## LOOKING FORWARD TO ATLANTIC CITY

More than three years have slipped by since the last General Conference Session convened in Detroit, Michigan. Within a few months thousands of God's people from most of the lands of earth will be heading toward Atlantic City, New Jersey, for the 1970 Session, to be held June 7 to 20.

Brethren and sisters, this next gathering *must not be* just another General Conference Session. The hour is too late. God's people are too needy. There is too much work yet to be done. The 1970 Session must, under God, be a gathering characterized by its spiritual impact upon our lives individually, and upon the church as a whole. It must be a time of repentance, of revival, and of renewal. Atlantic City must be a place of great power as well as effective planning. May God make Convention Auditorium a place of Pentecost where the last spiritual thrust begins for a finished work!

Prayer—earnest, persevering prayer—is the key to revival and power. We appeal to our people around the world to *commence praying NOW* for a rich outpouring of the Holy Spirit during the Atlantic City meetings. Remember your leaders who are now planning the program. Plead with God to make this Session all that, under His blessing and guidance, He would have it be.

ROBERT H. PIERSON, *President,*  
General Conference.

## Summer of 1969 Is Busy One for Missionary Volunteers

Without doubt this has been the busiest summer the MV Department of the Pacific Union has ever experienced. Activities have included taking one thousand members, mostly young people, on a 17,000-mile journey through seven countries in Europe and to the World Youth Congress in Zurich, Switzerland.

Impressions gained at the Congress are bound to influence the youth for good for the rest of their lives. Experiences gained from the tour gave all a deeper appreciation of the comforts, liberties, and freedoms America enjoys over any other country in the world. We have thanked God many times that not one of those who toured with us suffered any major accident or illness; and actually, taking everything into consideration, there was very little personal loss to tour members.

### Summer Camps

In spite of the summer being broken up by the World Youth Congress, this has been one of our most successful camping seasons. Eight thousand eight hundred and six attended these camps; there were over 1,300 decisions for Christ, and 17 youth at the Spanish youth camp indicated their desire to be baptized as soon as it could be arranged. This Spanish camp, held at Cedar Falls, was the largest ever held in this denomination. Over 700 attended.

### ACT

Fifty-five college students were employed in ACT this summer, and their experiences with day camps, youth centers, community services, and witnessing for Christ would fill a modern book of Acts.

## New Book Editor for Southern Publishing Association Named

Robert W. Nixon, former assistant editor of *These Times*, has been named book editor of the Southern Publishing Association.

Mr. Nixon joined the Southern Publishing Association staff in 1968. Before moving to Nashville, he was assistant director for the General Conference Bureau of Public Relations.

Graduated from Columbia Union College in Takoma Park, Maryland, Mr. Nixon received his Master's degree in Journalism from Boston University in 1964. He holds membership in the Associated Church Press.

"Our immediate purpose, as we plan our publishing program, is to find out what our readers want and need," states Mr. Nixon. "We want to work directly with some special groups within our church, and especially with high school and college young people, so we can produce books which will appeal to a wide variety of readers."

Robert W. Nixon

## THE TEMPERANCE PROGRAM NEEDS YOUR HELP — GIVE

Most Pacific Union members have been alarmed about the frightening increase in drunken driving, accidents and deaths, and the widespread use of drugs. As I write this I have just learned that Art Linkletter's daughter jumped to her death under the influence of LSD.

In California we have spent much time, money, and effort to help bring into existence since 1960 three laws: The Open Bottle Law, The Implied Consent Law, and the new Presumptive Level Law which became effective October 8. These laws are working and are removing over 6,810 drinking drivers each month.

Thousands are asking for Five-day Plans. We need more films and more materials to do the job effectively. People have never been so interested in our program as now, and we have never been so short on funds.

We are ready to move forward, but we need your help with an unprecedented offering on October 25.

MILLER BROCKETT,  
*Temperance Director,*  
Pacific Union Conference.

## First Dean of LLU School of Dentistry Dies at Age of 83

Dr. M. Webster Prince, first dean of Loma Linda University's School of Dentistry, died September 18 at the age of 83.

Born in New York in 1886, Dr. Prince graduated in 1910 from the University of Michigan School of Dentistry and practiced until early 1953 in Detroit.

While still practicing in Michigan, Dr. Prince was foremost among those who foresaw the need for another dental school in the West and spearheaded the campaign for organizing the School of Dentistry at Loma Linda University.

The establishment of the school, Dr. Prince believed, would not only help to ease the nationwide shortage of dentists, but could also benefit the Seventh-day Adventist Church with a well-rounded health service.

Loma Linda University School of Dentistry was opened in 1953 with Dr. Prince as the first dean. The first graduating class of 39 members went out from the dental school in 1957. He was named dean emeritus of the School of Dentistry in 1960.

During his professional career Dr. Prince was active in a number of dental

## MAY YOUR OFFERING BE A LIBERAL ONE OCTOBER 25

Temperance emphasis means more than admonition against the use of alcohol, drugs, and tobacco. In Seventh-day Adventist churches, temperance is a way of life—balance in work, recreation, study, and sleeping. It's the principle of living which keeps man from the "overs" and "unders"—overwork and underrest.

Through *Listen* magazine and other projects such as the Five-Day Plans, the world is listening as never before to the guidelines of healthful living. High schools across the nation have adopted this journal as their "textbook" for health courses. Radio commentators are requesting to be placed on the mailing list.

On Sabbath we have opportunity to give to this outreach of the medical arm of the message. May your offering be a liberal one.

W. J. BLACKER, *President,*  
Pacific Union Conference.

### National ASI Convention

November 12 to 18

di Lido Hotel—On the Ocean  
Miami Beach, Florida

Adventist businessmen and women are invited to join the Association of Self-Supporting Institution members in this important convention.

You will appreciate the agenda topics and the Christian fellowship. Objectives, challenges, and constitutional changes will be studied. We need your suggestions.

An optional part of this convention will be mission appointments in Haiti and/or Jamaica to visit our mission work. Special rates have been arranged.

You should write to Caris H. Lauda, General Conference of Seventh-day Adventists, 6840 Eastern Avenue, N.W., Washington, D.C. 20012, for further information and hotel reservation card.

Reservation should be made now.

organizations. He founded the Northwestern Dental Club in Detroit and served as its first president. He was also president of the Detroit and Michigan state dental associations, and a former president of the National Association of Seventh-day Adventist Dentists.

In addition he served for 20 years as Michigan's delegate to the American Dental Association and was a member of the ADA's Council on Dental Education for eight years.

Dr. Prince was a fellow of the American College of Dentists, a member of Omicron Kappa Upsilon (honorary dental fraternity), and a member of Delta Sigma Delta.

In 1952 Dr. Prince wrote that his main and ultimate objective was to "be permitted to live long enough to see the School of Dentistry attain a position in the field of dental education that will reflect credit upon the Adventist Church and send a never-ending stream of consecrated young men and women into the field of service for humanity."

In other service to his church, Dr. Prince was on the board of the Voice of Prophecy.

Dr. Prince is survived by his wife, Ann, of Redlands; a son, Robert W., of Lewisville, Texas; and a grandson, Robert.

## North Coast Youth Congress Features Canadian Evangelist

On November 7 and 8 a Youth Congress will be held at the Fortuna Junior Academy Auditorium in Fortuna, California, for the North Coast Area of this conference.

One of the principal speakers for this gathering will be Elder Dale Brusett, conference evangelist for the British Columbia Conference.

Elder Brusett served as an instructor in the Paratroopers some years ago, and was a platoon leader during the Korean War. He saw vigorous action and was injured severely. Only through the providence of God is he still alive. Subsequent to the war he took the theology course and has served for a number of years in the Montana Conference. During the past year he has been conference evangelist in the British Columbia Conference and 253 people have been baptized through his ministry. Elder Brusett will speak at the Friday and Saturday night meetings.

The Sabbath morning speaker will be Elder James E. Chase, president of the Northern California Conference.

Sabbath afternoon will feature a symposium of youth and share activities.

We solicit an interest in the prayers of our people that this youth gathering may be a blessing to all in attendance.

CHARLES G. EDWARDS, Director,  
Youth Activities Department.

## Conference Breaks Records in Temperance Activities

The Lord is blessing His church and reaching countless thousands of souls through the temperance work. This is the day He is using to savor His church. The record speaks for itself. From January to mid-August, our pastors, physicians, and church temperance secretaries conducted a record-breaking 5.4 Five-Day Plans to Stop Smoking per month, and Action Units from the academies presented the temperance message to thousands of youth in many of the public schools.

All conference records were broken by the number of churches participating in and sponsoring booths at local fairs this past summer. Hundreds of names were received for Five-Day Plans at these local fairs, and at the State Fair booth over 2,300 were received from smokers wishing to kick that habit. During the 19 days of the State Fair, Calvin Knipschild and Jeff Wood, now students at PUC, along with many volunteer workers from the Sacramento area personally handed to passersby well over 18,000 pieces of temperance literature and spoke to hundreds about the evils of smoking and drugs.

This good report would not be possible were it not for the spirit of our fine pastors, church temperance secretaries, and busy medical men and other temperance-minded individuals. The temperance record will continue to climb as you cooperate and participate.

The temperance light will shine even brighter as you remember to give that part of the offering God will bless you to give on October 25.

Dale Brusett

### Does the Lord Need You at the St. Helena Sanitarium?

Someone has calculated that in a hospital there are well over 200 types of professions and trades needed to keep the functions successfully operating. St. Helena Sanitarium and Hospital is certainly no different, and who is to say which of these skills is most necessary. Every type of employment performs a most helpful and needful task.

Does the Lord need your services at St. Helena Sanitarium and Hospital? Perhaps your skills are among those most needed just now. Needs constantly change, and if you believe God may be calling you into His work, why not send for an application so we may keep it on file here and contact you when a need does arise if one is not presently presenting itself?

Salary is paid in keeping with other hospitals in the area, plus usual vacation, hospitalization, retirement, and similar fringe benefits.

At present the following positions are open: janitor, housekeeper, aide (one a.m.; one nights), R.N. (full-time relief, evenings), orderly, page (bell hop) (four hours a day, Monday through Friday, could be retired man), security officer (to be open in future), registered inhalation therapist.

St. Helena is perhaps our last medical institution in North America where all Adventist employees are employed. Won't you help us to keep it that way?

Is the Lord calling YOU to serve in His work at St. Helena?

HENRY T. BERGH,  
Assistant Administrator.

### Parents, Are Your Children in the Church School?

This startling message appeared on my TV screen last evening. Parents, "It is October—do you know where your children are?" You say, "Certainly I do," but are they where they should be?

"In planning for the education of their children outside the home, parents should realize that it is no longer safe to send them to the public school."—*Counsels to Parents and Teachers*, p. 205. "Upon fathers and mothers devolves the responsibility of giving a Christian education to the children entrusted to them."—*Fundamentals of Christian Education*, p. 545.

We, as parents, are largely responsible for the souls of our children. It is October—are all children in a church school?

## Will You Sacrifice to Meet the Needs of Temperance?

One Thousand Dollars! That's right, \$1,000. Sounds like a lot of money, but it doesn't take very much from each member to equal that amount. In fact only 50 cents per member will raise that amount in our conference. That is the minimum needed on October 25 for TEMPERANCE.

The Lord is blessing the temperance work and opening doors all over the field where programs are requested. Films are desired in larger and larger numbers monthly. Five-Day Plans are desired in more and more places and more often than ever before in the history of our work in Nevada-Utah. Schools and whole school systems are wanting classes on smoking and health, drugs and alcohol. We would like to be able to fill all these requests, but it takes money—money for films, literature to give to the children, and other necessary supplies and equipment.

The requests are here. The doors are open now. Will you sacrifice and give to meet these needs? Why not double the goal or triple the goal or . . . ?

HOWARD M. BARRON, Secretary,  
Temperance Department.

## Nevada-Utah Teachers Have Convention in Salt Lake City

"Lead your children to love Jesus. Nobody can remain indifferent in the presence of Jesus Christ," stated Elder Wilton O. Baldwin during the keynote address entitled "My Friend Jesus" at the Nevada-Utah Teachers Convention. His sermon set the spirit of the entire convention—leading those present to determine anew to make Jesus Christ first in their lives, to gain a depth of experience so that they could lead their school children by both word and action to truly know and love Jesus.

Twenty-six of Nevada-Utah's 27 teachers gathered in Salt Lake City October 8 through 11 for a series of inspiring and instructional sessions. Guest speakers were Elder W. O. Baldwin, Pacific Union Department of Education; Dr. Vernon Koenig, director, University Extension, Loma Linda University; Dr. Raymond Rhead, Weber State College; and Hal Mickelson, Utah Forestry Division. Dr. Rhead and Mr. Mickelson spoke on "Outdoor Education."

The food services during the convention were ably supervised by Mrs. Marjorie Johnson of Salt Lake City. She was assisted by Mrs. Bea Busby and a number of students. The ingenuity with which Mrs. Johnson planned the meals and the skill with which she and her helpers prepared and served them were appreciated by everyone.

Nevada-Utah teachers enjoy the supper social hour at their convention held in Salt Lake City recently.

## Eight Are Baptized Following the Meetings in Provo, Utah

ference intern, speaker; and Gerry Karst, Alberta, Canada, Conference intern, singing evangelist.

Assisting in the soul-winning program were the Bible instructor, Lyle Johnson, and his wife and Pastor and Mrs. Eugene Miller.

Associated with the Provo campaign were the Johnsons (left) and the Millers.

It was a special joy to be present on one of the weekends during the meetings. I detected a revival spirit in the Provo Church with leaders and members taking an active part in bringing friends to the services. Already eight have been baptized.

D. E. DIRKSEN, President.

Friday evening vespers by Wilbur Claus of Reno and Paul Cunningham of Carson City ushered in the Sabbath with an atmosphere of quietness and peace of mind that reached deeply into hearts. The Salt Lake Junior Academy staff shared a lovely Sabbath School program, with Dr. Koenig giving a stimulating lesson study. Howard M. Barron, conference superintendent of schools, spoke for church, and his sermon on the existence and utter steadfastness of truth was a source of strength to all. Sabbath evening vespers by the Las Vegas Junior Academy staff brought to a close both a lovely Sabbath Day and a tremendous Convention.

Thank you's are in order to the staff of the Salt Lake Junior Academy for their hospitality, to all who had a part in the program, and to all the Nevada-Utah teachers for coming and sharing and learning and leaving with the determination to walk, with their children, more closely with Jesus this year.

MRS. JANET HANSON,  
Office Secretary.

## Japanese Members Enjoy Fifth Annual Camp Meeting

The fifth annual Japanese camp meeting in Hawaii commenced on Friday, September 26, with the message from our mission evangelist, Elder John Klim.

Speakers for Sabbath were Elder Harold Kono for the early morning service, and Elder A. G. Streifling, mission president, bringing to the campers a timely message of service to God for the worship hour.

After a hearty noon meal, the campers went on an exciting nature walk up the

Peacock Trail with Ross Hiatt and John Obata as their guides. Swimming, ball games, movies, and corn feed in the evening ended the wonderful day.

Dr. Tadao Hata gave the farewell message on Sunday, just before the campers returned home looking forward to next year's camp meeting.

Elder Victor Inoue and Mr. S. Yokoyama led in the Japanese-speaking division of the camp. Messages in music were rendered by Mrs. John Klim, Mr. Teruo Funai, and the junior choir of the Japanese Church.

Teruo Funai teaches a Sabbath School class at the Japanese camp meeting.

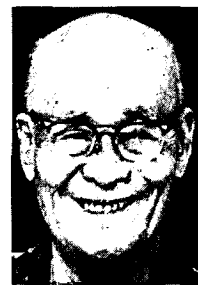

Mrs. Sally Yamada and Mrs. Alice Akita were responsible for the wonderful meals we all enjoyed, and Mrs. Hata and Mrs. Char decorated the dining room and the sanctuary with beautiful anthuriums and orchids.

We wish to thank the Hawaiian Mission for making this camp meeting a success; and President A. G. Streifling and Secretary-Treasurer M. O. Chang for participating in the services of the camp meeting.

HAROLD KONO, Camp Director.

## EDITOR GIVES TO CHURCH ON ANNIVERSARY OF HIS BAPTISM

Brother Tetsuo Toyama, the editor of *The Citizen* newspaper of Honolulu, a man who calls himself 87 years young, is one of our church members who makes a great many friends for Adventists in Hawaii.

Tetsuo Toyama

On Tuesday, September 30, the twenty-fifth anniversary of Brother Toyama's baptism into the Seventh-day Adventist Church, he felt especially impressed with his deep gratitude to the Lord, to do something special for the work of God in Hawaii. Being confined at home that day, he requested his wife and daughter to bring a check for \$1,000 to the Hawaiian Mission to be used in the new headquarters building, just because he loves the Lord, His people, and His cause.

Brother Toyama has done a great deal through the editing of his newspaper in encouraging strangers to acquire American citizenship. This is why his newspaper is known as *The Citizen*. His very eloquent pen is still at work diligently, and his presence as a goodwill ambassador for the Seventh-day Adventist Church is highly valued and appreciated.

We encourage the good example of Brother Toyama in this fine contribution to be followed by others who may be able to do likewise.

A. G. STREIFLING.

## Sandra O'Neill Joins Mission Office Secretarial Staff

Mrs. Sandra O'Neill has recently joined the Hawaiian Mission office secretarial staff to serve in the Sabbath School, Lay Activities, and Radio-TV departments. Within recent weeks this vacancy was created when Edna Bourbeau transferred to the Treasury Department as secretary to Brother M. O. Chang.

Mrs. O'Neill is the wife of one of our church school teachers in the Kailua Mission School. Her previous experience as a secretary in the registrar's office of Pacific Union College, as well as in Sabbath school activities, has prepared her both by experience and training for this work.

Our constituency in the Hawaiian Mission will be happy to become personally acquainted with Mrs. O'Neill as she serves all of our people through Sabbath school and other departmental supplies and bulletins. We invite you to come make her acquaintance at your next visit to the mission office.

Our wish for Mrs. O'Neill is that her service in Hawaii will always be most rewarding and most memorable.

A. G. STREIFLING.

Mrs. Sandra O'Neill.

## Santa Cruz TeeNacT Center Serves Many During Summer

It was nearly midnight at the TeeNacT Center at 517 Mission Street in Santa Cruz, and time to think about closing up for the night when she came in. She was a sweet-faced child, barefoot, with stringy blond hair. She said her name was Diane. She seemed frightened and asked if she could just talk with someone. And so we talked.

Her parents didn't want her. They were divorced and living unwed with other mates. Her mother had gone to Oklahoma with a man; her father was somewhere in the Bay Area with another woman.

Diane was trying to take care of her younger sister. They had been living with hippies who had pulled out that day and left them on their own. Finally she paused and looked wistfully about. "Do you think God can forgive me?" What a joy it was to be able to tell her about the wonderful Saviour, Jesus Christ. There were tears in her eyes as she spoke again. "I'm going to have a baby."

This was typical of the hundreds of contacts made by TeeNacT during the 1969 summer season in Santa Cruz. The Center was kept open from noon to one a.m. by three young college students, Jim Ara-

kawa, Greg Prout, and Mike Munsey. Later in the summer they were joined by Jack Renner, who found Jesus Christ at the Center and received Him as Lord and Saviour.

The Center was located on Highway 1, which is the coast route to San Francisco. Because it is not a freeway most hitchhikers travel this route. Jack was going past with some companions with packs on their backs. Jim Arakawa went out and invited them to come in and eat. They accepted the invitation gratefully. The boys gave their witness for Christ and Jack decided to stay around a while and hear more. He came to Sabbath School at their invitation, but did not stay for church at first; perhaps he felt out of place in his hippie attire, with beard and long hair. At the Center he offered to help in the kitchen and soon took the responsibility for that activity. He was efficient, clean, a natural vegetarian, and a good chef.

One day the TeeNacT young men came home and with real pleasure said, "Guess what? Jack has shaved!" A few days later, "Guess what? Jack got a haircut!" It was obvious that the Holy Spirit was working in his life as he divested himself of all marks of his former life. His was not a broken home. He came from a substantial middle class family in Chicago. They are Christians of the Methodist persuasion. They were overjoyed to learn of Jack's conversion. His mother said, "Now I can sleep peacefully for the first time in years."

On September 27, 1969, in the Santa Cruz Church, Jack followed his Lord in baptism along with 17 others, all of whom were led to Christ through the efforts of laymen. Today, by God's grace and a series of small miracles, Jack is a student at PUC preparing himself for a place in God's work.

Through the summer season of 1969 Santa Cruz TeeNacT served over two thousand young people. They developed 15 good interests. They crossed paths with many strange people and learned valuable lessons in what commitment and dependence on Jesus Christ and prayer could mean in their lives and in the lives of others.

There was the fellow who came in and said he was Jesus. There were the drug users and the alcoholics. There was an appalling number of youngsters, 12 to 15 years of age, who were seemingly entirely on their own.

There was no problem with having Bible discussions. The "Good Book" is a great leveler. People with strange and sometimes weird philosophies could somehow meet at this common point of reference. Around the fireplace at night a feeling of nostalgia came over some of these youngsters and some were persuaded to return home, carrying with them the warmth and friendship of the Center. By God's grace we hope to meet many of them in the Kingdom.

FRANK T. MUNSEY, Pastor,  
Santa Cruz Church.

## Six New Members Welcomed by the Redwood City Church

Six wonderful people were welcomed into the Redwood City Church recently—four by baptism and two by profession of faith. And who gets the credit? Would it be the church member who 30 years ago sold a family a set of books? The Christian witness of Adventist neighbors? The Dorcas leader who enrolled them in the "Go Tell" program? Or would it be the pastor who carefully guided them in their final preparations for church membership?

Actually, as with so many, all these and no doubt others have had a very real part, and all will receive "credit" in heaven's ledger.

Three generations of new Adventists are represented by Mrs. S. Lincoln, aged 84; Mrs. Lena Coates, her daughter; and Thomas Lincoln Coates, Mrs. Coates' son. Another family, Mrs. Maria Cortez and her two daughters, Blanca and Maria Marquez, were baptized also.

This is the fourth baptism this year for the Redwood City Church. No wonder there is joy in the lives of the members there!

### Three-week Series Concludes With the Baptism of Twelve

"On the fifth night of our classes, which concluded our three-week series in the Reedley-Orosi-Dinuba area, we reviewed the baptismal vow and rejoiced with the 12 who have already been baptized or are planning to be soon," writes Elder R. A. Rentfro, conference evangelist.

"In addition," reports Elder Robert Wiedemann, "I believe that we will have another 13 who will later be baptized, which could well bring the total from our work to 25."

Elder Rentfro presented the message four nights each week at the corner of Alta and Dinuba streets in the Canvas Cathedral. The premises were well lighted because the tent was located in a large golf driving range which had been designed with outdoor flood lights for night use.

Elder Rentfro appreciated the prayers and support of the believers in this area as well as the host pastors, Elders Robert Wiedemann and Robert Reiber, and their wives.

Elder Rentfro writes, "We shall long remember the dear man who made his decision from his sick bed; and the couple the Lord freely delivered from the tobacco habit; and the Korean woman we talked to out in the raisin field, who made her decision for baptism also. Belonging to a Korean-speaking church, she worried

## Doris Syme Appointed to New Post at the Medical Center

The appointment of Doris Syme of Glendale to the position of assistant administrator for financial affairs of the White Memorial Medical Center, Los Angeles, was announced by Ronald Sackett, administrator, and Helmuth Retzer, chairman of the board.

Miss Syme formerly held the position of controller. This new appointment carries added responsibilities in the field of budget management.

A Master of Science graduate of the University of Southern California, she formerly was at Newbury Park Academy for 13 years where she was the assistant business manager, then moved to the Glendale Adventist Hospital where she served as an administrative assistant. Since March of 1968 she has held the position of controller at the Medical Center.

## Progress Noted at Hacienda Heights Evangelistic Program

The Doleman evangelistic program in Hacienda Heights is making real progress. We have enjoyed a good response from the community and the church. At this writing we have just 10 more nights, and the interests are building up.

October 11 and 25 were set aside for baptisms. Please send us the names of friends, relatives, and any Bible interests that reside in the Hacienda Heights, La Puente, and Basset areas.

We appreciate your prayers for the success of this soul-winning program.

T. A. NICKUM, Pastor,  
Hacienda Heights Church.

## Los Angeles Central Church Choir to Present an Oratorio

On November 1 the choir of the Los Angeles Central Church will present, as a vesper program, a complete performance (including the Prologue) of "The Holy City," an oratorio by Alfred R. Gaul. The oratorio is a reflection on the New Jerusalem as described in scripture and verse, using double choirs, female and male choirs, and soloists.

The 30-voice choir will be directed by David Johnson from the organ, and will feature as soloists sopranos Linda Tulio and Marian Graham, altos Carol Wren and Dorothy Skadsheim, tenor William Knipple, and bass LaMarr Profit.

All are invited to enjoy this outstanding music on November 1, at 4 p.m. at the Los Angeles Central Church, 621 West 21st Street.

RALPH E. BROWNING, Pastor,  
Los Angeles Central Church.

## ASDAN Meeting Scheduled at the White Memorial Church

ATTENTION, ASDAN members and all Adventist registered nurses and licensed vocational nurses: The next meeting of the Association of Seventh-day Adventist Nurses, Southern California Chapter, is planned for Sunday, November 2, at 7 p.m. at the White Memorial Church.

The subject will be "Nursing Improvisations in Mission Fields," presented by a panel of faculty members, students from Loma Linda University, and Mrs. Lloyd Mason, formerly of Monument Valley. Ruth White, professor of public health nursing, is moderator.

Remember that with the rapid increase of medical knowledge, there is now more to improvise. How are the modern challenges met? There are unexpected answers that will intrigue you. Come and hear.

PLACE: White Memorial Church, Educational Rooms, main floor.

DATE: Sunday, November 2.

TIME: 7 p.m.

ESTHER RADINZ, Publicity Director,

The music department of Newbury Park Academy provided the special music with a brass trio and a flute soloist.

The new hospital is a 118-bed facility, air conditioned, fully carpeted, and located in a beautiful residential area of Glendora.

Visitors were able to take a self-guided tour of the new facility before guests were moved over from Azusa Valley Sanitarium.

Those who would still like to visit are invited to come to the hospital located at 435 East Gladstone Avenue.

## Ground Is Broken for Health Manor at Ventura Estates

Ground was broken on October 2 at Ventura Estates for a new 48-bed health manor. Most of the 136 residents of the home were on hand for the service.

A short concert was given by the Newbury Park Academy band under the direction of Dale Rhodes. Speakers included Elder Dan C. Butherus, administrator; Elder Helmuth C. Retzer, president of the conference; and Elder Merwin Jones, secretary of the conference association.

Honored in breaking ground was the oldest patient at Ventura Estates, Mrs. Minnie Wallace, who celebrated her ninety-eighth birthday on August 1.

## Filipino Church of Highland Park Has Baptismal Service

The first baptism of the new Filipino Church in Highland Park was solemnized by Pastor Ambrocio A. Alcaraz, church pastor, on Sabbath, September 20, at which three souls were baptized. They were Eleanor Liwag, Marlene Andrews, and Freda Yuson. The first one was prepared by Pastor P. H. Romulo, while the last two were prepared by Pastor Alcaraz.

The baptism, however, was held in the afternoon at the old Compton Filipino Church because Highland Park Church has no baptistry yet. Pastor Alcaraz said that soon they will install a baptistry tank at the new church.

## October 25—Opportunity to Give for Temperance Work

World Temperance Day is Sabbath, October 25, when our churches will be given another opportunity to make a temperance commitment and contribute to our great temperance work.

The news media are daily carrying stories about drug abuse, problems of alcoholism, and why smokers should quit. The demand on our temperance films, literature, and Smoking Sams has never been greater. Thousands of people thank us and you every year for the help the church is able to offer.

We must call your attention to our needs and hope that in this way you will feel impressed to contribute generously to the work:

A number of our old films need replacing. We are using them constantly in schools and in the Five-Day Plan. They have helped so many people. And there are several new films just released. We wish to get these for our library.

The Five-Day Plan appeals to more and more people. Your offering will permit us to give them more materials and also help us buy better displays to use in our presentation.

We need to send out many more subscriptions to *Listen* magazine.

We should expand our temperance program and contests for our Seventh-day Adventist schools.

The temperance work should continue to be in the forefront of our work and with your help we will do our best to make it so. We certainly appreciate the good offerings you have given in the past and know that if the young people who have been helped could personally visit with you, they would want to thank you for helping to save them from the tobacco habit, alcoholism, and drug addiction.

M. V. JACOBSON, Secretary,  
Temperance Department.

## Physicians, Dentists Invited to Meet With Church Pastors

Physicians, dentists, and church pastors will gather with their families for a weekend of talks and discussion about how they can better cooperate in the church's medical ministry November 7 to 9 near San Bernardino.

Meeting at the Campus Crusade for Christ headquarters in the Arrowhead Springs Hotel, they will hear Dr. Paul McCleave of the American Medical Association on Friday evening. Dr. Kenneth Pepper, director of the Pastoral Counseling and Education Center, Dallas, Texas, and Dr. Wayne McFarland of the School of Physical Medicine at Jefferson Medical College, Philadelphia, Pennsylvania, will speak on Sabbath afternoon and Sunday morning.

All Adventist physicians and dentists are invited and should notify the conference headquarters immediately if they have not already done so. The meetings will close Sunday noon. We look forward to a good weekend of fellowship and discussion together.

M. V. JACOBSON, Secretary,  
Health Education Department.

## Orange-San Diego County Meetings Well Attended

Camp meetings in Orange and San Diego counties drew excellent attendance to hear a variety of denominational speakers. At both meetings Elder George Vandeman was on the speakers' list and gave an inspiring report of the progress of the *It Is Written* television program.

Special Friday evening features included representatives from the Voice of Prophecy, in the Anaheim Church, and Mr. Emilio Knechtle, a lay worker from New Canaan, Connecticut, at Paradise Valley Church.

Afternoon speakers included Dr. Edward Heppenstall of Loma Linda University and Mr. Knechtle, as well as musical programs and a sacred concert by tenor vocalist Norman Nelson. Speakers at services for the children included Elder Dave Osborne, Pastor John Brunt, Pastor Rick Rice, and Mrs. Josephine C. Edwards.

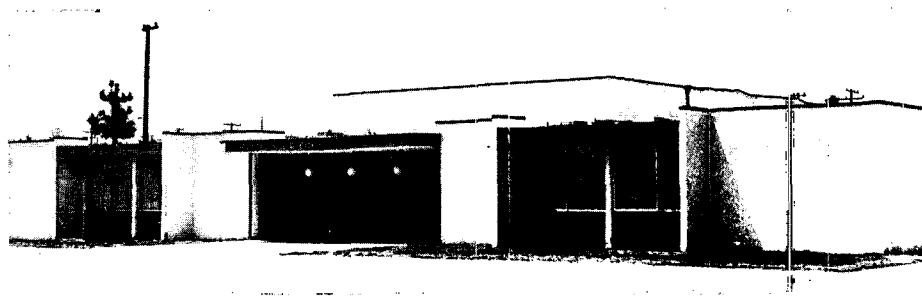

Among speakers at the two camp meetings were Elder George Vandeman and Mr. Emilio Knechtle.

At the morning worship service in San Diego Mr. Knechtle challenged the youth to begin immediately to personally witness for Christ in the vicinity of the camp meeting auditorium. So that afternoon about 35 youth under the direction of Elder Dave Taylor went to the city square and other downtown areas to distribute literature and talk about Christ. Returning one and a half hours later for a Sing-In, they brought enthusiastic reports of their experiences.

The new Anaheim multi-purpose building, a part of the church complex valued at nearly \$700,000.

## Anaheim Adds Multi-purpose Building to Its Church Complex

A lovely new multi-purpose building has been completed recently by the Anaheim Church members. It covers some 11,000 square feet and includes an auditorium with a large indoor fireplace made of split-face marble imported from Italy. The building has air conditioning and indoor-outdoor carpeting throughout.

Extensive space has been provided for the Pathfinders, including an assembly room, a craft room with plenty of cupboards, a storage room for camping gear and other equipment, and a darkroom for photography.

The new Dorcas Welfare facility would cause any director to be pleased. Included is a large workroom area with cupboards along an entire side of the room, two storage rooms for clothing and boxes, a kitchenette area and a laundry room equipped with a new washer and dryer.

Between the church and fellowship hall is a patio with a fire pit for outdoor recreation. The outdoor recreation area includes two shuffleboard courts and lawn area for croquet and other games. Yet to come, in order to make the outdoor recreation court complete, is a 60-by-95-foot cement slab for roller skating, basketball, and volleyball.

The building's kitchen is equipped with a commercial stove and double oven, a new 31-cubic-foot refrigerator and freezer, and it is located where it can serve both the fellowship hall and patio.

The Anaheim Church members contributed nearly 90 percent of the work to

## KCST in San Diego Is Now Carrying Faith for Today

Faith for Today may now be seen in San Diego on a new outlet every Sunday at noon. Beginning October 12, the program is being seen on television station KCST, channel 39.

C. ELWYN PLATNER,

complete the new all-purpose building. The church acted as its own building contractor and Dr. Thaine Price served as chairman of the building committee.

The new structure is valued at approximately \$225,000 and was built for less than half that amount. The outlay of cash amounted to just a little more than \$100,000. It is now free of all indebtedness.

The Anaheim Church itself was dedicated free of debt in May of 1968. This new addition brings the church complex to a total value of nearly \$700,000. It is one of the nicest church plants to be found anywhere in our denomination and it is a lighthouse in the city of Anaheim.

The church members are to be commended for their interest in the Lord's work and we praise the Lord for His goodness to the children of men for making all this possible.

ROBERT L. WHEATLEY, Pastor.

## Henry Barron Conducts Five-Day Plan at Hemet Hospital

Nearly one hundred persons attended a Five-Day Plan to Stop Smoking conducted by Elder Henry Barron at the Hemet Hospital.

Medical speakers in the programs included Horace Spear, M.D., a radiologist at the Hemet Hospital, Glenn Halverson, M.D., and James Mead, M.D.

Elder Henry Barron presents a Five-Day Plan to Stop Smoking program at Hemet.

Coordinated by Elder William Hubbs, the program was sponsored by the local Kiwanis Club of which Dr. Clinton Emerson, an Adventist, is president.

The audience was so enthusiastic at the conclusion of the program that they called for an additional meeting the next week and asked for another Five-Day Plan as soon as possible for their smoking friends. Several participants had been smoking for 50 years or more.

One participant in the Five-Day Plan at Hemet has offered to show the film used in the program to youth at the local YMCA.

Elder M. V. Jacobson visited one evening and presented a demonstration with two smoking manikins. Elder Jacobson later remarked, "We need many pastors throughout our conference who would be willing to conduct these programs on a regular basis." C. ELWYN PLATNER.

### San Quentin Gives Symphonic Choir a Standing Ovation

The members of the Symphonic Choir found it a thrilling experience when they presented their concert to the inmates of the San Quentin Prison Sunday, September 21.

As the choir members gathered on the parking lot just inside the first gate and looked out on the deep blue water of San Francisco Bay with the San Rafael Bridge distinctly in the background, they wondered if the inmates were able to see this beautiful view which they could enjoy with such freedom. Apparently they could not because after the choir had donned their robes and left all purses and metal pieces behind, they went through the second entrance, had their hands stamped, and found themselves in a courtyard with tall buildings all around it.

This was the first concert the Symphonic Choir had ever presented at San Quentin, and, incidentally, this is the first *mixed* choir of men and women they had allowed within their gates in six years. They let us come with a slight bit of apprehension, it seemed, saying they would "see how it went." The men applauded every number as though they enjoyed it and at the end of the program rose to their feet cheering and clapping.

After the concert was over, a group of six of the prisoners entertained the choir with a couple of impromptu numbers, putting on an excellent performance. The first number was "The Story of Job" and the second was about Noah.

Before leaving the grounds, the members of the choir received refreshments at the snack bar with compliments of the prison and went home feeling this was one of the most worthwhile concerts they had ever presented.

The choir will be visiting other interesting places in the future. The next few concerts will be:

### LLU Students Conduct Week of Prayer at Thunderbird

Five Loma Linda University College of Arts and Sciences students participated in the annual fall Week of Prayer at Thunderbird Academy, Scottsdale, Arizona.

"In the chapel talks we tried to show Christ and His relationship to us, as well as how we can come to a better understanding of Jesus, rather than teaching doctrines to the students," says William C. Hayton, senior German major.

Other participating students included Dianna L. Segrue, senior education major; Joy L. Brunt, senior consumer related sciences major; George S. Henderson, junior history major; and Jack S. Duerksen, freshman theology major.

In addition to speaking at chapel services, the university students also held sings and counseled with students.

Thunderbird Academy Principal Hayden D. Lawson commented that the Thunderbird students "responded warmly to the understanding and sincerity of the La Sierra students. We are enthusiastic about this new approach and recommend it to other academies."

Academies interested in having the student group may obtain information from Dr. Robert L. Osmunson, Loma Linda University, Riverside, California 92505.

### Greek Government Invites LLU Heart Team to Athens

The Loma Linda University open-heart surgery team leaves next week for a second extended stay at the 1,300-bed Evangelismos Hospital in Athens, Greece.

Invited to Athens by the Greek government, the team will carry on a six-week clinical program including performing open-heart surgeries, lecturing, and demonstrating techniques for Greek physicians.

Heading the heart team on the clinical tour is Dr. Ellsworth E. Wareham, professor of surgery. Other team members who also made the 1967 tour to Greece include Dr. C. Joan Coggin, assistant professor of medicine, the team's pediatric cardiologist; Dr. Wilfred M. Huse, assistant professor of surgery, second surgeon; Dr. Roy V. Jutzy, assistant professor of medicine, cardiologist; Lavaun W. Sutton, assistant professor of nursing, intensive care cardiac nurse; and Raymond M. Savage, heart-lung machine technician.

New to the team are Dr. Allen L. Brandt, associate clinical professor of anesthesiology; Leonard L. Bailey, intern in surgery at Loma Linda University Hospital; Ann J. Ekroth, surgical nurse; D. Larry Miller, senior School of Medicine student; and Richard W. Weismeyer, public information officer.

Air fares for the international goodwill project are being subsidized by the Greek government. Other expenses are being met by members and friends of the Greek Orthodox Church.

### Dr. W. Fletcher Tarr Is Appointed to Public Health Services Panel

Department of speech chairman Dr. W. Fletcher Tarr has been appointed to the California State Department of Public Health Crippled Children's Services panel. The Crippled Children's Services panel

in California is composed principally of physicians with allied specialists. The program is designed to provide crippled children with medical and health services to help them achieve maximum physical and social development.

Dr. Tarr is also director of speech pathology and audiology at Loma Linda University Hospital.

### Dr. Richard C. Nies to Speak for LLU Fall Week of Devotion

La Canada psychologist Dr. Richard C. Nies will speak on the Loma Linda campus during the university's Fall Week of Devotion October 31 to November 3.

Theme for the annual week will be "In His Image." Christian theology will be presented in the light of contemporary psychological dilemmas.

Topics to be discussed include "Sexuality: Promiscuity"; "Emotionality: Sensitivity Training"; "Spirituality: Extrasensory Perception"; "Rationality: Situation Ethics"; "Responsibility: Drugs and Riots"; "Individuality: Psychotherapy"; and "Directionality: Existentialism."

Dr. Nies graduated from the former La Sierra College with a religion major; received a Master's degree in Biblical languages from the Seventh-day Adventist Theological Seminary, Berrien Springs, Michigan; and earned his Doctor of Philosophy degree in experimental psychology from the University of California at Los Angeles.

### Two Building Projects for La Sierra Closer to Realization

Two major building projects for the La Sierra campus of Loma Linda University, a library and a physical education center, are moving closer to realization, says David J. Bieber, university president.

The library site approved by the University Trustees lies between Hole Memorial Auditorium and Angwin Hall. It is adjacent to, and overlaps, the present location of Gladwyn Hall, a women's dormitory constructed in the early 1920's. The Trustees have asked the administration to study the problem of providing housing units to replace Gladwyn Hall and to report back with a suggested plan by January. With the housing problem resolved, construction of the library is expected to begin next summer, says President Bieber.

The completed library will accommodate 700 students and contain 250,000 books, more than double the resources now available in the Fulton Memorial Library. A proposal of the Library Planning Committee, headed by Dr. Wilfred J. Airey, professor of history, for adding the shell of a fourth story to the planned three-story structure, so that the new library could be expanded later, is under consideration. If approved, that plan would pave the way for a library that eventually would accommodate 900 students and 400,000 books.

Construction of the new gymnasium to replace College Hall will begin during 1972-73 school year. The multi-purpose gymnasium would provide new facilities for the department of physical education, health, recreation as well as give added space for student assemblies and community programs, plus faculty offices and an alumni center.

### MV Summer Activities

In Fallon, Nevada, 20 students from PUC, under the direction of Howard M. Barron, MV secretary for Nevada-Utah, and Calvin Knipschild, student leader, contacted every home in the town. Approximately 4,000 people live there, and so much interest was aroused that an evangelistic series is now being carried on which we pray will result in many baptisms.

These students performed something which we hope can be repeated in many places next summer.

### Fairs

Many youth served in temperance booths, and in county fairs, demonstrating Smoking Sam and Sue and other devices. The interest was overwhelming; so many people stopped that they blocked the aisle. At the Sacramento State Fair 2,000 people signed up for the Five-Day Plan. These names have been sent to pastors in the areas where the people live, and they will be invited to attend Five-Day Plans soon.

### Bible Conference

The Student Leaders Bible Conference, held at Camp Wawona, was the third held thus far by the Pacific Union Conference, and certainly one of the finest. The attendance was the largest. All the colleges and academies of the Pacific Union were represented.

The theme was "Follow Me," and we believe a fire was kindled in each heart which we pray will be carried back to each campus.

An altar was set up; each school went down to the river and brought back a stone to build this, under the supervision of William Dopp, youth director of South-eastern California.

Then Friday night and Saturday students gathered around this altar where a flame was started. From this flame candles were lit to symbolize the torch of truth and love which every student would carry back to his campus. Speakers included Elders Clark Smith, Ted Wick, Wilton Baldwin, E. Stanley Chace, and Dave Osborne.

Each man presented Christ in such an attractive way that hearts were melted, and decisions followed.

Discussion leaders presented topics like "One-to-One Witnessing," Ted Wick; "Stay Alive-Daily Living," Dave Osborne; "Packaged for God," Clifford Sorensen; "Is Christian Education Failing You?" E. Stanley Chace and Wilton Baldwin; "Music for Now," Wayne Hooper; and "Students and the Draft," Clark Smith and Harry Garlick.

Since each of these topics was of current interest to youth, they all participated.

Students, full of vitality, enthusiasm, and zeal, provided the real spark of the conference. Almost everyone participated in the discussion and experience meetings and the One-to-One Witnessing on Sabbath, and all returned to their campuses Sunday with a new determination to finish the task on their campuses as well as in their communities.

This is a new day for our youth!

MILLER BROCKETT,  
Youth Director,  
Pacific Union Conference.

### Put Your Camera to Work for the Lord—and Enter Contest

If you're handy with a camera, have you been shooting for your church? Have you been shooting for the North American Division Photo Contest, which closes December 31?

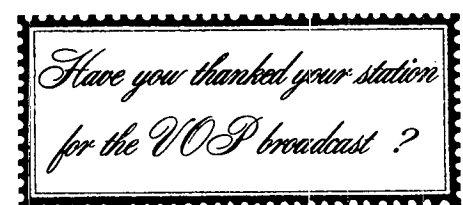

Someone will win the grand award of \$100, or one of the other 11 cash prizes—and serve his church too! It might be you!

There are still a couple of months left to take pictures. Perhaps you have already taken some prize-winning photographs this year. If you do not have a copy of the rules and categories, write now to Bureau of Public Relations, General Conference of Seventh-day Adventists, 6840 Eastern Avenue, N.W., Washington, D.C. 20012.

Anyone in North America may enter the contest. Even if you don't win a prize, your picture may be just the one needed some time to help your church tell its story, and you will receive remuneration for its use at that time.

Top pictures will be published in *Tell* and the *Review and Herald*.

Put your camera to work for the Lord.

### Two Arizona Pastors Holding Benson Evangelistic Meetings

On Saturday night, October 11, evangelistic meetings began in Benson and will continue for four weeks nightly, at 7:15, except for Mondays and Thursdays.

The meetings are being conducted by Elder Jim Upchurch, pastor of the Benson-Tucson Mountain Avenue District,

Pastors Jeffrey K. Wilson and Jim Upchurch.

and Pastor Jeff Wilson, associate pastor. The speaker for the series will be Pastor Wilson, and music will be under the direction of Pastor Upchurch.

The opening night's topic was "Jesus Christ: Good-man or God-man?"

Please pray for these meetings, and if you have friends or relatives living in the Benson, Willcox, and Bisbee area, please send their names to the Benson Seventh-day Adventist Church, Box 327, Benson, Arizona 85602.

JEFFREY K. WILSON,  
Associate Pastor.
