

Schedule of Adventist-Evangelical Consultations & Related Meetings (1955-1956)

Note: No official minutes or records were kept at the meetings. From correspondence and informal sources Julius Nam identifies five or six clusters of meetings (Nam, 51) R. A. Anderson spoke of 15 sessions while L. E. Froom spoke of 18. Apparently, several sessions were counted within meeting clusters.

Place	Date	Participants
