## We Were Told It Would Happen

We have been told by the messenger of the Lord that there is to be a revival in literature distribution during the last days. We have also been told that new methods of presenting the truth would be developed. Little do we recognize the full significance of such counsel.

However, we can be sure that there will be a *revival* in literature distribution and that *new methods* will be used to present the Third Angel's Message to the world. Buell Hall and Claude Morris of Southeastern California are working what we believe is one of these "new methods." The following is an interview with these enterprising literature evangelists.

**Q. Brother Hall, when did you start canvassing?**

A. I began canvassing in October 1961.

**Q. Brother Morris, how long have you been canvassing?**

A. I began as a colporteur in April 1961.

**Q. It is my understanding that you men have formed what you call a partnership for the Lord. Can you tell me, Brother Hall, how and when this partnership was formed?**

A. Over a year ago I started making appointments for Brother Morris, who would give the demonstrations and make the sales. This worked fairly well, but the closer we worked together the more favorable the response was from the people and the more success we experienced. The full partnership was not formed until November 1, 1964.

**Q. Brother Morris, do you agree with Brother Hall's statement that the partnership plan is a good one?**

A. Yes, I most certainly do, and I would like to add to what he said. This is a real partnership. Everything is shared on a fifty-fifty basis. We visit the homes together. We both give the demonstration. Our sales report, our soul winning reports, our commissions, and our fringe benefits are all shared on a fifty-fifty basis. We even share our cancellations on a fifty-fifty basis.

**Q. In setting up a partnership of this kind, do you encounter any serious problems?**

A. There are a few adjustments to be made when changing to the partnership plan. However, there are no real problems.

**Q. What about the soul winning results? If both of you visit the homes together, you naturally will not visit as many homes in a week as you would visit if you were each calling on homes. It seems that going together would limit the soul winning possibilities.**

A. Naturally, we could separate and call on a larger number of homes, but we are convinced that our visits together are more impressive, and result in more sales and more soul winning interests. The annual institute closed on January 2, 1965, and since that time there have been fourteen of those we contacted who have attended meetings. There are forty-six at present taking studies and two persons have been baptized.

**Note:** Brother Hall said, "Elder Sutton, I teach a Sabbath school class at my church. Last Sabbath there were eleven of our contacts in my Sabbath school class. It was a great Sabbath for me."

**Q. You two are obviously very congenial and get along fine. How about the average person? Do you feel just any two men could team up together and form a colporteur partnership?**

A. No. The ones who form a colporteur partnership should have in common personality traits, desires, aspirations, and objectives. But we don't see this as a problem. In most every church there are couples who have formed close friendships. They go skiing and boating together. They take weekend trips together, and some are already in business together. What a wonderful blessing if there could be a colporteur partnership in every church.

Claude Morris (left) and Buell Hall who formed a colporteur partnership.

**Q. What about your wives and children? Are they satisfied with this partnership arrangement?**

A. We can both answer in the affirmative, but we would suggest that you interview our wives and get their reaction direct.

**Note:** That is a good suggestion and if the editor of the RECORDER will give us space, we shall print an interview with the Hall-Morris Partnership wives within the next few weeks.

We pray that the Lord will continue to bless this partnership. In addition to the soul winning results mentioned above, these two men have delivered from January 2, 1965, to May 7, 1965, \$16,672.36 worth of our books and magazines. You may receive more information about the colporteur partnership plan by contacting your local conference publishing secretary or the assistant publishing secretary in your area.

**A. G. SUTTON, Secretary, Publishing Department, Pacific Union Conference.**

## Youth Hold the Answer to the Finishing of the Work

As someone has said, "Any church is only one generation removed from extinction." In our denomination the hope of getting the work done rests largely with our young men and women. They have the energy, the zeal, the courage, and, if consecrated to God, can be more effective than any other class in winning souls to Christ.

As one looks at the Missionary Volunteer movement and reviews its work, its development, its fruitage, and its activities, he is led to one conclusion—God has blessed this movement.

There are few people in our church today, especially among those carrying responsibilities, who did not receive their first inspiration and help from some MV society or from some MV sponsored activity such as summer camps, Pathfinder clubs, or Share Your Faith projects. Most of our preachers, teachers, musicians, and administrators first tested their talents by participating in these activities.

### Great Need

Our great need now is not more organization, more machinery, or more gadgets, but a greater portion of the spirit and power of Elijah. We need a greater enlisting and training of our youth to finish the task assigned to the church. All our youth must be drawn into this organization.

This year our great emphasis is MV Target 30,000. The plan is to activate every young person in our ranks into one of the following phases of evangelism: Voice of Youth Meetings, Branch Sabbath Schools, Bible Studies, or Friendship Teams. In churches where these activities have been carried out, our youth have been brought into a deeper Christian experience and souls have been won.

"In an age when wrong is emphasized, wrong is glorified, wrong is commercialized, and acquisition of things material is held up as the great purpose of life, young people are challenged to shine as lights in the midst of a crooked and perverse generation."

**MILLER BROCKETT, Youth Director, Pacific Union Conference.**

This group from the Hawthorne, California, church won twenty-five individuals through their Voice of Youth meetings.

## San Fernando-Sylmar Church Opening Service to Be June 26

The new San Fernando-Sylmar church will have its formal opening service on Sabbath, June 26. Sabbath school will begin at 9:30 a.m. The spoken word at the worship hour at 11 a.m. will be by Elder Cree Sandefur, president of the Southern California Conference.

A community program will begin at 3:30 p.m. All believers and friends are invited to all of these services.

The new church is well located and easily accessible by freeway. The address is 12456 Glenoaks, Sylmar, between Roxford and Cobalt. Three possible routes to get to the church are suggested. One can go north on either the Golden State or San Diego freeways. Take the Roxford offramp and go east to Glenoaks and turn left.

The church is also easily reached via Foothill Boulevard, turning on either Roxford or Cobalt to Glenoaks. Residents of Glendale and Burbank can reach the church by driving north on Glenoaks Avenue.

The San Fernando church was organized in 1902. Available records indicate it was the first church organized after the formation of the Southern California Conference. It has been a major contributor of charter members to all of the Adventist churches in the San Fernando Valley as well as Burbank and Newhall.

For the first 22 years the services of the church were conducted in the original San Fernando Valley Academy. Then its first sanctuary was erected at 872 North Brand in San Fernando.

A year ago this structure was sold to the St. Johns Chrysostom Orthodox Church. Construction of the new sanctuary began in December 1964. Robert Burman, A.I.A., was the architect. Several Adventist subcontractors participated in the construction.

The members and the conference have sacrificed much, and over all has been the invaluable blessing of God. Pray for and visit us when possible.

W. A. WESTERHOUT, Pastor.

## July 3 Home-coming Planned for Sunland-Tujunga Church

The Sunland-Tujunga church is observing Home-coming Sabbath on July 3. All former members of the Sunland-Tujunga church are cordially invited to attend this reunion.

Richard "Dick" White will be present to speak at the morning worship hour. Following the morning services there will be a potluck luncheon either in the church fellowship hall or the nearby park.

This should be a day of renewed friendships, a day with good attendance, boosted morale, and a decided determination for a renewed thrust in evangelism in this portion of the Lord's vineyard.

Dick White, pastor-evangelist, is presently serving three churches in Texas. He has just completed six great weeks of stirring prophetic messages in Wharton, Texas.

You will be much richer for having been there on this Sabbath day. Let's all be there. You will be glad you were.

PAUL V. ERWIN, PR Secy.,  
Sunland-Tujunga Church.

### NPA Student Association Campaigns for New Bus

The members of the unique Student Association of Newbury Park Academy elected at the opening of school to sponsor a campaign to secure the money necessary to purchase a new school bus. The bus was to replace the nearly antiquated one which they were then using. This is a deviation from the traditional effort to raise funds to publish a school paper, the *Newburyian*; although past Associations have built the school's tennis courts and swimming pool with the income procured from the annual campaign.

The students, with their goal set at \$6,000, eagerly began their campaign on September 14. They raised the required funds by securing various jobs here on campus as well as at home during their weekend leaves and by soliciting from their friends, parents, relatives, and business concerns. The drive officially closed on October 14, after five weeks of concentrated effort. The students, as in all past campaigns, successfully reached their goal and surpassed it.

Pictures of various models of school buses were posted and a Carpenter transit-type bus was selected to be the future NPA school bus. Principal Roth then ordered the bus with certain specifications; and, after many weeks of anxious anticipation, the big yellow bus with a seating capacity of 55 and with front mounted engine arrived on campus April 1. To celebrate its arrival, the members of the Student Association were each treated with a ride and then a malt.

The students are certain the effort required to purchase this new bus has been well spent.

GEORGE CHING, President, Student Association.

Newbury Park Academy students raised \$6,500 toward the purchase of this new bus.

## Welcome to Nevada-Utah

It is a pleasure to present to our constituency our newly elected education-MV secretary, Elder Frank Dietrich, and his lovely family, Mrs. Dietrich; Richard, thirteen; Michael, eleven; Karen, four; and Kathleen, one year old. Elder Dietrich has had a wealth of experience both in the educational and the Missionary Volunteer work. Mrs. Dietrich is the former Wilma Allen, a registered nurse.

ter. Then he returned to Pacific Union College and received his B.S. degree in Elementary Education in 1951. Following his graduation, he was a teacher in the demonstration school at Pacific Union College for three years. He was then called to be the principal of the San Diego elementary school where he served for several years until the General Conference placed a call for his services in the mission field of Burma.

They packed their belongings and waited for their visas, but they were not granted immediately. While waiting Elder Dietrich taught at Modesto Union Academy. After two years, they were informed that no foreigner would be permitted to enter Burma.

The Dietrichs then received a call to Angola, Portuguese West Africa, where he served for nearly six years as principal and business manager of the Bongo Mission Training School. While on furlough he learned that no American would be permitted to enter or return to Angola. After receiving this disappointing word, they were granted a permanent return by the General Conference.

We welcome this family to the working force of the Nevada-Utah Conference and wish for them every blessing of the Lord.

HELMUTH C. RETZER, President.

## Lake Tahoe Camp Meeting

Elder L. H. Olson, former secretary of the South American Division, will present the thrilling colored motion picture of the program of the work in the South American Division at the camp meeting at Lake Tahoe. This will be a special feature that you will not want to miss.

You will see scenes of the victims of Savage Fire being treated by the Christian physicians, the Broken Stone Mission, the rescue of a girl condemned to death by the witch doctor, and many others. You must be there!

(The deadline for reservations at the El Dorado County Campground, Bijou, was June 20.)

Why not plan to worship with us at our Lake Tahoe camp meeting July 9 to 11?

HELMUTH C. RETZER, President.

## Former Church School Is Now the Reno Junior Academy

There is a new school being organized in the Reno area. The former eight grade school, known as the William Hunt School, is being re-organized into a ten grade school now officially called the Reno Junior Academy. A spacious auditorium, which also can be used as a gymnasium, has been completed recently. There is within the auditorium a beautiful stage, and on the opposite side there is space for several new classrooms.

A large enrollment is anticipated during the coming school year of 1965-1966. Three full time teachers have been employed for the ensuing year. They are John Beck of Baton Rouge, Louisiana, principal and teacher of academy grades; Clarence Nicholas from Barstow, California, upper elementary grades; and Mrs. John Beck, the lower grades. There is the possibility of employing a fourth teacher, either full time or part time.

Plans are also being formulated, as the school grows over the next two years, to build two new classrooms parallel with the present classrooms, thus making it eventually a six room junior academy with six teachers.

The Reno church constituency believes in strong and efficient educational facilities for their youth, and this we have set out to provide.

It is in God's blueprint that our youth should obtain a Christian education. Schools for this purpose are to be established and every young person is urged to enroll in a Christian school.

Should you, as a reader of this news item, be looking for a place of educational opportunities, then come on over to Reno and we, together, shall see our school grow and our youth prosper in the ways of the Lord.

A. R. FRIEDRICH,  
Pastor-Evangelist.

## Thunderbird Students Raise \$1,500 for School in Mexico

The Student Association of Thunderbird Academy has raised \$1,500 for the Pacific Agricultural and Industrial School at Navajoa, Mexico. The money is being sent for the improvement of their kitchen and library.

For the past two years the Spanish II students from Thunderbird, with their teacher, Mr. N. E. Severance, have visited this school in Mexico while on their annual field trip—usually staying over Sabbath at the school. It was thus from personal experience that some TA students saw the needs of this school in Mexico and the opportunity to help.

Students raised \$250 of the gift by selling candy, and solicited cash donations from parents and friends totaling \$1,250 were received for this project. There were five donations of \$25 each, one of \$50, two of \$95, and the largest cash donation, \$200, came from Dr. R. W. Rosenquist of Scottsdale. To these and to the many others who have sent smaller amounts, the Student Association expresses its appreciation.

## Sunnyslope Young People Enjoy Weekend Outing

The Sunnyslope Missionary Volunteers spent a recent weekend out in God's nature at Apache Lake. Fifty-five people the last Sabbath in May worshiped God during the Sabbath school and church time under the branches of one large ironwood tree.

The nature hikers in the afternoon were happy to find the treasure of a cool, refreshing drink at the end of their route. As the setting sun cast its glow over the lake, reflecting all the beauty of nature, we closed the happy hours of the Sabbath in vespers.

Doctor Karnatz assisted by Lenord Campbell and Carol Reidlinger led out in this enjoyable weekend.

**No RECORDER next week.****Recent Baptism at Kailua**

May 22, 1965, will stand out in the life of Lambert Polinahe Onuma for it is the day that he entered into a newness of life with Christ Jesus. Elder Shigenobu Arakaki, Bible instructor at Hawaiian Mission Academy, had the privilege of baptizing him at the Kailua Adventist church.

Lambert attended our Adventist school from kindergarten and is now in the tenth grade at Hawaiian Mission Academy. One day after class he approached Elder Arakaki for Bible studies, and he has been studying for four months. Lambert was under conviction that this is the true remnant church, and that he wanted to accept Christ as his personal Saviour. He expressed desire someday to see his parents and brother become a part of this advent movement.

This is a result of true Christian education. His teachers, classmates, and relatives all shared in influencing Lambert's decision.

"Children are the heritage of the Lord, and we are answerable to Him for our management of His property.... In love, faith, and prayer let the parents work for their households, until with joy they can come to God saying, 'Behold, I and the children whom the Lord hath given me.'" —*The Adventist Home*, p. 159.

With this in mind, parents brought five infants to be dedicated to the Lord recently at the Kailua church. Elder Richard D. Clement, pastor, officiated at this ceremony.

**Bakersfield Spanish Church Dedication Held Sabbath, May 1**

Dedication of the lovely Bakersfield Spanish church took place on Sabbath, May 1. Assisting the pastor, Charles S. Bendrell, during the dedication services were a number of the former pastors as well as Elder E. R. Walde, president of the

Central California Conference, and Elder R. L. Stretter, conference secretary-treasurer.

Construction of the new church was begun in April of 1962, and the facilities include the pastor's study, Sabbath school classrooms, and a hall for social activities. The sanctuary seats 250. The total cost of the project was approximately \$80,000.

The church has been a tremendous asset to the work for the Spanish in Bakersfield. On the day of the dedication, 13 new members were added to the church by baptism.

**Outstanding Books Coming From the Press**

New books recently off the press that are outstanding include *Ahmed, Boy of Jerusalem* and *Some Rain Must Fall*.

You will find this story of the young Mohammedan boy, Ahmed, and his problems of life in becoming a man most intriguing. Ahmed's brother, Yousuf, and his ambition in life, even though it is against the principles of his belief as a Mohammedan, will be of interest to you. You will want to have this book on Ahmed's many adventures in Jerusalem.

*Some Rain Must Fall* is the most interesting story of a young girl and her intended and their plans for mission life, and it will thrill you from the first chapter to the last. ## New Workers Welcomed to Northern California Conference

People move here and there, and the same is true with the ministers and workers in this conference. A number of changes have been made recently, and introductions are continued again this week.

Recently Elder A. R. Holt asked to be relieved of his responsibilities at Red Bluff and Corning upon the advice of his physician. He will spend the next few months rebuilding his physical condition.

The Conference Committee has invited Brother Larry Richards to assume the responsibilities of the Red Bluff-Corning district. During the past few months since arriving in the field from Andrews University, Brother Richards has been with the Orangevale church. His services in the church and in the building program at Orangevale have been appreciated.

Assisting in the Lodi Central church is Darayl Dwain Larsen, who recently completed work at the Andrews University. He and his wife Sandra JoAnn are parents of Dawn Kathleen.

Upon the invitation of the Pacific Union Conference Committee, Elder G. N. Banks became the secretary of the regional department of the Pacific Union. To fill the vacancy at the Elmhurst church, Elder W. E. Penick was invited to come to that church in the Bay Area.

The Conference Committee then invited Gerald N. Wells of East St. Louis, Illinois, to become the pastor of the Capitol City church in Sacramento. Brother Wells is a graduate of Andrews University. He and his wife Beverly Jean are parents of Desrea Lynn and Kimberly Lynne, and are now residing in Sacramento.

In the St. Helena Sanitarium church, Elder S. T. Borg has been assisting on a part time basis since his retirement. Upon the advice of his physician, he has asked to be relieved of these responsibilities. He will continue to reside at Sanitarium, however.

Brother and Sister Darayl Larsen.

Elder Don P. Williams, another graduate of Pacific Union College and the Seminary in Washington, D.C., has been invited to serve as associate pastor of the Sanitarium church, working especially with the youth and Pathfinders. Elder Williams comes to the Sanitarium church from Modesto Union Academy where he has been the Bible teacher. He and Mrs. Williams, the former Darlene Morton, R.N., are parents of Mark Wayne and Yvonne Jeanette.

To each of these newer members of our conference family, we extend a very hearty welcome. We are glad you are with us.

Elder and Mrs. Don P. Williams and family.

## A Report of Recent Evangelism in Arcata

An intensive five week evangelistic campaign held in the Arcata church has been concluded recently. It was conducted by Elder Robert Hancock, associate pastor for the Arcata-Trinidad district.

The services were held three nights a week, and were instrumental in bringing 17 souls to a decision for Christ. These will be thoroughly grounded in the faith before baptism, Elder Hancock said. It is hoped to have a baptism on July 3 for those who are ready.

This was Elder Hancock's first campaign, having been ordained to the ministry on March 14 at the Northern California Conference Biennial Session held at Pacific Union College.

Elder Hancock and wife are under appointment to go to Indonesia Union College near Bandung, Java, where he will be the Bible instructor.

Elder Reinhold Tilstra, pastor of the Arcata church, had charge of the music for the campaign. An interesting feature of this was the history he often gave of how some songs came to be written, thus making them more meaningful as they were sung.

Three future colporteurs learning the value of prayer early in the morning, to have things go right throughout the day.

### Colporteurs Have Weekend Meet at Pine Springs Ranch

Southeastern California Conference literature evangelists and their families met at Pine Springs Ranch recently for a wonderful weekend of inspiration and prayer.

Guest speakers included Arthur Maxwell, John Osborn, Tobert McIntosh, A. R. Reiswig, C. Phillips, and then, of course, the colporteurs themselves. Some brought recent converts and interested persons with them to give their testimony.

The weekend had been well planned, and events were kept on schedule by our conference publishing secretary, M. M. Bazzi. What with good food, pleasant surroundings, interesting speakers, and the presence of God, it is easy to understand why the literature evangelists and their families will look forward to another such meeting in the future. MELVIN V. JACOBSON.

Elder Arthur Maxwell talks with colporteurs, Mr. and Mrs. Robert Armster, about the children's "Story Hour" books they sell.

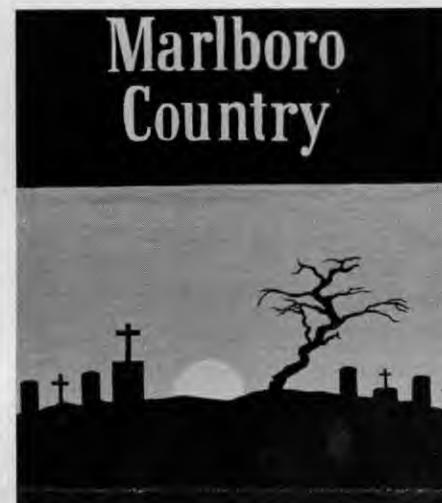

### Azure Hills Youth Pastor From Idaho Arrives June 3

Ronald M. Wisbey, who has been pastor and Bible teacher at Gem State Academy at Caldwell, Idaho, arrived here June 3 to become youth pastor of the Azure Hills Seventh-day Adventist church.

The new youth pastor received his B.A. degree from Walla Walla College in College Place, Washington, in 1956 and his M.A. degree from Andrews University, Berrien Springs, Michigan, in 1957. Since his graduation he has served in pastoral, evangelistic, and teaching responsibilities.

The Wisbeys have two children, Randy, eight, and Ranee, five. The family will reside in Grand Terrace.

GARY J. ROOD, PR Secy.

### Gary Wernick Takes First Prize in Temperance Contest

Orangewood Academy student, Gary Wernick, won first prize in the Southeastern California Temperance Poster Contest and third prize in the national contest with his poster entitled "Marlboro Country." The colorful poster tells the story so simply that even a quick glance is enough to get the point.

There were many excellent posters in this year's contest that received prizes. Gary received a total of \$22.50 for his. But it's not the money that counts. It's the effect on the lives of those who see it. A poster like this one preaches a powerful sermon. MELVIN V. JACOBSON.

### Ground Breaking Ceremonies for Poway Church Held May 9

Mother's Day, 1965, will never be forgotten by the Poway church members! An act of faith beginning in September 1963 has resulted in the ground breaking services for a new church home for the Poway congregation on Mother's Day.

Encouraged by Elder John W. Osborn, president of the Southeastern California Conference, the Poway pastor, Elder Joseph F. Jeffreys, began the search for a

building site. Property values were high and the infant church had little in the way of finances. Learning of the possibility of a nice location, the pastor contacted the owner but was told the land was not for sale.

After months during which time the owner was courted with friendship, God providentially opened the door to this splendid acreage, located on Pomerada Road in the heart of Poway, which is almost surrounded by the city of San Diego. Faith and prayer were instrumental in removing obstacles for this purchase, and the owner offered to sell the entire 25 acres. The Poway church board selected five choice acres and the remaining 20 acres were sold.

In the absence of Elder Osborn, Elder Walter Blehm, assistant to the president, addressed the 60 members and friends at the ground breaking ceremonies. Elder Harry Schneider, conference treasurer, encouraged the audience by stating that although heavily obligated financially, the conference would do all possible to help the Poway congregation build their church.

The land lends itself to a two story structure, and the lower level will contain rooms for each department of the Sabbath school. An expandable room will accommodate the Missionary Volunteer department, and there is to be a special room for the Pathfinder Club. A sizable area containing two rooms will serve as the Poway Health and Welfare Center and will be easily accessible from the patio.

The main floor level will have seating for 300, a room for mothers with babies, a specially designed literature and library room, a choir room, a walk-in baptistry, and an office for the pastor. The choir loft is designed for the choir to face each other from side to side rather than face the audience completely. The tower will have a spire of fibre glass, illuminated at night to serve as a landmark to local residents. Citrus and avocado trees will be planted, looking forward to the time when a church school can be built and our youth will need to earn money for tuition.

The inspiration, cooperation, and encouragement of Elder Osborn and other members of the local Conference Committee has helped to bring to fruition the plans of Elder Lee Grady, the former pastor of Poway, the loyal membership, and the friends from the Escondido Adventist church. The mighty hand of God is in this program and it will move forward according to His will.

## LA SIERRA COLLEGE

### Walter W. Melashenko Is New La Sierra College Treasurer

Walter W. Melashenko, formerly academic dean at Canadian Union College, Alberta, Canada, has been appointed to succeed Wilfred Hillock as treasurer of La Sierra College, announces Robert H. Hervig, business manager.

Mr. Hillock has accepted a call to Bombay, India, where he will be secretary-treasurer of the Western Indian Union for a five year term.

Mr. Melashenko will come to LSC early in July to take over his duties as treasurer and assistant business manager. He will be responsible for accounting procedures, budgeting, insurance, student finance, and personnel administration.

Before he was appointed as CUC academic dean in 1953, he served 16 years as teacher, vice principal, and principal of public elementary and high schools in Alberta.

His degrees include a Master's in Business Administration from the University of Washington in 1962 and a Bachelor of Education degree from Alberta University in 1959.

Mr. Melashenko and his wife Marie have three children: Juanita, a married daughter who is the school nurse at CUC; Kenneth, a second year medical student at Loma Linda University; and Wanda, seven and a half, who will attend the La Sierra elementary school.

### Elder Fagal Notes Large Offering Given to Faith for Today

It is evident that on February 13 the Lord was blessing by the outpouring of His Spirit and that hearts everywhere had been impressed to give to Faith for Today's annual offering.

There was the church member who contributed a thousand dollars, saying he wanted to provide 75,000 Bible school lessons to help souls find their way to Christ. And there was the little child who had taken seventy-five cents from his bank to start funds for televising Faith for Today over another station.

But the extent of the blessing remained to be revealed. Now the final reports are in. North America has exceeded the Faith for Today offering given last year by sixty-one per cent.

By the end of February total funds in hand were \$253,863, or a gain of \$94,932.86 over offering results a year ago at that time. Indications are that, by the time

all the funds are in at the end of the year, the offering total will have passed the \$300,000 mark for the first time in Faith for Today's fifteen year history.

It is, then, with thanksgiving that we take this opportunity to say "thank you" to loyal church members and leaders throughout North America. Though we did not reach the hoped for goal of \$400,000, this offering will make it possible to open some new doors in the television ministry

### Student Missionaries Will Teach in Hong Kong-Macao Mission

Roger and Carol Morton, senior theology major and teacher, will soon have a Hong Kong address. They have been selected to spend the 1965-66 term at the Happy Valley School as English and Bible teachers for the sixth and seventh grades.

For the third year, La Sierra College students are sponsoring student missionaries to the Hong Kong-Macao Mission at the request of Elder Andrew J. Robbins, president of the mission. Travel expenses of \$2,000 have been raised by students and friends of La Sierra College. Once there, they work at the native salary rate.

Phil and JoAnne Jones, last year's student missionaries, were so successful at the Sam Yuk School that they have been asked to return to Hong Kong following Phil's graduation in June 1966. They will be returning to the States August 1.

A few days after the Jones' return, the Mortons will fly to Hong Kong via Hawaii and Singapore. Carol, who has been teaching at the Riverside Seventh-day Adventist elementary school, will teach full time at the Happy Valley School. Roger, who graduated with a theology major this June, will divide his time between the school at Aberdeen, a tiny fishing village, and Happy Valley. He will also conduct a Week of Prayer for the students.

and expand the impact of the Faith for Today soul winning Bible school.

#### Fund Facts

A concrete idea of how the funds will help in giving the gospel is gained when one remembers that \$500 will add 10,000 viewers to the Faith for Today audience; \$100 will send the Faith for Today Bible course to 4,000 people; \$10 will provide 2,500 Bible course enrollment cards; and \$5 will send the Faith for Today Bible course to 150 students.

Immediately these funds are being put to work in helping men and women find Christ.

Does the television ministry bring soul winning results? A few weeks ago the quartet, organist, and I returned from conducting a Week of Prayer at Kingsway College in Oshawa, Ontario, Canada. There we met a number of students whose conversion was made possible through Faith for Today.

#### Family Decides

Only days ago a heart warming letter arrived in which the writer mentioned that his entire family had viewed Faith for Today, taken the Bible lessons, and now rejoice in the hope of Christ's coming. Reports of this kind can be multiplied many times over.

When it is remembered that for every ten students who graduate from the Faith for Today Bible course one baptism takes place, one can only say that the Lord has provided a marvelous method whereby souls can be brought to a saving knowledge of the kingdom of God.

And so we say thanks first of all to the good Lord for His abundant blessings, and then to each of you for the help you

Young men who are classified 1-A or 1-A-O for the draft and who are thinking of traveling abroad this summer for vacation or for educational purposes should apply to their local Selective Service boards for permission to leave the country. Selective Service officials say that without such permission young men in the 1-A and 1-A-O category risk being recalled on ten day notice for physical examinations. If they do not get the notice or cannot be back in time, they would be considered delinquent and made subject to immediate induction.

### Baby Birds of the Sierra

Children are fascinated by the wonder of tiny eggs in a nest; the quick, wary movements of the birds; their sweet, trilling songs; and the insistent, hungry cries of the babies.

Vivid, full color pictures on each page of *Baby Birds of the Sierra* were painted by Joe Maniscalco. Twenty-two different

baby birds are pictured and described—from Canada geese to Killdeer. Some are the long-necked, naked variety, and others are fluffy youngsters. All are cunning and delightful! The simple, easy-to-read text gives a capsule history for each bird.

This is not a gaudy or flimsy book, readily forgotten or easily destroyed. It has hard, durable covers; the pages are printed on heavy art paper, designed to last. The book is now priced at the camp meeting special of \$2.95 (regularly \$3.25).

If you think *Baby Birds of the Sierra* is gorgeous, wait until you see *Baby Animals of the Sierra* and *Trees Every Child Should Know*. You will want all. You may purchase the three for a special camp meeting price of \$7.65.
