## San Diego Welcomes Eastern Pastor, Elder Stephen Paully

Elder Stephen Paully, pastor of the Silver Springs, Maryland, Church, has been called to be pastor of the San Diego Broadway Church. The San Diego Church has been without a pastor since last summer when Elder Howard Welklin moved to the El Cajon Church.

All of Elder Paully's service has been in the Columbia Union where he began ministerial service in 1938. He had previously received a degree from Columbia Union College and had been a literature evangelist for two years in New Jersey. He was ordained in 1942 at Parkersburg, West Virginia.

Mrs. Paully has been serving as a secretary in the religious liberty department at the General Conference. She was also graduated from the two-year Bible Worker course at Columbia Union College.

The Paullys have one daughter, Mrs. Ray Nelson, who is a nursing teacher at Porter Hospital, Denver. We are happy to have the Paullys joining our conference ministerial staff.

In other conference news, Elder Lloyd Wyman, pastor of the Azure Hills Church since it was organized in 1964, has accepted a call to be pastor of the White Memorial Church in Los Angeles.

Mrs. Carol Glindsen, who served as Bible worker at Westminster for a short period, will temporarily serve as Bible worker at the Orange Church.

We wish these workers God's blessing in their new responsibilities.

JOHN W. OSBORN, President.

## ACADEMY LAUNDRY SERVES IN CONTINUOUS GROWTH

A delivery truck finishes its delivery of linens at Corona Community Hospital and loads up several bags of soiled linen. During the same day the truck makes similar stops at several motels, nursing homes and a hospital in the Escondido area.

Periodically through the day it returns to its home base, the Academy Laundry and Linen Supply at San Pasqual Academy near Escondido, to unload the soiled laundry and pick up a new supply.

Home base now is a newly completed large prefabricated metal building at the southeast corner of the campus near the grade school and Golden Rule Bindery. Although the laundry business is now in its fourth year of operation, it has only recently moved to its new quarters from a small building which housed the operation just west of the bindery.

A business which when completely equipped will gross up to \$20,000 a month, the laundry now has space for two washers of 400-pound dry capacity or larger and one smaller washer. One flatwork ironer is in operation and there is space for another. Soon to arrive will be a new two-lane folder and cross folder which will deliver up to 200 feet of linen per minute ready for shipment.

## Southeastern California

Near the ironer are three large dryers of 50- and 100-pound capacity. Other equipment includes presses and smaller pieces which process laundry for student needs. Feeding many of these pieces of equipment with hot water and steam are a large boiler and condensation tank and a 3,000-gallon storage tank adjacent to the building.

The whole plant including building and equipment, when finished, will be worth an estimated \$166,000. Co-ordinator of the construction project is Charles Castle, maintenance superintendent. Associated with him are Gene Vestal and Ivan Lewis.

Heading the whole laundry operation since it was opened has been Mattie Wilkes, who retired at the end of 1968. Mrs. Wilkes had previously served as manager of the Forest Lake Academy laundry in Florida for 15 years.

With patience and determination she has guided the laundry to the place it is today. It has taken special dedication to care for the endless task of training student employees and maintaining a primarily student staff which works an average of about 15 hours a week per person.

Although she had wanted to retire several months ago, she was persuaded to continue until the new plant went into operation.

Now taking the helm is William R.

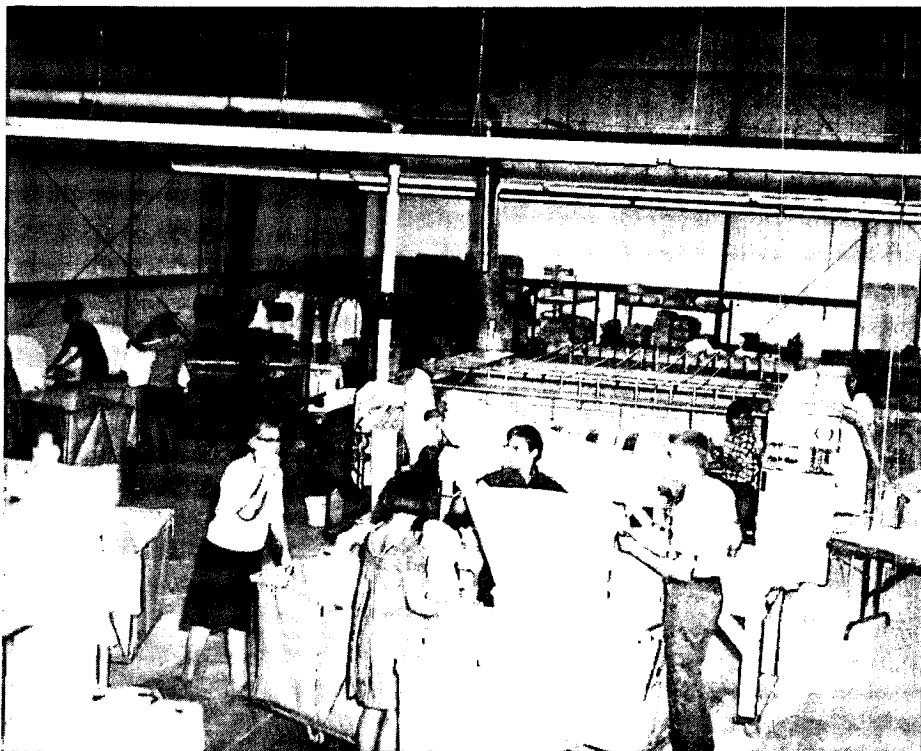

Benner, 41, of San Bernardino. Benner has been purchasing agent for Polar Wholesale Electric of Redlands. His background includes sale and electrical service and some office management.

William Benner

Coming with Benner to San Pasqual will be his wife, Velma, and son, Billy. He also has a daughter, Cindy, a student at the La Sierra Campus of Loma Linda University.

As the Academy Laundry and Linen Supply moves into another year, it will continue to grow and provide new revenue for the school's operation and employment for students as well as service to other businesses in the area.

Forming a work crew to feed a large flatwork ironer, San Pasqual Academy students earn wages which will help them obtain a Christian education.

### Senior Citizen Makes Quilts; Indian Mission Work Benefits

More than 50 quilts have been made during the past two years by Mrs. Elizabeth Toews, 86-year-old member of the Orosi (Central California) Church. She is shown presenting one of these to her nephew, Dr. Waldo Wareham of the Corona Church and instructor in Pediatrics at Loma Linda University.

Dr. Wareham has been taking these quilts to Baja, California where several doctors of the Southeastern California Conference are supporting a health and educational project for Indian tribes. A church of 54 members has been organized for the remote village of La Trinidad.

### Sierra Singers Give Program in Highland on January 25

The Sierra Singers move into their new concert season at 7:30 p.m. Saturday, January 25, in Fairview School Auditorium, 26220 Date Street, Highland.

This 22-voice choir, directed by Leonard Moore, will present "Land of the Free," a fast-moving, 1½-hour profile of America in song.

Featured tenor soloist is Floyd Speyer, singing the lead in "Ballad for Americans" by Robinson. Patriotic songs, Negro spirituals, and old favorites will comprise the rest of the program. The public is invited to attend.

This program has been held over to this new season by popular demand and will appear at the locations listed.

## Unique Method of Raising Investment Funds Is Proven

Indio Spanish Church members raised \$50 through a novel method this year.

Mrs. Joe Hernandez, Investment leader for the last quarter of 1968, covered a specially designed shirt with patches leaving one side of each open.

Each Sabbath three families' names were drawn and the shirt was passed from one family to another during the following week. Each family would insert an Investment offering behind each patch and sew up the remaining side. The same cycle would begin the next Sabbath with three more families.

On Investment Sabbath the patches were opened and the offering was totaled and added to the year's total which was \$176.

KENNETH LIVESAY, Secretary, Sabbath School Department.

Elder Joe Hernandez and a youth who is preparing for baptism in the Indio Church display the church's Investment shirt.

However, this will be your last opportunity to hear it so plan now to attend when it comes to your area. Watch for further detailed information.

Pastor T. C. Jefferson and Mrs. Oma Gordon with part of the group of children recently invested at the Liberty Park Church in Salt Lake City, Utah.

### Investiture in Salt Lake Is High Day for Youth, Guests

Under the able direction of Mrs. Oma Gordon, MV leader of the Liberty Park Church in Salt Lake City, Utah, the first Investiture of the 1969 season was conducted on Sabbath, December 28.

After a brief song service, Mrs. Gordon gave a talk on the purposes for and benefits of the classwork which had been completed by the young people to be invested. The children repeated the Junior Pledge and Law and gave explanations as to the meaning of each part as it pertains to the way boys and girls should live every day. Memory verses were also recited by the children, indicating that they had been very well taught and were indeed ready to receive their pins and certificates.

## Nevada-Utah

Special guest for the occasion was Howard M. Barron, conference MV secretary, who gave a sermonette on the topic of God's infinite and intimate knowledge of the life and experiences of every person, and how children, but possibly even more importantly, adults, should keep faithful to the will of God as indicated in the Bible and Spirit of Prophecy. A challenge was given to each person present to become a "square" in 1969.

Those invested included: Billy Goins, Jon Goins, and Ricki Lawrence as Sunbeams; Angela Gordon, Cynthia Browne, Patricia Goins, and Pierre Goins as Friends and Helping Hands; Darryl Browne as a Companion.

A statement of pleasure over the accomplishment of the young people and appreciation for the faithful labor of the leaders was given by T. Catrall Jefferson, pastor.

The Liberty Park Church is looking forward to another investiture in the near future. How about YOU? Will YOU be ready soon?

### Ingathering Results and Las Vegas Pastor's Visit Told

## Thunderbird Academy Is Now FAA Certified Flight School

It was announced Tuesday that Thunderbird Academy is now a Federal Aviation Agency certified flight school. All requirements were passed and the school is approved for both a certified flight school and certified ground school. There will be no change in the quality or type of training offered but Thunderbird will now be a recognized flight school. The quality of instruction will be assured by means of periodic check rides and evaluation by the Federal Aviation Agency. Also, it was pointed out that any student transferring from or to another approved school will not lose any of his flight time.

Basically what certification means to Thunderbird is that the school has attained and must maintain a level of quality in instruction and maintenance and record keeping, which insures that a student taking flight training here will be getting training of a quality equal to that given anywhere.

If you are interested in becoming a pilot, securing either a private license or commercial license, and also, such ratings as instrument rating and instructor's rating upon completion of the courses and passing the final examinations, Thunderbird Academy has the program for you.

Start planning now for your program for next year.

Flight Instructor.

Elder Bob Seamount, veteran mission pilot, will speak at the 11:00 o'clock hour on Sabbath morning and will show pictures of his mission work in South America on Sabbath afternoon.

All pilots, their families, and members of the flight club are invited to a special free dinner on Saturday night, after which the film "Bonanza West" will be shown.

Fuel and tie-downs are available at Thunderbird for those flying in. Ground transportation will be furnished.

Those desiring motel reservations should contact E. D. Clifford, P.O. Box 10097, Phoenix, Arizona 85016, phone 602 956-9100.

## Student Workers Needed

Thunderbird Academy Furniture Plant is in need of several student workers who can work in its morning work program. These would be young people 16 years of age or older who are juniors, or some other student, who may need only to take one or two classes to graduate. We could use some students who wish only to take part-time school work and earn all their way while doing so.

If interested, please contact the Principal, Thunderbird Academy, 13401 North Scottsdale Road, Scottsdale, Arizona 85251.

## Tribute Paid to Former Press Secretary of Tucson Church

Cecile McCamey started writing newspaper articles for the Tucson Mountain Avenue Church 30 years ago. Her first articles were written as a newspaper column for shut-ins during a convalescent period. From this beginning, she started submitting articles of interest concerning local church activities.

She served as the press secretary for the Tucson Mountain Avenue Church for this 30-year period. Many of her articles were picked up by the wire service and were printed nationally. She was very active in radio news releases, television news releases, and also, in public relation activities, preparing displays of our books during Library Week at the University of Arizona in Tucson.

It was a rare experience when her PR report didn't come in to the conference office every month. It is a privilege to pay tribute to this faithful PR secretary, Cecile McCamey. She passed away December 25, 1968.

## Salinas Meetings Win Former Baptist Minister and Family

Recently completed "Crusade for Christ and Better Living" evangelistic meetings held in Salinas have resulted in souls won to the truth and friends made for the message in this thriving city of approximately 60,000 persons.

Dr. George Ham, local Adventist physician, and Pastor-evangelist Ray H. Nasvall united their efforts in presenting the many impressive aspects of the message we all love. Dr. Ham was assisted in his health presentation by Dr. Robert MacLafferty, local dentist, and Dr. Carlyle Green, Monterey County school district psychologist, both Adventists. Robert Williams, of Watsonville, was director of music, and Donald Muncy, local high school teacher and first elder, was crusade co-ordinator.

## Central California

Eight individuals joined the church at the close of the meetings. Another baptism is scheduled in a few weeks for others who are continuing to study.

Among those who took their stand for Christ and His truth were the former Rev. and Mrs. James Hughes, local minister of the Freewill Baptist Church. Brother and Mrs. Hughes have been favorably impressed by Adventists they have met over the years, including at least two Adventist physicians, and their attendance at the meetings challenged them to search more diligently into these truths. They have a lovely family of five children, three of whom are presently preparing to join the church. Brother Hughes, with a background of sales experience, recently attended the Colporteur Institute held in Rio Lindo, and is planning to enter the literature ministry. We thank the Lord for the presence of His Spirit and are of good courage as we look forward to additional evangelistic ventures for Him.

There is no admission charge, and the public is invited.

Steven, who is 17 years old, is a native of San Jose. He is the son of Dr. and Mrs. M. E. Denmark. He began studying the organ at nine years of age. For approximately one year he studied with

Steven Denmark

James Aversante, and for five years with Richard Jessen of San Jose State College. For the past two years he has been studying with Ladd Thomas of Glendale.

At present, Steve is attending Occidental College in Los Angeles where he is majoring in music. He is organist at the Glendale Presbyterian Church and also of the White Memorial Church of Los Angeles.

He will be playing on the recently installed two-manual classic Conn organ which has been extensively revoiced and customized to blend with the acoustical properties of the building. It employs nine amplifier and speaker systems in five chambers. The organ was installed by Harold H. Hare who specializes in large custom church installations.

Steven's concert will include the following selections: "Introduction and Passacaglia" by Max Reger; three chorales by J. S. Bach: "O Man, Bemoan Thy Grievous Sin," "O, Lord, Have Mercy," and "In Thee Is Gladness"; "Trio Sonata No. 1 in E Flat Major" by J. S. Bach; "Chorale in A Minor" by César Franck; "Chaconne and Litanies" by Jehan Alain.

### Liberty Magazine Promotion Challenges Central's Members

Seventh-day Adventists are too well informed to take a careless attitude about religious liberty. Prophecy indicates some stormy days just ahead.

1969 could prove to be a decisive year in some religious liberty issues.

During January we are challenging our members to help reach a goal of 34,000 *Liberty* subscriptions for our own homes and all key civic and thought leaders in our conference.

Do double for *Liberty* in 1969.

### Two Conferences Combine for Successful Winter, Ski Camp

December 26 through January 2, 150 young people from the Central and South-eastern conferences spent six days at beautiful Camp Wawona under the direction of Elder Heath and Elder Dopp. Each day was packed with excitement. The days were spent skiing at Badger Pass, and each evening, following a hearty meal, everyone gathered at the Lodge for entertainment and spiritual refreshment.

Every day began and closed with worship conducted by Elder Phil Knoche and Elder Morris Venden, our camp pastors.

Elder Dopp from Southeastern brought a fine staff of skiing instructors that taught classes each day on the slopes. These classes were offered to the advanced skier as well as the beginner. The camp closed with much enthusiasm. After six days of skiing, we truly sensed God's protection as there was a minimum of injuries during all of the activities.

The winter camp of '68 has closed, but we are now planning and looking forward to a winter camp of '69.

All Pathfinder directors and personnel working with Pathfinder clubs are invited, and we encourage all to come. The ten-hour Pathfinder Training Course, which is a requirement for the Master Guide Class, will be offered during this convention for the benefit of our Pathfinder staff members.

You still have time to send in your application to the MV office, or you may call the MV office and give us a list of the staff members who will be attending from your church. You may pay when you arrive at camp.

The convention begins with registration at 4:00 p.m. on January 24 and ends with a farewell banquet at 12:30 p.m., Sunday, January 26.

### Many Join Talents in Making Evangelistic Series Fruitful

Elder Byron R. Spears, well-known Adventist evangelist, recently completed a successful series of meetings aimed at residents in Bakersfield and other Kern County cities.

Approximately 100 additions to the Advent movement were realized during the three-month effort. A number of others are studying in preparation for baptism.

Elder B. R. Spears, foreground. In baptismal font: Elder E. A. White, Glenda Ann Evans, Pastor Roger Weiss (from left).

Assisting Elder Spears in the crusade for souls were the following area pastors: Roger Weiss, Bakersfield Spanish Church; Calvin Sterling, Bakersfield Central Church; Ronald Torrano, Bakersfield Hillcrest Church; Edward White, Bakersfield Southside Church; Melvin Heinrich, Shafter Church; Fred Thompson, Wasco and Taft churches; and Clark McCall, Delano and Pixley churches. Also serving as Bible workers throughout the campaign were Miss Viola Brooks, Mrs. Van Nockey Porter, Mrs. Etta Mae Cheadle, Miss Josephine Torres, and Mr. Bert Gerrans. Miss Mary Walsh, from the Home Missionary Department of the Pacific Union Conference helped in the instructional program and in visitation during the first few weeks of the program. Elder E. L. Broder, new pastor for the Soquel Church, and Gerald Dunn, a new intern in the Bakersfield Central Church, directed an outstanding musical program throughout the effort.

A number of faithful laymen are to be commended for their enthusiastic support in many behind-the-scenes responsibilities. Among those who gave their time and talent sacrificially throughout the meetings were the following: Frank Subriar, ushering chairman; Mrs. Dora Buller on the organ, and Dr. A. Richard Johnson at the

piano. Mr. Ralph Ryan, an advertising representative, also should be commended for excellent assistance in publicity for the meetings. The evangelistic team is also grateful to the hundreds of loyal members who supported the services with their participation and prayers. Then we could not forget Sister Spears who served as secretary for the crusade as well as assuming other vital roles.

One city newspaper reporter, after listening to Elder Spears, recently wrote: "So crippled by polio at 24 that he must now walk with the aid of two canes, Elder

Spears unleashed such dynamic energy at the pulpit that his assemblies marveled at his dynamism. . . ."

Elder Spears' amazing ability to quote all Bible references from memory captivated his audiences and enabled him to cover a vast area of truth in a single sermon.

Featured during the campaign were a number of televised messages on key subjects.

Kern County continues to be a fruitful area for the third angel's message.

## Galt Improves Physical Plant; Leads in Per Capita Giving

The physical plant at the Galt church has undergone much improvement during the past two years under the direction of head deacon, Abe Breitmaier. After the church buildings were painted and redecorated, considerable work was done on the lawns by Brother Harold Kisling.

Some problems had been encountered in the past during California's frequently wet winters with a leaky roof, often requiring one or more Sabbath School

classes to relocate. An estimate for a new roof was obtained—\$1,850!

Since the Galt Church is solidly committed to the rebuilding of Lodi Union Academy, a project involving \$52,000, Elder T. N. Neergaard thought that such an expense should be avoided. Through the pastor's energetic efforts, the church purchased shingles and material of a better grade than the estimate at a cost of \$700. In addition, Mr. Merle Combs, a professional roofer, supervised the job, donating his time, charging only for the labor of two men, \$120. A quick pencil calculation

shows the total paid for a new roof was \$850, a saving of \$1,000 to the Galt Church! Mr. Combs was presented a Conflict of the Ages series by the church as a token of appreciation.

Elder Neergaard noted that the Galt Church had been blessed by God as shown by an increase in tithes and offerings in the midst of the Lodi Academy rebuilding campaign. The pastor, head of the academy's building program, proudly announces that the Galt Church is "number one in per capita giving of the constituent churches."

### **Japanese Church Refuses to Die; Seven Youth Baptized**

The final Sabbath of 1968, December 28, saw seven young people of the Oakland Japanese Church baptized in a "historical" ceremony. Historical because this was the first baptism of the offspring of church members in 25 years.

(L-r): Members of the Oakland Japanese Church who were recently baptized. Keith Igarashi, Florence Takada, Charles Umeda, David Takada, Yoichi Iwamoto, Darice Igarashi, Alvin Umeda, and Elder John Umeda, pastor.

Those baptized were: Alvin and Charles Umeda; Florence and David Takada; Keith and Darice Igarashi; and Yoichi Iwamoto. Yoichi was the only member who came from a non-Adventist family.

Elder John K. Umeda conducted the baptismal service, which was held at the Berkeley Seventh-day Adventist church.

One must know a little of the background of the Oakland Japanese Church to really appreciate the significance of this recent baptism. Ten years ago, the Oakland Church was considered to be a "dying" church. Membership was at an all-time low. A handful of Issei (first generation) members remained faithful. It was at this critical period of the church's struggle for life that Elder Umeda assumed pastorship of the church. Through the patient effort of Elder Umeda, church membership began to rise. Japanese Adventist families who would normally shun the Oakland Church settled in the East Bay and joined Elder Umeda's group.

A dying church? The start of 1969 finds the Oakland Japanese Church with a membership of 37, the largest in its history. The Oakland Japanese Church is a living church!

### **Pathfinders in Sacramento Enjoy Outstanding Program**

The evening of December 4 marked the climax of 1968 for the Sacramento Sabre Pathfinder Club of Sacramento. The club, under the leadership of Pathfinder Director Gerald Lammerding, invited all parents, officers and members to a recreational evening featuring activities of the local club.

The evening program began with a potluck dinner and the program which followed included demonstrations of marching, star study, weather study, birds, campcraft, Pathfinder films, and an Investiture service in which MV honors were awarded.

High point of the evening came when the Pinewood Derby was held. Club members had worked diligently in preparing their small racers for the Derby and everyone excitedly gathered around the ramp to watch the races and see the winners. Ultimately, the racer made by Beverly Wesner took first-place trophy while Dean Grzelak took second and Sonya Richert third.

The Club staff had also selected a Pathfinder Boy and Girl of the Year for their club and these awards were announced. This distinction went to Dennis Lammerding and Sonya Prichert and indicates that these young people had faithfully attended the club and participated in its activities throughout the year, and had contributed a positive influence towards its success.

Elder Charles G. Edwards, youth activities director of the Northern California Conference, was present for the evening and greatly enjoyed witnessing the enthusiasm of this club.

### Galt Juniors Use Variety of Ways to Aid Investment

The Juniors of Galt raised \$553.35 for Investment during 1968 under the direction of their leaders, Mrs. Jessie Kelly and Mrs. Thelma Reece.

Galt Junior's major project was making and auctioning ceramics. The juniors made these items themselves under Mrs. Kelly's direction; she then processed the items in her kiln, and they were auctioned to the members one Saturday night in December.

Other projects by Galt Juniors included babysitting, house cleaning, vegetable and flower raising and selling, and purebred puppy selling—the puppies donated by Dr. Jack Jennings for Investment.

### Northern Welcomes the New Pastor of Pittsburg Church

Pastor John Hunter has recently assumed the pastorate of the Pittsburg Church which was left vacant when Elder Walton Whaley entered the foreign mission service last November.

Pastor Hunter, a native of Indiana, comes to this conference directly from the Washington Conference where he was serving as assistant pastor of the Spruce St. Church in Seattle and as teacher and principal of the church school.

Pastor Hunter accepted the truth in 1942 at the age of 16 while attending church services with an Adventist aunt. Two years later he determined to become a minister and entered an Adventist school. Since his family was opposed to his decision it was necessary that he finance his own education. Later through his efforts his mother, who is now deceased, became an Adventist.

Pastor Hunter attended Oakwood Academy and College and received his Bachelor's degree from Emmanuel Missionary College in 1952. He then worked as a colporteur until he was called to the Washington Conference in 1954. While in Washington he has worked toward a Master's degree in Education at Walla Walla College.

Pastor Hunter and his wife, Ena, have a son, C. Dunbar, age 6.

We are happy to have this dedicated couple on the staff of Northern California, and we extend to them a warm welcome to the Pittsburg area.

### Importance of Consecrated Involvement and Zeal Told

Are we as earnest in serving the Lord and in hastening the coming of Jesus as we should be?

We have worked in this denomination, in three countries, for many years. During that time we have seen many churches where many of the members seemed to feel that if they went to Sabbath School and church quite regularly, did fairly well in tithes and offerings, they were doing all that God expected of them. This has made us sad.

We have lived in California just a little over a year. We are sure that many laymen in this beautiful state are also quite lukewarm about their service to God, and their expectations about the coming of Jesus. But recent issues of the PACIFIC UNION RECORDER have given much new courage.

As we read the RECORDER we see activities, exciting happenings, laymen, young and old, at work. These all spell advancement for God's work in this great Pacific Union.

Look at any issue of the RECORDER. See reports of food and clothing being collected for the needy. See energetic young men being ordained, new churches being built and dedicated. Marvel at an elderly lady teaching a Sabbath school class for 52 years! Notice the evangelistic crusades, see people being baptized as a result. See the young people, academy students active in Ingathering, in music, Pathfinders' activities. See young people conducting a Teen-Dial service.

See young people growing spiritually stronger through a religious retreat and stronger physically as they have fun boating, skiing, canoeing, swimming at a well-

supervised camp. Read the reports of Vacation Bible school successes, of strong, new workers moving to new fields, of expansion and strengthening of colleges and academies and church schools. There are successful five-day plans, expanded radio coverage, seminars, devotional series in which young people participate.

There is "a sound of a going" brothers and sisters. It is thrilling. Activities! Excitement! Advancement! With all this going on, laymen, you just cannot sit still, can you? Jesus is coming soon. If you are not already deeply involved, then quickly join the ranks of marching Christian soldiers. Fight the good fight. It will not be long before our Captain will give each faithful soldier a much higher rank and an eternal home. Let us not miss the holy excitement of that great event.

### Compton Filipino Church Increases Its Membership

At a recent baptism, seven Filipinos were buried in the watery grave by Elder A. A. Alcaraz, pastor of the Filipino Seventh-day Adventist Church in Compton, the first Filipino church in America. This baptism brought the growing membership up to 309.

The Filipino Church was organized 11 years ago and started with only 65 members. Today due to migration and baptism it has tremendously increased.

Southern California Filipinos are missionary minded and very active. Led by Elder Alcaraz and Elder P. H. Romulo, retired administrator from the Philippines, their goal is to spread the gospel to every person so that our Lord may return soon.

### All Members Work Together to Build a Beautiful Church

Sabbath afternoon, January 4, was a high day in the experience of the members of the Hauula Seventh-day Adventist Church. In a special afternoon service, the congregation, together with relatives and friends from throughout the Hawaiian Mission, gathered in that community for the ribbon-cutting ceremony which marked the opening of the new house of worship.

Elder R. D. Spear, the pastor of this congregation, said that not merely did the total membership of the church rise up to give their assistance to the building of this new house of worship, but he felt they had the co-operation of angels helping them.

Cutting the ribbon are: (l-r) Pastor R. D. Spear, A. G. Streifling, Jack Zane, first elder of the Hauula Church, and Herbert Ford of the Pacific Union Conference.

In just a little over three months this congregation with a membership of 62 members completed a church building project which is indeed a miracle in that community. Men, women and children added willing hearts together with dedicated skill to build one of the most beautiful houses of worship in the Hawaiian Mission, and the most beautiful in the Hauula community.

Once again it is clearly evident what can be done with a group of united Seventh-day Adventists who put their talents,

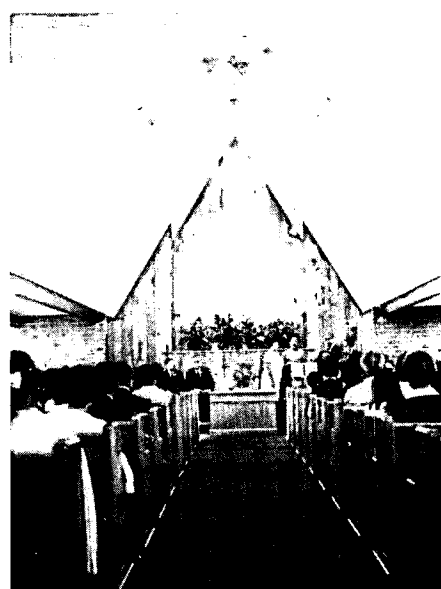

means and shoulders to the task to bring about the accomplishment of a new goal. For years the church had been talking about the need of additional Sabbath School rooms, but suddenly they made up their minds that instead of merely building Sabbath School rooms, they would prefer to build a new sanctuary with its adjoining rooms.

What seemed like an unbelievable and impossible goal became a surprising reality, and on Sabbath afternoon, some 400 people gathered to mark this high spot in the experience of this congregation. A long-cherished goal had been reached.

The entire sanctuary is carpeted, the church furnishings are in place, a new organ was present to make the service more worshipful. The mothers' room was complete and ready for use, the veranda has been built, and an amazing amount of work had been done by a limited number of people in a very short time.

The cost is an unbelievable \$20,000 to

A view of the interior of the Hauula Seventh-day Adventist church.

house the congregation with a building which could well seat 200 people. Certainly much credit is due the pastor who furnished the inspiration and worked personally, and to a co-operative congregation who put every energy to the stretch to make this deadline date of having this house of worship open for the first Sabbath of 1969.

It is certainly anticipated that this church which has shown such enthusiasm will also show a similar type of zeal toward the winning of many more to fill this new sanctuary. Pray for the membership of the Hauula church as they set about for the second great task, that of reaching many more in the community to make the Hauula Church indeed one of the strong congregations to serve to expand the work in the state of Hawaii and around the world.

A. G. STREIFLING.
