## Our "Watchman"

S. A. Ruskjer

The *Watchman Magazine* is in a special sense our Watchman. While it serves all of the United States as a wide-awake, soul-winning journal, the fact that its home is in the territory of the Southern Union should naturally lead the Southern Union to take a real deep interest in a large circulation and in a successful soul-winning work for the *Watchman*.

Every Seventh-day Adventist church in the United States will give special consideration to the importance of a much larger circulation for the *Watchman* on March 24. We are very happy to report that the *Watchman* has enjoyed a very, very large increase in its circulation during the past year. We are, however, not satisfied, and should not be satisfied, until the *Watchman* has even twice as large a circulation as at the present time. The *Watchman* is the only evangelistic magazine printed by our people in the United States. With the increasing circulation of the *Watchman*, we are also witnessing a very rapidly increasing soul-winning result, which proves over and over again that more *Watchman* magazines means more souls won.

As an "interpreter of the times" in which we live, revealing how current events are a fulfillment of prophecy, the *Watchman* is unique and in a class by itself compared with the many magazines issued in the United States. All of our readers are aware of the fact that the *Watchman Magazine*, as a true watchman on the walls of Zion, is preaching the present truth in a very clear, positive, and spirit-filled manner.

As a result of giving a large circulation to the messages contained in the *Watchman* from month to month, we have a right to expect scores and hundreds to come into the truth. We are living in a magazine-reading age. There are thousands of men and women who are quite willing to purchase and read a magazine, who feel they do not have time to give study to a large book. In addition to circulating the *Watchman Magazine* by having it come regularly to our neighbors and friends, it would

seem that every church would find it possible to select some of its members who would be capable of selling a club of the *Watchman* each month, and thus not only engage in a soul-winning work with our printed literature, but in this way money could be earned with which to support God's program as a whole.

Why should we not have hundreds of clubs of the *Watchman* coming regularly to *Watchman* colporteurs, who could sell them month by month without spending a great deal of their time? Thousands of our church members could have a *Watchman* route and could take the fresh issues of the *Watchman* month by month to the same business offices or the same homes and find a very ready sale for each succeeding copy. Scores of our young people could earn their scholarships and attend our own schools as a result of engaging in the sale of the *Watchman Magazine*.

The Southern Union has made a very good record in the circulation of the *Watchman Magazine*, and we are very hopeful that that record will be greatly improved for we have only begun to touch in a small way the important work that can be done by our members in a much larger circulation of our faithful, soul-winning magazine, which today is enjoying greater opportunities than ever as a true watchman for our precious Master.

### SPECIAL NOTICE TO PASTORS AND CHURCH ELDERS

Please remember that Sabbath, March 24, has been set aside by the General Conference committee as *Watchman* Day in all of our churches in the United States. You should have received a direct letter by now from Elder W. H. Branson, president of the North American Division, giving you the main reasons for dedicating your Sabbath service, March 24, to the important soul-winning work of the *Watchman*.

Elder Branson's letter was accompanied by a

You will also receive a sample copy of the new April *Watchman* from the publishers, together with a package of other supplies. Let us pray that God may impress our people with the seriousness of the times in which we are living, before the day comes when no man can work for souls. L. L. Skinner.

### MARCH 24 AT ELEVEN O'CLOCK

March 24, 1934, is a very important Sabbath. Be sure and be at the church on that day. Very likely you will hear only one thing, but it is a big subject, because it will be talked about in all the other churches of North America

Nearly one fourth of this big Literature Year is past. The only place it can be found is locked up in the vault of experience. The remaining three fourths of the time is yours. No one can take it from you except they take your life. Make the very best use of the remaining portion.

The pastor or local elder or leader or whoever is there in your church Sabbath, March 24, will tell you of our big plan for you. It's *Watchman* Day. Only a portion of one page of the *Watchman* has been known to win souls to the truth. It is getting better and better. It is a greater light than ever before, because the darker the night, the brighter the light.

Make a vow that, the Lord willing, you are going to sell the *Watchman*. Start small and grow. That's the way the big oak did; now it is made into tables, chairs, houses, cars, and many useful articles. Just so you can bring joy, comfort, peace, and happiness to many souls through the *Watchman*. It renders constant assistance, pleasure and inspiration. It is a piece of literature you will be proud to sell. Order the number you want at the time the program is given, March 24; 1934 is Literature Year. Sell the *Watchman*.

H. F. Kirk.

### MINISTERIAL INSTITUTE

The ministerial institute held at Oakwood Junior College, March 20—27, for all of our colored ministers and Bible workers of the Southern Union, was indeed a good meeting. We greatly appreciate the efforts our union president put forth to make

this meeting the success that it was. And from the inspiration gained by our workers we look for unusual results this summer from all over our field.

As visitors attending this meeting, we had Elder G. E. Peters, of New York; Elder J. E. Cox, of Philadelphia; Elder and Mrs. Troy, of Chicago; Dr. H. E. Ford, the X-ray specialist of Hinsdale Sanitarium, and his wife; Elder T. H. Allerson, of the Central Union; Elder M. M. Young, of the Southwest; and Elder F. L. Peterson, of the General Conference. All of these workers gave valuable help.

Adding greatly to the spirituality of this meeting were the many musical selections rendered by Miss Alga Bailey, of Tampa, Fla. The Oakwood faculty and student body made great sacrifices to make our stay with them pleasant, and I am sure they succeeded.

And now we look forward to our Youth's Congress to be held at Oakwood, May 25—28, for our colored young people of all North America. Let every worker and every church do their best to have all of our young people there. More information will be given in the Tidings later.

### ALABAMA-MISSISSIPPI NEWS NOTES

Elder Shuler is now in Montgomery getting ready for the tabernacle effort which he is expected to start on Sunday night, March 25th. Sister Lucas, the union Bible worker, is with him, and Elder W. W. White and wife and H. E. McClure and wife are also associated with him. L. A. Butterfield will be with him the first few days to assist in the singing. Colonel Elmore returned from Berrien Springs, Michigan, to give his valuable assistance in securing a desirable location for the tabernacle. We want to solicit the prayers of all the believers in this field particularly for this effort.

Brother Baldwin is now at Fairhope, Alabama, and will engage in an effort at that place.

Elder Walter Walker has just completed a series of revival meetings both at Malone and at Panama City. A real revival has been brought about in the Malone church. Five of the young people were baptized. At Panama City the weather was quite unfavorable, but when conditions improved the house was full. Two presented themselves for baptism and two others declared their intention of uniting with the church later.

Brother O. B. Hall writes of an unusual manifestation of the Spirit of the Lord in the 2 church. Reconciliations were brought about and the good work is still continuing.

All of the colored workers in the conference attended the colored ministerial institute at Oakwood

Junior College February 20—27. All felt that it was a highly profitable meeting.

Elder Buhalts has just held a profitable series of meetings at Talowah. He writes of prejudices that were broken down, of the church being helped, and one or two desiring to unite with the church.

Brother H. L. Edwards writes from Andalusia that the storm wrecked the roof of the church building at that place. They were expecting Elder Buhalts there to hold a series of meetings, but now they will have to postpone it. The members there are poor, and they are wondering how they are going to restore their church building.

Elder Keate attended Elder Tait on an extended tour through the conference. The trip ended at Oakwood Junior College where the workers' meeting was going on. Elder Keate then returned for a time to plan with Elder Shuler about the effort in Montgomery. He then attended the Oakwood constituency meeting, which was followed by the annual board meeting. From there he went on to the constituency and board meeting at Southern Junior College. Besides visiting a large number of the churches, they stopped to see several of the isolated believers. He reports that many clubs of *Signs* were taken, and that there is no doubt the *Signs* subscriptions in this field will be greatly increased.

Elder Wolfe is now at Long Island, Alabama, holding a ten-days series of revival meetings.

Our colporteurs' institute for the white colporteurs will be held in Meridian, Miss., March 30 to April 9. We are expecting several new colporteurs to attend this meeting. Prospects for the colporteur work are looking good for 1934. We hope to far exceed our 30 per cent increase for the year. All who desire to attend this institute, planning to go out as full-time colporteurs, should get in touch with the field missionary secretary immediately.

Elder DeVinney reports a number of fine people who are desiring Bible studies.

### OFFICE MAIL BAG

That little volume, "Steps to Christ," in its new cover, just fits the pocket, and always fits the heart, and sells for 10 cents. Get several for your friends.

One of the neatest little things is the booklet for preserving the memory verse cards. It is just like a little album, embossed in gold, and the price is five cents. Order today. You will be pleased with it.

An isolated sister sends in an order for twenty "crisis" books to sell for the 13th Sabbath offering. Many of our people could successfully follow this plan, and also find personal profit in selling the small books to near-by friends.

"The investment hen has fifteen very fine baby chicks, and they are growing very fast." This is the interesting report which has just come to us, and we are wondering if the suggestion might not be followed out by many who are anxious to invest

to profit for the Sabbath school and the cause of missions.

*Home* and *School* are two words which always bring pleasant memories to us. Why not subscribe for the magazine, *Home and School*, and add a new meaning to these words? The subscription price is \$1.00 for nine issues, published monthly throughout the school year. Every home and every school will realize a blessing from having it as one of their regular visitors.

### CAROLINA NEWS NOTES

The colporteurs' convention is in session this week, March 9—17. We have 28 present. All are enjoying a real spiritual blessing as well as valuable instruction. Elder Kirk and Brother Atherly are leading out in conducting the daily program.

Just two more Sabbaths until the 13th Sabbath. Remember, the offering this quarter goes to the Far Eastern Division, and let us all make a real sacrifice that the work may go forward. We look for the best 13th Sabbath offering the Carolina Sabbath schools have had for many quarters.

Word has already gone out to the leaders regarding the Spring Investment program, and it is requested that, as far as possible, all of our Sabbath schools have this special program on the 28th of March. We trust all our members will plan to have a larger Investment offering this coming fall than ever before.

We are gratified with the splendid response throughout our churches in reviving the Dorcas society work. At present we have about 18 strong Dorcas societies doing splendid work. Requests for information and pledge cards from two other churches this past week would seem to indicate the organization of at least two more societies to be added to the list in the very near future.

Some of our churches should have Mothers' Societies, or at least Parent Teachers' organization where we have church schools. The bulletin entitled the "Leaders' Aid," is being sent to our elders and conference workers. We trust that those interested will communicate with the conference office for information and help.

It is not too soon to begin to plan and save for the Youth's Congress at the Forest Lake Academy, Orlando, Fla., during the first week of July. We are expecting a large delegation of young people from this conference in attendance. We also urge that there be some from this conference prepared for the investiture service, and that those working for the "Companions" and "Master Comrades" insignia be prepared for it by that time.

Next Sabbath, March 24, is the day designated

as *Watchman* Day in our churches. We hope there will be at least one magazine worker who will take up the sale of single copies in each church. We also urge that an offering be taken to raise at least one dollar or more to pay for *Watchman* library subscriptions so that this full-message magazine may be placed in all public library reading rooms in the Carolinas.

### CAMP MEETING

I am glad to announce to the constituency of the Florida Conference that our camp meeting this year will be held on our permanent camp ground at Forest Lake Academy, Forest City, Florida, May 18 to 27.

The first meeting will be held Friday evening at seven-thirty o'clock. Orders for reservation of rooms and tents may be sent to Brother R. G. Bowen, Box 372, Orlando, Florida. The prices will be the same as last year, viz:

Dormitory Room, furnished,	\$7.00
Family Tent with fly,	2.00
Floor in tent,	2.00
All tents will be floored unless specified in writing, without floor.	
Spring Cot,	.50
Mattress for Cot,	.25
Folding Chair,	.10
Partition in Tent,	.50
Shelf in Tent	.50

We are not yet able to announce the names of the General and Union Conference brethren who will be present at our meeting, but this announcement will be made later; information received assures us of excellent help from our visiting brethren. We are confidently looking forward to this meeting as the best ever held in Florida. We believe the times call for a deeper work of grace in the hearts of God's people, and a more perfect consecration to service for the Master. How many of these convocations are yet to be held before the events of the time of trouble preclude them, is hard to imagine. We have no definite assurance that we shall have many more of these opportunities to enjoy.

I would urge that every Seventh-day Adventist family in the State begin to plan now to attend the camp meeting. I know in some cases that this means real financial difficulty, but I feel sure that the Lord will more than repay our people for the many sacrifices they make to attend this important gathering.

Preparations are being made for items of special interest in all of the departments of our work to be presented at this meeting. Come, and plan to remain through the ten-day period in order to ap-

propriate all the blessings which God is sure to pour out upon his people this year.

The colored camp meeting will be held at the same time, and probably upon the same grounds as last year. Other announcements will be made later.

Louis K. Dickson.

### WORKERS' AND CHURCH OFFICERS' CONVENTION

Announcements have been sent out to all the churches concerning the workers' and church officers' convention to be held in the Florida Sanitarium chapel, Orlando, March 22 to 25. The first meeting will begin at eight-thirty, Thursday morning.

We are glad to announce that we have the assurance of a number of our leading brethren joining us in this important meeting, among whom will be Elders S. A. Wellman, associate secretary of the Sabbath School Department of the General Conference; S. A. Ruskjer, president of the Southern Union Conference; L. L. Skinner, of the *Watchman* magazine; V. G. Anderson, H. F. Kirk, and C. G. Ortnier, also from the union conference; besides all conference laborers, and as many of the leading church officers as will be sent by our local churches.

Entertainment will be provided by the local conference in the Sanitarium.

We are looking for a most profitable occasion as the items of the well-prepared program will be presented throughout the days that we are together. We trust that every conference worker and church officer appointed by the church to attend this meeting will be present and on time for the first meeting at eight-thirty, Thursday morning. The greater part of the meeting will be occupied with round table discussions of the most vital problems of the church and promotion of the work of God.

Louis K. Dickson.

### REVIVAL AT LAKELAND

It was our happy lot to conduct a two weeks' revival in Lakeland, in the Strand Theater, Feb. 9-24, where the Lakeland church has been regularly meeting since the union effort there in 1932. Prior to this effort the membership was about 45. During our union effort, 86 souls were added to the church; so with a membership of over 120, they could no longer meet in their little church on Patterson Street.

Nearly all these new members have remained faithful, and the interest then aroused has continued unabated; and under the leadership of Elder J. B. Locken, several of the interested ones have taken their stand. The Sabbath attendance is considerably larger than it was in 1932.

Our joy was increased to see the good attendance and response during our recent meeting; nine persons came forward to join the church, and will be baptized at a later time.

**A MILLION DIMES FOR MISSIONS EXTENSION**

The church has purchased a well located lot near the business section, and will soon begin the erection of a new church building. May the Lord bless them in this undertaking. J. L. Shuler.

### FLORIDA NEWS NOTES

Excellent reports have come to us from the recent two weeks' evangelistic meetings which Elder J. L. Shuler held with our Lakeland church. Thus far ten have signified their desire for baptism and church membership as a result of these meetings. We greatly appreciate the strong, earnest efforts put forth by Elder Shuler.

We extend to Elder F. C. Webster and his family a most cordial welcome as he enters upon his work in St. Petersburg as pastor of the church. Elder Webster comes to us from Louisville, Kentucky, where he has been most successful in his labors in that large city. We bespeak for him the heartiest cooperation as he launches upon the program of the work in our field.

### "WATCHMAN" DAY, MARCH 24

We hope that every conference worker, every church leader, and all of our lay members will remember that March 24 is *Watchman* Day. In every church throughout the conference, the eleven o'clock service is to be devoted to promotion of the *Watchman Magazine*.

Promotion material has been sent to all church leaders, and we just hope that everyone in our ranks will enter enthusiastically into this campaign, which is officially just twenty-four hours long.

The *Watchman Magazine* is the one main monthly magazines of the denomination; and of all sections of the country, the Southern Union should lead the world in its circulation. Let us get behind the circulation of the *Watchman*—March 24.

H. E. Lysinger.

### WON BY THE SABBATH SCHOOL

Just how far reaching the work of the Sabbath school is will never be known in this life. An illustration of what the Sabbath schools are accomplishing was brought to my attention only a few days ago while visiting in the home of Brother and Sister Risetter, at Oliver Springs, Tennessee. Several months back, one of our workers conducted a series of meetings at a place called Coalfield, and the Lord blessed his efforts so that some are now keeping the Sabbath and regularly attend services. However, in the community was one man so filled with prejudice that he would not attend any of the

meetings. But a Sabbath school has been conducted at this place, and to this school came some children, who were not slow to impart to their parents the knowledge they had received in these gatherings, with the result that this man who would not attend the minister's services came to know the truth, and is now keeping the Sabbath.

It was not enough for this brother merely to ask the mine officials to release him from labor on the Sabbath day, but he is now declaring his love for the Master before congregations of his fellow-miners, and we trust God will use him in the salvation of souls.

Our brother, laboring in the coal mines, feels the protecting presence of his Master. On one occasion not long ago, while he was working in his section of the mine, far underground, a strong impression came to him that he should step across the track a few feet from where he was working and throw the switch just above him. Not having a reason for doing this, he kept at his task without obeying the unspoken voice; but again and again came the impression with increasing insistency, so that he finally obeyed, throwing open the rail switch and returning to his work. Very soon he heard, coming down upon him, a train of cars. He was right in the way and could not escape. Had the end come? No, there was the open switch into which the heavily laden coal cars crashed, wrecking the load, but sparing the life of a commandment-keeper that he might carry on for God. R. G. Strickland.

### GEORGIA-CUMBERLAND NEWS NOTES

March 24 is *Watchman* Day in our churches. Our brethren and sisters will be pleased to know that already all the public libraries of the conference are receiving the monthly visits of this truth-filled periodical. Any who wish to have a share in carrying the burden of placing these message magazines where so many can read them, are invited to send their contribution to the conference office.

Professor James is now in Savannah, Georgia, conducting meetings for the young people. Following this series he purposes to visit other churches in the southern end of the conference.

After making an almost complete tour of the churches of the conference in the interest of the *Signs of the Times*, Elder Strickland is again in the office attending to the work here.

Numerous invitations have been sent to various lay workers asking them to send in to Elder Strickland at the conference office, stories of the achievements for Christ that have been made possible by their recent activity. These stories will appear in *Tidings* from time to time, and it is hoped that our believers will respond to this invitation, and mail reports of your activities to the conference office.

Missionary secretaries are requested to look over their lists and see that a full roll of those who pledged to engage in the *Signs* campaign have placed their orders.

### OUR CHURCH OFFICERS' CONVENTION

Our church officers' convention was carried out on schedule. Only six of the officers who planned to attend failed to be present. More than 100 officers, representing 23 churches, were in attendance. The meeting was a great inspiration to all who took part, and we feel confident that we return to our respective duties with greater courage and power for the responsibilities of the year. We believe much more will be accomplished as the result of the convention.

By arrangement with the Southern Publishing Association, the meetings were held in the chapel of the publishing house, and meals were served in their cafeteria. The members of the Nashville church very cordially opened their homes to the delegates and provided sleeping quarters without charge. This was greatly appreciated by both delegates and the conference.

We only wish that every officer in the conference could have been present, and hope that when the next convention is held, this wish may be realized.

C. L. Butterfield.

### CHANGE OF WORKERS

Elder F. C. Webster, who was formerly pastor of our Louisville church, upon invitation from the Florida Conference, has now left this conference to take up his work as pastor of the St. Petersburg, Fla., church. In return, Elder A. J. Clark, the former pastor of the Miami church, has been invited to act as pastor of the Louisville church, and will be in Louisville this week to take over his duties.

We extend a cordial welcome to Elder Clark to join us in the work in this conference, and we are sure that he will be warmly received by the members of the Louisville church. We shall miss Elder Webster, who has given several years of faithful service in this field, and wish him and his family much of God's blessing in his new field of labor.

C. L. Butterfield.

### THE NEW SABBATH SCHOOL LESSONS

The office has received its stock of the quarterly for the second quarter of 1934, which takes up the study of the two books of Timothy. This quarter's lessons are going to be unusually interesting to both old and young. The inspired instruction of Paul to Timothy contains so much that is of real importance to the Christian, that it is especially appropriate for these days.

While there is no single lesson help, yet the student

whose library contains the writings of the Spirit of prophecy will be at a decided advantage; for paragraphs and pages commenting on the books of Timothy are found in 26 of the volumes written by Mrs. E. G. White. For the convenience of the Kentucky-Tennessee members, a listing of these works, with pages indicated where comments are given on the lesson, is being furnished in mimeographed form to each church in sufficient quantities so that each member may have one. During this quarter, a special 10 per cent discount will be made on all the writings of Sister White. Now is the time to avail yourself of this opportunity, if you do not have these books.

Orders for new quarterlies should be sent in promptly, so that not a single lesson study will be missed during the second quarter.

### KENTUCKY-TENNESSEE NEWS NOTES

We regret an error in one of our notes published last week, regarding the good record of the Pewee Valley, Ky., Jackson, Tenn., and Lexington, Ky., Sabbath schools for the first quarter of 1934. This, of course, should have read *the last quarter of 1933*.

During the time of our recent church officers' convention, we were glad to have the assistance of Elder S. A. Wellman, of the General Conference, who was accompanied by Mrs. Wellman; Elder S. A. Ruskjer and Elder V. G. Anderson, of the Southern Union Conference; also Mr. G. A. Huse, Mr. L. L. Skinner, and Elder R. B. Thurber, with other workers, of the Southern Publishing Ass'n.

We extend our sympathy to Brother Tom Brown and family of Murfreesboro, Tenn., whose home was completely destroyed by fire last week.

### COLLEGEDALE NEWS NOTES

Some of the actions taken by the College board at their recent meeting will be of interest to our readers.

It was decided that the one-year pre-nurses' course be arranged and offered in our curriculum for the coming school year, 1934-'35.

Funds were assured to continue the scholarship plan for the coming school year. This means that a scholarship of \$50 will be awarded to some worthy twelfth grade student in each of our accredited academies in this southern field, to assist him or her to continue training at S. J. C.

Summer school this coming summer will be ten weeks in length instead of only eight as heretofore, beginning June 4 and continuing till August 10. It is planned to offer a wider range of credit courses than in the past, though the details have not yet been worked out.

Our board took action authorizing the affiliation of our school with the Tennessee College Association.

And finally, the board provided for the purchase of a new truck for the school. This has already been secured and is now in use, in place of its badly worn-out predecessor.

Our Week of Prayer services continued over the week-end with excellent interest. At the Friday evening vesper service, after a searching study by Elder MacGuire, the students were given opportunity to express their appreciation of the blessings received during this special season. A large number responded, and several took their stand on the Lord's side for the first time. Elder MacGuire remained with us until Monday. He spoke at the forenoon and afternoon services on Sabbath, and again on Sunday evening. At the Monday morning chapel hour he gave a farewell address to our students, full of helpful admonition and encouragement. His earnest and faithful labors were heartily appreciated by young and old at Collegedale.

At the chapel hour last Wednesday morning, an

orchestra of ten musicians gave a very delightful program. Besides several selections rendered by the full number, Prof. D. R. Edwards played a violin solo, and Mrs. West a piano solo. Another pleasing selection was rendered by three violins and the trombone.

The Sojuconians are still enthusiastically busy in the present campaign. On Thursday one of the bands presented a well prepared program at the chapel hour, characterized by much of the enthusiasm of youth. It is planned that each band shall present a program at the chapel hour as the weeks go by. Lend a hand, friends, and help these young enthusiasts put their campaign over the top.

Mr. Clyde Franz has recently accepted a position in the *Watchman* department at the S. P. A. in Nashville. He will be missed at the office and in Sabbath school; but we congratulate him on being appointed to this responsible position, and wish him well.

Miss Eulala White of Nashville, a graduate of our school, has recently connected with the office force at the College. We welcome her back to Collegedale.

Miss Beulah Johnson has found it necessary to relinquish her work in the church school grades on account of her health, and has returned to her home in Atlanta. It has been arranged for Mrs. H. J. Halvorsen, a teacher of experience, to take up the work Miss Johnson has laid down.

Just a word further about the measles at Collegedale. It was found advisable to close the church school for several days, but at this writing this epidemic has about run its course. All affected have made a good recovery; and as a result of careful quarantine, the number affected has been kept at a minimum, so that our school work has not been very seriously interrupted.

Each one will have a close struggle to overcome sin in his own heart. This is at times a very painful and discouraging work; because, as we see the deformities in our character, we keep looking at them, when we should look to Jesus, and put on the robe of His righteousness. Every one who enters the pearly gates of the city of God will enter there as a conqueror, and his greatest conquest will have been the conquest of self.—*"Testimonies," Vol. 9, pp. 182, 183.*

No other work committed to us is so important as the training of the youth.—*"Education," p. 218.*
