THE NEW YEAR

BEFORE me lies a land all unexplored;
No foot of man has left its impress there.
My path across this plain God bids me choose,
And make it straight or crooked as I will.
But right must be the path of those who win
The approbation of their inmost hearts,
And smile of an approving, all-wise God.
A goal, then, I must have — a purpose firm.
A chart and compass, too, I’ll surely need
To guide my steps across this trackless plain.
Oh, then I’ll make my goal a perfect life!
My chart shall be God’s Word; my star, His Son!
And if, perchance, I stumble here or there,
If sometimes darksome clouds obscure my view,
When clears my sky, I’ll press my journey on,
Nor willing turn aside from the bright Star
That points me ever toward my chosen goal —
A perfect moral likeness to my God.

— C. P. BOLLMAN.

OUTLINE OF COURSES IN EDUCATIONAL INSTITUTIONS

At the Educational Council held at St. Helena, Cal., June 4-14, 1915, it was recommended that the work of our intermediate schools, academies, and colleges be organized upon a semester (half year) basis, each semester to be subdivided into three periods of six weeks each. It was also recommended that the credits given in these schools be reckoned upon a unit basis, one unit representing a study pursued 36 weeks with five recitations a week, forty-five minutes in length, or its equivalent; that college credits be given on the semester-hour basis, a semester-hour representing a study pursued one sixty-minute hour a week for eighteen weeks. Needing Tents for 1924

Twelve-ounce genuine U. S. A. mildewproof and waterproof khaki duck bought from the Government at a low price enables us to sell you Gospel Tents, Book Tents and Field Tents at much less than the present market.

We were very fortunate in securing this material, as the price of cotton today is higher than it has been in a long while — in fact, cotton is higher today than at any time since the War.

Send us your requirements and we will quote you our best prices on our regulation C/G style S. D. A. Tents — the same high quality that we have been making our Adventist friends for so many years.

Ministerial Reading Course for 1924

No other selection of books could have been made that are so well adapted to the needs of the hour. Within the denomination there is a clarion call to a Revival and a Reformation, and in the religious world rages a great conflict between the Modernists and the Fundamentalists, in which we as a denomination are vitally interested.

"Deeper Experiences of Famous Christians" will give a new vision of a deeper and wider experience, such an experience as is needed before the close of probation. It is vitally interesting as well as highly inspirational. Do not fail to read it.

"Will the Old Book Stand?" is a book that is certainly needed in these testing times. The author, H. L. Hastings, writes with skill and power, and his arguments in vindication of the Bible will be appreciated by our ministers and workers, especially those who may be called upon to uphold the fundamental doctrines of Christianity.

"Testimonies to Ministers and Gospel Workers" will be especially appreciated by our workers, many of whom have tried without success to secure the pamphlets which were formerly issued in series form. The book is obtainable in cloth and flexible leather bindings.

Special prices as follows:
Set, with the last book in cloth .................. $4.25
Set, with the last book in flexible leather .......... 5.00
First two books only .................................. 3.00

Are You Building?

If you are a teacher in the Sabbath school, you are helping to build the structure of your pupils' character and spiritual life.

You would not think of using blunt tools if you were building a house — why use them in helping to build a spiritual temple?

Then Sharpen Your Tools

by studying the Sabbath School Workers' Training Course. You will find three excellent aids to the sharpening process in the material selected for the Course:

"Testimonies on Sabbath School Work"

"A Little Kit of Teachers' Tools"

Sabbath School Departmental Leaflets

The leaflets are free, and the two books together are $1.10. If bought separately, the prices are: "Testimonies on Sabbath School Work," cloth, 50 cents; "A Little Kit of Teachers' Tools," 75 cents.

The Course begins the first week in February, and each number of the Worker contains an outline for the month’s lessons.
