold it earlier in the season, but it seems the best date available to us.

We are expecting a very large attendance and also that the meetings this year will be a great spiritual uplift to all. Let us begin now to lay plans definitely to attend these meetings just as much as possible. We are living in unusual times, and we need the special blessings of the Lord as we enter the closing scenes in this world's history. Pray for the coming camp meeting.

Wawona Camps

Now we can announce the definite schedule for our summer camps to be conducted at our beautiful permanent camp site in Yosemite National Park. Notice that Senior Camp, for young men and women from 16 to 35 years of age, is to include July 4. This should make it possible for more to arrange their work schedule so that they may enjoy this never-to-be-forgotten week at Wawona. The dates are as follows:

Senior Camp, June 30 to July 7

Boys' Junior Camp, July 9-18

Girls' Junior Camp, July 21-30

Descriptive folders and application blanks will soon be in the hands of ministers, elders, church school teachers, and academy principals.

Provisions are being made for even better camps than ever this year. Circle the dates on your calendar! Plan now to attend!

A small group is already working at the camp to continue the improvements. More carpenters are needed. Any who can assist in this work should write to the conference office for details.

We are also arranging for our camp personnel. Those who are interested in helping during any of the camps as counselors, craft teachers, or assistants in the kitchen should also write to the Missionary Volunteer Department very soon.

Cooking Instructors' Institute

"This is the best cooking class I've ever attended."

"The four-day Institute is at an end, and there is so much to learn. We could go on for days."

"I feel this will be a definite help to me in caring for my own family."

These are just a few of the remarks I overheard at our Cooking Instructors' Institute, April 21-24 in the Home Economics room of the Fresno Union Academy.

Our churches in Central California were given opportunity to send a delegate who was able, upon returning to her community, to impart the information received.

We had a very representative group of fifty-two delegates. These women were present for an intensive four-day course.

Class began with remarks from Doctor H. W. Vollmer, Mrs. Vollmer, Elders R. C. Baker and Scott Donaldson, and Miss Eva I. Beeler, R.N.

Doctor Vollmer and Elders Donaldson, Lien and Rees led in our daily devotional study which preceded class work.

We very much appreciated the splendid practical instruction given by Mrs. Vollmer. It was an inspiration to all.

The delegates from the Oakdale, Orosi, Fresno Spanish, Santa Cruz, Shafter and Gilroy churches have already written for material and supplies, and are organizing classes in nutrition and cookery in their respective churches. Others plan to begin the course as soon as a suitable place is found.

"One reason why many have become discouraged in practicing health reform is that they have not learned how to cook so that proper food, simply prepared, would supply the place of the diet to which they have been accustomed. . . ." *"Counsels on Health,"* p. 450.

"But in every place where there is a church, instruction should be given in regard to the preparation of simple, healthful foods for the use of those who wish to live in accordance with the principles of health reform. And the church members should impart to the people of their neighborhood the light they receive on this subject." *Id.*, p. 551.

"Truth for Youth Association"

A regional Youth's Convention was held at Hollister April 27, in the Veterans' Memorial hall. A full afternoon and evening program was greatly enhanced by a group from Pacific Union College, Prof. William Williams graphically portrayed his experiences in a Japanese internment camp in the Phil-

ippines. The afternoon program was concluded with sundown vespers.

Following supper a recreational evening was spent in singing, motion pictures, games, and a grand march.

The new name chosen for the convention is "Youth for Truth Association," with a motto of "Forward in Faith."

The Secret of Success

"The secret of our success in the work of God will be found in the harmonious working of our people. There must be concentrated action. Every member of the body of Christ must act his part in the cause of God." *"Christian Service,"* p. 75.

In this 1946 Ingathering campaign we have been given a striking confirmation of the truth of this statement. For instance, in the Hollywood church the pastor, Elder W. H. Schacht, reports that the singing bands have been able to divide into four bands with sixteen solicitors and in three nights they have brought in \$830.

Elder D. R. Schierman, pastor of the Long Beach church reports that their singing bands have brought in over \$400 in this campaign. The church total to date is \$615.80.

The secret of the success of these singing bands is in the "harmonious working of our people."

We also note the statement that "every member . . . must act his part." If every member is a minute man this year our conference will reach a minute man goal of \$182,000 in this greatest of all Ingathering efforts.

ADLAI A. ESTEB.

Camp Meeting

For a while it seemed doubtful as to whether we would be able to have a camp meeting this year, but we are glad that we can now send word to our constituency in Southern California that camp meeting will be held and the date is August 16 to 25.

We hope that nothing will interfere with our plans, for we know that our brethren and sisters are very anxious for a camp meeting, and we share their wishes and desires. A camp meeting always brings great blessings to us.

Please do *not* send in any orders for tents nor any money as a deposit, for no orders will be accepted nor any money until further word is sent to our churches. The churches will be notified in time as to when the orders should be sent in.

COLPORTEUR RALLY

Do You Believe—

Jesus is soon coming?

There is a work to be done?

You should have a greater burden for souls?

That giving this message to others is your responsibility?

That God is calling you to spend some time in the literature ministry?

Then—

you should attend the colporteur rally to be held in the Spanish church, Boyle at Michigan Avenues, Los Angeles, May 12, 1946, 9:30 a.m. to 3:30 p.m.

New Radio Time

"Prophecy Speaks" will be heard, beginning May 13, at 7:30 to 8 p. m. Monday, Tuesday, and Wednesday over radio station KGER.

As a result of this change many will fail to find us on the dial. We are having new programs, post-card-logs and letter stickers printed. Please write for a supply for your missionary work. Let

us hear from Missionary Volunteer societies and church missionary leaders. A penny post card will do. Help us make this change a great blessing to the cause. Your prayers and support are needed. Remember that this program is a conference project, and God has blessed it from the beginning.

Now we ask you personally to do this very important thing for us: Tune the program in on the new time, and without fail write KGER, Long Beach, California, expressing your appreciation for such a program on their station (Dial 1390).

If all who read this would follow our suggestion it would do us untold good, for the future welfare of the program. I know of nothing else that could do more just now than several thousand letters and cards coming to KGER about "Prophecy Speaks." May the Lord lay this very small effort upon your heart. Continue to pray for this broadcast. Thank you very much.

Stenographers Wanted

The Southern California Conference is in great need of two stenographers. We shall be glad to hear from any who would be interested to connect with our conference office. Address Mr. R. G. Lewis, 3131 Pasadena Avenue, Los Angeles 31, Calif.

Ingathering Victory in East Los Angeles

About March 1, the church council decided to conduct a silent campaign, also that the church be divided into bands, each to be led by an aggressive leader. It was proposed that the campaign should be intensive, four weeks in duration, should close on April 20, and that the minute-man goal should be the objective.

Two letters were sent to each church member, one at the beginning of the campaign, and one a few days before its close.

When Victory Day arrived, on April 20, the church was well past the minute-man goal, so that a few more hours of work enabled us to become a Four-Star church with exactly double our basic goal.

For this splendid achievement we are profoundly thankful and express our grateful appreciation:—

To our pastor for his inspiring and enthusiastic leadership,

To our conference home missionary leader, Elder A. A. Esteb, for his timely cooperation,

To Mrs. Olga Oss of China for her hours of efficient service in soliciting,

To all our church members who have so loyally and sacrificially cooperated,

To the band leaders for their enthusiastic leadership,

To the members of the singing bands who have served so devotedly and untiringly, and

To the boys and girls of the church school who delight to serve others.

Radio Bible School

Although the Radio Bible School enrollees are largely residents of either Northern or Central California conferences, we do have some in outside states, and even a few in the Philippine Islands, Canada, and other localities. We received a most encouraging letter from one of our out-of-state students this week. We would like to share it with you.

"Dear Instructor: I could not send in my last two lessons of this most inspiring, uplifting, spiritual course, without telling you just how much I have enjoyed my studies, and what great understanding, and knowledge, I have received. I am indeed grateful to you for your interest in helping. I appreciate everything from you for your untiring effort to teach me more about Christ. I shall never forget your kindness, and pray God's choicest blessings upon you. My faith is much stronger in Christ Jesus. I am living and depending upon Him. Shall help others. I am determined to await His coming that I may live with Him eternally."

Such responses as this make our efforts well worth while. From time to time we receive adverse criticism from some of our enrollees, but on the whole, the public appreciates the work that is being done to make the Scriptures better known.

Ingathering Progress

We rejoice that three conferences have already surpassed their goals and are pressing on to exceed the outstanding accomplishments of 1945. Southeastern California was first, Arizona second, and Southern California was third.

The field days of our colleges and academies have been inspiring occasions. The young people in large numbers have gone forth through the length and breadth of the conferences witnessing for the Lord and in most cases exceeding the previous records in raising funds for missions.

Thousands of members are already minute men and a goodly number of churches are minute-men churches. Our ultimate goal is to see every member of this union become a minute man, at least. If all would do so we would bring into the storehouse of the Lord well over \$600,000.

We are living in an hour of great need. As this need is presented many are constrained to increase their offerings, so let us have faith to present the needs of our great work as they are.

While we are ingathering funds let us watch for souls as those who shall give an account. Be sure to take the address of every interested person and definitely follow up the interest with literature and personal work. Our supreme objective is the salvation of souls.

R. R. BREITIGAM.
