VOL. 51

ANGWIN, CALIFORNIA, SEPTEMBER 24, 1951

NO. 8

## Relief for Flood Victims

A sight of the great area in Kansas covered by the flood stirs one's heart. One hundred fifty thousand people were affected in thirty-four areas of the state. As the water swept down the Kaw and other rivers through Manhattan, Topeka and Kansas City, Kansas, great suffering was left in its wake. Hundreds of homes were either washed from their foundations or filled with silt. It is estimated that a billion dollars worth of damage was done. In hundreds of square blocks people are shoveling out the mud from their homes. No greater flood has struck Kansas during the history of the white man.

Notwithstanding the wonderful relief work begun immediately by the Kansas Conference through its welfare agencies and that done by the Red Cross, the need is tremendous. Between fifty and sixty Adventist families were severely damaged; some losing everything. Several churches were badly affected by the flood and the Kansas Conference is appealing for the following: blankets, sheets, pillows and pillow cases, comforters, hand and bath towels, children's clothing, underwear, women's dresses—in fact most everything.

We are sending out an appeal through our Home Missionary secretaries, asking that all Dorcas Societies and individual members of the churches respond to the cry of need from our people and the public in this afflicted area. Tomorrow it may be your community that will be pleading for help.

Send all material to: Flood Relief Division, Seventh-day Adventist Welfare Society, Topeka Branch, Corner 5th and Western, Topeka, Kansas.

HENRY F. BROWN.

(Note: Since Elder Brown wrote the foregoing article there have been additional, though much smaller, floods which have increased the need for aid. It is hoped that whatever is planned may be done immediately.)

## Searching Local Libraries for Elusive Items

This is to report good progress in the writing of Volume IV of the important *Prophetic Faith of Our Fathers* set. Hundreds have spoken or written of their deep interest in this really vast undertaking, going forward under General Conference sponsorship, and of their willingness to help. The findings are really amazing. The writing of this last volume, as planned, is up to schedule. Half of the manuscript is written and much of the rest is outlined.

Part I (the pre-Millerite and non-Millerite writers on prophecy from 1798 to 1840) is completed, and proves to be of vital importance to us. The foundations are deeper and more solid than we had ever supposed. The writing of Part II (the Millerite movement itself) is half finished, and presents a strong and fascinating case to the world. We already have the most important source materials. And Part III (our own early decades) is already outlined. The unfolding of the sanctuary, Sabbath, and Spirit of prophecy features is tremendously important both for us and for the world. This is not only the climactic volume, but the crucial one of the series, and is being awaited with much interest by many noted scholars—preachers, teachers, editors, and librarians—not of our faith.

A number of valuable source items have been located as the result of my former appeal through union papers. Letters and long distance calls have brought desired information. For this fine cooperation please accept sincere thanks. And now, just before leaving for a month's extensive search throughout the New England states and New York, seeking certain elusive items in the Millerite literature, I make this further appeal for help from our trained laymen—school teachers, doctors, scientists, lawyers, lay preachers—as well as our workers. We need your help in

searching anew your local libraries, together with historical societies, University and Seminary libraries, and noted personal collections in your vicinity, for the missing items which follow, and are greatly needed:

1. Complete file of *The Day-Dawn* (Canadagua, New York: 1845-'47), edited by O. R. L. Crosier. This is our greatest need. We have some individual copies.

2. Complete file of *Hope of Israel* (Topsham and Portland, Maine: 1845-'46), edited by Joseph Turner and J. Pearson.

3. Complete file of *Voice of Elijah* (Montreal and Sherbrook, C.E.: 1842-'44), edited by Richard Hutchinson, M.D.

4. Complete file of *Voice of Truth* (Rochester: 1844), edited by Joseph Marsh.

5. Complete file of *Trumpet of Alarm* (Philadelphia: 1844), edited by Josiah Litch.

6. *The Old Countryman* (New York City: Nov. 20, 1833), editorial by Henry J. Pickering on the Falling Stars. Very important, as an original copy is not now available.

7. Any copy or copies of these lesser papers—*Second Advent Witness* (New York City: 1842), edited by Henry Jones; *Herald of Truth* (Nova Scotia: 1843), edited by Martin; *Faithful Watchman* (Sherbrook, C.E.: 1843), edited by Skinner and Hutchinson; *Glad Tidings of the Kingdom at Hand* (Rochester, New York: 1843), edited by L. D. Fleming; *Babylon the Great Is Fallen* (Oswego, New York: 1844), edited by L. D. Mansfield; *World's Crisis* (Kingsville, Ohio: 1844), edited by G. W. Eastman; *Voice of Warning* (Utica, New York: 1844), edited by Orlando Squires; *Gospel Standard* (Cabotsville, Mass.: 1844), edited by Silas Hawley, Jr.

able items mentioned in my former appeal:

1. William C. Davis, *Lectures on the New Testament*, Vol. I. (Copyrighted at Lexington, Ky., in 1820). He taught the 2300 years end around 1847.

2. Nathan Bangs, D.D., *Introduction to Christianity* (New York: Methodist Publishing House, 1833).

3. David McGregor (1771-1845), pastor of Presbyterian Church, Bedford, N.H. (Title of book, publisher, and exact publishing date unknown; probably between 1830-40. Very important, because though not a Millerite he held similar views on the 2300 years.

4. A. J. Krupp, "of Philadelphia." (Title, publisher, and date likewise unknown, but probably 1830-40.) Likewise very important because he too advanced a position similar to Miller.

5. Charles B. Wheeler, of West Virginia, founder of Rector College, Pruntytown, in 1838 incorporated as "Western Virginia Education." About 1823 wrote important book fixing upon "1843" for close of 2300 years.

If you locate any of these items kindly communicate this fact to me here at headquarters, and directions will be given as to how to arrange for photostats, or a microfilm, and just how to complete the arrangement. ## 1-A-O's in the Marines

More and more Adventist men classified 1-A-O are being assigned to service in the Marines. As has been pointed out in former articles, we do not belong there, we do not fit there, we are not really wanted there. There is no form of noncombatant training in the Marines. All Marine units are recognized as combatant units. Some of our men going into the Marines have had real difficulty when they have been reluctant to bear arms and be trained in their use.

All of this has been taken up at Marine headquarters and a Department of Defense directive, No. 110-06.1, dated 18 June, 1951 has been issued. In order that our men may know their rights and proper procedure this is published in full:

### I. Purpose

This directive sets forth the procedure regarding the disposition to be made of individuals on active duty in the armed forces who claim a conscientious objection to participation in war.

### II. Procedure

The procedure for disposition of conscientious objectors will be as follows:

#### A. Enlisted men classified by Selective Service System as 1-A-O

1. Individuals inducted into the Service who have previously been classified as 1-A-O by local induction boards should be assigned to noncombatant service, which in accordance with the President's Executive Order No. 10028 of 13 January 1949, is defined as:

- "(a) service in any unit of the armed forces which is unarmed at all times;
- (b) service in the medical department of any of the armed forces, wherever performed; or
- (c) any other assignment the primary function of which does not require the use of arms in combat; provided that such other assignment is acceptable to the individual concerned and does not require him to bear arms or to be trained in their use.

"The term 'noncombatant training' shall mean any training which is not concerned with the study, use or handling of arms or weapons."

2. Such men, upon induction into the Service, shall be transferred to a training center, or station, for recruit training and shall be subject to all regular training, except the portions thereof specifically excepted by Executive Order No. 10028 quoted in A.1. above. Thereafter, upon completion of recruit training, they shall be transferred to Hospital Corps, or Medical Department, for further training, provided they meet the requirements therefor. Such men, because of assignment to medical units will not be allowed to avoid the important or hazardous duties which are the responsibility of all members of the medical organization. Any man who does not meet the requirements for this training, or who fails to complete the course, will be retained in the service and employed in noncombatant duties.

#### B. Enlisted Men Who Claim to be Conscientious Objectors and State That they were so Classified By their Local Board But Their Records Do Not So Indicate:

1. The Commanding Officer shall obtain a statement from the individual concerned and refer the case to the Bureau, or Personnel Officer, for investigation and decision. The Bureau, or Personnel Officer, will investigate the matter through Selective Service, and if it is determined that the man should have been classified, the records will be corrected, and the Commanding Officer will be directed to correct his records accordingly. The man then will be processed as indicated in A. above.

2. (a) If it is determined that no change in classification is warranted, the individual will be notified to this effect and he should be informed that to obtain further consideration, he must present a certification from the pastor of his church stating that at the time of induction he was a

member of such church and that the religious convictions of the church or the man himself, do not permit him to be assigned to combat service. (b) The Commanding Officer, and a chaplain, if available, shall interview the man and review the statement of the pastor of the church. The commanding officer shall then submit a report to the Bureau, or Personnel Officer, along with the clergyman's statement, or certification, expressing his opinion as to the sincerity of the man and make recommendations as to whether or not the individual concerned should be transferred to noncombatant duties. (c) Upon first referring of the case, pending its decision, the individual should be retained at his command and employed in noncombatant duties.

**C. Enlisted Men Who Claim To Be Conscientious Objectors to Combatant Duties But Whose Claims Were Denied By Induction Boards:**

1. The Commanding Officer shall obtain a statement from the individual concerned, investigate the claim thoroughly, and process as applicable and as outlined above in paragraph B.2a, 2b and 2c.

**D. Enlisted Men Presently Assigned to Combatant Units Who Have Not Been Previously as I-A-O, as Well as Enlisted Men on Active Duty Not Obtained Through Induction, and Who Currently Claim Religious Scruples to Combatant Duties:**

1. The Commanding Officer shall obtain a statement from the individual concerned, investigate the claim thoroughly, and process as applicable and outlined above in paragraph b.2a, 2b, and 2c.

2. Selective Service classifications shall not be changed unless specifically authorized by the Bureau or Personnel Officer in each case.

s/ Robert D. Lovett  
Acting Secretary

Brig. Gen. W. J. Scheyer, Assistant Director of Personnel of the U.S. Marine Corps, has given me this assurance:

"After our conference, the Commandant of the Marine Corps approved a policy which, in effect, will respect the religious beliefs of Seventh-day Adventists, and will employ those in the Marine Corps in such a manner that they shall not have to bear arms. This policy directed that when future cases arose that the facts be presented to the Commandant to determine whether or not the men were sincere in their beliefs. It was my plan to ask your assistance in this determination."

The way is thus open to take care of the difficulties that our men may confront when assigned to the Marines. However, if you can keep out of the Marines, do so.

## Burlingame Youth Hold Children's Crusade

August 26 to September 1 was a thrilling week for the young people of the Burlingame Missionary Volunteer Society. Each evening meetings were held at the Lindenville Community Hall in South San Francisco for boys and girls, ages 8-15. Attendance of non-Adventist youngsters reached 123 at the third meeting, with the average of nearly 100 every night of the week.

One week before the meetings were to begin, the young people took a special letter to each of the 700 homes in Lindenville, inviting the parents to send their children. The Sabbath before the meetings were to begin, the youth again visited every home with a mimeographed announcement for the children.

Stewart Mott started the program each evening by showing a nature picture. Gordon De Leon was the pianist for the lively song service which followed. A special attraction each evening was the continued story, "Treasure of the Haunted Pagoda," told by Loree McClay. Wellesley Muir gave a series of short talks on the "Keys of the Kingdom of Heaven," and every night a different young person told a short story. Winona Slater and George Burton conducted a Bible Quiz which helped to impress the minds of the children with the important Bible truths they had just heard. Audrey Johnston and the young people who assisted her were very faithful with the ushering.

Twenty-seven youngsters enrolled in the Junior Bible Correspondence course, and in the visitation program a backslidden S.D.A. was found who promised to come back to church. Many parents thanked us for what we were doing for their children, and we feel that a great deal of prejudice has been broken down.

The Burlingame Youth believe that the Lord richly blessed them in this Share Your Faith project. At the last meeting over seventy boys and girls stood expressing a desire to live for Christ. Plans are being made to start a Pathfinder Club and a branch Sabbath school for these needy youngsters.

Please pray that the seed sown in these young hearts will grow and bring forth an abundant harvest.

WELLESLEY MUIR.

## Group Canvassing

During the camp meeting, the Central California Colporteurs chose the week of August 12-18 for big things. It was believed that this united effort could result in the placing of \$4,000 worth of literature in the homes of the people.

On Sunday, four groups with seven in each band were in readiness at the following places: Selma, Modesto, Wasco, Gilroy. In addition to the 28 in groups, there were 16 who carried on in their home territory. Enthusiasm ran high.

It was the plan to start at nine each morning and work as long as daylight permitted. It was not unusual for many of these colporteurs to stay out in the field until late in the evening. The letters that accompanied the reports when they were mailed in on Friday give an indication of the joy these consecrated workers had in working together.

"We have enjoyed a most wonderful week. The inspiration of working together has been a blessing to all of us. We have met many lovely people here. When I am away from home like this, I can give all my time to my work, so, of course, I always make much better on group canvassing. I believe the Lord is giving us just a little time of peace to win souls."

"I enjoy group canvassing with the students. It was a new experience for me. In spite of the heat and other inconveniences, we received a great blessing; the Lord was with us. I thank God for another big week."

"We have had a wonderful week here at our group canvassing. I pray that the Lord blessed the other groups wonderfully."

"I thank the Lord for blessing me this week. It is truly 'not by might nor by power, but by my Spirit, saith the Lord.' Thank you for your prayers."

"The Lord has surely blessed exceedingly abundantly above all that we could ask or think on this big week. What a thrilling report!"

"Could hardly wait for our newsletter of the group canvassing and was so thrilled to see the report. I truly praise and thank the Lord for His goodness

and blessing and pray there will be souls for our hire."

"Well, I only lacked one set of *Bible Pageant* getting the \$1,000 this month; would like to stay out and get it, but other duties kept me from it. That surely was a wonderful report, and I am happy I had a small part in it."

"Another thrilling week. I could hardly wait for last week's bulletin to come out. Wasn't it wonderful!"

When the totals were added, not only had these colporteurs delivered 776 books, valued at \$5,020, the highest deliveries for any one week in the history of the Central California Conference, but had distributed 1,870 pieces of free literature, offered prayer in 267 homes, signed 122 people for the Voice of Prophecy Correspondence Course, and found eleven former Seventh-day Adventists.

These literature evangelists are to be commended for this accomplishment, for into this report went many hours of hard work (in temperatures of 104-108) and many earnest petitions to God. We feel confident there will be souls in the kingdom of heaven as a result of this week's work.

A striking reference to Paul's method of evangelism is given in the following paragraph: "Go to the homes of those even who manifest no interest. While mercy's sweet voice invites the sinner, work with every energy of heart and brain, as did Paul, 'who ceased not to warn every one night and day with tears.' In the day of God, how many will confront us and say, 'I am lost! I am lost! And you never warned me; you never entreated me to come to Jesus. Had I believed as you did, I would have followed every judgment-bound soul within my reach with prayers and tears and warnings.'"—*Evangelism*, p. 434.

Dear Reader, is the Lord calling you into a greater missionary endeavor? Write for complete information on how you can become a literature evangelist.

A. R. REISWIG,  
Publishing Secretary.

Elder Richard Breitigam, who with his wife is in the islands holding Sabbath School workshops, is substituting as a Spanish teacher until the regular teacher arrives from the mainland.

Elder Breitigam has also given several very helpful chapel talks.

The first ASB social of the year was given under the sponsorship of the faculty with speeches by Principal A. R. Tucker and students. The annual "handshake" followed, and refreshments were served on the school "lanai."

The college extension department promises to be very good this year. Many of last year's seniors are signing up.

Dr. Wilfred Airey, accompanied by his family and Mrs. Airey's mother, arrived on the Lurline to take up his duties as instructor in the college extension for the autumn quarter. He comes to us from La Sierra College.

Miss Catherine Shepherd of Walla Walla College came by Stratocruiser to join the elementary section as first grade teacher.

Our enrollment is gradually creeping up to the expected goal.

### Notes

We have some excellent enlarged prints of pictures taken at our Lake Tahoe Camp Meeting baptism. The pictures were taken just before each baptism actually took place as each candidate was standing in the water. Proceeds from these pictures will be used for Nevada-Utah Evangelism. We will be pleased to fill your orders here at the conference office. The size of each picture is 8 x 10 inches, and the price is \$1.25 per print.

The appointments for Sabbath, September 15, included Elder H. M. Lodge at Yerington, Elder I. E. Anunsen at Babbitt, where he conducted the ordinances of the Lord's house, Elder

C. F. Phillips at Reno, and Brother C. L. Williams at Ogden. The Reno church was happy to welcome Elder A. D. Bohn for several services over the week end of September 15. His messages were greatly appreciated and brought real inspiration along the lines of personal evangelism. Elders Bohn and Phillips also brought us a fine report of the meeting at Grand Ledge, Michigan.

The Nevada-Utah Conference Committee met at the Reno office, September 13, to give study to some of the pressing problems in the field.

Brother Sydney Allen writes that his meetings in Provo will be postponed. He expects to begin these meetings September 23.

Elder E. R. Priebe reports that the opening meeting of the evangelistic effort in Fallon found the auditorium well filled. About one hundred people not of our faith were present to hear the opening sermon on the subject of "The Atom Bomb in Bible Prophecy."

### Vacation Bible Schools

"We had more baptisms as the result of our Vacation Bible School this summer than we had from our evangelistic efforts last spring," stated one of our pastors as he reported the success he had personally experienced from this splendid way of reaching our neighbors with this message.

I am sure he would not want you to believe there is no longer a place for public evangelistic meetings as we ordinarily think of them, but he was thrilled with the evangelistic contribution the Vacation Bible School had made to their church. Cordial contacts were made with some of the leading families of the community because their children attended our Vacation Bible School.

As we look back over this past summer we are glad to report that five churches responded to the challenge of child evangelism by conducting Vacation Bible Schools: Blythe, Cedar Springs, Crestline, El Cajon, and Needles.

This represents much planning and work on the part of pastors and laymen alike, but it is an earnest endeavor on their part to help us realize the goal our General Conference president has set before us; to double our membership within the next three years. From the depths of our hearts, we thank each person who has had a part in making this fine report possible.

Dear brethren and sisters, listen to the appeal of our loving Lord—"Feed my lambs!" Let's plan together now so that we can have a Vacation Bible School in every church next summer!

### Special Notice

A few weeks ago a notice appeared in the RECORDER regarding plans for a reunion of former teachers and students of the Old Stuart (Iowa), Academy, now Oak Park Academy, Nevada, Iowa.

It was an error in stating that this fall would mark the 50th Anniversary of the opening of the Stuart Academy as that will not be until 1952. For this and other reasons this reunion will be postponed until the summer or autumn of 1952. All former teachers and students of Stuart Academy and Oak Park Academy take notice.

The undersigned would appreciate hearing from interested ones who have not already written in. The address is 1520 N. Main St., Santa Ana, Calif.

What a thrill it was to witness the 2,400 laymen at Grand Ledge and to hear a few of their marvelous soul-winning experiences. The eighteen delegates from Arizona are now all back in

the field and planning for more definite work. November 10 is to be an outstanding day in the history of the denomination. It is our fall Field Adventuring Day. It is also the date by which at least two thousand lay efforts are to be started in North America. We want in Arizona at least fifty. Contact your pastors for plans. ### M.V. Forecast Important Notice

The Pathfinder Fair has been postponed from Sunday, October 28, to Sunday, December 9, at the Lynwood Auditorium. Due to the fact that new clubs are starting and some of the old ones are re-organizing, we need this additional time to plan for this coming event.

We are looking forward to a bigger and better Fair than was held last year. Lawrence Paulson, Pathfinder director of the Lynwood area, and Don Palmer, now Pathfinder director of the Glendale area, plus all of the Pathfinder directors of the conference will join in making this the most thrilling Junior Day of the year.

All juniors should immediately join one of the Pathfinder clubs in order that they might participate in the many advantages of being a Pathfinder.

#### Sierra Nature Club Field Trip

The club is planning a trip to Zion National Park, Bryce Canyon, and the Grand Canyon September 27 to October 2. The fall colors should be at their peak at this time of the year, and those going should find these parks in their most photogenic state.

Each one going should arrange for his own transportation, food, and camping equipment. Plenty of warm clothing and bedding should be taken.

The group will plan to meet in the public campgrounds at Bryce Canyon

Friday night before sundown. A campfire program will be held there Friday night and then Sabbath school and church on Sabbath morning. Sunday morning the group will leave Bryce Canyon and travel down through the Kaibab Forest to the Grand Canyon.

Quenton Christy, club president, and Harold Dean, vice-president, will be in charge of the trip.

Those desiring more information regarding the trip should call the M.V. Department, Capitol 6136.

### Recreational Events

**Attention Youth!** Another recreational program will be held at Lynwood Saturday night, September 22, 7-10 o'clock. From then on second and fourth Saturday nights during the fall and winter months. Gerald Hardy will be in charge.

Starting Saturday night, October 6, recreational programs will be held at the Glendale Academy the first and third Saturday nights, 7-10 o'clock. Don Palmer will be in charge.

### Master Guides! Look!

Another camp at Cedar Falls is being planned over the week end of November 3. Starting Friday afternoon the program will be packed with interesting features till Sunday afternoon.

The camp fee for room and board will be \$6. This will include six meals, Friday night through Sunday noon.

Tickets will be available at the conference office and also through some of the churches. Make your reservations early. Please do not bring children under fifteen.

### Fall Talent Festival

This great Talent Program, featuring the finest talent of our Adventist youth, will be held in the Pasadena Civic Auditorium on Saturday night, November 24.

Auditions will be held in each of our four academies and at La Sierra College during the first week of November. An audition will also be held at Paulson Hall for youth not in our schools. The exact dates for these auditions will be announced. Watch this column for further details.

### Youth Mass Meeting

On Sabbath afternoon, December 29, a great youth rally will be held in the Glendale Civic Auditorium from 3-5 p.m. The principal speaker will be Elder E. W. ### An Unusual Baptism

An impressive baptism, the first of its kind held in the Glendale Sanitarium and Hospital, took place an hour before sunset on Sabbath, September 8, with the institution's chaplain, W. B. Bristow, officiating. The baptistry was a large pool used for treatments in the men's hydrotherapy department. The candidate, E. D. Switzer, was an elderly brother crippled with an arthritic condition which was aggravated by a serious fall some months ago. He had previously spent three weeks as a patient for this affliction in the Sanitarium.

Operating the electric stretcher lift during the unique rite was Brother Leon F. Schutt, hydrotherapy technician.

Observers at the baptism, made possible through the courtesy and cooperation of hospital administrator G. B. Nelson, included Pastor Roger W. Coon of the Hawthorne church who studied with the candidate and whose congregation he subsequently joined; Mrs. Coon; local elder Wayne Montgomery and his wife; Mrs. Bristow; and a minister and family of the Los Angeles Seventh-day Church of God, where Brother Switzer had worshiped before attending the evangelistic services in Hawthorne.

Earlier that day three other candidates were baptized in the Hawthorne church, including a young couple who found Christ through the Voice of Prophecy's "Faith for Today" television program and were later contacted through the evangelistic services held near their home.

Appropriately, the Voice of Prophecy's director and speaker, Elder H. M. S. Richards, officiated at this service.

### **Southern California Happenings**

**Bible Instructor:** We are glad to announce that another Bible instructor, Mrs. Pauline Butler, has been called into service in our field. Mrs. Butler has had quite a number of years experience in Bible instructor's work, and we are glad to welcome her back into our field. She and her husband are members of the Central church, but will be transferring to Van Nuys where Mrs. Butler will be associated with Elder Jerry Lien, pastor of the Van Nuys church.

**Junior Camps:** Camping season for 1951 is over. The attendance at the four camps reached a total of 414. It is encouraging indeed to know that 213 boys and girls joined baptismal classes. It is also reported that 448 honor tokens were earned by the campers. We hope that the good influence of the camp will be as lasting as eternity.

**Santa Barbara:** Elder Bietz and his family spent a recent Sabbath at Santa Barbara. Elder Bietz spoke to the congregation, stressing the fact that the church has a great task to finish in a great day. A large number of non-Adventists were in attendance at the church service. Under the leadership of Elder Merwin Jones we believe the work will continue to prosper in this fine city.

**Florence Church:** Dr. Gideon Hag-

stotz has been chosen to be pastor of the Florence church. At the present time he is associated with the College of Medical Evangelists Alumni. Previous to his work at the C.M.E. he was pastor of the Alberta church in Canada. Dr. Hagstotz has also had considerable experience as departmental secretary and teacher in several of our colleges. We welcome Dr. and Mrs. Hagstotz to our group of workers in Southern California.

**Van Nuys:** Elder Jerry Lien, who has recently been called into this field as pastor of the Van Nuys church, is planning an evangelistic program to be conducted in the new Van Nuys church building. Although not fully equipped with all the new furniture, we feel that the church building will lend itself nicely for a strong evangelistic program. The members of the Van Nuys church exercised wisdom in securing such a prominent lot for their building.

**Educational Department:** Professor Simonson, our Educational secretary, reports that we have 91 church school teachers for the present school year. This is an increase of 6 over last year. We are glad to know that more and more of our boys and girls are attending church schools. Let us pray for these teachers and their pupils.

The latest addition to our roster of church schools is the one in Norwalk. Miss M. Hortense Wilbur is the teacher, with a fine group of boys and girls. The latest census indicated at least sixteen children of school age.

The Glendale Academy cafeteria building is ready for the opening of school. The spacious lunch rooms, stainless steel service counter, and the modern, complete kitchen will be appreciated by students, patrons, and faculty.

Pupils in the Monrovia, Whittier, Baldwin Park, Bellflower, La Crescenta, Inglewood, and Pomona schools will be happy to find new Universal classroom desks in their rooms. Over 350 new desks have been placed in these schools.

**Central Church:** Brother Albion Hoff, graduate of La Sierra College, has been called into this field to assist Elders Knox and Martin in the capacity of a Bible instructor. It has been the opinion of the conference committee for some time that more Bible instructors should be secured to follow up the interests created through the Biltmore Theater meetings, and we feel sure that Brother and Sister Hoff will give outstanding service.

**German Church Leadership:** We are happy to announce that Elder William Schaeffler of the Illinois Conference has been called to our field as pastor of the German church. He has accepted the invitation and will be here within a few weeks. Elder Schaeffler comes to us with a rich background of experience, and we know that the church will appreciate his aggressive leadership.

**Eagle Rock Church:** On the evening of September 9 Elder Holman, pastor of the Eagle Rock church, started a Sunday night Bible class. A goodly number of non-Adventists were present to hear an informal presentation of present truth. The meetings, we hope, will create a real interest in the study of the Word of God, especially among non-Adventists.

**Pasadena Church:** Each Wednesday evening at 7:30 Elder Cree Sandefur, pastor of the Pasadena church, is conducting a series of studies on the closing events of this earth's history as presented in the Bible and the Spirit of prophecy. Many topics relating to this hour will be presented, and we feel sure that our people will be greatly interested in these most important studies.

**Glendale Church:** Elder Robert Pierson, president of the Southern Asia Division, was a welcome guest speaker in the Glendale church on Sabbath, September 8. His message telling about the rapid progress of the work in Southern Asia proved to be a great inspiration.

**Welcome:** We are happy to welcome Miss Mildred Anderson of Ontario, California, and Miss Wanda Kellogg of Oakdale, California, to our conference office group. Both of these stenographers will work in the Book and Bible House.

**Farewell:** Mrs. Virginia Kollmorgan, secretary to R. G. Lewis, our conference secretary-treasurer, has accepted a call to work in the Colorado conference office and will be leaving soon. Mrs. Kollmorgan has given several years of faithful service in this field. The position she is leaving has not yet been filled.

**Laymen's Convention:** Elder D. R. Schierman, Home Missionary secretary of the conference, and all other delegates to the Laymen's convention in Grand Ledge, are back in the field again. From all reports, it was an inspirational meeting. Elder Schierman feels that the influence of this big gathering will reach every church in our field. All

# Reaching

From Detroit to Brownsville, Texas; from St. Johns, New Brunswick, British Columbia; from West Dennis, Massachusetts, to Miami to San Diego, California, letters come to The Voice of Prophecy filled with encouragement and joy; letters enclosing gifts of prayer, reporting answered prayer, unburdening heavy hearts, comforted by the singing of the King's Heralds and Del Delker's free Bible Courses; letters telling of strength, courage, and faith received from the radio messages of Elder H. M. S. Richards.

"I heard Mr. Richards' tape recording from the Holy Spirit with a kindly, gentle voice as he speaks. It is as though a person were telling the story—just to me alone. It stays with one more than if it were sung. The singing of the King's Heralds is simply wonderful—such perfect harmony for all the joy you and your program have brought to me."

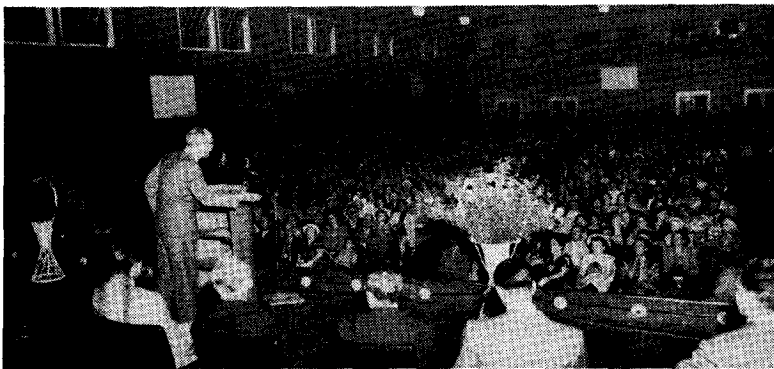

"I just heard your wonderful sermon on the radio and it gave me such a spiritual uplift and was just what I needed for men who can explain the gospel in such an understandable way."

## WITH THE MESSAGE

dland to Vancouver, gene, Oregon; from f Prophecy—letters itioning intercessory ers telling of nerves tters requesting our el Bible knowledge- lere are just a few:

nd, I thrill to his nd were telling me ormed at him. The armonizing! Thank

hday morning. It how I praise God way!"

"I would like to thank you for the personal interest you show toward the folk in radioland. It means a great deal to us. Your broadcast is truly a blessing to this world of turmoil and strife."

Letters such as these daily kindle the enthusiasm of all The Voice of Prophecy staff. More than half a million letters pouring in from radioland every year testify that the prayers and financial investment of our people are returning rich dividends in the turning of hearts to Christ.

### "Here Comes Your \$1360"

It was a little more than a year ago that the 250-watt radio station at Somerset, Kentucky, joined the Mutual Broadcasting System. One of our brethren, Jeff Hickman, heard of this merger and made available to The Voice of Prophecy the funds for a one-year contract for the releasing of our broadcast over the Somerset station.

Two ministers of another denomination listened to the broadcast on the very first Sunday. Both enrolled in our free Bible Course and in time completed it. Then they both enrolled in the advanced course, Daniel and Revelation. In the words of Brother Hickman: "By the time they had finished that, it had finished them; and both ministers and the wife of one of them were ready for baptism. They might have said, 'We will just come in by profession of faith, having already been baptized'; but they said, 'No, we want to be baptized into such a message.'"

Brother Hickman states that it was "a blessed experience" to see these three go down into the watery grave as a result of The Voice of Prophecy broadcast over the Somerset station, and he feels that \$1360 was a small price to pay for such rich dividends.

Presenting radioland's prayer requests on Thursday morning

Both ministers know that it was Brother Hickman who put The Voice of Prophecy on the Somerset station, and when one of them meets him, he greets him with, "Here comes your \$1360."

We admit that such a gift and results are rather unusual. There are not many who can or will give the larger amounts. The Voice of Prophecy depends mainly on the smaller and regular gifts to keep the message going out on the Mutual and ABC networks.

A great portion of the letters we receive are filled with thanks and appreciation for blessings received. Do we dare let such a work stop, or even retrench? We need a greater number giving regularly of the means with which God has blessed them. We need your prayers around your family altar that God will make this broadcast all that He would have it be for the finishing of His work.

Sabbath, October 13, is Voice of Prophecy Day. You can help keep the message going out over the air-waves by planning now for a large gift to The Voice of Prophecy or that day. Your liberal gift then, added to your regular contributions, will help send the closing message far and wide.

### New Listeners Month

October has been set apart as "New Listeners Month." You can help double our listening audience. This can be done if every one of our present listening friends will invite one other family to tune in to our weekly broadcast.

And a "new listener's" gift will go out to everyone who tunes in The Voice of Prophecy for the first time during the month of October. Their request will bring them one of Elder Richards' most popular books. Such a book will help to establish an interest in the heart of the one for whom you have a personal burden. Here is your opportunity! During the thirty-one days of October invite that loved one, friend, or neighbor to become a listener. Then The Voice of Prophecy, in turn, will pray and work with you to win that one to Christ.

We must hurry to proclaim Christ to the millions, for time is short; and, in the words of Paul: "How shall the believe in Him of whom they have not heard?" Roman 10:14.

All of us, dear friend, by working together, can help in reaching out to give the message to all the world. May we count on you to join with thousands of other in cementing homes and hearts to Christ by finding new listeners for the broadcast, and by planning your gift for Voice of Prophecy Day, October 13?

(Continued from page 7)

delegates will give reports in their churches. Out of it all should come a great forward movement in Southern California in our soul-winning work.

**Baptisms:** Our ministers reported 69 baptisms for the month of August. Now that all summer meetings and vacations are over, our baptisms should increase greatly for the rest of the year. We hope that before the year closes each church will have the pleasure of adding a goodly number of new members.

**Public evangelism:** Most of our public evangelistic campaigns will start during the month of September. By the middle of October we expect to have a minimum of 26 efforts in progress. Several larger campaigns will start the first of the year. We would like to appeal to all of our members to give united support to these programs.

**Gardena Church:** The Gardena church is launching an extensive literature distribution program, preparing the way for and working in harmony with the evangelistic campaign planned by Brethren Coon and Collier. They will be happy to receive copies of *Signs of the Times*, *Little Friend*, *My Bible Story*, *Youth's Instructor*, *Life & Health*, and *These Times*. Send the literature to Gordon Collier, 16007½ Denker Avenue, Gardena, Calif.

### Azusa Church Dedication

The Advent message got its first real foothold in Azusa on January 4, 1930, at which time the Azusa church was organized. Elder P. E. Brodersen, then president of the Southern California Conference, led out in the services. There were fourteen charter members. The youngest of these, Herman Ruckle, is now a missionary in the foreign field.

On February 15, 1930, a little chapel was dedicated as a house of worship for

the believers in that community.

The work in Azusa started quite largely as the result of the labors of Brother and Sister Darby. Eight years previous to the organization of the church rural self-supporting work was started in this vicinity, and from that small and humble beginning the work continued to prosper and grow.

Today there is located in Azusa a fine sanitarium housing approximately eighty patients, mostly elderly people. The Azusa Sanitarium is growing, and because of this fine plant more and more people are moving into the community. A goodly number also, because of the earnest and aggressive labors of the members of the church, are accepting the message.

Some time ago it was decided to erect a new church building to take care of the additional members, for the little chapel was altogether inadequate. The members of the church worked unitedly to erect this building, and on July 14, 1951, the new Azusa church was dedicated.

Elder C. L. Bauer, president of the Pacific Union Conference, preached the dedicatory sermon, and others assisting in the service were R. R. Bietz, president of the Southern California Conference; David Voth, pastor of the church; Elder E. J. Sheldon, chaplain of the Azusa Sanitarium, and Brother C. P. Swanson, local church elder. We all rejoice for this fine edifice which is a real credit to the work in this community. Because of the rapidly growing interests we already have fears that the church will soon be inadequate to take care of the growing membership.

R. R. BIETZ.

### Reunion

On Sunday evening, September 30, a reunion of all former students and teachers of the OLD Los Angeles Acad-

emy of 3210 Post Street, will be held at the home of Dr. and Mrs. Lloyd Ermshar, 5 Westmoreland Place, Pasadena 3, California. Sycamore 5-2158.

### What's Going On

Again we have to report some changes in the working force of the conference. We are always sorry to report the loss of some of our workers, but happy we can get others to join us. Leaving the office working staff are Miss Bette Aylesworth, who is now at Yuba City-Marysville district, and Elder and Mrs. L. L. Dinwiddie. Elder Dinwiddie has been the secretary of the Publishing Department for the past four years and recently Mrs. Dinwiddie has been assisting in the Book and Bible House. Elder and Mrs. Dinwiddie and their two sons are moving to Mountain View where they will be connected with the Pacific Press Publishing Association.

Elder and Mrs. George Jensen and son are leaving us, answering a call to connect with the work in India. They have been connected with the work in the Yuba City district, and we are sure they will be missed by our people in that district. Elder and Mrs. W. L. Hyatt, who have been in Lodi with the Central church for several years, are answering a call to connect with the Southeastern California Conference. We are sorry to bid farewell to each of these individuals, but we wish them God's continued blessings as they take up their responsibilities in other places.

Coming to the Yuba City-Marysville district are Elder and Mrs. S. L. Folkenberg and their family. Elder Folkenberg until recently was Home Missionary and Sabbath School secretary of the Antillian Union Mission of the Inter-American Division. To the Lodi Central church come Elder and Mrs. V. C. Becraft. Elder Becraft was formerly the pastor of the National City church in the Southeastern California Conference. Mr. E. B. Padilla has been called to take charge of the Spanish work in the East Bay area and be an instructor at the Golden Gate Academy. We are happy to extend to each of these new

workers a hearty welcome to Northern California.

It was the privilege of the office staff recently to hear Brother Wasidlow, a Polish refugee speak at worship. He was a worker in Poland and Germany and related some experiences in his work there which caused each present to realize what it means to live in a land of plenty where we have no religious persecution.

Four hundred San Joaquin Crusaders from the Lodi, Tracy, Escalon, Manteca, Stockton, Galt, San Andreas and Altaville churches recently held a regional meeting at the Calaveras Big Trees. Guest speaker for the afternoon was Elder Weiland Henry, with Brother Earl Wright speaking at Vespers. Special music was rendered by representatives from the different churches.

### Your Attention, Please

You will be interested in an action taken by the Northern California Conference Executive Committee calling Elder M. R. Bailey, of Lodi, to give his full time presenting to the constituency of this field the counsel that comes to this people from the servant of the Lord regarding disposition of their property before death:

"There are aged ones among us who are nearing the close of their probation; but for the want of wide-awake men to secure to the cause of God the means in their possession, it passes into the hands of those who are serving Satan. . . . Our brethren should feel that a responsibility rests upon them, as faithful servants in the cause of God, to exercise their intellect in regard to this matter, and secure to the Lord His own." Vol. 4, pp. 478-479.

Elder Bailey is a worker of wide experience and is in a position to give counsel, if you are contemplating what God has told you to do. For the present, if interested please send all correspondence to the Northern California Conference, Box 149, Oakland 4, California; and we will get in touch with Elder Bailey.

Let us not dismiss this responsibility without giving careful consideration to God's instruction. If He moves upon your heart to place your property in His hands before death, please let us know, and someone will be sent to explain fully the conference policy.

Pictured above is Jackie Tinsley of the Market Street church, Oakland. In the recent Ingathering campaign Jackie turned in funds equal to ten junior Minuteman goals.

### Two New Books

"Daisy" is the title of the new companion book for "Pestiferous Pets." It is the story of enthusiastic children in a farm neighborhood, and those of you who read "Pestiferous Pets" will recall their successful exploits and how "Daisy," their horse, was used to make their missionary endeavor a real success. Daisy shows some action and some real fun throughout the many stories in the book. Dolly, her colt, provides much interest and excitement.

The story inspires in the junior thrift, economy and sacrifice, and it tends to stimulate a generous attitude toward foreign missions.

The book comes in a cloth cover, and has 166 pages in large kindergarten type. The price is \$2.00 plus 6 cents tax.

"How Men Are Saved," by Elder W. H. Branson, president of the General Conference, gives much of the writer's vast experience as an evangelist. The language is clear and forceful, yet simple, and sets forth the plan and certainty of man's salvation, discussing

such subjects as "How to Accept Christ," "How to Live a Victorious Life," "How to Overcome Temptation," "Sons of God," and "Future Salvation." It is a powerful, persuasive book calculated to help all who desire to know Christ and gain salvation.

Our church membership would do well to use this book as devotional and inspirational reading. It would be desirable to loan to friends or relatives, and is appropriate as a gift. Our men in the armed forces will find it an especially fine helper as they witness for Jesus. Evangelists will use it freely as a loan, or gift, to those with whom they are working.

The paper-bound edition comes at 35 cents per copy, plus tax; and the gift edition which has a hard back and cover with a stained top edge and a ribbon bookmark, cellophane wrapped, is \$1.25 plus tax.

Order these books through your local Book and Bible House.

V. D. DORTCH.

## The Pedagogues

Homing to Howell Mountain this week after a summer spent in universities across the United States, P.U.C.'s returning faculty brought with them a number of new staff members. Other new names on the faculty roster were the familiar ones of former students.

From the University of California Walter Utt comes to the College History Department as replacement for Dr. L. Mark Hamilton who was recently called to Europe. He has completed his doctoral work at the university this summer. Dr. Utt is the son of one of P.U.C.'s veteran teachers, Prof. Charles Utt who was with the College from its very early days. Walter graduated from P.U.C. in 1942.

### Art

While Mr. Joseph Maniscalco is on leave for advanced study for the 1951-52 school year, the Art Department will be under direction of Mr. Donald Muth from Loma Linda, California. Mr. Muth has studied at the Chicago Art Institute, and at the Jepson and Chouinard art institutes in Los Angeles. He has had wide experience in commercial art work, in denominational and biological illustration, and in special work for the American Medical Association. Mrs. Muth and their two boys come with him to the Hilltop.

Miss Helen Litvin, who joins the staff as assistant in Home Economics, comes from the Pacific Northwest. Last year she was instructor in Home Economics at Upper Columbia Academy and has spent the summer at the University of Oregon securing advanced work.

### Music

In the music department, changes include, besides the previously announced addition of Mr. Gerald Ferguson as head of the vocal music section, Mrs. J. Paul Stauffer, who spent the summer studying in Washington, D.C., and who will be doing full-time instructional work in piano. Elementary school music will be in charge of Mrs. Wilma Shafer. She has taught in a number of school systems from Tacoma, Washington, to Pomona, California. She will offer both individual instruction and piano classes to the grade-school stu-

dents. Delbert Winning, 1951 P.U.C. graduate, will take over secondary school music in the P.U.C. Preparatory School and will be in charge of academy vocal and instrumental organizations.

### Assistant Deans

Two other 1951 graduates will occupy places as assistants to the dormitory deans. Miss Ruth Burgeson becomes a full-time staff member as Assistant Dean of Women while Mr. Donald Lake takes over as Assistant Dean of Men. Mr. Lake will also do instructional work in the Physical Education Department as will Mrs. Lake.

### Education

As head of the Department of Secondary Education, Dr. R. D. Drayson replaces Dr. Raymond Moore, who has been called to a college presidency in Japan. Dr. Drayson, formerly of Walla Walla College, became well-known to many students last year as a part-time instructor while he was completing his advanced work at Stanford University.

Dr. Harri Davies, formerly of Redondo Beach, California and now a member of the staff of the St. Helena Sanitarium, is the recently appointed College physician. Making his home on Howell Mountain, Dr. Davies will divide his time between the Sanitarium and the College.

In the Physics Department, Mr. Walter Bolinger, who graduated from the College in 1934, and who has recently been doing post-graduate work in the department, has been appointed full-time teaching assistant.

Other 1951 graduates joining the staff include Miss Lenore Hardt who becomes registrar in the P.U.C. Preparatory school and Frank Dietrich who is to be supervisory teacher of the fifth and sixth grades in the Elementary school.

## For Freshmen

After the faculty finish their Colloquium on Thursday and Friday of this week (September 20 and 21), they will sit back for the week end and relax in preparation for the onslaught of freshmen which will begin Sunday on large scale. September 24 and 25 are planned especially for freshmen to help them learn their way around before the upper-classmen come. Begin-

ning Monday at 9 a.m. and lasting most of the day, the freshmen take tests—psychological, Bible and mathematics tests. On Tuesday, after an introductory briefing by the Registrar, they sign up for the course work.

Cooperation between Dean of Men Robert Reynolds and Student Association President Ed Reynolds (no relation) has produced a full schedule of orientation and recreational activities for the new arrival. It is planned that he won't have time to get homesick.

## THE LAY PREACHER'S CORNER

### IX. Consider Your Hearers

You must have noticed how some speakers seem to talk to you individually, while others seem to preach to the whole group. This very effective method is sometimes called the conversational style because it seems as direct and personal as if you alone were conversing with the speaker. How is it done? How can you practice it in your short worship talks at home?

There are a number of factors that contribute to the success of this method. Such things as looking into the eyes of your hearers, using a friendly tone of voice and familiar words and phrases help; but the chief element is imagination used in two steps. You can practice on your family and you need not fear that you will bore them.

### Meet Their Needs

First you put yourself into the place of your hearers and look over the stock of ideas which you have prepared so as to determine which thoughts will appeal to each. Little Tommy will find it hard to understand that a calm trust brings a relaxation that makes it easy to be kind; but Mother, with all her cares and worries, often finds herself inclined to snap at the children even though she loves them, and feels guilty about it. So you plan to make trusting in the Lord very attractive to Mother, and make it so vivid that she will not easily forget.

What about Tommy? Well, he has probably had some experience in "getting even" with a troublesome playmate and will be able to appreciate how wrong and futile revenge is.

So the first use of imagination is to picture the problems of your hearers and give your words a very direct appeal to them.

WILLIAM T. HYDE.
