Ministerial Reading Course for 1925

The year 1925 "demands greater efficiency and deeper consecration" on the part of God's workmen. As an aid in meeting this demand, four books have been chosen for study — not for hasty, casual reading. To attain "greater efficiency," there must be thorough building upon a solid foundation. The Reading Guide, furnished free, adds pleasure and profit to the study of the books. It divides the 1,300 pages of reading matter comprising the four books, into convenient portions for daily and weekly reading, furnishing references to additional instruction in the writings of the spirit of prophecy, which may be followed with profit.

"Romans," by Bishop H. C. G. Moule. Elder A. G. Daniels speaks of this book in the following language: "The spiritual tone of the exposition and the constant application of the saving truths dealt with, help to make the book not only interesting but helpful to the reader's spiritual life. . . . He gives the reader clear, charming, inspiring outlines of sin, faith, works, justification, sanctification, and glorification, as set forth in such brevity by the apostle Paul."
437 pages. Price, $1.50.

"Scientific Christian Thinking," by Howard Agnew Johnston. One writer describes this book as follows: "The book furnishes a valuable array of fact and argument for the refutation of atheistic evolution and the most illuminating presentation of the philosophy of Christianity and Christ that I have ever read. On the whole the book inspires and demands straight thinking, carrying the reader down to bedrock for a foundation." Price, $1.25.

First three books alone . . . . . . . . . . . . . . . $2.95
With "The Ministry of Healing," cloth . . 4.95
With "The Ministry of Healing," leather 5.85

“BE THOU CLEAN”

C. P. BOLLMAN

To those who minister for Him, God says,
"Be clean, all ye who vessels bear for Me. 
He who would safely, surely lead the blind,  
The path of safety he himself must see."

“Be clean.” There’s cleansing in the Master’s word  
To all who fully will His will to do.  
There’s freedom from transgression in the One  
Whose gracious promises are ever true.

So he who’d truly water other souls  
Must drink himself of the lifegiving spring,  
The smitten Rock from which our fathers drank,  
And which alone can true refreshment bring.

Drink, deeply drink, ye messengers of God,  
Then say to other souls, “Come ye to Christ,  
The fountainhead of life’s pure, living stream;  
Come, drink of Him who truly quenches thirst.”

It was also recommended that the credits given in these schools be reckoned upon a unit basis, one unit representing a study pursued 36 weeks with five recitations a week, forty-five minutes in length, or its equivalent; that college credits be given on the semester-hour basis, a semester-hour representing a study pursued one sixty-minute hour a week for eighteen weeks. Since 1870

Is a real asset to you when you’re buying a tent.
It means that you’re getting more than you’re paying for.
For the price you pay covers the cost of materials, the cost of making and a reasonable profit.
You do not pay one cent for the fifty-five years of skill and integrity built into that tent “between the lines.”
Use Baker Service, too, for Folding Chairs, Canvas Benches, Cots, and similar outdoor Equipment.

Twelve-ounce genuine U. S. A. mildewproof and waterproof khaki duck bought from the Government at a low price enables us to sell you Gospel Tents, Book Tents, and Field Tents at much less than the present market.

We were very fortunate in securing this material, as the price of cotton today is higher than it has been in a long while — in fact, cotton is higher today than at any time since the War.

Send us your requirements and we will quote you our best prices on our regulation C/G style S. D. A. Tents — the same high quality that we have been giving our Adventist friends for so many years.
