The Annual Reports

ONCE again our faithful, painstaking Statistical Secretary has worked out a complete annual report of our various activities in this Division. These reports are of great value. They should be carefully studied and kept, especially by our leaders. They tell their own story. Yet there are many things figures do not reveal. They cannot fully make plain the sacrifice, the hard work, the tears and discouragement, and the many prayers of those who have toiled and given and worked for God at home and abroad. On the other hand they do indicate very clearly that a faithful, loyal constituency has given devoted, whole-hearted support to the great mission enterprise. We have every reason to be profoundly grateful for the Lord's blessing upon the work of this Division during 1935.

We are most happy to see that our Sabbath-school membership now is above the 50,000 mark. But we wish more of our Sabbath-school members in Africa were in the church, and more of our churchmembers in Europe were in the Sabbath-school. There is a large task in Africa to instruct these many Sabbath-school members and bring them to the Lord. However, we have a faithful body of missionaries who are doing their best to bring this about. It is gratifying that our tithe has kept up as well as it has. Both the tithe and the offerings this year are quite a little larger than in 1934. The total number of churches in this Division is now 631. Each of these

churches should have a good ordained elder, or at least a capable leader. This is an important endeavour to which we must address ourselves more and more. When we began work as a Division, our total membership was 19,676 in the homelands. To-day it is 25,639. That is a good increase and we have had a similar increase out in the mission fields. To all our brethren and sisters and fellow-workers we wish to express our hearty appreciation of their kind co-operation and splendid service. We pray that this present year, uncertain though it appears to be, may bring us an even larger ingathering of precious souls to the glory of God.

L. H. CHRISTIAN.

*Annual
and Institutional
Reports*

EACH year brings new encouragement in our work. We are indeed thankful for the splendid progress that has been made during 1935 as shown in the statistics of this issue. We have, however, not yet reached the summit. As time goes on we may expect and work for still greater things. The work will stand at its highest when God cuts His work short in righteousness.

The financial reports for the first two months of this year have already come in, and both the tithe and the general mission offerings show a large percentage increase—three per cent and twenty-nine per cent respectively. The amount in pounds or kroner is not the ultimate objective. This is only a means to an end. It shows, however, the faithfulness of our loyal constituency, and as a result many souls will be won for Jesus.

Besides the above we have been pleasantly surprised by the good result obtained in our special offering for Ethiopia. We felt reluctant to set our goal as high as £1,000, fearing that this might not be reached. However, already £1,150 has come in. We have sensed a deep interest within our own ranks and among our friends for our missionaries and work in Ethiopia. Although our goal has been reached, we trust that still more will continue to come in. Within a few weeks we hope to have a new missionary doctor family and a nurse on their way to that needy field. May God bless the gifts, and every giver, with His richest blessing! E. R. COLSON.
