

The College of Medical Evangelists

The College of Medical Evangelists is a great institution with campuses both in Loma Linda and Los Angeles. Through the years the spiritual impact of this institution has been felt in Los Angeles and also in the Redlands and San Bernardino areas. However, its influence reaches much farther than southern California. Consecrated and God-fearing graduates of CME are found in many churches throughout the North American Division and they are holding high the banner of truth.

Needless to say, however, the influence of the College of Medical Evangelists reaches way beyond North America, for the product of this institution is found in Africa, China, Korea, South America, India, and many other countries. In many parts of the world there would be no Seventh-day Adventist churches except for Christian doctors who were willing to pioneer the way.

At times we hear criticisms about certain CME graduates because they do not live up to the high standards of Christ. There is no doubt that a sizable number no longer represent the church. They have drifted away. We must not, however, by concentrating on the failure of a few forget the good work that the majority are doing. Neither should we be too critical of the College of Medical Evangelists because not all her graduates are genuine Seventh-day Adventists. I am wondering whether it wouldn't be well if we as parents would ask ourselves what part we had in the apostasy of CME graduates. After all, they spent only four years of their lives at CME. Long before they were students at this institution they were under our influence. CME continues to train men and women to help in the speedy finishing of the work. This institution needs our moral and financial support.

The work of CME must not remain static.

On Sabbath, April 8, the regular annual offering will be taken for the College of Medical Evangelists. Let us all give liberally of our means so that more of our young people can receive training in this fine Christian institution.

Central California President Re-elected

At the fourteenth Biennial Constituency meeting of the Central California Conference held in San Jose, March 1, 1961, Elder D. E. Venden was elected as president for another two-year term.

Reports rendered at the session indicate that a progressive program of soul winning is in operation. An excellent spirit of evangelism exists in Central plus a spirit of unity and devotion.

We hope and pray that the next two-year period will see many souls won to Christ.

Ridiculing Error Does Not Stop Its Proponents

"The only right way would be to sit down as Christians, and investigate the position presented, in the light of God's word, which will reveal truth and unmask error. To ridicule his ideas would not weaken his position in the least if it were false, or strengthen your position if it were true. If the pillars of our faith will not stand the test of investigation, it is time that we knew it. There must be no spirit of pharisaism cherished among us. When Christ came to His own, His own received Him not; and it is a matter of solemn interest to us that we should not pursue a similar course in refusing light from heaven."—*"Counsels to Writers and Editors,"* pp. 44, 45.

The Challenge of VBS Evangelism

Millions of boys and girls, lost and unsought for! Millions beginning a life of crime, many of whom will live lives of debauchery. Yes, many of these millions are living today around and not far distant from good Seventh-day Adventist churches. They know nothing of God's love; they have never seen a Bible, and prayer is as foreign to them as a heathen's plea for salvation. Yet we are told, "The soul of the little child that believes in Christ is as precious in His sight as are the angels about His throne."—*Testimonies*, vol. 4, p. 591.

Is it possible, with this great mission field at our very finger tips, that we could sit in calm complacency and close the doors of our Sabbath school against this great need? Vacation Bible school opens a new door of vast opportunity for Sabbath school leaders and members to reach out to these unsaved multitudes of boys and girls.

We have the promise, "... the sparks

of heavenly love will fall upon the hearts of the children as an inspiration. We may bring hundreds and thousands of children to Christ if we will work for them."—*Counsels to Teachers*, p. 172. Children are susceptible to the Word of God, just as they are likewise susceptible to the scheming devices of the evil one. Possessing the truths of salvation and the means to save multitudes of these little ones, we can not be irresponsible for their eternal destiny. God has given to us that we might give to others the precious water of life eternal. If we withhold our light, our lamps will go out and we ourselves will be left in darkness. This must never be. Let us lay plans now that the summer vacation months will find our Sabbath schools faithfully toiling in behalf of Vacation Bible school evangelism.

Not only will it be a means for bringing salvation to many unsaved children, but it will also be a blessing to our own children and our own Sabbath schools. It will revitalize the spirit of evangelism in the entire church. It will break down prejudice and create good will throughout the community. As a matter of fact, a Sabbath school neglecting this type of soul-winning work loses a tremendous advantage and a wonderful blessing. We have never heard of a Vacation Bible school that did not bring inspiration and new courage to all who joined in its soul-saving activity.

Last summer more than 1,300 Sabbath schools opened their doors to the boys and girls of the community and invited them in to study God's Word through Vacation Bible school lessons. Over a hundred and eight thousand children enrolled in Seventh-day Adventist Vacation Bible schools. Who can measure the results of this kind of Sabbath school evangelism? Thousands of non-Adventist children are now attending our regular Sabbath schools, thousands are enrolled in branch Sabbath schools and Pathfinder clubs, and many hundreds are taking the Junior Voice of Prophecy correspondence lessons. Did your Sabbath school enjoy the blessings of this wonderful undertaking?

Pastors, superintendents, Sabbath school officers, call your Sabbath School Council together and lay plans for a Vacation Bible school this very summer. Order a Vacation Bible School Instruction Kit, contact your conference Sabbath school secretary, get ready early for one of the most wonderful soul-

winning experiences your Sabbath school has ever had. "As you try to make plain the truths of salvation, and point the children to Christ as a personal Saviour, angels will be by your side."—*The Desire of Ages*, p. 517.

The Work of Elder and Mrs. Lloyd

Elder Lloyd arrived in Los Angeles from Battle Creek in August of 1904. He spent six years in colporteur work and church school teaching in California, four years in departmental work in the old Southern California Conference, three years in the Pacific Union Conference as home missionary secretary, seven years as a field secretary for the Pacific Press, and 25 years in the editorial department of that institution. Sister Lloyd served several years as a conference Bible instructor.

Since "retirement" in 1950, Elder and Mrs. Lloyd have spent portions of five years at Elmhaven assisting with the many visitors. They became familiar with this last home of Sister Ellen G. White when working with her son, Elder W. C. White, in the office there many years ago. During the past four years Elder and Mrs. Lloyd have given more than three hundred talks in the schools and churches of the four California conferences in the interest of the

National College Queen

An eighteen-year-old University of Miami coed who played a slide cornet in church when she was three, Carole Dawn Reinhart is the current National College Queen. The story of her achievements appears in the March-April *Listen* magazine.

Carole made her first public appearance as a musician when she was five. She won her first music scholarship when she was ten, and has been getting them ever since.

Today her ability as a musician and

as a music student is responsible to a great extent for her regal title, National College Queen, which she holds until next September. Held in New York City, the annual college queen contest scores candidates on the basis of intelligence and beauty. During the finals, candidates are judged on their mental ability and alertness in a series of forums.

Carole is on the dean's list at the university despite a schedule which keeps her active from early morning until after 10 p.m. "We feel Carole is an outstanding citizen at the university," says Dr. May A. Brunson, University of Miami dean of women.

"Wholesome" seems to be the key word in talking of Carole. She neither drinks nor smokes, and her ability to carry out a crowded schedule every day of the week without ever appearing tired or missing an appointment through fatigue is a clear demonstration of her vitality.

Good physical condition is particularly necessary for musicians who play

Elder William H. Bergherm, pastor of the Sonora church, is broadcasting every Sabbath on radio station KROG, 1450 on the dial.

Elder Bergherm began several months ago broadcasting the church service. Now the Sabbath services are taped and edited for re-broadcasting. The program is heard each Sabbath at 11:15.

Many non-SDA friends have expressed an interest in the broadcast. A fine couple have become interested in the message through this contact.

Let us pray God's blessings on this radio ministry in Sonora.

Home Shows

As residents of San Francisco and Santa Clara County are attending local Home Shows this month, they are having the opportunity to become acquainted with Seventh-day Adventists and their message.

Theme for the Adventist exhibit at both displays is "Christ in the Home." Religious music played on a Baldwin organ was featured at the San Francisco Home Show. At San Jose, hi-fi music of Pacific Union College Choir and Symphonic Band is the attraction.

Many fruitful contacts are being made through this approach to the public.

The San Francisco Home Show was at the Cow Palace March 15 to 19. Santa Clara County Home Show is being held at the Fair Grounds March 24 to 19.

Let us pray that the message of song and the printed word offered at these home exhibits may bring Christ into many homes to bring happiness and salvation.

Sabbath School Training Classes and Workshops

The first of a series of Sabbath School Training Classes was held in the Christian Education Building of the Loma Linda College church, Tuesday, February 21.

Dr. Benjamin Herndon, chairman of the Board of Christian Education for the College church, is in charge of planning workshops extending until June, with classes being conducted the second, third, and fourth Tuesday of each month until June.

February 28, the Sabbath School Department of the Southeastern California Conference assisted with experts in the use of visual aids, storytelling, and excellent teaching techniques.

Mrs. Janice Jay, who is the president of the Training Class, states that the purpose of the course is to provide trained teachers and leaders for the Sabbath school department of the church.

Camp Meeting in Southern

Camp meeting will be conducted in Lynwood June 16 to 24. A spiritual feast is being planned. Some of the denomination's finest speakers will be present.

Because of fire regulations, adjustments are necessary in the camping program. Last year a tent burned. Firemen went through the tents and found stoves, lamps, candles, etc. Representatives from the State Fire Marshal's office continued their investigation and study of the fire hazard. We are living in a time of strict regulations. Their recommendations include the removal of a large number of family tents and

the spending of thousands of dollars meeting specifications.

The conference administration has spent a number of hours with representatives from the office of the State Fire Marshal. The requirements have been presented to the camp meeting and Conference committees. It is the unanimous opinion of both committees that it is impractical to erect the family tents. Basically, we have no choice in the matter. Fire regulations are written to give maximum protection to the public. The fire code has been upgraded year by year until now a tent village represents near insurmountable problems in qualifying. The fact that our campground is now surrounded by a residential area further emphasizes the hazard.

This announcement is made with regret. We know it will bring keen disappointment. Even though fire regulations have caused an adjustment, we believe camp meeting at Lynwood can remain one of the most important general meetings in the denomination. Two meetings will be conducted each week night beginning at 6 p.m. A full schedule will be maintained over the two weekends. We are developing a program that will give a maximum of fellowship and spiritual nourishment to the members of Southern. Join with us in praying that the spirit of God will flow unmeasured and unrestrained into the hearts of His people during this important convocation. We hope to see you Friday evening, June 16, at the Lynwood campground.

Ridgecrest Church News

A Sunday afternoon picnic at the park in Inyokern February 19 afforded members of the Ridgecrest church an opportunity to become better acquainted with their new pastor, Wentzel V. Cowper, and his family. Elder Cowper began pastoral duties at the Ridgecrest church on January 23, filling the vacancy created when Emmett D. Watts left to study at Andrews University. The Cowpers, formerly of Newhall, have purchased a home in Ridgecrest and are fast becoming acquainted in the community as well as in the church.

The Home Missionary Department of the Ridgecrest church has great plans for the distribution of *Signs of the Times* in the month of April. According to Rocco Cicchetti, home missionary leader, one thousand *Signs* have been ordered and will be distributed in the local area. Follow-up visits are planned

to see just how the papers have been received and to offer subscriptions.

Those from the Ridgecrest church attending the Home Missionary meeting at the White Memorial Chapel in February were Pastor Cowper, Rocco Cicchetti, Francis Shoen, Larry Mason, Mrs. Muriel Tettmar, and Miss Judy Merrick.

A Valentine for Faith for Today

The students at Newbury Park elementary school decided to say "Happy Valentine's Day" to Faith for Today this year. Instead of buying valentines to give to their friends, they chose to show their love by putting the price of the usual valentines into the little decorated boxes to be sent to Faith for Today. The total gathered from the three rooms was \$34.64. May the Lord bless this little gift from the children that souls may be saved through the medium of the television program, Faith for Today.

Important Change in Reno Broadcast

The Voice of Prophecy broadcast from Reno has been changed from Sunday at 9:30 a.m. to 9 o'clock in the evening on KBET, 1340 kc. This change of time came about when KBET changed from a Mutual outlet to an ABC outlet and they are releasing the Voice of Prophecy program at the live time on the West Coast.

This change of broadcast time from the morning hours to a top hour in the

evening will afford us a wonderful opportunity to build a new and larger listening audience. The only way that many of our friends and neighbors will know about this change will be when you pass on this information to them. Let us use our pens and our telephones to make new listeners for the Voice of Prophecy. The size of the Voice of Prophecy audience is to a great extent dependent upon our personal efforts to advertise the broadcast.

Additions to Faculty

Several additions to the faculty have been announced for the 1961-62 school year. Dr. Herbert Stoeger, principal of the Bogenhofen Seminary at Bogenhofen, Austria, will be teaching German. Dr. Toshio Yamagata, president of Japan Missionary College, will join the science department. Both of these men are on two-year leave from their present posts.

Miss Sylvia Bartley, secretary to the principal at Mountain View Union Academy, will be joining the secretarial science department as a part-time instructor. Miss Barbara Phipps will take up duties as associate librarian near the end of the summer. She is currently librarian of Emmanuel Missionary College.

Adventure Series

An illustrated lecture on "Radio Astronomy" will be given by Dr. Harold Weaver, professor of astronomy at the University of California, in Irwin Hall on Saturday, April 1, at 8 p.m. Dr. Weaver will discuss the many interesting and enlightening aspects of this young but fast-growing phase of astronomy.

"Portugal," a film-lecture by Karl Robinson, will be presented in the gymnasium on Saturday night, April 15, at eight. Mr. Robinson will portray the hospitality, warmth, and friendliness of Portugal's countryside and people.

Amateur Hour

The annual Amateur Hour will be held in Irwin Hall on Saturday night, April 22. Plans are well underway for a splendid program. Auditions have already been held and the results indicate some outstanding talent.

Inspections at PUC

PUC is having an unusually heavy year of inspections by various committees and accrediting associations. The president's office has just prepared a 75-page booklet for the Northwest As-

sociation of Secondary and Higher Schools which will be inspecting our program and facilities on April 17 and 18. They will be sending a committee of ten persons. This will be the first time they have made a full inspection since first granting accreditation to the college in 1933. On April 12 the State Department of Education is sending a committee to inspect our nursing education program. On March 24, the federal government sent a group of three persons from Washington, D.C., to study the nursing education program for five days. They are particularly interested in the costs of operating such a program. Although no specific date has yet been set, a committee will be coming from the Independent Colleges and Universities of Northern California to examine our college thoroughly. Two inspection committees have already visited our campus. They were from the Western Colleges Association and the California State Department of Education.

On May 17 and 18 a committee of ten from the General Conference Department of Education will be inspecting here. PUC welcomes these inspections and the recommendations and suggestions which result from them.

Homecoming

Founders' Day and Alumni Homecoming will be held on the campus April 7 to 9. A special Founders' Day program in Irwin Hall will be at 10 a.m. on April 7 with Dr. Walter Utt, '42, speaking. Special invitations have been sent out to "old-timers" to be guests of the college at a luncheon following the program.

The Alumni Homecoming schedule will feature alumni speakers on Friday night and Sabbath morning. Dr. Jack Provonsha, '43, will be the Sabbath morning speaker. On Saturday night, Malcolm Maxwell, '56, will be master of ceremonies for the alumni talent program which will feature a colored quartet, a reading by a girls trio under

the direction of Lois Drummond Stoops, '46, and other outstanding alumni talent.

The Angwin Flyers Incorporated have planned a very interesting program for 11 a.m. Sunday at which time the official opening ceremonies for the Angwin Airport will be conducted. Dr. R. J. Larson, president of Angwin Flyers, urges all alumni to attend this event. It is hoped that many of the alumni will fly in for Founders' Day and Alumni Homecoming.

wind instruments, Carole says, and comments that her days of playing the trumpet could have ended had she started smoking, depriving her of essential breath control. But Carole is well versed on the medical details, having begun practical nursing at fourteen.

After earning her Bachelor of Arts degree, Carole hopes to obtain a Mas-

ter's degree and perhaps eventually a Ph.D. "One of my prizes as National College Queen is an eight-week trip to Europe, which should help me decide where I might want to do my graduate work," says Carole. "If all goes well, I'll make the trip this summer. I can hardly wait."

Parents, when you obtain your March-April issue of *Listen*, be sure your son or daughter reads the article entitled "Vocations During Vacations," if he does not already have a summer job scheduled. A number of excellent possibilities are suggested.
