Our Mission Staff -- A Noble Army

AS OUR people in North America launch out into the 1941 Harvest Ingathering work I feel sure they will be deeply interested in some of the encouraging messages that come from the foreign fields to the General Conference office from day to day. Only yesterday word was received from H. Hanson, of Ethiopia, to the effect that the new Government officials there were requesting that Seventh-day Adventists send out doctors and nurses at once to re-open our work in that country which has been more or less closed now for several years. He reports that the way is open for a large work to be undertaken in Ethiopia again just as soon as transportation facilities make it possible for us to send workers out.

Word comes from East China concerning five evangelistic efforts that have been in progress in the city of Shanghai, all running simultaneously. No, the work in China has not stopped, even though a number of our missionaries have had to withdraw temporarily from the field. The native workers are still raising the cry for men to prepare to meet God. Pastor A. L. Ham, superintendent of the South China Union, writes about a recent Week of Prayer service held in Nanning, South China, by one of our Chinese ministers. All our missionaries were compelled to evacuate this city several months ago, after the Japanese captured it from the Chinese.

"For more than a year our faithful believers there had been locked up in that city. For a while they could visit the small villages near by, but later

W. H. Branson

they were prohibited from doing even that. Well, after the city was freed, (re-taken by the Chinese), Pastor Lei lost no time in going to Nanning, and reached there in time to conduct the Week of Prayer. He says the prayer services were very moving. Workers and church members were deeply stirred. Some acknowledged their sins with tears; others prayed earnestly for the cleansing power of the Holy Spirit and consecrated themselves anew to God for service. Four persons made their decision to be baptized, and a service was conducted at the riverside on January 15. 'There has been a deep spiritual awakening,' Brother Lei writes, 'such as I have not witnessed during my mission service of more than twenty years. How could such things be accomplished without the Holy Spirit?'"

L. H. Davies, secretary-treasurer of the Northwest China Union, writes of a narrow escape from shooting while traveling from Lanchow, Kansu, to Sianfu, Shensi. He says:

"I traveled by public bus, taking four days for the trip. On the evening of the first day, on the top of a mountain ridge called Hachialing, we ran into bandits. The Bank of China truck had met this group about two hours earlier. The occupants had been challenged by the bandits, but as they had revolvers with them they did not stop but returned the gunfire, killing one of the bandits. When we came along we were not challenged, but fired on point blank. We had sixteen passengers, six of whom were hit. Two were instantly killed;

two died of their wounds during the night; one was still living in the morning but was not expected to survive. The sixth received a slight wound in the foot. These people were sitting all about me in the bus. The Lord certainly protected me."

Transportation of all supplies into West China now has to be by motor truck from Burma, over the famous Burma road. Usually new trucks are purchased for each trip and then sold in the interior without much, if any, financial loss.

Word comes to the effect that the last caravan thus conveying supplies to our inland missions was led by Pastor E. L. Longway and consisted of eight Ford trucks. These were loaded with literature for our colporteurs, medicines for our hospitals and dispensaries, food stores for our missionaries and Bibles for the American Bible Society depots. These trips are often fraught with grave danger, since the Burma road is frequently bombed and caravans such as these are often subjected to machine gun fire. On some occasions our drivers have had to flee to the bush and lie on the ground until the attack was over. Surely we should earnestly pray for men who are thus willing to hazard their lives in order that the field may have necessary supplies for the onward progress of the work.

Those of us who live in this land of peace and prosperity know little of real sacrificial service such as our missionaries and people are rendering to this cause in many lands today. Never, we believe, in its history has the cause of God had a more loyal.

self-sacrificing group of men and women engaged in missionary service. Our mission staff constitutes a noble army and we believe that all our believers here in the homeland count it a great privilege to stand by them in supplying them liberally with the sinews of their spiritual warfare.

The 1941 Harvest Ingathering receipts should be the largest ever gathered by our people in a single year. The need was never so great as now. Our goal is *one million dollars*. We believe we shall reach it, and do so in a very short time. Within a few weeks we may be in the war. Now, right now, is the most favorable time we shall ever have to do our work. Not a day should be lost.

How Much Ought One Do

A FEW years ago in a certain city a team of spirited horses became frightened and ran away. They were hitched to a wagon, and as they ran down the street the owner saw them and made a desperate effort to catch hold of the bridle of the near horse as the team ran past. He succeeded and finally brought the team to a standstill, but in his effort he was severely injured. Men running up to assist asked the question, "Why did you not let the team go?" The dying man replied, "Look in the wagon box."

There asleep was his son. No one after that questioned the man for giving his life.

All will agree that he did what he should have done. Often in our missionary work we do much less than the man who stopped the runaway team. How enthusiastic should we be?

"Our heavenly Father requires no more nor less than He has given us ability to do. He lays upon his servants no burdens that they are not able to bear. 'He knoweth our frame; He remembereth that we are dust.' All that he claims from us we through divine grace can render.

"Unto whomsoever much is given, of him shall be much required.' We shall individually be held responsible for doing one jot less than we have ability to do. The Lord measures with exactness every possibility for service. The unused capabilities are as much brought into account as are those that are improved. For all that we might become through the right use of our talents God holds us responsible. We shall be judged according to what we ought to have done, but did not accomplish because we did not use our powers to glorify God. Even if we do not lose our souls, we shall realize in eternity the result of our unused talents. For all the knowledge and ability that we might have gained and did not, there will be an eternal loss." *Messages to Young people*, p. 309.

PRESIDENT, I. C. POUND

SEC'Y-TREAS., O. J. BELL

Report from District Seven

WE ARE thankful for the continued blessing of God in our work. The public responded most kindly to our work and the Ingathering goals were reached before camp meeting time.

Elder Pound held an effort at Camden and a number are keeping the Sabbath as a result. Miss Whisnant is giving Bible studies to those who came forward at the meeting. A baptism is planned a little later.

A brother baptized at camp meeting has had a signal working of God in his case. He is a teacher in a state school whose president did not seem at all pleased with the idea of his taking Sabbath off. It has happened

that a new president has taken office who is much more favorable. For some time because of the difficulty of getting the Sabbath off our brother did not take his stand definitely, but being troubled by the Spirit and being warned by a dream to leave his church, he took his stand. The morning he had made his decision he went down to the office intending to ask his superior about having his Sabbath free, but before he had time to say anything the dean said "..... do you still want Saturday off?" Thus we see again that all affairs in God's hands will work out in His own time. We need to be sure that He has our affairs under His control.

We have recently learned that there are two who are interested in the Sabbath at Ferriday, and one young man in Tallulah is convinced that he, too, ought to be keeping it. We have wondered when and how these towns could be given the message, and we are glad that the light has reached them.

The camp meeting was the means of bringing attention to our work in a special way, to those about us and great blessing was received by those who attended.

Many opportunities come to us to witness for God in a special way. In July we entertained a group of soldiers in Monroe at a picnic. They enjoyed the simple meal with us so much that the committee has asked us to hold a similar one weekly. We try to use every means to interest those about us in our message. Continue to pray with us for the speedy finishing of the work.

VERNE KELSEY.

News Notes

Our camp meeting is in the past. Those who attended, we feel sure, received a special blessing and found that it was well worth while to be there. The conference workers are all back in their respective fields, and the thing claiming a major share of the attention of all workers now is the Harvest Ingathering campaign. Already the following churches are over the top: El Dorado, Monroe, New Orleans Italian, Mount Pleasant, and Hammond No. 2. Several other churches are well on the way toward their goals. If any of our churches lack supplies of any kind, they should write in to the conference office for them and they will be sent promptly.

We are sure that our readers will be interested in some changes that were made in our working force at the time of our conference session. Elder J. L. Neil, who has been serving as leader of district No. 6 including New Orleans and Baton Rouge, has been asked to carry the home missionary and medical missionary departments of the conference. The medical missionary department has been created because of the long-felt need for more activity along medical missionary lines. Elder Neil will take over his new duties as soon as it is found practicable to release him from his district work.

Mrs. C. L. Grandon has been asked to carry the work of the Sabbath School department. Any questions or problems connected with the Sabbath School department should be addressed to her, and she will give them prompt attention.

Elder Pound was reelected president of the conference, and he was also asked to carry the responsibility of the Religious Liberty department.

Elder J. B. Ross and Brother C. L. Grandon were also reelected to serve in the departments they are now heading. Brother Ross carries the responsibility of the Educational and Missionary Volunteer departments. Brother Grandon will continue to serve as field missionary secretary.

Because of the tenure of office policy of the denomination, our secretary-treasurer, O. J. Bell, was not eligible for reelection. It was voted that the Southwestern Union endeavor to work out an exchange between the secretary-treasurers of the Texico and Arkansas-Louisiana conferences. This transfer has been effected, and shortly Brother Bell will be leaving for the Texico Conference and Brother T. R. Gardner, who has been serving the Texico Conference for six years will be coming to Arkansas-Louisiana to take over Brother Bell's work.

At the camp meeting the constituency voted to recognize the Ozark Junior Academy, at Gentry, Arkansas, as a conference institution. It may not be news to some that our school at Gentry has been carrying twelve grades of work for the past year or two. It will continue to carry twelve grades, and we can earnestly recommend this fine school to any of our members who may have a boy or girl needing to take work up to the twelfth grade. Our young people finishing their work at Gentry are

expected to go on to Southwestern Junior College at Keene to continue their education.

In the years gone by, our school at Gentry has been operating rather primitively. Now we have two nice dormitories, one for the boys and another for the girls. They have lights and water in the buildings now, whereas heretofore they have had to burn kerosene lamps and carry all the water needed for the school. Despite the lack of electric lights and running water, the young people attending Gentry have enjoyed the time spent there, and now that long-needed improvements have been made we feel sure that the young people who may be fortunate enough to attend at Gentry will feel that there is no better place to be found in which to receive a Christian education.

Would you like to receive the Youths Instructor for three months for only a quarter? If so, send us twenty-five cents and the Instructor will be sent to any address for three months beginning September 1. This is a fine opportunity which you ought not to miss.

At this writing Elder Pound is taking a well-earned vacation in Tennessee. He will return to the office about August 27.

Miss Grace Bell, sister of O. J. Bell, our conference treasurer, has joined the office force as stenographer.

We are glad to welcome Brother and Sister Kenneth Beem to our working force also. Brother Beem is joining the office staff and will handle the Book and Bible House matters. Sister Beem will teach in the church school at Little Rock.

The conference is going to make every endeavor to secure a strong worker to take over the district that Elder Neil will be leaving. When the right man for the place has been found, we will announce the fact in the RECORD.

OKLAHOMA

Box 528, Oklahoma City, Okla.

PRESIDENT, J. L. McCONAUGHEY

SEC'Y-TREAS., J. O. HANSON

News Notes

General Conference and camp meeting are both now in the past and throughout Oklahoma the Harvest Ingathering campaign is beginning to

get into full swing. Already one district, Enid, with six churches, is well past its goal, having reported between two and three hundred dollars received beyond its quota. The Vinita district lacks only a very little at this writing of having raised the assignment for that district. This week the Oklahoma City church is getting under way. Four singing bands have their program mapped out for six nights a week for the next four weeks. We hope our conference church members will not postpone their solicitation, but join with the various churches immediately in putting on a quick and thorough program for getting in all the money possible in the shortest time possible. Remember that sixty per cent of the overflow above the conference goal returns to Oklahoma for local work. We hope our people will put forth a most earnest effort for funds at this time so that we may have enough overflow to help put on the strongest evangelistic campaign for souls that has been possible in this conference for many years.

Brother Plue is busy in the field starting out several new colporteurs and assisting in the deliveries of several others.

Elder Eckman is winding up his work at Enid preparatory to moving to Oklahoma City where he will take over the work in the Home Missionary and Sabbath School departments of the conference.

Elder Nesmith is busy these days visiting churches and helping to get church schools established for the coming year.

Another month is drawing to a close. Two-thirds of this year is all but gone. Have you checked your tithe record to date?

Announcing a Change in Department Secretaries

SEVERAL days after the election of officers and before our camp meeting closed, Elder Wittenberg tendered his resignation as Secretary of the Home Missionary and Sabbath School departments of the Conference in order to take an indefinite leave of absence so he could be with his wife who is seriously ill in a sanitarium in California.

Elder C. N. Eckman of Enid was invited by the conference executive committee to take over the work of these two departments. Elder Eckman is moving to Oklahoma City this week and will take over his new

duties immediately. All mail intended for the Home Missionary or Sabbath School departments should hereinafter be addressed to Elder C. N. Eckman, Box 528, Oklahoma City, Oklahoma.

Elder Eckman will direct the Harvest Ingathering Campaign now getting under way throughout the conference.

Regional Picnic

COME one, come all, to the big educational rally and picnic at Crystal Lake, about two miles Southeast of Woodward, Oklahoma, August 31, from 10 a.m. to 4 p.m. A special program is being arranged for the day, and representatives from Southwestern Junior College will be present.

There will be community singing, baseball, volley ball, horseshoe, and other games of interest will be furnished during the day. Come prepared to enter into the spirit of the occasion, bring a well-filled lunch basket and appetite for the same.

We especially hope that each church in the western area will have large delegations at this regional picnic. We would also like to see Alva, Enid, the Blaine County and other churches participate in this rally and social occasion.

Remember the date: Sunday, August 31, from 10 to 4.

R. A. Nesmith.

Only a Quarter

It's a small piece of change spent thoughtlessly a thousand times a day, but it's a big quarter when you use it to buy the Youth's Instructor, for you can have this friend of all young people sent to new subscribers for three months for only twenty-five cents. Think of it—thirteen issues of this sixteen-page paper bristling with interest from beginning to end for only a quarter!

With the thirteen issues beginning with the first one in September and ending with the last in November, does this special offer apply—the Youth's Instructor, three months, only twenty-five cents.

Detach the blank below and mail to the Oklahoma Book and Bible House, Box 528, Oklahoma City, Oklahoma. For additional subscriptions, use extra sheet.

Dear Sir:

Enclosed find 25 cents for which please send me the special subscription to the Youth's Instructor.

Nuptials

Beautiful peach colored gladioli and luxuriant ferns formed the setting for the wedding of Miss Alice Will and Mr. Arthur Lutz in the Seventh-day Adventist church at Perry, Oklahoma, on July 20. Elder E. A. Crane, brother-in-law of the bride, performed the lovely and impressive wedding ceremony. Besides relatives and friends from Perry, a number of friends from Oklahoma City and Tulsa were present.

The bride is one of our valued church school teachers who for the past seven years has taught the primary grades of the Tulsa Junior Academy. The groom is one of our faithful colporteurs and lay workers who will continue his ministry in the city. The Oklahoma City church is pleased to have the services of Mrs. Lutz in the primary grades of their Junior Academy.

May the Lord richly bless these faithful workers as they unite their lives to labor for the Master.

TEXICO

419 Rencher St., Clovis, New Mexico

PRESIDENT, V. A. LAGRONE
SECY-TREAS., T. R. GARDNER

Camp Meeting Report

THE 1941 camp meeting for the Texico Conference is in the past. Our workers and believers are back in their homes. We feel sure that they carried great spiritual blessings with them. The studies that were given by the different workers were most helpful, encouraging our people in their own experiences to get ready and stay ready that they might meet the Lord in peace. In these troublous hours, the hearts of all of our dear people should be turned heavenward. The only protection and power that we can expect is from heaven, which will give us victory.

Elders Longacre and Dick were with us from the General Conference. Elder Benton and the other members of the union staff were present. Pro-

fessors H. H. Hamilton and C. F. Dortch with the quartet spent a few hours with us. Brother Hall, the history teacher, was with us during the entire time. Elder H. B. Lundquist, the Bible teacher, was present for several days. Elder A. S. Maxwell spent a short time with us. All our local workers were present during the meeting except Elder Delafield, Brother Dittberner, Brother Mireles, and Brother Vargas. Elder Delafield and Brother Vargas were present for a very short time. We appreciated the ministry of these brethren and our people feel as though it was the best meeting that they ever attended.

Our people are most assuredly willing to do their part in the spreading of this message, not only in time, but in means. The offering in the Sabbath school for the first Sabbath was \$93.33, and the second Sabbath \$106.10. These offerings are the largest ever received at any camp meeting in this field according to the records. Our people gave over \$200 for Religious Liberty work. "Thy people shall be willing in the day of Thy power."

Officers and secretaries were re-elected for the next biennial term with the exception of Brother Gardner, whose tenure of office is up. A transfer has been effected between the Texico and Arkansas-Louisiana conferences. Brother O. J. Bell, secretary-treasurer of the Arkansas-Louisiana conference was elected to fill the same position in this field. We feel sure, that while we regret to lose Brother Gardner from our working staff, Brother Bell will be welcomed in this field. Mrs. W. W. Ruminson was elected as our medical secretary in this conference. Brother D. W. O'fill, who has been assisting Brother Walgren in an effort at Hot Springs, New Mexico, was asked to carry the Home Missionary and Sabbath School departments in this conference.

V. A. LaGRONE.

News Notes

Our Spanish brethren are to have a regional meeting, at Reserve, New Mexico. Elder H. B. Lundquist who has spent a number of years in South America and has recently come to Southwestern Junior College as the Bible teacher, will assist Brother G. W. Casebeer in the meeting at Reserve.

Sister Lyman Ham, the daughter of Brother G. W. Casebeer, had a very

serious operation recently, but it is reported that she is doing as well as can be expected. We wish her a speedy recovery.

Brother Orville Schneider and Daniel O'fill carried the responsibility during camp meeting for the juniors. Miss Ivagene Elliston had charge of the children's division.

Elder Peden was the reporter for the newspaper and a number of splendid articles appeared in the local paper.

September 8 is the opening day for the church schools in the Texico Conference. All of our teachers have been elected except three. At least two new schools will be started this year.

We are very happy to report that two churches have already reached their Harvest Ingathering goals in this field; El Paso and Mayhill. Congratulations to these churches for being the first ones to report "Over." Wherever possible we hope that our people will take hold of this work in earnest and get their goal out of the way. If this nation were to be thrown into war, the privilege of solicitation might be taken away from us.

Elder Delafield states that they are expecting a goodly number to unite with God's people from the effort in Sweetwater. They hope to organize a church and are looking forward to erecting a building in that place in which to worship.

Will You Help?

THERE are hundreds of good, clean, educational, moving picture films available for the use of church organizations and schools. We have been unable to use these films in our conference because we have no sound equipment. The conference committee has discussed this problem and decided to recommend to our people that we use the Educational Equipment Fund Offering to be taken in all our churches Sabbath, August 30, to buy a first-class sound projector.

We feel confident that our people will rally to the call and give liberally so that we can raise between two and three hundred dollars at the time of this offering. We are also inviting our isolated people to mail in their contributions. Sabbath schools and churches should promote this strongly.

There is a good selection of temperance pictures available, some put out by our own organization and others by the W.C.T.U. If there were ever a time when our young people

needed to be warned of the danger in the use of tobacco and alcohol, it is today. These pictures will reach young people that could not be reached by sermons or literature. Please don't fail us on this offering.

LEE CARTER.

Fort Sumner Junior Academy

SEEING considerable need for a junior academy within the state of New Mexico, the brethren, of the Fort Sumner church, after counseling with the educational departments of the conference and the union, sometime ago built and equipped a school building adequately arranged to care for the usual church school of eight grades and the first three years of the academic course. At present not enough students have applied to warrant teaching many of the courses possible to offer. We are anxious to get in touch immediately with all possible who may be interested in this school. Parents, friends of students, or prospective students should correspond at once with the writer, stating all information deemed necessary.

There is plenty of work for men or boys who can do farming, and some possibility that other work may be obtained. If you wish to locate your family here be sure to state particulars including what you wish to do as to work and location.

We will do all we can to locate suitable homes for youth that come to room with other Adventist people. If any find their own location, please notify the church elders, Dr. W. W. Ruminson, Fort Sumner, N. M., and Arthur Willhelm, Valley Route, Fort Sumner, or the principal, A. T. King, Fort Sumner, N. M. It is planned that we follow the well-established rule of our educational department, that the board or the faculty pass on the place of residence of the students in attendance at our schools. Because it is now very near the date for the opening of school you should write at once that proper plans may be made to include your classwork. We welcome all who are not already provided for in their own church.

A. T. KING.

"IF EVER we are to work in earnest, it is now. The enemy is pressing in on all sides, like a flood.

Only the power of God can save our children from being swept away by the tide of evil. The responsibility resting upon parents, teachers, and church-members, to do their part in co-operating with God, is greater than words can express. To train the young to become true soldiers of the Lord Jesus Christ is the most noble work ever given to man."

Counsels to Teachers, p. 166.

Great responsibility rests upon every church member to do his part in the education of our young people. We should not feel satisfied until all our children are in our own schools, where they are protected from the paralyzing poison of the worldly philosophy until their minds are established in the truth.

Within the next few days our young people will be making their choice between church schools and public schools. Some have made up their minds to attend a church school, but don't know which one. I heartily invite all such to come to Lubbock Junior Academy.

Delivery time is here and our factory is working overtime to provide *Bible Readings, Patriarchs and Prophets*, and other literature for the field.

Elder Christman is attending camp meetings in the Southwestern Union Conference and Elder Shultz is attending the Michigan camp meeting. Both men report excellent response on the part of our believers in behalf of a larger circulation of the *Watchman Magazine*.

A letter received from Elder W. H. Branson, one of the vice presidents of the General Conference,—and author of our latest publication, *How Men are Saved*,—tells us that the book is taking exceptionally well among those attending the camp meetings in California. This little book has just come from the press and is attractively bound in both paper and cloth editions. The subject of the book is vital to every individual. Many want to be saved, but comparatively few know how to secure salvation. *How Men are Saved* will make an attractive book for gift purposes.

SOUTHWESTERN JR. COLLEGE

PRESIDENT, H. H. HAMILTON

S. W. J. C. Offers Basic Medical Cadet Training

THE Southwestern Junior College is offering our young men the important Medical Cadet training as a part of the regular college curriculum this term.

Men between the ages of 17 and 36 should be vitally interested in this course. The issues before us are tremendous. We cannot afford to send our young men out unprepared to meet the fearful odds against them.

On the other hand, the opportunities for making profitable contacts and favorable impressions for the truth are greater than they have ever been, and we should be prepared to take advantage of each opening for God, and turn what would otherwise be a defeat into glorious victory for Christ.

Cadet training prepares our young men skillfully to take advantage of these opportunities. The Medical Cadet training does more than prepare our young men to be useful representatives of Christ in the Army—it gives them a training which has been proven of value in civilian life.

There is no better way to get this training than to take it as a regular part of school work. It is less expensive, less grueling and intensive, besides being more comprehensive and satisfactory in the end. The college credit allowed applies toward graduation.

In addition, the regular General Conference certificate will be awarded the cadets if the course is successfully completed. This certificate assures your placement in the Army Medical Department in case you are inducted into the Army.

If you have been planning to take the Medical Cadet Training, come to Southwestern Junior College to take it. If you had not been planning to take it, begin now to make plans that you may be prepared with accurate information and skills that place you on vantage ground.

DAN. W. PALMER.
