An Open Letter to All Workers and Members in the Malayan Union Mission

By J. M. NERNESS
(President, Malayan Union)

My dear Brethren and Sisters:

It is a joy to return to your fellowship again. There is so much that one can see to cheer his heart which has taken place to press forward the work of God during our absence. It is clear that you have been working diligently and well toward that end. It was our happy privilege to visit S.D.A. people in several lands and everywhere we found them also interested in giving the message before their opportunities are lost. In reviewing the reports of last year in the Malayan Union Mission we find that our net membership gain was 208, and this represents an encouraging advance for one year. Some denominations other than Seventh-day Adventists would be happy to have such an increase. It would represent a substantial gain for them. But we are a people who not only believe that we have a message that the entire world must hear but the world shall hear it in this generation. Our time is almost up. At the General Conference session in 1950 the delegates from all over the world voted to work more intensively for souls than ever before with the view of doubling the membership of every field.

Our membership stood at 2,728 at the beginning of 1950. We have 50 million people to whom we are charged with giving the message of hope. Since our membership is small and our opportunities are great there can be no more opportune time for us to double our membership than now. The doubled figure would be 5,456 and on June 30 of this year our membership was 3,407. So we have almost 2,000 souls to win to achieve our goal by General Conference time in 1954. There is much which encourages us to believe that we can achieve this goal if first things are made first.

Our Bible Correspondence Schools graduated 1,593 students during the last year, so in one year four-fifths of our required number to meet the goal, com-

pleted our thirty-lesson course in Bible doctrines. If they could be brought into full church membership, how happy we all would be. All will not accept but much more can be done than is being done to pursue such interests until a decision for Christ is made. 61% of all the people who were baptized in North America have completed the Correspondence work. It is refreshing indeed to learn that our colporteurs are leading out by securing enrollees in the Correspondence School.

The Sabbath school is also a field of opportunity. 1,614 unbaptized attendants are now enrolled in the Sabbath schools of this Union. All of these are not ready to step into church membership but many are and these will go a long way towards meeting the mark. More must be invited to join our Sabbath schools, for all become Sabbath school members before they are church members.

We are told that 30% of the new adherents to the Catholic faith are won through their medical work. Streams of humanity are passing through our medical institutions. It is reported in one of these institutions that 80% of the patients are being enrolled in the Bible Correspondence Course. Our physicians are united in the desire to make the most of the soul winning potentialities in this branch of the work. Several workers have been assigned as chaplains in our hospitals during 1952. Their work will bring cheering results we know.

The Bangkok School of Nursing and Malayan Union Seminary, as well as other educational institutions in the Malayan Union, have proved extremely fruitful and have contributed much toward the increase of our church membership. Plans are in operation which will make them even more productive.

Efforts are in progress in various places. At the time of this writing Saigon is being stirred by a series of meetings conducted by Dr. Walther. Over

a thousand were out to the second meeting and at that time they had secured the names of about 400 interested people. There has never been a time in in this field when we have had so much for which to praise God. There never has been a time when we have had more reason to pray and to give ourselves to intensive soul-winning service than at this present hour.

There is very little immediate prospect of increasing our force of workers. We must work with what we have—calling on every layman to join in.

Some fields have already doubled their membership. They have done this by a united seeking for the outpouring of God's strengthening Holy Spirit and by giving the Lord's work first place in their hearts. May I register this earnest appeal to every worker and member from the jungle villages to the teeming cities—that we "give ourselves wholly unto these things?" This will mean that frequently in family worship and around our tables we will plan together how we can help someone to know the Lord. This will mean that Sabbath school superintendents will gather the leaders and teachers to plan for baptismal classes. It will mean many things, and it can also mean that this field shall march triumphantly with others throughout the world field in saving souls, while greatly increasing its membership. Shall we not do this?

A Message from the Seminary

(By ELWOOD SHERRARD, *Principal*)

Arriving in Singapore in May of this year, Mrs. Sherrard and I, with our two small girls, were immediately made to feel very much at home in this "glorious eastern land." Previous personal association in America with a number of fine young people from the Malayan Union Seminary had given us a foretaste of the kindness we could expect here, but the realization is even better than the anticipation. We thank our heavenly Father for the brotherhood of His children that affords to all races such satisfying fellowship.

As we take up our work at the Malayan Union Seminary we do so with hearts full of gratitude to a host of fellow workers whose efforts have already made our burdens lighter. Under the administration of Brother W. H. Wood, the former principal, the spiritual tone of our school was improved through an extension of the scope of the Bible classes and through the inauguration of a progressive program that will increase the Seventh-day Adventist content of the secondary school. Brother Wood also fostered the development of a well-equipped science laboratory and Mrs. Wood gave strong leadership in the

music department. We regret the loss of their services to this field.

Enthusiastic and progressive in his plans, Pastor R. A. Wolcott, the new Bible teacher, is filling in a most satisfactory way a very real need. His arrival at the Seminary earlier this year, with his wife and two small boys, has contributed measurably to the probability of exploiting opportunities which might have otherwise remained humanly impossible. We look forward to the implementation of some very interesting plans under Pastor Wolcott's leadership.

Pastor T. T. Chin recently joined the Seminary as treasurer and assistant business manager. An alumnus of the Malayan Union Seminary, and having devoted twenty-five years to denominational service, Pastor Chin adds experience and efficiency to the operation of the school. During the war he served as treasurer of the South China Union Mission. In the post-war years he has served as vice-president of the same mission, pastor of the Kowloon Church in Hong Kong and president of the South China Island Union. We feel very fortunate in having the services of Pastor Chin in our school.

南洋神道學校校長蘇樂德及其家人
 Mr. and Mrs. Elwood Sherrard, Sherry and Dena

Our people throughout the Malayan Union may rest assured that a devoted and consecrated staff stand ready to serve the young people at the Malayan Union Seminary. We can praise God for the fact that every teacher is a Seventh-day Adventist, committed to the task to which he has been called. Numerous challenges are apparent here and we are not blind to the need for improvements, but opportunities are also numerous and they often accompany the challenges. As we move forward with the earnest desire to see the Seminary develop into a true school of the prophets, we solicit the whole-hearted support and cooperation of our dear people everywhere. We must have a singleness of purpose if we would accomplish the goal inspiration sets before us.

May the Lord manifest special care over the Malayan Union Seminary that it might be used in His plan to hasten the coming of Jesus.

You Are Entitled to a Discount

By V. D. BOND
(Manager, Malay Signs Press)

A few weeks ago we received an order from one of our church members for two one-year subscriptions for magazines. Enclosed was a cheque for the full subscription price of each magazine.

Apparently this member did not know about the special 40% discount to church members on subscription literature. (All literature prepared to sell by the colporteur is referred to as subscription literature.)

It occurred to me that there may be others who are not aware that they too are entitled to discounts on their literature purchases.

I am sure we all recognize the value of a good library and what good reading does for our own Christian experience. This special discount to church members is intended to help each one to obtain the blessings found in these good books. In fact, this offer is also extended to purchases made by church members who may wish to use a book or magazine subscription as a gift to relative, friend, or business associate. Literature makes an inexpensive, yet appreciated gift, of lasting value.

For further information regarding your literature purchases, contact your local Book and Bible House, or write to the Malay Signs Press, 399 Upper Serangoon Road, Singapore 13. Don't delay; investigate today!

Glad News from North Borneo

By LYLE C. WILCOX
(Acting President, North Borneo)

Tamparuli, Togop, Capa, Malangang, Papar, Menggatal, Sandakan, Bandau, Siquati are not the names of places that often make the headlines in great metropolitan newspapers of the world. Many people who live in these places have never seen a two story building, an electric light, a permanent building or any one of the multitudinous electric gadgets that are so much a part of ordinary life in other parts of our world. No newspaper or radio with frightening stories of theft, murder, and war ever disturb their placid minds. But something of importance is happening in these places, something that should be making the news. In these villages men and women, both old and young, are experiencing a transformation of life.

Back in the jungled hills of North Borneo, ignorance, superstition and witchcraft have long held people in slavery. With no knowledge of what life is about, with no hope for the future, generations

merely existing, have come and gone, but now a change is taking place. Not the material change of 20th, 19th or even 18th Century Civilization, but a deeper, more enduring, more important change. More important than any brought about by the development of hydro-electric plants or automotive engineer-

ing. Light is dawning upon heart and mind. Life is taking on new meaning. The miracle-working power of the Gospel is making new men and new women out of the inhabitants of the jungle. The black teeth and filthy mouths of many of the devotees of beetle-nut are being cleaned up. Illiteracy is giving way to literacy. Bodies, clothes, homes and surroundings are also undergoing a transformation. Even the adult women are learning to read the Bible. On Sabbaths the chapels are crowded with people eager to learn more about Jesus and His second coming. The Advent message has put gospel songs into the jungles of Borneo. People in the pagan villages do not sing.

Lay members of the churches are active in making known the gospel to friends, relatives and neighbors. Branch Sabbath schools are being opened, and men, women and children are being taught Bible truths. The hope of the resurrection and the promised return of Jesus to this world to take His commandment-keeping people to a better world has unlocked the mysteries of the future to these humble folk of the jungle.

In Siquati, through the influence and kindly teaching of a Chinese lay brother, a large number of Rungus people, (a pagan tribe of primitive folk) are earnestly calling for a worker to come to their villages to teach them the Advent Message. They will be satisfied with nothing else, for they want a religion that will change their lives, bring them victory over their evil habits and take the fear of the spirits from their hearts. About seventy of these people attended the Sabbath service in the Chinese chapel on the 12th of July. Two chiefs were among them and they renewed their request for Pastor

Pohan to come among them to instruct them in the way of Christian living. As yet government permission has not been given for him to accept their invitation. We pray that God will soon open the way.

So things are on the move in North Borneo. A large harvest of souls should be had by the end of this year, and we are glad for the prospects. Let us pray that God will richly bless the work of Pastors Siagian, Sibarani, Pohan, Leung and Brother and Sister Dizon, as well as the Brethren Peter, Bibi, Mandatang, Dunko, Wong Kiat Sam and others, as they continue their work. Remember such names as Jesselton, Tamparuli, Togop, Capa, Malangang, Papar, Menggatal, Sandakan, Bandau, Siquati, Tenghilan. In these and other jungle villages of North Borneo, the Advent Message and Sabbath truth are being taught by these faithful workers.

教友加入工作。有些地區已達到了雙倍教友人數的目的了，他們藉着合心禱告，祈求聖靈沛降，並以上帝的工作爲他們主要的工作而達到了這目的。我懇切地祈求每一個工人和每一位教友，無論是在荒野的森林或是繁榮的大城市，願我們大家專心致力於此事上，在家庭禮拜時，我們要時刻計劃如何幫助人們認識救主；在安息日學中主理要召集教員等商討組織查經班；即是說我們將應做許多的事情；這一來，也即是說這一地區將與其他各地區並駕齊驅於救靈工作上。我們是否願意這樣做呢？

一封公開信

(南洋神道學校校長 蘇樂德)

我們一家四人於五月抵星，大家的友愛使我們立刻忘了異鄉作客之念。多謝神道學校諸同工們過去的努力，使我們的工作減輕了不少。在前任校長吳德兄弟領導下，學校在屬靈和物質方面都有了長足的進步，新任聖經教員郎爾克正努力推動計劃，加強學生佈道精神，我們在此祝望其計劃得以完成。我們也很高興陳道震牧師進入本校擔任司庫兼副事務主任，陳牧師爲本校校友，曾在教會服務廿五年之久，過去歷任華南聯會司庫，華南聯會副會長，九龍教會牧師，海島聯會會長等職。神道學校乃爲本聯會青年而設，校內教師都爲本會教友，大家都盡力負起責任以使本校成爲一個真正的先知學校。我們需要各位兄弟姊妹的支持和合作。願上帝特別照顧神道學校，使其能成爲加速基督復臨的工具。

北婆羅洲之佳音

(北婆羅洲代理會長 衛理覺)

淡巴魯里，多果，卡巴，馬蘭眼，巴巴，孟卡達，山打根，萬道，西瓜地等地名是不會在世界上諸大城市之報紙上的頭條標題出現的。許多住在這些地方的人從未見過二層的屋子，電燈，或其他地方習見的東西；沒有竊盜，謀殺，戰爭與恐怖的消息干擾他們平靜的腦子。但這些地方正在發生重要之大事，這是應當成爲頭條新聞的——這些村落的人民，不論男女老幼，正在體驗着一種改變。

過去多年來，無知，迷信，巫醫等把北婆羅洲森林中的人民淪爲奴隸，他們不知何爲生命，也不知前途如何，就這樣地一代又一代傳下去。但是如今他們已起了一般的改變，這不是二十世紀，十九世紀，甚或十八世紀文明的物質上之改變，而是一種更深刻，更持久，更重要的改變。眞光開始照亮人民的心，生命已有了新的意義，福音之奇妙能力使森林中的人民得到了新生，許多嗜嚼檳榔的烏黑牙齒和骯髒嘴巴已潔淨了，文盲者已開始識字，甚至婦女也開始學讀聖經，人民的衣著居室都有了一番改變。安息日早上教堂中坐滿了愛慕基督復臨的人。北婆的森林中洋溢著讚美上帝的歌聲。平信徒熱心將福音傳給鄰舍親友；分支安息日學紛紛成立，俾男女老幼聽到了聖經的教訓。復活的盼望和基督將要帶領守誠子民榮歸佳美天鄉之應許已把前途的奧秘向這些森林中無知的人民顯明。

在西瓜地，由於一位華人平信徒的感化和諄諄誘導的結果，倫古族(一種原始民族)懇切要求我們派了工人到其村落教導他們。除了那能改變他們生活，使他們勝過惡習慣，並除去他們心中之恐懼的宗教外，沒有甚麼能滿足他們心靈的渴望。七月十二日，約有七十位倫古人在華人教堂

參加安息日聚會，其中有二位是村長，他們兩位又再要求波漢牧師到他們村落教導他們，但至今政府尚未批准波漢牧師前往。願上帝早日打開一條路。北婆的聖工正在進展中，至年底時將有良好的收穫，願我們大家同心禱告，大大賜福謝謙，拖巴拉尼，波漢，李翁等牧師，狄遜夫婦，以及彼得，比比，孟達單，倫科，黃達三諸兄弟。

星洲華人教會

青年事工概況

星洲華人青年佈道團是今春才組織起來的，正因爲是一個新生的團體，所以從各方面看來，有如雨後春筍，一切活動進行得十分活躍。該團除出版團刊『星光』外，並積極推進救靈工作，舉凡組織分安息日學，監獄佈道及家庭查經等工作，均由該團團員協助。該團前爲訓練教友傳道會組成傳道研究班，該班於經過半載之訓練後，據聞將於十月初旬結束。該團對於團員個人之信仰，職業，婚姻及教育等問題，亦曾加以輔導。而先後舉行的團體測驗，尤得好評。願主恩待他們，使他們勇往前行，完成救人的使命。

教友購書優待啓事

敬啓者：本館實施特別優待教友購買外銷書報(即由文字佈道員向外推銷者)條例已久，惟教友仍未週知，茲特通告，凡本會教友購買外銷書報，不論爲自己閱讀或饋贈親友，概可得四十分仙優待。本優待條例乃爲幫助教友靈性進步並多做個人佈道工作，望各位教友注意之。若有所詢，請問貴處書報發行所或逕函本館，是荷！

懷訓選粹

在預備人們迎接上主復臨之事上，有一番偉大的工作要藉着傳播健康原理而完成之。應當指導人們明白聖經上所教導關於身體機構的需要與健康生活的價值，以致能把上帝所創造的身體奉獻給祂作活祭，配為祂作蒙悅納的服務。……教導他們約束食欲和情慾，來防避疾病。當教人們知道，千犯自然律就是千犯上帝的律法。應當教他們以身體及靈性上的真理，『敬畏耶和華的，得着生命。』『遵守我的命令，便得存活。保守我的法則，好像保守眼中的瞳人。』人們若順從上帝的誠命，『就得了生命，又得了醫全體的良藥。』

洋南聯會
會長 倪西士

親愛的兄弟姊妹們：

我們非常高興地又能與你們相聚一起。於我們離開的年餘期間，聖工進展很多，這說明你們殷勤工作，實在使我們心中覺得非常快樂。我們會有機會拜訪幾個地方的本會教友，他們都很熱烈地趁着良機未失之前將最後的信息傳開去。我從去年報告中得知本聯會的教友加添了二〇八位，這是一個令人鼓舞的進步。別的教會也許將為此進步而高興，但我們基督復臨安息日會的教友却不應因這一點成就而沾沾自喜，因為我們不但相信自己擁有普世之人應聽的信息，並且相信全世界的人要在這一代都聽見這一最後的信息。我們的時侯已不多了。於一九五〇年出席全球大會的諸代表們曾經議決，大家要加緊工作，使教友人數於四年間增加一倍，如今這期限將快要滿了。

一九五〇年初，本聯會有教友二千七百二十八位；所以雙倍的數目是五千四百五十六位。本聯會內共有入口五千萬人，鑑於我們的教友人數少而機會又大，所以再也沒有甚麼時候能比現在更容易加倍我們的人數了。至本年六月卅日止，我們的教友人數是三千四百〇七位，所以於一九五四年全球大會召開前，我們尚要召領二千人方能達到目的。如果我們能以首要的工作為首要，相信這目的是不難達到的。

去年時兆聖函授學校的畢業學員共有一千五百九十三位，這數目等於二千人的四分之三，他們都讀完了三十課關於本會的要道，如果他們都能加入教會，我們應是如何高興呢。當然不會所有的畢業學員都加入教會，但我們若加緊工作，其成績將比目前的進步得多。據統計，北美受浸的人數中，有六十一巴仙是函授學校之畢業學員。我們很高興聽見文字佈道員參與這一部門的工作，他們盡力介紹人們加入函授學校。

安息日學又是一個大好機會之田地，本聯會內有一千六百十四位未受浸的學員，雖然不是所有的學員都預備踏入教會之門，但許多是預備加入教會的。我們當邀請更多的人來赴安息日學，因為大家成為安息日學學員後方纔成為教友。

據稱，天主教教友有三十巴仙是藉着他們的醫藥工作而加入教會的。如今，到本會醫藥機關求診的人很多，同時據報告稱，其中一個醫院的病人，有八十巴仙加入聖經函授學校，我們的醫生盡力工作，以使本部門的工作能充分發揮其救靈的能力。本年中，已有幾位同工被委為駐院牧師，我們知道他們將帶來良好的成績。

曼谷護士學校，南洋神道學校，以及本聯會內其他教育機關成績非常良好，並也在救靈工作上盡了很大責任，計劃已經開始實行，以使這些機關更加有效。

佈道會正在各地展開，當我寫這封信之時，美京本會神學院教授華德爾博士正在越南西貢主持法文佈道會，赴會人士異常踴躍，第二晚聚會時，曾超過一千人，過去在這地區沒有這樣大的成績的，沒有一個時候能比現在更需要我們恆切禱告和獻身，為救靈工作加緊努力。

鑑於眼前加增工人的可能性非常地小，所以我們必定要盡我們所有的能力工作，我們呼求每位
