

# Mission '72

For reasons not always clear, man's search for answers to his perennial problems has become desperate, often irresponsible and violent. His actions, although intended to improve his circumstances, have in reality made them worse. Once caught in this spiral it is impossible for either the individual or society to escape to the higher ground necessary for life eternal.

Mission '72 now comes to every layman, teacher, pastor and administrator as a responsibility and opportunity to help fellow humans escape the adversary and enter into a life of eternal love, peace and joy. No one is immune from his obligation of stepping forward and sharing a message of love and salvation.

## Souls Are Won to Christ as a Result of Ingathering

The Ingathering Crusade for 1971 has been a real blessing to our overseas work as well as to the work in the North American conferences. It has also been a blessing to our many friends who were privileged to make contributions to the finishing of God's work, and to those who participated in gathering the funds and con-

tacting the thousands of homes with literature.

Sometimes we are inclined to forget the great opportunity the Christian enjoys, being connected with the Lord in the proclamation of the gospel to a lost world. For a moment let us imagine God to have appointed angels to preach the gospel to sinners. What a misfortune would have been ours if we had been denied any part in helping to save our fellow men!

God's infinite love granted man the privilege of preaching the gospel of Jesus by participating in the Ingathering Crusade. Many thrilling stories are coming to us, not only from the North American Division but also from overseas fields, of how souls have been won as a result of Ingathering contacts.

In the 1971 Crusade the North American Division alone raised \$7,327,977.81. This is a very small amount considered in the light of the world's wealth and the blessings which our Heavenly Father has given us in this land of America. Yet this more than seven million dollars will do much toward the support of God's work in the overseas fields and here in the homeland.

When we consider the need in the

hearts of men and women about us, we should feel ourselves privileged to participate in the 1972 Ingathering Crusade—if for no other reason than to contact our neighbors and friends and tell them of Jesus' soon coming. As we speak to them of the love of God, their hearts will be warmed and they will want to support the work which God has commissioned us to do.

Surely God has blessed us in America with wealth and prosperous times beyond anything in the history of the world. We are under a great obligation to Him for these temporal blessings. It should be a privilege for us to not only contribute out of our own pockets, not only to participate in the gathering in of funds from our neighbors and friends, but to speak to them of the love of Jesus and wherever possible pray with them in their homes.

I am sure there are many members who will endeavor to raise \$72 in the 1972 Crusade. May God bless us as we "Give a goal, raise a goal, and win a soul." Let us pray together that this will be the greatest soul-winning year in the history of the church.

## Important Bible Study Milepost Reached at VOP

Bible study by correspondence has reached an important milepost at The Voice of Prophecy—a half million graduates since the English Bible School was begun in 1942.

The young man who happened to be number 500,000 is Edwin E. Zirkwitz, 21, a Simon Fraser University student in Vancouver, British Columbia.

Bible School records show that Zirkwitz began the Faith Bible course May 27 and completed the 40-lesson course just three months later.

Upon discovery that Zirkwitz was the half-millionth graduate, W. W. Rogers, British Columbia radio-TV secretary, was

## SO YOU WILL KNOW...

Early in the week beginning November 7 the full board of Pacific Union College met on the campus for its annual fall meeting. The full board meets twice a year—in the fall and in February or March. In the interim, an executive committee of the board takes care of the day-by-day operation of the college. In 1972 the meeting will be in February because we are clearing the slate of all appointments during the month of March in order that all can become involved in "Mission '72."

At PUC this year are more than 600 freshmen and 75 enrolled in the fifth year or masters' programs. Total enrollment is almost 2,000, with 90 per cent of these being residents within the Pacific Union Conference territory.

The board was pleased with the progress being made at the college both in spirit and in physical growth. Officers of the "Committee of 100" were on the campus and informed the board of their plans to raise funds and build the first phase of a science complex, a building including much-needed classroom space. We are grateful for the enthusiasm of Dr. Caleb Davidian, president of the committee, and his fellow officers and members.

This week a group has been meeting in Glendale to give further consideration to the establishment of the center that will house such facilities as Faith for Today, The Voice of Prophecy, and It Is Written. This is a major undertaking, but all feel confident that it will lead to an increased thrust by these different evangelizing agencies and will result in better utilization of the dollars available for this purpose. Asked by the Board of Directors of the new facility to consider this matter were: R. R. Bietz, Paul Damazo, H. C. Retzer, A. G. Munson, William Lawson, and I.

Earlier this month I visited with Dr. Samuel Fritz who had just returned from a three-month period in the Orient where he used his surgical skills and talents to assist in the program at our hospital in Bangkok. He also visited other medical institutions throughout the Far East and returned home very excited about what is being done in these different areas. Numerous physicians and dentists have given of their time and professional skills in like manner, and we wish to thank them for all that they are doing to enlarge the influence of the church. A few days ago I saw Dr. Robert Hopkins who has been practicing in Stockton and who very soon will leave to enter into the teaching program at the medical center in Vellore, India.

A successful Five-Day Plan was conducted in the Nevada State Prison by Howard M. Barron, temperance secretary in the Nevada-Utah Conference, with the assistance of a physician. It was felt that this was an excellent opportunity to be of help to the men within the prison. Of two men who have been released recently, one has visited our church.

## Sabbath School Investment - "the Miracle Offering"

Marvelous are the workings of God in behalf of His people when He is included as a partner. Sabbath School Investment is referred to as the Miracle Offering because so many miracles have been performed for loyal Sabbath school members as they have selected an Investment project and asked God to help them with it.

Investment had its beginnings back in 1880-1890 when certain church members conceived the idea of dedicating an amount of money, some cattle, a portion of a crop, or some other project to provide funds for church needs. It was an idea that caught on and continued to grow.

In 1905 in Hamilton, Missouri, Lottie Lohman gave five cents to each of five children—Alice, Faye, Mary, Katherine, and Alfred. They bought seeds to plant, or purchased eggs for hatching. These nickels multiplied under the blessing of God until the children had \$11.52 for missions.

The responsibility for promoting the investment program in the beginning was given to the Home Missionary Department of the Unions, then later to the General Conference Home Missionary Department. In 1925, Mrs. L. Flora Plummer, then secretary of the General Conference Sabbath School Department, suggested that the Investment for Missions plan be added to the offering family of the Sabbath School Department.

Since its beginning, over \$16 million has come in from this source to the General Conference for missions. Last year, over \$2 million came in through the Investment program. What a privilege to work with a Partner who never fails.

"We can every one of us do something, if we will only take the position that God would have us. Every move that you make to enlighten others brings you nearer in harmony with the God of heaven. If you sit down and look at yourself and say, 'I can barely support my family,' you will never do anything; but if you say, 'I will do something for the Truth, I will see it advance, I will do what I can,' God will open ways so that you can do something. You should invest in the cause of truth so that you will feel that you are a part of it." *Counsels on Stewardship*, p. 304.

## 'Better Living Center' Dedicated for Use on November 1

"The Better Living Center," a public service facility, was dedicated for use November 1 at the Newport Harbor Seventh-day Adventist Church in Costa Mesa, California.

Workers in the Better Living Center are, left to right, Florence Raschka, Thelma Jeffreys, Edith Fowler, Frieda Raschka, and Bertha Clayton.

This unique Center will provide such services as family and marital counseling, drug and alcohol abuse forums, a monthly Five-Day stop smoking program, classes in the art of nutritional cooking, first aid classes, lectures both on body care and dental health and a weight-watchers forum.

Church members have volunteered their time to serve as interviewers while professionals will conduct the varied public services as they are offered. Fred Kollwitz, M.D. and Reuben Ramkisson, M.D., will assist Elder Melvin Jacobsen with the first Five-Day Plan which began November 19. Allen Pederson, D.D.S., Lin Martin, D.D.S. and Anatol Chari, D.D.S., will lecture on nutrition and dental health. Scottie Buss, Orange County probation officer, and Elder Joseph Jeffreys will care for the family and marital counseling programs. Josephine Green, R.N., is the director of the Center, assisted by Bertha Clayton and Thelma Jeffreys. Elder Jeffreys will coordinate the various programs offered to the public.

Through the services of this facility we plan to aid people of this metropolitan area to enjoy better physical, mental, and spiritual health.

## The Don VanOrnam Family Leaves for the Philippines

The La Sierra Church once again has the privilege of sharing a missionary family with the educational work in the Far East. The Don VanOrnam family left Riverside early this month to connect with our Philippine Union College in Manila where he assumed the duties of business administrator on November 15. This is the third family in two years to leave from this church for the Philippine Islands as college personnel.

Don VanOrnam and his wife, the former Barbara Slocum, are alumnae of Loma Linda University. He was graduated with the class of 1958 with a bachelor's degree in business administration. Then in 1966, he acquired his master's degree in the

The Don VanOrnam family

same field at the University of California, Los Angeles. Barbara VanOrnam graduated with the nursing class of 1959.

The VanOrnams have already spent eight years in foreign mission fields, having been connected with our Solusi Missionary College in Rhodesia, Africa, from 1960 to 1968. During their furlough here in America, he has been filling the office of treasurer with the Western Branch of the General Conference Insurance Service at La Sierra.

This dedicated couple expressed themselves as being most happy to be again identified with the work in mission lands. Having tasted the joys of front-line service they are looking forward to rewarding experiences in the Philippines. Their five daughters seem to share this happy mood. Three of the girls are African-born Americans. The whole family has been a welcome influence in the church and community. Many prayers and good wishes accompanied them as they were outward bound to a new missionary adventure.

AMY WILSON, Press Secretary.

## 500,000TH GRADUATE

asked to deliver the course diploma and extend to him the congratulations of the entire broadcast and Bible School staff.

When Mr. Zirkwitz was enrolled, Pastor George Atiga, Bible School instructor, was assigned to care for his lessons. Pastor Atiga is one of 18 Bible instructors in the school, each of whom receives and grades thousands of lessons every month from students in the 11 courses offered by The Voice of Prophecy.

From the establishment of the Bible School until the first 100,000 students were graduated took 18 years. Last year, 12,452 persons were graduated from the various courses. During the same period some 2,143 graduates accepted Christ and were baptized.

Zirkwitz is now observing the seventh-day Sabbath and is attending the Vancouver Central Adventist Church, where he was baptized November 6.

## Disabled Burnett Gregory Accepts Jesus Christ

Brother Burnett Gregory (center) looks at his baptismal certificate the day he was received into fellowship by the Barstow Company. Brother Gregory has been paralyzed for about one year, but despite his disability he was always present in church, thanks to the patient effort of his sister and brother-in-law, Mr. and Mrs. Robert Watkins. He was determined to follow his Lord and on October 16 he was baptized at home in his bathtub by Elder Clayton Pritchett who was assisted by Brother Watkins.

## El Cajon Pathfinders Collect Food and Clothing on Halloween

El Cajon Pathfinders, in their uniforms, spent Halloween night collecting food and clothing for the needy instead of "trick or treating" for candy for themselves.

Under the supervision of Richard Pederson, club director, and his assistants, the members set out, going from door to door giving out leaflets and inviting people to enroll in a free Bible course. They solicited food and clothing that will soon be distributed to the needy. The Dorcas Society,

under the direction of Harriet Briggs, will take care of distributing the clothing in one of their many projects.

Thanksgiving baskets will be prepared and delivered to needy families in this area by the Pathfinder members using all of the canned food that was collected on Halloween.

By giving out the Thanksgiving baskets personally, it is felt by the club's director that it will be an incentive for the youngsters to really get out and work next year in an effort to help the needy.

The active El Cajon Pathfinder Club consists of 30 members.

OPAL L. KERR, Press Secretary.

## PUC Student Missionary Teaches at Monument Valley

The Nevada-Utah Conference is happy to have Scott Blum, a student missionary from Pacific Union College, as a teacher at the Monument Valley Mission. Scott is having an interesting year working with the Navajo and resident missionaries' children. We quote from his letter received at the conference office:

"I came to Monument Valley as a student missionary with high expectations of an adventure, and I haven't been disappointed. The beautiful countryside, the Jeep trails (which it seems most side roads turn out to be), the culture and craftsmanship of the Indians, the wonderful people I work with, and then of course, the students—what a mischievous yet lovable assortment—all this has the making of an unforgettable adventure.

"This doesn't mean that everything has been easy. For example, the language barrier is a real challenge. Most of the Navajo children speak more fluently in Navajo than they do in English. Their preference (or maybe necessity at home) to

speak Navajo makes their English vocabulary very limited, which makes explaining things difficult at times.

"But where their not-all-so-modern society may make communicating somewhat difficult, in other ways it is an advantage to the Christian teacher. The children's minds have not yet been exposed to the influences of television or the city. So we strive to fill the young minds with stories from the Bible.

"One great need I would like to express is Christian education for Navajo children. We have 23 students here at the Mission. Only seven are white. Our Navajo boarding school in Holbrook, Arizona, is full. Around 30 students have been placed in Christian homes from New York to California. Impressive? Very much so! But not nearly adequate. Many, many more young people need to be preparing for eternity. They need Christian homes, a Christian education.

"May my stay here be the blessing God intends it to be."

Virginia and Carl Rose, and Scott Blum, Pacific Union College student missionary, teach at the Monument Valley Mission School.

## THE FAITHFULNESS AND INFLUENCE OF MEMBERS WIN SOULS

When the evangelistic meetings in Las Vegas, Nevada, began in September, Mrs. Ora Johnson invited her long-time friend, Mrs. Beatrice Major, to attend. They have known one another since 1932 when Boulder Dam was being constructed. Though apart from one another at intervals, they have kept a steady friendship during the 40 years. Sabbath, October 30, Mrs. Johnson had the happy privilege of

seeing her dear friend baptized.

Among those baptized that same day were Mr. and Mrs. Adolph Aragon. The faithfulness and influence of a member, Mrs. Jean Reuck, has meant the addition of these two people to the church membership.

### "They Were Sensitive to God's Leading"

The early pilgrims gave thanks for the divine providence and care that they had received at the hand of God. They were sensitive to God's leading and none questioned the reality of their existence as a mercy of the Creator.

Today we live in a different America. The Promised Land has been reaped and we have filled our lives with provisions in abundance.

It seems that modern civilization and science have become our providers. The temptation is before all of us to accept this as a reality and fail to see that the same God who watched over dedicated searchers for freedom of religion and ex-

pression is responsible for being our Provider today.

During this season of Thanksgiving, we ought to take advantage of the joy that comes from a spirit of gratitude and praise. Nothing will strengthen our outlook, lift our spirits, and improve our health as will this ageless panacea. There are several areas of our lives that God touches each day for which we may be grateful, such as the basic necessities of life, food, shelter, clothing, blessings bestowed in their many varied gifts, loving kindness from a God in heaven to us in a world nearly void of this vital gift of the spirit, for past and present mercies, and for unmerited favors. Nor should we overlook the great challenges of life but give thanks for them as well. Sickness, financial reverses, disappointments in our social relationships, pain and unrealized goals all should be received with a positive attitude. Muscles are not built by picking up feathers, nor mountains moved with teaspoons. Paul met adversities more than most of us, but could say, "Being enriched in everything to all bountifulness, which causeth through us thanksgiving to God." 2 Cor. 9:11.

Let's thank God for everything that comes our way, and see what God is trying to help us develop that we may become more like Christ.

JOHN V. STEVENS, President.

### 125 Decisions Made for Christ

The Phoenix-area evangelistic crusade, conducted by Elder W. R. Bornstein, produced encouraging results. The series was held in the Family Center which seats about 1,000. Each evening the Center was well filled.

During the three weeks, more than 125 persons made their decision for Christ. Of these, 31 have been baptized. The others are meeting in baptismal classes.

Many favorable comments could be heard as people realized that "Christ Above All" is the answer to today's problems. Many good friends were made for the church.

Pastor Bornstein was assisted in the Crusade by the pastors of the Phoenix area. Nearly every church realized additions by baptism as the result of the meetings.

## Nevada-Utah Conference Office Becomes a Center of Activity

The Nevada-Utah Conference office was a center of activity on October 24 through 26. The conference committee met on Sunday, the 24th, followed by a two-day ministers' Mission '72 planning council.

During the first day, John Osborn, Pacific Union Conference ministerial secretary, spoke on sermon preparation in three 45-minute sessions and Philip Knoche, ministerial secretary of the Central California Conference, brought valuable help on securing decisions, expanding the ministry and conducting a successful soul-winning program.

Most of the last day was devoted to detailed study of the entire Mission '72 program. Pastors left the council with plans and courage to make 1972 a special year for soul-winning in every church.

Please write to lay activities secretary, Douglas Logan, of the Nevada-Utah Conference if your church needs literature to participate in the first phase of Mission '72.

### 1,500 Workers Attend Dorcas Federation Meetings

More than 1,500 faithful Dorcas Federation workers attended the recent round of seven Dorcas Federation meetings in Northern California. There was a tremendous spirit of loyalty. Thousands of kind deeds were reported by every Dorcas group.

The Turner Moving and Storage Company of St. Helena has furnished free transportation for approximately 200,000 pounds of clothing shipped from Northern California to the Watsonville Warehouse every year for several years. This clothing helps to provide a constant supply of emergency clothing for disaster and overseas shipments.

Northern California has a fine list of active Dorcas centers. We prefer to call these "Community Service Centers" rather than "Health and Welfare Centers." The service given by these centers is of a much broader and more spiritual nature than that indicated by the "Health and Welfare" title. Our chief work is that of preaching the gospel of Jesus Christ. We want every community service center to be a

### INVESTMENT PROGRAM REACHES ACTIVITY CRESCENDO

Everything in life seems to have its climax. During the month of November our annual Investment program in the Northern California Conference is experiencing a great crescendo of activity.

Junior boys and girls race for the Investment finish line when one or the other will fete the winners. George and Wilma Michaelson from Carmichael featured a "Pancake Breakfast" under the big oak tree from 8:00 to 11:00 a.m. At the same time, there was a great Investment and Dorcas sale. On October 31, Investment Leader George Michaelson's "Fig Harvest Festival and Sale" was to be conducted, with a donation potluck following.

Many of our members have personal projects. Torino Reitano, a dramatic tenor, and Naomi Beecher Reitano, his wife, have made a sacred record entitled, "Eternal Life through Christ." From the sale of every record, Brother and Sister Reitano have dedicated 50¢ to the Investment fund which will be given to the church wherever the purchaser belongs. To date, the Reitanos have given to various churches a total of \$116. The records are sold for \$5. Brother and Sister Reitano are available for sacred concerts.

### CAST-SIGNING EARNS MONEY AS AN INVESTMENT PROJECT

A unique Investment project was suggested by Barbara Mason, a ninth-grader, to Dorothy Toppenberg, wife of the associate pastor of Fortuna, when Mrs. Toppenberg broke her arm during a Saturday evening of games in the school gym. She asks for contributions toward Investment for the privilege of signing her cast.

Not only the Fortuna members willingly signed their names but other dignitaries far and near. "Smokey" the bear signed at the Veterans Parade in Arcata.

The climax came at a workers meeting in Napa when the conference workers had their chance.

To date she has over \$12. Since bones do heal and casts come off, a new project will have to begin soon.

LILLIAN M. WILLIAMS,  
Fortuna PR Secretary.

They can be contacted at 1513 Madrona Avenue, St. Helena, California 94574.

Howard Mallory, a retired carpenter, has an interesting Investment project. In his spare time he collects metal such as stoves, refrigerators, washing machines, and old cars, and hauls it on his truck to Oakland. When he drives about the neighborhoods he prays that God will direct him to people who have scrap iron. Brother Mallory decided that for every ton of metal he sold, he would give one dollar to the Investment fund. Since May, 1971, he has sold a total of 31 tons of scrap metal which means \$31 in the Investment fund for the Richmond Church.

(Those living in the Richmond area who have old metal or appliances lying around may contact Howard Mallory, 1814 Van Ness Avenue, San Pablo, California.)

Mary Nichols makes pictures out of sea shells and sells them for Investment. She has turned in \$38 so far this year. She writes that she needs more shells, so members who live on the beach and like to gather shells may contact Mrs. Nichols, P.O. Box 148, St. Helena, California 94574.

The above personal projects are typical of hundreds of Seventh-day Adventists who have gone into partnership with Christ through Investment. It is our prayer that every Seventh-day Adventist will have some kind of personal Investment project.

The month of November is a month of thankfulness. Let us show our gratitude to God by bringing in the fruits of our Investment on Investment Day, November 27. Those who do not have Investment projects will certainly want to bring an offering for Investment. The goal for adults is \$6 per member.

WHAT WILL BE YOUR INVESTMENT FOR THE LORD? "That which you bestow in the cause of God is not lost. All that is given for the salvation of souls and the glory of God, is invested in the most successful enterprise in this life and in the life to come." *Counsels on Stewardship*, p. 342.

CHARLES H. BETZ, Secretary,  
Sabbath School Department.

## Why Do You Ingather?

Why do you Ingather?

To raise money for the mission field? The gold and silver, the wealth, already belongs to God. He needs only to speak to gather in all He needs. But He won't ask for it unless you go with Him.

To tell others of the love of Jesus? The rocks will cry out if no other means can be found. Wouldn't you rather be His spokesman?

To tell others what our church is doing for Jesus? In 1960, children from the Takoma Park Church sang carols for the then Vice-president Nixon. They told him what their church was doing for Christ. If your church lives for Christ then your neighbors need to know. Don't you want to tell them?

To tell the needs of the mission field? He has made us of one blood, all nations. People's minds are focused on world brotherhood today as never before. Your neighbor knows that whatever affects a brother in any part of this shrinking world affects him.

To find former church members? When a contact says, "Oh, yes, I used to be a member of the church," will you say, "Oh, how interesting!" or will you invite him to come back, will you find out who he is and tell your pastor, and will you visit him again and encourage him?

To bring souls to Christ? Each year thousands of applications for Bible correspondence courses are received through Ingathering contacts.

To give new dimension to the Christmas season? We give gifts to a loved one on his or her birthday. And this is the time of year to draw our own minds and those of our friends in the community to the One whose birthday they celebrate. There is no better time of year than now to ask your community to give to Christ. You can

focus their minds on the spiritual significance of the season.

What will your birthday gift to Christ be this year? When your Christmas club check comes in the mail this year, save \$72 of it to give to Christ for the year 1972. Or give Christ a dollar for every year of life He has given you. Suggest to your children that they give Christ their Ingathering goal before they buy their gifts for the family. The junior goal is \$12.50, the primary is \$6.25. Your teenagers can be minutemen and give their Lord \$25.

Why are you Ingathering? . . .

### UKIAH CHURCH DEDICATION WILL TAKE PLACE NOV. 27

The dedication of the Ukiah Seventh-day Adventist Church, 1390 Laws Avenue, Ukiah, will take place at 3:30, Sabbath afternoon, November 27.

Elder R. R. Bietz of the General Conference will be in attendance. Northern California and Pacific Union conference dignitaries have also been invited, as well as local and State officials, and Congressman Don H. Clausen.

An outstanding program has been planned. As part of the dedication weekend, a special concert will be held at 7:30 Friday evening, November 26. The 40-voice Ukiah Church Choir, under the direction of Esther T. Munroe, will present the oratorio, "The Holy City," by Gaul.

Friends of the Ukiah Church are invited to attend the dedication weekend activities.

SHIRLEY ANNE MUNROE,  
Ukiah PR Secretary.

### GGA Principal Receives \$331 for School Operating Expenses

One of the high lights of the year at Golden Gate Academy occurred on October 7, 1971, when Boyce Dulan, vice-president of the Alumni Association, presented Mr. Darryl Comstock, principal, with a check for \$331 collected from the alumni members to go for the operating expenses of Golden Gate Academy.

Dick Post, president last year, was instrumental in collecting most of the funds.

Principal Comstock expressed great appreciation for the gift.

An all-day homecoming is planned for January 29, 1972 at the school, ending in a benefit program to assist in the continual program of Golden Gate Academy.

## Hawaiian Mission Membership Grows from 2,687 to 2,781

Our quarterly membership report reveals that our membership of the Hawaiian Mission grew from 2,687 to 2,781 during the first nine months of this year. Please note that this is a net membership increase and there were considerably more baptisms and additions by profession of faith than this, but even though we try faithfully to hold every member, it is utterly impossible to not lose some through apostasy and missing, and many by letter who move out of our field.

Naturally there is not too much we can do about those who transfer out of our field because often people are called to different areas of work to which they must of necessity go. We wish every member who joins our ranks could become a strong, faithful member to help win others.

## What Does Ingathering Mean? It Means . . .

What does Ingathering mean? Let us enumerate a few things it means to me and to you:

- It means cooperating with divine counsel.—*Counsels on Stewardship*, page 170:1
- It means an opportunity for hand and feet to go to work as well as the mouth.
- It means thousands of requests for Bible courses, Adventist literature, and information about Seventh-day Adventists.
- It means that countless homes receive an Adventist exposure.
- It means millions of dollars for the advancement of the cause of God.
- It means new and very real soul-winning possibilities.
- It means pleasant, social fellowship

## Waianae Hosts Southeastern California Conference President

On our recent visit to Hawaii, my wife and I spent a most enjoyable Sabbath visiting our church at Waianae, on the island of Oahu.

Several things made a significant impression upon us: the cordiality of the people, the way they so enthusiastically joined in the Sabbath school program and their evident commitment to Christ and the church.

The Sabbath school membership at the time of our visit stood at 72; however, the average attendance, Sabbath by Sabbath, varies from 75 to 90 members, of whom some 15 or more are neighborhood children whose parents are not Adventists.

Lemuel Leialoha is the capable general Sabbath school superintendent. It happened that our visit was on a 13th Sabbath and a most appealing program was presented by the children and the adults.

## Mission Office's Faithful Custodian Passes Away

Our hearts were deeply saddened when at closing time for the Mission Office on Friday afternoon, October 22, we discovered that Brother Manuel Hale had passed away in the Mission Office. Brother and Sister Hale had been very faithful and dependable workers and served as custodians since early in 1957.

Brother Hale was one who was always content to remain in the background. He had a smile for everyone and was never

In order to establish our members thoroughly in our truth, they must become a part of the working fiber of the church. The greater their interest and involvement in the church, the greater their desire to remain a part of this ever-growing Adventist family. To accomplish this, each church is urged to involve every church member, young and old, in the different programs of the church.

The many church programs, such as Ingathering, Mission '72, systematic literature distribution, the program of Christian education, the Pathfinder Clubs and youth work, temperance work, Dorcas activities, and a broad scope of other church functions, give an excellent opportunity for totally utilizing all of our talents.

with other believers in the church.

- It means a personal blessing for your participation, and your involvement, and your willingness to serve and help.
  - It means further assurance that untold numbers of people will be blessed materially and spiritually by the touch of the hand of the Seventh-day Adventist Church.
  - It means a thrill of achievement for work well done, a goal reached and exceeded, a victory achieved.
- For every Seventh-day Adventist believer, Ingathering this year will mean much, little, or nothing. What will it mean to YOU?

PHILIP W. DUNHAM, Secretary,  
Lay Activities Department.

Each of the divisions in turn reported the amount of the 13th Sabbath offering, which totaled \$187.30. For a church of 66 members this truly represents sacrificial giving, and amounts to almost \$3.00 per capita.

Under the able leadership of Elder Richard Among, pastor, and Brother Benjamin Leialoha, the small church has nearly completed an unusually attractive new sanctuary, seating nearly 200. It will soon be ready for occupancy.

MELVIN LUKENS, President,  
Southeastern California Conference.

found to complain. He was always willing to accept responsibilities when asked.

He loved his Lord and went to his rest doing the work of God which he cherished. We are certain that he will be among those who hear the call on the resurrection morning. He will be greatly missed, especially by the Mission Office staff. Our prayers will be that the love of Christ will ever sustain those bereaved.

M. O. CHANG, Secretary-Treasurer.

## Ingathering — the Most Thorough Missionary Endeavor

One of the best organized and most thorough missionary endeavors of the entire year is about to begin—the Ingathering. Even though I recognize some of our neighbor island churches have already achieved their goals and exceeded anything done in bygone years, yet the majority of our churches enter into the program fully around Thanksgiving time.

What does Ingathering mean to the Hawaiian Mission? Many things. First, as each home is approached with this annual visit, and a leaflet is left, it helps people throughout our state to be better acquainted with the work of Adventists. Number two, included in each one of these leaflets is an invitation to the receiver to send for additional literature on

this rapidly growing congregation around the world.

Third, Ingathering makes friends for the Hawaiian Mission of Seventh-day Adventists, because as people contribute their yearly offerings they have a greater interest in the work of our church. Generally speaking we are interested in that to which we contribute right along. The Scripture says: "For where your treasure is, there will your heart be also." Matt. 6:21.

Fourth, the funds solicited are used for the up-building of the work of the church in its total program of outreach for the betterment of mankind. It is well to remember when soliciting that it is the total program of the church that our appeal is based on. In knocking personally on thousands of doors in the Ingathering, I can say the residents of Hawaii are happy to contribute to the work of Seventh-day Adventists.

Our program is well known and appreciated, and the forthcoming campaign affords us tremendous opportunities to make many additional friends in our beautiful state.

## October Was the Highest Month of Tithe Giving in Our History

Our constituency will be happy to know that the month of October proved to be the highest month of tithe giving in the history of the Hawaiian Mission—a total of \$75,354.74. The nearest we have ever come to this in the past was in December, 1970, when we achieved \$75,061.02.

The faithfulness on the part of our people and the prosperity with which the Lord has blessed this land makes this accomplishment possible.

The tithe and mission giving statement which comes monthly from the General Conference to our Mission office indicated that our membership in Hawaii continues to have a strong leaning toward faithful missions giving. The report again clearly indicated that the Hawaiian Mission leads the Pacific Union fields in this important part of stewardship per capita.

During the first eight months of 1971, we have averaged \$1.375 per member per week toward our world-wide outreach. This we consider most commendable.

Possibly, being a mission ourselves, it helps us to understand a little more fully the importance of supporting our world-wide work through this regular weekly program. May God continue to bless each one as we make our impact felt through the work of our church around the world by continued faithful missions giving and support.

## Adventist Religious Broadcasts Can Now Be Heard Every Sunday

The people of Hilo and the "big island" will be privileged to hear an entire hour of Adventist religious broadcasts each Sunday afternoon. This is made possible by The Voice of Prophecy coming on the radio station KIPA, 1110 on your radio dial, at 4:30; and Elders Delafield and Rabanal following with a half-hour broadcast entitled "The People Want to Know."

Our special thanks to the membership of the Hilo Church for entering upon this missionary venture which should help our Hilo Church in its effort to reach more people in that community.

Elders Delafield and Rabanal are using a number of different approaches to reach the people evangelistically, including the Ingathering work, Five-Day plans, literature ministry, and now the radio work.

The gospel net can be used in so many different ways to reach people of different temperaments and backgrounds, as is being clearly demonstrated in the Hilo area.

R. E. DELAFIELD.

## Six Individuals Are Baptized

On Sabbath, October 9, six individuals were baptized into the Kaneohe Seventh-day Adventist Church. It is rewarding to know that these resulted from one initial hospital contact at Castle Memorial Hospital.

The associate chaplain followed up this interest with Bible studies which led to this entire group coming into the church. Our hospital continues to wield a good influence for the cause of right and we are grateful for its ministry in our midst.

## Santa Cruz Church Completes Evangelistic Series

Under the title of "Your Body a Temple," the Santa Cruz Church completed a successful fall evangelistic series. This was a cooperative effort on the part of the laymen, physicians and other health-related professions, the Bible instructor, and the pastor.

The program had three basic features: a community health-education forum, conducted by the health-related professions in the church, a school of nutrition, and preaching of the Word.

The school of nutrition was conducted by Mrs. Genevive E. Beech of Los Banos, each Sunday and Monday night of the campaign. Without doubt, this feature of the program was a definite factor in holding the interest to the end of the campaign. A 24-page recipe booklet was compiled and given to each family in attendance.

## Kern River Valley Company Witnesses Couples Baptized

On November 6, the members of the Kern River Valley Company were guests of the Bakersfield Central Church to witness the baptism of two couples from Kern Valley, Mr. and Mrs. William Duncan and Mr. and Mrs. William Dolloff.

These two couples had been reading literature for the past year from the Company-sponsored literature racks, and going from church to church trying to find the right one. Although they were not acquainted, they both began attending services with the Kern River Valley Company about the same time. Each couple requested baptism from the beginning.

Mr. William Klebba, leader of the Company, examined them for their knowledge of the truth and found them well grounded in the faith. Elder Stanley Harris performed their baptisms.

The Kern River Valley Company has nine literature racks throughout the Valley. Much of the literature to stock them is contributed by RECORDER readers in answer to their periodic ad in the "Special Requests" column of the RECORDER. The members express gratitude to these faithful contributors. The seed is planted by these racks, and God gives the increase.

posed of dentists, physicians, and other health-related people. The committee has been active in sponsoring at least three cooking and nutrition schools, a number of Five-Day Plans, guest speakers for the church health program, and lectures designed primarily for the members. The continuing health emphasis in the church is reflected in the quality of the various potluck dinners sponsored by the church.

Three persons have been baptized in our most recent evangelistic endeavor, and a number of others are taking studies.

FRANK T. MUNSEY, Pastor.

## Nearly 600 Attend Dorcas Federation Meetings in Central

"What an interesting meeting we had." "This was the best Federation meeting ever!" "I never knew these Dorcas Federations were like this." These were some of the comments by our nearly 600 Dorcas ladies and friends from Central California who attended our Fall Federations recently.

New plans and projects were discussed. New challenges and inspiration were brought which sent all home with a greater zeal than ever to join forces with every church agency to make Mission '72 the Year of Soul-winning in Central.

Conference President Elder Earl Amundson was present at two of our meetings and inspired everyone to greater service with his message.

Elder Ted Jones, our new Inner Cities director and associate in the lay activities department, was present to give us a glimpse into the future of the Inner Cities work for the underprivileged in our conference.

Highlighting our meetings was a special guest from Indonesia who served for 19 years as a missionary. Wearing a colorful costume from Indonesia, Miss Leeta Hemme, by story and with mementos from the islands, told of our work among the millions in that colorful, yet needy area. She told of what happens at the other end of the line when the bales of clothing we so carefully prepare are actually dis-

## Are Vacation Bible Schools Worth All the Trouble and Expense?

Are Vacation Bible Schools worth the trouble, expense and hard work? Ask the San Jose Spanish Church and you'll get a resounding YES!!

On October 30, we baptized our first VBS family. They had had no previous contact with the church until a faithful member and his wife, Mr. and Mrs. Alejandro Cota, invited the children to Vacation Bible School. They came, and the rest is history.

Baptized were Mr. and Mrs. Jose Franco, the grandparents; Mrs. Josephine Gutierrez, the mother; and Jane, Thomas, Eddie, Chris and Esther, the children. Eight souls won for the heavenly kingdom.

Also baptized was Virginia Montijo, the wife of a policeman. Virginia had had

previous contact with the church—her aunt is a faithful Adventist. She had finished a Bible course but had never made a decision. She brought her children to VBS last summer and stayed to help during crafts. VBS was the little extra push she needed to make her decision.

Alfredo Rosales was baptized a few months ago. His wife was baptized a year ago. VBS? Yes. Their little girl was invited, the mother went to inspect and the child attended. They were invited, invited (mother kept refusing) to the Branch Sabbath School in Mountain View. Faithful worker Ruth Maura kept visiting and inviting—today a family is united in the truth.

Does VBS pay? Yes. And the better the follow-up, the better the dividends.

The San Jose Spanish Church has organized a follow-up program headed by Mrs. Irene Jacobs. For several weeks now, on Sabbath afternoons, from 20 to 40 members have been visiting children and parents alike, taking a Bible course to the homes.

The church had a total Vacation Bible School enrollment of 914, with 842 coming from non-Adventist homes.

Opportunity? YES. Pray that we may wisely follow up each interest, bringing them to the feet of a loving Saviour.

Public Relations.

tributed to the needy folk in the villages of Indonesia.

All in all, everyone returned home with the good feeling of a day well spent in fellowship with God's own, and with a greater determination to do more than ever before for the Master.

Lay Activities Department.

## Glenn Coon Tapes Available

We were privileged to have Elder Glenn Coon at our camp meeting in Sequel last summer and he conducted a very fine series of lessons on prayer. No doubt many of you would have liked to have been there but could not. The Adventist Book Center has the next best thing for you and that is his complete series of lectures on tape.

These are on 7-inch reels at 3 3/4 ips speed. The price including tax and shipping is \$19.15.

"Reach Out for Life" is being presented by the Bakersfield Hillcrest Church over radio and television.

Pastor M. E. Tompkins presents the television message over KJTV Channel 17, Sunday, 8:30-9:00 a.m.

Pastor James Chase, associate pastor, speaks daily, Mon.-Fri.—5:40-5:45, over radio KGEE, 1230 on the dial.

Please tune in and tell your friends.

## Two New Pastors Join Central

Robert Sundahl, his wife, Marlene, and their daughter, Sondra, have recently come from the Seminary at Andrews University to begin pastoral work in Central. Pastor Sundahl is now associated with Elder Stanley Harris at the Bakersfield Central Church.

Pastor and Mrs. Robert Sundahl and their daughter, Sondra.

Before going to the Seminary, he graduated from Pacific Union College, and for two summers assisted with the work at the San Francisco Central Church.

Another recent arrival from the Seminary is Pastor James D. Chase, his wife, Sharon, and their little daughter. Pastor Chase is assisting Elder Melvin Tompkins in the Bakersfield Hillcrest Church.

The conference administration welcomes these young families to Central's working staff.

## Effective Crusade Foreseen

With every church in Central geared for another successful Ingathering Crusade, Elder Thomas Requenez, pastor of the Santa Maria Spanish Church, isn't unduly concerned.

Elder Thomas Requenez stands with his most faithful Ingatherers of Santa Maria Spanish Church.

He is pictured here with some of his faithful Ingatherers at a church potluck dinner recently.

Although their territory is somewhat limited, as in many places, through faithful and dedicated service their church went well over their goal.

Again they are organized for a thorough and effective crusade, looking not only for funds that are so urgently needed in God's cause, but for honest souls who are waiting for the truth of God.

Pray for Elder Requenez and his church, and for all your fellow church members as we all unite in this, the most complete visitation program of the church.

B. W. MATTISON, Director,  
Lay Activities Department.

## Worship Service Held Each Week at Oakdale Convalescent Hospital

The Lay Activities Committee of the Oakdale Church sponsors a one-hour worship service for the patients of the Oakdale Convalescent Hospital each Sabbath afternoon at 2:30.

The service starts with piano music played on alternate weeks by Lynda Hollingsworth, Margaret Moore, Corneal Dennis, Marian Foster, Bertha Loewen and Claudia Foster.

At the first sound of the piano the patients who are able start making their way to the meeting. Some come down the corridors in wheel chairs, some with walkers, some walk with help, and a few are able to walk unassisted.

Group singing is led by Paul Rice, lay activities leader, and then the young people of the Sabbath school present solos, duets and other special music.

Pastor J. L. Edwards gives a short sermon, or there is a reading by one of the other members of the Lay Activities Committee. On October 30, T. E. Baber of the Book and Bible House was the speaker.

The service closes with the singing of "The Evening Prayer," and a benediction.

The church group is always given a hearty welcome and full cooperation by the friendly management and staff of the hospital. Attendance has grown from 24 at the first meeting to 50.

WILLIE M. DREWREY, PR Secy.,  
Oakdale Church.

## Dr. George Wargo Performs His Own Composition Dec. 1

Few musicians possess the dual talent of conductor and concert artist. But for Dr. George M. Wargo, professor of music at Pacific Union College and conductor of the Vallejo Symphony Orchestra, that's not enough. For on December 1 at 8:15 p.m., he will also perform his own composition, "Concerto for Viola and Strings."

Dr. George Wargo

The concerto was given its world premiere in April, 1970, at the National Gallery of Art, with Dr. Wargo as soloist. The December 1 performance will be its west-coast premiere.

Dr. Wargo, who has been on the PUC faculty since 1959, began his musical education at age seven when he studied with Boris Koutzen at the Philadelphia Conservatory of Music on a scholarship. He made his debut with the Philadelphia

Symphony Orchestra at 16.

His musical career includes successful recitals in Paris, Rome, and many other important music centers of the world. He has been featured soloist with the National Symphony Orchestra of Washington and National Gallery Orchestra. His experience includes 17 years of professional work under such eminent conductors as Leonard Bernstein, Bruno Walters, and John Barberoli.

Dr. Wargo has an equally outstanding career in the field of music education. He has served as chairman of the music departments at Columbia Union College and Pacific Union College, and as a faculty member of the Peabody Conservatory of Music, the University of Virginia, and the Philadelphia Conservatory of Music.

The Washington *Evening Star* called his "Concerto for Viola and Strings" "a substantial showcase. Written for an instrument which has little enough literature to play, the piece is destined to be heard again and again."

The Washington *Post's* critic said: "The piece gave Wargo a chance to show how splendid a violist he is," and praised his "svelte tone and incisive phrasing."

Music lovers in the greater Bay area who wish to attend the performance may obtain tickets by writing to: Vallejo Symphony Orchestra, P.O. Box 568, Vallejo, California 94590. Single admission tickets are \$2.50; students are admitted for one-half price.

## "A Valuable Interchange of Ideas and Viewpoints"

More than 40 Pacific Union College administrators, faculty members, and student leaders participated in a day-long discussion session recently at Konocti Harbor Inn at Clear Lake.

Described by Dean of Students David R. Iglar as "a valuable interchange of ideas and viewpoints," the day centered on the theme: "The Dynamics of Involvement."

The student leaders, who are members of the PUC Student Senate or are Student Association officers, and the administrators discussed such topics as "Student Leadership on a Christ-centered Campus," "Why Not Abolish the Student Association?" "We Know What We Want—Or Do We?" and "We Count Pennies, Too."

The day's closing session was an open forum entitled "What's Bugging Who and Why?" and gave opportunity for students to direct questions to administrators about areas of college operation which were of particular interest to them.

Although a two-hour afternoon period had been reserved for recreational activities, the participants were so involved in discussion that they chose to continue and skip the recreation.

Coordinator Bryan Henry, general vice-president of the Student Association, said the meeting was designed to improve com-

munications among the different communities of the college by helping each group understand how the other thinks. "It cannot help but add to the harmony of life at PUC if we can understand the different roles of each involved organization on campus," he said.

## Library of Records and Tapes Is Available to PUC Students

In the interest of making a wide selection of recorded music available on loan to all Pacific Union College students for enjoyment and study, the music department and library have teamed up to offer a new music library system boasting 1,500 records and duplicate tapes. Selections range from classical to avant-garde, and from folk to general listening music.

According to Dr. Melvin Hill, music department chairman, the recordings represent an investment of about \$15,000.

Plans call for continued expansion of the collection to meet accreditation needs for the music department's graduate program. Since fall quarter began in September, \$500 worth of records has been ordered. A larger selection of classical guitar and folk music is presently being acquired.

## ADVENTIST BOOK CENTERS

### SOLAMENTE POR LA FE

La justificación por la fe en Cristo es el gran tema central de toda la Biblia, el eje de toda verdad salvadora, el tema vital que, según la Hna. White, debe absorber a todos los demás.

Este libro, escrito por el pastor Norval F. Pease, no solamente pasa en revista la parte histórica, sino el aspecto doctrinal y práctico. Presenta el tema en el Antiguo y el Nuevo Testamento, así como durante el resto de la historia del cristianismo, pero en forma especial a través de la actuación del pueblo adventista. Hay un énfasis particular en el Congreso de la Asociación General de Minneapolis realizado en 1888, uno de los grandes apogeos de la historia de nuestra iglesia. También se espacia en la aplicación práctica de esta verdad crucial a la vida individual. Pídale a su agencia de publicaciones por medio de su iglesia. Rústica, 208 páginas, \$2.50.

## The Newbury Park Academy Band Will Perform Its First Concert

The Newbury Park Academy Concert Band will present its first concert of the year Sunday, December 5, at 7:30 p.m. All parents, friends of the school, and lovers of good music are invited to come to the academy chapel and enjoy this fine program. Admission is free.

The evening's repertoire will include marches, overtures, solos, novelty numbers, and Christmas music.

Santa Claus has been invited to make an appearance and it is hoped that he will be able to put Newbury Park Academy on his itinerary and bring along his gifts for all the children.

Come early and join your friends for this enjoyable evening of excellent band music. Mr. Lyle Hamel, director of the Concert Band, will be in charge of the program.

CHARLES LAFFERTY, Registrar and PR.

### MUSIC LOVERS EVERYWHERE

You will not want to miss the special Thanksgiving-Christmas musical program to be given by Brad and Olive Braley of the Voice of Prophecy, Friday night, November 26, at 8:00 o'clock in the Lynwood Seventh-day Adventist church, 11111 Harris Avenue, Lynwood.

The Missionary Volunteer Society is sponsoring this event and urges you to bring a non-Seventh-day Adventist friend or relative.

F. B. WELLS, Associate Pastor.
