Literature Ministry Convention

F. E. POTTER

FROM north, east, south, and west our labourers in the literature ministry gathered in to Johannesburg last month for their annual convention.

What a gathering it was. No one remembered ever having seen one like it before. Every one settled down to business in earnest from the very first service and throughout the whole convention there was manifest a wonderful spirit of earnest consecration and zeal.

The keynote of the convention was evangelism; story after story was related of interests created through the ministry of the printed page. Out on scattered farms, in little dorps, and in busy towns, our faithful colporteurs have left behind them newly kindled torches of truth. Evidences of God's watchful care over this important branch of His work were revealed again and again in the experiences recounted during the convention. In spite of opposition from several quarters and in face of distressing financial conditions, our colporteurs were led from victory to victory under His guiding hand.

The closing hours of the convention were a blessed time indeed. The Spirit of God brooded over the meeting and His love permeated every heart. Woven through the simple testimonies given by the men and women present there ran, like a vein of gold, the thought of "patient endurance" to the end. Each one left the meeting with a determination to "launch out into the deep" as never before, and to keep so surrendered to the Master that, by His grace and enabling power, the literature ministry will attain greater heights in soul-winning than ever before.

Our readers will be encouraged to learn that up to the end of April the orders for books taken by our colporteurs in this Division are just £2,000 in excess of the same period of 1933.

We appeal to every Seventh-day Adventist in the Division to remember the men and women of the literature ministry in their daily prayers. All are of excellent courage, and filled with earnest faith, but owing to the exacting nature of their work, they need the prayers of this denomination as no other body of workers do.

Regional Meetings and Special Appointments For Elder C. H. Watson

MANY of our people were unable to attend the camp-meeting in Johannesburg and consequently missed hearing Elder Watson, the President of the General Conference.

We are happy to announce, however, that arrangements have been made for Elder Watson to visit a number of centres. We hope that all our people within the vicinity of these various places will plan to be present.

Week-end meetings are to be held in East London, June 2 and 3, and in the Peninsula, June 8 and 10. These regional

meetings will be of special importance, and those living within a day's journey from East London or the Peninsula should avail themselves of the privilege of these meetings.

In addition to these special week-end meetings, there will be held week-night meetings in Bloemfontein, Port Elizabeth, and George.

Missionary Volunteer Week

A. W. STAPLES

LARGE plans have been laid, and "M. V. Week" this year is to be the supreme business of all workers from May 19 to 26. All the forces of evangelism are to be liberated within the church. The workers are being allocated in an effort to reach all our churches. Every worker is asked to carry a special burden for our youth.

We appeal to the parents to co-operate by prayer, and by influence, and by plans. Encourage all the juniors and seniors to be regular in attendance at meetings. If you place them where God can bless them, your prayers will be heard.

M. V. Week is a clarion call to the loyal Missionary Volunteer. This is the appointed week for him to unite his efforts with those of the workers for the saving of a friend. In every church there are those who should be Missionary Volunteers. Let every volunteer strive to win another for society membership. "It has been estimated that if all the children of Seventh-day Adventist parents were converted, baptised, and admitted to the church from year to year, there would be more additions to the church in that way than there are at the present time through all lines of church and evangelistic work."

Shall the workers, church officers, parents and Missionary Volunteers accept the challenge this fact hurls at us? Let us arise and bear our very own to the Ark of Safety—the refuge in Jesus.

S. A. Conference President's Report

(Concluded)

DEPARTMENTS

Home Missionary and Sabbath School.

Elder F. G. Clifford, one of the leading evangelists of the former Natal-Transvaal Conference, was called to carry the Home Missionary, and the Sabbath School work. Elder Clifford's reports of these departmental activities will be of special interest. One of the outstanding achievements of Elder Clifford's efforts in the Home Missionary Department is the excellent *Signs* campaign which was promoted from his department the latter part of last year.

Elder Clifford, accompanied by Brother F. E. Potter, Home Missionary Secretary for the Southern African Division, has recently made an extended tour of most of the field, promoting the various lines of missionary work in our churches.

Missionary Volunteer Department.

Elder A. W. Staples, one of the successful evangelists of the former Cape Conference, was appointed to the responsibility of the Union Missionary Volunteer secretaryship. Elder Staples has given, in the few months he has been in the M. V. Department, a decided spiritual lead to our young people. He has brought his evangelistic powers definitely to bear within the church. Elder Staples is enthusiastically promoting the M. V. Evangelistic Fund plan, which was launched by the late Natal-Transvaal Conference, wherein the young people of the conference undertake to raise sufficient funds to finance at least one specific evangelistic effort each year. The successful effort which Elder John Raubenheimer just closed at Kroonstad was thus financed. This year the young people are raising funds for Graaff Reinet, in the Cape Province. Elder Staples will have an inspiring report.

Educational Department.

Elder Hanson, the former Educational Secretary for the South African Union Conference, has been continued in this position. He has, however, been relieved of other departmental work which he previously carried, so that now his entire time is devoted to the expanding educational work within the Union. We are happy to report a growing interest in Christian Education in the South African Conference.

Field Missionary Department.

Brother L. A. Vixie, formerly the Division Field Missionary Secretary, being desirous of a more direct contact with a larger number of our European colporteurs, was happy to accept the call to the Field Missionary secretaryship of the South African Union Conference. Since Brother Vixie's coming into the field, our book work has registered a distinct advance. While Brother Vixie is away on furlough, Brother Fred Ficker, one of our Helderberg graduates, and a successful colporteur, is carrying on, in a commendable way, the strong work begun by Brother Vixie. Brother Ernest Stevenson, another one of our colporteurs, is giving much appreciated assistance to Brother Ficker. We will all be interested in the report from our Field Missionary Department.

Religious Book Depository.

In the re-organisation of the field, the Religious Book Depository was placed under the capable management of Miss P. E. Willmore, the former secretary-treasurer of the Cape Conference, and Religious Book Depository (Port Elizabeth). Miss Willmore's previous years of experience in dealing with our churches and our colporteurs have qualified her to fill the position of secretary of our enlarged depository with exceptional ability.

Unfortunately, for several years, the Religious Book Depository (Johannesburg) had been labouring under the incubus of a large debt. It was hoped that in the amalgamation the accumulated surplus of the Religious Book Depository (Port Elizabeth), amounting to nearly £1,000, would liquidate this debt and put the combined depository on a sound cash basis. It was found, however, that the savings of the Port Elizabeth depository were not sufficient to absorb the debt of the Johannesburg depository and still have sufficient working capital to carry on. Therefore, it became necessary for the united depository to avail itself of a previous arrangement which had been entered into on behalf of the Johannesburg depository by the Division, Sentinel Publishing Company, the union, and the local field, for the second payment of a sum of £80 each. The book depository is very grateful for the liberal assistance given by these organisations. This timely lift, together with the economies effected in the amalgamation, the increased scope of the work, and the new impetus given to the book work in the field has at the beginning of 1934, for the first time, enabled the depository to launch out on an entirely self-supporting budget.

CAMPAIGNS

To some degree, our campaigns have registered the effects of the period of depression and drought through which we have been passing. This is particularly true of the Harvest Ingathering campaign, but we are glad to report a slightly upward curve for 1933, and we expect 1934 to see us well on the way back to previous records, and thence on to greater achievements. The following tabulation will briefly summarise the facts for the past four years:

Harvest Ingathering

Years	Conferences	Comb. Totals
1930-1931 —	N.T. and Cape	7,967
1932-1933 —	N.T., Cape and S.A.C.	6,754
Bal. being a net loss in receipts:		£1,213

Big Week

Unfortunately, the Big Week campaign has never attained very large proportions in South Africa, and this report must record a further decrease in Big Week returns. The following table reveals a loss of £72:

Years	Conferences	Comb. Totals
1930-1931 —	N.T. and Cape	£382
1932-1933 —	N.T., Cape and S.A.C.	310
Bal. being a net loss in receipts:		£72

"Signs Campaign"

Nineteen-hundred-thirty-three witnessed our banner *Signs* campaign. This campaign was energetically promoted by Elder Clifford, and enthusiastically supported by our workers and laymen throughout the conference.

We have tabulated the record of the past four years for brief review as follows:

Years	Conferences	Comb. Totals
1930-1931 —	N.T. and Cape	2,298
1932-1933 —	N.T., Cape and S.A.C.	3,288
Bal. being a gain in subscriptions:		990

FINANCIAL

Taking into consideration the general depression and the drought over large sections of our field, which greatly reduced the income of our members, the financial position over the biennial period is indeed encouraging. Our tithe and offering receipts reveal a commendable degree of faithfulness on the part of our members, even though a loss must be reported as the following figures will show:

Tithe

Years	Conferences	Comb. Totals
1930-1931 —	N.T. and Cape	£23,284
1932-1933 —	N.T., Cape and S.A.C.	22,154
Bal. being a decrease in receipts: (percentage drop of 5%)		£1,130

Mission Offerings

Years	Conferences	Comb. Totals
1930-1931 —	N.T. and Cape	£16,311
1932-1933 —	N.T., Cape and S.A.C.	14,332
Bal. being a decrease in receipts: (percentage drop of 12%)		£1,979

APPRECIATION

Before we close this report, we wish to express our sincere appreciation to our evangelists, pastors, Bible workers, church school teachers, colporteurs, departmental secretaries, office assistants, church elders, Sabbath school and all other church officers, and to our devoted lay-members throughout the conference, whose earnest and faithful labours, under God, have made possible the achievements we have herein briefly reported.

Rapport van die President van die S. A. Konferensie

(Vervolg)

Departemente

Buurtsending en Sabbatskool.

Ouderling F. G. Clifford, een van ons vername evangeliste in die gewese Natal-Transvaal konferensie was beroep vir die Buurtsending- en Sabbatskoolwerk. U sal belangstel in Ouderling Clifford se rapporte van die departemente. Een van die vernaamste verrigtings van Ouderling Clifford se werksaamhede vir die Buurtsending was die uitstekende veldtog vir die *Tekens* verlede jaar.

Ouderling Clifford en Broeder F. E. Potter, die Sekretaris vir Buurtsending vir die Suidelike Afrikaanse Diwiesie het vergange 'n uitgebreide omreis deur byna die hele veld onderneem en die verskillende fases van sendingwerk in ons gemeentes opgebou.

Sendingvrywilligers Departement.

Ouderling A. W. Staples, een van ons volslae evangeliste van die gewese Kaapkonferensie, was aangestel as Sekretaris van Sendingvrywilligers van die Uniekonferensie. Ouderling Staples het die paar maande die jongeliede in diepere geestelike lewe gebring. Hy het sy evangeliese pogings nou binne in die gemeentes aangewend. Ouderling Staples is geesdriftig besig met die S. V. Evangeliefonds-plan wat in die gewese Natal-Transvaal Konferensie begin is. Die jongeliede van die konferensie onderneem om genoegsame fondse in te samel om ten minste een bepaalde evangeliepoging elke jaar te onderhou. Die volslae poging van Ouderling Raubenheimer op Kroonstad was op die manier ondersteun. Die jongeliede samel vanjaar weer fondse in vir Graaff-Reinet in die Kaapland. Ouderling Staples het 'n goeie rapport.

Onderwysdepartement .

Ouderling E. D. Hanson het aangebly as Sekretaris vir Opvoeding in die Suid-Afrikaanse Uniekonferensie. Hy is egter vrygestel van ander departementele werk wat tevore op hom gerus het. Dus kan hy nou sy volle tyd wy aan die uitbreidende onderwyswerk in die Unie. Dit verbly ons om mee te deel dat daar 'n bloeiende belangstelling in Christelike Opvoeding in die Suid-Afrikaanse Konferensie is.

Veldsending Departement.

Broeder L. A. Vixie, die gewese Veldsending-sekretaris van die Diwiesie, wou graag in nouer aanraking met meer van ons blanke kolporteurs kom, en was bly om die beroep vir Veldsending-sekretaris van die S. A. Uniekonferensie aan te neem. Vandat Broeder Vixie in ons veld is, het ons boekwerk waarlik gevorder. Terwyl Broeder Vixie op verlof is, druk Broeder Frikkie Ficker op prysenswaardige wyse die goeie werk van Broeder Vixie vorentoe. 'n Ander kolporteur, Broeder Stevenson, verleen gewaardeerde bystand aan Broeder Ficker. Ons verlang almal na die rapport van ons Veldsending-departement.

Religious Book Depository.

Met die re-organisasie van die veld, is die Religious Book Depository onder die bekwame bestuur van Mej. P. E. Willmore geplaas, die gewese sekretaris-tesouriere van die Kaap-Konferensie en Religious Book Depository (Port Elizabeth). Mej. Willmore se vorige ondervinding met ons gemeentes en ons kolporteurs het haar bekwaam om die pos van sekretaresse van ons vergrote depôt deeglik te beklee.

Ongelukkig het die Religious Book Depository vir etlike jare onder 'n groot skuldlas gebuk gegaan. Die hoop was met die amalgamasie gekoester dat die opgehoopte surplus van die Religious Book Depository (Port Elizabeth) wat byna £1,000 bedra gebruik kan word om die skuld te dek, en die verenigde depôt te help om op vaste voet te staan. Dit was egter gevind dat die surplus van die Port Elizabeth depôt nie genoeg was om die skuld van die Johannesburg depôt te dek en die depôt met 'n genoegsame bedryfskapitaal te werk nie. Daarom was die verenigde depôt genoodsaak om gebruik te maak van 'n vorige reëling wat die Diwiesie, Sentinel en die Unie, en die konferensie ten belange van die Johannesburg depôt getref het, om elk dubbeld £80 te betaal. Die Boekdepôt is baie dankbaar vir die vrygewige onderstand van die organisasies. Die waardeerde gif saam met die besparing as gevolg van die amalgamasie en die wyer uitgestrektheid van die werk, en die nuwe stoot wat die boekwerk in die begin van 1934 in die veld gekry het, het gehelp dat die depôt vir die eerste keer op 'n geheel selfstandige basis kon werk. Mej. Willmore gaan ons 'n baie aanmoedigende rapport gee.

VELDTOGTE

TOT 'n sekere mate kan 'n mens die uitwerking van die droogte wat net verby is, op ons veldtogte merk. Dis vernaamlik die geval met die Oesinsameling, maar ons is bly dat daar weer 'n klein styging in 1933 was. Ons glo dat ons in 1934 weer op die peil van vorige rekords sal staan en nog beter sal doen. Die volgende tabelle gee kortliks die syfers van die afgelope vier jaar:

Oesinsameling

Jaar	*Konferensie*	*Gesam. Totaal*
1930-1931 —	N.T. en Kaap	£7,967
1932-1933 —	N.T., Kaap en S.A.K.	6,754
Balans—netto verlies in ontvangste		£1,213

Grootweek

Ongelukkig het die Grootweek-veldtog nognooit in Suid-Afrika goeie sukses behaal nie, en die rapport toon 'n verdere daling in Grootweek-inkomste. Die volgende tabel toon 'n verlies van £72.

Jaar	*Konferensie*	*Gesam. Totaal*
1930-1931 —	N.T. en Kaap	£382
1932-1933 —	N.T., Kaap en S.A.K.	310
Balans—netto verlies in ontvangste		£72

Tekens-Veldtog

1933 was ons puikjaar met die *Tekens*-veldtog. Leraar Clifford het met alle ywer die veldtog bevorder, en ons werkers en leke deur die hele konferensie het geesdriftig hom tersyde gestaan.

Ons gee kortliks die verslag van die afgelope vier jaar in tabelvorm:

Jaar	*Konferensie*	*Gesam. Totaal*
1930-1931 —	N.T. en Kaap	2,298
1932-1933 —	N.T., Kaap en S.A.K.	3,288
Balans—aanwins van intekenare		990

GELDELIK

Ons finansiële toestand oor die tweejaar is waarlik bemoedigend as ons dink aan die algemene depressie en droogte oor groot gedeeltes van ons veld, wat die inkomste van ons lede baie verminder het. Die tiendes en offerandes toon die prysenswaardige getrouheid van ons lede, hoewel daar 'n daling is vergeleke met vorige jare.

Tiendes

Jaar	*Konferensie*	*Gesam. Totaal*
1930-1931 —	N.T. en Kaap	£23,284
1932-1933 —	N.T., Kaap en S.A.K.	22,154
Balans—vermind. in tiendes ontvang (of 'n vermindering van 5%)		£1,130

Sendingofferandes

Dit moet egter onthou word dat die Oesinsameling verantwoordelik is vir die groot persentasie daling, want die daling daarvan was 15%, hoewel die daling in ledetal slegs 9% was. Verder moet ons in ons tiendes en sendingofferande state, soos in al ons statistieke, in aanmerking neem dat ons konferensie 394 lede verloor het toe hulle na die Departement vir Bruinmense verplaas is. Sedert die amalgamasie, tot die einde van 1933 was hulle tiendes £518 en sendingofferandes £337.

Jaar	*Konferensie*	*Gesam. Totaal*
1930-1931 —	N.T. en Kaap	£16,311
1932-1933 —	N.T., Kaap en S.A.K.	14,332
Balans—vermind. van ontvangste (of 'n vermindering van 12%)		£1,979

WAARDERING

Voordat ons die rapport eindig, wens ons om ons opregte waardering uit te spreek aan ons evangeliste, leraars, Bybelwerkers, kerkskoolonderwysers, kolporteurs, departementele sekretarisse, kantoorwerkers, en kerkbeamptes wat deur hul getroue arbeid hierdie goeie rapport moontlik gemaak het.

General News Notes

WE are sorry to report the serious illness of Miss S. Nell, of Helderberg College, who is under treatment at the Somerset West Nursing Home.

BROTHER AND SISTER S. KONIGMACHER have arrived at the Cape on special sick leave, in the hope that the change of climate will benefit Sister Konigmacher.

A PARTY of missionaries are returning to Angola on the S. S. Usaramo leaving Cape Town May 21. Elder C. W. Curtis is returning from the Division Committee meeting; Brother and Sister E. Buckley and children and Nurse R. Johnson are returning from coastal furlough.

BROTHER DANIE FICKER, who met with a serious motor-cycle accident in February last, is still confined to his bed in the Johannesburg hospital. The doctors hold out scant hope of his ever being able to regain the use of his limbs. Our dear young brother is bearing up bravely under this sad affliction and his trust and confidence in God is unshaken. Let us all keep this brother in daily remembrance before the Throne of Grace, for the God of miracles still rules in the affairs of men.

Strewers Week

A. W. STAPLES

GROOT planne word beraam, en vanaf die 19de tot 26ste Mei sal „Strewers Week" by al die werkers die hoofsaak wees. Al ons evangelistiese kragte moet in die kerk gekonsentreer word. Die werkers sal só geplaas word dat al die kerke bedien sal word. Iedere werker word versoek om veral die jongmense op die hart te dra.

Ons maak 'n beroep op ouers om saam te werk deur gebed, invloed, en andersins. Moedig al die Juniors en Seniors aan om die dienste by te woon. As u hulle bring waar God hulle kan seën, sal u gebede verhoor word.

Strewers Week is 'n oproep aan alle lojale Strewers. Dit is die aangewese tyd

Ons is egter bly om te kan aankondig, dat reëlings getref is waardeur Leraar Watson die volgende plekke sal besoek. Ons koester die hoop dat al die lede in die nabyheid van dié verskillende plekke sal trag om teenwoordig te wees.

Laat elke Strewer dan trag om 'n nuwe lid te win vir die bond. „Dit word bereken as al die kinders van Sewende-dag Adventiste ouers tot bekering kom, gedoop word, en by die kerk van jaar tot jaar aansluit, dat daar op hierdie wyse meer tot die kerk sal toegevoeg word as daar op die oomblik deur alle ander pogings by kom."

Sal die werkers, kerkbeamptes, ouers en Strewers, die uitdaging waarvoor hierdie feit ons te staan bring, ter harte neem. Laat ons opstaan en ons eie kinders bring in die ark van veiligheid—naamlik Jesus.

Kolporteurs-Konvensie

F. E. POTTER

VAN noord, oos, suid en wes het ons werkers van die „leesstof-bediening" laas maand in Johannesburg vergader vir hul jaarlikse byeenkoms.

Voorwaar 'n besielende byeenkoms! Van die eerste diens af het daar groot belangstelling geheers en 'n merkwaardige gees van ernstige toewyding het die hele konvensie gekenmerk. Ons het gehoor van voorval na voorval waar belangstelling in die waarheid opgewek is deur ons boeke. Op eensame plase, in klein dorpies, en in besige stede steek ons getroue kolporteurs die toorts van waarheid aan. Uit die ondervindinge wat gedurende die konvensie meegedeel is, het oor en oor geblyk hoe dat God Sy beskermende hand hou oor hierdie belangrike deel van Sy werk. Ten spyte van teenstand uit verskillende oorde en die geldskaarste waaronder ons land gebuk gaan, gaan ons kolporteurs tog onder die leiding van God van oorwinning tot oorwinning.

Die slotdienste was baie geseën. Die Gees van die Here was kenlik in ons midde en het elke hart deurdring. Uit die eenvoudige getuienisse wat die manne en vroue daar teenwoordig, afgelê het, blyk dat almal vasberade is om met „lankmoedige volharding" tot die einde toe vol te hou. Almal het die konvensie verlaat met die besluit om met alle mag die werk voort te sit en om so dig by die Meester te bly, dat hul bediening, deur Sy krag en genade nog meer vrug sal dra as ooit tevore.

Dit sal ons lesers bemoedig om te verneem dat die bestellings wat ons kolporteurs in hierdie Divisie tot aan die einde van April hierdie jaar geneem het, die bestellings oor dieselfde periode verlede jaar met £2,000 oortref.

Ons doen 'n beroep op elke Sewende-dag Adventis in hierdie Divisie om die manne en vroue in die kolporteurdiens in hul daelikse gebede te gedenk. Hulle is almal vol moed en geloof, maar so veeleisend is hul werk dat hulle ons voorbidding meer nodig het as enige ander werkers in die denominasie.

Notice!

Will all those who ordered the books "The Atoning Work of Christ," by Elder C. H. Watson, and "Selections from the Testimonies" (Afrikaans), during the recent camp-meeting please note that it will be several months before these orders can be filled. Directly the depository is in a position to do so, all those who placed orders will be notified that the books are ready to be posted.
