"With such an army of workers as our youth, rightly trained, might furnish, how soon the message of a crucified, risen, and soon-coming Saviour might be carried to the world! How soon might the end come—the end of suffering and sorrow and sin! How soon, in place of a possession here, with its blight of sin and pain, our children might receive their inheritance where 'the righteous shall inherit the land, and dwell therein forever;' where 'the inhabitants shall not say, I am sick,' and 'the voice of weeping shall be no more heard.'"

UNION NEWS NOTES

Elders Van Kirk and Eichman leave the last of this week to visit the Indian Mission in Western New Mexico.

Elder Harrison is at present in Arkadelphia, Arkansas, delivering his Big Week books. He will return to the office the last of this week.

Elder Richards, president of the Arkansas Conference, paid a short visit to the union office one day last week, on his return home from Keene.

Miss Preston read a very interesting secretary's report of the previous week in Sabbath School last Sabbath. It was appreciated by all.

Brother C. E. Smith will leave about the first of next week for Clovis, N. M., where he will audit the books of the Texico Conference and Tract Society.

At the union conference committee meeting it was voted that Elder Van Kirk look after the educational work and Elder Eichman the missionary volunteer work until a secretary can be secured to take Professor Peterson's place.

A union conference committee meeting convened in Keene last Wednesday. Members present were: M. B. Van Kirk, C. E. Smith, A. F. Harrison, G. F. Eichman, P. L. Thompson, H. R. Gay, W. H. Clark, J. F. Wright, R. P. Montgomery, R. L. Benton, and H. M. J. Richards. The day preceeding the committee meeting a college board meeting was held. All the above mentioned are members of the board and

were present then also, as well as Brother Barnes, Professor Carter and Elder Prenier, who are also members of the board.

WHAT ABOUT OUR CHURCH?

A report from South Texas just at hand shows that six of their churches passed the sixty-cents per week mark for offerings for the first seventeen weeks of 1924. The highest average for any one church was \$3.28 per week per member. Seven other Sabbath Schools averaged above forty cents per member, and of these seven, four were above fifty cents. The average for the seventeen weeks is thirty-seven cents. If every Sabbath School superintendent in this union conference would get under this work of raising the mission offerings all our conferences would soon be up to an average of sixty cents per week. To do this, some must give from \$1 to \$10 per week. Let's do it. M. B. VAN KIRK.

DEPOSITS WANTED.

Realizing that our people often wish to deposit their funds with our conference corporations, the Southwestern Union Conference Corporation has made arrangements whereby deposits for a stated time will be taken at five per cent interest. Any one having money to deposit with the Southwestern Union Conference Corporation should correspond with the Secretary-Treasurer, C. E. Smith, 518 Terminal Bldg., Oklahoma City, Okla. Interest-bearing notes will be issued for each deposit. M. B. VAN KIRK, Pres.
C. E. SMITH, Sec.-Treas.

A NEW BOOK.

A new book will soon be off the press entitled "Christianity at the Crossroads," by Elder Carlyle B. Haynes. This book deals with the question of Modernism and Fundamentalism. It contains 128 pages. Price twenty-five cents.

The artist has developed an exceptionally pleasing and impressive cover design, which will add to the attractiveness of the book. It will be ready about July 1st. There has been no religious question since the days of Luther that has so stirred the religious world as has the question of the recent controversy between the Modernists and Fundamentalists. In this new book Elder Haynes, in a convincing style,

deals with this question from a prophetic standpoint. There is no reason why this book will not sell well, since the question is still under red hot discussion in the religious world.

We will appreciate the cooperation of our workers and laymen in endeavoring to give this book the greatest circulation that any other publication of our presses has ever had. It is a splendid truth-carrying medium. Order through your tract society.

OKLAHOMA BOOK AND BIBLE HOUSE ITEMS

The Muskogee church No. 2 set an excellent example inasmuch as a check which settles their account in full was received.

The Ardmore campaign closed last Sunday night. Their account was closed out the previous Friday. It was a successful campaign.

The crisis book the "Story of Jesus" is a splendid seller. It was especially prepared for children, foreigners and adults with meager education. Many of our people are meeting with excellent success in the selling of this book.

A letter from Sister Damon, of Tulsa, brought to our office a check for \$85.00 aside from an order for literature and Sabbath school supplies to the amount of \$47.50. The Tulsa church is at work.

One of our canvassers asked us to open an account for him. His letter contained a check for \$5.00 as the first item to be entered. We are always glad to open such accounts.

Brethren Clouse and Woodland put in more hours than any of the other canvassers last week, and, of course, have the most orders. We invite everyone to watch our sales reports.

We are glad for Sister Nora Fields' order for Sabbath school supplies. She is secretary of the Sapulpa church. Her order was accompanied by a large check. Our people at Sapulpa are working.

The *Present Truth* band, of the Oklahoma City church, changed territory, thus the members are meeting with new experiences. Do you realize that the *Present Truth* is being circulated by the thousands? Order your supply from your Book and Bible House.

OKLAHOMA NOTES

Elder H. J. Miller is leaving Oklahoma City this week for final arrangements for the colored campaign to be held in Tulsa.

Elders Clark and Van Kirk left the city Friday to spend the week end at Jennings. They report some good meetings at that place.

Our smaller companies and churches are to be commended for their response so far in behalf of the Religious Liberty Fund.

Elders AcMoody, Grant and Long are pitching the tent on a Beautiful loca-

tion at Claremore. We are sure you will read with interest the reports from this effort.

Word comes from Elder Hein and Brother Riffel that the meetings they are conducting at Durham, near the west line of the state, are being well attended.

Brother J. F. Anderson, one of the Oklahoma colporteurs, is holding Friday evening and Sabbath meetings near Grady, and also giving Bible studies on the Texas side of the river.

Mr. David Voth who was formerly connected with the Book and Bible House paid Oklahoma City a visit last week on his way to Kansas City where he will engage in business.

Recent baptismal services were conducted at Tulsa by Elder Long, Ardmore by Elder Barr, Ringwood by Elder Sturgeon, Grady by Elder Grant, and Follett by Elder Hein.

Elder Barr and wife visited the office last week on their way to Sapulpa, where Elder Barr will conduct a ten days meeting before going to Ohio, where they will spend the summer months with the hope that Sister Barr's health will be improved.

Brother A. B. B. Storey, of the Arkansas Conference, is being located in Muskogee and will act as pastor of the church and take charge of the city missionary work. He and his wife will join the summer campaign at Tulsa, beginning the last of June.

Elder W. S. North, after about eight years of faithful service in the Oklahoma Conference, goes to Arkansas. We pray that God may bless him and his wife as they take up the work in Little Rock. Address him at 1724 Pulaski Street.

A large number of the members of the Oklahoma City church gathered in Rotary Park last Tuesday evening to tender a farewell to Elder Potter and family. About three hours were spent in visiting and a bounteous repast. Tokens of their esteem and respect were given to Elder and Mrs. Potter in the way of some useful and beautiful gifts. We cannot leave out the fact that the speechmaking occupied some of the time. The speeches were few and short but appreciated. Elder and Mrs.

Potter and children left, Monday for their new home in Kalamazoo, Michigan.

OBITUARY

Miss Cadelia Lewis was born in Hickman County, Kentucky, January 12, 1897 and died June 2, 1924 in Logan County, Oklahoma. She took her stand for present truth through studies given by Mrs. Jennie Bumps. We believe she sleeps in Jesus and will come forth in the resurrection of the righteous. Words of comfort were spoken from Hosea 13: 14.

CEMENT OKLAHOMA

A Sabbath School has been organized and its membership is growing. Two were baptized Sabbath the 7th and others may follow later. We hope to see a working church developed. We had one here several years, and why not again?

A NEW SONG

"Just off the press. A camp meeting song par excellence. "The Loud Cry" an appropriate setting by Professor Berenhard Ledington, Mus. B., of a beautiful poem by Mrs. Jennie E. McClelland, based on the subject of the loud cry of Revelation 18. Copies of this song may be had at the Clinton Theological Seminary press, Clinton, Missouri, at the rate of five cents for single copies, or fifty cents per dozen copies."

W. B. OCHS.

THREE SANDS, OKLAHOMA.

This is a very solemn time in which we are living, and we are all members of the church giving the three-fold message, and we must not be found sleeping at this time. The Lord has stated that the youth will have a large part in finishing this message, and can we remain in darkness when the Lord has such light to shine upon our pathway? All may not be able to do public speaking, but we can all use the printed page as our helper. If the pleasures of the world do not get all of our money we can warn some of the soon-coming Saviour. Can't we sacrifice a bit to reach a higher standard, and we shall have the sweet thought that in some word or action we have brought some one along the way to the city of God? I am an isolated member of the Sapulpa church.

SOUTH TEXAS NEWS NOTES

The tithe for May was \$2106.97, offering \$1059.43.

The following churches and companies have reached their quota to missions for the first five months this year: Brenham, Edinburg, Laredo, Mercedes, Beaumont, Galveston, Palacios, Port Arthur.

Elder Montgomery and family returned to San Antonio Monday evening. They made the trip through from Houston in one day. Houston regretted to see them leave but San Antonio gave them a warm welcome.

Mr. Heim and son and Mrs. Proctor, of Three Rivers, were visitors at the office a short while Monday afternoon. Their report was that the Three Rivers company was of good courage.

Mr. Spicer, of Hondo, was in the office for a few minutes Tuesday. He brought a very encouraging report from the church. Crop conditions are very promising in that section of the conference.

Brother Nicolas reports nine persons baptized since he began the Sunday night meetings in the San Antonio Mexican church. He plans to begin a series of meetings at Hondo the middle of June.

Mr. Crane, one of the student colpor-

teurs canvassing in South Texas, met three families of Sabbath-keepers of whom we had no record at the office. Some members in one family are desirous of baptism. The work of the colporteur is varied, but indispensable.

Look at this comparison on tithe and offering for the first five months this year with that of last year:

	Tithe	Offering
1924	10314.51	5317.56
1923	9263.60	3665.72

A VISIT TO HOUSTON.

May 13 and 14 I drove to Houston in my car accompanied by Mrs. Montgomery and Elinor. We began meetings Friday night and had a service every night for about ten nights. The attendance was real good all through the week. We enjoyed studying the good old Bible and Testimonies together.

We remained in Houston nearly a month holding meetings on the Sabbath and Sunday nights. We made many visits in the homes of our people which we enjoyed very much. We wanted to visit every family of Adventists, but our time did not permit.

We have a church of fine people in Houston; they are loyal to the message and are willing to do all they can to hasten the work on to all the world.

We came back to San Antonio Monday, June 9, making the trip in twelve hours in our car. We shall always remember with a great deal of pleasure the good visit we had with the dear brethren in Houston and their many kindnesses shown to us while there.

R. P. MONTGOMERY.

EL CAMPO SCHOOL

Another year of hard study, work and play closed the school at El Campo with an intensely interesting program. Promptly, at the specified time, the curtains were thrown open to an audience of about two hundred and twenty-five, seventy being members of our faith, among which were visiting members from San Antonio and Houston and also an interested family from Corpus Christi.

As the program progressed the interest of the audience arose to a high pitch, the reason being a willing execution of each part rendered. And then reports on the various items of

the program from members of those present have a tendency to make one think and feel that the construction and execution of all parts were greatly appreciated.

Some of the points considered or stressed were: tithing, health reform, modern surgery, and the fruits of the evil course of a king as he used the sacred vessels for a common use as brought to view in the book of Daniel. As a whole the program was composed of thirty-six dialogues, recitations, sermonettes, special music, illustrated songs, duets, drills and demonstrations.

Surely God blessed the efforts of the teachers, Brother Hopkins and Miss Michael, the children, and the willing helpers, for such wonderful success comes from hearts that are consecrated to the Great Leader and who are willing to give him the glory.

ONE PRESENT.

VISITING OUR SPANISH WORK IN TEXAS

A pleasant transformation in building and grounds of the mission school in San Antonio is one of the first things one would note in coming on the ground before entering Miss Elena Suche's interesting school. The good influence of this school has carried out among parents who were not believers thus exerting a good missionary influence in the vicinity.

The new church building is a credit to our work. The special Sunday night meetings conducted by Elder Carlos Nicolas are well attended, and the brethren are finding that the new building will not accommodate the growing interest very long. The members all responded in a recent consecration service renewing their vows to the Master who has done so much for each one of us.

The writer in company with Pastor Nicolas then visited our La Reforma church again. On arriving we found the members doing their part in the Big Week. Brother J. R. Carranco has been leading out in the work in this place for some months. We held special revival meetings to which there was a good response. The evening meetings were well attended by the outside visitors who seemed to be very much interested in the message given. For the first time stereoptican views were shown which added still more to the interest. The church building was crowded every night and many stood in the school room adjoining. This is now the largest Spanish church in our South

Texas Conference with every prospect of a much greater growth in the near future. Four more were baptized on this visit.

The brethren of La Reforma are to be commended in the energetic way they have taken hold of the erection of a church building, later a parsonage and now a school building in connection with the church is completed. All are looking forward with eagerness to the opening of the church school in September. Brother Luis Lopez, graduate of the Spanish-American Training School with his good wife have accepted a call to teach this school, and at the same time look after the evangelistic interests of the church. Let us remember these consecrated workers in our prayers. The church elder, Brother Ignacio Alvarado, holds the confidence of the members, and has been a help and inspiration to the new church members.

In Laredo, Texas, we found our Spanish worker, Brother S. P. Cunill, busy preparing a nice group for baptism. We had the pleasure of examining five candidates who were desiring baptism, and so far as we could see they were ready to be buried with their Lord in the watery grave to arise in newness of life. Brother and Sister Cram have closed up their school work for the year. Brother Cram looked after the higher grades and Sister Cram carried on a very successful church school among the little ones.

Near Hondo calls have been coming in for Spanish meetings to be held and the conference brethren are trying to arrange for some meetings to be held in this place. In all, our Spanish work never looked brighter in the South Texas Conference. The interest and the openings are greater than ever before. Elder Montgomery, the president, with his workers are to be commended on the completion of their new commodious office building at 917 S. Presa St., San Antonio. This will add to comfort and efficiency, providing at the same time good window display for books and bibles.

Early one Sabbath morning as we gathered under an oak arbor with rustic seats up in the North Texas Conference I was reminded of old mission days. I asked Brother J. A. Salazar where the church was and he replied that "this shade is our church, and the friends have all helped to build it." Mexican men, women, and children began arriving before eight o'clock in the morning. All gave the very best attention while the word was being read

and explained. They seemed glad to know that Jesus is coming again soon, and want to be ready to meet him in peace. The children learned a little song in only hearing it sung three times. Some families have begun to keep the Sabbath and have given up tobacco and pork. Let us remember Brother Salazar and these new people who are just coming out of the darkness of Rome that God may raise up a good church in this place. This community is out from Wills Point near Edgewood. H. D. CASEBEER.

TEXICO NEWS NOTES

Brother E. G. Truitt called at the office the first part of the week.

Miss Lehmann, our stenographer, left the first of the week for a three weeks' vacation.

Keep your record of daily study of the Sabbath School lesson. Quarterlies ordered now will reach you in time.

Brother Clyde Turner and family are visiting relatives in Oklahoma City for a time.

A copy of "The Life of Victory" by Elder McGuire has been received. This is a splendid book. Price \$1.00. A gift edition especially bound can be secured for \$2.00.

Camp meeting at Portales, nineteen miles south of Clovis. Plan now to attend. Can you really afford not to?

Temporal things are not the most important in this old world after all.

It is customary for Brother Whitney of Portales to take away some books every time he leaves the office. The past week was no exception. This time it was sixty-six of the small books.

The coming week will see several more colporteurs in the field. The message is reaching many through the colporteur work. Let us remember these colporteurs in prayer, and assist them at every opportunity.

Three new colporteurs from our Spanish school at Phoenix have been added to our force of workers this week. Their reports appear elsewhere. Brother Flores is working at Albuquerque, and Brethren Castillo and Longorio at El Paso.

The workers in the campaign at Wichita Falls desire the prayers of every believer in Texico. Acts 12:1-7 will give you new courage, and make prayer more real. A large campaign like this one is necessarily quite an expense financially, and assistance of this kind will be a help at the present time.

The office has several thousand copies of *Present Truth*, that will be mailed for 35 cents a hundred copies, \$3.00 a thousand. The supply is limited, state preference in topics giving second and third choice. Information on request. We have some slightly soiled and shelf worn books at special prices. Information given to those interested. Let us know what books you need.

Shall we permit South Texas to stand higher than Texico in percentage of offerings to missions? How about it brethren and sisters? Let us make God's work first, every hour, and every minute of our lives. The goods He has entrusted to His people are for the finishing of His work. Will we prove faithful? If every member squares up on mission funds to date then Texico will be square and much more. Why not?

You read the newspaper for the news. You should have the *Watchman* for the meaning. It is an interpreter of the times. During June and July you can get it for fourteen months at only \$1.75.

TAKE STORY-TELLING ALONE

A mother in California writes: "I am taking the Mothers' Lessons, and I am certainly thankful for the opportunity offered us mothers. My husband and I are reading the book, 'The Real Home,' together, and although he is an outsider, he greatly enjoys it. I enjoy the story-telling so much. Have always told my children stories since they were very little, but see more now how far short I came being a real story-teller. I am endeavoring, with the Lord's help, to have family worship and to make our home a heaven to go to Heaven in, and the Young Mothers' Society is helping me so much. I want to thank you for the wonderful good you are doing. I feel that every mother who does not avail herself of the great opportunity offered our people is losing something she will greatly regret."

Story-telling is one of the four lines of study given in the Mothers' Lessons. The others are, Nature Study, Health, and Home Culture. Every Seventh-day Adventist mother should be enrolled. You can form a Young Mothers' Society to study the lessons together, or you can take them yourself.

Write for an Outline to the Home Commission, General Conference, Takoma Park, Washington, D. C.

THE ANSWER OF THE BOOK

Beginning July 1 there will appear in the *Signs of the Times* a connected series of Bible studies in question and answer form, following the same logical arrangement that a worker would use in meetings or a personal effort. Each study will be brief, covering probably not more than a half page. "The Answer of the Book" is the general heading under which each study will appear. This suggests that the *Bible answers*, which it will do all the way through. This will be a very strong missionary feature. The course is supplied by Elder L. L. Moffitt, who is in active evangelistic work. The subjects to be covered, in the order given here are:

1. Bible the Word of God
2. The Need of Studying the Scriptures
3. Importance of Sound Doctrine
4. Reality of Devil and Sin
5. Remedy for Sin - Justification by Faith, Repentance, Conversion.
6. Second Coming
7. Need and Value of Prophecy

SOUVENIR EDITION OF THE REVIEW AND HERALD.

The year 1924 is a notable one to Seventh-day Adventists. Fifty years ago next September, Elder J. N. Andrews, our first foreign missionary, sailed from Boston to his field.

Seventy-five years ago next July Elder James White began the publication of our first periodical, now known as the *Advent Review and Sabbath Herald*.

It is well in these days to review the experiences of the pioneers, and to note how this message has grown until it is strongly rooted in nearly every country on the globe.

To commemorate these two anniversaries, the *Review and Herald* is to issue a Souvenir Edition, containing sixty-four pages. Not only will this recount early experiences in this message but it will tell of the beginnings of our work in every field and of the progress which has, through God's blessing, been made up to the present time.

The illustrations in this issue will be of intense interest. There will be a contrasting of the old with the present. There will be the photographs of four generations of the Andrews family. The graves of some of our early pioneers such as Brother LaRue, Elder Bates, Elder White, Elder Andrews, and others will be shown.

Every Seventh-day Adventist will desire to keep a copy of this issue and send to anyone who is at all interested in knowing something of the growth and scope of the work being carried on by Seventh-day Adventists.

The sixty-four page edition will be printed on supercalendared stock made especially for this issue. The order
