## BIBLE SCHOOL OFFERING on APRIL 5

V. G. ANDERSON

ELDER Cardey's desk receives some of the most interesting mail in the Southern Union.

Here is a letter from Bowling Green, Kentucky: "I have attended the ..... and ..... churches in my life, but lately I have been taking these wonderful Bible lessons and I have decided that I must make a decision as to what church I should belong to. My near neighbor is a Seventh-day Adventist. Since taking this course and studying my Bible I feel that you have the truth, and I must make my decision and unite with this commandment-keeping people very soon. Do you think I am right?"

From Piedmont, Alabama, came this letter: "I have made up my mind definitely to unite with this church and keep the commandments of God. . . . It is not easy and I am meeting considerable opposition from my family and friends, but nothing can stand

in my way. I have a happiness and joy in my heart that I have never known before. Pray for me that I may be faithful."

The sands of time are nearly run.

An indication of the value of our continuous mailing program in the Bible School is contained in this letter from Louisville, Kentucky: "So much

literature comes to my desk that has little food in it. Tonight I picked up your last lesson and it was just the food I wanted. So now I have hunted up all the other lessons you have sent. I am starting from the first lesson to study them all through. I have found them from 1 to 14. I will let you know if I do not find the others. Am enclosing a dollar for my first donation. I want to study this whole course now. Thank you for your kindness in sending the lessons to me."

Our hearts thrill as we read these letters and we pass them on because we want to share this joy with you.

Next Sabbath, on April 5, we will take a special offering in every church of the Southern Union for the Bible School work. We believe every member will make a liberal gift on that day so that the work of this great soul-winning agency may continue to grow and prosper.

## A New Day for Colporteurs

W. A. HIGGINS, *Publishing Secretary, Southern Union Conference*

A NEW training program is being introduced in the Southern Union that we feel will appeal to many who have been anxious to get started in the colporteur work. About every three months there will be a special colporteur school conducted. This will be held at the publishing house in Nashville. All new full-time colporteurs who have been approved by the local conferences and who have thoroughly mastered the new selling talk for the book they are to use will be sent to

Nashville to visit the publishing house and while there will receive special training to do this colporteur evangelistic work.

The selling talk for the "Drama of the Ages" has been completely revised and it can be given in less than five minutes. This is available to all who are eligible for the sale of this book. Revised canvasses are also being prepared for "Bible Readings" and other of the large books.

In the Southern Union we expect to

deliver a million dollars' worth of literature this year. Many of our individual colporteurs will deliver literature valued at \$10,000. This is a great year of opportunity for this effective soul-winning work.

Why not talk this over with your publishing secretary and ask him for a copy of the canvass and further information regarding the training school? Why not devote your full energies to the giving of the message and yet make a good living in the colporteur work? The new training plan will help you to do this. Get in touch with your publishing secretary today.

## They Are Calling

WELDON TAYLOR HAMMOND

For twelve weeks we have been hearing  
 From this desk a plaintive plea  
 From the old land of the Cushites  
 And the Queen of Candace  
 Ethiopia and Meroe,  
 Who at one time saw the light,  
 Have descended into darkness,  
 And no longer know the right.

Likewise, on her western seaboard,  
 Africa is dark and grim,  
 For they do not know the sweetness  
 Of the light that shines from Him  
 Who alone can soothe their heartaches,  
 Who alone can dry their tears,  
 So they stumble on in blindness  
 Through the long and weary years.

They are calling, daily calling,  
 And their cry has reached the ear  
 Of the great God of the nations,  
 For He truly holds them dear.  
 He will answer; yes, He'll answer,  
 And His answer will suffice  
 For the needs of those in darkness  
 When we learn to sacrifice.

Time is short, the shadows lengthen,  
 Soon the gospel sun will set.  
 Prayers and gifts will then be useless,  
 Mission needs will all be met.  
 Faithful stewards of the Master  
 Who improved their talent loan,  
 Will receive His approbation  
 As they stand before the throne!

To insure greater results for your investment visit the individual or write to him before you list his name to receive the *Signs of the Times* or after you know the subscription has begun you might visit the individual and if the paper is not wanted you can send it to someone else. Thus you can care for the change of address rather than have it handled through the postal department.

The *Signs of the Times* wins souls. *Let's protect our mailing privileges by observing these precautions.*

## So You're Depending on the Family Doctor

WHAT would you do if tomorrow morning your family physician, along with every nurse within your county and state, should be whisked away to take care of a national emergency? This is not a foolish question, for this is exactly what will take place if and when an atomic bomb is dropped upon our cities, even if the disaster is hundreds and hundreds of miles away. Here are the facts:

Suppose a city such as Atlanta should receive the fatal blow some afternoon. Seventy-five per cent of all doctors and nurses in the area would be on the "Not Available" list. Every hospital, except one perhaps, would be put out of commission. Now without this medical care what will happen to 50,000 casualties needing immediate attention? Are you prepared for this moment when every doctor and every available nurse will be called away? Now is the time to join a Red Cross class, sponsored by your local conference in your own church, and prepare yourself so that you, your family, and your loved ones will be ready.

## Attention Please - A Vital Announcement

R. H. WENTLAND, *Home Missionary Secretary, Southern Union Conference*

THROUGH the years the *Signs of the Times* has been sent to thousands of people who have not requested it. This is good and we want you to continue to carry on this missionary endeavor. But be reasonably sure the weekly visits of the *Signs of the Times* will be appreciated before you enter a subscription.

Because of some failures to heed this precaution many have been refused and the post office department has asked that the *Signs of the Times* be sent to those only who want to receive the paper and thus avoid the refusals which have been numerous. We want to retain the second-class mailing permit for this wonderful missionary periodical, so do your part

to check your lists carefully. If you know an individual to be strongly prejudiced to our message, endeavor to break down some of this antagonism before entering the name on the *Signs of the Times* subscription list.

One other word of caution: Be sure to check the names and addresses for

## Child Day-Care Centers

All over this country there is a desperate need for more child day-care centers. Parents, in all walks of life, are looking anxiously for a place where their small children may receive proper care during the day. What a golden opportunity this affords for our Seventh-day Adventist ladies.

Many of our sisters would gladly start day-care centers if they had the necessary training for the work. Now here is the good news:

A Pre-school Teachers' Institute is to be conducted this summer, June 25 to July 9, at Southern Missionary College, for those who would like to start day-care centers. For further information and application blanks write to: A. O. DART, Box 449, Decatur, Georgia.

Now is the time! Write today to your local conference War Service Secretary. He will be glad to help you and others within your church to organize Red Cross classes.

## CHILD EVANGELISM INSTITUTE

Our children are a most priceless heritage from the Lord. It is the sacred obligation of every church member to direct them in such a way that they will become children of God. To help in this most important responsibility a special institute is planned.

From April 21 through April 24 a conference-wide Child Evangelism Institute will be held in Birmingham, Alabama. Our conference is very fortunate in having the very best instructors the denomination affords in this field. Elder Eric Hare and Miss Louise Meyer, from the General Conference, and Elder and Mrs. Archa O. Dart, from the Southern Union Conference, will be present.

Plans are being made to have representatives present from the children's divisions of every church in the conference. We also invite all others who have a special interest in this work. The counsel and help to be given at this institute will be invaluable to all parents and teachers.

## YOU MUST BE THERE

Yes, you must be at the Alabama-Mississippi Youth Congress, April 11 and 12, Birmingham, Alabama. A never-to-be-forgotten program is planned which you can't afford to miss. Elder L. M. Nelson, Southern Union youth leader, will speak Friday night. This meeting will be held in the

church at 733 Tuscaloosa Avenue. All Sabbath meetings will be held in the West End High School Auditorium, Pearson and 18th Avenue, S. W.

Elder Theodore Lucas, Associate World Youth Leader, will speak at eleven o'clock Sabbath morning. The Sabbath school will be directed by Elder R. H. Wood, conference Sabbath school secretary.

The afternoon program will be full of inspiration and enjoyment for everyone. A thrilling singspiration, punctuated with special musical numbers and Share-Your-Faith interviews, will keep you on the edge of your seat. "Truth on Trial" will make vivid some of the events portrayed in the last chapters of "Great Controversy." Any one of these features will repay your effort to attend.

The congress will close with a captivating story, told by Elder Lucas, of a recent trip to the heart of Africa, and he will have pictures to illustrate his story.

For those who plan to stay in Birmingham over night, accommodations will be provided in the homes of church members at one dollar per person per night. Reservations should be made with the conference Missionary Volunteer Secretary. Meals will be served in the Brakeworth Junior Academy cafeteria.

Every young person and those young in spirit should be present at this youth congress. It's planned for you. Everybody's going to be there. How about you?

*Fletcher Academy* — Elder C. C. Cress conducted the spring Week of Prayer for Fletcher Academy.

*Kernersville* — Sunday, evening, March 16, opened a church revival at our beautiful new Kernersville church. Elder M. B. Elliston and Brother E. W. Goodner are conducting this series. A few weeks ago these brethren had a two-weeks' revival in our Greensboro church.

*Greenville, North Carolina* — Sunday evening, March 16, found the Greenville, North Carolina, church full for the opening meeting of a revival series being conducted by the pastor there, Brother Philip Young.

*Goldsboro* — Pastor Glenn Henriksen also began a church revival in our beautiful Goldsboro church Sunday evening, March 16.

*Plymouth* — Pastor Harold Turner has secured a fine hall in the center of town for a short series of meetings beginning Sunday evening, March 23.

*Fayetteville* — We are pleased to announce that Brother Loren O. Cook will begin a series of meetings Sunday night, March 23, in the city of Fayetteville. A fine hall has been secured, a radio broadcast has begun, and our believers there at Fayetteville are extremely happy over the plans for this series of meetings.

*Wilson* — Pastor Robert Kistler is making plans to hold a series of meetings in the beautiful Wilson, North Carolina, church.

*Orangeburg* — Our tabernacle that has been at Orangeburg for a few

months now has just been moved to our permanent church location. Two beautiful lots have been purchased across from the new public school grounds, and Elder E. L. Marley and Brother James Wolter plan to begin another series of meetings there in this county which only a short time ago was one of our dark counties.

*Twentieth Century Bible School Interests* — Daily we hear news concerning interests from our Twentieth Century School of Bible Prophecy. Our district pastors are busy following up these interests and in preparing our lay people to assist in bringing these interests into the truth.

*Hickory* — Sunday evening meetings are still being held in our tabernacle at Hickory, North Carolina. Elder Zollbrecht reports some ready for baptism and a number of interests which he is following up.

*Salisbury* — Elder J. L. Everett reports a very busy Missionary Volunteer Week of Prayer following up interests in his district and in conducting the meetings at the Salisbury church school.

*Morganton District* — Word from Elder A. D. Livengood tells us that each one of his three churches was organized well for the Young People's Week of Prayer, and meetings were held in each one of the church schools.

*Greenville, South Carolina* — For some months now our believers in Greenville have been laying the groundwork for a series of meetings in that fine city. Elder W. R. Holley reports a very busy program for himself and Brother Hooper, his assistant. Plans are now being considered for Sunday night meetings in our lovely church there.

*Forest City* — One of our laymen, Brother G. B. Case, reports a fine branch Sabbath school and a number of individuals ready for baptism in this progressive city. We are hoping to hold a public series of meetings in Forest City in the summer or fall.

*Camp Meeting, Camp Meeting* — Yes, our Carolina camp meetings are always evangelistic in nature. We trust you have already made plans to join the other Carolina believers in this greatest of all Carolina meetings — the Carolina camp meeting, at Blue Ridge, North Carolina, May 25 to 31. Pray, plan, prepare now to be numbered among those who will enjoy these happy, spiritual days in Christian fellowship. C. H. LAUDA

## GREENVILLE, SOUTH CAROLINA, DISTRICT NEWS

The members of the Greenville district will long remember the inspiring Youth Rally held in the Greenville, South Carolina, church, Sabbath, February 23. Elder F. W. Foster, young people's secretary for the Carolinas, preached an inspiring message in the morning service. In the afternoon, Elder Foster, with the able assistance of Mrs. Foster, led out in a varied program which included a sing-spiration, youth quizzes, and Share-Your-Faith experiences. A moving picture, entitled "All That I Have," was shown in the evening. That film is one that we heartily recommend — it carries a mighty message for Christian stewardship. We are very grateful for this splendid youth rally.

Our members who live within one hundred miles of Greenville will be interested to know that a new radio program has been started. The program is known as "Your Bible Speaks," and is broadcast over station WMRC in Greenville every Tuesday and Thursday evening at 6:15. WMRC is 1440 on your AM dial and 94.9 FM. Will those of you who hear it please write us and let us know how the reception is?

Brother I. W. Young, publishing secretary for the Carolina Conference, and his family, visited the Greenville church Sabbath, March 15. Brother Young gave a stirring message at the eleven o'clock hour on the call of God to the colporteur ministry.

Mrs. Hilda Gallagher, president of the Piedmont Federation, Mrs. A. A. Pearson, president of the Upper Catawba Valley Federation, and Mrs. Nellie Carruth, president of the Western Federation, have expressed their enthusiasm over the plan for these groups to meet together, making it possible for Elder R. The plan has been favored of having each group bring their own lunch. The quanset hut adjoining the church will be prepared to provide convenient accommodations for the large attendance expected.

Mr. C. R. Darnell, manager of the Book and Bible House, is planning to be prepared at the close of the meeting at 3:00 P.M. to serve any of those desiring to make purchases at the Book and Bible House.

Inasmuch as this meeting has been arranged on a day when our members are free from their normal vocations, we invite and expect a large attendance of both men and women.

### CAMP MEETING

The official date for the Florida Conference camp meeting has been set for May 29 to June 8, inclusive.

It is anticipated that we will have a large attendance this year. Thursday night and Friday, May 29 and 30, will be given over to the conference session.

We are pleased to announce that the enlargement of the big camp meeting tabernacle is now under way. We are putting on an addition of 40 x 100 feet. We believe our members will be pleased with this addition.

At a recent meeting of the conference committee it was decided that if any of our members would like to invest three hundred dollars the conference will build a permanent con-

crete block cabin for them, which they will be entitled to use for ten years, without charge, during the camp meeting periods. Any who are interested in this should contact us immediately as the dead line to get these cabins ready for this year is April 10.

I trust that all our members will plan to be in attendance at this great yearly convocation and ask that all join in earnest prayer that it may be the greatest spiritual feast we have ever had.

R. H. NIGHTINGALE

### SURVIVAL THROUGH FAITH— SARASOTA

From the first hint of having Elder Glenn Coon with us for a revival, an effort was begun to prepare our people for it by sermons and repeated announcements over a two-month period.

We had a list of over five hundred interested people from the Voice of Prophecy and the School of Bible Prophecy, and some of our magazines. Invitations were sent to everyone, several days before the Sunday night Survival-Through-Faith meeting. Our people were organized into bands with definite territories and everyone, it seemed, anticipated the few days of the feast. Hundreds of homes, yes, perhaps several thousand were visited. The material supplied from the General Conference with the beautiful letterhead and invitation was very appropriate and eye catching. Also, we appreciated the urging and cooperation we received from our president, Elder R. H. Nightingale, and the conference office.

We had rented the Manatee High School Auditorium for the Sunday evening. The custodian told us that there were at least five hundred and fifty present. The Holy Spirit was certainly there as Elder Coon presented the subject and made an altar call. At least two hundred people spontaneously started toward the front. The first, was an elderly man who had been a former church elder. He came down the aisle with tears in his eyes but his face lit with the joy of being born again.

On the Friday night of the opening meeting in the church every seat was taken. Elder Coon had been present in the two prayer meetings preceding the opening of the first meeting of the revival series. The first two meetings were primarily for our people, but many others came. The Sabbath school offerings were half again as much on

the first Sabbath. At nearly every meeting, opportunity was given for surrender to Christ, and every time there were many. Our people remarked over and over again, Jesus Christ has become real to me and I know that my sins are forgiven and I am walking in new light and life." "I know that now I have the victory and that I can take the message of Christ to others." "I wish I had realized the wonders of the life in Jesus like I do now."

The training class to help our people learn how to witness for Christ was so well attended that we did not know where to seat everyone. One hundred enrolled and received the text book "Path to the Heart," and 76 graduated and received certificates on the closing night. Many of the names received from the Bible schools were distributed among the members of the class, and they are visiting these interests. We are already organized and inspired to follow up these interests, and we know that there will be good results.

We expect to have a baptism of ten or twelve in two or three weeks. These meetings helped to bring some people to a decision who attended our meetings last fall.

The brethren now have a program that is coordinated with all the branches of soul winning. The ability to get names of all subscribers to our periodicals, along with those of the Bible schools, gives a number of names never before realized.

Our hearts are on fire with the glorious prospects afforded by a coordinated program with the blessing of the Holy Spirit. We are expecting great things of God, and are determined to attempt great things for Him.

W. B. FINDLEY

### SURVIVAL THROUGH FAITH

Our churches in the Lakeland area are very grateful to the Florida Conference for the services of Elder R. H. Nightingale who has just closed a series of seven Survival-Through-Faith meetings in Lakeland.

We were able to secure the spacious and comfortable Mayhall Auditorium in the center of the city for this series of meetings. Through wide advertising in the newspaper, radio, and circulars, hundreds of people came in from neighboring cities, as well as from Lakeland, to attend these meetings. It is estimated that on Sunday

### PLAN FOR THE FUTURE

Jesus said, "Lay up for yourselves treasure in heaven," and Paul said, "He being dead yet speaketh." One way to fulfill these texts is to make sure that your property and money will be used in the Lord's work, should death overtake you. A person lives just as long, or longer, if he has his house set in order and his property and finances taken care of in a businesslike way. We will be happy to counsel and plan with any who may be giving consideration to leaving a portion, or all, of their worldly goods to the cause of God.

It may be that some have a surplus of funds which they would like to place in the conference instead of in the bank. We will be glad to pay a good rate of interest and your security is just as good, or better, than if it were in the bank.

Any of our members who are interested in either of these plans, please contact the Florida Conference and ask for either the president or the treasurer.

night, March 2, one thousand people were present. All through the week the attendance was good. On the closing night of this spearhead evangelistic effort, March 9, over a thousand people were there to hear that stirring appeal on the nearness of the battle of Armageddon. It might be of interest to our people to know that we openly declared these meetings were sponsored by the Seventh-day Adventist church.

Through the kindness of a local business man, whose wife is an artist at the electric organ, we had use of a fine Hammond electric organ throughout the meetings. Elder W. L. Mazart, pastor of the Orlando Central church, arranged for most of the excellent musical numbers rendered during the meetings.

It is encouraging to know that at the call made for consecration Friday night hundreds went forward for

prayer. Hundreds of names were received for sermons and literature. Many signed to take the Twentieth Century School of Bible Prophecy course.

We believe that much good was accomplished by these meetings. It is planned that I shall follow up this interest with meetings in the church two nights a week until camp meeting. Please pray for the success of our soul-winning endeavors in Lakeland.

### CLEAN-UP WEEK

Our executive committee recently recommended that April 26 to May 3 be set aside as "Clean-Up, Paint-Up Week" in the Georgia-Cumberland Conference.

In making this suggestion the committee felt that perhaps more attention could be given to the landscaping and beautifying of our churches and schools. God is a lover of the beautiful.

Our churches should be in the best possible state of repair, both inside and outside. The grounds should be landscaped to the best of our ability. These memorials to God should be witnesses for Him. However, at times I am afraid that unfavorable impressions have been given to our work because of insufficient attention to some of these points. Therefore, your committee earnestly requests that church leaders and members unite in

We are happy to present to the readers of the SOUTHERN TIDINGS, Mr. and Mrs. E. C. Davis, colporteurs of the Georgia-Cumberland Conference. Brother and Sister Davis are devoted to each other, and to the greater love of giving their all to the Lord in service. If you could receive their re-

ports from week to week you would be just as thrilled as I.

Brother and Sister Davis both work, and the Lord is richly blessing their efforts. Last year they delivered over \$8,000 worth of our truth-filled literature.

I wish to pay a personal tribute to them for their consecration to the cause of God. And, dear friends, let's all pray for their continued success in the Lord's service.

Now, may I say a word to the husbands and wives who do not have small children at home? You, too, could be happy in God's work, working together for the Lord Jesus. If Brother and Sister Davis could speak to you now, I am sure they would ask, "Will you not join us in the great search for the lost?"

Think it over, friends. Pray about

## THIRTEENTH SABBATH OVERFLOW OFFERING MARCH 29

We are at this time calling our Sabbath schools in the South Central Conference to put forth double effort to make our coming Thirteenth Sabbath, March 29, DOUBLE DOLLAR DAY.

This is the centennial year. It marks the one-hundredth year since our first Sabbath school lessons appeared in the *Youth's Instructor* in August, 1852. During these years our church members have not only received rich spiritual knowledge from a systematic study of God's word, but have had the blessed privilege of giving millions of dollars to missions through the Sabbath school to send this message to those who know it not.

The influence of these funds has made it possible for thousands of precious souls to be rejoicing in the salvation of our God. With such a rich heritage and the golden, soul-winning opportunities before us, we should be inspired to unite our best efforts to make the coming Thirteenth Sabbath overflow offering the largest in the history of our Sabbath schools.

"The spirit of liberality is the spirit of heaven. . . . On the other hand, the spirit of selfishness is the spirit of Satan." *Acts of the Apostles*, p. 339.

On last Thirteenth Sabbath, December 29, 1951, the Sabbath schools of our conference gave a total of \$2,472.01 which was a gain of \$239.15 over the former Thirteenth Sabbath. Six of our Sabbath schools gave so liberally that they averaged more than \$2.00 per capita. They are as follows, according to their per capita: Tutwiler, Mississippi .....\$20.50 Natchez, Mississippi ..... 4.00 Laurel, Mississippi ..... 3.50

Hollandale, Mississippi ..... 2.44  
 McComb, Mississippi (New) .. 2.41  
 Clarksdale, Mississippi ..... 2.31

It is interesting that Tutwiler, one of the smallest in the conference, led with \$20.50 per capita. Let us give more liberally on March 29, this coming Sabbath, to help establish our hospital in Ethiopia and to build a new one in Nigeria, West Africa.

B. H. EWING, Secretary  
 Sabbath School Department

Miss Velba Warner, a member of the junior department of the Jackson, Mississippi, Sabbath school, on December 29, 1951, recited from memory all memory verses from the first Sabbath of the second quarter to the last Sabbath of the fourth quarter. As she recited these verses another junior, Annie Lee Cameron, placed a star on her crown for each verse she recited.

## NEWS

★ Several of the workers write of wonderful results from the branch Sabbath schools. Some of the reports follow: Brother N. A. Lindsay says he has ten ready for baptism in Gadsden, and Sylacauga, Alabama; Elder C. E. Dudley, of Memphis, writes, "Our branch Sabbath schools are proving a blessing. Recently six souls have taken their stand for the truth. Others are coming." Pastor G. H. Rainey of Greenville, Mississippi, writes: "Three more souls were buried in baptism, Sabbath, February 16." Pastor W. J. Mitchell of Jackson, Tennessee, states that he recently had four to accept and be baptized. As we go forward this year may the Lord work through each of us to win more souls to the light of truth.

★ Our conference Missionary Volunteer leader, L. A. Paschal, reports that the Memphis, Tennessee, church is making splendid progress. He was the guest speaker at the eleven o'clock hour on March 1. He reports that the Ingathering campaign there is going forward with much zeal and enthusiasm.

after two weeks of illness. Miss Meredith is secretary to the educational and Missionary Volunteer departments, and the home missionary and Sabbath school departments.

★ On Sabbath, March 8, Elder P. C. Winley, manager of the South Central Book and Bible House, visited the Knoxville church. Elder Winley gave the opening sermon for the Missionary Volunteer Week of Prayer.

★ Elder Winley also met with the company of believers at Morristown, Tennessee, in the home of Mrs. Stella Simpson, that afternoon.

★ On Sabbath, March 15, Elder Winley met again with the Knoxville church for the concluding service of the Missionary Volunteer Week of Prayer. Brother J. H. Harris assisted in the service by offering the prayer as the young people rededicated their lives to a greater Share-Your-Faith program.

STAMPER:—Freida Elizabeth Styers Stamper was born January 20, 1906, and died February 17, 1952, at Saisbury, North Carolina.

In 1932 she was married to Marvin V. Stamper of Salisbury, and one child, Elizabeth, was born to bless their union. The family was united in the church fellowship of the Salisbury Seventh-day Adventist church, Mrs. Stamper and her husband joining in 1940. She loved her Saviour and His church, and was a faithful member till her affliction cut her down. Her fellow believers in Salisbury will remember her floral gifts to the church, and are looking for the time when Mrs. Stamper will enjoy never-fading flowers in a better world.

The funeral was held in the Salisbury Seventh-day Adventist church on February 19, and she was laid to rest near her birthplace in Davidson County, North Carolina.

She leaves to mourn her husband and daughter, Elizabeth; two sons by a previous marriage, Rufus and Robert Roseman, of Richmond, Virginia; her father and stepmother, Mr. and Mrs. W. C. Styers, of Davidson County, North Carolina; three sisters and three brothers, and many friends.

The blessed hope was a reality to Sister Stamper, and as she rests may we as loved ones and friends hasten the glad reunion by new zeal in our Christian life.

THE JOURNEY'S END

"Blessed are the dead which die in the Lord." Revelation 14:13

HERBERT:—Gordon Allen Herbert, 17 year-old son of Elder and Mrs. D. P. Herbert, was born October 30, 1933, in Grants Pass, Oregon, and passed away December 22, 1950, in Miami, Florida. Gordon was stricken with infantile paralysis September 8, 1950. Funeral services were conducted by Elders R. H. Nightingale, W. L. Mazar and S. S. Will. Gordon was laid to rest in the Woodlawn cemetery in Orlando, Florida, to await the soon coming of his blessed Saviour.

R. H. NIGHTINGALE

THOMAS:—Mrs. S. J. Thomas was born February 20, 1874, and passed away on February 9, 1952, at the age of 77 years. She accepted Jesus Christ, as her personal Saviour in the year 1915, and later became a charter member of the Charleston, South Carolina, Seventh-day Adventist church.

Sister Thomas was extremely faithful to this message during her many years of close fellowship with those of like precious faith. Even during the dark days of her lingering illness she kept her mind on the blessed hope of the soon-coming Saviour, and rests in the full assurance of a glorious resurrection.

She leaves her husband, Brother S. J. Thomas, of Yemassee, South Carolina, and her daughter, Mrs. P. M. Zahler, at whose home she passed away in Yemassee. She also leaves a son, Walter Thomas, of Conway, South Carolina; another daughter, Mrs. J. W. Hill, Jr., of Yemassee, and a brother, Albert W. Stevens, of Savannah, Georgia.

Words of comfort were spoken by Elder R. E. Logan, assisted by the Baptist and Methodist ministers of Yemassee. She was laid to rest in a beautiful country cemetery

SLATON:—Miss Lillie Bell Slaton was born in Auburn, Alabama, October 1, 1865, and passed away early in the morning of February 13, 1952, at her home in Eclectic, Alabama.

Sister Slaton secured her degree in Boone College in North Carolina and while still a very young lady she began what was to be a long and useful life of service dedicated to the education of the youth. For more than sixty years she devoted herself to this task serving in the public school system of Alabama and later, after acceptance of the Seventh-day Adventist faith, in the church schools of this denomination. She was at the time of her death a devout member of this faith.

Sister Slaton is survived by one only sister, Mrs. Carrie Slaton-Reynolds of Attalla, Alabama. She leaves a number of nieces and nephews as well as a host of friends and former pupils to mourn her passing. Services were conducted in the White Chapel here in Montgomery and Sister Slaton was laid to rest in the Greenwood Cemetery.

together on it. At the half-way mark in the studies we started to send the *Signs of the Times* to these individuals. The weekly visits of the *Signs* along with 'Bible Readings' helped to impress them with the importance of everything we studied together.

"One of the ladies in the accompanying picture represents an interest awakened by one of our magazine workers, Mrs. G. W. Land. She left a Bible course card in one of her magazines and Mrs. Gerita Webb, of Sylvestor, Georgia, finished the course and came to Albany looking for the Adventist church.

"As a result of personal evangelism the Lord blessed us with fourteen precious souls here in Albany during 1951. We are praying and planning for an even greater harvest in 1952 as a result of our personal evangelism program."

Here is another evidence of the way the Bible school, the colporteurs, the ministers, and every member can cooperate to win souls to the truth. May our vision of the possibilities of the wonderful program of Greater Evangelism for the Southern Union continue to grow.

The silent messengers that are placed in the homes of the people through the work of the canvasser, will strengthen the gospel ministry in every way; for the Holy Spirit will impress minds as they read the books, just as He impresses the minds of those who listen to the preaching of the Word. The same ministry of angels attends the books that contain

the truth as attends the work of the ministry.' *Evangelism*, pp. 161, 162.

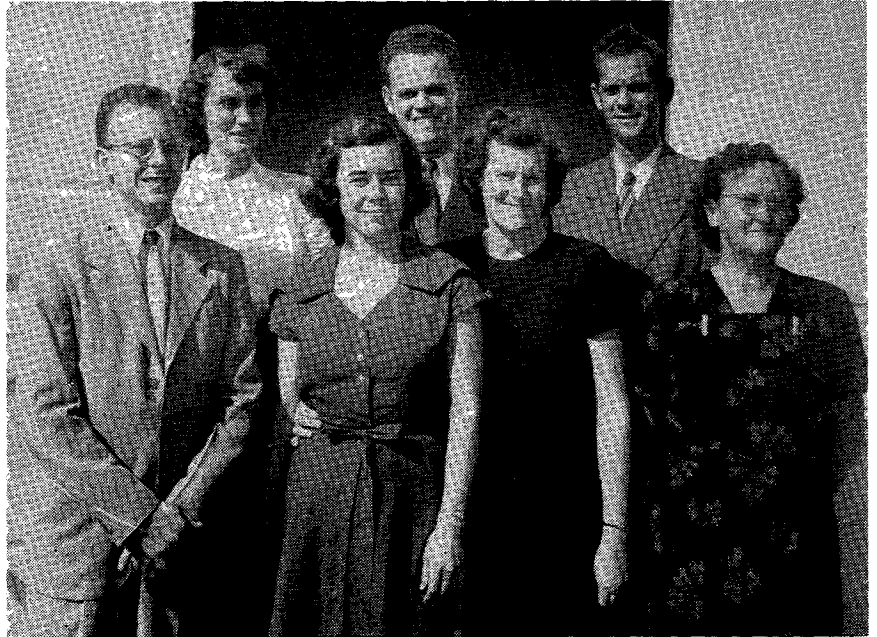

"During 1951," Brother Coe continues, "we discovered what can happen when the canvasser and the minister work together to win souls. Brother and Sister J. W. Bowman, colporteur evangelists in Albany, found an interest last spring that eventually brought in six new believers. Brother
