Our New Hospital in Kingston, Jamaica

By ROBERT H. PIERSON, Superintendent, British West Indies Union

OR YEARS the leaders of the work in Jamaica have looked forward to the day when an up-to-date, wellequipped medical institution might be erected on the island. Today that dream seems about to become a reality. Some months ago a beautiful plot in one of the most desirable sections of the city of Kingston was purchased for the project. The master plan envisages the early erection of a modern fifty-bed hospital with the essential auxiliary buildings for a nurses' training school, out-patient office, maternity ward, etc. Already a fine two-story building occupies a convenient location on the plot, and it will be put to use as a nurses' home or temporary quarters for patients.

Plans have been laid in faith for the early erection of the main unit of the hospital proper and also for the construction of a clinic and clinic ward on property recently purchased by the members of the North Street Adventist Temple for the purpose. The twelve hundred members of the North Street Adventist church are strongly behind the medical program, and have purchased the property for the clinic from their own church funds. It is planned to commence actual construction work on the main hospital building and clinic at an early date, and to proceed with the full plan as rapidly as funds permit.

Today there is real need for further medical and surgical hospitalization facilities in Jamaica. Government hospitals are taxed far beyond their capacities. In some institutions there are two patients in one bed with many unable to gain admittance for treatment. Others

have made improvised beds on the floor or in any other place in attempting to cope with the large number of patients flocking to their doors for help. For the alleviation of physical suffering, our new institution will meet a great need in Jamaica today.

Aside from the opportunity to save life and to minister to the physical needs of the Jamaican people, there is also a wonderful avenue of spiritual ministry that such an institution will inevitably open up among a class of people among whom we have done but little in past years. God has wonderfully blessed His work in Jamaica, and today one out of every sixty-seven inhabitants of our beautiful island is a member of the Sabbath School; but there still remains the great challenge of bringing the message to those who, because of pride or prejudice, do not respond to invitations to attend public evangelistic efforts. Our new hospital, conducted in harmony with the usual high standards of our medical institutions in all parts of the world will, under God, help in gaining an entrance into the hearts and lives of many who, otherwise, would no doubt, remain aloof to the claims of God's message for these last days.

Doctor Clifford Anderson, of Takoma Park, D. C., is to take charge of the new J. N. Andrews Memorial Hospital and Clinic, as the new institution has been named, after our pioneer missionary. Doctor Anderson comes to us, not only as a qualified physician and surgeon, but also as an ordained minister of the gospel carrying upon his heart a very evident burden for the souls of lost men and

women. We feel sure that the Lord has great things in store for the medical work in Jamaica under Dr. Anderson's consecrated and efficient leadership.

Miss Ruth Munroe, formerly in charge of one of our nursing schools in the Orient, has responded to our call to open and head up our new nurses' training school in Kingston. Miss Munroe has already arrived in Jamaica and is now conducting classes preparatory to the full establishment of the new school. We are surely happy to have Miss Munroe with us.

The public has responded enthusiastically to the plan of the British West Indies Union and the Inter-American Division in opening the hospital and the clinic this year. Leading newspapers have given the project much favorable publicity, and prominent residents have given us every encouragement in going forward with the plans. One prominent man wrote in to the island's leading daily newspapers speaking in glowing terms of the treatment he had received in various Adventist institutions in other places.

Much of the future of the medical work in Jamaica will be dependent upon a strong beginning. The public, knowing of our work in other parts of the world, is expecting much. By God's help we must not fail them. There is no place in the world where so little will go so far in the winning of souls as in Jamaica. This Thirteenth Sabbath presents a wonderful opportunity for our believers all over the world to support a project that will mean not tens but thousands of souls saved in the Kingdom. Wouldn't YOU like to have a very large part in such a project?

PRAYER REQUESTS

From the sick and the dying, from honest hearts seeking the truth and from discouraged Christian folk everywhere for victory over sin and discouragement, come thousands of letters requesting the prayers of The Voice of Prophecy. Once Again we urge our praying people to intercede daily in prayer on behalf of these multiplied interests. Especially on Thursday morning meet at the family altar and pray that salvation and healing may come to these dear people. The following letters are typical of hundreds of requests we receive every week:

Shock Treatment "Dear Voice of Prophecy: They gave—his first electric shock treatment on the 19th of December. We got word from the Doctor that his condition is unchanged, but on Christmas day he was much better. He takes these dangerous treatments every monday, Wednesday, and Friday. Please pray for——.

With Deep Humility "With deep humility I write to solicit your prayers that I might be completely healed of cancer. I trust God completely, knowing that nothing is impossible with Him.

She Has Demon Possession. I am coming for special prayer for my friend. She has demon possession. This presence makes her do ridiculous things. The demon inside of her screams out against any suggestion of prayer for her. It is a case that shows how afraid Satan is of Jesus' dear name. I cannot give her up. Prayer does change things. I believe that if you pray for her she will be healed. May God bless you in your work for Him.

I Thank God For Your Truth "My husband is a minister. He says I am losing my mind over your literature. But they have nothing worth losing our minds over. I thank God for your truth. Do pray for me and my children that I may be a faithful mother and Christian wife."

We may come to God in faith believing that our prayers on behalf of these interested people will be answered. Will you join us? A special prayer circle membership card will be sent to those who write to, The Voice of Prophery, Box 55, Los Angeles, California.

A Message From England

I am sure all our church members who have boys overseas, and particularly those who may have sons in England, will appreciate the following message which I received this week from Elder Roy L. Benton, who was sent over by the General Conference to contact and encourage our boys in the European theater. The V-mail letter was dated February 27, 1945, and reads as follows:

"Have met twenty-two boys from your territory over here. They are a fine set of boys and making good. It is a joy to meet with these boys and encourage them. They seem to greatly appreciate the fact that you men sent someone from the homeland to give them a hand."

DOWN MEXICO WAY

In old Mexico today thousands of souls are reaching out for the light of God. In fact, the Inter-American Division is the largest, next to the North American Division, in actual baptized Seventh-day Adventists.

You will be happy to learn that a hospital is now being erected in Mexico in connection with our Mexican Union training school in Montemorelos. The plans have been drawn for a clinic building in Guatemala City which has a population of two hundred thousand. The need of medical institutions in Inter-America, especially in strategic centers, is urgent. Let us make this Thirteenth Sabbath overflow offering a large one for developing the medical work in Inter-America. The brethren of that field are praying for an overflow offering of \$30,000, and what a wonderful blessing this would bring to them! Let us not disappoint them this Thirteenth Sabbath, March 31. H. J. Capman, President

MISSIONS RECONSTRUCTION

Word has come from the General Conference that in a single day, on February 3, the Missions Reconstruction offering total was over one million dollars. Think of it! A million dollars given in one offering among all the Adventist churches. Letters are coming to the conference office bringing money orders that continue to increase this offering for the rehabilitation of our missions destroyed by war. The churches of Alabama-Mississippi will do their part in the reconstruction of missions in the wardevastated areas. There is still opportunity for you to give to this urgent need.

RADIO BROADCAST CHANGED

Radio Station WJXN, of Jackson, Mississippi, 1490 KCS, now broadcasts the Voice of Prophecy program at 8:30 every Sunday morning carrying the live voice.

All our members in the Jackson area are happy that Station WJNX has joined the Mutual System and now carries the live voice rather than a transcription program. We urge the Jackson members, both white and colored, to enroll hundreds of Jacksonians in the Bible school conducted by the Voice of Prophecy. We urge every member in the Jackson District to write postal card messages of appreciation to the manager of Station WJNX. Many of our churches would be indeed grateful if they could have the live voice such as Jackson now enjoys.

ATTENTION CONFERENCE CHURCH MEMBERS

We are desirous of obtaining the correct mailing address of every conference church member in the Alabama-Mississippi Conference, both white and colored. Please write a postal card to our office without delay. We are revising our directory, and urge every isolated Sabbath-keeper to write us. We will forward at regular intervals copies of mimeographed sermons, and helpful items of interest to you from our office. Please comply with this request immediately, mailing your card to Elder H. J. Capman, Box 1311, Meridian, Miss.

THE MARCH OF SIGNS

March is Signs month when many Signs clubs are renewed in the churches. With a world circulation of two hundred

fifty thousand a week, this interpreter of the prophecies is winning hundreds of souls annually to the church. The Alabama-Mississippi Conference is aiming to increase its subscription list to three thousand for 1945. Indeed it was a pleasure to have Elder Arthur Maxwell, the Signs editor, address the workers assembled in Meridian. March 7. Already the churches have subscribed for more than two thousand and hundreds of new subscriptions are coming into the Bible House. The club price is one dollar a year, and the rate to a separate address is \$1.35. Send in your subscriptions now. Remember, "More Signs means More Souls."

HEARTIEST CONGRATULATIONS

This is the first opportunity I have had to express my hearty congratulations and sincere appreciation for your loyal support in achieving the early Ingathering Victory for 1945. The Lord has wonderfully blessed our efforts this year. Surely we can praise God from Whom all blessings flow.

According to the latest information this year's Ingathering amounts to \$30,852.19. The Conference goal of \$19,500 has been exceeded by \$11,352.19. This is surely a wonderful record, and I know that it is not attained without hard work on the part of the leaders and church members, in addition to thorough organization of the churches. Again I say a sincere thank you for your untiring efforts in providing this splendid sum to advance the cause of missions.

V. W. Esquilla, H. M. Secretary.

NEWS NOTES

Last Sunday night an audience of over one hundred persons filled the Gilbertown, Alabama, church to hear Pastor Everett Marley speak on the Signs of the Times. This was the second Sunday evening service which Pastor Marley has conducted at Gilbertown. The majority of the visitors were not church members and these good people are very much interested in the prophecies for this time. The Gilbertown church will be repaired and painted. We are praying that the Holy Spirit will lead a goodly number of those attending the Gilbertown meetings to take their stand for this truth. Let us have more of such church revivals in the various sections of our conference.

Thirty-nine months ago one of our outstanding colporteurs entered the National Service from Gadsden, Alabama. Many will remember Brother Derwood Chappell who sends us word this week that he is connected with the 48th Field Hospital in Germany. In his letter was included an order for missionary literature, copies of Steps to Christ, and tracts with which to carry on his work for Jesus. He writes that he is safe and his work is interesting. We join his prayer that this cruel war may soon terminate and he may return to continue his colporteur labors in this conference.

Jackson becomes the first M. V. society to possess the full set of fine green-and-gold felt banners with the Junior Pledge and Law and the Senior Aim, Motto, and Pledge. These banners are a gift from Mrs. Noel, who bought and gave them to an appreciative group of young people. The platform arch in the Jackson church offers a splendid place where the banners hang in almost perfect balance to remind the youth of the high purposes of the Missionary Volunteer society.

We have just learned that the young people in Vicksburg have organized a Missionary Volunteer society that meets Sabbath afternoon and has a good time doing so. Already they have raised money for the M. V. Reading Courses. We look for steady progress.

In the morning service at Jackson, on March 10, Elder L. W. Pettis presented special M. V. Ingathering book-mark ribbons to fifteen senior young people who brought in the Minuteman goal or more, and to thirteen juniors who raised at least \$7.25 each.

Our office files are bulging with good reports of the fine work our young people did in the 1945 Ingathering driv. We hope soon to report the grand total.

COLORED CHURCH IMPROVEMENT

Recently the colored union committee passed on to us a recommendation that April he set aside as a special month for each colored church to give study to the heautification of their churches and church grounds. Sabbath, April 7, has been set aside as the beginning of this campaign, and it is hoped that it will be continued until every church has made its property show its best appearance.

In some cases it will not mean much

expense. The clearing of the grounds of all rubbish; the sowing of some grass seed; or a few shrubs in others will add that needed touch. Some buildings will need paint both inside and out.

Why not choose as your aim: Our church ground clean and well kept; our lawn the best in the entire neighborhood; and our church building clean and painted inside and out.

OFFICERS' MEETING WILMINGTON DISTRICT

Sunday, February 25, was a special day in the Wilmington district when all the officers of the four churches met in Wilmington from 10:00 A. M., to 4:00 P. M., for instruction and study in the responsibilities of church leadership. Elder Sanders led in the discussions, with Brother Schneider giving special instruction to church clerks and treasurers. Brother Moore met with the leaders of the Young People's societies, and Brother Harvey with the Home Missionary leaders. Brother Harvey also acquainted us with many new books, and gave opportunity for the church leaders to purchase these for their personal and church use. About one hundred dollars worth of books were sold.

Every church in the district had a conference speaker on the week end, which was a great inspiration to the members here, and we are all looking forward to the time when they can come to visit us again.

NEWS NOTES

Two church officers' meetings were held last Sabbath. Elder Sanders, and Brother M. E. Moore led out in the instructions at the meeting in Asheville; Brother H. E. Schneider, Elder J. O. Marsh, and Brother M. J. Harvey led out in the meeting held in Columbia, South Carolina. The Charleston district was also included in the Columbia gathering. It was reported that they had excellent meetings in both places, with a good attendance.

To the many friends of Elder L. P. Knecht, we would like to say that he is improving nicely. He even attended church last Sabbath. We wish you God's blessings, Elder Knecht, in your convalescing period.

The Ingathering campaign is gaining momentum. Nearly every day we receive telegrams from churches telling us that they have passed their goals, and even super goals. The Charlotte church will no doubt be a double Minuteman church by the time this appears in print.

We have heard, also, that the Charleston church, under the supervision of Brother Stanley Will, will reach a double Minuteman goal soon, too.

Brother Sam Martz is attending a student colporteur meeting at Southern Missionary College in Collegedale.

CONFERENCE CHURCH MEMBERS!

If you know yourself to be a member of the Florida Conference Church, you are hereby urged to drop a card to the conference office giving your present mailing address. Please do this without fail. We are very anxious to revise our conference church mailing list, both white and colored, and bring it up to date, then at regular inmimeographed sermons and other helpful material will be forwarded to you from the office. So please comply with this request immediately, mailing the card to: Elder L. C. Evans, Box 1313, Orlando, Florida.

AN APPEAL TO MEMBERS OF THE FLORIDA CONFERENCE

In harmony with the urgent request of our conference president, we are taking this opportunity of appealing to each church member, who has not yet reached his Minuteman goal in the Ingathering and Missions Extension program, to demonstrate his interest in missions by actually going forth and calling upon his neighbors to acquaint them with the mission work we are doing, and make earnest appeals for offerings. Remember, Ingathering funds are to be solicited from non-Adventists, not to be given by our own members.

We wish to extend to each one, who has worked so faithfully in this, the greatest Ingathering program in the history of the Florida Conference, our sincere thanks. We pray that no one who names Christ's name in this conference will permit this program to come to a close without doing his utmost to give his neighbors and friends an opportunity to

help with their generous offerings.

Already sixty-five churches are over the combined Ingathering and Missions Extension goal. We praise the Lord for this, and feel sure that the closing days of March will find the other churches and companies in the Florida Conference in line with those who now stand at the top in this campaign. We're counting on you.

YOUTH ACTIVITIES

Two of our colored service boys from McDill Field, Tampa, Sgt. Gilbert Boyd, of Riverside, California; and Pfc. Benjamin Miles, of Boston, Mass. were at the conference office this week. They secured a large amount of literature for distribution to other boys who frequently pass through this replacement center, and state that they have many opportunities for Christian service while in the Army.

Two juniors from Plant City, and three from the Pompano colored church are receiving Minuteman awards. These are good records for these small churches.

Twenty-one of our Missionary Volunteer societies in Florida sent in their February report on time. We are sure that others will follow their example when the March reports are due in a few days now.

Sister Clinton Losey, of the St. Augustine church school, sends in an interesting missionary experience. They reached their goal so quickly, that they decided to spend another evening in the Ingathering so as to secure a large overflow. They had no more Ingathering papers, so they used what Calendar Change booklets they had left on hand.

Enroute home after a successful evening, Sister Booth, one of the chaperons, left several of the booklets on a park bench, hoping that someone would read them. The following morning while cooking breakfast before daylight, Sister Booth had an early morning caller, an elderly gentleman who requested some food. She invited him in, and was surprised to see him take out of his pocket one of the Calendar Change books, which he had been reading and stated he had found it in the park. She explained about the children's work of the previous evening; and he told her that though he had only two dollars, he wanted the children to have one dollar of it for their missionary work. He was enroute to live with a niece in Miami, and gladly accepted other literature which was given him. Sister Booth feels that the Lord directed in this experience, and plans to keep in touch with this interested soul.

In writing of this, Sister Losey says, "Let us not forget that when we distribute our truth-filled books, magazines or even tracts, we set in motion a wave that may lap a far distant shore."

A BIG DAY

Sabbath, March 10, will long be remembered as a big day in the Savannah colored church.

Upon invitiation of Elder J. S. Jones, the pastor, and the board, the Home Missionary and Missionary Volunteer officers of Brunswick and Augusta met with the Savannah church for joint convention, a full house registered all day. In addition to the pastor, two other workers attended the whole session, Miss Anna Knight, of the union, and Brother Richard Robinson, of the local conference.

The local officers attending from outside were Marie Griffin and Joe Merriweather, of Augusta, and Mrs. Ollie Watson and Emma Welcher, of Brunswick. During the Sabbath school period Brother Grayson, of Savannah, rendered a beautiful musical offering on the saw, which was appreciated by all. We were also pleased to have Elder and Mrs. Garrett and Sisters Walleker, Detwiler, Best, Byrd, Butler and Douglas visit us. From the

conference office Elder Butler and Miss Seitz carried on the instruction of the joint and separate sessions of the convention. We were pleased also to have Elder I. M. Evans, the conference president, meet with us in the afternoon session. Community singing by the congregation and several specials by the choir and by various members of the choir helped in a successful program.

Regular Sabbath school and Missionary services occupied the morning hour, followed by the sermon by the writer on the subject, "No Parking Between Signs." At the close of this all rededicated their lives to a deeper study of the message and to greater activity in giving it to others. At the beginning of the service two very interesting announcements were made by the pastor, "We have \$750 on our \$600 Ingathering goal" and "Our Signs club one hundred instead of forty."

To climax the day's program, all came together for the last hours for an investiture service conducted by Miss Seitz and L. Amelia Batson and Mrs. Laura Carr. There were thirty-five invested. Eighteen Friends—ten juniors and eight adults—four Builders and thirteen Sunbeams.

Another item greatly appreciated by the visitors was the work done on the church by the members for the occasion. Everything was neat and clean and bespoke earnest endeavor to have the temple in fitting order. Everybody holding respect for the house of God is happy to see cleanliness and neatness inside and on the premises. We feel confident that all the visitors from the other churches and from the conference and were very thankful union for the efforts of the Savannah brethren to invite and entertain in behalf of this important convention. We all heartily thank the Savannah church and wish them the best of Heaven's blessings as they unite in making 1945 a banner year in all their undertakings.

OUR INGATHERING

We have just compiled our first week's Harvest Ingathering reports from the churches. Not all of our churches reported; in fact, thirteen failed to send in a report. But for those who did send in a report, the Ingathering totals amounted to \$10,895. That was splendid, indeed. We were pleased to get this. Now if the same amount is reported for the weekend of March 17 we will feel more than pleased. By the 7th of April we ought to have our \$40,000 and I really believe we could go beyond that.

Ingathering comes easier this year. The people respond in a very fine way. May we appeal to everyone of our believers in the Kentucky-Tennessee Conference to faithfully do their part. We invite our isolated members to join our churches in sending in at least the equivalent of one Minuteman goal, \$14.50. We believe you will be glad to do this. Go out among neighbors and friends, telling them of the work we are carrying on and appeal to them for an offering. If each member in our churches as well as the isolated members, will do their best in the Ingathering this year, we will not only reach the goal which we have set before us of \$40,000, but we could easily go way beyond that amount. We probably will not have another opportunity that will be as good as this one. Why not go out and gather in every dollar possible? We greatly appreciate the co-operation of our constituency and we want to urge you most earnestly to do a quick work in this Ingathering and get it out of the way within the next T. L. Oswald few weeks.

THIRTEENTH SABBATH OFFERING

Our Thirteenth Sabbath Offering will be taken the last Sabbath of this month, which is March 31. The overflow will go for our medical work in the Inter-American Division. We want to appeal to all of our people for a good, liberal offering. Let us just give you one little experience that was sent to us in a letter. I quote:

"In a neighboring church one of our Missionary Volunteers of the society in that church started a branch Sabbath school a few miles over the mountain.

This Missionary Volunteer on a recent Sabbath had twenty-three Sunday school members at the Sabbath school in her home church. One of the boys told how his uncle forbade him to go to Sabbath school. He told his uncle he was sorry to disobey but that he was going even at the risk of his life. On his way to the Sabbath school he had to cross land owned by his uncle, but his uncle would not allow him to cross over his land; however he was determined to go to Sabbath school and he did. Today this lad is rejoicing in the message and is one of our own faithful Missionary Volunteers."

There are literally thousands in the Inter-American Division who are appealing for this message. Shall we not make this Thirteenth Sabbath overflow one of the largest that we have ever had in the Kentucky-Tennessee Conference? Some of us can give \$5, others may be able to give even more. If all of us will faithfully do that which we should do, we will have the largest overflow that we have ever had.

YOUR BOOK AND BIBLE HOUSE SAYS

Ribbon Book Marks: we now have a good assortment on hand.

Bible Marking Pencils with four colors of lead in them are in stock.

The other day a lady came into our office and asked about an order she had sent us. She had also enclosed money with the order. It developed that she had written on the envelope: "Attention: Eld.---." Well, the letter lay on his desk until his return from a trip out in the conference. If she had addressed the envelope to the Book and Bible House her order would have been filled, and she could have enclosed a note to the minister. which would have been placed on his desk. Please do not include in a letter to anyone an order for cash supplies. Write the order on a separate sheet of paper, and enclose with the letter. This is especially important if writing and addressing the letter to the conference. Thank you so much.

We have twenty senior and eighteen junior M. V. societies this year.

Your M. V. Society Membership Goal is equal to the total number of young people enrolled in your Sabbath school. This includes young people in the following divisions: Youth's, intermediate, junior, and primary.

According to your church treasurer's reports for the month of January, \$97.40 was received in society offerings from twelve societies. The largest amount received in this month by any one society

was that received by the Louisville colored—\$33.50. The smallest amount received by any society was————. We'll leave you to guess. Let us take up a good offering in our M. V. meetings.

That the way may be clear for our Ingathering program, the M. V. Week of Prayer for this conference will be held April 14 to 21. Start making your plans now for the best week ever. May the Lord bless you as you work for your fellow youth.

NEWS NOTE

We have all been hearing considerable about the flooding of the Ohio and other rivers recently which brought flood conditions nearly to the point of the disastrous flood in 1937. Train and bus service was suspended at certain places along the river for several days, thousands of people have had to leave their homes temporarily, and a few have lost their lives. This has caused some inconvenience to our own people and our work, but up to the present time we have not received a single report that any of our members have lost their lives or even their temporal belongings, for which we truly thank the Lord.

MAILING S. D. A. INFORMATION We have just mailed S. D. A. Information Service leaflet No. 2 to classes of workers for which it is issued-ministers, Bihle instructors, and evangelistic workers in our institutions. Possibly the names of some who should receive this are not on our lists. We will gladly add these if we can receive in each case the name, address, and position.

CO-LABORERS WITH GOD

How thankful we should be to have the high honor of being co-laborers with an omniscient, omnipotent God, One who sees the future as well as the past. Seventh-day Adventists should be the best informed people in the world. The Spirit of prophecy has told us what will take place shortly and, though it is true "Satan is a powerful being, thank God that we have a mighty Saviour, who cast out the evil one from heaven." And we have the assurance that right will finally triumph.

In this connection, every Seventh-day Adventist will be interested to learn that Doctor Louie D. Newton, of Atlanta, Georgia, associate secretary of the Baptist World Alliance, recently sent an article to The Watchman Magazine. He sets

forth in a masterly, Christian, scholarly and inoffensive manner, the "United States Relations with the Vatican." The center spread of the May issue of Watchman will feature Doctor Newton's excellent disclosure. By all means read the article and see that your Baptist friends receive a copy. Ten or more copies, five cents each. The yearly subscription price to our church members is only 65 cents. This offer is permanent. Spread the good news to all the church. Act now, and send your order at once to your Book and Bible House.

COLLEGE SONG MUSIC WANTED

The words of the Southern Missionary College School Song have been unanimously decided upon by the judges, and the honor goes to Miss Margarita Dietel who is in her first year of college as well as being an accomplished musician on both the piano and cello.

The poem is herewith printed and all who desire to enter the contest for writing the music must do so immediately as the editorial staff of the 1945 College Annual want both words and music in the annual. The music should be in not later than April 15, earlier if possible.

The Song

"Southern Missionary College, Glory in your growing fame; Draw and hold us, "School of Standards," By what's noble in your name.

Nestled snuggly in the foothills Pierced by lanes for decades trod, Lies our college, sweetly resting Near the very heart of God.

Tinkling brooklets, whisp'ring pine trees Blend with fluttering angels' wings; In our cherished "School of Standards" Truly all creation sings.

Chorus:

Southern friendships root the deepest, Southern skies seem slways blue, Southern charm will live forever; Collegedale, we're true to you."

Ingathering Victory News

By B. M. Preston

This week the first Ingathering report for Carolina, Georgia-Cumberland and Kentucky-Tennessee appears in this issue. CONGRATULATIONS the very first week to Carolina! They were over the top on their conference goal of \$19,500 the very first week of their campaign. They have ten Minutemember churches and one colored Minutemember church thus far, with three entire districts over the Minutemember goal. Truly a wonderful accomplishment for God this early in the campaign. The Charlotte church has set a good example in leadership for the rest of the conference by raising over \$3,000 and the brethren write us they are still going strong. The Carolina officer force alone raised over \$1,100.

Notice the report for Georgia-Cumberland. The white churches raised by the end of the first week, 98 per cent of their goal and the colored churches 91 per cent. That is certainly a good report. At the close of the first week of their campaign, they had twenty-eight churches over and seven districts over. Three of their churches are Minutemember churches.

Kentucky-Tennessee has an excellent start on their goal, reporting a total of \$10,895.56 for the first week. This represents 47 per cent of the white goal and 30 per cent of the colored goal.

God has been good to His people in their efforts in the Ingathering this year. Surely every church member and every church in each conference will not stop short of raising their goal. A real spiritual blessing comes to each one who has part in this soul-winning effort. Let us in our work, remember that it is vastly more than a money rasing effort, and do all we possibly can to contact every person in the city or community in which the church is located. This can be done
