Treasures of Life

A treasure is something of great worth, something very precious, something that is cherished. Life's greatest treasures are not the material things of this world. They are not the silver, the gold, the platinum, the rubies, the

neighborhood who are not aware of this and must be told. That's our job—yours and mine.

One of the most effective ways to accomplish this is with our truthfilled literature. *Desire of Ages, Great Con-*

pearls, nor the diamonds. The most precious treasures are eternal.

Jesus said, "Lay not up for yourselves treasures upon earth . . . but lay up for yourselves treasures in heaven." Matt. 6:19, 20.

How many there are who are "heaping treasures together (earthly treasures) for the last days, who would if they had an opportunity accept the 'Pearl of Great Price.'" This great treasure is free to all, but there are those in your

troversony, and *Bible Speaks* are now being placed in the homes as a set entitled, "Treasures of Life." What glorious treasures they contain. The Lord has marvelously blessed our literature evangelists in the sale of *Treasures of Life*. Hundreds of people are being blessed as they study the truths found in these books, but the time is short. There is great need for workers to take *Treasures of Life* to the people in their homes. Call your Publishing Department, WASHINGTON D C

Visitors at Elmshaven

During recent weeks hundreds of visitors from different parts of the world have signed the guest book at Elmshaven, the old home of Mrs. E. G. White, located near the St. Helena sanitarium. Many of these visitors were delegates to the General Conference in San Francisco, representing Europe, Asia, Africa, Australia, South America, and the islands of the seven seas, as well as our local conferences in the United States.

These visiting brethren and sisters were impressed with the general simplicity of the home where Sister White lived and worked during her last fifteen years. Indeed, simplicity was one of the chief characteristics of this woman of God in all her habits of living, and God honored her in it all.

Elder and Mrs. Charles T. Everson, the owners and occupants of Elmshaven, are glad to receive visitors. Parents and children are welcome. An exhibit of the books that Sister White wrote during her years at Elmshaven may be seen in her old workroom. These include *Acts of the Apostles, Ministry of Healing, Education*, and a half dozen others, all of which were done after she was seventy years of age.

Address Changes

Summer brings vacations, and trips, short or long. Many leave temporary forwarding addresses with their post offices, and fail to specify these are for *first-class* mail only. This results in much confusion and expense for publishers of papers such as the *RECORDER*. Please help us by using extra care.

Tucson Sharon Ingathering

Congratulations are in order for Pastor James P. Middleton of the Sharon church in Tucson, who reports that his church, which has an Ingathering goal of \$452.98, has raised to date \$1350.

Special tribute also goes to Mrs. M. Haskins, who was responsible for nearly \$400 of this amount. S. Henderson, M. Middleton, and J. Bradford each raised well over the goal for six minutes.

Conference Evangelism

On Sunday night, June 13, 125 cars crowded our Phoenix outdoor chapel to hear Elder W. W. Scott preach the opening sermon of the summer series of meetings held annually.

With the moon shining down, and the stars in all their brilliance, it was indeed a beautiful setting for the message of the hour, which was "Heaven."

Remember us in your prayers as these meetings continue from night to night.

'Pining for Pinecrest'

Many senior and junior youth in Northern California have stated that they can hardly wait for the time to come when they may again start to Pinecrest camp. Evidently they remember vividly some of the inspiring times they have had in past seasons.

Those who are fortunate enough to be there this year will find that larger plans than ever before have been laid to assure a thrilling, never-to-be-forgotten experience!

A special guest at our senior youth camp (July 1-4) will be Mrs. Edith V. A. Murphy, who has had many years' experience in government service with various Indian tribes. She is fairly bubbling over with Indian stories, and will have relics collected in various parts of the country. Being a recognized authority on edible wild plants, she has written a book on the subject which is now in the hands of the publishers.

Incidentally, Mrs. Murphy was recently chosen, by a radio network, as one of the three women in the nation to take a free trip to New York City as a guest of Mary Margaret McBride.

Elder and Mrs. J. R. Nelson, of the union conference, are also scheduled to join our staff during the senior youth camp.

In each of our camps this season we will, for the first time, feature "Wilderness Survival." Those in attendance will receive valuable information on the subject, and may share in the adventure which will come in the "laboratory work."

Young people, boys and girls of camp age simply can't afford to miss the Pine-

crest camps this summer. Many surprises await them!

Applications are coming to the office daily, but there is still room in each camp. Don't wait until too late to make reservations!

Closing Report of Schools

This has been another outstanding year for the schools of Northern California. The ninety-one churches of the conference operate three senior academies, forty-eight elementary, and ten intermediate schools. The enrollment in these schools shows a continued increase which in turn calls for more teachers in classrooms.

In the elementary section the closing report lists 2,449 pupils, of which 270 were eighth graders. Only a few of the 116 teachers of these grades were not occupied to capacity or over. Fourteen teachers instructed the 156 students enrolled in the intermediate level and did creditable work. It should be remembered that these instructors teach all the subjects of the ninth and tenth grades, which makes a heavy demand upon them.

These godly teachers are ever mindful that the only reason for Christian education is the saving of the children under their care. We are most pleased to report that during the school year just closing 215 baptisms were reported from among the pupils of grades one to ten. Statistics would indicate that the overwhelming majority of these new church members will remain faithful to our message, and that many of them will become active workers in the cause of God. Surely no greater proof is needed that Christian education does pay.

The three academies reported an enrollment of about 600 students with 42 teachers employed. The Pacific Union College Preparatory School showed a decided increase with Lodi Academy and the Golden Gate Academy holding firm to their former gains. With the number of eighth graders totaling nearly one-half of the entire secondary enrollment it is evident that plans must be laid to take care of the anticipated increase. The conference committee has appointed a locating committee for a new boarding academy site in our conference, and an active search is presently under way.

The elementary and intermediate schools are also anticipating an increase

in their enrollment. Two additional schools have been approved for offering ninth- and tenth-grade work this coming year. Twelve classrooms, three auditoriums, and three vocational units are being added to care for the larger enrollment in grades one to ten.

Educational work on this scale calls for large expenditures in effort and funds. Much credit must go to the officers and the executive committee of the conference for their unstinted support and sympathetic attitude. It will require the wholehearted support of each church member to see that the cause of Christian education will continue to prosper.

One of the most alarming prospects for the coming year is the desperate shortage of teachers. Unless trained and consecrated men and women can be found soon it appears that about eight schools will not be adequately staffed. We earnestly urge anyone qualified to teach to communicate with the Department of Education, P.O. Box 149, Oakland 4, California, for further information regarding these excellent opportunities in the Lord's work.

Graduation in Ukiah District

District graduation exercises for the church schools were held in Ukiah, May 19. Twelve graduates from Fort Bragg, Covelo, Willits, and Ukiah received diplomas.

The invocation was given by Don Omholt of Willits, followed by a musical number by Elder and Mrs. Louis Schutter of Fort Bragg. Elder Waldo Hesseltine, former pastor of the Ukiah church, now of Redding, delivered the inspirational graduation address. Other

numbers on the program were a solo by Mrs. Richard E. Welch of Covelo, the presentation of diplomas by Dr. Miller Trout of Ukiah, and the benediction by Dr. F. Kent of Fort Bragg. Mrs. Leonore Hazelburt was at the organ and Mrs. Phyllis Brown at the piano.

Our readers might be interested to know that the first church school in this area was opened in 1915 with fourteen pupils enrolled. This year our enrollment in the area was 106—Fort Bragg, 13; Willits, 38; Ukiah, 44; Covelo, 11.

We have appreciated the good work done by our teachers, Miss Betty Canfield, Merrill Reese, Mrs. Jessie Dillon, Mrs. Jaquetta Alexander, Mrs. Gladys Beasley, and Mrs. Flossie Hampel.

On the Monterey Peninsula

On Sunday evening, February 28, the writer began a series of evangelistic meetings in the Armco-Steel Auditorium in Seaside, a town of about 10,000 population, located five miles north of Monterey. The auditorium seats a little over 250 people, and although the attendance wasn't always a "full house" it was consistent, and a goodly number of fine people have accepted the message as a result. Sabbath, June 12, eight more were baptized, making a total thus far of thirteen. Others are still being studied with, and we believe from eight to ten will be baptized before the summer is over.

The fine musical help of Brother and Sister Gerald Fuller, and the Bible work of Mary Vornholt are greatly appreciated. The Peninsula church members are to be congratulated for their fine spirit of cooperation and faithful attendance at these meetings which ended May 16.

During the summer months we are all keeping busy building a new church school, which, it is planned, will be ready for school this fall. Also, Wednesday evening evangelistic services are being held at the auditorium, and it is planned that another effort be held here this fall in the same location. God's work is progressing in a wonderful way in the Monterey Peninsula area; our

hearts are full of courage as we face the future. We ask an interest in the prayers of our members as we forge a Central California Conference as we forge ahead.

News

This brief word NEWS represents the North, East, West and South. It reminds us again that the Good News is to go to all the world. We would not have it otherwise. This world challenge has been a great inspiration to all of us.

Talking of news also reminds us that the good old *Review* brings us good news of the onward march of God's truth every week. Here we learn of new fields being entered; of new territories being opened and of souls baptized. But that isn't all! We have stories for boys, girls, special articles for the youth and news items of every kind. Just now we read about proceedings of the General Conference.

You and I enjoy this weekly visitor and would not be without it. But what of those who do not get it? There must be something we can do about it. So there is! We can take it up during the missionary service and even at the eleven o'clock preaching service. Some do not take the *Review* because of lack of interest, others because of lack of funds, and still others because they don't know much about it. They just do not realize the value of the *Review*.

Here is a mission field and the church should make every effort to put the *Review* into every home. Very few people leave the truth once they become faithful readers of the *Review*. Think it over and do something about it. Do it this coming Sabbath.

Narcotics Education Service

The Narcotics Education Service originated in the American Temperance Society in 1952 as a non-profit organization to be financed primarily by interested parties and professional groups of the communities. All investments made toward this organization are deductible from your income tax. This organiza-

Ekler Scully bids Godspeed to Brother Case as he begins his new work.

tion has been in California just a few months and in our conference just a few weeks.

The Narcotics Education Service is in the embryo stage, and it has a great work to accomplish. Our organization cannot accomplish its goal unless we have the support of all our people.

Our program can be divided into three sections or divisions:

1. Research
2. Law Enforcement
3. Education

At our present status, education is our primary interest. Materials are provided for the school teachers as supplementary material for their classes in social studies, health and hygiene, physical education, and English.

Our materials are increasing, and at the present time include *Listen* mag-

azine, films, factual material purchased from other organizations, and a teacher's syllabus, as soon as it is finished.

Chief Creighton of the Narcotics Enforcement Bureau says, "In 1953 we made more than 1,900 felony arrests . . . an increase of more than 400 per cent over arrests made in 1940. This, of course, does not by any means account for all violations. We have neither the staff nor the funds to follow up every suspicious circumstance . . ." A statement made further says that only 5 per cent of the illegal narcotics entering California are accounted for, and that is closer to 1 per cent.

What a challenge this presents to us as Seventh-day Adventists. We can and we will help, but how? We need your contributions and support, and we'll do our part to see that these supplementary materials are gotten to the teachers and students, mainly *Listen* magazine.

Until September 1953, *Listen* was primarily concerned with alcoholism, but since October 1953, there have been three issues, and all three have contained articles on Narcotics; showing that a real need is felt by our denomination to combat this menace.

The problem of alcoholism and narcotics is a tough problem, and we must do all we can, and do it now. Too many of our youth are going into delinquency from these two problems.

Smith's symptoms were alarming enough to take him to a doctor for a checkup.

"What does the report show, Doc?"

"According to this analysis," answered the doctor, "there is every indication a small percentage of blood is getting into your alcoholic system."

This may make you smile, but nevertheless, much thought has come from this little saying, and we must get in and all work together to save this world from ruin and degradation.

Brother Case will be calling on the high schools in every area and also on our doctors in every city to rally to the cause. We thank the doctors who have contributed to the cause so that we may distribute *Listen* magazine to the students of the high schools. We thank you for what you will do in the future. We appreciate your support to the program as Brother Case calls on you. We need your prayers, your help, and your contributions to carry on this work for Christ as He would if He were here

Himself working for the youth and adults. May God bless us as we untiringly work to prepare this world and His youth for His return.

San Diego United Evangelism

On Sunday evening, last September 20, eight pastor-evangelists began a great united crusade for Christ in eight locations in San Diego, California. Each evangelist spoke on the same subject, "Heaven—Is It Real?"

This city-wide evangelistic campaign, called "Faith for Today" was heralded on television, radio, newspaper, bus and bumper cards, handbills and direct mail. On the opening night there was a total of approximately 2,500 people in attendance, about one-half of whom were non-Adventists. The services were conducted in five of our churches, two halls and one theater. The public was invited to attend at the location most convenient.

The first five Sunday evening topics were uniform and were advertised throughout the San Diego area. Our week-night subjects, however, were selected individually.

This was planned by our San Diego workers as we counseled and prayed together, searching for some way to reach the more than 700,000 people in our metropolitan area. Our conference president, Elder H. H. Hicks, and his executive committee gave us their enthusiastic approval. We divided the responsibility among us, and then presented the plan to our churches. The response was immediate and heart-warming. One brother was overheard saying something like this: "Say, these Faith for Today meetings must really be important. Every church I visit in San Diego I hear the same call; the same appeal for action."

As our people saw Faith for Today advertised on TV, and in the newspaper and on the buses, and heard it over the radio day after day, the enthusiasm snowballed into a glorious spirit of evangelism that swept over our churches in the area. As of now, 174 have been added to our churches by baptism and profession of faith. Several other baptisms are scheduled for the near future, and many others will undoubtedly yet be gathered in. Perhaps the most fruitful advertising was done by our Sev-

enth-day Adventist physicians. Hundreds of personalized letters were sent to their patients inviting them to attend the services. One doctor sent seventy-five letters out to those whom he considered the most promising. At the opening meeting he counted thirty-five present as a result of his letters. He was overjoyed, and sent out two hundred more letters. Twelve of his patients were baptized into his church. As we look back in retrospect we wish to thank God for these precious souls and for the spiritual vigor that such a program has brought into our church.

The workers and churches uniting in this effort were:

Elder Melvin Adams of the North Park church, Elder Dennis Black of the 31st Street church, Elder Charles Betz of the Paradise Valley church, Elder Willis Hyatt of the Lemon Grove church, Elder Calvin Osborn of the Broadway church, Elder William Risley of the El Cajon church, Elder Harzer of the Chula Vista church, and Elder H. G. Vences of the Spanish church.

CHARLES H. BETZ.

Our Privilege

"Let every Seventh-day Adventist ask himself, 'What can I do to proclaim the third angel's message?' . . . The distribution of our literature is one means

by which the message is to be proclaimed. Let every believer scatter . . . books containing the message for this time." *Christian Service*, p. 145.

What books? "The larger books, 'Patriarchs and Prophets,' 'The Great Controversy,' and 'Desire of Ages,' should be sold everywhere." *Colporteur Evangelist*, p. 35.

Isn't that simple? Go to your neighbor and lend books. Why not *Great Controversy*? This is the book that contains truth for this time and will win souls to Jesus Christ.

One said, "The book that brought me in the message was the *Great Controversy*. When I read the chapter on Spiritualism and then realized the author was not a spiritualist, that convinced me that God was speaking and that the book was inspired—for no one could reveal the knowledge unless God bestowed it."

Why not purchase several copies and distribute to your neighbors? Read it yourself first; secure a canvass and then inspire others to read it. This is a golden opportunity before religious liberty is suppressed, before probation closes, to present the present truth of Jesus Christ. Your neighbors would like to know what lies ahead, how to be saved, how to be kept from the terrible deception that is coming upon the world.

Here is our chance to place leaves from the tree of life in the hands of our neighbors and friends by lending or giving them a copy of *Great Controversy*. A sense of satisfaction and joy will rest upon us all as we do our part and God will bless to the salvation of souls. Order from your missionary secretary or from the Book and Bible House.

Azusa Valley Sanitarium Notes

In recent weeks we have had the pleasure of having many delegates to the General Conference visit us. These visitors came from many countries, and it was a joy to show them around the institution. We heard such remarks as, "This is just the kind of an institution we need in our field."

First to visit us were Elder and Mrs. F. A. Mote and their son from Australia. They were guests for one night, and while here Elder Mote told us some very thrilling experiences from that most interesting mission field "down under." Elder Mote was the president of that great division field. Then we had the pleasure of having Elder and Mrs. F. A. Pratt of Singapore visit us. Elder Pratt has carried the home missionary and Sabbath school work of the Far Eastern Division for many years.

Other visitors were Elder and Mrs. F. R. Millard, he is president of the Japan Union. They had with them several delegates, among them being

K. Kuniya and H. Inura of Japan and Elder and Mrs. J. O. Bautista and Elder P. H. Romulo from the Philippine Islands. Then from that most interesting country, Siam, came Elder N. T. Phang and his son and son's wife. Elder and Mrs. O. A. Blake, he is treasurer of the South American Division, called, followed by Elder and Mrs. J. M. Hnatyshyn of Cape Town, South Africa. Brother Hnatyshyn was the home missionary secretary of that great division field. It is always a pleasure to have these overseas missionaries visit us.

Florence Avenue Church Moved to Downey

Elder R. R. Bietz will speak at the 11 o'clock hour Sabbath, July 3. Sabbath school and preaching services are currently being conducted in the Presbyterian church, 7th and Downey, in Downey. All in the Downey area are cordially invited to be present, at this, the fourth Sabbath service to be held in the city of Downey. They are also asked to join in membership to help create a strong Adventist center in this city.

The transition from the old location on Miramonte Boulevard in South Los Angeles has been made. At the first Sabbath service in Downey, May 29, the pastor of the Presbyterian church,

the Rev. Rodney Cogswell, presented a heart-warming welcome to the Florence Avenue congregation. He bade the members to consider the Presbyterian church their church home until their own church would be ready for occupancy. He said he and his congregation would watch with interest and pleasure as the Adventists established a center of Christian influence in addition to those already existing in Downey.

At this writing the attendance has doubled, and many have already asked to join. The use of additional Sabbath school rooms for the children and a Mother's room has been granted by the Presbyterian church. A splendid in-

Pacific Union College

Classrooms and Library Again Busy

Two hundred and fifteen busy graduates and undergraduates are buckling down to the concentrated work of summer session on The Hill. Seventeen of that number are at Albion, P.U.C.'s biological field station on the Mendocino coast. Of the total, 29 are graduate students working toward their M.A. degrees in different departments; and 35 list themselves as seniors. Most of the latter number will receive degrees at the end of the summer. Some, doubtless, will take longer to finish the work of the senior year.

Pastor Has New Assistant

Russell Rose, class of '52, has accepted the assistant pastorship at the Pacific Union College church. He will devote himself especially to work for the young people of the church, in effect being youth pastor. Mr. Rose was introduced to the church by Pastor H. K. Martin on Sabbath, June 20, and gave the sermon of the day, the key thought of which was "Is your spiritual development in harmony with the urgency of the times?" Mr. Rose and his family will move to Angwin in July. They have been located in the Camino Placerville district, where Mr. Rose assisted Robert Thompson, also an alumnus of P.U.C.

Academy Bible Teacher

Elder John Miklos has arrived from Mount Vernon Academy to teach Bible in the preparatory school at the College. He is doing some advance work this summer and is teaching Fundamentals of Christian Faith in the summer session.

Normington to Receive Degree

Mr. Louis Normington, who comes from Washington Missionary College to be acting head of P.U.C.'s education department, has received word that his dissertation has been accepted by the University of California and he will receive his Ph.D. degree at the end of the summer. Mr. Normington and his family are settled in Angwin and he is doing full work in the summer session.

Southern California Florence Avenue Church Moved to Downey

(Continued from page 6)

duction service is planned for some Sabbath later in the year when all who joined the Florence Avenue church since Sabbath services began in Downey will be welcomed into the church. Already church leaders are thinking in terms of extensive laymen's work, branch Sabbath schools, and Pathfinder classes. A new day is dawning for the Florence Avenue church and for the work in Downey.

Sabbath School Home Department

"It gives me a boost." "I get so lonesome for someone."

Folks have said that time and time again. It goes to show that personal visits to our Home Department members pays off. These faithful members are unable to attend Sabbath school and church, and the friendly call by a church secretary provides them with the lesson *Quarterlies* and supplies and up-to-date information about the progress of the church. They are encouraged by a helpful word of prayer. Then, too, one finds out about the little "extras" they would like to have and are so often denied.

The Home Department secretary brings the value of the Sabbath school to the home. Search through your church lists and your neighborhood for Adventists and non-Adventists who need the tonic a visiting worker can provide. We will all be rewarded when the Saviour proclaims that "inasmuch" in His soon-coming kingdom.

MRS. DORA KITTO.

Delaware Avenue Church Dedication

On Sabbath, May 15, members of the Delaware Avenue church in Santa Monica participated in dedication services of their new \$40,000 church building.

At the morning services Elder C. E. Moseley of the General Conference called for a dedication of the lives of the church's 50 members to God's service. "Without the dedication of the membership, the dedication of the building would be in vain," he said.

Speaking at the 4 p.m. dedication service Elder R. R. Bietz focused attention to the fact that passers-by will not be as much impressed by the edifice itself as by the lives of those who worship within its walls.

Elder Garland Millet, president-elect of Oakwood College, reviewed his pastorate of the church by declaring that, "One cannot share the joys and challenges of a church family for half a decade without lasting precious memories; our days in rented quarters; opening our present church, July 28, 1951; souls added to the fellowship; final equipping; and now dedication. Delaware Avenue sends sincerest gratitude to all conference officials, church officers, members, and friends whose cooperative and sacrificial endeavors have made possible today's glad occasion."

Special music for the services was provided by Miss Geraldine Roane of the Delaware Avenue church, the Philadelphian Choir, and the Wadsworth Youth Choir.

Also participating in the dedication services were: Brother A. G. Munson, Elders J. W. Allison, H. A. Lindsey, and C. R. Pritchett and Dr. Carl A. Dent. C. R. PRITCHETT.
