Do Not Be Deceived

RECORDER readers will be interested in a report of recent doings in Sacramento, since the Liquor Control by Veto Measure qualified for the ballot. There were five hundred thousand gross signatures to this measure. It was a marvelous achievement backed by the united moral forces of the entire state.

The liquor forces immediately introduced a measure in the Assembly which if passed would nullify our measure and repeal it. Their measure was beautifully watered down so as to be acceptable to the wets. It would effectively pull the teeth of our Liquor Control Measure and put only very dull and flimsy dentures in their place. As soon as the Drys were aware of the situation, Brother Covert in charge of our Sacramento office, called me long distance. Word was sent out and immediately telegrams and telephone calls and protests of various kinds began pouring into Sacramento. The result was that the measure was defeated. The liquor people received the first real jolt that they have had in ten years in the Assembly.

However, these gentlemen did not easily give up. Millions are involved in this unholy traffic so they immediately started the same thing in an initiative petition. This petition which masquerades as a liquor control measure is being circulated to confuse the issue and to defeat our measure. It is called, "Liquor Control and Enforcement of Intoxicating Liquors in Initiative Constitutional Amendment." This measure would legalize saloons which are now operating illegally. Circulators in some places have large placards stating, "Keep Women Out Of Bars," "Sign This Petition." Some Drys have been deceived by this propaganda. This measure does not keep women out of bars. It merely specifies that they shall be served liquor

sitting down at tables (under the dim lights) rather than at bars.

A recent issue of the Beverage Industry News tells the real story of who is back of the camouflaged measure. The headlines state, "Prohibition Versus Control." They represent our Liquor Control Measure as "Prohibition" and their measure as "Control." This, of course, is a complete misrepresentation of the facts. But the liquor people have never been handicapped by the use of such insignificant things as facts. Then follows a complete confession if you wish to know the truth, "Initiative Petition to crush the Drys need all support," and there you have the truth.

In their propaganda to the public they report that their measure will promote the "moral welfare" of the people of California. In their own Industry News they frankly state that their petition will "crush" the drys. Furthermore among those who will support this liquor measure are listed bottlers, team sters, musicians, salesmen, hotel, restaurant and culinary workers. Here is another confession. These people who claim to be fighting for moderation and temperance and the moral welfare of the people and to keep women and children out of bars confess that everyone who is connected in any remote way with the liquor traffic will be benefited if their measure passes, and not benefited if our measure passes. In other words, there will be more liquor drunk under their measure than ours. It must be very difficult for these men to blow hot and cold at the same time and the facts are that they are not doing very well at it. They profess to "regulate the presence of minors in these bars" but there is nothing to prohibit the minors from going into the bars. They merely regulate their presence.

There is already power in the cities and counties to regulate lighting in

these establishments. The wets' idea of sufficient lighting is about ½ of one foot candle power. Our idea is 5 candle power.

Let me warn all of our people at this time not to sign any liquor control measure. Our measure is already on the ballot. No more signatures are needed.

Any measure that professes to be for liquor control now before the people of California is sponsored by the liquor people themselves and is a subterfuge and a deliberate attempt to nullify and defeat the measure which the Drys have already qualified for the ballot. From now on you will be submitted to a barrage of lies, misrepresentations, and every species of deception which can be inspired by the great and powerful dollar mark. F. G. ASHBAUGH.

Pacific Union College

Summer Session

To ease crowded quarters in College laboratories during the regular session, the twelve-hour course in General Chemistry, will be offered this summer at Pacific Union College.

Students who have a good background in science, and who have had academy chemistry, are urged to take advantage of this opportunity. It is hoped that fifty students from this union conference will be registered in this course this summer. A similar opportunity will exist in Invertebrate and Vertebrate, Zoology, and Mammalian Anatomy. Both of these courses will be given during the summer quarter from June 14 to September 2.

Applications should be sent to the Registrar, Pacific Union College, Angwin, California. Address other inquiries

Accountancy Conference

On May 9 the Department of Business Administration of Pacific Union College will hold its third annual Conference on Accountancy. Heading the list of speakers this years is Dean Jackson, Dean of the School of Business Administration at Stanford University. Others who will present topics are Elder C. L. Torrey, Pacific Union Conference treasurer; James Howarth, auditor; David Hartman, C.P.A.; and G. Clinton Hankins, C.P.A.

This conference will be attended by all students of Business Administration of the college and a great many practicing accountants, both those in denominational work and those in private practice. The first meeting will be held in Room 307, Irwin Hall, at nine a.m. All accountants and bookkeepers are cordially invited to attend. For additional information contact Frederick W. Brown at the college.

Academies Visit

Seniors from eight academies in the Pacific Union Conference visited P.U.C. on Monday, April 26, as guests of the College for the annual Academy Day exercises.

From the formal welcome at 10 a.m. at Graf hall until the luncheon and farewell ceremonies in the late afternoon, the visitors were kept busy with a closely scheduled series of activities designed to give them a picture of life on Howell Mountain.

News Notes

The program for Commencement Week is as follows:

Consecration Service Friday night, May 21. Elder J. L. Tucker of the Quiet Hour is the speaker.

Baccalaureate Sabbath morning, eleven o'clock, in the conference auditorium. Elder Edward Heppenstall of La Sierra College will preach the baccalaureate sermon.

Special M.V. musical program in the academy chapel, 4 p.m.

Class Night in the conference auditorium, 8:45 p.m.

Commencement in the academy chapel, 9:30. Professor A. C. Nelson, union conference educational secretary, will deliver the commencement address.

A very spiritual awakening was experienced by the students and faculty during the spring Week of Prayer under the leadership of Elder W. B. Bristow, pastor of the San Mateo church. Mrs. Bristow, who accompanied her husband, assisted in the music and in the counseling.

The Class of 1949, or the Juniors, presented their Coming Out program in chapel Tuesday, April 27.

Mr. and Mrs. Ralph Hoyt of the Pacific Press have joined the academy printing staff. Mr. and Mrs. Hoyt are living on the campus.

Miss Joyce Young who will be graduated from Pacific Union College in June, has accepted a call to work in the principal's office and the business office. She will assume her duties early in the summer.

Prospective students are urged to send in their applications for room reservations in the dormitories while there is space available. A number of applications have already been received.

Copies of the current-year school calendar are still available. The new one will be off the press early in in June.

News

Remember the date for our camp meeting, July 9 to 18. Good help from the General Conference has been promised for our camp meeting.

We are greatly encouraged with the progress of the Newbury Park Boarding Academy. A number of buildings are nearing completion. It is only a little more than four months until the faculty and the students will gather there for the opening of the school.

Elder Grant who served as pastor of the North Hollywood church, received a call recently to connect with the Central California Conference and we understand is now serving as the pastor of the Mountain View church. The Southern California Conference wishes Elder and Mrs. Grant the rich blessings of God as they take up their work in their new field. Elder Martin, who has served as the pastor of the Mountain View church for a number of years, has been invited to connect with the Glendale Sanitarium as chaplain. He has assumed his new duties and we extend to Elder and Mrs. Martin a hearty welcome to the Southern California Conference and to the Glendale Sanitarium.

The month of May is colporteur recruiting month. Colporteurs are doing a splendid work and the Lord is blessing their efforts, but we need more in this conference to circulate our truthfilled books. We pray that those in our churches who should be in this line of work may be impressed by the Spirit of God to join our colporteur forces at once.

COMING!

LOS ANGELES YOUTH'S CONGRESS

May 15 - 2:00 p.m.

Shrine Auditorium

It will soon be here! San Francisco all over again! Youth talents and inspiration that will set Southern California on fire for God. Be there! You cannot afford to miss it. What a testimony to the world and to the saving power of God it will be when 7,000 Adventist youth gather to bear witness of their faith in God. Churches are closing early. From everywhere people are coming to make this a high day for Youth. Here is what our leaders say:—

The keynote of this Youth's Congress, "Share Your Faith," has always brought a thrilling response from our youth in all sections of the world field. This will no doubt be the largest gathering of soul-winning youth ever assembled in Los Angeles and the largest anywhere since the great North American Youth's Congress in San Francisco.

Fruitage from "Share Your Faith" workshops, Master Comrade Clubs, and other youth activities will converge in one grand soul-stirring and inspirational service in the Los Angeles Shrine Auditorium. Messages by youth speakers and youth leaders, on the spot interviews with young people who are active in sharing their faith, interspersed with music of the kind you would go far to hear, will make this Youth's Congress one long to be remembered.

J. R. NELSON.

Greetings, Missionary Volunteers, and a hearty welcome to attend this great Congress! What a wonderful time to be living. History is in the making. This is the time to meet and mobilize all our talents for Christ.

You'll hear the finest youth speakers and the best music available, and you'll see the world's largest Investiture service of Master Comrades, Companions and Friends. Hundreds, including ministers, doctors, teachers, nurses and students, will receive badges of honor. This colorful meeting will follow the Youth's Rally and begin at 4:30 p.m.

Youth of Destiny, this Congress is your meeting. Don't miss it. This is the time to organize and strike the "heaviest blows for God in the finishing of the work." MILLER BROCKETT.

Something of unusual interest—A Temperance Oratorical Forum! This project approved by the union conference committee will be outstanding. The liquor traffic exposed from different angles by six students from the two colleges. Come and hear some real eloquence! The cash awards are a recognition of the effort and time the students have expended in this vital project.

There will be fine competition and experienced, impartial judges.

Another grand treat! Keith Argraves, heroic medical paratrooper, one of the outstanding Adventist heroes among a galaxy of heroes of World War II will speak. What more need we say?

Still another treat! Ralph Platt, professional whistler, bird imitator and radio artist, will thrill you. Not a dull moment. Come early—there will be a huge crowd.

F. G. ASHBAUGH.

Sabbath afternoon and evening, May 15, will never be forgotten by those attending the Youth's Congress in the Shrine Auditorium. Neither will it easily be forgotten by those who fail to attend, for they would always be sorry for what they missed.

This meeting will bring a great spiritual uplift to all. Don't miss it. Be there on time.

DAVID VOTH.

The coming Youth's Congress in the Shrine Auditorium will be one of the most inspiring events we have ever witnessed in the Southern California Conference. Every student and teacher in our elementary schools, academies, and nurses training school should be there. The impressive investiture service with hundreds of pupils from our schools and other hundreds of adults who have worked hard to qualify as Master Comrades will be a memorable sight.

The influence of this great convocation of youth and Master Comrades will be seen in the years to come. All who can possibly attend should do so. "Share Your Faith" will be the keynote. What a tremendous power for good can be exerted if we all catch the vision and go to work 4,000 strong!

A Correction

The telephone number of the Arizona Conference office is 5-7670.

Arizona, Attention!

You are urgently requested to write immediately to our two representatives registering your opposition to the Taft Bill, S.472, which if enacted, will provide federal tax funds for the use of teaching religion in parochial schools. This bill is dangerous. If passed, it will establish a precedent which will doubtless open the doors to other and greater evils. It is against the great American principle of separation of Church and State. It is un-American.

Use your own words and write a letter to each of Arizona's representatives, Hon. Richard F. Harless and Hon. John R. Murdock, both of the U.S. House Office Building, Washington, D.C. Appeal to them to do everything they possibly can to kill this bill and ask them to pass on your letter of protest to the Chairman of the House Committee on Education and Labor.

Write now! Later may be too late! Ask your friends and neighbors to write also. The concerted action of many will doubtless prove a power which will prevent this bill from becoming law.

C. E. Andross.

Colporteur Rally

"Sound an alarm throughout the length and breadth of the earth. Tell the people that the day of the Lord is near and hasteth greatly. Let none be left unwarned." "Christian Service," p. 78. To this end the month of May has been set aside in the Pacific Union Conference to recruit more workers for the literature ministry.

While world events are fast shaping up and the eyes of the world are being directed to the land of Palestine and Armageddon, while probation still lingers, we wish to sound an alarm throughout modern Israel that none will be found sleeping at their posts of duty. "Men will soon be forced to great decisions and it is our duty to see that they are given an opportunity to understand the Truth that they may

take their stand intelligently on the right side."

A "Great Controversy" or a "Daniel and Revelation" or "Bible Readings" placed in someone's hands may help him to receive the crown of life.

A Colporteur Rally is to be held in the Phoenix area May 15 and 16. Elder Fishell, publishing department secretary for the Pacific Union will hold meetings in several churches in this area. These meetings are for all who wish to lend support to this important part of our work. L. M. HARDING.

Dinuba Homecoming

A special service will be held in thte Dinuba City church on May 29 to celebrate the 45th anniversary of that church organization. All charter members, former members, and friends of the church are requested to be present for the occasion.

The program will consist of three parts. The morning service will begin at 11:00 a.m. There will be a musical program at 3:00 p.m. and an evening program at 8:00 p.m.

It is suggested that each family bring a lunch so that the entire church can cnjoy a noon-day meal together in the park.

Street Corner Tract Racks

Perhaps some of our people, while shopping or visiting in Palo Alto, California, have noticed the magazine and paper racks placed along University Avenue. The writer has spent a good deal of time and money to make these racks a reality. First, permission had to be obtained from the city and the Police department. Then regular newspaper racks had to be converted into neat, attractive-looking racks. This was done by a bit of sheet metal and some paint. These racks have been well worth the time and money spent on them.

Over 460 Signs of the Times per month have been circulated in this manner alone. It is hoped that during the current Signs campaign we will be able to arrange for a club to be used in this manner.

All a person needs to do to start a project such as this is to get permission to place the racks on the street corners, arrange to secure several newspaper racks, make some minor alterations, then take them to the busy street corners or bus stops and chain them to a lamp post. Then above all, be sure that not too many papers are placed in the rack and that they are checked daily. The only expense is the original outlay of a few dollars. From then on no one will be able to tell just how much good is being done until we are gathered in the Kingdom of God.

A total of 12,000 tracts, papers, books and magazines were taken from these racks in Palo Alto last year. Other denominations are distributing literature this way. We, as Seventh-day Adventists, should lead out in this kind of literature ministry.

Change in Leadership of M.V. Department

The parents and youth of the Northern California Conference will keenly feel the loss of the leadership given this field by Elder B. W. Mattison, retiring secretary of the Missionary Volunteer department.

Because of health reasons in his family, Elder Mattison found it necessary to request that he be relieved of the departmental responsibilities, and he is now pastor of the East Oakland Seventh-day Adventist church. His host of friends, I know, will join the office family in praying that God will bless him abundantly and make his work as fruitful in the East Oakland church as when leading the youth in this field.

To fill the position made vacant by the resignation of Elder Mattison, the conference committee placed a call for Elder Glenn Fillman, M.V. secretary of the Central California Conference. While in that field, Elder Fillman carried a strong, aggressive program for the youth, especially during the summer in the Junior Camp work. He comes to us with the same enthusiasm, and we know the constituency of the Northern California Conference will

give Brother Fillman the same support accorded Elder Mattison.

We welcome you to our field, Brother Fillman. F. T. Oakes.

The Medical Leadership of the St. Helena Sanitarium

After a long period of faithful self-sacrificing service with a number of our denominational sanitariums, Dr. G. K. Abbott resigned his position as medical superintendent of the St. Helena Sanitarium. Dr. Abbott gave many years of strong leadership to the work at St. Helena Sanitarium and is well known throughout northern California. Hundreds of our own members and patients of the Sanitarium have looked to him as their physician and, with the Sanitarium staff, will miss him.

Following his resignation Dr. Abbott has established a practice at San Rafael. The Sanitarium board, working staff, and patients all unite in wishing the Doctors Abbott every blessing of the Lord in the establishment of the new work at San Rafael.

At a recent Board meeting Dr. H. E. James, who since his return from the mission field has served many years on the staff of the St. Helena Sanitarium, was invited to be the medical superintendent. Dr. James has had an intensive medical and missionary experience in China. He brought to his work in the Sanitarium the same spirit of carnest missionary service. The Lord has given to Dr. James the skillful hand of the surgeon. The Board and the Sanitarium are honored in having him as head of the St. Helena Sanitarium, and all the staff has responded to his leadership.

The prayers of our members are solicited that the Lord will make the work of the St. Helena Sanitarium effective in the restoration and salvation of many souls.

The One-Per-Cent Plan for the San Pasqual Academy

Since God's plan for financing His work taxes each according to his ability to pay, the conference committee has approved the one-per-cent plan adopted by a conference-wide meeting of ministers, church treasurers, and first elders held recently in Escondido.

After the manner of the second tithe, this plan provides that each church member should pay one per cent of his income for the founding of the new school. All tithe envelopes have a special place for this specific fund. Please mark envelopes clearly.

"In God's dealing with the Jews and His people to the end of time, He requires systematic benevolence proportionate to their income." Vol 3, p. 405.

Ancient Israel gave first-fruit and free-will offerings in amounts which far exceeded the tithe, or even the second tithe, often equaling as much as one-third of their entire income. This fact gives point to these words:

"It is not God's purpose that Christians, whose privileges far exceed those of the Jewish nation, shall give less freely than they gave. 'Unto whomsoever much is given,' the Savior declared, 'of him shall much be required.'"

MOTTO

"It is not how much of my money should I give to the Lord, but how much of the Lord's money shall I keep for my necessities."

"One per cent for San Pasqual."

Our members will be sorry to learn that Elder H. H. Hicks is confined to the Paradise Valley Sanitarium due to surgery on his back. Latest reports inform us that he is progressing nicely. We suggest that our people remember Elder Hicks in their prayers, that he many have a speedy recovery and be back to his responsibilities soon.

We are happy for the reports of baptisms that have come in. Elder L. R. Anderson, of the Arlington church reports five; Elder V. J. Johns, of Yucaipa, sixteen; Elder Wm. C. Risley, of Oceanside, 3; and Elder C. C. Cantwell, of Ontario, six. We thank God for these who have taken this step in following their Master.

A large number of reservations for dormitory rooms for camp meeting have been received, and both dormitories are filled. Tents are still available. We urge our people who wish to make reservations for tents to send in their orders.

We are sure this announcement will

be gratefully received:

"It is planned for the Voice of Prophecy group to be with us at camp meeting on Sabbath, June 19." Let us pray for a spiritual feast at the coming camp meeting season.

Conversion from Catholicism Through Junior Camp

Our summer camps present a recreational and educational program for our youth during the summer months, and are also a powerful evangelistic agency. Every year hundreds of juniors join baptismal classes as a result of the personal labors of Spirit-filled counselors at junior camps.

Typical of the work that is being done each summer is the story of Al-

bert.

A doctor had no children of his own of camping age, but had a burden to help someone go to camp. Albert's family, who were Catholics, were patients of the doctor. When the doctor suggested that he would send Albert to camp at Idyllwild, the offer was gladly accepted, even though he would be going to a Protestant camp.

Albert soon made many new friendships and became intensely interested in our message. His counselor was quick to take advantage of this interest, and every day he and Albert could be found searching the Scriptures.

On Friday night, at the consecration service, Albert gave his heart to the Lord and expressed a desire to be baptized and join the remnant church.

After camp was over, Albert had more studies, and it was soon found that Albert's sister and mother were becoming interested. A few months ago we rejoiced to hear that Albert, his mother and sister were baptized and are now members of our church.

This story began when an Adventist doctor caught a vision of what summer camps could do and did his part by example and financial means. This story can and will be repeated as others do a similar work. Those who do not have children of their own of junior age, won't you, if you are financially

able, help some other junior go to camp this year?

If you do not know any one in your community we have a number of names of children who need financial assistance. The total fee for the 10-day period is \$16. If you cannot send this amount, any amount will be appreciated. Send all donations to "Junior Camp Fund," M.V. Department, Box 584, Arlington, California.

John H. Hancock.

Urgent Request

The young people at La Sierra, who have been carrying on an intensified house to house personal evangelism work, are again requesting old numbers of the Little Friend, Health magazine or Youth's Instructor, for distribution.

Hawaiian Mission

An Encouraging Report

The Home Missionary secretary, Brother E. F. Woody, has just handed me the Home Missionary report for the first quarter of 1948. Almost every feature shows outstanding accomplishment on the part of our laymembers. Nearly three thousand Bible readings given. This is more than 30 Bible studies for every day in the quarter. Aside from this, nearly 10,000 missionary contacts and over 2,400 persons taken to services. And following the plan brought to us at our last workers' meeting by Elder Esteb of every member each day distributing at least one tract, we have over 127,570 tracts and papers distributed and some 4,396 garments given away. Over five thousand dollars in cash for local welfare, and the other items on this encouraging report also bespeak the active participation of the church members with pastors and evangelists working in behalf of their friends and neighbors.

One of the most promising features of the work in these islands is the wholehearted cooperation with which our church members join church leaders in working for the unsaved. Especially prepared simplified tracts of a brief and inexpensive nature have been prepared and issued for this great "literature year." The academy press has printed twenty thousand of each as a first edition. There are twelve in the entire series, presenting in a simple, brief, and concise manner twelve fundamental and basic truths of the gospel.

Really, the church members in Hawaii believe

"Wherever a church is established, all the members should engage actively in missionary work. They should visit every family in the neighborhood, and know their spiritual condition."

WILLIAM J. HARRIS.

The Ingathering Torch Of Truth

Lift It Higher and Higher

"We must get away from our smallness and make larger plans." "Evangelism," p. 46.

Faith Vs. Fear

I have been profoundly impressed with this inspiring thought from "Testimonies to Ministers," page 226: "Unbelieving FEAR will be swept away before living FAITH."

We are seeing many marvelous evidences of the truth of this statement. We are having some of the most wonderful experiences we have ever had.

Our laymen are telling us thrilling stories of Ingathering victories. One sister tried soliciting with the singing band and was thrilled as a man handed her a \$20 bill. A little boy went up to a big house on a hill with an Ingathering paper and was delighted when he also was given a \$20 bill.

We must go forth with a "living

faith" that God's work is to triumph that greater things must be done—that the wealth of the Gentiles is to flow into the treasury of the Lord—that God's work will be finished on the earth.

May God give us that "living faith" that will sweep away all "unbelieving fear." The world today is full of fear. We must beware lest we become contaminated with this disease. Many lose the power and joy of inner faith because they become obsessed with externals. Earthly things shut them in gloom, rob them of peace and inner security and fill them with forebodings.

Faith is the most powerful stimulant and tonic in the world. Let us give every man and woman we meet heavy inoculations of faith as an antidote

to the terrible plague of fear.

As we carry the Ingathering torch to new and loftier heights in every conference, may we all remember: "Unbelieving fear will be swept away before living faith."

ADLAI ESTEB.
