Sonora Has a New Welfare Center; Church Built Soon

The Mayor of Sonora, Earl Akin, cut the ribbon at the June 11 official opening of the newly built Seventh-day Adventist Welfare Center. The welfare unit serves all of Tuolumne County as a distribution center for food, clothing, and other aid to needy families. During 1968 the Welfare Center helped 2,000 people in the area.

Pictured at the opening are, from left, Elder Douglas Marchus; David Peters, county social worker; M. C. Torkelsen, president of the Central California Conference; Mayor Earl Akin; Mrs. Dolly Williams, secretary-treasurer of the Dorcas Society; Mrs. Pearle Scott, Dorcas Society leader; and Mrs. Alice Taylor, assistant leader.

MRS. VERNA LUYSTER, PR Secy.

Ground-breaking ceremonies were held June 15 for the new Sonora church to be built between Sonora Community Hospital and Mother Lode Junior Academy. The new church will seat 430 and is expected to be completed within eight months. It will include, in addition to the sanctuary, a nursery, classrooms for all age groups, a youth chapel, and a pastor's study.

The Ceres Church Members Welcome Pastor and Family

We welcome to Central California Elder David L. Parkhurst, who will serve as pastor of the Ceres Church. Elder Parkhurst was a graduate of EMC in 1956. He taught school in Kalamazoo, Michigan and also served as principal there. He pastored the Wilson, Iron Mountain, Bay City, Midland and Muskegan churches in Michigan until 1966. After one year with an evangelistic team in the Central Union he transferred to the Texas Conference as stewardship secretary. He is married to the former Joyce Beardsley who will be teaching first grade at the Modesto Union Elementary school. The Parkhursts have two children: Gary, 7, and Cindy, 6.

Inspirational Speaker and Investment Highlight News

On a recent weekend the Modesto Central Church had as its guest Emilio Knechtle, who was formerly associated with the Billy Graham Crusades and is now president of St. Luke's School for Boys in Connecticut and is a dedicated Adventist layman. Mr. Knechtle gave an inspired series of lectures that awakened a revival in many hearts.

On Sunday evening, to climax the weekend, the church's Sabbath School Department sponsored a luau to benefit Sabbath School Investment. Polynesian food was served; entertainment was in the Hawaiian theme. The net amount realized from this evening of fellowship was \$357.13, making the total amount for Investment so far this year \$933.29.

Members to Work Toward a Coming Baptismal Sabbath

"No one ever asked me before." How many times we have heard this expression from the lips of men, women, and youth who might have been added to the family of God long ago if someone had only invited them to join the church through baptism.

Is it not tragic that we are often tempted to hesitate or put off until some more favorable time the invitation to loved ones and friends to accept Christ as their Saviour and be baptized into the church? We are offering the priceless gift of complete happiness and great joy.

When they have accepted this hope, they will thank you all the days of their lives for sharing it with them. Even the angels are anxious to help us. "With utmost impatient eagerness the angels wait for our cooperation; for man must be the channel to communicate with man. And when we give ourselves to Christ in wholehearted devotion, angels rejoice that they may speak through our voices to reveal God's love."—*Desire of Ages*, page 297.

Baptism Sabbath

We may stir up the ground, sow much seed, and cultivate well; but it will be in vain if we do not plan for a harvest season.

At the 1968 Autumn Council it was voted that September 27, 1969 would be North American Division Baptism Sabbath. Surely there will be other baptisms all during the year. One who is prepared and ready for this sacred service should never be asked to wait for a certain day in the distant future; however, a special baptismal time goal gives us a challenge toward which we may work.

Not only will this be a most beautiful and precious day personally for the new members of the family, but they will be participating in what we pray will be the largest baptism and a most wonderful day in the history of our church.

Some overseas divisions have already led the way for others to follow.

Divisional Baptisms

The South American Division baptized 4,126 on September 26, 1967. One year later this same division baptized 6,165 on September 28, 1968. These were not their only baptisms but the result of planning for this special Baptism Day. The Inter-American Division baptized over 4,000 on September 28, 1968. On March 9, 1969, 1,108 individuals were baptized in a single baptism at Rwanda in the Trans-Africa Division. What a wonderful harvest we can expect from God on this coming North American Division Baptism Sabbath.

The purpose of this special day is not to set a statistical record but to encourage ministers, institutional workers, and laity now that will develop a harvest for a great reaping day—September 27.

Norman Matiko

New Field Service Director to Assume VOP Duties Soon

Norman J. Matiko, who for more than six years has served as lay activities, Sabbath School, radio-TV, and public relations secretary of the Manitoba-Saskatchewan Conference, will on September 1 assume the responsibilities of field service director of The Voice of Prophecy in Glendale. The major functions of the Field Service Department include promotion of the Bible correspondence courses, follow-up of the courses, and the answering of questions coming in from students.

Elder Matiko was born in Saskatchewan, Canada, and attended Canadian Union College, from which he was graduated with a Bachelor of Theology degree. He then took postgraduate work at Potomac University, earning an M.A. in Bible and systematic theology with a minor in preaching and speech.

Elder Matiko was ordained to the ministry in August, 1962, near the end of his first pastorate in Regina, Saskatchewan.

The Voice of Prophecy.

Time is running out. All around us we see unmistakable evidence that a vicious enemy is at work in the lives of mankind. "We have no time to lose. The powers of darkness are working with intense energy. . . . The great controversy is nearing its end. . . . The Lord is coming. . . . We are to prepare the way for Him by acting our part in getting a people ready for that great day."—*Evangelism*, pages 218, 219.

We invite you to participate in this glorious privilege and become personally involved in doing all you can to prepare someone for North American Division Baptism Day, September 27. May God give us the holy boldness and the sanctified tactfulness to be able to press for decisions for Christ. May no one whom you know ever be able to say at some future time, "No one ever asked me before."

Pacific Union Conference students raised one-third of the cost of this new Arriflex 16mm. movie camera, which is being presented to Pastor and Mrs. William Fagal by student representatives from the elementary schools that paid for the camera. It will be used at "Faith for Today" studios in New York.

Union Elementary Students Lead in FFT Fund-raising

Youth from the Adventist elementary schools in the Pacific Union Conference raised the biggest chunk of the \$35,000 price tag on a new camera for the "Faith for Today" telecast studios in New York.

Hawaiian Mission Academy Elementary School came in first in the Union with \$925 of the \$10,000 total from the five western states.

From selling scrap iron to desserts, from sit-ups to slave auctions, from shoveling snow in Alaska to selling vegetables in Hawaii, hundreds of projects kept 537 Seventh-day Adventist elementary schools busy from February to May, as they worked toward the goal for purchase of the camera.

On April 28, 1969, the camera was presented in a special ceremony attended by three student representatives. Gwen Herr, an eighth-grader from the Helen Nyatt School in Lincoln, Nebraska, represented the school with the largest total contribution—\$1,605. From College Heights, Alberta, Canada, was flown Nyrene Compton, the representative from Canada. The student with the highest single contribution (\$103), Lonnie Anderson of Fletcher, North Carolina, also came to New York.

A Mission Official Expresses Appreciation for Cards Sent

A big "Thank You!" is sent by Pastor J. K. Senduk, Sabbath School secretary of the West Indonesian Union Mission, to those in the Pacific Union Conference who shared their Christmas and greeting cards with his mission field.

His letter says in part: "I have in my office hundreds of packages with Christmas and greeting cards, 95 per cent sent by members from your union. Hundreds of names and addresses I filed in my filing box, and I don't know how to send our thanks to every one of them for their kindness. . . ."

Because of the large postage costs involved in sending individual letters, Pastor Senduk has asked that we publish this note of appreciation to the many members and friends who participated in this project.

Baptisms, Past and Future, Result from Sharing Faith

Another example graphically emphasizes the fact that the joys of Christian living and the truths of God do win hearts is here demonstrated. The story was sent in by Elder Roy Henneberg, pastor of the Porterville Church.

Pictured below is proof that "Go Telling" pays off for Christ. Mr. Carl Wilson (left) is the lay activities leader of the Porterville Church. He carried the "Go, Tell" lessons to Mrs. Dorothy Dick (center), who became an enthusiastic member of the church last March. Mrs. Dick, in turn, is giving Bible lessons to her daughter, Mrs. Janice Hembree (right), who is now preparing for baptism.

Why don't you try it! Get involved in "Go, Tell." See your pastor or lay activities leader for details.

Pathfinders Carry Important Role in Chowchilla Meetings

Pathfinders took an active part in the recent evangelistic series in Chowchilla. They served as ushers, receiving the offering, distributing literature, and adding enthusiastic singing with regular attendance.

Elder R. A. Rentfro of Hanford was the speaker for the series, and the local pastor, Elder L. E. Stephens, conducted the music.

Thirteen non-Adventist families received large white family Bibles for attending 10 of the 12 meetings. A group of 26 youth and adults signed the covenant indicating a desire to prepare for baptism. The last Sabbath in May was chosen for this baptism.

Fresno Westside Tells of VBS and Pathfinders' Honor

In August, 1968, Celestine Anderson and Evelyn Rogers attended the Vacation Bible School which was held by the Fresno Westside Church. These girls attended every day, and brought several smaller children with them. They maintained a good interest and helped in keeping the children quiet and orderly.

They were invited to attend Sabbath School and church, and attended regularly. On Sabbath, May 31, they were baptized by Pastor W. C. Webb and are now members of the Fresno Westside Church. Miss Anderson's mother is now studying the doctrines. Does Vacation Bible School pay? It does in many ways.

On Sabbath, June 7, 1969, the Fresno Westside Church devoted the morning service to a special Pathfinder program conducted by Leader Leslie Harris, to honor Dorothy Bradford for her 20 years of Pathfinder leadership. Mr. Harris was assisted by Helen Horton and Mrs. Joyce Mayo. In the picture Mr. Harris is presenting Mrs. Bradford with a plaque.

Fresno Westside was pleased to honor Mrs. Bradford in this way.

Ventura Estates Makes Plans to Provide Needed Facilities

This is indeed a scientific age for all of us, including our senior citizens. Through the efforts of medical science, man lives longer today than he did several decades ago. For this reason, our residents at Ventura Estates are credited with longer life, necessitating increased facilities in our nursing-home section. Plans are now under way to increase our bed capacity from 18 to 48 beds.

Recently one of our residents gave a generous gift of an 85-piece Damask Rose Oneida Heirloom sterling silver set valued new at \$1,189.75; however, this is slightly used. To furnish our new nursing-home facility, we need 30 hospital-bed ensembles (\$600 per ensemble). It may be that some philanthropic individual would like to furnish a two-, three-, or even a five-bed ward and receive the silver set as a token of appreciation.

There may be others in the Southern California Conference who could furnish a room as a memorial in behalf of a loved one. We also need a ceramic kiln for our activities class. Perhaps someone has one stored away that could be made available to Ventura Estates for our senior citizens.

Please feel free to contact the management for more information.

Members Given Counsel on Proper Tithing Disbursement

"Shall I send some of my tithe to this project in a poor mission field?" asks a church member after being solicited for tithe for a "needy" school.

Our answer: NO! It is not Biblical to send your tithe to Mexico or South America or the Philippines or the Red Cross or a favorite charity.

The Lord says, "Bring ye all the tithe into the storehouse, . . ." Malachi 3:10. The "storehouse" implies a central treasury responsible to receive and disburse tithe. The individual is responsible to God to bring all the tithe into the storehouse, but the individual has no right to put strings on its use or allocate it to different purposes.

The disbursement of tithe is the responsibility of duly selected treasurers. In Israel, God's people brought the tithe "unto the treasuries. And I made treasurers over the treasuries . . . and their office was to distribute unto their brethren." Nehemiah 13:12, 13.

Biblical Principle

Years ago Adventists adopted this Biblical principle of the storehouse and treasurers to handle the tithe. The *Church Manual* states, "The practice of the denomination is that the tithe be paid into the local church in which membership is held." (page 194) "The tithe is not used or disbursed by the local church but is passed on to the Conference Treasurer." (page 192)

"If it is regarded as right for individuals to make what use they please of the tithe," wrote Ellen G. White, "the Lord cannot bless." (*Review and Herald* Supplement, December 1, 1896) From the same author in Volume 9 we read, "God has not changed; the tithe is still to be used for the support of the ministry. . . . The portion that God has reserved for Himself is not to be diverted to any other purpose than that which He has specified. Let none feel at liberty to retain their tithes, to use according to their own judgment. They are not to use it for themselves in an emergency, nor apply it as they see fit, even in what they may regard as the Lord's work. . . .

"If our churches will take their stand upon the Lord's word and be faithful in paying their tithe into His treasury, more laborers will be encouraged to take up ministerial work." (*Testimonies*, Vol. 9, pages 247-250)

The Adventist Church has been blessed beyond most denominations because we have adopted the Biblical plan of church finance. Let us not revert to the plans of other denominations whose mission programs rest on gifts to the project making the most eloquent plea.

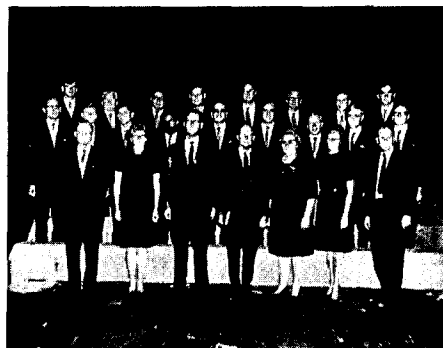

Let us each "bring all the tithe into the storehouse" and be eligible for the blessing He promises to pour out.

HAROLD L. CALKINS,
Conference Secretary.

Importance of Making Wills Told by Conference Leader

It is important that all of us have properly drawn wills. We owe it to ourselves, to those to whom we are responsible and to our church. Too few Seventh-day Adventists realize the importance of a will.

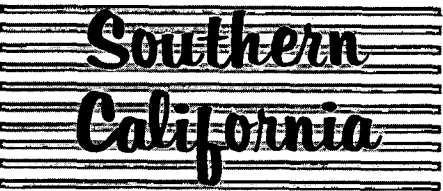

Merwin A. R. Jones

Statistics reveal that approximately 60 per cent of the people in the United States die without leaving a will, and 40 per cent of American professional and moneyed men fail to provide wills. Consequently their failing too often causes grief, strife and hardship among survivors.

If you do not leave a will, your property will be distributed in accordance with the laws of the state wherein you reside, and such distribution may not be in accordance with your wishes or intentions.

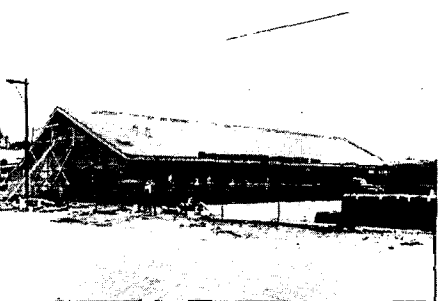

Everyone of legal age should have a will. Have you taken time to attend to this important facet of stewardship by remembering others and God in your will? You should. It is your Christian privilege, duty and responsibility.

The right to make a will is one of the great privileges of a free man. If you haven't exercised this privilege, don't delay! You will feel better for doing it.

Would you like further information regarding wills, trust agreements, annuities, life income contracts, etc.? If so, phone or write your local Conference Association.

Southeastern Welcomes New Workers to Varied Duties

Three new workers have recently joined the conference staff, each in a different area of service.

Elder N. C. Wilson, who retired in 1966 from the presidency of the Michigan Conference, has resumed active ministerial service. He and Mrs. Wilson recently moved to Southeastern and he will serve the Sunnymead Church.

Elder Wilson has a long, distinguished record of service, having been a vice-president of the General Conference for three years and president for varying terms in the South African Union, the Southern Asia Division, the Central Union Conference, the Australasian Division, and the Georgia-Cumberland Conference.

Elder and Mrs. Wilson are the parents of our current North American Division president, Elder Neal Wilson. They have four other children, including Clarice Woodward, a professor at Loma Linda University.

Mr. and Mrs. Jerry L. Mason and family

Jerry L. Mason has recently joined the conference office staff as assistant treasurer, filling a vacancy created when Vern D. Walton resigned to become associated with a Riverside financial consultant firm. The firm, The Financial Group, Inc., is a member of United Professional Planning, Inc.

Mr. Mason was graduated from San Pasqual Academy in 1958 and received a Bachelor of Science degree from Columbia Union College in 1963. Since that time he has served as an accountant at the Southern California Conference office and as assistant controller at Glendale Adventist Hospital. He has also served as an accountant for the San Bernardino office of the National Cash Register Company.

Jerry Mason is the son of Dr. and Mrs. J. Lloyd Mason who headed the staff at Monument Valley Mission Hospital for 12 years and are now located at Glendale Adventist Hospital.

Mr. Mason and his wife, Rosemary, have three children, Debbie, David and Deanne.

Beginning this summer, Merwin R. (Rusty) Jones, Jr. is serving as an intern in the conference association office. He completed work for his bachelor's degree at Loma Linda University, La Sierra campus, in June.

His previous denominational service includes literature evangelism in the Southern California Conference in 1966 and the evangelism field school here in Southeastern last summer. His wife, Lynn, is a dental hygiene student at Loma Linda University.

Mr. Jones's father, Merwin A. R. Jones, is the manager of the Glendale office of the Southern California Association of Seventh-day Adventists.

This fall Mr. Jones will begin studying law in addition to his regular duties with the conference.

Merwin R. Jones, Jr.

We are happy to introduce these new workers to our conference and wish them God's blessing in their new responsibilities.

Camp Meeting Well Attended by Many of San Diego County

It was like old times as hundreds of North San Diego County members gathered at San Pasqual Academy for a week-end-long camp meeting June 20 to 22.

Services began Friday evening and extended through Sunday, with a real camp meeting flavor as meetings were held in several auditoriums and dormitories for the various age groups. It was the first camp meeting in Southeastern to extend beyond a 24-hour period since the mid-1950's.

Many families participated in events throughout the weekend, bringing their dinner to enjoy fellowship with other members in the academy grove on Sabbath and Sunday.

Featured speakers throughout the week-end included Elder Arthur White of the Ellen G. White Estate, Dr. Mervyn Harding and Dr. Graham Maxwell from Loma Linda University, Olive and Brad Braley and Del Delker from the Voice of Prophecy, and Jan Doward from Columbia Academy.

Pastors of the North San Diego County churches coordinated the weekend program under the direction of Conrad Finney, their ministerial council chairman.

On Saturday evening the conference Book and Bible House staff opened a book display at the back of the gymnasium. They realized sales of about \$2,500 for the Saturday night and Sunday period of service.

Elder N. C. Sorensen presents a diploma at San Pasqual Academy commencement exercises.

San Pasqual Commencement Exercises Are Impressive

The May 30 weekend was the beginning of a new life for 54 seniors at San Pasqual Academy. Elder Kenneth Livesay, lay activities director for the Southeastern California Conference, gave the consecration sermon. Sabbath morning, Elder W. D. Walton, Pacific Union secretary, presented the baccalaureate service. Class night was on Saturday.

At commencement exercises Sunday morning, Dr. D. M. Warren, head of the Behavioral Science Department at Pacific Union College, delivered the commencement address. Elder N. C. Sorensen, principal, and Mr. C. L. Perkins, registrar and vice-principal, presented the diplomas to the seniors.

Awards and Scholarships

The awards and scholarships were presented during the commencement service. Loma Linda University gave scholarships to Janine Rice, Charles Barr, Carolyn Lambert, Mike Kaiser, Russell Rinehart, Susan Sigala, Dawn Gustafson, Sinka Besel, and Laura McAlister. Susan Sigala was awarded the scholarship from San Pasqual Academy. Honor awards were given to Charles Barr, Dawn Gustafson, Vicki Irelan, Mike Kaiser, Carolyn Lambert, Bill McLain, Marion Radke, Janine Rice, and Susan Sigala. Janine Rice received the valedictorian award and Charles Barr the salutatorian award of the class.

The gymnasium stage was decorated with the senior class colors, gold and navy blue, and the class flower, orchids. In the background was the class motto, "Tomorrow's triumphs are today's toils." The class aim was "Determine, Strive, Achieve."

The class officers of 1969 were Lynn Allen, president; Larry Dunder, vice-president; Lois Lopez, secretary; Janine Rice, treasurer; Deborah Lange, pastor; Lawrence Mudersbach, sergeant at arms; Charles Barr, sports coordinator; and sponsors, Elder and Mrs. N. C. Sorensen and Mr. and Mrs. Phil Velez.

Many Korean Orphans Will Benefit by Deeds of Love

One hundred sixty-two youngsters in a Korean orphanage will have happier birthdays because of seven Hayward women who cared. Mrs. James W. Barrett visited the Seoul Sanitarium and Hospital Orphanage a year ago and was touched by the children who "had so little." She left with a determination to do something about it.

With the help of several members of the Hayward Church, she has been sending clothing to the children. When she learned that they were to have a joint birthday party in July, she decided that some bright toys would add to the occasion. Assisted by Jane Freitag, Avassa Levi, Gladys Jones, Etta Willoughby, Frances Jenkins and Doris Spencer, she dressed a number of dolls of varying sizes and types. With the cooperation of the U.S. Army, these will soon be delivered to the children. Life will look a little brighter to the youngsters who "have so little."

Temperance Award Is Given in Recognition of Service

In a special ceremony at the time of the Sacramento camp meeting, an unusual, singular TEMPERANCE "MAN" OF THE YEAR award was presented by Elders Milo Sawvel and Miller Brockett of the General Conference and Pacific Union Conference Temperance departments.

The "unusual" man happens to be a lady. She is the dynamic and personable temperance and public relations secretary of the Orangevale Church, Mrs. John Lammerding, who for many years with her husband, has conducted fair booths at the California State Fair, using their own time and money in presenting to the public the principles of temperance. It has been the writer's privilege through the years to be associated with Mrs. Lammerding in activities involving public relations and the communications media of radio-TV and the public press. Mr. and Mrs. Lammerding have contributed greatly to the work of the church in many different phases. In recent years they have presented to the Sacramento public schools and other educational circles the film, "One in Twenty Thousand," attempting to lead the youth into areas of healthful living and to combat the liquor and drug traffic, as well as the tobacco habit.

As Mrs. Lammerding received this outstanding singular award, her family was present, and she received congratulations from the entire community in behalf of her untiring work in the cause of God in this area.

Northern California is justly proud that the General Conference has selected Mrs. Lammerding as the one in the North American Division to receive the "Temperance Man of the Year" Award from the American Temperance Society. We wish her and her husband many years of continued fruitful service in the cause.

Paradise Sees Large Baptism As Result of Recent Crusade

Elder Clifton A. Walter, well-known Adventist evangelist, recently completed a successful series of meetings in the Adventist church in Paradise.

As a result of these meetings there have been approximately 40 baptized. Each of these people could tell a thrilling story of his conversion. Some were given strength to overcome habits which had long held them captive.

Assisting Elder Walter in the crusade were: the pastor, Elder E. W. Koenig; associate pastor, Norman Ault, who led the music and arranged for special music; the Bible instructor, Mrs. Juanita Rogers; and organist, Dr. Dean Hoiland.

This was a reaping crusade with 21 public meetings followed by special Bible classes. The attendance was excellent each night of the series. The evangelistic group is grateful to the hundreds of loyal members who supported the services with their participation, prayers and attendance. Another tangible evidence of their faithfulness was seen in the excellent offerings.

Pictured on pinnacle are (left to right): Elder Edwards, Northern California Conference youth activities director; Reinhild Kietz, Pacific Union College; Coralee Saulsbury, Pacific Union College; Jim Edwards, Pacific Union College; Len Cornwell, San Jose State College. They made the climb the weekend of May 23-25.

Wonders of Nature Enjoyed Recently by College Youth

A group of college youth spent the weekend of May 23-25 at Pinecrest Camp with Elder Charles G. Edwards, Northern California Conference youth activities director.

The featured activity of the weekend involved a snow climb of Mt. Ralston towering more than 9,000 feet above sea level.

The climbers stopped briefly at Inspiration Point just above 7,000 feet and looked down at Highway 50 winding through the mountains. From there also they could view the spectacular Lovers' Leap Cliff and the Horsetail Falls tumbling perpetually down the mountainside.

At this point a pair of humming birds put on a spectacular display of aeronautics. They would dive at terrific speed, pull out of their power dive, and zoom upwards just about as fast as they went down. They would hover for a time and this gave us an opportunity to observe them through the binoculars, reveling in their beautiful colors. One climber, Len Cornwell, a pilot, spoke of how man-made planes could never stand the strain of such stunts.

Northern California

From Inspiration Point onwards practically every bit of the climb was in the snow except for the last few hundred feet where the wind had blown the top of the mountain clear.

While the youth were recuperating on top from the hard climb, a beautiful little bluebird lighted nearby and visited us for just a short time.

From the top of the mountain a beautiful view of Lake Tahoe was available and below us, Echo Lake, Ralston Lake and others were covered with snow. Along the edges of these lakes was a bright blue line, indicating the thaws that were beginning to affect them.

While on the mountain top the group recounted something of the wonderful power and love of God and the awesome energy He has used in building the mountains and the magnificent sights that were before us.

Here at Pinecrest Camp thousands of youth have the opportunity of drawing close to God and viewing His handiworks.

Personal Witnessing Leads to a Happier Way of Life

Mrs. King, a faithful Seventh-day Adventist of the Sutter Hill Church, while at work in a local hospital, met Mr. Harold Prince. This fine man had always been a Protestant who used no tobacco or liquor. However, he was seeking for a church that taught all the Bible truths.

As these truths were studied, Mrs. King and Mr. Prince became better acquainted and she invited him to the church services. He accepted her invitation and from that time on never missed a Sabbath service.

Later, at camp meeting, he surrendered his heart to the Lord. More Bible studies were given and on Feb. 22, he was baptized and became a member of the Sutter Hill Church. The following day, Mr. Prince took Mrs. King for his bride, who had not only won him to the truth, but had also won his heart.

Mrs. Douglas Cassity, a young mother, became interested in the Bible truths through her recently baptized father-in-law, Al Cassity. Maridee agreed to take studies from T. R. Waterhouse, the associate pastor. This fine little mother of two, literally "ate up" the new found Bible truths as they were presented. Soon she too had made her decision, hoping that her husband (who had agreed to attend the baptism) would follow her in giving his heart to the Lord. What a happy devoted Christian she is. Baptized only in February, she has been selected to be captain of one of our Bible study teams in our T.C.I. Program. She is giving five or six studies per week, while bringing her loved ones and others to church with her. It is wonderful to see the zeal of those with their "first love" in the truth. What a joy to work for the saving of souls. "And the Lord added to the church daily such as should be saved." Acts 2:47

New Pastor and Family to Serve in Tucson Area Soon

Elder J. E. Upchurch, his wife, and their three children will soon be joining the Arizona Conference family. Elder Upchurch will be locating in Tucson where he will pastor the Mountain Avenue and Benson churches.

Elder Upchurch was born in Dallas, Texas and attended Southwestern Junior College and Union College. He graduated in 1958. The first two years of his ministry were spent in the Ohio Conference as singing evangelist, and assistant pastor in Dayton. The next four years he was in the Pennsylvania Conference as singing evangelist, working with E. F. Koch, and also as district pastor. In 1964, the Upchurches moved to Minnesota where he served as pastor of the Austin district, and later, the Minneapolis Southview church.

Mrs. Upchurch (the former Noretta Nichols) also attended Southwestern Junior College and graduated from Union College. Their three children are Mark 9, Steven 6, and Karen 4. They will be arriving in Tucson the latter part of July.

We welcome the Upchurches to Arizona and to the continuance of the spread of the gospel in the Tucson area.

Ground-breaking Ceremonies Occur for Wickenburg Church

It was a beautiful Sunday morning, June 29, when Elder Paul Johnson met with the Wickenburg Church members to break ground for a new church building to be located about one-half mile north of inter-state highway 60-70 on the Prescott highway. The land, which was donated by Dr. Floyd Brallier, a local physician, is beautiful for situation as it overlooks the mountains to the west and north.

Also present for the ground breaking were local church leaders, G. R. Mauldin, the local church elder, E. O. Kahle, and C. M. Arthur, along with Elder John Stevens, president, and Orville Butler, secretary-treasurer, of the Arizona Conference. James Hayward, pastor of the Phoenix Central Church, and his associate, G. C. McCrillis, were also on hand.

During the ceremony, Elder Johnson, who is moving to a new pastorate soon, told of the growth of the membership in the Wickenburg Church and of their desire to erect a sanctuary to the glory of God.

As Pastor Johnson leaves this area, the continuing effort will fall under the direct supervision of Elder Hayward and Elder McCrillis of the Phoenix Church. The actual construction is to begin soon under the supervision of Elder W. O. Lenz of Phoenix.

Youth Active in Dedicated Work for Youth in Phoenix

Young people in the Phoenix area are busy this summer working for other young people. Under the leadership of Duane Lemons, Valley youth pastor, and Elder James Hayward, pastor of the Phoenix Central church, the young people started the summer's activities with the Teen Dial program. This is an inspirational message by a young person placed on tape, using a Code-A-Phone machine.

Approximately 350 calls are received each day through Teen Dial. About 20 young people a day are requesting Bible studies. One teen-ager expressed her appreciation for Teen Dial, saying that it has helped her to solve many of her problems; also, that she called Teen Dial every day and it was helping her to find a better way of life. At this time, 19 of our Valley young people have recorded messages for Teen Dial.

It isn't easy to get through. Many times callers will get a busy signal, indicating that Teen Dial is a popular program telling young people of the love of Jesus.

Another activity of Valley youth is working with underprivileged children in the inner-city area. Young people from the Camelback Church, on a recent Sunday, took a group of underprivileged children to the Phoenix zoo. It was a rewarding experience and a wonderful day.

They are also assisting in the Head Start program, as well as in other activities, to make life more interesting for the underprivileged.

The Valley youth also conduct their own prayer meeting on Wednesday nights. Attendance is approximately 29. At the request of the group, they are studying last-day events, using the book *The Final Crisis*.

It looks like a good summer for youth. With their enthusiasm and energy directed toward the saving of other young people, we can expect to see the youth work strengthened in the Phoenix area. Your prayers are requested on behalf of this good work.

PR Secretary.

TA Offers a Work Program Enabling Students to Attend

Another school year has closed, and the Union auditors have been at Thunderbird Academy to check the records of the past school year.

During this past school year, students earned 52 per cent of all their school charges. This means that many students earned much more than this. It is still possible to earn a good share of one's way if one really wants a Christian education.

We will be needing a number of good workers for this coming year to help in the wood products program as the demand for our furniture is increasing. We will be needing a number of 16-year-old or older young people, and especially 18 year olds to operate machines. The energetic young man or young woman can earn two-thirds of his way during the school year if he will work a regular schedule.

It is only a short time until another school year begins, so those interested are invited to write for a bulletin and application blank in order to be among those at Thunderbird Academy when school opens September 8.

Ground breaking for new Waianae church.

Waianae Breaks Ground for Their Much-needed Church

Ground-breaking services for a modern sanctuary in the community of Waianae took place Sunday, June 8.

Present Sabbath School facilities, which are also being used for church services, have been outgrown and a sanctuary has been needed for some time.

The new \$160,000 A-frame sanctuary will tower to 54 feet in height and will be completely air conditioned. The interior décor will be marked by cushioned pews, carpeting, rock work, stained glass windows and a sloped floor for more comfortable seating.

A pastor's study, two classrooms, as well as choir loft and mothers' room, will also be added in the new sanctuary complex.

The present membership of 74 will be doing much of the labor in order to keep costs to a minimum. "It may take us two years or better to complete the sanctuary, but when we are through we will have a very representative Seventh-day Adventist church," commented the pastor, Elder Richard Among.

Float and Marching Team Win Recognition for Pathfinders

Elated Kaneohe Pathfinders walked off with two top honors in the annual Fourth of July parade held on windward Oahu.

The Pathfinder honors included the grand award of \$100 for the best float in the parade, and a third place trophy for their marching team. Kaneohe Pathfinders were in competition with approximately 40 different entrants, which included the Marines, Navy Sea Scouts, the Army, and Boy Scouts, as well as other civic groups.

The motif of the grand award float was religious freedom, represented by a plumeria-decorated church with the open Bible in front of it. The American flag, of carnations, flew in the background above the church.

We salute our Pathfinders and their leaders from Kaneohe and say well done. We are justly proud and feel honored when our members represent their church and their God in such a fine manner.

Witness of Serviceman Is Impressive to Truth Seeker

The faithful Christian character of a medical corps serviceman resulted indirectly in the recent baptism of Mr. and Mrs. Keith Ramsey, their son, Rodger, and daughter, Karen, in Reno, Nevada.

Mr. Ramsey was closely associated with this Seventh-day Adventist soldier from Texas during World War II and was very much impressed by his consistent life and by the way he withstood persecution because of his religious beliefs.

Through all these years Mr. Ramsey kept thinking that there must be something special in that kind of religion. He wanted to know more about it. The family heard the Voice of Prophecy broadcasts

Faithful Interest in Giving Studies Results in Baptism

On a recent Sabbath morning, during a baptismal service, Mrs. Robert Del Soldato, with several other candidates, demonstrated her acceptance of her Master.

The Seventh-day Adventist message is not new to Mrs. Del Soldato, for she has an Adventist background. It was through the work and interest of Mrs. Verne Stocke, who faithfully gave her Bible studies each week, that her decision was made to live God's truth.

We thank God for church members whose influence has, in His providence, borne a testimony, the far-reaching results of which will be known only in the kingdom.

and decided to locate the Adventist church in Reno. Mrs. Ramsey, Karen and Bonnie attended the church services and soon Mr. Ramsey and Rodger began coming. They were pleased with what they saw and heard. Sunday afternoon Bible studies were given by Mrs. Beck Lang and Judy Kruze. Soon Pastor Matar took over the studies and the family attended the evangelistic meetings the pastor held from February through May. Mr. and Mrs. Ramsey, Rodger and Karen were baptized along with twelve others who had accepted the Adventist faith during the evangelistic meetings. Bonnie, the youngest daughter of the Ramseys, plans to be baptized just as soon as she is old enough.

PACIFIC UNION COLLEGE

Overseas Missions Attract Students to Teaching Posts

Two more student missionaries have left Pacific Union College for a year of service in the field. Connalyn Burdick, a 1969 graduate of PUC, and Larry Matthews, a theology major, left San Francisco via Japan Air Lines on Wednesday, June 25, reports Dr. Parshall Howe, chairman of the student missionary committee.

Miss Burdick's destination is Japan; she will teach English at the Osaka Center. Larry, who also is to teach English, is scheduled for the Seventh-day Adventist Center in Djakarta, Indonesia.

Interest in overseas mission work runs high on the PUC campus. Dr. Howe estimates that a minimum of 25 students will be going out from Pacific Union College this year to serve in many parts of the world.

New Acting Dean of Students Is Named to Position at PUC

Elder Earl W. Wright has been appointed as acting dean of students at Pacific Union College in the absence of Miss Elenor Spoor, who is on study leave to complete her doctorate in education.

Elder Wright received his B.A. from Pacific Union College; M.A. from Andrews University; and is now involved in graduate work at the University of the Pacific in Stockton. He served as pastor in the Northern California Conference, MV and educational superintendent and public relations secretary in the Hawaiian Mission, as Bible instructor at Thunderbird Academy, and was chairman of the Bible Department and director of counseling at Monterey Bay Academy before being called to Pacific Union College. Elder and Mrs. Wright (the former Melva Lorraine Baldwin) have two children, Linda and Edward.

New Director and Assistant of Audio-Visual Services Named

Keith M. Wallace, his wife, Joan Sutton-Wallace, and their two children, Bruce and Anne, arrived on the Pacific Union College campus immediately upon his receiving the M.A. in audio-visual from San Jose State College this June. Mr. Wallace will assume his duties as director of audio-visual services at the beginning of the fall quarter. He replaces Walter Bolinger, who with his wife, Willeta, has retired to live in Phoenix, Arizona, after 19 years of service at Pacific Union College.

Mr. Wallace is employed for the summer session as a biology instructor at PUC's Biological Field Station at Albion. A graduate of San Pasqual Academy, Keith received a B.A. and an M.A. in biology from PUC prior to his studies in the field of audio-visual.

Also new to the audio-visual services is Stanley Bisel as assistant director. Mr. Bisel received the B.A. degree in communications from Pacific Union College. His wife, Carolyn Rhodes-Bisel, is an assistant professor in the PUC Music Department.

Assistant Dean of Men Takes Duties after a Summer Session

Coming to PUC as assistant dean of men is Elder Gordon D. Weidemann, who received his B.A. in theology from Andrews University and expects to complete his work toward an M.A. in counseling at Andrews University this summer.

Elder Weidemann began his service in the Lord's work as a ministerial intern in the Michigan Conference, later became president of the Cayman Islands Mission in the West Indies, and a departmental secretary for the Guatemala Mission. Mrs. Weidemann is the former Janet Ardith Thomas from Michigan. The Weidemanns have two children, Faith and Gordon.

Youth Congress Attendees to See Work of Three PUC Artists

Three art posters, created by Marianne Patton, Mrs. Frances Gramlich, and Dennis Lampley, were exhibited by the Pacific Union College Art Department at the Youth's Congress in Zurich.

The posters, in three-dimension and developed on the Youth Congress theme, "Follow Me," were displayed in an exhibit shown July 22-26, which was made up of various art media (sculpture, painting, pottery, and prose) and represented the best in art from Adventist youth around the world.

The three PUC entries were selected from a collection of 30 presented by PUC art students by Elder Robert Olson, chairman of the Religion Department, Elder Leo Van Dolson, and Mr. Vernon Nye, chairman of the Art Department.

Director of College Relations Eligible to Receive Doctorate

Elder Roger W. Coon, director of college relations and assistant professor of religion and communication, successfully passed the final oral examination for the Ph.D. in speech at Michigan State University, East Lansing, on July 8. He will receive his doctorate at Michigan State's next commencement exercise, according to an announcement by President Floyd O. Rittenhouse this week.

Dr. Coon's dissertation is entitled, "The Public Speaking of Dr. William A. Fagal of 'Faith for Today': America's First National Television Pastor."

It contains biographical materials on the life and professional career of Dr. Fagal, the first definitive history of the Faith for Today organization, rhetorical analyses of 10 selected Fagal sermons, and chapters on audience response to the Fagal television and pulpit preaching.

Dr. Coon is the 45th faculty member currently teaching at Pacific Union College to hold an earned doctorate. Prior to coming to PUC in 1967, he had spent nearly five years in ministerial work in the Southern California Conference, 12 years in various posts in the West African Union Mission, and three years in graduate study in Michigan.

Editor's Trip to Provide an In-depth Study of Minorities

Garland J. Millet, editor of *Message Magazine*, has left Nashville, Tennessee, where the magazine's editorial offices are located, for an extended fact-finding trip through Europe, Africa, and the Middle East. He will return to the United States on September 7.

An in-depth study of the feelings of minority groups and black churchmen in various countries is a primary purpose of the trip, Dr. Millet indicates. He anticipates an extensive exchange of ideas and experiences with church leaders in London, Paris, Nairobi, Cairo, Tel Aviv, Beirut, Teheran, Delhi, Calcutta, Bangkok, Singapore, Manila, Hong Kong and Tokyo before his return to the United States.

Message, which is published by the Southern Publishing Association, has an annual international circulation of more than 150,000. Editorially, the magazine endeavors to interpret current social problems and world conditions in the light of Bible teachings.

"Dr. Millet's experiences and his communications with some of the leading thinkers of our time will lend a broad background and an important depth of experience to his editorial work," indicates R. J. Christian, Periodical Department manager for the Southern Publishing Association.
